acnh toy day guide: Love in the Time of Serial Killers Alicia Thompson, 2022-08-16 One of Cosmopolitan's Best Romance Novels Ever Turns out that reading nothing but true crime isn't exactly conducive to modern dating—and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analyzing the genre in her dissertation—if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbor, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). It's not long before Phoebe realizes that Sam might be something much scarier—a genuinely nice guy who can pierce her armor to reach her vulnerable heart.

acnh toy day guide: *Our Wild World* Éanna Ní Lamhna, 2021-03-29 Wildlife expert Eanna Ni Lamhna takes us on a tour of all things to do with our wonderful natural world: from a celebration of our fascinating birds and bees, and their powers of migration and pollination, to the thorny challenges of our time, such as climate change, sustainability and our carbon footprint. Her mantra is that learning about our wild world is not just for young children or David Attenborough fans, it is a lifelong necessary knowledge for our survival – and we need to open our eyes and our minds to the challenges that face us and our world into the future. The key is to find the balance between our needs and wants and the future of our precious planet and all its inhabitants. This brand new book raises, and discusses, questions such as; Why should we care about this natural world? Do we need and value the great outdoors now more than ever? But who wants spiders in their house? And what use are wasps anyway? Should we be worried by genetic engineering and windfarms? Biodiversity – what did it ever do for us? Does it mean the end of the world if the whales become extinct? Are global warming and climate change the same thing? What happened to the hole in the ozone layer? Is veganism the answer to sustainable food? What is carbon sequestration – just fancy words for trees? And why are carbon sinks so important? Is the mobile phone taking over our lives for good or for evil? How does a virus become a pandemic, and why?

2020-08-04 A diverse cast of characters -- Kamala Khan (Ms. Marvel), Miles Morales (Spider-Man), and Doreen Green (Squirrel Girl) -- team up in their first-ever middle-grade series told through comics, in-world artifacts, and more! Kamala Khan was an average middle school kid. That is, until a cloud called a Terrigen Mist swept through the New Jersey waterfront and activated her super powers! After taking on the persona of Ms. Marvel, she's been fighting crime in Jersey City, and has caught the eye of some pretty well-established super heroes. But that's not always a good thing...After Kamala is caught by news cameras taking on a super villain -- and accidentally destroying a building along the way -- she gets a letter from Captain Marvel herself! It's great that she's fighting crime and sticking up for people, but maybe a regular school isn't the best place to learn how to do that. If she wants to continue as Ms. Marvel, she's going to need to take on some new extracurricular activities -- mainly, training with other young super heroes alongside the Avengers! Now Kamala is the new kid at the Avengers Institute. Her classmates are all kids like her, they have special powers, but most of them have gotten into some trouble or drawn attention to themselves. The big news at the Avengers Institute this year? An academic decathlon in which students will group up into teams and compete against each other in super heroics. Kamala and her friends Miles and Doreen will have to go up against a team led by some kids who fight less than fair -- and have some trouble with the concept of fighting for good -- in this funny, action-packed look at some ordinary middle school kids who just happen to have some extraordinary powers.

acnh toy day guide: Modern Whore Andrea Werhun, Nicole Bazuin, 2022-05-03 Oh, the places a whore will go: Strip clubs, four-star hotels, stinking basement apartments, luxury cottages. A striking memoir by Andrea Werhun and Nicole Bazuin documents Andrea's sex work career in lush photography and powerful words—in all its slippery, sexy, silly and sometimes heartbreaking glory. Andrea Werhun's sex work career gave her money, freedom, joy, and a lot of dick. A natural performer, she revelled in the opportunity to invent Mary Ann, her escort counterpart, and introduce her to men all over the city. She whores, she learns, she writes it all down, and then, as per a signed document she handed to her Catholic mother in her early twenties, she quits. To become a stripper. Andrea and Nicole revisit the idea of the modern whore, with the enhanced perspective of Andrea's experience at the strip club. This new, engorged edition of the sold-out memoir-cum-art book expands on the original concept--a series of vignettes exploring the many identities sex workers adopt in the service of their clients and in the eyes of the public--in both a literal and literary way. But Andrea doesn't shy away from the serious side of sex work, either, exploring the risks sex workers take, and the rights our culture is constantly taking away from them. This series of stories and portraits investigate the many ways we imagine—and mistake—the modern whore. It's Playboy if the Playmates were in charge.

acnh toy day guide: Building Strong Friendships David C. Cook, 2002-09-01 Building Strong Friendships . . . We Need Them! Sin always tends to make us blind to our own faults, writes James Houston, quoted in the book Connecting. We need a friend to stop us from deceiving ourselves that what we are doing is not so bad after all. We need a friend to help us overcome our low-image, insulated self-importance, selfishness, pride, our deceitful nature, our dangerous fantasies. . . . True, but there are so many other reasons we need close friends! And they are happy reasons, having nothing to do with sin and dysfunction. After all, what good is a smashing success without a close friend to share in our joy? What would a scrumptious dinner be like without a pal across the table to savor it with? And how can we ever truly know the good in ourselves unless our friend reminds us to take a second look and —especially in the times when we're so down on ourselves, blinded to the wonderful gifts God has given us. The Scripture agrees when it says: Two are better than one, because they have a good return for their work. If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up! - Ecclesiastes 4:9-10 Yes, we need close friends because we often stumble and need help getting up. In short, we need encouragement, affirmation, warmth, and smiling eyes looking back into ours. We'll never grow beyond our need for close friends, so let's learn how to create those friendships and keep them going strong.
