Aaronic Priesthood Interview Questions: Guiding Young Men Towards Service and Faith

By Elder Thomas Ashton, PhD

Dr. Thomas Ashton holds a PhD in Religious Education from Brigham Young University and has over 20 years of experience working with young men in the Church of Jesus Christ of Latter-day Saints, specializing in leadership development and mentorship.

Published by: The Covenant Path Press – A leading publisher of faith-based resources known for its rigorous editorial process and commitment to scholarly accuracy.

Edited by: Sister Emily Carter – Sister Carter has served for over 15 years as an editor for religious publications, with a focus on youth development and spiritual growth.

Introduction:

The Aaronic Priesthood interview is a pivotal moment in the life of a young man in The Church of Jesus Christ of Latter-day Saints. This significant rite of passage marks a transition into increased responsibility, service, and spiritual growth. Understanding the context and purpose behind Aaronic priesthood interview questions is crucial for both the interviewer and the young man being interviewed. This article delves into the types of questions typically asked, the underlying principles guiding these conversations, and the broader implications for fostering faith and leadership within the Church.

H1: Understanding the Purpose of Aaronic Priesthood Interview Questions

The Aaronic priesthood interview questions are not merely a checklist of requirements or a formal assessment. They serve as a sacred opportunity for mentorship, spiritual guidance, and personal reflection. The interview provides a framework for open communication between a young man and a trusted priesthood leader, facilitating a deeper understanding of the young man's spiritual journey and his commitment to living the gospel. The questions aim to gauge his understanding of priesthood principles, his personal testimony, and his willingness to serve others.

H2: Types of Aaronic Priesthood Interview Questions

The specific Aaronic priesthood interview questions will vary depending on the young man's age, experience, and the specific circumstances. However, several common themes emerge:

Gospel Principles: Questions about his understanding of basic gospel doctrines, such as faith, repentance, baptism, the Holy Ghost, and prayer. These questions aim to assess his spiritual foundation and his ability to articulate his beliefs.

Personal Testimony: The interviewer will often inquire about his testimony of Jesus Christ, the restored gospel, and the importance of living a righteous life. This explores the depth of his personal conviction and his commitment to following Christ.

Priesthood Duties: Questions relating to his understanding of his priesthood duties, including his responsibilities within his quorum, his service opportunities, and his commitment to fulfilling those responsibilities. This assesses his willingness to serve and his understanding of his role in the Church.

Worthiness: Questions focused on his adherence to the standards of the Church, including his honesty, integrity, and respect for the law of chastity. These questions are not intended to judge but to offer support and guidance in living a virtuous life.

Personal Progress: The interviewer will likely inquire about his personal growth, including his efforts to improve himself spiritually and personally. This is an opportunity for the young man to share his challenges, seek counsel, and receive encouragement.

Current Challenges: The interview provides a safe space for the young man to discuss any challenges he may be facing and to seek guidance and support. This emphasizes the supportive and pastoral nature of the interview.

H2: Beyond the Questions: The Importance of the Interview Setting

The Aaronic priesthood interview questions are only part of the equation. The setting and the overall tone of the interview are just as critical. A respectful, compassionate, and confidential environment is paramount. The interviewer should strive to create a relationship of trust and understanding, fostering open communication and allowing the young man to feel comfortable sharing his thoughts and feelings honestly.

H2: The Implications for the Industry of Faith-Based Leadership Development

The Aaronic Priesthood interview process plays a significant role in the development of future Church leaders. It provides a model for mentorship and personal growth that can be adapted and applied to other faith-based organizations and leadership training programs. By fostering open communication, providing support, and emphasizing personal responsibility, this process cultivates strong leadership qualities in young men, equipping them to serve effectively in their communities and throughout their lives. The careful consideration of Aaronic priesthood interview questions and the broader context of the interview serves as

a best-practice model for faith-based leadership training.

H2: Preparing for an Aaronic Priesthood Interview

For young men preparing for an interview, prayerful reflection and honest self-assessment are crucial. Reviewing gospel principles, considering personal experiences, and identifying areas for improvement will help them participate fully in the interview and gain meaningful insights from the experience. It's an opportunity for personal growth and spiritual development.

Conclusion:

The Aaronic priesthood interview questions are not merely a formality; they represent a crucial stage in a young man's spiritual journey and leadership development. By focusing on gospel principles, personal testimony, and service, these interviews provide a framework for mentorship, guidance, and personal growth. The process offers a valuable model for faith-based leadership training, emphasizing open communication, personal responsibility, and the importance of fostering a supportive environment for spiritual development. The effectiveness of the interview relies on the interviewer's ability to create a safe space for honest conversation and to offer wise counsel with love and understanding.

FAQs:

1. How often are Aaronic Priesthood interviews conducted? Generally, they occur annually or as needed.
2. What if a young man is struggling with a particular issue? The interview provides a safe space to discuss challenges and seek guidance.
3. Who conducts the Aaronic Priesthood interview? Typically, a bishop or a member of the bishopric.
4. What should a young man do if he feels uncomfortable during the interview? He should express his concerns to the interviewer.
5. Is the information shared during the interview confidential? Yes, it is considered sacred and confidential.
6. What if a young man is not ready for the interview? The interviewer should work with him to prepare him for the interview.
7. How can parents support their sons in preparing for the interview? By encouraging open communication and discussing gospel principles together.

8. What is the purpose of the questions about worthiness? To help the young man live a righteous life and receive the blessings of the priesthood.
9. What happens after the Aaronic Priesthood interview? The interviewer provides feedback and guidance based on the conversation.

We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

aaronic priesthood interview questions: 75 Questions and Answers about Preparing for the Temple Alonzo L. Gaskill, 2022-12-23 How can I prepare to receive my endowment? What covenants will I make in the temple? How will I know if I'm ready? Temple scholar Alonzo Gaskill answers these questions and more in this long-awaited book. With thoughtful answers to your most burning questions while staying rooted in the scriptures and the words of prophets, this is an ideal resource to prepare Saints of all ages to attend the temple.

aaronic priesthood interview questions: *The Mormon Cult* Jack B. Worthy, 2008-04-01 Scrutinizing the experience of growing up Mormon, this personal narrative tells the story of one man's disillusionment with his faith and subsequent excommunication from the Church. This account reveals what is posited as inherent racism and sexism within the church and seeks to expose the controlling methods of indoctrination and the harsh process of excommunication. The basic tenets of the religion are explained, personal stories and analyses are shared, and church authorities are cited to support the claims of extreme gender and racial discrimination. From unknowing follower to angry rebel, and finally to a content, worldly man, this book recounts the experience of a survivor who feels the duty to explain his truth.

aaronic priesthood interview questions: *Mormons Under the Microscope* Ed D. Lauritsen, Ph.D., 2009-02-21 America's 2008 presidential campaign prompted many people in the U.S. and around the world to seek more information about the The Church of Jesus Christ of Latter-day Saints, commonly known as the Mormons. For those who wish to examine these beliefs from a Bible perspective, *Mormons Under the Microscope* is especially helpful. More than 300 Bible references are included. All Bible quotations are taken from the King James Version. Each of the book's 77 questions is followed by a Brief Answer and a Detailed Answer, for the reader's convenience. Readers unfamiliar with Mormon terminology will find Question 77 particularly instructive. More than 200 terms are defined. Among the numerous endorsements listed in the book are these: In this concise but comprehensive compendium, Dr. Lauritsen provides amazing clarity in his responses to both simple and complex questions about The Church of Jesus Christ of Latter-day Saints. This book is required reading for those who want to understand a once-obscure faith tradition that has become one of the fastest growing religions in the world. Dr. A. Dean Byrd, University of Utah School of Medicine. *Mormons Under the Microscope* might be considered a Cliff Notes version of Mormon Doctrine...Dr. Lauritsen's straightforward, succinct approach is reminiscent of the style of the late LDS Apostle Neal A. Maxwell. *Mormons Under the Microscope* will be an excellent addition to our personal libraries. John S. Robinson, retired news editor of the Deseret News Note: *Mormons Under the Microscope* is not an official or unofficial publication of any church, religious organization, or political entity; nor is it sponsored by any religious or political organization. The author alone is responsible for the content and limitations of this book.

aaronic priesthood interview questions: *The Mormon Quest for Glory* Melvyn Hammarberg, 2013-07-18 What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question in *The Mormon Quest for Glory* by offering an ethnography of contemporary Mormons.

aaronic priesthood interview questions: *Gospel Principles* The Church of Jesus Christ of Latter-Day Saints, 1997 A Study Guide and a Teacher's Manual *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

aaronic priesthood interview questions: The New Era , 2002

aaronic priesthood interview questions: The Power of Godliness Jonathan A. Stapley, 2018

A church's liturgy is its ritualized system of worship, the services and patterns in which believers regularly participate. While the term often refers to a specific formal ritual like the Roman Catholic Mass, events surrounding major life events--birth, coming of age, marriage, death--are often celebrated through church liturgies. By documenting and analyzing Mormon liturgical history, Jonathan Stapley is able to explore the nuances of Mormon belief and practice. More important, he can demonstrate that the Mormon ordering of heaven and earth is not a mere philosophical or theological exercise. The Power of Godliness is the first work to establish histories for these unique liturgies and to provide interpretive frameworks for them.

aaronic priesthood interview questions: Joseph Smith and His First Vision Alexander Baugh, Steven Harper, Brent Rogers, Benjamin Pyckles, 2020-05-10 Joseph Smith's First Vision of the Father and the Son in 1820 was the first of many visions the Prophet and early Church members experienced. This volume brings together some of the finest presentations from the 2020 BYU Church History Symposium honoring the bicentennial of the First Vision. Explore the influence of the First Vision, as well as teachings of other visionaries.

aaronic priesthood interview questions: The Things which My Father Saw Daniel Belnap, Gaye Strathearn, Stanley Alan Johnson, 2011-01-01 The 2011 Sperry Symposium volume explores the rich symbolism of Lehi's dream and Nephi's vision, placing such symbols as the mists of darkness, the great and spacious building, and the church of the Lamb of God in the context of the last days.

aaronic priesthood interview questions: Brigham Young University Studies , 1996

aaronic priesthood interview questions: Joseph Smith's New Translation of the Bible Kent P. Jackson, Scott H. Faulring, Robert J. Matthews, 2004 This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

aaronic priesthood interview questions: The Next Mormons Jana Riess, 2019-02-01

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In The Next Mormons, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

aaronic priesthood interview questions: The Lost 116 Pages: Reconstructing the Book of Mormon's Missing Stories Don Bradley, 2019-11-21 On a summer day in 1828, Book of Mormon scribe and witness Martin Harris was emptying drawers, upending furniture, and ripping

apart mattresses as he desperately looked for a stack of papers he had sworn to God to protect. Those pages containing the only copy of the first three months of the Joseph Smith's translation of the golden plates were forever lost, and the detailed stories they held forgotten over the ensuing years--until now. In this highly anticipated work, author Don Bradley presents over a decade of historical and scriptural research to not only tell the story of the lost pages but to reconstruct many of the detailed stories written on them. Questions explored and answered include: Was the lost manuscript actually 116 pages? How did Mormon's abridgment of this period differ from the accounts in Nephi's small plates? Where did the brass plates and Laban's sword come from? How did Lehi's family and their descendants live the Law of Moses without the temple and Aaronic priesthood? How did the Liahona operate? Why is Joseph of Egypt emphasized so much in the Book of Mormon? How were the first Nephites similar to the very last? What message did God write on the temple wall for Aminadi to translate? How did the Jaredite interpreters come into the hands of the Nephite kings? Why was King Benjamin so beloved by his people? Despite the likely demise of those pages to the sands of time, the answers to these questions and many more are now available for the first time in nearly two centuries in *The Lost 116 Pages: Reconstructing the Book of Mormon's Missing Stories*.

aaronic priesthood interview questions: Improvement Era , 1969

aaronic priesthood interview questions: "This Is My Doctrine": The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions.

aaronic priesthood interview questions: The Improvement Era , 1962

aaronic priesthood interview questions: Latter-day Dissent Philip Lindholm, 2010-12-01 This volume collects, for the first time in book form, stories from the "September Six," a group of intellectuals officially excommunicated or disfellowshipped from the LDS Church in September of 1993 on charges of "apostasy" or "conduct unbecoming" Church members. Their experiences are significant and yet are largely unknown outside of scholarly or more liberal Mormon circles, which is surprising given that their story was immediately propelled onto screens and cover pages across the Western world. Interviews by Dr. Philip Lindholm (Ph.D. Theology, University of Oxford) include those of the "September Six," Lynne Kanavel Whitesides, Paul James Toscano, Maxine Hanks, Lavina Fielding Anderson, and D. Michael Quinn; as well as Janice Merrill Allred, Margaret Merrill Toscano, Thomas W. Murphy , and former employee of the LDS Church's Public Affairs Department, Donald B. Jessee. Each interview illustrates the tension that often exists between the Church and its intellectual critics, and highlights the difficulty of accommodating congregational diversity while maintaining doctrinal unity—a difficulty hearkening back to the very heart of ancient Christianity.

aaronic priesthood interview questions: Baxter's Explore the Book J. Sidlow Baxter,

2010-09-21 Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

aaronic priesthood interview questions: Daughters of God M. Russell Ballard, 2009-01-01 Daughters of God presents three of Elder Ballard's classic messages to and about women, accented with inspirational images. If you've ever wondered how women fit into God's plan, how He feels about them, and what He needs them to do and to be, this book has answers.

aaronic priesthood interview questions: Ensign , 2005

aaronic priesthood interview questions: Sharing the Good News with Mormons Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it? Someone you know is a Mormon—a family member, a coworker, a friend, or a neighbor—and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors—including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others—lays out a variety of creative methods for sharing the gospel effectively so you can... initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it.

aaronic priesthood interview questions: The Ways of Judgement Oliver O'Donovan, 2008-01-29 In this probing book Oliver O'Donovan extends the exploration into the correspondence between theology and politics that he began in *The Desire of the Nations*. While that earlier work took as its starting point the biblical proclamation of God's authority, *The Ways of Judgment* approaches political theology from the political side. Responsive to developments such as the uncertain role of the United Nations after the Cold War and the expansion of the European Union, O'Donovan also draws on the extensive tradition of Christian political thought and a range of contemporary theologians. Rather than supposing, as does some political theology, that the right political orientations are well understood and that theological beliefs should be renegotiated to fit them, O'Donovan considers contemporary social and political realities to be impenetrably obscure and elusive. Finding the gospel proclamation luminous by contrast, O'Donovan sheds light from the Christian faith upon the intricate challenge of seeking the good in late-modern Western society. Pursuing his analysis in three movements, O'Donovan first considers the paradigmatic political act, the act of judgment, and then takes up the question of forming political institutions through representation. Finally, he tackles the opposition between political institutions and the church, provocatively investigating how Christians can be the community instructed by Jesus to judge not.

aaronic priesthood interview questions: Moroni and the Swastika David Conley Nelson, 2015-03-02 A page-turning historical narrative, this book is the first full account of how Mormons avoided Nazi persecution through skilled collaboration with Hitler's regime, and then eschewed postwar shame by constructing an alternative history of wartime suffering and resistance.

aaronic priesthood interview questions: The Latter-Day Saints' Millennial Star , 1878

aaronic priesthood interview questions: CES Letter Jeremy Runnells, 2017-04-17 CES Letter is one Latter-Day Saint's honest quest to get official answers from the LDS Church (Mormon) on its troubling origins, history, and practices. Jeremy Runnells was offered an opportunity to discuss his

own doubts with a director of the Church Educational System (CES) and was assured that his doubts could be resolved. After reading Jeremy's letter, the director promised him a response. No response ever came.

aaronic priesthood interview questions: *Second-Class Saints* Matthew L. Harris, 2024 On June 9, 1978, Church of Jesus Christ of Latter-day Saints (LDS) president Spencer W. Kimball announced a revelation lifting the church's 126-year-old ban barring Black people from the priesthood and Mormon temples. It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier. Drawing on never-before-seen private papers of LDS apostles and church presidents, including Spencer W. Kimball, Matthew L. Harris probes the plot twists and turns, the near-misses and paths not taken, of this incredible story.

aaronic priesthood interview questions: *Irish Firebrands: a novel (Volume 2)* Christine Plouvier, 2018-03-26 He's an Irish political journalist in search of his past. She's an American genealogist trying to forget hers. But what's the real reason that keeps bringing them together? Genealogist Lana Pedersen comes to Ireland with no desire to be involved with any man not six feet under. Then two very live Irishmen begin competing for her services - and for her heart. Smouldering Irish Firebrands ignite in the conclusion to the American Baby Boomer's unexpected adventures in the Emerald Isle. IRISH FIREBRANDS took three years to research, including a voyage to Ireland. Christine Plouvier also writes poetry and nonfiction.

aaronic priesthood interview questions: *What Is Mormonism All About?* W. Walker F. Johanson, 2002-01-22 Organized in a simple and easy-to-read format, this book aims to answer dozens of common questions concerning the people, practices, history, and culture of the Mormon faith. Are Mormons Christians? What is the Book of Mormon? How does Mormonism contrast with the world's other religions? What exactly do today's Mormons believe? The book offers readers of all backgrounds an accessible and informative Q&A session that covers all facets of The Church of Jesus Christ of Latter-Day Saints. Although sometimes misunderstood, Mormonism is the fastest growing religion in the world. Johanson's clear and concise volume shows us the ideas, beliefs, and rites behind this faith.

aaronic priesthood interview questions: *The Language of Creation* Matthieu Pageau, 2018-05-29 The Language of Creation is a commentary on the primeval stories from the book of Genesis. It is often difficult to recognize the spiritual wisdom contained in these narratives because the current scientific worldview is deeply rooted in materialism. Therefore, instead of looking at these stories through the lens of modern academic disciplines, such as sociology, psychology, or the physical sciences, this commentary attempts to interpret the Bible from its own cosmological perspective. By contemplating the ancient biblical model of the universe, The Language of Creation demonstrates why these stories are foundational to western science and civilization. It rediscovers the archaic cosmic patterns of heaven, earth, time, and space, and sees them repeated at different levels of reality. These fractal-like structures are first encountered in the narrative of creation and then in the stories of the Garden of Eden, Cain and Abel, and the flood. The same patterns are also revealed in the visions of Ezekiel, the book of Daniel, and the miracles of Moses. The final result of this contemplation is a vision of the cosmos centered on the role of human consciousness in creation.

aaronic priesthood interview questions: *Mormon Historical Studies* , 2007

aaronic priesthood interview questions: *Foundational Texts of Mormonism* Mark Ashurst-McGee, Robin Jensen, Sharalyn D. Howcroft, 2018-02-16 Joseph Smith, founding prophet and martyr of the Church of Jesus Christ of Latter-day Saints, personally wrote, dictated, or commissioned thousands of documents. Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism, usually by focusing solely on content, without a deep appreciation for how and why a document was produced. This book offers case studies of the sources most often used by historians of the early Mormon experience. Each chapter takes a particular document as its primary subject, considering the production of a document as an historical event in itself, with its own background, purpose, circumstances, and consequences. The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created. This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period's documentary record by supplying important information on major primary sources.
