a wonderful life child guide: *Guide to the OCIA for Children* Michaela I. Tudela, 2022-06-29 Parents play an essential role in the faith journey of their children who are preparing to enter the Catholic Church through the sacraments of baptism, confirmation, and Eucharist. Parents nurture their children's faith, create a prayer-filled home environment, and guide the family's engagement in parish life. Along the way, however, parents often have questions about the process of initiation that is outlined in the Order of Christian Initiation of Adults (OCIA) and the way it applies to their children. This booklet answers those questions and encourages parents to support their children in the life of faith. Initiation coordinators and catechists can also use this book to begin a conversation

with parents and guardians about the sacramental journey for their children as it is outlined in the OCIA.

For parents who are separating and want to put their children first, birdnesting could be the interim custody solution you've been looking for. Instead of the children splitting their time being shuttled between mom and dad's separate homes, birdnesting allows the children to stay in the "nest" and instead, requires mom and dad to swap, allowing each parent to stay elsewhere when not with the children. Initially popularized by celebrities, this method of coparenting is now becoming more mainstream as a way to help ease children into a new family dynamic. Birdnesting takes work and commitment but with Dr. Ann Gold Buscho's guidance, you'll learn everything you need to know about this revolutionary method. In *The Parent's Guide to Birdnesting*, you will discover the pros and cons, the financial and interpersonal considerations, and if it's the right decision for you and your family.

a wonderful life child guide: Make Room Laura Alary, 2016 While the Advent season is filled with fun and expectations, Lent can be hard for children. It's travels through frightening places, loaded with themes of self-denial and death. How can children approach this season in a way that is meaningful and not frightening? Make Room presents Lent as a special time for creating a welcoming space for God. Other books offer excellent ideas for going through the Lenten season with children, but Make Room uniquely connects its projects to the story of Jesus. Simple and practical activities such as baking bread, having a neighbor over for dinner, uncluttering your room, and watching less TV become acts of justice and kindness, part of a life of following and imitating Christ, and a way to make room for God in our lives and in the world around us. Other books tell the Passion narrative for young readers; this unique book integrates themes of hospitality and self-giving that echo Jesus' ministry, Jesus' entire life. Make Room invites children to wonder about the story, to encounter Lent with all their senses, and to experience activities in Lent as part of a life of discipleship.
