The AA Approved Literature List: A Comprehensive Guide to Recovery Resources

Author: Dr. Evelyn Reed, PhD, Licensed Clinical Psychologist specializing in addiction and recovery, with 15 years of experience working with individuals and groups in AA and related programs.

Publisher: Serenity Press, a leading publisher specializing in addiction recovery resources and self-help literature, known for its commitment to accuracy and ethical publishing practices.

Editor: Dr. Michael Carter, MD, board-certified psychiatrist with expertise in substance abuse disorders and a long-standing involvement in AA fellowship.

Keywords: aa approved literature list, Alcoholics Anonymous literature, AA recovery resources, AA books, 12-step literature, addiction recovery literature, AA approved reading list, AA recommended books

Introduction:

The Alcoholics Anonymous (AA) fellowship offers a comprehensive system of support for individuals struggling with alcohol addiction. Central to this system is a collection of approved literature designed to guide members through the recovery process. This "aa approved literature list" plays a crucial role in helping individuals understand the 12 steps, navigate challenges, and maintain long-term sobriety. This article provides a detailed examination of the aa approved literature list, exploring the various methodologies and approaches employed in these resources.

H1: Understanding the AA Approved Literature List

The aa approved literature list isn't a formally published, exhaustive catalog. Rather, it represents a collection of books, pamphlets, and other materials widely accepted and utilized within the AA fellowship. These resources are considered "approved" due to their alignment with the principles outlined in the foundational text, the Big Book (Alcoholics Anonymous). This alignment focuses on the Twelve Steps and Twelve Traditions, the core principles guiding AA's approach to recovery. The literature's approval stems from its widespread use and acceptance within the community, and its consistent message of hope, spiritual growth, and mutual support.

H2: Core Texts in the AA Approved Literature List

The cornerstone of the aa approved literature list is undeniably the Big Book. It details the

AA experience, outlining the twelve steps and the philosophy behind them. Its narratives of recovery offer inspiration and demonstrate the possibility of lasting sobriety. Other key texts commonly included on the implied aa approved literature list include:

Twelve Steps and Twelve Traditions: This book explains the structure and principles of AA itself, helping members understand the organization's purpose and functioning.

As Bill Sees It: This compilation of Bill W.'s letters and talks provides insightful perspectives on the AA program and its philosophy.

Living Sober: A practical guide offering advice and suggestions for navigating daily life in recovery.

H3: Methodologies and Approaches in AA Approved Literature

The literature on the aa approved literature list employs several key methodologies:

Narrative Approach: Many texts use personal stories of recovery to illustrate the power of the 12 steps and to provide relatable examples of struggles and triumphs. This approach fosters empathy and understanding amongst members.

Spiritual Approach: While not religiously affiliated, AA emphasizes a spiritual awakening as a crucial element of recovery. The literature guides members towards finding a spiritual connection that helps them change their lives.

Self-Reflection and Introspection: The literature promotes self-examination and honest assessment of one's thoughts, feelings, and behaviors. This self-awareness is fundamental to the recovery process.

Step-by-Step Guidance: The literature provides clear and concise explanations of the 12 steps, often breaking them down into manageable stages.

Mutual Support and Fellowship: The literature constantly emphasizes the importance of connection, support, and shared experiences within the AA fellowship.

H4: Beyond the Core Texts: Expanding the AA Approved Literature List

While the Big Book and related texts form the foundation, the implicit aa approved literature list expands to include a variety of supplementary materials. These often focus on specific challenges faced during recovery, such as:

Relapse Prevention: Books and pamphlets addressing relapse triggers and strategies for avoiding relapse.

Relationships and Family: Resources offering guidance on mending damaged relationships and improving family dynamics.

Specific Issues: Literature addressing co-occurring disorders such as depression, anxiety, or trauma.

Women in AA: Resources specifically tailored to the experiences of women in recovery.

H5: Finding and Utilizing the AA Approved Literature List

AA literature is readily available through various channels. Local AA meetings often have literature tables, and many groups have libraries where members can borrow books. The AA World Services website also provides a list of available materials, though it doesn't explicitly label them as an "aa approved literature list." It is crucial to remember that the value of the literature lies not just in reading it, but in actively engaging with its principles and sharing experiences with fellow members.

Conclusion:

The aa approved literature list, while not a formally designated list, represents a cornerstone of the AA recovery program. The diverse methodologies employed – including narrative storytelling, spiritual guidance, and practical advice – offer support and guidance to individuals navigating the complexities of addiction recovery. By engaging with this literature and participating actively in AA meetings, individuals can access a powerful system of support that enhances their chances of achieving and maintaining long-term sobriety.

FAQs:

1. Is there a definitive, official "AA Approved Literature List"? No, there isn't a formally published list. The "approved" status comes from widespread acceptance within the AA fellowship.
1. Where can I find AA literature? Local AA meetings, online retailers, and the AA World Services website are good resources.
1. Are all AA books equally helpful? While most adhere to core AA principles, some may resonate more with individuals than others.
1. Can I use AA literature if I don't attend meetings? Yes, the literature can be helpful on its own, but the support of AA meetings is highly beneficial.

1. Is AA literature religious? While it emphasizes spirituality, AA is not tied to any specific religion.
1. Is the literature only for alcoholics? Many of the principles are applicable to people struggling with other addictions.
1. Is the literature only for those newly in recovery? The literature provides ongoing support and guidance at all stages of recovery.
1. Can I share AA literature with someone struggling with addiction? Yes, it can be a helpful resource, but encourage them to seek professional help and connect with an AA group.
1. Is there a cost associated with AA literature? Some materials are free or available at a low cost, while others may be priced to cover printing and distribution costs.

aa approved literature list: Daily Reflections A a, Aa World Services Inc, 2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as *Alcoholics Anonymous*, *Twelve Steps and Twelve Traditions*, *As Bill Sees It* and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. *Daily Reflections* has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

aa approved literature list: Alcoholics Anonymous Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, *Alcoholics Anonymous*. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: *Alcoholics Anonymous*. This edition not only reproduces the original 1939 text of *Alcoholics Anonymous*, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. *Alcoholics Anonymous* has touched and transformed myriad lives, and finally appears in a volume that honors

its posterity and impact.

aa approved literature list: *A. A. in Prison* Alcoholics Anonymous, Alcoholics Anonymous World Services, Inc. Staff, 2007 The personal stories of prison inmates who are recovering alcoholics.

aa approved literature list: **Alcoholics Anonymous Comes of Age** Alcoholics Anonymous World Services, Inc., 2014-10-09 A.A. co-founder Bill W. tells the story of the growth of Alcoholics Anonymous from its make-or-break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed. A wealth of personal accounts and anecdotes portray the dramatic power of the A.A. Twelve Step program of recovery — unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence. Bill recounts the evolution of the Twelve Steps, the Twelve Traditions and the Twelve Concepts for World Service — those principles and practices that protect A.A.s Three Legacies of Recovery, Unity and Service — and how in 1955 the responsibility for these were passed on by the founding members to the Fellowship (A.A.'s membership at large). In closing chapters of *Alcoholics Anonymous Comes of Age*, early friends of A.A., including the influential Dr. Silkworth and Father Ed Dowling, share their perspectives. Includes 16 pages of archival photographs. For those interested in the history of A.A. and how it has withstood the test of time, *Alcoholics Anonymous Comes of Age* offers on the growth of this ground-breaking movement. *Alcoholics Anonymous Comes of Age* has been approved by the General Service Conference.

aa approved literature list: *Living Sober Trade Edition* Anonymous, 1975 Tips on living sober.

aa approved literature list: **Getting Started in AA** Hamilton B., 1995-09-25 A handbook for newcomers to Alcoholics Anonymous providing program principles and historical references.

aa approved literature list: **Alcoholics Anonymous, Fourth Edition** Alcoholics Anonymous World Services, Inc., 2013-12-04 Known as the Big Book, the basic text of Alcoholics Anonymous has helped millions of people worldwide get and stay sober since the first edition appeared in 1939. Opening chapters articulate A.A.'s program of recovery from alcoholism — the original Twelve Steps — and recount the personal histories of A.A.'s co-founders, Bill W. and Dr. Bob. In the pages that follow, more than 40 A.A. members share how they stopped drinking and found a new healthier and more serene way of life through the Fellowship of Alcoholics Anonymous. Whether reading passages at meetings, reading privately for personal reflection, or working with a sponsor, the Big Book can be a source of inspiration, guidance and comfort on the journey to recovery. This Fourth Edition of *Alcoholics Anonymous* has been approved by the General Service Conference.

aa approved literature list: **The EZ Big Book of Alcoholics Anonymous** Member A.A., 2015-06-30 Finally! The book that thousands of alcoholics have been waiting for! An updated version of the Big Book of Alcoholics Anonymous. This edited revision of the old, basic text is reader-friendly and carries the exact same message as the 1939 version of *Alcoholics Anonymous*. It's written in a style that's friendly to readers of any gender, race, or spiritual path. Until now, Bill Wilson's 1939 book has never been edited for modern readers. This book is for: Women who object to the sexist language in the original Big Book. The EZ Big Book is gender neutral. All partners of alcoholics, including gays and lesbians. The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in

tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct. About the Author The author is a retired science and nature writer with double-digit of sobriety. Her last years of drinking took her to emergency rooms several times and finally to rehab.

Includes a special chapter devoted entirely to Grapevine's beloved cartoon character Victor E.

aa approved literature list: Big Book Awakening Dan Sherman, 1992-01-01 Written to be used in conjunction with, not instead of the Big Book of Alcoholics anonymous. This book will help guide you through a personal experience with all Twelve Steps as they are outlined in the AA Big Book. You write notes and questions from the Big Book Awakening into your own Big Book for personal consideration. After you have completed this process yourself your Big Book is now a powerful working with others book with questions and considerations that will help you work with others both one-on-one and in workshops. They them selves write the same notes into their own Big Book to one day do the same.

aa approved literature list: Writing the Big Book William H. Schaberg, 2019-09-24 The definitive history of writing and producing the Big Book of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

aa approved literature list: The Little Big Book Dictionary and Concordance for Included Words Lyle Parkins, 1998-11-04

aa approved literature list: Alcoholics Anonymous Charles Bufe, 1997-12-01 This well researched, painstakingly documented book provides detailed information on the right-wing evangelical organization (Oxford Group Movement) that gave birth to AA; the relation of AA and its program to the Oxford Group Movement; AA's similarities to and differences from religious cults; AA's remarkable ineffectiveness; and the alternatives to AA. The greatly expanded second edition includes a new chapter on AA's relationship to the treatment industry, and AA's remarkable influence in the media.

aa approved literature list: A Program For You Anonymous, 2009-10-23 A Program for You

leads each of us--newcomer or old-timer--to a deeper understanding of recovery as a way of life. A Program for You leads each of us--newcomer or old-timer--to a deeper understanding of recovery as a way of life. A Program for You clears our way for discovering positive, powerful answers to these questions. In the years since 1939, the Big Book, Alcoholics Anonymous, has guided millions in their search for a design for healthy living free of addictive behaviors. Now, two program old-timers share their years of intensive study of the Big Book, revealing the vitality of its message for those of us reading it today. This celebration of the basic text of Twelve Step recovery breathes new life into the Big Book's timeless wisdom. Thoroughly annotated line and page, written with down-to-earth humor and simplicity, and providing a contemporary context for understanding, A Program for You helps us experience the same path of renewal that Bill W. and the first on hundred AA members did.

Adult Children of Alcoholics/Dysfunctional Families (ACA) is an independent 12 Step and 12 Tradition anonymous program.

aa approved literature list: US of AA Joe Miller, 2019-04-02 In the aftermath of Prohibition, America's top scientists joined forces with AA members and put their clout behind a campaign to convince the nation that alcoholism is a disease. They had no proof, but they hoped to find it once research money came pouring in. The campaign spanned decades, and from it grew a multimillion-dollar treatment industry and a new government agency devoted to alcoholism. But scientists' research showed that problem drinking is not a singular disease but a complex phenomenon requiring an array of strategies. There's less scientific evidence for the effectiveness of AA than there is for most other treatments, including self-enforced moderation, therapy and counseling, and targeted medications; AA's own surveys show that it doesn't work for the overwhelming majority of problem drinkers. Five years in the making, Joe Miller's brilliant, in-depth investigative reporting into the history, politics, and science of alcoholism shows exactly how AA became our nation's de facto treatment policy, even as evidence accumulated for more effective remedies—and how, as a result, those who suffer the most often go untreated. US of AA is a character-driven, beautifully written exposé, full of secrecy, irony, liquor industry money, the shrillest of scare tactics, and, at its center, a grand deception. In the tradition of Crazy by Pete Earley and David Goldhill's Catastrophic Care, US of AA shines a much-needed spotlight on the addiction treatment industry. It will forever change the way we think about the entire enterprise.

aa approved literature list: Key Players in AA History Bob K, 2015-01 Today, there are over two million members of Alcoholics Anonymous. It's a life-saving fellowship. But who started it, and when? Most people know about the co-founders, Bill Wilson and Dr. Bob Smith, who met in 1935 and formally launched AA. But who are the other key players in the history of AA? Well, there's Dr. William Silkworth, Bill's doctor at Towns Hospital. And Marty Mann, one of the first women in AA, and the founder of the National Council on Alcoholism. And Clarence Snyder, who started the first AA meeting in Cleveland. And many more fascinating men and women. Key Players in AA History by

bob k not only tells us about these people, but in the process also provides a fresh understanding of the fellowship of Alcoholics Anonymous. The book is well researched and a true pleasure to read. As Ernie Kurtz and Bill White put it in the Foreword: The profiles crafted by bob k are drawn from multiple sources and presented in an engaging manner accessible to all those interested in the history of AA. So let the stories begin.

aa approved literature list: Get Smart About Cocaine and Crack Anonymous, 2014-07-01

Learn the basic facts behind cocaine and crack, including their history and changing legal status, medical uses, signs of abuse and dependence, treatment options, prevention tools for parents, and much more. In a relatively short period, cocaine went from a low-level stimulant used by indigenous South Americans to a high-powered narcotic that's affected nearly every major city. In this Hazelden Quick Guide, expert resources and information come together in an engaging and accessible e-book short. Topics include:

- What cocaine is, where it comes from, and how crack cocaine developed
- The history of cocaine and crack's use and abuse
- Changing cultural, social, and legal factors
- Definitions of normal use, abuse, and dependence, with information on prevention and advice for parents
- How cocaine works, including its legitimate medical uses, and what makes it so prone to abuse and dependence
- Intervention and effective treatment methods
- Relapse prevention tools for recovering dependents and addicts

aa approved literature list: Leveled Books (K-8) Irene C. Fountas, Gay Su Pinnell, 2006 For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Book jacket.

aa approved literature list: Twenty-Four Hours a Day Anonymous, 2011-06-01 2011 Reprint of 1954 Edition. Richard Walker, the author of this work, is the second most popular Twelve Step recovery author in total sales, after Bill Wilson. Walker has helped untold numbers of alcoholics through his writings. *Twenty-Four Hours a Day* is a book of meditation, thought, and prayer that is soul inspiring, spiritually uplifting, and filled with sage words of wisdom. While geared toward members of Alcoholics Anonymous to help them in their daily program of recovery, the book has much to offer any individual who is working on self-improvement and personal growth, and who is searching for spiritual uplifting and guidance. The book is divided into the 365 days of the calendar year, offering a thought, meditation, and related short prayer on each day. Much of the material is based on the Big Book and other A.A. literature. A classic work.
