acorn squash recipes vegan: Naturally Sweet America's Test Kitchen, 2016-08-23 In this timely, unique cookbook, America's Test Kitchen tackles the monumental challenge of creating foolproof, great-tasting baked goods that contain less sugar and rely only on natural alternatives to white sugar. But decreasing or changing the sugar in a recipe can have disastrous results: Baked goods turn out dry, dense, and downright inedible. We address these issues head-on with 120 foolproof, great-tasting recipes for cookies, cakes, pies and more that reduce the overall sugar content by at least 30% and rely solely on more natural alternatives to white sugar.

acorn squash recipes vegan: *The Messy Baker* Charmian Christie, 2014-08-26 Since when did every cookie on the plate have to be just like the next? Or each layer of cake exactly the same height? Each piecrust an impeccable work of art and encircled by stunningly perfect pastry leaves? To the uninitiated, all that fastidious, spotless baking is intimidating, not to mention exhausting. The Messy Baker celebrates baking as it happens in the real world--sweet, messy, fun, not always gorgeous, but a way to show love. Which doesn't make it any less delicious; to the contrary,

Charmian Christie's flavor combinations rise far above the ordinary. Why have a raspberry galette when you can enjoy a raspberry-rhubarb galette with drippy, unctuous walnut frangipane? Or how about a Brie and walnut whiskey tart? It's all yours without the rigid perfectionism or complicated instructions of other gourmet cookbooks. Christie's warm, irreverent voice brings the fun back into baking at a time when home cooks--pulled from pillar to post by jobs and errands--need to have fun. The Messy Baker is a full-service book that not only guides the reader through simple, delicious recipes but is also there to help out when things go wrong. For anyone who gave in frustration when that cake collapsed or the frosting smeared, Christie's practical advice is here to rescue even the worst disaster and inspire the baker to try the next recipe.
