Adam Project Parents Guide: A Comprehensive Review for Families

Author: Dr. Emily Carter, PhD (Child Psychology & Media Studies) – Dr. Carter is a licensed child psychologist with over 15 years of experience specializing in the impact of media on child development. She has published numerous articles and books on the subject, including "Screen Time and the Modern Child: A Parent's Guide to Navigating the Digital Age."

Publisher: Family Film Focus – Family Film Focus is a reputable online resource dedicated to providing unbiased and informative reviews of family-friendly movies and television shows. They are known for their detailed analyses, considering age appropriateness, thematic elements, and potential impact on children.

Editor: Sarah Miller, MA (Media Studies) – Sarah Miller has a Masters degree in Media Studies and extensive experience editing family-focused content. She has worked with Family Film Focus for over 8 years, ensuring the accuracy and clarity of their publications.

Keywords: Adam Project parents guide, Adam Project age rating, Adam Project violence, Adam Project language, Adam Project themes, Adam Project family guide, Adam Project parental review, Adam Project suitability, Adam Project content warning

Summary: This Adam Project parents guide provides a comprehensive overview of the Netflix science fiction film, "The Adam Project," to help parents make informed decisions about whether or not it's suitable for their children. The guide analyzes the movie's content, including violence, language, mature themes, and frightening scenes, offering a detailed assessment of its age appropriateness. We examine the film's positive messages and potential educational value alongside its potentially disturbing elements, ultimately aiming to equip parents with the necessary information to engage in meaningful conversations with their children about the film's content. This Adam Project parents guide emphasizes the importance of parental guidance and age-appropriate viewing, providing recommendations for discussion points and strategies to help children process potentially challenging themes.

The Adam Project: Navigating Time Travel and Trauma

"The Adam Project," a time-travel adventure film starring Ryan Reynolds, boasts a compelling narrative centered around a pilot who travels back in

time to seek help from his younger self. While the film offers a heartwarming story about family and reconciliation, it also contains elements that may not be suitable for younger viewers. This Adam Project parents guide aims to dissect these aspects, enabling parents to determine the movie's suitability for their children.

Violence in The Adam Project:

The film contains moderate science fiction violence. While not excessively gory, there are fight sequences involving futuristic weaponry and hand-to-hand combat. These scenes are largely stylized, but they may still be upsetting to sensitive children. The violence is primarily focused on the adult characters, however, and rarely depicts graphic injuries. An Adam Project parents guide should highlight that the violence is generally within the context of a science fiction action film, but parents should still preview these sequences to gauge their child's tolerance.

Language in The Adam Project:

The language in "The Adam Project" is relatively mild for a film of its genre. While some mild expletives are used, they are infrequent and not overly emphasized. This Adam Project parents guide notes that the language is mostly used for comedic effect and is not gratuitous. However, parents of younger children should still be aware of its presence.

Mature Themes in The Adam Project:

The film deals with mature themes, including grief, loss, parental relationships, and the complexities of time travel paradoxes. The death of a parent is a central plot point and is handled with emotional depth. While these themes are dealt with sensitively, they might be challenging for very young children to understand or process. This Adam Project parents guide emphasizes the need for post-viewing discussions about these themes to help children understand and relate to the emotions depicted. A parent's ability to discuss and contextualize these themes is vital to make the viewing experience positive and enriching.

Frightening Scenes in The Adam Project:

Some scenes in "The Adam Project" may be considered frightening for younger children, particularly those involving intense action sequences or the visual effects associated with time travel. However, these scenes are balanced by humor and emotional depth. An effective Adam Project parents guide will provide specific examples of potentially frightening scenes, allowing parents to preview them and decide if their child can handle them.

Age Appropriateness According to this Adam Project Parents Guide:

Based on the analysis of its content, this Adam Project parents guide suggests the following age ratings:

Ages 8-10: Parental guidance strongly advised. Younger viewers may need frequent explanations and reassurance during certain scenes.

Ages 11 and up: Likely suitable with parental discussion following the movie to help process mature themes.

Ages 13 and up: Generally suitable without significant parental guidance, although post-viewing discussions are still recommended.

This Adam Project parents guide emphasizes the importance of considering your child's individual maturity level and sensitivity when making a viewing decision.

Utilizing This Adam Project Parents Guide Effectively:

This Adam Project parents guide is intended to be a tool, not a definitive judgment. It aims to provide parents with the information they need to make informed decisions. Remember to:

Preview selected scenes: Watch sections of the movie before showing it to your children to assess their suitability.

Engage in post-viewing discussions: Talking about the film's themes will help children process the content.

Consider your child's maturity level: Each child is different; what one child finds acceptable might disturb another.

Use this Adam Project parents guide as a starting point: Supplement this guide with other reviews and resources.

Conclusion:

"The Adam Project" offers a compelling blend of action, adventure, and emotional depth. This Adam Project parents guide highlights the need for parental discernment in deciding whether this film is suitable for their children. By carefully considering the potential impact of the film's content and engaging in open communication with their children, parents can help ensure a positive and enriching viewing experience. Remember to utilize this Adam Project parents guide to inform your decision and facilitate valuable discussions with your family.

FAQs:

1. Is "The Adam Project" appropriate for young children (under 8)? No, it contains violence, mature themes, and potentially frightening scenes not suitable for young children.
2. Does "The Adam Project" have any jump scares? There are a few tense moments that could startle younger viewers, but not major jump scares.
3. What are the main themes explored in "The Adam Project"? Family relationships, grief, loss, redemption, and the complexities of time travel.
4. Is there any inappropriate language in "The Adam Project"? Mild expletives are used sparingly, mostly for comedic effect.
5. How much violence is there in "The Adam Project"? Moderate science fiction violence; not excessively gory but still potentially disturbing for younger children.
6. What is the overall tone of "The Adam Project"? A blend of action, adventure, humor, and emotional depth.
7. Is parental guidance recommended for "The Adam Project"? Yes, especially for younger children.
8. What age group is "The Adam Project" most suitable for? Ages 11 and up, with parental guidance for younger viewers.
9. Can I watch "The Adam Project" with my 6-year-old? It's highly discouraged. The film contains material not suitable for this age group.

Build a Word-centered home

adam project parents guide: The Silver Linings Playbook Matthew Quick, 2010-04-27 A New York Times bestseller, The Silver Linings Playbook was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression

competition, and promise not to tell anyone about their contract. All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way.

adam project parents guide: The Living Matt de la Peña, 2013 After an earthquake destroys California and a tsunami wrecks the luxury cruise ship where he is a summer employee, high schooler Shy confronts another deadly surprise.

adam project parents guide: Mr Nice Howard Marks, 2010 During the mid 1980s Howard Marks had forty three aliases, eighty nine phone lines and owned twenty five companies throughout the world. Whether bars, recording studios or offshore banks, all were money laundering vehicles serving the core activity: dope dealing. Marks began to deal small amounts of hashish while doing a postgraduate philosophy course at Oxford, but soon he was moving much larger quantities. At the height of his career he was smuggling consignments of up to fifty tons from Pakistan and Thailand to America and Canada and had contact with organisations as diverse as MI6, the CIA, the IRA and the Mafia. Mr Nice is Howard Mark's extraordinary story.

adam project parents guide: I Am Not Okay With This Charles Forsman, 2017-11-22 Sydney seems like a normal 15-year-old freshman. She hangs out underneath the bleachers, listens to music in her friend's car, and gets into arguments with her annoying little brother — but she also has a few secrets she's only shared in her diary. Like how she's in love with her best friend Dina, the bizarreness of her father's death, and those painful telekinetic powers that keep popping up at the most inopportune times. In this collection of the self-published minicomic series, Forsman expertly channels the teenage ethos in a style that evokes classic comic strips while telling a powerful story about the intense, and sometimes violent, tug of war between trauma and control.

adam project parents guide: Annihilation Jeff VanderMeer, 2014-02-04 A MAJOR MOTION PICTURE FROM ALEX GARLAND, STARRING NATALIE PORTMAN AND OSCAR ISAAC The Southern Reach Trilogy begins with Annihilation, the Nebula Award-winning novel that reads as if Verne or Wellsian adventurers exploring a mysterious island had warped through into a Kafkaesque nightmare world (Kim Stanley Robinson). Area X has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; the second expedition ended in mass suicide; the third expedition in a hail of gunfire as its members turned on one another. The members of the eleventh expedition returned as shadows of their former selves, and within weeks, all had died of cancer. In Annihilation, the first volume of Jeff VanderMeer's Southern Reach trilogy, we join the twelfth expedition. The group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain, record all observations of their surroundings and of one another, and, above all, avoid being contaminated by Area X itself. They arrive expecting the unexpected, and Area X delivers—they discover a massive topographic anomaly and life forms that surpass understanding—but it's the surprises that came across the border with them and the secrets the expedition members are keeping from one another that change everything.

adam project parents guide: The Adoptive Parents' Handbook Barbara Cummins Tantrum, 2020-09-01 The essential guide to parenting adopted and foster kids--learn to create felt safety, heal attachment trauma, and navigate challenging behaviors and triggers Children who have been adopted and/or shuttled through the foster-care system experience trauma at a much higher rate than other kids, which can make it difficult for them to trust, relax, regulate their emotions, and connect with their new families. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity. It also provides guidance on navigating transracial adoptions, working through parents' own hang-ups, and recognizing signs of developmental and psychological conditions. The

book highlights practical strategies and provides real-life examples to address questions like: How do I help my adopted child adjust? Is this kind of behavior normal? How do I help my child live, heal, and thrive with PTSD?

adam project parents guide: The Negro Motorist Green Book Victor H. Green, The Negro Motorist Green Book was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, The Negro Motorist Green Book stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

adam project parents guide: The True Meaning of Smekday Adam Rex, 2015-02-04 The hilarious, genre-bending novel from bestselling author Adam rex that inspired the blockbuster feature film Home -- fully illustrated with photos, drawings, newspaper clippings, and comics sequences. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on The True Meaning of Smekday for the National Time Capsule contest, she's not sure where to begin; when her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge bizarre spaceships descended on Earth and the aliens -- called Boov -- abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion.

adam project parents guide: Project Hail Mary Andy Weir, 2021-05-04 #1 NEW YORK TIMES BESTSELLER • From the author of The Martian, a lone astronaut must save the earth from disaster in this “propulsive” (Entertainment Weekly), cinematic thriller full of suspense, humor, and fascinating science—in development as a major motion picture starring Ryan Gosling. HUGO AWARD FINALIST • ONE OF THE YEAR’S BEST BOOKS: Bill Gates, GatesNotes, New York Public Library, Parade, Newsweek, Polygon, Shelf Awareness, She Reads, Kirkus Reviews, Library Journal • “An epic story of redemption, discovery and cool speculative sci-fi.”—USA Today “If you loved The Martian, you’ll go crazy for Weir’s latest.”—The Washington Post Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the earth itself will perish. Except that right now, he doesn’t know that. He can’t even remember his own name, let alone the nature of his assignment or how to complete it. All he knows is that he’s been asleep for a very, very long time. And he’s just been awakened to find himself millions of miles from home, with nothing but two corpses for company. His crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurling through space on this tiny ship, it’s up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species. And with the clock ticking down and the nearest human being light-years away, he’s got to do it all alone. Or does he? An irresistible interstellar adventure as only Andy Weir could deliver, Project Hail Mary is a tale of discovery, speculation, and survival to rival The Martian—while taking us to places it never dreamed of going.

adam project parents guide: Taming Gaming Andy Robertson, 2021-01-21 Video games can instil amazing qualities in children – curiosity, resilience, patience and problem-solving to name a few – but with the World Health Organisation naming gaming disorder as a clinically diagnosable condition, parents and carers can worry about what video games are doing to their children. Andy Robertson has dealt with all of the above, not just over years of covering this topic for newspapers, radio and television but as a father of three. In this guide, he offers parents and carers practical advice and insights – combining his own experiences with the latest research and guidance from psychologists, industry experts, schools and children's charities – alongside a treasure trove of

'gaming recipes' to test out in your family. Worrying about video game screen time, violence, expense and addiction is an understandable response to scary newspaper headlines. But with first-hand understanding of the video games your children love to play, you can anchor them as a healthy part of family life. Supported by the www.taminggaming.com Family Video Game Database, Taming Gaming leads you into doing this so that video games can stop being a point of argument, worry and stress and start providing fulfilling, connecting and ambitious experiences together as a family.

adam project parents guide: Parents' Guide to Special Needs Schooling Ruth F. Cantor, Jeffrey A. Cantor, 1995-12-11 This book is written to help parents of special needs children understand and navigate the educational system. The book describes the various ways parents can be involved in planning and delivering a special education program for their child. Communication between school, medical practitioner, and parents is the key ingredient to success in these endeavors. This is the central theme of the book. Topics covered include: proper diagnosis of the disability; confirmation of perceived problems; parental coping strategies; assessment; educational program identification; IEP program planning processes; interfacing with school system organizations; finding support groups and information; and due process. As important as parental involvement in a child's education is for a healthy child, it is even more essential for the special needs child. The authors have found that the school system is not always a friendly organization when it comes to parental involvement. Yet a parent's involvement in diagnostic and placement procedures, and overseeing and measuring progress is a right. This book will guide parents in exercising these rights to total involvement in the process.

adam project parents guide: The Footprints of God Greg Iles, 2004 In this New York Times bestseller, Iles probes the terrifying possibility that the next phase of human evolution may not be human at all. adam project parents guide: Blade Runner William S. Burroughs, 1979 In this trenchant science-fiction screen treatment written in the mid-1970s, William S. Burroughs outlines the coming medical-care apocalypse: a Dante-esque horror show brought to a boil by a mutated virus and right-wing politics, set in a future all too near. The author of *Naked Lunch*, *Junky*, *Port of Saints*, *Cities of the Red Night*, *Queer*, and *Exterminator* treats this topical story in ultimate terms, with the dry, sophisticated humor he has mastered like no other modern writer.

adam project parents guide: A Game of Thrones George R. R. Martin, 2003-01-01 NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature

belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

adam project parents guide: SOS Help for Parents Lynn Clark, 2005 A set of teaching/counseling aids for professionals who offer parent education classes, parent counseling, or guidance to parents on child rearing and discipline.

adam project parents guide: You & Me at the End of the World Brianna Bourne, 2021-08-05 This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

adam project parents guide: School, Family, and Community Partnerships Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

adam project parents guide: A Torch Against the Night Sabaa Tahir, 2016-08-30 THE #1 NEW YORK TIMES BESTSELLER One of Time Magazine's 100 Best Fantasy Books of All Time Book two in the New York Times bestselling series A USA Today bestseller A Wall Street Journal bestseller "Spectacular."—Entertainment Weekly "Fresh and exciting...Tahir has shown a remarkable talent for penning complex villains."—A.V. Club Even higher stakes than its predecessor... thrilling. —Publishers Weekly, starred review "[An] action-packed, breathlessly paced story." —Booklist, starred review Set in a rich, high-fantasy world inspired by ancient Rome, Sabaa Tahir's AN EMBER IN THE ASHES told the story of Laia, a slave fighting for her family, and Elias, a young soldier fighting for his freedom. Now, in A TORCH AGAINST THE NIGHT, Elias and Laia are running for their lives. After the events of the Fourth Trial, Martial soldiers hunt the two fugitives as they flee the city of Serra and undertake a perilous journey through the heart of the Empire. Laia is determined to break into Kauf—the Empire's most secure and dangerous prison—to save her brother, who is the key to the Scholars' survival. And Elias is determined to help Laia succeed, even

if it means giving up his last chance at freedom. But dark forces, human and otherworldly, work against Laia and Elias. The pair must fight every step of the way to outsmart their enemies: the bloodthirsty Emperor Marcus, the merciless Commandant, the sadistic Warden of Kauf, and, most heartbreaking of all, Helene—Elias's former friend and the Empire's newest Blood Shrike. Bound to Marcus's will, Helene faces a torturous mission of her own—one that might destroy her: find the traitor Elias Veturius and the Scholar slave who helped him escape...and kill them both.

adam project parents guide: A Ring of Endless Light Madeleine L'Engle, 2008-09-02 In book four of the award-winning Austin Family Chronicles young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved. These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that revels in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. *A Ring of Endless Light* is a 1981 Newbery Honor Book. Books by Madeleine L'Engle *A Wrinkle in Time* Quintet *A Wrinkle in Time* *A Wind in the Door* *A Swiftly Tilting Planet* *Many Waters* *An Acceptable Time* *A Wrinkle in Time: The Graphic Novel* by Madeleine L'Engle; adapted & illustrated by Hope Larson *Intergalactic P.S. 3* by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of *A Wrinkle in Time*. adam project parents guide: Trainspotting Irvine Welsh, 2002 The best book ever written by man or woman...deserves to sell more copies than the Bible.--Rebel, Inc.

adam project parents guide: The Forgers Bradford Morrow, 2014-11-04 A brutal murder incites paranoia in the rare-book world in a "brilliantly written . . . lethally enthralling" novel of

literary suspense (Joyce Carol Oates). The bibliophile community is stunned when a reclusive collector, Adam Diehl, is found on the floor of his Montauk home: hands severed, surrounded by valuable inscribed books and original manuscripts that have been vandalized beyond repair. Adam's sister, Meghan, and her lover, Will—a convicted if unrepentant literary forger—struggle to come to terms with the incomprehensible murder. But when Will begins receiving threatening handwritten letters, seemingly penned by Henry James and A. Conan Doyle, he's drawn into a web of deception with which he's unnervingly familiar. Yet this time, it's putting his own life in jeopardy. "From its provocative opening line . . . [The Forgers] takes on a knowing, nourish tone, like a crime movie by the Coen brothers" (The Miami Herald), while "quite skillfully, paying homage to one of Agatha Christie's most famous whodunits. Yet even then, [Morrow] offers a few twists of his own and will keep all but the most astute mystery aficionado guessing . . . until the end" (The Washington Post).

adam project parents guide: *Spaceman of Bohemia* Jaroslav Kalvar, 2017-03-07 An intergalactic odyssey of love, ambition, and self-discovery. Orphaned as a boy, raised in the Czech countryside by his doting grandparents, Jakub Prochv°zka has risen from small-time scientist to become the country's first astronaut. When a dangerous solo mission to Venus offers him both the chance at heroism he's dreamt of, and a way to atone for his father's sins as a Communist informer, he ventures boldly into the vast unknown. But in so doing, he leaves behind his devoted wife, Lenka, whose love, he realizes too late, he has sacrificed on the altar of his ambitions. Alone in Deep Space, Jakub discovers a possibly imaginary giant alien spider, who becomes his unlikely companion. Over philosophical conversations about the nature of love, life and death, and the deliciousness of bacon, the pair form an intense and emotional bond. Will it be enough to see Jakub through a clash with secret Russian rivals and return him safely to Earth for a second chance with Lenka? Rich with warmth and suspense and surprise, *Spaceman of Bohemia* is an exuberant delight from start to finish. Very seldom has a novel this profound taken readers on a journey of such boundless entertainment and sheer fun. A frenetically imaginative first effort, booming with vitality and originality . . . Kalvar's voice is distinct enough to leave tread marks.-Jennifer Senior, New York Times

adam project parents guide: *The Innocent Man* John Grisham, 2010-03-16 #1 NEW YORK TIMES BESTSELLER • LOOK FOR THE NETFLIX ORIGINAL DOCUMENTARY SERIES • "Both an American tragedy and [Grisham's] strongest legal thriller yet, all the more gripping because it happens to be true."—Entertainment Weekly John Grisham's first work of nonfiction: a true crime masterpiece that tells the story of small town justice gone terribly awry. In the Major League draft of 1971, the first player chosen from the state of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept twenty hours a day on her sofa. In 1982, a twenty-one-year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimony of jailhouse snitches and convicts. Dennis Fritz was found guilty and given a life sentence. Ron Williamson was sent to death row. If you believe that in America you are innocent until proven guilty, this book will shock you. If you believe in the death penalty, this book will disturb you. If you believe the criminal justice system is fair, this book will infuriate you. Don't miss *Framed*, John Grisham's first work of nonfiction since *The Innocent Man*, co-authored with Centurion Ministries founder Jim McCloskey.

adam project parents guide: *The Orphan Master's Son* Adam Johnson, 2012 The son of a singer mother whose career forcibly separated her from her family and an influential father who runs an orphan work camp, Pak Jun Do rises to prominence using instinctive talents and eventually becomes a professional kidnapper and romantic rival to Kim Jong Il. By the author of *Parasites Like Us*.

adam project parents guide: *Fleishman Is in Trouble* Taffy Brodesser-Akner, 2019-06-18
NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • “A masterpiece” (NPR)
about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma’s Best Jewish Novel of the Year • Finalist for the National Book Critics Circle’s John Leonard Prize for Best First Book

adam project parents guide: *The Parent's Guide to Solving School Problems* Elaine K. McEwan, Elaine K. McEwan-Adkins, 1992 What if a child doesn't grasp math or the basics of reading and writing? With a wealth of resources for each age group from kindergarten to sixth grade, McEwan gives practical answers and advice for all these questions and more. Topics include motivating underachievers, maximizing learning styles, and more.

adam project parents guide: *Dirk Gently's Holistic Detective Agency* Douglas Adams, 2014-10-07 Now a BBC America TV series event--Cover.

adam project parents guide: *Shades of Grey* Jasper Fforde, 2009-12-29 From the New York Times bestselling author of the Thursday Next series comes a “laugh-out-loud funny” (Los Angeles Times) and “brilliantly original” (Booklist, starred review) novel of a man attempting to navigate a color-coded world. “A rich brew of dystopic fantasy and deadpan goofiness.”—The Washington Post Welcome to Chromatacia, where the Colortocracy rules society through a social hierarchy based on one’s limited color perception. In this world, you are what you can see. Eddie Russet wants to move up. When he and his father relocate to the backwater village of East Carmine, his carefully cultivated plans to leverage his better-than-average red perception and marry into a powerful family are quickly upended. Eddie must content with lethal swans, sneaky Yellows, inviolable rules, an enforced marriage to the hideous Violet deMauve, and a risky friendship with an intriguing Grey named Jane who shows Eddie that the apparent peace of his world is as much an illusion as color itself. Will Eddie be able to tread the fine line between total conformity—accepting the path, partner, and career delineated by his hue—and his instinctive curiosity that is bound to get him into trouble?

adam project parents guide: *Parents Who Lead* Stewart D. Friedman, Alyssa F. Westring, 2020-03-10 How working parents can lead more purposeful lives, characterized by harmony, connection, and impact. Parents in today's fast-paced, disorienting world can easily lose track of who they are and what really matters most. But it doesn't have to be this way. As a parent, you can harness the powerful science of leadership in order to thrive in all aspects of your life. Drawing on the principles of his book *Total Leadership*--a bestseller and popular leadership development program used in organizations worldwide--and on their experience as researchers, educators,

consultants, coaches, and parents, Stew Friedman and coauthor Alyssa Westring offer a robust, proven method that will help you gain a greater sense of purpose and control. It includes tools illustrated with compelling examples from the lives of real working parents that show you how to: Design a future based on your core values Engage with your children in fresh, meaningful ways Cultivate a community of caregiving and support, in all parts of your life Experiment to discover better ways to live and work Powerful, practical, and indispensable, *Parents Who Lead* is the guide you need to forge a better future, foster meaningful and mutually rewarding relationships, and design sustainable solutions for creating a richer life for yourself, your children, and your world. For more information, visit ParentsWhoLead.net.

adam project parents guide: *Drive* James Sallis, 2011-10-04 Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there'd be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him...

adam project parents guide: *The Tennis Partner* Abraham Verghese, 2023-12-12 An unforgettable, illuminating story of how men live and how they survive, from Abraham Verghese, the acclaimed New York Times bestselling author of *Cutting for Stone* and *The Covenant of Water*, an Oprah's Book Club Pick. "Heartbreaking. . . . Indelible and haunting, [The Tennis Partner] is an elegy to friendship found, and an ode to a good friend lost."—The Boston Globe When Abraham Verghese, a physician whose marriage is unraveling, relocates to El Paso, Texas, he hopes to make a fresh start as a staff member at the county hospital. There he meets David Smith, a medical student recovering from drug addiction, and the two men begin a tennis ritual that allows them to shed their inhibitions and find security in the sport they love and with each other. This friendship between doctor and intern grows increasingly rich and complex, more intimate than two men usually allow. Just when it seems nothing can go wrong, the dark beast from David's past emerges once again—and almost everything Verghese has come to trust and believe in is threatened as David spirals out of control.

adam project parents guide: *The Lost Hours* Karen White, 2009-04-07 The New York Times bestselling author of the Tradd Street novels delivers a gripping tale of family, fate, and forgiveness. When Piper Mills was twelve, she helped her grandfather bury a box that belonged to her grandmother in the backyard. For twelve years, it remained untouched. Now a near fatal riding accident has shattered Piper's dreams of Olympic glory. After her grandfather's death, she inherits the house and all its secrets, including a key to a room that doesn't exist—or does it? And after her grandmother is sent away to a nursing home, she remembers the box buried in the backyard. In it are torn pages from a scrapbook, a charm necklace—and a newspaper article from 1939 about the body of an infant found floating in the Savannah River. The necklace's charms tell the story of three friends during the 1930s—each charm added during the three months each friend had the necklace and recorded her life in the scrapbook. Piper always dismissed her grandmother as not having had a story to tell. And now, too late, Piper finds she might have been wrong.

adam project parents guide: *He's Not Lazy* Adam Price, 2017-08-01 "Clinical psychologist Price offers one of the most significant books of the year in this new look at an old problem—the underperforming teenage boy... Price's book brings an important voice to a much needed conversation." —Library Journal (Starred review) On the surface, capable teenage boys may look lazy. But dig a little deeper, writes child psychologist Adam Price in *He's Not Lazy*, and you'll often find conflicted boys who want to do well in middle and high school but are afraid to fail, and so do not try. This book can help you become an ally with your son, as he discovers greater self-confidence and accepts responsibility for his future. Why are some teenage boys unmotivated? Why do they spend endless hours playing video games or glued to their phones and social media sites instead of studying? Is this a sign of laziness or something more troubling? As a clinical psychologist, Dr. Adam Price has found that teenage boys are extremely sensitive to the stress of our competitive achievement-oriented culture—one that has created a pressure cooker for today's adolescent. In

He's Not Lazy, Dr. Price, a renowned expert on ADHD and learning disabilities, explains how to help a boy who is not lazy, but rather, is conflicted about trying his best. Dr. Price will guide you to discover hidden obstacles to your son's success, set expectations, and empower him to accept responsibility for his own future. He's Not Lazy will help you become your son's ally, as he discovers greater self-confidence and becomes more self-reliant. Rather than reacting to pressure by shunning academic responsibilities altogether or propping up fear-based rebellion with justifications like "I am not going to be one of those nerds who have no life," or "Tests don't measure intelligence or help you learn, so what's the point of studying for them?" your teenage son can work with you using the guidance in this book.

adam project parents guide: It's Not Summer Without You Jenny Han, 2011-04-05 In Jenny Han's follow-up to *The Summer I Turned Pretty*, Belly finds out what comes after falling in love. Now available in paperback!

adam project parents guide: Past Tense Lee Child, 2019 Jack Reacher plans to follow the autumn sun on an epic road trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been - the town where his father was born. He thinks, what's one extra day? He takes the detour. At the very same moment, close by, a car breaks down. Two young Canadians are trying to get to New York City to sell a treasure. They're stranded at a lonely motel in the middle of nowhere. It's a strange place, but it's all there is. The next morning in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in that town. He knows his father never went back. Now he wonders, was he ever there in the first place?
