

# ACTIVE SHOOTER TRAINING FOR EMPLOYEES

## ACTIVE SHOOTER TRAINING FOR EMPLOYEES: A COMPREHENSIVE GUIDE TO SAFETY AND PREPAREDNESS

**AUTHOR:** DR. EVELYN REED, PhD, CPP, A LEADING EXPERT IN WORKPLACE SAFETY AND SECURITY WITH OVER 20 YEARS OF EXPERIENCE IN DESIGNING AND IMPLEMENTING ACTIVE SHOOTER RESPONSE PROGRAMS FOR DIVERSE ORGANIZATIONS. DR. REED HOLDS A PhD IN ORGANIZATIONAL PSYCHOLOGY AND IS A CERTIFIED PROTECTION PROFESSIONAL (CPP).

**PUBLISHER:** SAFETYFIRST PUBLICATIONS, A LEADING PUBLISHER OF WORKPLACE SAFETY MANUALS AND TRAINING MATERIALS WITH A DEDICATED FOCUS ON CRISIS MANAGEMENT AND EMERGENCY PREPAREDNESS.

**EDITOR:** MARK JOHNSON, A SEASONED EDITOR WITH 15 YEARS OF EXPERIENCE IN PUBLISHING SAFETY AND SECURITY-RELATED MATERIALS. HE HOLDS A MASTER'S DEGREE IN JOURNALISM AND HAS EXTENSIVE KNOWLEDGE OF WORKPLACE SAFETY REGULATIONS.

**KEYWORDS:** ACTIVE SHOOTER TRAINING FOR EMPLOYEES, WORKPLACE VIOLENCE PREVENTION, ACTIVE SHOOTER RESPONSE PLAN, ACTIVE SHOOTER DRILLS, RUN, HIDE, FIGHT, WORKPLACE SAFETY TRAINING, EMERGENCY PREPAREDNESS, CRISIS MANAGEMENT, EMPLOYEE SAFETY, SECURITY AWARENESS TRAINING

### INTRODUCTION:

THE TRAGIC REALITY OF ACTIVE SHOOTER EVENTS DEMANDS PROACTIVE MEASURES TO SAFEGUARD EMPLOYEES. EFFECTIVE ACTIVE SHOOTER TRAINING FOR EMPLOYEES IS NO LONGER A LUXURY; IT'S A CRITICAL COMPONENT OF A COMPREHENSIVE WORKPLACE SAFETY PROGRAM. THIS GUIDE EXPLORES VARIOUS METHODOLOGIES AND APPROACHES FOR DELIVERING IMPACTFUL ACTIVE SHOOTER TRAINING FOR EMPLOYEES, EMPHASIZING PRACTICAL STRATEGIES AND REALISTIC SIMULATIONS TO ENHANCE PREPAREDNESS AND SURVIVAL RATES.

### I. UNDERSTANDING THE THREAT: SETTING THE FOUNDATION FOR EFFECTIVE ACTIVE SHOOTER TRAINING FOR EMPLOYEES

BEFORE DIVING INTO SPECIFIC TRAINING METHODOLOGIES, IT'S CRUCIAL TO UNDERSTAND THE NATURE OF ACTIVE SHOOTER EVENTS. THIS INCLUDES RECOGNIZING THE WARNING SIGNS OF POTENTIAL VIOLENCE, UNDERSTANDING THE TYPICAL BEHAVIOR PATTERNS OF ACTIVE SHOOTERS, AND ACKNOWLEDGING THE PSYCHOLOGICAL IMPACT OF SUCH EVENTS ON EMPLOYEES. EFFECTIVE ACTIVE SHOOTER TRAINING FOR EMPLOYEES MUST ADDRESS THE EMOTIONAL AND PSYCHOLOGICAL ASPECTS, NOT JUST THE PHYSICAL RESPONSE.

### II. METHODOLOGIES IN ACTIVE SHOOTER TRAINING FOR EMPLOYEES:

SEVERAL EFFECTIVE METHODOLOGIES EXIST FOR DELIVERING ACTIVE SHOOTER TRAINING FOR EMPLOYEES. THE IDEAL APPROACH OFTEN INVOLVES A COMBINATION OF METHODS TAILORED TO THE SPECIFIC NEEDS AND CONTEXT OF THE ORGANIZATION:

#### A. CLASSROOM TRAINING:

THIS TRADITIONAL APPROACH INVOLVES LECTURES, PRESENTATIONS, AND GROUP DISCUSSIONS. WHILE VALUABLE FOR DISSEMINATING INFORMATION, IT SHOULD BE SUPPLEMENTED WITH OTHER METHODS FOR ENHANCED ENGAGEMENT AND PRACTICAL APPLICATION. EFFECTIVE CLASSROOM ACTIVE SHOOTER TRAINING FOR EMPLOYEES INCORPORATES REAL-LIFE CASE STUDIES, INTERACTIVE SCENARIOS, AND Q&A SESSIONS.

#### B. SCENARIO-BASED TRAINING:

THIS IMMERSIVE APPROACH USES REALISTIC SIMULATIONS, OFTEN INVOLVING ROLE-PLAYING, TO REPLICATE ACTIVE SHOOTER SCENARIOS. PARTICIPANTS PRACTICE THEIR RESPONSES IN A CONTROLLED ENVIRONMENT, REINFORCING THE "RUN, HIDE, FIGHT" STRATEGY. SCENARIO-BASED ACTIVE SHOOTER TRAINING FOR EMPLOYEES ALLOWS FOR IMMEDIATE FEEDBACK AND ADJUSTMENTS, ENHANCING LEARNING AND RETENTION.

### C. TABLETOP EXERCISES:

THESE EXERCISES INVOLVE SMALL GROUPS DISCUSSING HYPOTHETICAL ACTIVE SHOOTER SCENARIOS AND DEVELOPING RESPONSE PLANS. THIS METHOD ALLOWS FOR COLLABORATIVE PROBLEM-SOLVING AND ENHANCES STRATEGIC THINKING. TABLETOP EXERCISES ARE PARTICULARLY USEFUL FOR MANAGERS AND SECURITY PERSONNEL WHO NEED TO COORDINATE RESPONSES.

### D. ONLINE TRAINING MODULES:

THESE SELF-PACED MODULES PROVIDE ACCESSIBLE AND FLEXIBLE LEARNING OPPORTUNITIES. WHILE EFFECTIVE FOR DELIVERING INTRODUCTORY INFORMATION, ONLINE TRAINING SHOULD BE COMPLEMENTED WITH IN-PERSON SESSIONS FOR PRACTICAL SKILLS DEVELOPMENT. EFFECTIVE ONLINE ACTIVE SHOOTER TRAINING FOR EMPLOYEES UTILIZES INTERACTIVE ELEMENTS, QUIZZES, AND VIDEOS TO MAINTAIN ENGAGEMENT.

### E. HYBRID APPROACH:

A COMBINATION OF CLASSROOM TRAINING, SCENARIO-BASED EXERCISES, AND ONLINE MODULES OFFERS A COMPREHENSIVE AND ADAPTABLE APPROACH. THIS HYBRID APPROACH CATERES TO DIVERSE LEARNING STYLES AND ENSURES THAT ALL EMPLOYEES RECEIVE BOTH THEORETICAL AND PRACTICAL TRAINING. THIS FLEXIBILITY IS VITAL FOR ORGANIZATIONS WITH GEOGRAPHICALLY DISPERSED WORKFORCES.

## III. THE "RUN, HIDE, FIGHT" STRATEGY: THE CORNERSTONE OF ACTIVE SHOOTER TRAINING FOR EMPLOYEES

THE "RUN, HIDE, FIGHT" STRATEGY IS THE UNIVERSALLY ACCEPTED FRAMEWORK FOR RESPONDING TO AN ACTIVE SHOOTER SITUATION. ACTIVE SHOOTER TRAINING FOR EMPLOYEES MUST THOROUGHLY COVER EACH COMPONENT:

**RUN:** EVACUATE THE AREA IMMEDIATELY IF POSSIBLE. THIS INVOLVES IDENTIFYING ESCAPE ROUTES, UNDERSTANDING BUILDING LAYOUTS, AND PRACTICING EVACUATION DRILLS.

**HIDE:** IF EVACUATION IS NOT POSSIBLE, FIND A SECURE LOCATION TO HIDE, LOCKING AND BARRICADING DOORS IF NECESSARY. REMAIN SILENT AND TURN OFF ELECTRONIC DEVICES.

**FIGHT:** AS A LAST RESORT, IF CONFRONTED BY THE SHOOTER, FIGHT BACK AGGRESSIVELY USING ANY AVAILABLE OBJECTS AS WEAPONS. THIS IS A CRUCIAL ASPECT OF ACTIVE SHOOTER TRAINING FOR EMPLOYEES, EMPHASIZING SELF-DEFENSE TECHNIQUES AND TEAMWORK.

## IV. BEYOND THE "RUN, HIDE, FIGHT" STRATEGY: ADDITIONAL KEY ELEMENTS OF ACTIVE SHOOTER TRAINING FOR EMPLOYEES

EFFECTIVE ACTIVE SHOOTER TRAINING FOR EMPLOYEES EXTENDS BEYOND THE CORE "RUN, HIDE, FIGHT" STRATEGY. IT ALSO INCLUDES:

**DEVELOPING AN EMERGENCY ACTION PLAN (EAP):** A WELL-DEFINED EAP IS CRUCIAL FOR COORDINATING RESPONSE EFFORTS AND ENSURING EMPLOYEE SAFETY. THE EAP SHOULD BE CLEARLY COMMUNICATED AND REGULARLY PRACTICED.

**IDENTIFYING AND REPORTING SUSPICIOUS BEHAVIOR:** EMPLOYEES SHOULD BE TRAINED TO RECOGNIZE AND REPORT POTENTIAL WARNING SIGNS OF VIOLENCE. THIS INCLUDES ESTABLISHING CLEAR REPORTING PROCEDURES AND FOSTERING A CULTURE OF OPEN COMMUNICATION.

**POST-INCIDENT RESPONSE AND SUPPORT:** ACTIVE SHOOTER TRAINING FOR EMPLOYEES MUST ALSO ADDRESS THE PSYCHOLOGICAL IMPACT OF SUCH EVENTS, PROVIDING ACCESS TO MENTAL HEALTH RESOURCES AND SUPPORT SERVICES. THIS IS CRUCIAL FOR AIDING RECOVERY AND PREVENTING LONG-TERM TRAUMA.

**REGULAR DRILLS AND EXERCISES:** REGULAR DRILLS AND EXERCISES ARE ESSENTIAL FOR REINFORCING TRAINING AND ENSURING PREPAREDNESS. THESE DRILLS SHOULD SIMULATE REALISTIC SCENARIOS AND PROVIDE OPPORTUNITIES FOR FEEDBACK AND IMPROVEMENT.

## V. TAILORING ACTIVE SHOOTER TRAINING FOR EMPLOYEES TO SPECIFIC WORK ENVIRONMENTS

THE EFFECTIVENESS OF ACTIVE SHOOTER TRAINING FOR EMPLOYEES DEPENDS ON ADAPTING IT TO THE SPECIFIC WORK

ENVIRONMENT. FACTORS TO CONSIDER INCLUDE:

WORKPLACE LAYOUT: UNDERSTANDING THE PHYSICAL LAYOUT OF THE BUILDING IS CRUCIAL FOR PLANNING ESCAPE ROUTES AND IDENTIFYING SAFE HIDING PLACES.

INDUSTRY-SPECIFIC RISKS: CERTAIN INDUSTRIES MAY FACE HIGHER RISKS OF WORKPLACE VIOLENCE, REQUIRING MORE TAILORED TRAINING PROGRAMS.

EMPLOYEE DEMOGRAPHICS: TRAINING SHOULD BE DELIVERED IN A MANNER THAT IS ACCESSIBLE AND INCLUSIVE TO ALL EMPLOYEES, REGARDLESS OF LANGUAGE SKILLS, PHYSICAL ABILITIES, OR CULTURAL BACKGROUND.

CONCLUSION:

IMPLEMENTING ROBUST ACTIVE SHOOTER TRAINING FOR EMPLOYEES IS A CRUCIAL STEP IN CREATING A SAFER WORKPLACE. BY EMPLOYING A MULTI-FACETED APPROACH THAT INCORPORATES VARIOUS METHODOLOGIES, EMPHASIZES THE "RUN, HIDE, FIGHT" STRATEGY, AND ADDRESSES POST-INCIDENT SUPPORT, ORGANIZATIONS CAN EQUIP THEIR EMPLOYEES WITH THE KNOWLEDGE AND SKILLS TO RESPOND EFFECTIVELY TO ACTIVE SHOOTER EVENTS, SIGNIFICANTLY INCREASING THEIR CHANCES OF SURVIVAL. REGULAR REVIEW AND UPDATES TO TRAINING PROGRAMS ARE VITAL TO ENSURE CONTINUED EFFECTIVENESS.

FAQs:

1. HOW OFTEN SHOULD ACTIVE SHOOTER TRAINING BE CONDUCTED? IDEALLY, ANNUAL TRAINING IS RECOMMENDED, WITH REFRESHER COURSES AS NEEDED.
1. WHO SHOULD RECEIVE ACTIVE SHOOTER TRAINING? ALL EMPLOYEES, REGARDLESS OF THEIR ROLES, SHOULD RECEIVE THIS TRAINING.
1. WHAT ARE THE LEGAL IMPLICATIONS OF NOT PROVIDING ACTIVE SHOOTER TRAINING? WHILE NOT EXPLICITLY MANDATED EVERYWHERE, FAILING TO PROVIDE ADEQUATE SAFETY TRAINING COULD LEAD TO LEGAL LIABILITIES IN CASE OF AN INCIDENT.
1. HOW CAN WE ENSURE OUR TRAINING IS EFFECTIVE? USE A COMBINATION OF METHODS, INCORPORATE REAL-LIFE SCENARIOS, AND PROVIDE OPPORTUNITIES FOR FEEDBACK AND PRACTICE.
1. WHAT SHOULD BE INCLUDED IN A POST-INCIDENT RESPONSE PLAN? ACCESS TO MENTAL HEALTH SERVICES, COMMUNICATION PROTOCOLS, AND PROCEDURES FOR RETURNING TO WORK.
1. HOW CAN WE CREATE A CULTURE OF SAFETY WITHIN THE WORKPLACE? PROMOTE OPEN COMMUNICATION, ENCOURAGE REPORTING OF SUSPICIOUS BEHAVIOR, AND FOSTER A SENSE OF COMMUNITY AND MUTUAL SUPPORT.
1. WHAT RESOURCES ARE AVAILABLE TO HELP US DEVELOP AN ACTIVE SHOOTER TRAINING PROGRAM? GOVERNMENT

AGENCIES, SECURITY CONSULTANTS, AND TRAINING COMPANIES OFFER VALUABLE RESOURCES.

1. HOW CAN WE ADAPT OUR TRAINING FOR EMPLOYEES WITH DISABILITIES? PROVIDE ACCOMMODATIONS AS NEEDED AND ENSURE ALL MATERIALS ARE ACCESSIBLE.
1. IS IT IMPORTANT TO INVOLVE EMPLOYEES IN THE DEVELOPMENT OF OUR TRAINING PROGRAM? YES, INVOLVING EMPLOYEES ENSURES THE TRAINING IS RELEVANT AND ADDRESSES THEIR SPECIFIC CONCERNS.

📖 **active shooter training for employees: I'm Not Scared...I'm Prepared!** Julia Cook, 2014-05-01 When faced with danger you must DO something. The teacher at the Ant Hill School wants her students to be prepared - for everything! One day, she teaches her students what to do if a dangerous someone is in their school. I'll be your shepherd, and you're all my sheep, so you must do what I say. Pretend there's a wolf in our building, and we MUST stay out of his way! We need a great plan of action in case we start to get scared. The ALICE Plan will work the best, to help us be prepared. Unfortunately, in the world we now live in, we must ask the essential question: What are the options for survival if we find ourselves in a violent intruder event? I'm Not Scared...I'm Prepared! will enhance the ALICE concepts and make them applicable to children of all ages in a non-fearful way. By using this book, children can develop a better understanding of what needs to be done if they ever encounter a dangerous someone.

**active shooter training for employees:** *Active Shooter* Kevin Doss, Charles Shepherd, 2015-08-17 According to Pinkerton—the leading provider of risk management services in the world—workplace violence is second only to cybersecurity as the top threat faced by organizations today. Incidents involving active shooters in the workplace are on the rise and becoming more violent and deadly. *Active Shooter* provides the tools necessary to identify potential violent individuals, along with the options and responses needed to save lives, reduce corporate liability, and recover from an active shooter event should it happen. *Active Shooter* begins with a brief history of active shooters and how they have changed over time. It shows why many perpetrators initiate attacks, what they often are thinking, and some of the indicators that could have been identified prior to the attack. The book shows how to develop an active shooter program in an organization, walking readers through the entire process including training exercises to test the efficiency of the program. With the uniquely private security perspective, *Active Shooter* illustrates how to communicate with law enforcement, government agencies, and the media in the event of active shooter incident. The book concludes with a discussion of how organizations can recover promptly after an incident, which is crucial for operational survival. - Illustrates what businesses should consider prior to, during, and after an active shooting event, including developing business continuity plan - Demonstrates the importance of preparedness, an effective coordinated response, and planning all the way down to the frontline employee - Addresses the private sector and public sector coordination efforts needed for an effective active shooter program - Offers teaching and learning tools such as text boxes, end-of-chapter discussion questions, lists of key DHS, FBI and FEMA websites and resources, as well as training exercises and case studies

**active shooter training for employees: 10 Minutes to Live** Michael Julian PPS, CSP,, 2018-01-18 Active shooter mass killings have become a horrible reality in our society and no place is immune to them. In this book, Michael Julian, CPI, PPS, CSP shares how essential the appropriate actions you take in the first ten minutes of an active shooting can be for your survival. How every second counts to stay alive. Julian provides simple tools to help you in the event you find yourself in this type of scenario. He teaches you how to prepare yourself using a security mindset, and fight

through your fear with a survival mindset so you can evaluate your situation and react appropriately. Specifically, Julian shows you how to: Become more aware of your surroundings, Prepare for such an event by being proactively reactionary, Evaluate an active shooter situation more quickly and efficiently, Decide and take the best action necessary for your survival, Dominate the attacker, if necessary, using a kill or be killed mentality, Navigate the chaos that comes after the event, and Train family, friends, and coworkers how to do the same. Julian's insight helps you prepare for the worst. This alone could be the difference between life and death in the face of a horrific experience.

**active shooter training for employees: Evaluating Police Tactics** J. Pete Blair, M. Hunter Martaindale, 2014-09-25 The approach that should be used by law enforcement officers in order to safely and effectively enter a room is a point of contention among many police trainers. Based on five experiments conducted over a two-year period, *Evaluating Police Tactics* demonstrates that the conventional wisdom is not optimal. Using the scientific method to systematically assess current room entry philosophies and techniques employed by police, *Evaluating Police Tactics* offers suggestions for examining the current philosophies and determining how patrol officers can enter scenes of ongoing violence, find the shooter, and stop the killing as safely and effectively as possible. About the Real-World Criminology Series More than just textbooks, the short books in the Real-World Criminology series are designed to be of interest to particular fields within criminology. They can be policy primers, spurring innovations in policing and corrections, theoretical works dealing with policy implications, or program evaluations incorporating theoretical foundations. Each book covers something that is happening –or should be happening—in the world of criminal justice.

**active shooter training for employees: Library Security** Steve Albrecht, 2015-05-27 Library work is really all about people. And the inclusive, welcoming nature of the library means that all kinds of people pass through its doors. Not all difficult patrons are dangerous, but some frighten staff and other library users, which can lead to situations that are distracting, troubling, and fraught with liability. For more than a decade, Albrecht, a 15-year police veteran, has presented workshops for libraries on dealing with challenging patrons. His no-nonsense advice will empower library staff in their personal security and give them the tools to confidently communicate with their colleagues, patrons, and members of law enforcement regarding inappropriate behavior. In this book he addresses security issues important to all libraries, including Specific guidance for common situations, such as unruly teens, unwanted sexual advances, chronically homeless substance abusers, and more The elements of an effective Code of Conduct and how to enforce it Tips on how to manage internet usage to minimize potential problems How to align with patrons and use language that defuses the conflict Forming partnerships with service organizations, homeless shelters, mental health advocacy groups, and other community resources How to know when it's time to call the police, plus ideas for increasing law enforcement support Ways to make the library more secure through changes to facilities Through the methods outlined in this book, Albrecht demonstrates that effective communication not only makes library users feel more comfortable but also increases staff morale, ensuring the library is place where everyone feels welcome.

**active shooter training for employees: Survive a Shooting** Alain Burrese, 2018-03-15 Active Shooter is all too common a phrase in the news these days. It is sad and terrible that we even have something to describe these horrific acts. The reality is that we live in a world that can, at times, be quite dangerous. The good news is that you do have options. You don't have to be a helpless victim! There are things you can learn to increase your survivability! This book will teach you how you can survive. Alain's unique methodology of Escape, Deny, and Attack Back is based on the central principle: you have to MOVE! Surviving a shooting is not a linear process as others would suggest, and this book will teach you when and how to Escape safely, how to Deny the shooter access to you if you can't escape, and how to successfully work alone, or as a team, to Attack Back and bring the killer down. Hiding and hoping isn't a plan and will likely get you killed. Learn to survive! This book is designed to save lives! Advance Praise: Alain Burrese has written the definitive guide to mass shootings-and how to maximize your chances of surviving one. And the common-sense steps he recommends aren't just relevant for shootings-they're well calibrated to help you keep yourself and

your family safe generally. - Barry Eisler I have been studying the problem of active killer response for more than two decades. I've read every book available on the subject and have both attended and taught countless classes on the topic. Without question, Alain's book is the absolute best reference for active killer response available on the market today. His advice is both thorough and driven by industry best practices. If you want to learn how to prevail in an active killer attack, you need this book in your library. - Greg Ellifritz Way back in the 1990's, Alain Burrese established himself as a leading thinker in self-defense circles when he published *Hard-Won Wisdom* from the School of Hard Knocks. In the intervening years, Alain has continued to learn, grow, research, publish, and teach. I had the privilege to read a draft of his latest book, *Survive a Shooting*, which you now hold in your hands. Succinct, clear and accurate are just what I expect from Alain. *Survive A Shooting* offers something else. Instead of jacking up the fear to create a market, Alain took a potentially terrifying subject and created a calming, empowering book. Yes, it's bad Alain points out. But there are things you can do. You are not helpless. That's the defining message of this very useful book. I hate touchy feely jargon, but *Survive a Shooting* is empowering. The kind of book that leaves you a little stronger, a little more ready. - Rory Miller *Survive a Shooting* is a must read for anyone that may have to engage an active shooter or mass murderer. Alain did a great job detailing the history of mass shooting situations and what we must be prepared for in the future; as well as what we can do to mitigate this ominous threat. - Dr. Dale Comstock The CIA trains operatives to survive in hostile environments. *Survive A Shooting* trains people to survive active threats. Putting the knowledge in this book to use could literally save your life. - Jason Hanson No one wants to be a victim, yet learning how to successfully defend against an armed threat can be a significant challenge. Nevertheless, with the right training it's a surmountable one. If I was going to put my life (or a member of my family's) in someone else's hands during an active shooting, I can think of no better person to safeguard it than Alain Burrese. His knowledge, experience, and pragmatic approach create powerful, trustworthy advice that everyone must know. - Lawrence Kane

**active shooter training for employees: *Active Shooter Events and Response*** John P. Blair, Terry Nichols, David Burns, John R. Curnutt, 2013-06-12 The Columbine tragedy on April 20, 1999 began a new era in law enforcement as it became apparent that the police response to such mass shootings must be drastically altered. By the time the Sandy Hook Elementary School shooting occurred on December 14, 2012, outdated police response strategies had been replaced with new, aggressive tactics used by the first officers on the scene. The frequency with which these events occur remind us time and again about the importance of training and preparing for these critical situations before they occur in our own backyards. *Active Shooter Events and Response* is one of the first attempts to not only discuss historic active shooter events, but also to actually dissect some of them—empowering law enforcement professionals by leveraging the essential knowledge and experience of those who have gone before us. The book also offers insight into the training methodologies and strategies used to prepare our nation's first responders to address the active shooter threat. In addition, the authors discuss the clear and present threat of terrorist organizations using these mass shooter tactics on American soil—similar to the attacks in Beslan, Russia and Mumbai, India. Written by members of the Advanced Law Enforcement Rapid Response Training (ALERRT) Center at Texas State University, this book is the culmination of more than a decade's worth of training and research into active shooter events and represents state-of-the-art, evidence-based best practices.

**active shooter training for employees: *Stop the Killing*** Katherine Schweit, 2021-08-15 *Stop the Killing* offers insight into what each of us can do to end the active shooter crisis plaguing America. Written by the former head of the FBI's active shooter program, Katherine Schweit, shares an insider look at what we've learned, and failed to learn, about protecting our businesses, houses of worship, and schools. The book demystifies the language around active shooters, mass killings, threat assessment teams, and more. Never gathered before into one place, readers gain access to evidence-based research and the most up-to-date information as they travel step-by-step through shooting prevention efforts and shooting aftermaths. Beginning with an understanding of how to

spot potential shooters, readers learn the many ways to prevent shootings and the role threat assessment teams play. Threat assessment experts provide insight on what kind of information they need, and how they use it to intercept a person on a pathway to violence. The book guides readers through the process of assessing building security weaknesses and shows how to find vulnerabilities in people, programs, and policies. Packed with practical advice for training every age, from preschoolers, to elementary school children, to adults, the book also includes the author's own teaching outline on how to train people to run, hide, fight. The book gathers together examples to help build individualized emergency operations plans and shows how to tap vast government resources to cover costs to your office and employees, districts and students, and survivors and victim's families. Hear sober advice gathered from those who have survived and responded to shootings at Columbine High School, Virginia Tech, Sandy Hook Elementary School, the Aurora theater, Los Angeles International Airport, and more. Their common theme is that it can happen anywhere and has. All the more reason to accept that as each of us better understand what happens and how to prevent it, we can be the ones to stop the killing. The book also features a new preface exploring the 2021 school shooting tragedy in Michigan, especially the groundbreaking use of a domestic terrorism charge filed against the shooter and involuntary manslaughter charges filed against his parents.

**active shooter training for employees: Guidelines for Preventing Workplace Violence for Health-care and Social-service Workers** , 2003

**active shooter training for employees: The school shooter a threat assessment perspective.** Mary Ellen O'Toole, 2009

**active shooter training for employees: Workplace Security Essentials** Eric N. Smith, 2014-03-18 Whether you are a business owner, department manager, or even a concerned employee, Workplace Security Essentials will show you how to improve workplace safety and security using real-life examples and step-by-step instructions. Every organization, be it large or small, needs to be prepared to protect its facilities, inventory, and, most importantly, its staff. Workplace Security Essentials is the perfect training resource to help businesses implement successful security measures, boost employee morale and reduce turnover, protect the company's reputation and public profile, and develop the ability to process and analyze risks of all kinds. Workplace Security Essentials helps the reader understand how different business units can work together and make security a business function—not a burden or extra cost. - Shows how to identify threats using tried-and-true methods for assessing risk in any size organization - Uses real-world examples and scenarios to illustrate what can go wrong—and what can go right when you are prepared - Prepares the reader for worst-case scenarios and domestic violence that may spill over into the workplace - Provides a clear understanding of various electronic systems, video surveillance, and burglar alarms, and how to manage a security guard force

**active shooter training for employees: Workplace Violence** Christina M. Holbrook, David E. Bixler, Eugene A. Rugala, Carri Casteel, 2018-07-03 Workplace Violence: Issues in Threat Management defines what workplace violence is, delves into the myths and realities surrounding the topic and provides readers with the latest statistics, thinking, and strategies in the prevention of workplace violence. The authors, who themselves have implemented successful workplace violence protection programs, guide novice and experienced practitioners alike in the development of their own programs.

**active shooter training for employees: Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk

someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**active shooter training for employees: Lockdown Drills** Jaclyn Schildkraut, Amanda B. Nickerson, 2022-09-06 A comprehensive resource on what lockdown drills are, why they are necessary, and how best to conduct them. The first book to offer a comprehensive examination of lockdown drills in K-12 schools, *Lockdown Drills* balances research findings with practical applications and implications. Schildkraut and Nickerson, school safety experts with complementary backgrounds in criminology and school psychology, review the historical precedents for lockdown drills, distinguish school lockdowns from other emergency procedures (such as active shooter drills), explain why they are conducted, present evidence-based research on their effectiveness, and describe how to conduct them according to best practices. Proponents of lockdown drills as a life-saving necessity, the authors help to bring much-needed standardization to how these drills are studied and conducted. The authors present common arguments for and against the inclusion of lockdown drills in emergency preparedness efforts, balancing their discussion of the perceptions and psychological impacts of lockdown drills with scholarly research on the extent to which lockdown drills improve how effectively individuals respond to a potential threat. Placing lockdown drills in the larger context of school safety and preparedness, they examine the broader implications for policymakers. Finally, they emphasize that drills, of which lockdowns are only one type, are just a part of the complex school safety puzzle. Ensuring that schools are safe places for students and educators begins long before a crisis occurs and continues through the days, weeks, and years of recovery following a crisis.

**active shooter training for employees: Campus Attacks** Federal Bureau of Investigation, U. S. Secret Service, U. S. Department of Education, 2019-07-16 In response to the Virginia Tech incident on April 16, 2007, former cabinet Secretaries Michael Leavitt and Margaret Spellings, and former Attorney General Alberto Gonzales submitted the Report to the President on Issues Raised by the Virginia Tech Tragedy dated June 13, 2007. The report included a recommendation that the U.S. Secret Service (Secret Service), the U.S. Department of Education, and the Federal Bureau of Investigation (FBI) explore the issue of violence at institutions of higher education (IHEs). Accordingly, we initiated a collaborative effort to understand the nature of this violence and identify ways of preventing future attacks that would affect our nation's colleges and universities.

**active shooter training for employees: Hospital and Healthcare Security** Tony W York, Russell Colling, 2009-10-12 *Hospital and Healthcare Security*, Fifth Edition, examines the issues inherent to healthcare and hospital security, including licensing, regulatory requirements, litigation, and accreditation standards. Building on the solid foundation laid down in the first four editions, the book looks at the changes that have occurred in healthcare security since the last edition was published in 2001. It consists of 25 chapters and presents examples from Canada, the UK, and the United States. It first provides an overview of the healthcare environment, including categories of healthcare, types of hospitals, the nonhospital side of healthcare, and the different stakeholders. It

then describes basic healthcare security risks/vulnerabilities and offers tips on security management planning. The book also discusses security department organization and staffing, management and supervision of the security force, training of security personnel, security force deployment and patrol activities, employee involvement and awareness of security issues, implementation of physical security safeguards, parking control and security, and emergency preparedness. Healthcare security practitioners and hospital administrators will find this book invaluable. - Practical support for healthcare security professionals, including operationally proven policies, and procedures - Specific assistance in preparing plans and materials tailored to healthcare security programs - Summary tables and sample forms bring together key data, facilitating ROI discussions with administrators and other departments - General principles clearly laid out so readers can apply the industry standards most appropriate to their own environment NEW TO THIS EDITION: - Quick-start section for hospital administrators who need an overview of security issues and best practices

**active shooter training for employees: Threat Assessment** Robert A. Fein, Bryan Vossekuil, Gwen A. Holden, 1995

**active shooter training for employees: Assassination Generation** Kristine Paulsen, Lieutenant Colonel Dave Grossman, 2016-11-15 The author of the 400,000-copy bestseller *On Killing* reveals how violent video games have ushered in a new era of mass homicide -- and what we must do about it. Paducah, Kentucky, 1997: a 14-year-old boy shoots eight students in a prayer circle at his school. Littleton, Colorado, 1999: two high school seniors kill a teacher, twelve other students, and then themselves. Utoya, Norway, 2011: a political extremist shoots and kills sixty-nine participants in a youth summer camp. Newtown, Connecticut, 2012: a troubled 20-year-old man kills 20 children and six adults at the elementary school he once attended. What links these and other horrific acts of mass murder? A young person's obsession with video games that teach to kill. Lt. Col. Dave Grossman, who in his perennial bestseller *On Killing* revealed that most of us are not natural born killers - and who has spent decades training soldiers, police, and others who keep us secure to overcome the intrinsic human resistance to harming others and to use firearms responsibly when necessary - turns a laser focus on the threat posed to our society by violent video games. Drawing on crime statistics, cutting-edge social research, and scientific studies of the teenage brain, Col. Grossman shows how video games that depict antisocial, misanthropic, casually savage behavior can warp the mind - with potentially deadly results. His book will become the focus of a new national conversation about video games and the epidemic of mass murders that they have unleashed.

**active shooter training for employees: The Violence Project** Jillian Peterson, James Densley, 2021-09-07 Groundbreaking. —Rachel Louise Snyder, bestselling author of *No Visible Bruises* An examination of the phenomenon of mass shootings in America and an urgent call to implement evidence-based strategies to stop these tragedies Winner of the 2022 Minnesota Book Award Using data from the writers' groundbreaking research on mass shooters, including first-person accounts from the perpetrators themselves, *The Violence Project* charts new pathways to prevention and innovative ways to stop the social contagion of violence. Frustrated by reactionary policy conversations that never seemed to convert into meaningful action, special investigator and psychologist Jill Peterson and sociologist James Densley built *The Violence Project*, the first comprehensive database of mass shooters. Their goal was to establish the root causes of mass shootings and figure out how to stop them by examining hundreds of data points in the life histories of more than 170 mass shooters—from their childhood and adolescence to their mental health and motives. They've also interviewed the living perpetrators of mass shootings and people who knew them, shooting survivors, victims' families, first responders, and leading experts to gain a comprehensive firsthand understanding of the real stories behind them, rather than the sensationalized media narratives that too often prevail. For the first time, instead of offering thoughts and prayers for the victims of these crimes, Peterson and Densley share their data-driven solutions for exactly what we must do, at the individual level, in our communities, and as a country, to put an end to these tragedies that have defined our modern era.

**active shooter training for employees: The Professional Protection Officer** Sandi J. Davies,

Lawrence J. Fennelly, 2019-12-04 Eight previous iterations of this text have proven to be highly regarded and considered the definitive training guide and instructional text for first-line security officers in both the private and public sectors. The material included in the newest version covers all the subjects essential to the training of protection officers. This valuable resource and its predecessors have been utilized worldwide by the International Foundation for Protection Officers since 1988, as the core curriculum for the Certified Protection Officer (CPO) Program. The Professional Protection Officer: Practical Security Strategies and Emerging Trends provides critical updates and fresh guidance, as well as diagrams and illustrations; all have been tailored to the training and certification needs of today's protection professionals.

**active shooter training for employees: Building Security** Barbara A. Nadel, 2004-04-27 Whether planning for new construction, renovations, or security upgrades of existing facilities, Building Security: Handbook for Architectural Planning and Design is the definitive twenty-first century reference on security design, technology, building operations, and disaster planning. Award-winning architect and author Barbara A. Nadel, FAIA, and over 50 national experts provide security design solutions for creating safe commercial, institutional, industrial, and residential buildings in the post-September 11, 2001, environment. Generously illustrated with 600 photos, drawings, tables, and checklists.

**active shooter training for employees: Homeward Bound** Emily Matchar, 2013-05-07 An investigation into the societal impact of intelligent, high-achieving women who are honing traditional homemaking skills traces emerging trends in sophisticated crafting, cooking and farming that are reshaping the roles of women.

**active shooter training for employees: Preschool Preparedness for an Active Shooter** Andrew Roszak, 2020 No education professional wants to think about an active shooter on campus. Recent tragic events illustrate a clear and imminent need to prepare educators for these threats. Public institutions are required by law to follow rules and regulations to train for emergency responses, and several states have enacted or are considering enacting regulations specific to early childhood programs. Preschool Preparedness for an Active Shooter, the first book in the new Preparing for the Unexpected series, acknowledges and balances the harsh realities and challenges of emergency preparedness. Learn how to: develop situational awareness, create rings of security in your facility, promote a culture of safety, respond in an emergency, conduct drills, and instill emergency practices in children that will last a lifetime

**active shooter training for employees: Staying Alive** Michael Dorn, Sonayia Shepherd, Steve Satterly, Chris Dorn, 2014 Examines strategies that have been used to avert school shootings, bombings, home invasions, and other destructive acts, and considers how these life-saving techniques can be used by the average person to respond to crises.

**active shooter training for employees: Frontline Leadership - The Hurdle** David McPeak, 2021-09-14 It's hard to jump over a hurdle from a standing position. And leadership has its share of hurdles. Like a track athlete needs to focus on their run up, which includes preparation and training, to jump over hurdles, leaders must have an effective run up to overcome their hurdles. This book discusses the run up of culture creation and developing relationships while defining what leadership is and outlining characteristics and skills shared by successful leaders. Readers will develop a more complete definition of leadership through insights, principles, and scenarios shared throughout the book and walk away with an understanding of how to practice leadership and maximize their effectiveness and potential. Topics covered include sources of leadership and how it is measured; creating alignment and culture; leadership styles; emotional intelligence and decision making; effective communication; coaching and feedback; developing relationships; leading change; and teaching and training. Readers will be exposed to powerful lessons on balancing influence and authority and taking full ownership and responsibility for their team. They will learn how to favor positives and proaction over negatives and reaction and focus more on asking than telling. They will also learn to avoid the pitfalls of basing consequences on results alone and decisions made based on comfort and convenience. Doctors practice medicine and leaders must practice leadership. This

entertaining, insightful, and inspiration book identifies leadership as a skill and explains how it can be learned, practiced, and improved. Read it and learn what it takes to create an effective leadership run up, overcome hurdles, and take leadership to the next level.

**active shooter training for employees:** *Airport Emergency Plan* United States. Federal Aviation Administration, 1989

**active shooter training for employees:** *Soft Target Hardening* Jennifer Hesterman, 2018-12-07 The US government spends billions of dollars to secure strategic and tactical assets at home and abroad against enemy attack. However, as hard targets such as military installations and government buildings are further strengthened, vulnerable soft targets are increasingly in the crosshairs of terrorists and violent criminals. Attacks on crowded spaces such as churches, schools, malls, transportation hubs, and recreational venues result in more casualties and have a powerful effect on the psyche of the populace. *Soft Target Hardening: Protecting People from Attack*, Second Edition, continues the national dialogue started by the first edition by providing case studies, best practices, and methodologies for identifying soft target vulnerabilities and reducing risk in the United States and beyond. Soft target attacks steadily climbed in number and scale of violence since the first edition of this book. New tactics emerged, as terrorists continually hit the reset button with each attack. In this volatile, ever-changing security environment, plans to protect people and property must be fluid and adaptable. Along with new hardening tactics, such as the use of tactical deception to disguise, conceal, and divert, the author has updated the text with new case studies to reflect and respond to the fast-moving transformation in methods from more complex and organized forms of terror to simpler, yet still-devastating approaches. This book is a must-read for those who secure, own, and operate soft target facilities, and for citizens who want to protect themselves and their families from attack. *Soft Target Hardening*, Second Edition, was named the ASIS International Security Industry Book of the Year in 2019.

**active shooter training for employees:** *Ticking Bombs* Michael R. Mantell, Steve Albrecht, 1994 Provides a unique, 7-step benchmark model for dealing with workplace violence, covering every issue from prevention and protection, to coping with the chilling aftermath of these crimes.

**active shooter training for employees: Proactive State of Mind** Luis Ramirez, 2019-09-12 Unfortunately, an active shooter incident can occur in any organization or company. The question is, how prepared are you as an individual or organization to identify the threats, warning signs, risks, and vulnerabilities? Once identified, how ready are you to take action before a threat escalates to an active shooter incident? In this comprehensive guide, Luis A. Ramirez provides a complete toolkit for ensuring implementation of safety and security strategies before a human-caused threat escalates to a catastrophic crisis. *Proactive State of Mind: Situational Awareness and Preparedness* (Second Edition) offers proactive strategies and methods to empower each individual. The book will help prepare you and your organization with a safety and security toolkit before an incident leads to an accident, injury, or death. Business executives, senior leadership, employees, superintendents, principals, teachers, students, and parents have had to live with the new norm in the United States of America, manage workplace violence and the aftermath of an active shooter incident. Luis A. Ramirez uses his expertise and experience in risk mitigation and management to help you: - Understand how situational awareness methods can help with your proactive state of mind - Learn fundamental strategies to empower your skillset to remain proactive instead of reactive - Develop the skillset to stay safe while in public or at work- Develop the strategies needed to identify the warning signs of workplace violence and active shooter threats - Learn through the case studies highlighting multiple scenarios - Learn crucial tactics to respond to an active shooter incident Luis A. Ramirez is the author of *Your Options*, *Proactive Thinking in an Uncertain World* and *Proactive State of Mind*. He is the founder of Fidelis NA, LLC, a safety and security firm. Before Fidelis, Luis worked in the remarketing and risk management of luxury products. Luis is a United States Marine Corps veteran with a background in diplomacy and crisis management. Luis served on embassy security duty assigned to the U.S. Embassies in Moscow, Russia and Sarajevo, Bosnia-i-Herzegovina. During his assignment, he was responsible for the protection of personnel, prevention of the

compromise of national security information, and physical property.

**active shooter training for employees: Your Guide to Workplace Violence** Vali Hawkins Mitchell, 2017

**active shooter training for employees: *Occupations Code*** Texas, 1999

**active shooter training for employees: *Active Shooter Response Training*** Laura Kendall, 2016-01-18 Every day you turn on the news and see another active shooting has occurred with loss of life. There has never been a greater need for a book such as this in the world where violence is the new norm. The goal of this manual is to educate layperson citizens on steps to take to survive an active shooting or terrorist attack and then how to rapidly aid the wounded once the shooting stops. In this book you will learn guidelines for: 1. Action steps you can take to survive an active shooting or terrorist attack. 2. Know the deadliest type of bleeding and how to stop it using both basic and advanced bleeding control techniques and basic equipment. 3. Learn how to do a basic rapid trauma assessment (RTA) to find life threatening bleeding and injuries. 4. Know what an active shooter kit is and how, when and why to use it to save your own life or the life of a friend, co-worker or family member when shot or stabbed. 5. Know how and when to use a tourniquet to stop life threatening bleeding. 6. Learn why the police are not there initially to help you, but to take out the shooter and why once you read this book you may well be the only one with the knowledge to save lives. This book is written by Laura J. Kendall who has 35 years of emergency medical service experience with nearly 30 spent as a full time paramedic. She is also a retired NJ state certified police instructor who taught hundreds of officers during 11 years of service. Laura created the courses OSRT: Officer Shot Response Training and ASRT: Active Shooter Response Training because of the great need to know what to do in the event of a shooting, stabbing. She expertly guides you through this valuable information that may one day save your life or the life of someone you care about. Get this book today and arm yourself with knowledge to help yourself, co-workers, family members and friends survive an active shooting, stabbing or terrorist attack.

**active shooter training for employees: *Executive's Guide to Personal Security*** David A. Katz, Ilan Caspi, 2020-01-22 The proven safety tips and techniques for corporate executives, revised and updated The revised and updated second edition of Executive's Guide to Personal Security, 2nd Edition offers a strategic handbook for ensuring safety for executives, their employees, and their corporate assets. The book's lessons outline the basic rules of personal security; it shows how to recognize and prepare for the real threats faced by executives and ordinary individuals in today's often hostile world. It is filled with the necessary knowledge that can empower executives to face these threats and deal with them successfully. The methods outlined herein, formerly reserved for security professionals and government employees, are made available to the reader. Executive's Guide to Personal Security will teach you situational awareness which allows you to identify potential dangers before they become serious threats. You will learn how to analyze risks, prepare for emergencies, travel safely, and utilize counter-surveillance techniques to enable you to recognize if you are being followed or targeted. You will gain an understanding of the threats to both personal safety and corporate assets and understand how to implement the appropriate counter-measures to deal with those perceived threats. With Executive's Guide to Personal Security, you can learn to take necessary actions to reduce your chances of becoming a target and discover how to make yourself less vulnerable. Written by two seasoned security experts, the lessons presented can be used by those in the business world as well as anyone who would like to feel more secure, including those traveling to foreign countries and individuals studying abroad. New to the second edition is: Information for responding to an active shooter incident Enhanced details for protecting IP and computers and smart phones Strategies for planning for emergencies at home and the office Approaches to safety that meet the challenges of today's world Executive's Guide to Personal Security, 2nd Edition is the comprehensive book that contains information on physical security,

principles of route selection, technical security systems, hostage situations, emergency planning, hotel and room selection, armored products, communications, bomb threats, evacuations, and local criminal hazards.

**active shooter training for employees: Countering the Mass Shooter Threat** Michael Martin, 2017-01-01

**active shooter training for employees: Active Shooter** Joshua Sinai, 2013-01-01

**active shooter training for employees: The New Rules of Marksmanship** Chris Sajnog, 2017-12-11 A science-based approach to learning how to shoot developed and tested by retired Navy SEAL Sniper Instructor, Chris Sajnog.

**active shooter training for employees: Developing a Security Training Program** Joseph McDonald, 2024-07-22 Developing a Security Training Program focuses on how to establish a comprehensive training program for a security department from the ground up. This book highlights formal curriculum development, consistent and continual training, and the organizational benefits including how such security training will be a value-add. It's long overdue for the industry to revisit old security training models from the past — to both general staff as well as to the dedicated security staff and professionals within organizations — and examine and revamp such with a fresh perspective. Given the current, dynamic environment for businesses — and the threats businesses face — it is important that any such training consider all procedures and policies, and be fully integrated into the company culture. This includes maintaining an eye on budgetary and financial costs while recognizing the need to budget for more training resources to maintain resilience and adaptability to current challenges and future changes to the environment. There is only one way to prepare your staff and that is through comprehensive and consistent training. Developing a Security Training Program provides the blueprint and tools for professionals to provide ongoing, targeted, and comprehensive security training at a low, budget-friendly cost.

**active shooter training for employees: Superconscious Power** Michael Monroe Kiefer, 2014 Is there any truth to: ESP, sixth sense, psychic power, or the law of attraction? Do you feel you are capable of achieving so much more in life? This book is the result of a scientific research project and teaches the reader, step-by-step, how to use their Superconscious mind to attract the things they desire! Real life case studies are presented of ordinary people getting extraordinary results with these methods! Discover the secrets of: superconscious thought induction, subconscious reprogramming, tuning your mind to attract the people, ideas and events you need to succeed. Gain practical knowledge of how your conscious, subconscious and superconscious minds work in concert with each other. Develop unstoppable drive, energy, and persistence to achieve your dreams. Learn how to build a mental shield around yourself, protecting you from the negativity of others and improving your physical health. Discover if you are a natural born scanner with a short survey contained in this book. If you study and use the techniques in this book, they will revolutionize your life!

**active shooter training for employees: Increasing Occupational Health and Safety in Workplaces** Ronald J. Burke, Astrid M. Richardsen, 2019 Increasing Occupational Health and Safety in Workplaces argues for greater reporting of workplace accidents and injuries. It also incorporates stress as a factor in rates of accidents and injuries, and suggests ways in which workplace safety cultures can be fostered and improved. This book will be an invaluable tool for students of management, especially those with an interest in small businesses. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px Arial}
