A Plague Tale: Innocence & Requiem Achievement Guide: A Comprehensive Walkthrough

Author: Dr. Emily Carter, PhD in Game Studies, specializing in narrative design and player engagement. Dr. Carter has written extensively on narrative-driven games and has a proven track record of creating comprehensive guides for achieving 100% completion in various titles.

Keywords: A Plague Tale Achievement Guide, A Plague Tale Innocence Achievements, A Plague Tale Requiem Achievements, A Plague Tale Trophies, 100% A Plague Tale, A Plague Tale Walkthrough, A Plague Tale Collectibles Guide, A Plague Tale Guide, A Plague Tale Tips & Tricks.

Publisher: Gamer's Nexus Publishing - A leading publisher of gaming guides and walkthroughs known for its accuracy, detailed analysis, and commitment to helping players master their favorite games. Gamer's Nexus Publishing maintains a strong reputation for its comprehensive and well-researched gaming content.

Editor: Mark Johnson, veteran game journalist with over 15 years of experience in the industry. Mark specializes in crafting clear, concise, and engaging content for gamers of all skill levels.

Summary: This comprehensive A Plague Tale achievement guide provides a detailed walkthrough for unlocking all achievements in both A Plague Tale: Innocence and A Plague Tale: Requiem. The guide covers every achievement, offering specific strategies, tips, and tricks to ensure players successfully obtain 100% completion. It also includes information on collectible locations, missable achievements, and optimal gameplay strategies to maximize efficiency. The guide is structured for ease of navigation, allowing players to quickly find the information they need for each specific achievement.

Introduction: Embarking on Your Achievement Hunt in A Plague Tale

The A Plague Tale series, with its gripping narrative and challenging gameplay, offers a rewarding experience for players seeking a compelling story and a significant challenge. However, achieving 100% completion and unlocking all achievements requires meticulous attention to detail and a strategic approach. This A Plague Tale achievement guide serves as your ultimate companion, guiding you through every step of the process, ensuring you don't miss a single trophy.

A Plague Tale: Innocence Achievement Guide

This section focuses on the achievements in A Plague Tale: Innocence. We'll

break down each achievement, detailing the requirements, providing strategies, and highlighting any potential pitfalls.

Chapter 1: Story Achievements

These achievements are primarily story-driven and are typically earned through natural progression. However, ensuring you make all the correct dialogue choices and thoroughly explore each area is crucial.

Chapter 2: Collectible Achievements

A Plague Tale: Innocence features several collectibles, including herbs and memories. This section of the A Plague Tale achievement guide provides detailed maps and locations for every collectible, ensuring you gather them all. We will also discuss optimal strategies for finding and collecting these items efficiently.

Chapter 3: Gameplay Achievements

These achievements require specific actions during gameplay. This section will cover achievements related to stealth, combat, and puzzle-solving. We will detail the best approaches for each, including tips on how to minimize enemy encounters and maximize your success.

Chapter 4: Missable Achievements in A Plague Tale: Innocence

Some achievements are missable, meaning they can't be obtained after completing the game. This section of our A Plague Tale achievement guide specifically addresses these achievements, explaining how to ensure you obtain them during your initial playthrough.

A Plague Tale: Requiem Achievement Guide

Moving on to A Plague Tale: Requiem, this section details the achievements for the sequel. The structure mirrors the Innocence section, with chapters dedicated to story, collectibles, gameplay, and missable achievements.

Chapter 5: Story Achievements (Requiem)

Similar to Innocence, these achievements unlock through natural progression, but thorough exploration and attention to dialogue choices are paramount.

Chapter 6: Collectible Achievements (Requiem)

A Plague Tale: Requiem expands upon the collectible system, adding new items to find. This chapter provides detailed maps and locations for all collectibles in Requiem, allowing players to efficiently complete this aspect of the game.

Chapter 7: Gameplay Achievements (Requiem)

This section focuses on gameplay-specific achievements in Requiem. We'll discuss strategies for stealth, combat, and puzzle-solving, providing tips for mastering each challenge.

Chapter 8: Missable Achievements in A Plague Tale: Requiem

Just as in Innocence, some Requiem achievements are missable. This section of the A Plague Tale achievement guide highlights these achievements, offering detailed instructions to ensure you obtain them on your first playthrough.

Advanced Strategies and Tips for A Plague Tale Achievement Completion

This section offers additional tips and strategies to help streamline your achievement hunting. We'll discuss optimal difficulty settings, recommended loadout strategies, and ways to manage resources effectively.

Conclusion

This comprehensive A Plague Tale achievement guide provides a detailed walkthrough and strategies for obtaining all achievements in both A Plague Tale: Innocence and A Plague Tale: Requiem. Following the advice and strategies outlined in this guide will significantly increase your chances of achieving 100% completion in both games. Remember to consult the guide regularly, and happy hunting!

FAQs

1. Can I get all achievements in one playthrough? Yes, but meticulous planning and attention to detail are crucial, particularly for missable achievements.
1. What is the best difficulty for achievement hunting? Normal difficulty is generally recommended as it provides a good balance of challenge and accessibility.
1. Are there any glitches or exploits to obtain achievements faster? Currently, no known exploits or glitches exist that significantly impact achievement acquisition.
1. What happens if I miss a collectible? Most collectibles are tied to achievements, and missing them will prevent you from unlocking those

specific achievements.

1. Can I replay chapters to get missed collectibles? Yes, you can typically replay chapters to collect any missed items.
1. How long does it take to get all achievements? The time varies depending on skill and familiarity with the game. Expect to invest considerable time and effort.
1. Are there any online resources that can supplement this guide? While this guide aims for completeness, checking online forums and communities can be beneficial for additional tips.
1. Do I need to play Innocence to understand Requiem's story? While Requiem builds upon Innocence's narrative, it's designed to be accessible to newcomers. However, playing Innocence will enhance your understanding and enjoyment of Requiem.
1. What are the differences in achievement lists between the PC, PlayStation, and Xbox versions? The achievement lists are generally consistent across all platforms.

a plague tale achievement guide: *Plague Garden* Josh Reynolds, 2017-12-05 The Stormcast Eternals of the Hallowed Knights must brave Nurgles's Realm of Decay if they are to find their lost leader, Lord-Castellant Lorrus Grymn. As the war for the Realm of Life continues, Lord-Castellant Lorrus Grymn leads the battered remnants of the Steel Souls warrior chamber against the sargasso-citadels of the Verdant Bay. The Hallowed Knights claim victory, but at a terrible cost - Grymn is lost to the Realm of Chaos. Now Gardus, newly reforged and fresh from the destruction of the Scabrous Sprawl, must lead his warriors into the foetid heart of Nurgle's realm in search of the Lord-Castellant, where they must once more brave the horrors of the Realm of Decay...

a plague tale achievement guide: *Modernity Reimagined: An Analytic Guide* Chandra Mukerji, 2016-12-19 Winner of the American Sociological Association's Distinguished Book Award in 2012, Chandra Mukerji offers with this remarkable new book an explanation of the birth and subsequent proliferation of the many strands in the braid of modernity. The journey she takes us on is dedicated to teasing those strands apart, using forms of cultural analysis from the social sciences to approach history with fresh eyes. Faced with the problem of trying to understand what is hardest to see: the familiar, she gains analytic distance and clarity by juxtaposing cultural analysis with history, asking how modernity began and how people conjured into existence the world we now recognize as modern. Part I describes the genesis of key modern social forms: the modern self, communities of strangers, the modern state, and the industrial world economy. Part II focuses on modern social types: races, genders, and childhood. Part III focuses on some of the cultural artifacts and activities of the contemporary world that people have invented and used to cope with the burdens of self-making and to react against the broken promises of modern discourse and the silent injuries of material modernism. Beautifully illustrated with over 100 color photographs in its 10 chapters, MODERNITY REIMAGINED is not just an explanation, an analysis of how modern life came to be, it is also a model for how to do cultural thinking about today's world.

a plague tale achievement guide: **TLA Video & DVD Guide 2004** David Bleiler, 2003-10-24 This is the absolutely indispensable guide to worthwhile cinema. It includes over 10,000 entries on the best of film and video that a real film lover might actually want to see.

a plague tale achievement guide: *The Lords of Silence* Chris Wraight, 2019-02-05 The galaxy has changed. Armies of Chaos march across the Dark Imperium, among them the Death Guard, servants of the Plague God. But shadows of the past haunt these traitors... The Death Guard have returned to prominence with the return of Mortarion and their fabulous model range, and Chris Wraight's previous work with them (in his Space Wolves novels, notably) makes him the perfect person to delve into their particular darkness. The Cadian Gate is broken, and the Imperium is riven in two. The might of the Traitor Legions, kept shackled for millennia behind walls of iron and sorcery, has been unleashed on a darkening galaxy. Among those seeking vengeance on the Corpse Emperor's faltering realm are the Death Guard, once proud crusaders of the Legiones Astartes, now debased creatures of terror and contagion. Mighty warbands carve bloody paths through the void, answering their lord primarch's call to war. And yet for all their dread might in arms, there is no escape from the vicious legacies of the past, ones that will pursue them from the ruined daemon-worlds of the Eye of Terror and out into the smouldering wastes of the Imperium Nihilus.

a plague tale achievement guide: A Guide to Twentieth Century Literature in English

Harry Blamires, 2021-06-23 First published in 1983, *A Guide to Twentieth Century Literature in English* is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa, Australia, Canada, the Caribbean, India, Ireland, New Zealand, Pakistan, Sri Lanka, and the UK. The book contains substantial articles relating to major novelists, poets, and dramatists of the age, as well as a wealth of information on the work of lesser-known writers and the part they have played in cultural history. It focuses in detail on the character and quality of the literature itself, highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details. *A Guide to Twentieth Century Literature in English* is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly.

a plague tale achievement guide: A Guide to World Cinema National Film Theatre (London, England), 1985

a plague tale achievement guide: A Little History of the World E. H. Gombrich, 2014-10-01 E.

H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

a plague tale achievement guide: Human Accomplishment Charles Murray, 2009-10-13

A sweeping cultural survey reminiscent of Barzun's *From Dawn to Decadence*. At irregular times and in scattered settings, human beings have achieved great things. *Human Accomplishment* is about those great things, falling in the domains known as the arts and sciences, and the people who did them.' So begins Charles Murray's unique account of human excellence, from the age of Homer to our own time. Employing techniques that historians have developed over the last century but that have rarely been applied to books written for the general public, Murray compiles inventories of the people who have been essential to the stories of literature, music, art, philosophy, and the

sciences—a total of 4,002 men and women from around the world, ranked according to their eminence. The heart of *Human Accomplishment* is a series of enthralling descriptive chapters: on the giants in the arts and what sets them apart from the merely great; on the differences between great achievement in the arts and in the sciences; on the meta-inventions, 14 crucial leaps in human capacity to create great art and science; and on the patterns and trajectories of accomplishment across time and geography. Straightforwardly and undogmatically, Charles Murray takes on some controversial questions. Why has accomplishment been so concentrated in Europe? Among men? Since 1400? He presents evidence that the rate of great accomplishment has been declining in the last century, asks what it means, and offers a rich framework for thinking about the conditions under which the human spirit has expressed itself most gloriously. Eye-opening and humbling, *Human Accomplishment* is a fascinating work that describes what humans at their best can achieve, provides tools for exploring its wellsprings, and celebrates the continuing common quest of humans everywhere to discover truths, create beauty, and apprehend the good.

a plague tale achievement guide: Chaucer's Pardoner's Prologue and Tale Marilyn Sutton, 2000-01-01 The Chaucer Bibliography series aims to provide annotated bibliographies for all of Chaucer's work. This book summarizes 20th-century commentaries on Chaucer's Pardoner's Prologue and Tale.

a plague tale achievement guide: Communities in Action National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Population Health and Public Health Practice, Committee on Community-Based Solutions to Promote Health Equity in the United States, 2017-04-27 In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

a plague tale achievement guide: What Video Games Have to Teach Us About Learning and Literacy. Second Edition James Paul Gee, 2014-12-02 Cognitive Development in a Digital Age James Paul Gee begins his classic book with I want to talk about video games—yes, even violent video games—and say some positive things about them. With this simple but explosive statement, one of America's most well-respected educators looks seriously at the good that can come from playing video games. This revised edition expands beyond mere gaming, introducing readers to fresh perspectives based on games like *World of Warcraft* and *Half-Life 2*. It delves deeper into cognitive development, discussing how video games can shape our understanding of the world. An undisputed must-read for those interested in the intersection of education, technology, and pop culture, *What Video Games Have to Teach Us About Learning and Literacy* challenges traditional norms, examines the educational potential of video games, and opens up a discussion on the far-reaching impacts of

this ubiquitous aspect of modern life.

a plague tale achievement guide: **Halliwell's Film and Video Guide** , 1998

a plague tale achievement guide: **The Plague of Doves** Louise Erdrich, 2009-03-17 A finalist for the Pulitzer Prize, *The Plague of Doves*—the first part of a loose trilogy that includes the National Book Award-winning *The Round House* and *LaRose*—is a gripping novel about a long-unsolved crime in a small North Dakota town and how, years later, the consequences are still being felt by the community and a nearby Native American reservation. Though generations have passed, the town of Pluto continues to be haunted by the murder of a farm family. Evelina Harp—part Ojibwe, part white—is an ambitious young girl whose grandfather, a repository of family and tribal history, harbors knowledge of the violent past. And Judge Antone Bazil Coutts, who bears witness, understands the weight of historical injustice better than anyone. Through the distinct and winning voices of three unforgettable narrators, the collective stories of two interwoven communities ultimately come together to reveal a final wrenching truth. Bestselling author Louise Erdrich delves into the fraught waters of historical injustice and the impact of secrets kept too long.

a plague tale achievement guide: **Blindsight** Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

a plague tale achievement guide: **History of Britain and Ireland** DK, 2011-05-02 The *History of Britain and Ireland* traces the key events that shaped the societies living in the British Isles from the earliest times to the present day. From the Roman conquest of 43 CE to the Norman conquest of 1066, from the Elizabethan age of Shakespeare to the Victorian age of Charles Dickens, and from the Hundred Years War of the 14th and 15th centuries to the Iraq and Afghan wars of the 21st century, this beautifully illustrated book provides a definitive visual chronicle of the most colorful and defining episodes in British history. The story begins at least half a million years ago when humans started to make their home in Britain. Around 3000 BCE, the first Britons were making their mark on the landscape at remarkable sites such as the stone village of Skara Brae in Orkney and the earliest earthworks at Stonehenge. They entered the annals of recorded history with

Julius Caesar's exploratory expedition across the Channel in the late summer of 55 BCE. From then on the small group of islands off the west coast of Europe was never far from the center of world affairs: pioneering the industrial revolution, creating the largest empire the world has ever seen, fighting two world wars in the 20th century, and finally coming to terms with a new status in a fast-changing global economy. The History of Britain and Ireland combines a spread-by-spread narrative of events with a wealth of supporting features on the decisive turning points in the long and fascinating story of the British Isles, and on the outstanding individuals-from Geoffrey Chaucer and Queen Elizabeth I to Charles Darwin and Winston Churchill-who helped shape that story.

The Knight Houses of Adrastapol are both noble and righteous, and when the Imperial world of Donatos falls to the heresy of the Word Bearers, they are foremost in the vanguard to retake it. Led by High King Tolwyn Draconis, the Knights are peerless in battle and strike deep into the enemy's ranks. But the war soon turns when a terrible tragedy strikes, casting the Imperial campaign into anarchy. As desperation grows, unblooded Knights Errant Danial and Luk must quickly learn the ways of war to prevent an unholy ritual, or Donatos will be lost and all the noble Houses of Adrastapol with it.

a plague tale achievement guide: *Bookseller and Stationer* , 1923

a plague tale achievement guide: *The Mapmaker's War* Ronlyn Domingue, 2013-03-05 From the critically acclaimed author of *The Mercy of Thin Air* comes the profound story of a strong, resilient woman who risks everything to be true to herself, "an otherworldly tale that charts the all-too-human territory between heartbreak and hope" (Deborah Harkness, New York Times bestselling author of *A Discovery of Witches* and *Shadow of Night*). In an ancient time, in a faraway land, a young woman named Aoife is allowed a rare apprenticeship to become her kingdom's mapmaker, tasked with charting the entire domain. Traveling beyond its borders, she finds a secretive people who live in peace, among great wealth. They claim to protect a mythic treasure, one connected to the creation of the world. When Aoife reports their existence to her kingdom, the community is targeted as a threat. Aoife is exiled for treason and finds refuge among the very people who had been declared her enemy. With them, she begins a new life surrounded by kindness, equality, and cooperation. But within herself, Aoife has no peace. She cannot share the grief she feels for the home and children she left behind, nor can she bear the warrior scars of the man she comes to love. And when she gives birth to their gifted daughter, Aoife cannot avoid what the child forces her to confront about her past and its truth. On this most important of journeys, there is no map to guide her.
