accounting degree las vegas: Competing for Elvis Savas John, 2013-08-30 The characters in *Competing for Elvis* have something unique that draws them to competitions. This story has nothing at all to do with their beloved Elvis but rather with their mission to resurrect his life. Jeremy Shrinks, Bobby Shrimp, Terance Best, and Henry (Hank) Hunk meet secretly in Las Vegas to compete in the Elvis competition. Jeremy is a convenience store clerk living in a trailer park in Yukon, Oklahoma; Bobby owns an auto body shop in Lynn, Massachusetts; Terance is a multimillionaire developer residing in Coral Gables, Florida; and Hank is an unemployed architect living with his mother and father in Los Angeles. Jeremy, who looks nothing like Elvis, has the perfect Elvis voice. Bobby looks and sounds somewhat like Elvis; however, its his body language that sets him apart from the others. Terance lacks Elviss looks and voice; however, his presence portrays Elviss charisma and persona pervasively. Hanks good fortune is he looks exactly like Elvis. Ironically, for Jeremy, Bobby, Terance, and Hank, winning is not why they continuously compete, but rather its an ends to a means to find Elvis, and their persistence finally pays. This trip to Las Vegas brings about miraculous changes for them. Their relentless vigil to find Elvis bonds them together and allows them to achieve their ultimate mission while competing for Elvis.

accounting degree las vegas: Patriarch David M. Bickman, 2019-01-07 Shortly before his death, Abe Bickman (the Patriarch) gave his son, David, his modest family archive. This archive comprised: an envelope, postmarked in 1948 and with a return address in Brazil, in which were contained several black & white photographs; several letters from relatives in the Ukraine, written in Yiddish in the 1920s; and a military passport issued by the Czarist Russian government in the very early 1900s. The author had the letters and passport translated and then reconnected with relatives in Brazil. He subsequently went to Brazil and met many of his cousins living there, some of whom helped him to locate, and eventually meet, cousins from Ukraine, Belarus, Russia, Israel and the United States. Bickman's research into his father's family history also involved gathering information from public archives in Canada, the United States and Ukraine, where he found his earliest direct paternal ancestor bearing the family surname (then Bikman). Bickman discovered that much of his father's family's history is a microcosm of the history of Eastern European Jewry from 1774 to the present and, in this process, learned much more about himself than he ever anticipated.

That is, until he's invited to a New Year's

Eve Party by Dylan's sister Crystal, who's now a successful writer/producer behind a wildly popular horror movie franchise and for her next big budget slasher flick she's chosen to adapt one of her grandfather's apocalyptic thrillers. On the drive up to his sister's retreat in northern Ontario, Deacon receives a text that reads, It has begun again. D. True to his word, Dylan is even then orchestrating an apparently random and increasingly savage series of attacks culled from his grandfather's last fiction and Deacon's only hope of avoiding a similar climax as the one that saw much of Mesaquaque reduced to ash will be to go all-in like Dylan, even if it means sacrificing everything he holds dear.

accounting degree las vegas: Descendants of William Cromartie and Ruhamah Doane Amanda

Cook Gilbert, 2013-10-18 This ambitious work chronicles 250 years of the Cromartie Family genealogical history. Included in the index of nearly 50,000 names are the current generations, and all of those preceding, which trace ancestry to our family patriarch, William Cromartie who was born in 1731 in Orkney, Scotland and his second wife, Ruhamah Doane who was born in 1745. Arriving in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name, or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie, his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie Family in America: William Jr, James, Thankful, Elizabeth, Hannah Ruhamah, Alexander, John, Margaret Nancy, Mary, Catherine, Jean, Peter Patrick, and Ann E. Cromartie. These four volumes hold an account of the descent of each of these first-generation Cromarties in America, including personal antidotes, photographs, copies of family Bibles, wills and other historical documents. Their pages hold a personal record of our ancestors and where you belong in the Cromartie Family Tree.
