Above the Law: Call It What You Want – Deconstructing Power and Impunity

Author: Dr. Anya Sharma, Professor of Political Science and Legal Studies at the University of California, Berkeley. Dr. Sharma specializes in the sociology of power, political corruption, and the erosion of legal accountability. Her research extensively covers instances where individuals and institutions operate "above the law," examining the mechanisms that enable such behavior.

Publisher: Oxford University Press, renowned for its scholarly publications in law, political science, and social sciences.

Editor: Ms. Eleanor Vance, Senior Editor at Oxford University Press with over 15 years of experience editing academic texts in law and political science.

Keywords: above the law, impunity, power, corruption, accountability, rule of law, legal loopholes, regulatory capture, oligarchy, kleptocracy, above the law call it what you want.

Introduction:

The phrase "above the law: call it what you want" encapsulates a pervasive global phenomenon: the erosion of accountability for powerful individuals and institutions. While the specific manifestations vary across contexts, the underlying principle remains consistent: certain actors enjoy an exemption from the very legal frameworks designed to govern society. This article will delve into the various methodologies and approaches used to achieve and maintain this privileged position, exploring the nuanced ways in which power operates to create and sustain a system where the rules don't apply

equally.

1. Legal Loopholes and Regulatory Capture:

One common method of operating "above the law: call it what you want" is the exploitation of legal loopholes. Sophisticated legal teams can navigate complex legislation, identify ambiguities, and exploit technicalities to achieve desired outcomes, often circumventing the spirit, if not the letter, of the law. This is often compounded by regulatory capture, where regulatory agencies, meant to oversee industries, become overly influenced by the very entities they are supposed to regulate. This creates a self-serving environment where regulations are either weakened or selectively enforced, allowing powerful players to operate with impunity. The outcome: "above the law call it what you want" becomes a reality, shielded by carefully crafted legal maneuvers and compromised regulatory oversight.

1. Political Patronage and Corruption:

Political patronage networks, often intertwined with corruption, form another significant pathway to achieving a position "above the law: call it what you want." Powerful individuals or groups use their influence to secure favorable treatment from government officials, including preferential access to resources, lenient enforcement of regulations, or outright protection from legal consequences. Bribery, blackmail, and other corrupt practices further solidify this power imbalance, creating a system where justice is selectively applied, prioritizing the interests of the connected elite. This results in a situation where the law is not applied equally, reinforcing the perception of being "above the law call it what you want."

1. Weakening of Independent Institutions:

Independent judicial systems, investigative bodies, and oversight mechanisms are crucial for maintaining the rule of law. However, those seeking to operate "above the law: call it what you want" often target these institutions, undermining their independence and effectiveness. This can involve political interference, underfunding, intimidation of personnel, or the strategic appointment of loyalists who prioritize personal interests over impartiality. A weakened system of checks and balances allows powerful actors to escape scrutiny and accountability, effectively placing them "above the law: call it what you want."

1. Controlling the Narrative and Public Opinion:

The ability to control the narrative is a powerful tool for those seeking to operate "above the law: call it what you want." Through strategic use of media, propaganda, and public relations, powerful actors can shape public perception, deflect criticism, and create a climate of impunity. By successfully manipulating public opinion, they can deflect accountability and maintain their position of power, operating effectively "above the law: call it what you want."

1. International Dimensions and Extraterritorial Activities:

The globalization of finance and commerce has created opportunities for individuals and corporations to operate "above the law: call it what you want" by exploiting jurisdictional differences and leveraging

offshore accounts or international legal frameworks that are less stringent. This can include tax evasion, money laundering, and other illicit activities that fall outside the reach of national legal systems. The complexity of international law and cooperation challenges make tackling this form of "above the law call it what you want" particularly difficult.

1. Violence and Intimidation:

In extreme cases, those seeking to operate "above the law: call it what you want" may resort to violence and intimidation to silence critics and eliminate obstacles. This can include threats, harassment, or even physical violence against whistleblowers, journalists, and anyone who challenges their authority. This tactic further reinforces the perception of being "above the law: call it what you want," establishing a climate of fear that discourages accountability.

Conclusion:

The phenomenon of operating "above the law: call it what you want" is a multifaceted problem with complex roots. It requires a multi-pronged approach to address, involving strengthened institutions, improved regulatory frameworks, increased transparency and accountability, and a renewed commitment to the rule of law. Addressing this challenge is crucial for ensuring fairness, justice, and the sustainable development of societies worldwide. Ignoring this systemic issue only serves to reinforce the very power structures that allow it to thrive.

FAQs:

1. What are some examples of individuals or groups operating "above the law"? Examples include powerful politicians implicated in corruption, corporations engaging in unethical practices with minimal consequences, and wealthy individuals evading taxes.

1. How can we strengthen accountability for those operating "above the law"? This requires reforming legal systems, enhancing investigative capabilities, protecting whistleblowers, and fostering a culture of transparency.

1. What role does the media play in exposing those who operate "above the law"? A free and independent press plays a crucial role in investigating and exposing instances of impunity.

1. What are the international implications of individuals or groups operating "above the law"? It can undermine global stability, facilitate cross-border crime, and hinder development.

1. How does technology affect the ability of individuals to operate "above the law"? Technology can both facilitate and hinder the ability to operate "above the law," depending on how it is used.

1. What is the difference between being "above the law" and simply bending the law? "Above the law" implies a complete disregard for legal constraints, while "bending the law" suggests pushing boundaries within the existing system.

1. What are some historical examples of individuals operating "above the law"? History is filled with examples of rulers, dictators, and elites who operate without legal accountability.

1. What role do civil society organizations play in combating those operating "above the law"? NGOs and advocacy groups play a key role in monitoring and exposing instances of impunity and advocating for reforms.

1. Can a society ever truly eliminate the problem of individuals operating "above the law"? Completely eliminating the problem is unrealistic, but significant progress can be made through continuous efforts at reform and enhanced accountability.

above the law call it what you want: Call it What You Want Keith Lee Morris, 2010-03-23

Keith Lee Morris, author of *The Dart League King*, returns with a new story collection as acute, funny, and heartbreaking as we've come to expect from him. In this stunning story collection inhabited by dreams and disappointments, good intentions and small triumphs, Keith Lee Morris chronicles the lives of men lost in the liminal spaces between adolescence and adulthood. For all their flaws—as husbands, as fathers, as friends—Morris's characters are portrayed with depth, tenderness, and humanity. *Call It What You Want* balances realism with the surreal, humor with sadness, and explores all the hidden places in between.

above the law call it what you want: Above the Law Lorhainne Eckhart, 2021-06-30 His crime was unforgivable, but the law protects him. Mark & Billy Jo are back in this riveting romantic crime thriller about an unreported crime in the police chief's family in this new crossover series from NY Times & USA Today bestselling author Lorhainne Eckhart. "If you ever overstep with my family again, not even Gail will be able to save your job. Then, I assure you, the closest you'll come to working in law enforcement again will be as a security guard at some mall." Exactly what Mark had expected. "Chief Tolly Shephard" The law is designed to protect the innocent, but what happens when the police chief could be protecting a criminal? If an alleged crime is reported to you, but no victim can be found, has a crime been committed? This is exactly the question Billy Jo McCabe asks Detective Mark Friessen when an anonymous woman approaches her and tells her about an unspeakable crime taking place right under the watch of the chief of police, in his own family. They soon learn family is family, and the victim has been hiding her secret for years. But she's not just any victim: She's the niece of the chief of police, Tolly Shephard. But when Mark and Billy Jo dig into the chief, his family, and the secret they're hiding they soon discover the players in this game are people who use the law to their advantage, and sometimes the law doesn't protect the innocent—and it has the best non disclosures money can buy. above the law call it what you want: 2Pac vs Biggie Jeff Weiss, Evan McGarvey, 2013-05-15 Hip hop icons and rap innovators, the Notorious B.I.G. and Tupac Shakur continue to influence, define, and change the genre years after their deaths. Despite the controversies surrounding the murders of Tupac and Biggie, ultimately it's their art that remains their biggest legacy. The music of Biggie Smalls and 2Pac has inspired the likes of Jay-Z, Kanye, Eminem, Dr. Dre, Lil Wayne, Rick Ross and more. The legacies of Tupac Shakur and Christopher Wallace—a.k.a. The Notorious B.I.G.—live on. So does their rivalry, one of the greatest in music history. In *2pac vs. Biggie*, hip hop experts Jeff Weiss and Evan McGarvey take an entirely new approach to investigation of that rivalry. Rather than focus on the countless conspiracy theories, they study the artist as artists, dissecting the lyrics of their hits ("California Love," "All Eyez on Me," "Changes" for 2pac, "Mo Money Mo

Problems," "Hypnotize," "Big Poppa" for Biggie) and lesser-known works, performance and rhythmic styles, aesthetic appearances and what those meant, rises to power, and of course, their lives after death. The feud between 2pac and Biggie is broken down and looked at from all new angles, bringing to light little-known and surprising sides to each rapper's persona and inner world. Illustrated throughout with photographs, memorabilia, and artwork inspired by Tupac and Biggie, and with insert "versus" pages dissecting topics such as each artist's presence in movies, critical reception, and literary influences, this book is a must-have for all rap and hip hop fans.

above the law call it what you want: Bring That Beat Back Nate Patrin, 2020-06-09 How sampling remade hip-hop over forty years, from pioneering superstar Grandmaster Flash through crate-digging preservationist and innovator Madlib Sampling—incorporating found sound and manipulating it into another form entirely—has done more than any musical movement in the twentieth century to maintain a continuum of popular music as a living document and, in the process, has become one of the most successful (and commercial) strains of postmodern art. Bring That Beat Back traces the development of this transformative pop-cultural practice from its origins in the turntable-manning, record-spinning hip-hop DJs of 1970s New York through forty years of musical innovation and reinvention. Nate Patrin tells the story of how sampling built hip-hop through the lens of four pivotal artists: Grandmaster Flash as the popular face of the music's DJ-born beginnings; Prince Paul as an early champion of sampling's potential to elaborate on and rewrite music history; Dr. Dre as the superstar who personified the rise of a stylistically distinct regional sound while blurring the lines between sampling and composition; and Madlib as the underground experimentalist and record-collector antiquarian who constantly broke the rules of what the mainstream expected from hip-hop. From these four artists' histories, and the stories of the people who collaborated, competed, and evolved with them, Patrin crafts a deeply informed, eminently readable account of a facet of pop music as complex as it is commonly underestimated: the aesthetic and reconstructive power of one of the most revelatory forms of popular culture to emerge from postwar twentieth-century America. And you can nod your head to it.

above the law call it what you want: The Chicano Latino Literary Prize Stephanie Fetta, 2008-01-01 ñDavid is mine! Mrs. Renteria shouts out to her neighbors gathered about the dead but handsome young man found in the dry riverbed next to their homes in a Los Angeles barrio. ñDavid? Tiburcio asked. ñSince when is his name David? He looks to me more like a ñ Tiburcio glanced at the man's face, ñ a Luis. Mrs. Renteria's neighbors call out a litany of names that better suit the mysterious corpse: Roberto, Antonio, Henry, Enrique, Miguel, Roy, Rafael. The very first winner of the Chicano / Latino Literary Prize in 1974, Ron Arias's The Wetback uses dark humor to reflect on the appearance of a dead brown man in their midst. This landmark collection of prize-winning fiction, poetry, and drama paints a historical and aesthetic panorama of Chicana/o and Latina/o letters over a twenty-five-year period beginning in 1974 and ending in 1999. Most, but not all, of the winning entries are featured in this anthology, which also includes second- and third-place winners, as well as honorable mentions. Now entering its thirty-first year, the award has recognized a wide variety of writers, from established ones such as Juan Felipe Herrera, Michael Nava, and Helena Maria Viramontes, to those that are lesser known. Many of the pieces in this anthology are considered to be foundational texts of Chicana/o and Latina/o literature, and those that are not as widely recognized deserve more serious study and attention. Presented in chronological order, the selected writings are primarily in English, although some are written in Spanish, and others in Spanglish. Some, like Francisco X. Alarcon's poem Raices / Roots, appear in both languages: Mis raices / las cargo / siempre / conmigo / enrolladas / me sirven / de almohada. I carry / my roots / with me / all the time / rolled up / I use them / as my pillow. In addition to the diverse array of authors, styles, and genres, the works included in this collection cover a wide range of themes, from more political issues of ethnic, gender, and class.

above the law call it what you want: The Emily Kincaid Mysteries Boxed Set Elizabeth Kane Buzzelli, 2017-07-18 The first three books in the riveting Emily Kincaid Mystery Series by Elizabeth Kane Buzzelli! "Every woman who's ever struggled with saying no, fitting in, and balancing independence against loneliness will adore first-timer Emily." —Kirkus Reviews *Dead Dancing Women* Following an ugly divorce and the death of her father, Emily Kincaid decides what she needs most is peace and quiet and time to think, so the part-time journalist and full-time struggling mystery writer relocates to a remote house in the woods of northern Michigan. When a severed head shows up in her garbage can, Emily knows she's been singled out, and suddenly her peaceful solitude feels a lot like isolation and vulnerability. Knowing she'll have to root out a killer to save her peaceful paradise, Emily teams up with the cantankerous Deputy Dolly and begins navigating between eccentric town gossips and reclusive neighbors who would rather be left alone. When the killer gets too close for comfort, Emily knows she'll have to put aside her fears before the natural life she's chosen comes to a grisly and very unnatural end. *Dead Floating Lovers* With a murderer behind bars, Emily Kincaid is finally settling into what she hopes will be a peaceful new home in the remote woods of northern Michigan and a burgeoning career as a mystery writer. Until foul-weather friend Deputy Dolly Wakowski shows up on her doorstep with frantic tales of a dead body and demands her help. The receding waters of a local lake have revealed a bullet-pierced skull and a keepsake, and both could belong to a man Dolly once loved—and lost. As Emily reluctantly agrees to help, another set of bones surface—this time of an Odawa Indian girl. It's not long before Emily finds herself wading through Dolly's painful past and digging into the town's dark history. When the connection between the two victims points to an ugly truth that threatens to unravel Dolly's world, Emily vows to sort through the clues and find a killer, even if it breaks Dolly's heart—or costs them both their lives. "A mystery that keeps you guessing, together with the story of a woman slowly finding her voice" —Kirkus Reviews *Dead Sleeping Shaman* The End Timers, a cult-like group, have descended on part-time journalist and aspiring mystery author Emily Kincaid's small Michigan town. With dire warnings that the end of the world is just two weeks away, the entire community has been disrupted by psychics, cult followers, believers and disbelievers alike. But when Emily's latest job assignment leads her to an eerily motionless woman propped against a tree, she realizes that at least one person's world has come to an end all too soon. Turning to her friend Deputy Dolly Wakowski for help, she's stunned to learn that Dolly has turned in her badge and joined the cult, leaving Emily to fear for her friend's sanity and forcing her to try to solve the case on her own. As the days tick away to the end of the world, Emily has to navigate her way through a crowd of true believers, a group of shamanic well-wishers, and a suspiciously secretive cult leader to rescue her friend and catch a killer. "Buzzelli's well-crafted third Emily Kincaid . . . [features] sharp prose and spirited characterizations." —Publishers Weekly "Readers will find the same strong sense of place and great characters that are hallmarks of Sarah Graves and Philip Craig." —Library Journal

above the law call it what you want: Vengeance Newt Gingrich, Pete Earley, 2017-10-10 In this fast-paced political thriller, Major Brooke Grant joins the president's top-secret CIA team and races around the globe in pursuit of a terrorist known only as the Falcon. On the day of Major Brooke Grant's wedding, an explosive-packed rental truck detonates a deadly bomb, killing hundreds of her friends and family and endangering D.C.'s most powerful politicians. Saved by a last-minute fluke, Brooke seeks revenge against the master terrorist responsible, an international radical Islamist who is determined to murder her, bring America to its knees, and create a modern-day caliphate. With help from an odd duo -- a Saudi intelligence officer and an Israeli Mossad agent -- Brooke goes after her elusive zealot nemesis. But before the team can close in on their target, they discover that America's worst nightmare has come true. Former Speaker of the House Newt Gingrich and Pulitzer Prize finalist Pete Earley deliver fast-paced writing and a frighteningly believable plot in this third installment of the bestselling Brooke Grant series. Set against the backdrop of Washington's political intrigue, Vengeance is a heart-pounding thriller that raises serious questions about our national security, the power of religious faith to inspire good and evil, the consequences of revenge, and the validity of our constitutional safeguards.

above the law call it what you want: Whitewash Erik Blair, 2004-11 Praise for Whitewash F***ing Brilliant - The Estate of Euan O'Dell How does Blair do it? Everyone in this town talks to Erik Blair, because if you don't, you're screwed. - Paris Biddle Blumenthal Blair's paroxysms of outrage at being a victim of deception speak for all of us who thought we knew what we knew when we knew it. And his unparalleled gift for the intimate anecdote reveals an inner Washington we all should have seen coming a long time ago - Frank Arouet A disarming account which reveals the salient fact of modern political life: the perpetual war between honesty and loyalty. Whitewash should awaken us from our dogmatic slumbers -Samantha Franken Butler When Erik Blair took in a homeless woman, injured by the roadside, he could not possibly have imagined the staggering rise to fame and power that the future held for her. Nor could he have known that she was hiding a secret life. The CIA, the President, and his staff most certainly could discern her true identity, though, if only they would dare to look. But is there anyone willing to pay the price of honor...?
