aaron rodgers playoff history: Aaron Rodgers: Biography of a Super Bowl MVP Anita Tsuchiya, 2012-07-30 ABOUT THE BOOK You can be the smartest quarterback in the world and have the greatest leadership skills and run around and all that, but if you can't throw the ball where it needs to be thrown, then none of that other stuff matters. (Troy Aikman) If that's the case, then Aaron Rodgers of the Green Bay Packers could well be the best quarterback to ever play in the NFL. That is what analysts say now, but this acknowledgement was a long time in coming. Surpassing everyone's expectations except his own, Rodgers flew under the radar for virtually his entire athletic career. He was the college junior who set season, game, and career records at Cal Berkeley only to get passed over by 23 teams on NFL Draft Day. He was the high school senior who set school and state records, only to be denied a single Division I scholarship. He's the middle school kid who, when asked what he would contribute to the school during his admission interview, answered simply, I'm

going to make your sports programs better. EXCERPT FROM THE BOOK The Packers had another lukewarm start to their 2010 season, going 6-6. Two of the losses were in overtime, making his career record in overtime games 0-5. The questions of Rodgers' composure under pressure resurfaced. More concerning than his performance in must-win scenarios was Rodgers' health. After the game against the Redskins on Oct. 10, he was diagnosed with a concussion. Rodgers kept playing until he sustained a second concussion during the game against the Lions on Dec. 12. He was placed on injured reserve and cleared for play in time to start against the Giants on Dec. 26 in a must-win qualifier for postseason play. Rodgers led the Packers to a 45-17 win and turned in his highest single-game passing yardage of the season, 25 of 37 passes completed for 404 yards and four touchdowns. By defeating the Bears the following week, another elimination game, the Packers earned a wild card playoff spot. Rodgers took his team on the road, defeating the top three seeded teams—the Eagles, Falcons, and Bears (again)—to win the NFC Championship Title and the privilege of playing against the Steelers in Super Bowl XLV. The quarterback matchup for Super Bowl XLV was Rodgers versus Ben Roethlisberger. Rodgers and his receiving corps, in particular Jordy Nelson, carved up “the best defense in the league,” completing 24 of 39 passes for 304 yards, 3 touchdowns, 0 interceptions, and 111.5 passer rating. As Rodgers hoisted the Vince Lombardi trophy overhead, linebacker Clay Matthews draped... Buy the book to continue reading! Follow @hyperink on Twitter! Visit us at www.facebook.com/hyperink! Corbett, 2010-09-09 With extensive reporting and engrossing storytelling, Jim Baker and Bernard Corbett give us the scenes of one of the NFL's most successful and popular franchises. With an eye for memorable details and historical significance, Baker and Corbett let the players themselves tell the war stories that all Giants fans love to relive, and in so doing, construct an engrossing and exciting history of the team and the sport. aaron rodgers playoff history: History of the NFL: the 2023 Season Brian Aldridge, 2024-02-14 The 2023 season brought a few surprises! How about new teams like Detroit, Tampa, Houston, and Cleveland making it to the playoffs! NFL's Rookie of the Year led one team, NFL's Most Improved led another; and the Browns called on a semi-retired QB to take them to the playoffs. But it was Detroit who made the biggest splash - entering the playoffs for the first time since 1991. More surprises: Bill Belichick was no longer coaching the Patriots, and Pete Carroll was out at Seattle. And, of course, some things never change...QB Patrick Mahomes was voted NFL MVP for the 3rd time, and Kansas City won another Super Bowl (their 3rd in 5 years) - but had to do it in OT (only the 2nd OT in Super Bowl history). What you get...Standings, League News, Trades, Significant Games, Winning/Losing Streaks, stat leaders and year-end Awards.

aaron rodgers playoff history: Aaron Rodgers Daniel E. Harmon, 2018-12-15 Green Bay Packers quarterback Aaron Rodgers has thrilled National Football League fans with his miracle plays, completing seemingly impossible passes in clutch situations. While success or failure in those instances can hinge on any of countless factors, a breeze, a player's unexpected arm movement, a deflection, Rodgers's Hail Mary passes seem to connect more often than those of other passers. There is a good reason for it. Behind the miracles is Rodgers's steady zeal in practice and his passion for consistency. This is the story of hard work on the gridiron that sometimes leads to amazing moments in pro football.

Silverstein, 2024-02-02 Why We Root: Mad Obsessions of a Chicago Sports Fan is a collection of Jack M Silverstein's sportswriting, including pieces from 1999 to 2023 that reveal the sports-fan mindset and show readers why we root for our teams. Included in the book are Silverstein's real-time articles on many of the best known Chicago sports events of the early 21st century, including: the White Sox, Blackhawks, and Cubs breaking winning their first championships after massive droughts; the Bears reaching, and losing, the Super Bowl; the rise and fall of saviors-to-be Derrick Rose and Jay Cutler; the Chicago Sky winning the 2021 WNBA championship; the Blackhawks' famed 17 seconds championship; the Bears' agonizing double doink; and the Cubs' horrific Bartman game, retold from multiple perspectives in multiple years, including ten years later by pitcher Mark Prior and catcher Paul Bako. Also included are Silverstein's look back at the Bulls-Pistons rivalry of the 1990s, the 1995 Northwestern Wildcats Rose Bowl team, and Michael Jordan's flu game.

aaron rodgers playoff history: Leaders of the Pack Rob Reischel, 2015-09-15 The story behind one team's unprecedented dominance at the quarterback position By developing a trio of Hall of Fame-bound passers, the Green Bay Packers have enjoyed success at the quarterback position that surpasses that of any other team in the National Football League. In *Leaders of the Pack*, veteran Packers writer Rob Reischel explores the organization's history of successful signal-callers, highlighting Bart Starr's Super Bowl victories, Brett Favre's collection of NFL records, and Aaron Rodgers' ascent into becoming one of the best players in today's NFL. Reischel traces the history of all three players, highlighting what it means to be a Packers quarterback both on and off the field, and then expands his insight to the rest of the league. He examines other team's dynamic trios—such as the Dallas Cowboys' Roger Staubach, Troy Aikman, and Tony Romo or the San Francisco 49ers' Y. A. Tittle, Joe Montana, and Steve Young—but demonstrates why the Packers have the most successful players at the position in NFL history. Featuring Favre's thoughts about his place in the Packers' quarterback legacy in his own words, *Leaders of the Pack* is required reading for Packers fans young and old.

aaron rodgers playoff history: *Tiger, Meet My Sister...* Rick Reilly, 2014-05-13 In this hilariously funny essay collection, ESPN columnist Rick Reilly compiles the best of his sports columns—essays that include his expert opinion on athlete tattoos, NFL cheerleaders, and even running with the bulls in Pamplona. Rick Reilly has no compunction telling readers, in his quick-witted style, how he really feels about some of the most popular sports figures of our time. Wondering about quarterback Jay Cutler? “Cutler is the kind of guy you just want to pick up and throw into a swimming pool, which is exactly what Peyton Manning and two linemen did one year at the Pro Bowl.” Or how about Tiger Woods? “Sometimes you wonder where Tiger Woods gets his public-relations advice. Gary Busey?” But for every brazen takedown, Reilly has written a heartwarming story of the power of sports to heal the wounded and lift the downtrodden: the young Ravens fan with cancer who called the plays for a few—victorious—games in 2012, or the onetime top NFL recruit who was finally exonerated after serving five years for a crime he didn’t commit. Whether he makes you laugh, cry, or just gets under your skin, Rick Reilly is sure to offer a unique and hilarious perspective on your favorite golf players, football teams, MVPs, and more. Rick Reilly has been called “one of the funniest humans on the planet—an indescribable amalgam of Dave Barry, Jim Murray, and Lewis Grizzard, with the timing of Jay Leno and the wit of Johnny Carson” (Publishers Weekly). With a new introduction and updates from Reilly on his most talked-about columns, *Tiger, Meet My Sister...* makes the perfect gift for sports fans of all kinds.
