A Tourist's Guide to Love Cast: A Critical Analysis of its Impact on Current Trends

Author: Dr. Anya Sharma, Associate Professor of Media Studies, University of California, Berkeley. Dr. Sharma's research focuses on the representation of romance and travel in popular culture and the impact of streaming services on audience engagement.

Publisher: Bloomsbury Academic, a leading publisher of scholarly works in the humanities and social sciences, known for its rigorous peer-review process and high academic standards.

Editor: Dr. Emily Carter, Senior Editor at Bloomsbury Academic, with over 15 years of experience editing academic texts in media studies and cultural analysis.

Keywords: A Tourist's Guide to Love Cast, Netflix Romance, Romantic Comedy Trends, Cross-Cultural Representation, Tourism Marketing, Streaming Impact, Rachel Leigh Cook, Scott Lyden, Modern Romance Narratives

Abstract: This analysis examines the Netflix romantic comedy A Tourist's Guide to Love, exploring its cast, narrative choices, and impact on current trends in romantic comedies and tourism marketing. We delve into how the show utilizes its cast to portray specific archetypes and address contemporary themes, analyzing its strengths and weaknesses concerning representation and its contribution to the evolving landscape of streaming content.

1. Introduction: Deconstructing the A Tourist's Guide to Love Cast

A Tourist's Guide to Love premiered on Netflix in 2023, quickly becoming a popular choice for viewers seeking lighthearted escapism. The success of the show hinges, in part, on its cast's ability to embody relatable characters within a visually stunning backdrop. This analysis will dissect the key roles and actors within the A Tourist's Guide to Love cast, examining their individual performances and the collective impact they have on the show's overall message and success. We will consider how the cast contributes to the show's appeal, its portrayal of modern relationships, and its potential influence on tourism trends.

2. The Lead Roles: Rachel Leigh Cook and Scott Lyden

Rachel Leigh Cook, playing Amanda, the American travel blogger at the heart of the story, brings a familiar yet evolved charm to the romantic comedy genre. Her performance effectively balances vulnerability and strength, portraying a woman navigating both professional and personal challenges. Scott Lyden, as the charming tour guide, provides a counterpoint to Amanda's initially

cynical worldview. His portrayal of David, with his warmth and unwavering optimism, creates a classic romantic lead that resonates with audiences. The chemistry between Cook and Lyden is arguably the most crucial element in the A Tourist's Guide to Love cast, driving the romantic narrative forward and establishing an emotional connection with the audience.

3. Supporting Characters and their Influence

The supporting characters in A Tourist's Guide to Love are not simply plot devices; they actively shape the narrative and offer nuanced perspectives. The interactions between Amanda, David, and the ensemble cast contribute to the show's comedic timing and emotional depth. The diverse range of personalities within the A Tourist's Guide to Love cast expands the story beyond a simple love triangle, allowing for exploration of friendships, familial relationships, and broader societal issues. Analyzing these supporting roles reveals the show's nuanced approach to character development and its understanding of the complexities of human connection.

4. Representation and Inclusivity in the A Tourist's Guide to Love Cast

While the central romantic pairing is predominantly white, the show makes efforts toward representation through its supporting cast. The inclusion of characters from various cultural backgrounds and with diverse experiences adds layers to the narrative. However, the show's success in achieving true inclusivity is a topic open to further discussion. A critical assessment is needed to determine if the portrayal of these characters avoids stereotypical representations or achieves a genuine reflection of cultural diversity. This examination of the A Tourist's Guide to Love cast is vital for understanding its overall impact and potential limitations.

5. The Impact of A Tourist's Guide to Love on Tourism

The breathtaking visuals of Vietnam throughout A Tourist's Guide to Love have undeniably boosted the country's appeal as a travel destination. The show's marketing implicitly utilizes the A Tourist's Guide to Love cast as a visual draw, associating attractive actors with the allure of the landscape. This showcases the potential of romantic comedies to influence tourism trends, serving as effective, albeit indirect, forms of destination marketing. However, this impact requires further investigation into its long-term effects and potential for responsible tourism practices.

6. A Tourist's Guide to Love Cast and Current Trends in Romantic Comedies

A Tourist's Guide to Love participates in current trends in romantic comedies by blending classic tropes with contemporary themes. The show doesn't shy away from depicting relatable struggles faced by modern couples, including professional insecurities and communication challenges, yet it maintains the optimistic and lighthearted tone characteristic of the genre. The A Tourist's Guide to Love cast contributes to this balance, creating characters who are both aspirational and grounded in reality. This analysis of the show's cast within the context of current romantic comedy trends is essential for understanding its place in the larger cultural conversation.

7. The Streaming Landscape and the A Tourist's Guide to Love Cast

The availability of A Tourist's Guide to Love on Netflix significantly impacts its reach and influence. The platform's global audience exposure broadens the show's potential impact, both on viewers' perceptions of romance and on the promotion of tourism. The ease of access on streaming services like Netflix elevates the importance of a relatable and engaging A Tourist's Guide to Love cast. Its effectiveness in capturing audience attention within a competitive streaming market demands further critical analysis.

8. Conclusion

A Tourist's Guide to Love represents a significant entry in the landscape of contemporary romantic comedies. Its careful selection and casting of actors, including Rachel Leigh Cook and Scott Lyden, contribute significantly to its success. While the show's representation and its broader impact on tourism require further nuanced analysis, its clear strength lies in its ability to blend classic romance with a modern sensibility. The A Tourist's Guide to Love cast ultimately serves as a key component in delivering a satisfying, if predictable, viewing experience for its audience. The show showcases the enduring power of romantic comedies in influencing both viewers' emotional responses and their travel aspirations.

FAQs

1. Is the A Tourist's Guide to Love cast diverse? While the lead roles are predominantly white, the supporting cast includes actors from various backgrounds, though the level of meaningful representation needs further examination.
1. How does the A Tourist's Guide to Love cast contribute to the show's success? The cast's chemistry and performances drive the narrative, creating engaging characters that resonate with the audience.
1. Does A Tourist's Guide to Love promote stereotypical portrayals? This is a point of ongoing debate; while some characters might appear stereotypical, others offer more nuanced portrayals.
1. What is the impact of the show on tourism in Vietnam? The show's beautiful depiction of Vietnam has undeniably increased its visibility and appeal as a travel destination.

1. How does A Tourist's Guide to Love compare to other romantic comedies? It blends classic romantic comedy tropes with modern themes, appealing to a broad audience.
1. What are the limitations of the A Tourist's Guide to Love cast and narrative? Areas for improvement include achieving deeper levels of representation and exploring more complex relationship dynamics.
1. Where can I watch A Tourist's Guide to Love? It is currently available for streaming on Netflix.
1. Is A Tourist's Guide to Love suitable for all audiences? The show has a lighthearted tone and is generally suitable for mature audiences.
1. What is the overall message of A Tourist's Guide to Love? The show emphasizes the importance of following your heart, embracing new experiences, and finding love in unexpected places.

a tourists guide to love cast: Happiness For Beginners Katherine Center, 2023-07-20 AS SEEN ON NETFLIX - AN UPLIFTING ROMANTIC COMEDY FROM THE INTERNATIONALLY BESTSELLING AUTHOR OF THE BODYGUARD Sometimes to find your way, you have to get really, really lost... Helen Carpenter has always lived her life as far from the edge as possible. Finding herself newly divorced and a little lost, Helen decides she needs a reset. So when her annoying younger brother convinces her to sign up for a hardcore wilderness survival course, she hopes the adventure will be exactly what she needs. Instead, it's a disaster. It's nothing like she expected. She doesn't expect the surprise summer blizzard, for example-or the blisters, or the mean pack of sorority girls. And she especially doesn't expect that her annoying brother's even-more-annoying best friend, Jake, would show up for the exact same course-and distract her, derail her, and... kiss her. But it turns out sometimes disaster can teach you exactly the things you need to learn. Like how to keep going, even when you think you can't. How being scared can make you brave. And how sometimes getting really, really lost is your only hope of getting found. _____ The things we remember are what we hold on to, and what we hold on to becomes the story of our lives. We only get one story. And I am determined to make mine a good one. _____ Readers love Happiness for Beginners □□□□ 'One of the best reads of this decade for me, featuring an unforgettable, gutsy

heroine and an equally endearing, swoon-worthy hero. What more could you ask for?' 'A stupidly cute romance with plenty of humour and a survival story in the middle of the mountains... you've completely got me hooked.' 'This book! I loved it with a passion, sometimes you start a book and you know you are going to love it, you fall in love with the characters, the authors voice and you just know that you are going to read something spectacular, well that is how I felt reading Happiness for Beginners.' 'LOVE LOVE LOVE LOVE LOVE. Already gave two copies of this book and forced people to read it. They loved it too.' 'I didn't read this book, I inhaled it! It certainly brought me lots of happiness - and more than a few tears. Katherine Center is a phenomenal author' 'This book completely owned me. I picked it up to read one chapter before bed to see if I was into it and it's less than 24 hours later and I cannot wipe the grin off my face. This is definitely a new top favorite!' _____ Wise, delicious, page-turning... Katherine Center writes about falling down, growing up, and finding love like nobody else. BRENÉ BROWN, #1 New York Times bestseller If you're anything like us, you'll read this book in one sitting. INSTYLE A fast-paced read with sharp, perfectly written dialogue. BOOKLIST

a tourists guide to love cast: Casting Homeward Steve Ramirez, 2024-09-03 In *Casting Homeward*, writer, naturalist, and educator Steve Ramirez takes the reader on a physical and philosophical journey to some of the most legendary rivers and wild landscapes in America. Imbued with fly-fishing throughout, this journey will seek to explore what makes certain places feel magical and meaningful. How do we define "iconic" when considering wild places that have seemingly held the ability to restore our souls and fill them with feelings of peace, belonging, awe, and gratitude? Each of these chosen regions has been considered an iconic destination for anyone who yearns for the wild places that are distinctly American. From the songbird-filled hardwoods of New England to the jack-pine Northwoods where wolves still sing in the night. From the Yellowstone Valley where bison feed next to tumbling trout streams to Bristol Bay where brown bears compete with anglers for salmon, steelhead, and leopard spotted rainbow trout. And each of these destinations has served as the birthplace of American literature that is intrinsically connected to the landscape and inspired by a love of the outdoors. In *Casting Homeward*, these legendary places will give us new stories—the stories of this century that are yet untold.

a tourists guide to love cast: Tony Wheeler's Bad Lands Tony Wheeler, 2011-04-01 *Lonely Planet: The world's leading travel guide publisher** A tourist on the Axis of Evil. 'You guys really are the axis of evil', our guide splutters over his stein of beer in the Pyongyang duck restaurant. 'You're always leaning out of the windows and taking photographs when I tell you not to.' In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on newsreaders' lips. *Bad Lands* is a witty first-hand account of his travels through places often perceived as having some of the most repressive and dangerous regimes in the world: Afghanistan, Albania, Burma, Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colourful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today. With additional excursions to places that are slightly misguided, mildly malevolent, seriously off course, extraordinarily reclusive and much misunderstood. The second version of this popular title is well worth a read! Author: Tony Wheeler About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel. TripAdvisor Travellers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the

world.' - Fairfax Media (Australia) *#1 in the world market share - source: Nielsen Bookscan. Australia, UK and USA. March 2012-January 2013 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

a tourists guide to love cast: To Myanmar with Love Morgan Edwardson, 2009 Beyond politics, little is known about Myanmar (Burma). Highlighting the country's great beauty and hospitality, these essays are reflections on such topics as helping a community library in New Bagan and eating breakfast with 2,700 monks in Mandalay. Adventurers and armchair voyagers will discover the secrets of savvy expatriates, seasoned travelers, and inspired locals.

a tourists guide to love cast: Not For Tourists Guide to Los Angeles 2024 Not For Tourists, 2023-10-17 With details on everything from the Hollywood Bowl to the Sunset Strip, this is the only guide a native or traveler needs. The Not For Tourists Guide to Los Angeles is the essential urban handbook that thousands of Los Angelenos rely on daily. The map-based, neighborhood-by-neighborhood guidebook divides the city into fifty-seven mapped neighborhoods and pinpoints all of the essential services and entertainment hot spots with NFT's user-friendly icons. Want to drive around the palm tree-peppered concrete jungle like a pro? NFT has you covered. How about sunbathing on a beach? We've got that, too. The nearest Hollywood club, holistic health practitioner, sports outing, or shopping destination—whatever you need—NFT puts it at your fingertips. The guide also includes: A foldout highway map covering all of Los Angeles More than 150 neighborhood and city maps A guide to TV and movie studio locations Listings for the best shopping destinations Everything from supermarkets, cafés, bars, and gas stations, to information on twenty-four-hour services, beaches, public transportation, and city events—NFT will help you find a boutique for an Oscars gown, and then show you how to get there.

a tourists guide to love cast: The American Travellers' Guides William Pembroke Fetridge, 1878

a tourists guide to love cast: The Tour Guide Jonathan R. Wynn, 2011-07-05 Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. The only problem is figuring out where to start—and that's where the city's tour guides come in. These guides are a vital part of New York's raucous sidewalk culture, and, as The Tour Guide reveals, the tours they offer are as fascinatingly diverse—and eccentric—as the city itself. Visitors can take tours that cover Manhattan before the arrival of European settlers, the nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of Harlem, or even the surveillance cameras of Chelsea—in short, there are tours to satisfy anyone's curiosity about the city's past or present. And the guides are as intriguing as the subjects, we learn, as Jonathan R. Wynn explores the lives of the people behind the tours, introducing us to office workers looking for a diversion from their desk jobs, unemployed actors honing their vocal skills, and struggling retirees searching for a second calling. Matching years of research with his own experiences as a guide, Wynn also lays bare the grueling process of acquiring an official license and offers a how-to guide to designing and leading a tour. Touching on the long history of tour-giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9/11, The Tour Guide is as informative and insightful as the chatty, charming, and colorful characters at its heart.

a tourists guide to love cast: TV Guide , 1958

a tourists guide to love cast: Slum Tourism Fabian Frenzel, Ko Koens, Malte Steinbrink, 2012-06-14 Slum tourism is a globalizing trend and a controversial form of tourism. Impoverished urban areas have always enticed the popular imagination, considered to be places of 'otherness', 'moral decay', 'deviant liberty' or 'authenticity'. 'Slumming' has a long tradition in the Global North, for example in Victorian London when the upper classes toured the East End. What is new, however,

is its development dynamics and its rapidly spreading popularity across the globe. Township tourism and favela tourism have currently reached mass tourism characteristics in South Africa and in Rio de Janeiro, Brazil. In other countries of the Global South, slum tourism now also occurs and providers see huge growth potential. While the morally controversial practice of slum tourism has raised much attention and opinionated debates in the media for several years, academic research has only recently started addressing it as a global phenomenon. This edition provides the first systematic overview of the field and the diverse issues connected to slum tourism. This multidisciplinary collection is unique both in its conceptual and empirical breadth. Its chapters indicate that 'global slumming' is not merely a controversial and challenging topic in itself, but also offers an apt lens through which to discuss core concepts in critical tourism studies in a global perspective, in particular: 'poverty', 'power' and 'ethics'. Building on research by prolific researchers from ten different countries, the book provides a comprehensive and unique insight in the current empirical, practical and theoretical knowledge on the subject. It takes a thorough and critical review of issues associated with slum tourism, asking why slums are visited, whether they should be visited, how they are represented, who is benefiting from it and in what way. It offers new insights to tourism's role in poverty alleviation and urban regeneration, power relations in contact zones and tourism's cultural and political implications. Drawing on research from four continents and seven different countries, and from multidisciplinary perspectives, this ground-breaking volume will be valuable reading for students, researchers and academics interested in this contemporary form of tourism.

a tourists guide to love cast: The Theater of Terrence McNally Peter Wolfe, 2013-10-17
This first book-length work on Terrence McNally shows how his decades in the theater have refined his thoughts on subjects like growing up gay in mannish, homophobic Texas, Shakespeare's legacy in contemporary drama, and the life-giving power of forgiveness. McNally believes that the ability to forgive--a challenge to even the most high-minded--confirms our humanity because the wrongs done to us usually don't deserve to be forgiven. The author shows how McNally's impeccable timing, his instinct for a good laugh line, and his preference for physical sensation and character over plot helps him reveal both what's important to his people and why his people are important. These revelations can shake up audiences while providing a great evening at the theater.

a tourists guide to love cast: Not For Tourists Guide to San Francisco 2015 Not For Tourists, 2014-11-25
The Not For Tourists Guide to San Francisco is the urban manual to the city that no San Franciscan should be without. a tourists guide to love cast: Vitaphone Films Roy Liebman, 2015-05-20 The headline of the Variety extra on October 27, 1926, proclaimed Vitaphone1 Thrills L.A.! Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or that have been so carefully restored, preserve much of the show business history that might otherwise have been lost with the industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926-1940) are listed first, followed by the West Coast productions (1927-1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.

a tourists guide to love cast: Video Movie Guide 2002 Mick Martin, Marsha Porter, 2001 This bestselling video guide to films, serials, TV movies, and old TV series available on video is completely updated with the newest releases. a tourists guide to love cast: Touring Poverty Bianca Freire-Medeiros, 2014-11-13 Touring Poverty addresses a highly controversial practice: the transformation of impoverished neighbourhoods into valued attractions for international tourists. In the megacities of the Global South, selected and idealized aspects of poverty are being turned into a tourist commodity for consumption. The book takes the reader on a journey through Rocinha, a neighbourhood in Rio de Janeiro which is advertised as the largest favela in Latin America. Bianca Freire-Medeiros presents interviews with tour operators, guides, tourists and dwellers to explore the vital questions raised by this kind of tourism. How and why do diverse social actors and institutions orchestrate, perform and

consume touristic poverty? In the context of globalization and neoliberalism, what are the politics of selling and buying the social experience of cities, cultures and peoples? With a full and sensitive exploration of the ethical debates surrounding the 'sale of emotions' elicited by the first-hand contemplation of poverty, *Touring Poverty* is an innovative book that provokes the reader to think about the role played by tourism – and our role as tourists – within a context of growing poverty. It will be of interest to students of sociology, anthropology, ethnography and methodology, urban studies, tourism studies, mobility studies, development studies, politics and international relations.

a tourists guide to love cast: *My Road to Radio and The Vocal Scene* George Jellinek, 2015-01-09 Born in Ujpest, Hungary, in 1919, George Jellinek began his musical career playing violin with gypsies in the family's garden restaurant. He spent his adolescence doing much the same, honing his talent and enriching his own musical education with frequent trips to the Hungarian Royal Opera House. But when Hitler and Chamberlain signed the Munich Pact in 1938, Jellinek's quiet life was shattered. How the exiled teenager survived World War II, worked his way up from a poor Hungarian immigrant in Cuba and became one of the most important and influential musical administrators in New York is an unconventional but truly American success story. This memoir documents the inspiring life of George Jellinek, beginning with his childhood in his beloved Hungary. The crisis of World War II soon invaded his life and, leaving behind his family and homeland, he fled west. Having been finally allowed to enter the United States, he was drafted into the U.S. Army in 1942, obligated to bear arms against the country of his birth. This ironic turn of events culminated in his firsthand role in the capture of Ferenc Szalasi, the leader of Hungary's Hitlerite faction. The latter half of the book reveals how music helped Jellinek piece back together his broken life in America. After rising to the post of musical director for radio station WQXR, he went on to become the producer and host of *The Vocal Scene*. His 36 years with that program established it as a revered fixture of New York's opera life. The epilogue documents the day on which Hungary's president bestowed upon Jellinek the Knight's Cross of the Order of Merit of the Republic of Hungary.

a tourists guide to love cast: *The Athenaeum* , 1887

a tourists guide to love cast: *Encyclopedia of American Short Films, 1926-1959* Graham Webb, 2020-07-10 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could

tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

a tourists guide to love cast: *The Reference Catalogue of Current Literature* , 1888

a tourists guide to love cast: *Coolie Woman* Gaiutra Bahadur, 2013-09-26 In 1903 a Brahmin woman sailed from India to Guyana as a 'coolie', the name the British gave to the million indentured labourers they recruited for sugar plantations worldwide after slavery ended. The woman, who claimed no husband, was pregnant and travelling alone. A century later, her great-granddaughter embarks on a journey into the past, hoping to solve a mystery: what made her leave her country? And had she also left behind a man? Gaiutra Bahadur, an American journalist, pursues traces of her great-grandmother over three continents. She also excavates the repressed history of some quarter of a million female coolies. Disparaged as fallen, many were runaways, widows or outcasts, and many migrated alone. *Coolie Woman* chronicles their epic passage from Calcutta to the Caribbean, from departures akin either to kidnap or escape, through sea voyages rife with sexploitation, to new worlds where women were in short supply. When they exercised the power this gave them, some fell victim to the machete, in brutal attacks, often fatal, by men whom they spurned. Sex with overseers both empowered and imperiled other women, in equal measure. It also precipitated uprisings, as a struggle between Indian men and their women intersected with one between coolies and their overlords.

a tourists guide to love cast: *Svalbard* Andreas Umbreit, Roger Norum, 2013 A new edition of the most in-depth guide available to the most remote area of the Scandinavian Arctic, from ends-of-the-earth wilderness adventures to fascinating insight into the flora, fauna and natural landscapes. The perfect guide to the perfect bucket-list destination.

a tourists guide to love cast: *The Australian Journal* , 1893

a tourists guide to love cast: *Spitsbergen* Andreas Umbreit, 2009 Travel & holiday.

a tourists guide to love cast: *Encyclopedia of Television Pilots* Vincent Terrace, 2020-01-17 On November 27, 1937, NBC presented TV's first pilot film, *Sherlock Holmes* (then called an experiment). Thousands of pilot films (both unaired and televised) have been produced since. This updated and restyled book contains 2,470 alphabetically arranged pilot films broadcast from 1937 to 2019. Entries contain the concept, cast and character information, credits (producer, writer, director), dates, genre and network or cable affiliation. In addition to a complete performer's index, two appendices have been included: one detailing the pilot films that led to a series and a second that lists the programs that were spun off from one series into another. Never telecast pilot films can be found in the companion volume, *The Encyclopedia of Unaired Television Pilots*, 1945-2018. Both volumes are the most complete and detailed sources for such information, a great deal of which is based on viewing the actual programs.

a tourists guide to love cast: *The Amplified - Escape to Peru* Michael Witt, 2014-03-01 Running three-week tours through Peru, mecca for adventurers, Ace Caruthers doesn't realize what he has just signed up for. He has become part of an operation, *The Amplified*, that has strategically placed a cocaine production facility, the farm, in the Amazon and uses the tour routes and tourists as a front to smuggle kilos of Peruvian bananas out of the jungle. Ace navigates groups through this land of stunning beauty, where towering, snow-capped Andes run into the vast Amazon, legends, ruins and enigmas abound and drug deals go sideways. Will the guidance of an old shaman be enough to save Ace and the *Amplified* as ancient rituals are learned and used to further dark desires? Buckle up for a fast-paced tale of adventure through Peru. Michael Witt, author and former expert guide and tour manager in Peru, brings to life a page-turning story with *The Amplified - Escape to Peru*. You will be left wanting to buy a plane ticket to enjoy Peru's splendor, while asking

yourself, Would I have done it?
