

acorn superglide 130 installation manual

The Definitive Guide to Acorn Superglide 130 Installation: A Comprehensive Manual Review

The Acorn Superglide 130 installation manual is a crucial document for anyone undertaking the installation of this specific stairlift model. This guide provides a thorough overview of the manual, examining its content, usability, and overall effectiveness in guiding users through the installation process. We'll delve into various aspects, offering insights for both professionals and DIY enthusiasts considering this popular stairlift option.

Author: While the Acorn Superglide 130 installation manual itself doesn't list a single author, it's understood to be compiled by a team of engineers and technicians at Acorn Stairlifts, a company with decades of experience in stairlift design, manufacturing, and installation. Their collective expertise and adherence to safety standards are implied throughout the manual. This experience justifies their authority on the subject matter.

Keyword Integration: Throughout this article, we will consistently use the keyword "Acorn Superglide 130 installation manual" to enhance its SEO ranking and ensure accurate indexing by search engines. Understanding the specifics within the Acorn Superglide 130 installation manual is critical for a successful and safe installation.

I. Understanding the Acorn Superglide 130 Installation Manual

The Acorn Superglide 130 installation manual is more than just a set of instructions; it's a safety guide and a technical reference document. It typically covers the following essential areas:

Pre-Installation Checklist: This section highlights crucial steps to be taken before commencing installation, including site surveys, safety assessments, and necessary tool preparation. The Acorn Superglide 130 installation manual emphasizes the importance of ensuring the stairway meets the specifications outlined for safe operation.

Component Identification: Detailed diagrams and descriptions help installers identify and locate all the components of the Superglide 130 system. The manual's clarity in component identification is vital for avoiding errors during installation, as highlighted in the Acorn Superglide 130 installation manual.

Step-by-Step Installation Procedures: This is the core of the manual, providing a sequential guide with clear instructions and images for each step. The Acorn Superglide 130 installation manual uses a combination of written instructions and visual aids to enhance understanding. This section might include details about rail attachment, power connection, and seat assembly.

Safety Precautions: Safety is paramount throughout the entire process. The Acorn Superglide 130 installation manual stresses adherence to safety regulations and highlights potential hazards,

emphasizing the importance of proper safety measures throughout the installation process.

Testing and Troubleshooting: After installation, the manual guides users through comprehensive testing procedures to ensure the stairlift functions correctly. Furthermore, the Acorn Superglide 130 installation manual includes a troubleshooting section to help resolve common issues that might arise.

Maintenance and Care: Finally, the Acorn Superglide 130 installation manual provides essential guidelines for the ongoing maintenance and care of the stairlift to ensure its longevity and continued safe operation.

II. Analyzing the Manual's Effectiveness

The effectiveness of the Acorn Superglide 130 installation manual can be judged based on several factors:

Clarity and Conciseness: A well-written manual uses clear and unambiguous language, avoiding technical jargon wherever possible. The use of diagrams, illustrations, and numbered steps significantly enhances understanding.

Completeness: A comprehensive manual covers all aspects of the installation process, leaving no room for ambiguity. It should anticipate potential challenges and provide solutions.

Accuracy: The instructions must be accurate and reflect the latest specifications and safety standards. Errors in the Acorn Superglide 130 installation manual could lead to unsafe installations.

Accessibility: The manual should be easily accessible in various formats (printed and digital). A well-designed digital version facilitates searching and navigation.

III. Publisher and Editor

The publisher of the Acorn Superglide 130 installation manual is Acorn Stairlifts, a leading manufacturer of stairlifts globally. Their reputation for quality and safety speaks to the reliability of the manual's content. The editor's name isn't explicitly mentioned, but it is implied that a team of technical writers and engineers within Acorn Stairlifts oversaw its creation and revision.

IV. Summary

The Acorn Superglide 130 installation manual serves as a vital resource for anyone installing this stairlift model. Its effectiveness hinges on its clarity, completeness, accuracy, and accessibility. While a specific author isn't identified, the expertise of Acorn Stairlifts ensures the manual's authority. The manual covers pre-installation, component identification, step-by-step installation, safety precautions, testing, troubleshooting, and maintenance. Understanding and following this manual correctly is paramount for a safe and successful installation.

V. Conclusion

Proper installation of the Acorn Superglide 130 is crucial for ensuring safety and longevity. The Acorn Superglide 130 installation manual plays a pivotal role in achieving this. While this manual is likely not authored by a single individual but rather a team within Acorn Stairlifts, its content reflects the experience and expertise of a leading stairlift manufacturer. Carefully reviewing and following the instructions in the Acorn Superglide 130 installation manual is paramount for a successful and safe installation. Always prioritize safety and consult with professionals if you encounter any difficulties.

VI. FAQs

1. Can I install the Acorn Superglide 130 myself? While the manual provides detailed instructions, professional installation is generally recommended, especially for those without prior experience.
1. Where can I find the Acorn Superglide 130 installation manual? The manual may be available online on the Acorn Stairlifts website or provided with the stairlift purchase.
1. What tools are required for the installation? The Acorn Superglide 130 installation manual will specify the necessary tools; however, expect standard tools such as screwdrivers, drills, and measuring tapes.
1. How long does the installation typically take? Installation time varies, but the manual should provide an estimated timeframe. Professional installers usually complete the process in a few hours.
1. What if I encounter problems during installation? The manual includes a troubleshooting section. If you still face issues, contact Acorn Stairlifts' customer support.
1. What is the warranty on the Acorn Superglide 130? Warranty details are usually specified in separate documentation accompanying the stairlift.
1. What type of power supply does the Acorn Superglide 130 require? The Acorn Superglide 130 installation manual will detail the necessary power requirements.

1. Is it possible to install the Acorn Superglide 130 on curved stairs? The Superglide 130 is designed for straight staircases; Acorn offers different models for curved staircases.

1. How often does the Acorn Superglide 130 require maintenance? Regular maintenance schedules are detailed in the Acorn Superglide 130 installation manual.

acorn superglide 130 installation manual: *Atlas at War* Michael Vassallo, 2020-06-17 *Atlas at War!* collects fifty hard-hitting stories from Atlas Comics, the company that became Marvel Comics and published more war titles than anyone in the industry between the years 1951 and 1960. Comics historian Dr. Michael J. Vassallo has chosen the best of the best, many of which are coming back into print for the first time, from sixteen different Atlas war titles and featuring the artwork of twenty different artists--giants of the genre, including Russ Heath, John Severin, Bernie Krigstein, Joe Maneely, Jerry Robinson, Steve Ditko, and Jack Kirby. Each page has been meticulously restored from its first printing by comic art restorer Allan Harvey. *Atlas at War!* covers the brutal pre-code period where graphic depictions of war action were rendered by artists who were World War II veterans themselves, as well as the post-code period, where code restrictions forced creators to tell stories without graphic violence but produced some of the most beautiful comic art of the genre. In addition to the artists, stories cover all aspects of war--from famous campaigns, weaponry, and personal soldier stories to political topics, Nazi atrocities, and even one story tinged with pre-code horror! Often overlooked in favor of its competitors, *Atlas at War!* will finally show that Atlas' war titles were second to no one.

acorn superglide 130 installation manual: *The Rough Guide to Accessible Britain* Rough Guides, 2010-04 Packed with ideas for great days out for the disabled visitor, this guide includes accounts of things to do across Britain, from immersing yourself in the arts of The Royal Academy to gondola trips on the Nevis Mountain range, inspired by colour photos. It also includes the lowdown on the best accessible sites and places to visit for free.

acorn superglide 130 installation manual: *What Works* Cal Thomas, 2014-04-01 Solutions ... not theories. Political progress ... not political posturing. Instead of the constant jockeying for political advantage, in *What Works*, author and columnist Cal Thomas focuses on what promotes the general welfare, regardless of which party or ideology gets the credit. Thomas probes and provides answers to questions like, Why must we constantly fight the same battles over and over? Why don't we consult the past and use common sense in order to see that what others discovered long ago still works today? And why does present-day Washington too often look like the film *Groundhog Day*, with our elected officials waking up each day only to repeat identical talking points from previous

days, months, and years? Without letting politics, or ignorance, get in the way, Thomas urges readers to pay attention so that politicians can no longer pick their pockets—literally or intellectually. What Works is about solutions, not theories. It's about pressuring political leadership to forget about the next election and start focusing on the needs of the people who work hard to provide for themselves, send their tax dollars to Washington, and want to see the country achieve something of value ... like it has always done.

acorn superglide 130 installation manual: License to Thrill Dan Gutman, 2016-03 When we last left our heroes, twins Coke and Pepsi McDonald were in Roswell, New Mexico, and they had just seen a strange beam of light. Now their cross-country road trip is about to take a detour that's out of this world literally!

acorn superglide 130 installation manual: The River Wild Denis O'Neill, 2017-06-06 Based on the blockbuster movie starring Meryl Streep and Kevin Bacon. To help heal a marriage on the rocks, river-rafting expert Gail, her husband Tom, and their son embark on a white water adventure in Montana. Along the way, they encounter two inexperienced rafters supposedly looking for their friends downriver. Little do they know that the men are escaped convicts whose bid for freedom has a body count. Things take a turn when the young family learns that they are now the captives of two armed killers, and it becomes clear that there is much more at stake than a marriage. Desperate to evade both the police and federal marshals, the men force the family down the river and into the mouth of a deadly class 5 white-water rapid. Careening towards mortal peril, Gail and Tom must bond together to save their family from the brutality of nature and the savageness of man. This high-stakes thriller is both a testament to the power of mother nature and a classic adventure story that is perfect for fans of CJ Box and Craig Johnson. Denis O'Neill, the screenwriter for the movie *The River Wild*, brings the striking beauty of the film into his writing and ratchets up the danger that races forward to a breathtaking conclusion.

acorn superglide 130 installation manual: *Fire in the Straw* Nick Lyons, 2020-10-27
**Named One of the New York Post's Best New Books to Read ** FIRE IN THE STRAW is the witty and deeply felt memoir of Nick Lyons, a man with an intrepid desire to reinvent himself—which he does, over and over. Nick Lyons shape shifts from reluctant student and graduate of the Wharton School, to English Professor, to husband of a fiercely committed painter, to ghost writer, to famous fly fisherman and award-winning author, to father and then grandfather, to Executive Editor at a large book publishing company, and finally to founder and publisher of his own successful independent press.. Written with the same warm and earthy voice that has enthralled tens of thousands of fly-fishing readers, Nick weaves the disparate chapters of his life: from the moment his widowed mother drops him off at a grim boarding school at the age of five, where he spends three lonely and confusing years; to his love of basketball and pride playing for Penn; to the tumultuous period, in the army and after, when he found and was transformed by literature; to his marriage to Mari, his great love and anchor of his life. Suddenly, with a PhD in hand and four children, Nick embarks on a complex and thrilling ride, juggling family, fishing, teaching, writing, and publishing, the wolf always at his door. Against all odds, The Lyons Press survives, his children prosper, his wife's art flourishes, and his books and articles make him a household name. *Fire in the Straw* is a love story, a confessional, and a beautiful big-hearted memoir.

acorn superglide 130 installation manual: Sonic the Hedgehog #275 Ian Flynn, 2015-08-12 CELEBRATE 275 ISSUES OF SONIC THE HEDGEHOG with his good buddy Mega Man and the worlds of STREET FIGHTER, BILLY HATCHER, NIGHTS INTO DREAMS, MONSTER HUNTER and more in this DOUBLE-SIZED ISSUE! acorn superglide 130 installation manual: *Handy Dad in the Great Outdoors* Todd Davis, 2012-05-09 Slacklining, edible bugs, tarp surfing, and more! In this awesome follow-up to the hugely popular *Handy Dad*, extreme sports athlete and TV host Todd Davis gathers more than 30 projects and activities sure to get kids outside and entertained for hours. With easy-to-follow instructions, helpful photographs, and detailed line illustrations, *Handy Dad in the Great Outdoors* is packed with all the essentials. From simple campsite know-how to more ambitious building projects (tepee anyone?), plus a few pranks for good measure, this book has something for every family and every place—be it the back country or the backyard.

acorn superglide 130 installation manual: *Guilty* Ann Coulter, 2009-01-06 “Liberals seem to have hit upon a reverse Christ story as their belief system. He suffered and died for our sins; liberals make the rest of us suffer for sins we didn’t commit.” Who are the victims here? To hear liberals tell it, you’d think they do nothing but suffer at the hands of ruthless entities like the “Republican Attack Machine” and Fox News. Really? It’s just another instance of the Big Lie, of course, told so often that some people have actually started to believe it. In *Guilty*, Ann Coulter explodes this myth to reveal that when it comes to bullying, no one outdoes the Left. Citing case after case, ranging from the hilariously absurd to the shockingly vicious, Coulter dissects these so-called victims who are invariably the oppressors. For instance: •Single mothers: Getting pregnant isn’t like catching the flu. There are volitional acts involved—someone else explain it to Dennis Kucinich. By this purposeful act, single mothers cause irreparable harm to other human beings—their own children—as countless studies on the subject make clear. •The myth of the Republican Attack Machine: The most amazing thing liberals have done is create the myth of a compliant right-wing media with Republicans badgering baffled reporters into attacking Democrats. It’s so mad, it’s brilliant. It’s one kind of lie to say the Holocaust occurred when the Swedes killed the Jews. But it’s another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis. •“Brave” liberals: In addition to being beautiful, compassionate tribunes of the downtrodden, liberals are brave. I know that because they’re always telling me how brave they are. Why, five nights a week, MSNBC’s Keith Olbermann courageously books guests who completely agree with him. It doesn’t get much braver than that. •Obambi’s luck: While B. Hussein Obama piously condemned attacks on candidates’ families, his media and campaign surrogates ripped open the court-sealed divorce records of his two principal opponents in his Senate race in Illinois. •The offenders are offended!: Republican senator George Allen’s career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops. When did rich kids become a new protected category that must be shielded from words that are insulting in other languages? How did Sidarth become a specially anointed victim? What did we ever do to India? And why didn’t we ever hear about the far more offensive anti-Semitic flyers of Allen’s opponent Jim Webb? One essential and recurring truth about self-righteous liberals, says Coulter, is that “they viciously attack all while wailing that they are the true victims.” With *Guilty*—a mordantly witty and shockingly specific catalog of offenses that liberals would rather we ignore and forget—Ann Coulter presents exhibits A through Z.

acorn superglide 130 installation manual: *Friends, Writers, and Other Countrymen* Sidney Offit, 2008-06-24 Sidney Offit has devised a marvelous mirror of his unique personality as well as a one of a kind tour of the New York literary world in the last half century. Anyone even faintly interested in books will find it impossible to put down.---Thomas Fleming, bestselling author of *Liberty!* The American Revolution Sidney Offit's charming memoir of a writer's life ingeniously reflects some of the greatest (and most infamous) literary, political, and sports personalities of our century. His early days in Baltimore (where he met H. L. Mencken and entertained Robert Frost) are as engaging as his later encounters with Dylan Thomas, John Steinbeck, Pablo Neruda, Heinrich Böll, and some of the era's greatest ballplayers: Robinson, Mantle, Mays, and Williams. Mixing with a remarkable and diverse crowd, led Sidney to run-ins and adventures with Truman Capote (What kind of guy are you?), Jackie Kennedy (in a corner), Kurt Vonnegut (who identified Sidney as his best friend), the incomparable Toni Morrison, and other bards, muses, and just plain folk. Their conversations are recalled with gentle humor and a keen eye for a New York where casual and

spontaneous encounters may shape what the country reads or where a stroll around the corner can change a life.

acorn superglide 130 installation manual: *The Shore 2* R. J. Notebooks & Journals, 2018-07-29 Buy this notebook with totally new design, it is about the shore in a beautiful and brilliant colors to write your thoughts, or what you still have to do, from simple notes to long texts; It can be used while we are on the train, on the bus, classroom or just walking around on the beach, watching tv and enjoying the afternoon. It is ideal for any time of day that we have time to write. It is a beautiful gift for any surfer, a student, beach lovers, ocean lovers or any one of your friends or family, who will surely appreciate it. It is a diary made with love for those who love the writing, the beach and surf. Made with love to spread love everywhere.

acorn superglide 130 installation manual: *Your Guide to Forest Bathing (Expanded Edition)* M. Amos Clifford, 2021-08-01 The bestselling guide to forest bathing with a new section of hands-on forest bathing practices and space for journal entries and reflections. Simply being present in the natural world, with all of our senses fully alive, can have a remarkably healing effect. It can also awaken in us our latent but profound connection with all living things. This is "forest bathing," a practice inspired by the Japanese tradition of shinrin-yoku. It is a gentle, meditative approach to being with nature and an antidote to our nature-starved lives that can heal our relationship with the more-than-human world. In *Your Guide to Forest Bathing*, you'll discover a path that you can use to begin a practice of your own that includes specific activities presented by Amos Clifford, one of the world's most experienced forest bathing experts. Whether you're in a forest or woodland, public park, or just your own backyard, this book will be your personal guide as you explore the natural world in a way you may have never thought possible.

acorn superglide 130 installation manual: *Sonic the Hedgehog: Tangle & Whisper* Ian Flynn, 2020-04-15 Join two of the most popular new characters from Sonic's world in this classic odd-couple team-up adventure! Tangle the Lemur's got a problem: there's not enough action in her life! Whisper the Wolf's also got a problem: she's hunting down an incredibly dangerous enemy named Sonic the Hedgehog! Can Tangle and Whisper help solve each other's problems, or will they just make things worse? Also collected is *Sonic The Hedgehog: Annual 2019*. Join Sonic and some of his coolest friends in adventures that show just how wonderful Sonic's world really is.

acorn superglide 130 installation manual: *Jimmy Buffett* Ryan White, 2017-05-09 A candid, compelling, and rollicking portrait of the pirate captain of Margaritaville—Jimmy Buffett. In *Jimmy Buffett: A Good Life All the Way*, acclaimed music critic Ryan White has crafted the first definitive account of Buffett's rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex, a vast network of merchandise, chain restaurants, resorts, and lifestyle products all inspired by his sunny but disillusioned hit "Margaritaville." Filled with interviews from friends, musicians, Coral Reefer Band members past and present, and business partners who were there, this book is a top-down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans, Key West, down into the islands aboard the Euphoria and the Euphoria II, and into the studios and onto the stages where the foundation of Buffett's reputation was laid. Buffett wasn't always the piper of beaches, bars, and laid-back living. Born on the Gulf Coast, the son of a son of a sailing ship captain, Buffett scuffed around New Orleans in the late sixties, flunked out of Nashville (and a marriage) in 1971, and found refuge among the artists, dopers, shrimpers, and genuine characters who'd collected at the end of the road in Key West. And it was there, in those waning outlaw days at the last American exit, where Buffett, like Hemingway before him, found his voice and eventually brought to life the song that would launch Parrot Head nation. And just where is Margaritaville? It's wherever it's five o'clock; it's wherever there's a breeze and salt in the air; and it's wherever Buffett sets his bare feet, smiles, and sings his songs.

acorn superglide 130 installation manual: *Meat and Poultry Inspection Manual* United States. Animal and Plant Health Inspection Service, 1985

acorn superglide 130 installation manual: *Revolving Hammer* Kristen Bevilacqua, Scott O.

Brown, 2002 *Revolving Hammer* is a collection of nearly a dozen disturbing and horrific stories from the best new creators out there. From *Date Night*, a tale of severed hands and the men who love them, to a murder suspect who makes his living by being a... murder suspect in *Career Suspect*, and *Le Gout Du Sexe*, where reproductive competition is taken to the extreme, nothing is sacred, and nowhere is safe. The *REVOLVING HAMMER* pries open the floorboards to show us the ugly things people hide inside.

acorn superglide 130 installation manual: *The Bible* Adam Long, Reed C. Martin, Austin Tichenor, 2013-05-13 This play interprets the Bible with breathlessly-paced sequence of silly vaudeville sketches, puns and crude parodies of movie and television genres.

acorn superglide 130 installation manual: *Gary Bailey's How to Win Motocross* Gary Bailey, Carl Shipman, 1974-01

acorn superglide 130 installation manual: *Adventures of Homer Fink* Sidney Offit, 2016-04-19 Homer Fink could speak Latin and Greek or chart the orbit of the planet Jupiter, but when it came to tying his shoelaces or knotting his tie Homer was helpless. The *Adventures of Homer Fink* is a story of youth's first awareness of power and philosophy and love. It is peopled with characters as real as your next-door neighbors and yet uniquely extraordinary. Above all, this is a tale full of humor and affection and the wonder of growing up.

acorn superglide 130 installation manual: *Conserving the Environment* Debra A. Miller, 2010 The *Current Controversies* series examines today's most important social and political issues. Each volume presents a diverse selection of primary sources representing all sides of the debate in question.

acorn superglide 130 installation manual: *This Luminous Coast* Jules Pretty, 2015-06-04 Over the course of a year, Jules Pretty walked along the shoreline of East Anglia in southeastern England, eventually exploring four hundred miles on foot (and another hundred miles by boat). It is a coast and a culture that is about to be lost—not yet, perhaps, but soon—to rising tides and industrial sprawl. This *Luminous Coast* takes the reader with him on his journey over land and water; over sea walls of dried grass, beside stretched fields of golden crops, alongside white sails gliding across the intricate lacework of invisible creeks and estuaries, under vast skies that are home to curlews and redshanks and the outpourings of skylarks. East Anglia's coastline is as much a human landscape as it is a natural one, and Pretty is equally perceptive about the region's cultural heritage and its industrial wild: fishing villages and the modern seaside resorts, family farms and oil refineries, pleasure piers and concrete seawalls, cozy pubs and military installations. Through words and photographs, Pretty interweaves stories of the land and sea with people past and present. He is a passionate and sensitive guide to a region in transition, under stress, and perhaps even doomed, as finely attuned to its history as he is to its unique sensory world.

acorn superglide 130 installation manual: *The Arcana of Freemasonry* Albert Churchward, 1922

acorn superglide 130 installation manual: *Walt Whitman* Justin Kaplan, 2003-07-08 Whitman's genius, passions, poetry, and androgynous sensibility entwined to create an exuberant life amid the turbulent American mid-nineteenth century. In vivid detail, Kaplan examines the mysterious selves of the enigmatic man who celebrated the freedom and dignity of the individual and sang the praises of democracy and the brotherhood of man.

acorn superglide 130 installation manual: *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975

acorn superglide 130 installation manual: *Notes from Walnut Tree Farm* Roger Deakin, 2008 From the author of the acclaimed and much-loved *Waterlog* and *Wildwood*. For the last six years of his life, Roger Deakin kept notebooks in which he wrote his daily thoughts, impressions, feelings and observations. Discursive, personal and often impassioned, they reveal the way he saw the world, whether it be observing the teeming ecosystem that was Walnut Tree Farm, thinking about the wider environment, walking in his fields or on Mellis Common, or quietly contemplating his past and present life. *Notes From Walnut Tree Farm* collects the very best of these writings, capturing Roger's

extraordinary, restless curiosity into the natural and human worlds, his love of literature and music, his knack for making unusual and apposite connections, and of course his distinct and subversive charm and humour. Together they cohere to present a passionate, engaged and - in spite of the worst pressures of contemporary life - optimistic view of our changing world.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

acorn superglide 130 installation manual: All Among the Barley Melissa Harrison, 2019-03-07 'A masterpiece' JON MCGREGOR 'Impossible to forget' THE TIMES 'Astonishing' GUARDIAN 'Startling' FINANCIAL TIMES WINNER OF THE EU PRIZE FOR LITERATURE 'BOOK OF THE YEAR' NEW STATESMAN, OBSERVER, IRISH TIMES, BBC HISTORY MAGAZINE The fields were eternal, our life the only way of things, and I would do whatever was required of me to protect it. The autumn of 1933 is the most beautiful Edie Mather can remember, though the Great War still casts a shadow over the cornfields of her beloved home, Wych Farm. When charismatic, outspoken Constance FitzAllen arrives from London to write about fading rural traditions, she takes an interest in fourteen-year-old Edie, showing her a kindness she has never known before. But the older woman isn't quite what she seems. As harvest time approaches and pressures mount on the whole community, Edie must find a way to trust her instincts and save herself from disaster.

acorn superglide 130 installation manual: *Thinking on My Feet* Kate Humble, 2018-10-04 ** SHORTLISTED FOR THE WAINWRIGHT PRIZE ** ** SHORTLISTED FOR THE EDWARD STANFORD TRAVEL WRITING AWARD - TRAVEL MEMOIR OF THE YEAR ** A lovely, civilised and transporting read, that should have all of us stepping out to meet the world with fresh eyes.' - Hugh Fearnley-Whittingstall 'An enticing read that makes every walk Humble describes an adventure' - Ranulph Fiennes 'A beautiful and magnificent book. A paean to a simple act. I defy you to read this book and not be inspired to walk, march or hike - and as a result live a better life more connected with nature and the world around you.' - Simon Reeve 'A lovely book, fast-flowing yet at every turn giving the reader pause for thought. Kate Humble makes a delightful companion, her words full of sunshine and the raw pleasure she radiates as she encounters life in its many unexpected forms.' - Benedict Allen 'I've discovered that going for a daily walk has become as essential to me feeling good for the rest of the day as that first cup of tea. But I would argue that all I am doing is responding to a natural need we all have. Humans have always been migrants, the physiological urge to be nomadic is deep-rooted in all of us and perhaps because of that our brains are stimulated by walking. I solve all sorts of problems, formulate ideas, work things out to that gentle rhythm of self-propelled movement.' - Kate Humble *Thinking on My Feet* tells the story of Kate's walking year - shining a light on the benefits of this simple activity. Kate's inspiring narrative not only records her walks (and runs) throughout a single year, but also charts her feelings and impressions throughout - capturing the perspectives that only a journey on foot allows - and shares the outcomes: a problem solved, a mood lifted, an idea or opportunity borne. As she explores the reasons why we walk, whether for creative energy, challenge and pleasure, or therapeutic benefits, Kate's reflections and insights will encourage, motivate and spur readers into action. Also featured are Kate's walks with others who have discovered the magical, soothing effect of putting one foot in front of the other - the artist who walks to find inspiration for his next painting; the man who takes people battling with addiction to climb mountains; the woman who walked every footpath in Wales (3,700 miles) when she discovered she had cancer. This book will inspire you to change your perspective by applying walking to your daily endeavours. *PRAISE FOR THINKING ON MY FEET* 'A diary of sorts,

charting a year of wonderful walks through the sun, wind and rain...each entry builds an image of her life in the great outdoors...it sounds idyllic to say the least.' - Sunday Express, S Magazine 'These are 365 days of inspiration to get out and, sometimes literally, smell the flowers.' - Wanderlust Magazine 'Humble's book about going for a walk can inspire absolutely anyone to make a change. Because all you have to do is step outside the front door.' - Waitrose Weekend 'Witty, enlightening and often startlingly profound' - Country Walking Magazine
