Shields, 2022-01-18 The moving story of the life of the woman behind A Raisin in the Sun, the most widely anthologized, read, and performed play of the American stage, by the New York Times bestselling author of Mockingbird: A Portrait of Harper Lee Written when she was just twenty-eight, Lorraine Hansberry's landmark A Raisin in the Sun is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War,

and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

Lorraine Hansberry, who died at thirty-four, was by all accounts a force of nature. Although best-known for her work A Raisin in the Sun, her short life was full of extraordinary experiences and achievements, and she had an unflinching commitment to social justice, which brought her under FBI surveillance when she was barely in her twenties. While her close friends and contemporaries, like James Baldwin and Nina Simone, have been rightly celebrated, her story has been diminished and relegated to one work—until now. In 2018, Hansberry will get the recognition

she deserves with the PBS American Masters documentary “Lorraine Hansberry: Sighted Eyes/Feeling Heart” and Imani Perry’s multi-dimensional, illuminating biography, *Looking for Lorraine*. After the success of *A Raisin in the Sun*, Hansberry used her prominence in myriad ways: challenging President Kennedy and his brother to take bolder stances on Civil Rights, supporting African anti-colonial leaders, and confronting the romantic racism of the Beat poets and Village hipsters. Though she married a man, she identified as lesbian and, risking censure and the prospect of being outed, joined one of the nation’s first lesbian organizations. Hansberry associated with many activists, writers, and musicians, including Malcolm X, Langston Hughes, Duke Ellington, Paul Robeson, W.E.B. Du Bois, among others. *Looking for Lorraine* is a powerful insight into Hansberry’s extraordinary life—a life that was tragically cut far too short. Colbert argues that the success of *Raisin* overshadows Hansberry's other contributions, including the writer's innovative journalism and lesser known plays touching on controversial issues such as slavery, interracial communities, and black freedom movements. Colbert also details Hansberry's unique involvement in the black freedom struggles during the Cold War and the early civil rights movement, in order to paint a full portrait of her life and impact. Drawing from Hansberry's papers, speeches, and interviews, this book presents its subject as both a playwright and a political activist. It also reveals a new perspective on the roles of black women in mid-twentieth-century political movements.

a raisin in the sun analysis: Blink Phil Porter, 2012-08-10 This is the tale of Jonah, Sophie, and a fox called Scruffilitis. It's a love story. A dysfunctional, voyeuristic and darkly funny love story, but a love story all the same. This new play by the Bruntwood Playwriting Prize winner Phil Porter, is an exciting collaboration between Soho Theatre - London's most vibrant venue for new writing, comedy and cabaret - and internationally acclaimed Fringe First winners nabokov.

a raisin in the sun analysis: Sequoia Gardens Ernest J. Finney, 2011 All but two of the stories in this, Ernest Finney's third collection of short fiction, are set in California: in the San Francisco Bay area, the Sierras, the San Joaquin Valley. His diverse characters--a professional wrestler, a bridge prodigy, a wilderness guide, goldseekers, illegal immigrants--are moved by chance events of time and place, finding themselves plunged into precarious situations that demand an immediate choice. For thirty years Ernest Finney has been one of the best fiction writers in the country. He has established himself as a master of lowlife, which sooner or later is an essential element in all of these stories. He gets under the skins of people who live on or near the margins of society and reveals the pathos in their lives--more often than not in unexpected ways.--George Core, editor, *Sewanee Review* As a lover of fiction, I appreciate the sinewy existentialism of these gnomic stories.

As an historian of California, I appreciate Ernest Finney as a writer who understands the gritty reality of life on the wild side in the Golden State.--Kevin Starr, author of *Golden Gate: The Life and Times of America's Greatest Bridge* A fine collection, I'm tempted to say extraordinary, using history, geography, the financial pages, and current events as armatures for plot and character. If you wanted to have a capsule of California in book form, this is it.--Robley Wilson, author of *The World Still Melting*

a raisin in the sun analysis: *The Westing Game* Ellen Raskin, 2020-10-13 A Newbery Medal Winner For over thirty-five years, Ellen Raskin's Newbery Medal-winning *The Westing Game* has been an enduring favorite. This highly inventive mystery involves sixteen people who are invited to the reading of Samuel W. Westing's will. They could become millionaires-it all depends on how they play the tricky and dangerous Westing game, a game involving blizzards, burglaries, and bombings! Ellen Raskin has created a remarkable cast of characters in a puzzle-knotted, word-twisting plot filled with humor, intrigue, and suspense. Winner of the Newbery Medal Winner of the Boston Globe/Horn Book Award An ALA Notable Book A School Library Journal One Hundred Books That Shaped the Century A supersharp mystery...confoundingly clever, and very funny. —Booklist, starred review Great fun for those who enjoy illusion, word play, or sleight of hand. —The New York Times Book Review A fascinating medley of word games, disguises, multiple aliases, and subterfuges—a demanding but rewarding book. —The Horn Book

a raisin in the sun analysis: *Flash Jack* Maureen McCarthy, 2001-06-04 When burglars break into Jack's house, they take all his stuff. Now he's got no skateboard, no TV, no music, nothing. All his brothers do is fight, his mum thinks they all need counselling, his dad's trying to set an example, but hey, who's interested? Jack just wants to get out of that house. So he does. a raisin in the sun analysis: Celia Garth Gwen Bristow, 2014-05-20 This New York Times bestseller set during the American Revolution is “an exciting tale of love and war in the tradition of Gone with the Wind” (Chicago Tribune). A bustling port city, Charleston, South Carolina, is the crossroads of the American Revolution, supplies and weapons for the rebel army being unloaded there and then smuggled north. Recently engaged to the heir to a magnificent plantation, Celia Garth watches all of this thrilling activity from the window of the dressmaker’s shop where she works. When the unthinkable occurs and the British capture and occupy Charleston, bringing fiery retribution to the surrounding countryside, Celia sees her world destroyed. The rebel cause seems lost until the Swamp Fox, American General Francis Marion, takes the fight to the British—and one of his daring young soldiers recruits Celia to spy on the rebels’ behalf. Out of the ashes of Charleston and the Carolina countryside will rise a new nation—and a love that will change Celia Garth forever.
