a prayer for interview: *A Praying Life* Paul E. Miller, 2017-04-05 More than 300,000 copies sold This book will be like having the breath of God at your back. Let it lift you to new hope. --Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical prayer cards--a hallmark of the teaching found in *A Praying Life*--and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it--an illness, or saying grace at a meal--most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness--a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

a prayer for interview: *One Nation Under God* Kevin M. Kruse, 2015-04-14 The provocative and authoritative history of the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s. To fight the slavery of FDR's New Deal, businessmen enlisted religious activists in a campaign for freedom under God that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role of religion in American politics. He inaugurated new traditions like the National Prayer Breakfast, as Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country's first official motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was one nation under God. Provocative and authoritative, *One Nation Under God* reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day.

a prayer for interview: *Suffering and the Sovereignty of God* John Piper, Justin Taylor, 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

a prayer for interview: *Pray Big* Alistair Begg, 2019-05-01 Inspiration from the Apostle Paul on how to pray bold, exciting prayers. Inspiration from the Apostle Paul on how to pray bold, exciting prayers. So many of us struggle with prayer. Many books have been written on the subject and there's a reason for that. Prayer comes hard to most of us, in most seasons. And when we do pray, we often don't know what to say. What is it that my Father loves to hear about? What are the best things I could pray for my family, my church, and myself? This short book by renowned Bible teacher Alistair Begg combines warmth, clarity, humour, and practicality as he examines Paul's prayers for his friends in the church in Ephesus. Paul clearly enjoyed prayer, and was excited about it. He expected his Father in heaven to hear what he said, and to act in other people's lives accordingly. The truths that underpin and shape his prayers will motivate us to pray and set us an example. So be inspired by the Apostle Paul to pray bigger and better prayers as we look to our heavenly Father to do more than all we ask or imagine!

a prayer for interview: The New Testament Jericho Brown, 2015-10-15 Honored as a Best Book of 2014 by Library Journal NPR.org writes: "In his second collection, *The New Testament*, Brown treats disease and love and lust between men, with a gentle touch, returning again and again to the stories of the Bible, which confirm or dispute his vision of real life. 'Every last word is contagious,' he writes, awake to all the implications of that phrase. There is plenty of guilt—survivor's guilt, sinner's guilt—and ever-present death, but also the joy of survival and sin. And not everyone has the chutzpah to rewrite *The Good Book*."—NPR.org Erotic and grief-stricken, ministerial and playful, Brown offers his reader a journey unlike any other in contemporary poetry.—Rain Taxi To read Jericho Brown's poems is to encounter devastating genius.—Claudia Rankine In the world of Jericho Brown's second book, disease runs through the body, violence runs through the neighborhood, memories run through the mind, trauma runs through generations. Almost eerily quiet in even the bluntest of poems, Brown gives us the ache of a throat that has yet to say the hardest thing—and the truth is coming on fast. Ghezzi shows how frequent participation in the Mass offers participants courage and hope to face everyday challenges, provides direction and encouragement through the scriptures, allows time to reflect and talk to the Lord, and is an opportunity to intercede for family and friends. Using quotations from saints and testimonies from fellow daily Mass attendees, Ghezzi encourages Catholics to grow closer to Jesus and receive Christ’s power for daily Christian living through the Eucharist. Ghezzi highlights how more frequent participation in weekday Mass is a wonderful way to grow in love for the Lord and receive the guidance for living that can only come from scripture and the Eucharist.

a prayer for interview: *A Man Who Knew How to Forgive* Francesc Faus, 2017-03-31 Forgiving is no easy task: in fact, it may be the most difficult endeavor one can undertake. St. Josemaría Escrivá, the founder of Opus Dei, said, "I didn't need to learn how to forgive, because God has taught me how to love." Still, even this saint struggled with the trying task of forgiving. This collection of anecdotes from his life explores his experiences in offering and accepting forgiveness. Life as a priest in the midst of the violent Spanish Civil War offered St. Josemaría countless opportunities to practice forgiveness. Owing to an attitude of prayer, mortification, and total confidence in God, he was as immediate and resolute in forgiving in dramatic situations as he was in the ordinary circumstances of everyday life. He knew when a situation necessitated silence, and was always prompt in offering an apology when he found himself in the wrong. Readers will find themselves equally amazed and humbled by the gentle charity that contributed to Josemaría's sainthood. In addition to anecdotes from St. Josemaría Escrivá's life, this powerful introduction to forgiveness includes a biography of St. Josemaría, an explanation of the message of Opus Dei, excerpts from Pope John Paul II at the canonization of St. Josemaría and Cardinal Joseph Ratzinger (later Pope Benedict XVI) at the beatification of Josemaría Escrivá, as well as resources for further information in print and online.

a prayer for interview: *The God Factor* Cathleen Falsani, 2006-03-07 When religion reporter Cathleen Falsani climbed aboard Bono's tour bus, it was to interview the rock star about AIDS awareness. Instead, they plunged into a lively discussion about faith. This is a defining moment for us, Bono said. For the culture we live in. Spirituality clearly now plays a key role in the United States. But what is also clear is that faith is a more complex issue than snapshots of the country convey. Jesus. Buddha. Kabbalah. Angels. This may be a nation of believers but not of one belief—of many. To shape a candid picture of modern faith, Falsani sat down with an array of people who shape our culture, and in turn, our collective consciousness. She's talked about Jesus with Anne Rice; explored Playboy theology with Hugh Hefner; discussed evil with crusading attorney Barry Scheck, and heaven with Senator Barack Obama. Laura Esquivel, basketball star Hakeem Olajuwon, Studs Terkel, guru Iyanla Vanzant, rockers Melissa Etheridge and Annie Lennox, economist Jeffrey Sachs, Pulitzer-winning playwright John Patrick Shanley—all opened up to her. The resulting interviews, more than twenty-five in all, offer a fresh, occasionally controversial, and always illuminating look at the beliefs that shape our lives. *THE GOD FACTOR* is a book for the believers, the seekers, as well as the merely curious among us. Included are interviews with Sherman Alexie, Bono, Dusty Baker, Sandra Bernhard, Sandra Cisneros, Billy Corgan, Kurt Elling, Laura Esquivel, Melissa Etheridge, Jonathan Safran Foer, Mike Gerson, Seamus Heaney, Hugh Hefner, Dr. Henry Lee, Annie Lennox, David Lynch, John Mahoney, Mark Morris, Mancow Muller, Senator Barack Obama, Hakeem Olajuwon, Harold Ramis, Anne Rice, Tom Robbins, Russell Simmons, Jeffrey Sachs, Barry Scheck, John Patrick Shanley, The Reverend Al Sharpton, Studs Terkel, Iyanla Vanzant, and Elie Wiesel.

a prayer for interview: *An Imperfect Woman* Kim Hyland, 2018-02-06 Women are bombarded with ideas of perfection--and tips for how to achieve it--every day. From her work to her looks to her parenting, today's modern woman is expected to strive to be picture perfect in every way. As a result, calls for authenticity and imperfection are on the rise. Yet, deep down, most of us still want to achieve perfection. Why? The desire to be perfect, says Kim Hyland, is actually a God-given urge. After all, we were made for Eden. But there is a difference between perfection and perfectionism, which is our attempt to achieve perfection on our own, by our own strength, and for our own purposes--the original temptation in the Garden. In this freeing book, Hyland offers women a stirring manifesto for acknowledging their limitations and embracing the perfection of God through his grace. This is a book for every woman who gives 110% and yet feels shame when one little thing goes wrong.
