act like a lady think like a man ebook: F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life Brian Nox, Brian Keepphimattacted, 2016-10 The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, Well, f*ck him! a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, How does she do it? What do they see in her? What

does she know that I don't? You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, He doesn't know what he's missing. What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

act like a lady think like a man ebook: **Never Chase Men Again** Bruce Bryans, 2015-06-06 Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of player-proof dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even unqualified for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly addicted to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to rebuff undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple Ego-Popping phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or log out of a relationship...for GOOD. Foolproof dating rules for women (the Nice Girls) who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

act like a lady think like a man ebook: Act Like a Lady, Do Not Think Like a Man Raymond Sturgis, 2011-12-20 (REVISED EDITION) Love is a beautiful gift that many people search for a lifetime to experience. However, the hardship and disappointment in relationships and marriage lead them down roads that stymie their ability to attain love. The fame comedian Steve Harvey wrote the book *ACT LIKE A LADY, THINK LIKE A MAN*, and his book and movie did not prove why women should think like men. However, it revealed the obvious, that when women tried to think like men, they lost their individuality and wisdom, which invigorate their quality. This book is not a direct attack of the validity of the fame comedian; however, it is Raymond Sturgis continuation of the conversation, why should women think like a man? Moreover, women success in education, medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them. Therefore, I submit to you, realistic analogies of why women should *ACT LIKE LADY*, and continue to make the world respect them for their intelligence and ability to transform this world. From faith, self-esteem, and intimacy, marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves.
