ace of wands tarot guide: The Way of Tarot Alejandro Jodorowsky, Marianne Costa, 2009-11-17 Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The *Way of Tarot* shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

ace of wands tarot guide: Tarot Card Meanings Kevin Hunter, 2016-11-16 *Tarot Card Meanings* is an encyclopedia reference guide that takes the Tarot apprentice reader through each of the 78 Tarot Cards offering the potential general meanings and interpretations that could be applied when conducting a reading, whether it be spiritual, love, general, or work related questions. Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings. They grow stuck staring at several cards sitting side by side having no idea what it could be telling them. The *Tarot Card Meanings* book can assist by pointing you in the general direction of where to look. It will not give you the ultimate answers and should not be taken verbatim, as that is up to you as the reader to come to that conclusion. The more you practice, read, and study the Tarot, then the better you become. *Tarot Card Meanings* avoids diving into the Tarot history, or card spreads and symbolism, but instead focuses solely on the potential meanings of a card in a reading. This is by giving you a structure to jump off of, but it is up to you to take that energy and add the additional layers to your reading, while trusting your higher self, intuition, instincts and Spirit team's guidance and messages. Author, Kevin Hunter, is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers

around the world in improving their well-being, while also helping them become stronger conduits with Spirit, Heaven, and the Other Side. Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel. It is merely one suggested version of the potential meanings of each of the 78 Tarot cards in a reading. This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves, or a Tarot reader who loves the craft and is looking for a refresher or another point of view. NOTE: The Tarot Card Meanings book does not include a Tarot deck.

ace of wands tarot guide: Spiritsong Tarot Paulina Cassidy, 2017-10 This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.
