## Add Language to Keyboard iPhone: A Comprehensive Guide

Author: Eleanor Vance, Certified Apple Technician and iOS Developer with 10+ years of experience in mobile technology and multilingual software solutions.

Publisher: TechGuidance, a leading online publication specializing in Apple product tutorials and technical support.

Editor: David Chen, Senior Editor at TechGuidance, with 15 years of experience in technology journalism and editing.

Keywords: add language to keyboard iphone, iphone keyboard languages, multiple languages iphone keyboard, change iphone keyboard language, add language to iphone keyboard, ios keyboard languages, iphone language settings, multilingual keyboard iphone, how to add language to iphone keyboard, iphone keyboard settings.

Summary: This comprehensive guide details how to add a language to your iPhone keyboard, covering various iOS versions and addressing common issues. We explore different methods, troubleshooting steps, and the benefits of using a multilingual keyboard. We also delve into advanced settings, such as keyboard shortcuts and predictive text adjustments for multiple languages. The article aims to equip users with the knowledge and skills to seamlessly manage their iPhone keyboard's language options.

## Adding Languages to Your iPhone Keyboard: A Step-by-Step Guide

Adding a language to your iPhone keyboard is a simple process that significantly enhances your device's usability if you frequently work with multiple languages. This guide will walk you through the steps, regardless of your iOS version. The ability to easily `add language to keyboard iPhone` is a fundamental feature that improves accessibility and productivity for millions of users worldwide.

### Step 1: Accessing Settings

Locate the "Settings" app on your iPhone's home screen. It's usually represented by a grey icon with gears. Tap on it to proceed.

### Step 2: Navigating to General Settings

Within the Settings app, scroll down and tap on "General." This section contains various system-wide settings, including those related to your iPhone's keyboard.

### Step 3: Accessing Keyboard Settings

In the "General" settings, scroll down until you find "Keyboard." Tap on it to access the keyboard settings menu. This is where you'll find the option to `add language to keyboard iPhone`.

### Step 4: Adding a New Keyboard

Once you're in the Keyboard settings, you'll see a list of currently enabled keyboards. Tap on "Keyboards." Then, tap "Add New Keyboard."

### Step 5: Selecting Your Desired Language

A list of available languages will appear. Scroll through the alphabetical list and select the language you want to add to your iPhone keyboard. The process of `add language to keyboard iPhone` is straightforward and intuitive.

### Step 6: Verifying the New Keyboard

Once selected, the new language will be added to your available keyboards. You can now switch between languages by tapping and holding the globe icon on your keyboard.

## Troubleshooting Common Issues When Adding Languages

While adding a language to your iPhone keyboard is usually seamless, you might encounter some minor issues.

**Language Not Appearing:** If the language you want isn't in the list, ensure your iPhone's software is up-to-date. Outdated software might lack support for newer languages. Go to "Settings" > "General" > "Software Update" to check for updates.

**Keyboard Not Switching:** After adding a new keyboard, try restarting your iPhone. This can often resolve temporary glitches that prevent keyboard switching.

**Predictive Text Issues:** If predictive text isn't working correctly for the new language, check the language settings for that specific keyboard. You might need to enable predictive text separately for each language.

## Advanced Keyboard Settings and Customization for Multiple Languages

Once you've successfully added multiple languages to your `add language to keyboard iPhone`, you can customize your keyboard experience further.

**Keyboard Shortcuts:** iOS allows you to create custom keyboard shortcuts for frequently used phrases or words. This is particularly useful when typing in a language you're not entirely fluent in.

Auto-Correction: You can adjust auto-correction settings for each language individually. This allows you to fine-tune the accuracy and suggestions provided by the predictive text feature.

## The Benefits of a Multilingual iPhone Keyboard

Having a multilingual keyboard offers significant advantages, particularly for users who regularly work with different languages.

**Increased Efficiency:** Switching seamlessly between languages eliminates the need to manually switch input methods, saving time and effort.

**Improved Communication:** Effortlessly communicate with people who speak different languages.

**Enhanced Productivity:** This facilitates tasks such as writing emails, creating documents, and browsing the internet in multiple languages.

## Conclusion

Adding a language to your iPhone keyboard is a simple yet powerful way to enhance your device's versatility. By following the steps outlined in this guide, you can easily expand your keyboard's functionality and make your iPhone more adaptable to your multilingual needs. Mastering the process of `add language to keyboard iPhone` enhances your overall mobile experience and productivity.

## FAQs

1. Can I add more than one language to my iPhone keyboard? Yes, you can add as many languages as you need.
1. What if my desired language isn't listed? Ensure your iPhone's software is up-to-date. If the language is still missing, it might not be supported by your iOS version.
1. How do I switch between languages on my keyboard? Tap and hold the globe icon on your keyboard to switch between the languages you've added.
1. Can I change the keyboard layout for a specific language? Some languages offer multiple keyboard layouts (e.g., QWERTY, AZERTY). You can select your preferred layout in the Keyboard settings.

1. Does adding a language affect my iPhone's performance? Adding languages has a negligible effect on your iPhone's performance.
1. What happens if I delete a language from my keyboard? Deleting a language simply removes it from your available keyboard options. You can always add it back later.
1. Can I use different keyboards for different apps? No, the keyboard language selection applies system-wide.
1. Will adding a language change the system language of my iPhone? No, adding a keyboard language only changes the input method; it doesn't affect the system language settings.
1. How can I customize the predictive text for different languages? You can adjust auto-correction and predictive text settings for each added language individually within the keyboard settings.

**add language to keyboard iphone: Creative Selection** Ken Kocienda, 2018-09-04 \* WALL STREET JOURNAL BESTSELLER \* An insider's account of Apple's creative process during the golden years of Steve Jobs. Hundreds of millions of people use Apple products every day; several thousand work on Apple's campus in Cupertino, California; but only a handful sit at the drawing board. Creative Selection recounts the life of one of the few who worked behind the scenes, a highly-respected software engineer who worked in the final years of the Steve Jobs era—the Golden Age of Apple. Ken Kocienda offers an inside look at Apple's creative process. For fifteen years, he was on the ground floor of the company as a specialist, directly responsible for experimenting with novel user interface concepts and writing powerful, easy-to-use software for products including the iPhone, the iPad, and the Safari web browser. His stories explain the symbiotic relationship between software and product development for those who have never dreamed of programming a computer, and reveal what it was like to work on the cutting edge of technology at one of the world's most admired companies. Kocienda shares moments of struggle and success, crisis and collaboration, illuminating each with lessons learned over his Apple career. He introduces the essential elements of innovation—inspiration, collaboration, craft, diligence, decisiveness, taste, and empathy—and uses these as a lens through which to understand productive work culture. An insider's tale of creativity and innovation at Apple, Creative Selection shows readers how a small group of people developed an evolutionary design model, and how they used this methodology to make groundbreaking and intuitive software which countless millions use every day.

**add language to keyboard iphone: Excel 2016 for Seniors: The Complete Guide** Stewart Melart, 2015-10-29 Microsoft Excel 2016 is a part of the Microsoft Office 2016 suite. In many circles it is simply referred to as "Office 2016". This software is the latest release in the series of the Excel software that will replace Office 2013 for the PC and Office for Mac 2011. It was first released for the OS X software and was designed for Office 365; which is how Microsoft now distributes the Office products. As with any new release of a software, there are many new features that improve the overall user experience. The improved Excel 2016 is considered to be smoother and very user friendly for even users who are not tech savvy. This is in relation to the improved menu layout and ability to use common functions that basic users are familiar with. The software can now do even more complicated calculations with greater productivity that advanced users can appreciate. This helps average users to put their data in an easy way that they can understand, manage and share.

**add language to keyboard iphone: iPhone: The Missing Manual** David Pogue, 2014-11-17 The iPhone may be the world's coolest computer, but it's still a computer, with all of a computer's complexities. iPhone: The Missing Manual is a funny, gorgeously illustrated guide to the tips, shortcuts, and workarounds that will turn you, too, into an iPhone master. --Publisher's description.

**add language to keyboard iphone: The Spanish Daughter** Lorena Hughes, 2021-12-28 "An engrossing, suspenseful family saga filled with unpredictable twists and turns." —Chanel Cleeton, New York Times bestselling author of *Next Year in Havana* "With an equal mix of historical fiction, dramatic family conflict, and mystery, this tale should please fans of Christina Baker Kline, Lisa Wingate, and Kate Quinn." —Booklist The Washington Post Books to Read Now | Ms. Magazine Reads for the Rest of Us | Bustle Most Anticipated Books | PopSugar Best Books | BiblioLifestyle Most Anticipated Historical Fiction Books | Book Riot Book Recommendations | Finer Things Book Lover Gifts They'll Actually Love Perfect for fans of Julia Alvarez and Silvia Moreno-Garcia, this exhilarating novel transports you to the lush tropical landscape of 1920s Ecuador, blending family drama, dangerous mystery, and the real-life history of the coastal town known as the "birthplace of cacao." As a child in Spain, Puri always knew her passion for chocolate was inherited from her father. But it's not until his death that she learns of something else she's inherited—a cocoa estate in Vinces, Ecuador, a town nicknamed "París Chiquito." Eager to claim her birthright and filled with hope for a new life after the devastation of World War I, she and her husband Cristóbal set out across the Atlantic Ocean. But it soon becomes clear someone is angered by Puri's claim to the estate... When a mercenary sent to murder her aboard the ship accidentally kills Cristóbal instead, Puri dons her husband's clothes and assumes his identity, hoping to stay safe while she searches for the truth of her father's legacy in Ecuador. Though freed from the rules that women are expected to follow, Puri confronts other challenges at the estate—newfound siblings, hidden affairs, and her father's dark secrets. Then there are the dangers awakened by her attraction to an enigmatic man as she tries to learn the identity of an enemy who is still at large, threatening the future she is determined to claim... "A lush Ecuadoran cacao plantation is the setting for this imaginative historical drama filled with sibling rivalry and betrayals. Threaded throughout this dramatic family saga are descriptions of cocoa-making that will leave your mouth watering for chocolate." - The Washington Post "A sweepingly elegant historical novel." - Ms. Magazine "A lushly written story of bittersweet family secrets and betrayals." —Andrea Penrose, author of *Murder at the Royal Botanic Gardens* "Passionate and suspenseful, *The Spanish Daughter* is a satisfying historical mystery set in a lush tropical land." —Foreword Reviews STARRED REVIEW "Engrossing...As addictive as chocolate." —Publishers Weekly "Richly captivating." —Woman's World "A fascinating historical."—PopSugar

**add language to keyboard iphone:** *iPhone X For Dummies* Edward C. Baig, Bob LeVitus, 2018-01-18 Get the most out of your iPhone X Apple's iPhone X represents such a radical departure

from all previous models of the globally known iPhone that it needs its own book to help users navigate the new features. Luckily, iPhone X For Dummies is here to provide the guidance you need to figure out the features of your new iPhone and the software that powers it. Written by the experts who've created all previous editions of iPhone For Dummies, this book takes a deep dive into this fabulous new phone and its unique controls. It then delves into iOS 11 and how it works on the iPhone X. It leaves no stone unturned and offers all the in-depth coverage you need to make your iPhone X work for you—right out of the box! Control your iPhone X with iOS 11 gestures Explore advanced camera tools that produce stunning photos Set up face recognition to access your phone with a smile Charge your iPhone wirelessly If you've invested in this awesome new device, you deserve to get the very most out of it. And this book shows you how!

**add language to keyboard iphone:** Exploring Apple iPhone Kevin Wilson, 2022-04-17 Written in an easy-to-follow, step-by-step fashion, with full color illustrated screenshots and images, Exploring iPhone is here to help you learn the fundamentals of your iPhone. You'll learn how to navigate around iPhone, how to make phone calls, video calls, check email and use apps. Whether you want to learn the basics, or discover something a bit more advanced, Exploring iPhone is here to help you: Upgrade your iPhone to iOS 15 Set up your iPhone, secure it with Touch ID and Face ID Discover new features of iOS 15 on iPhone Find your way around your iPhone's home screen, dock, menus, widgets and icons Navigate with touch gestures such as tap, drag, pinch, spread and swipe Multi-tasking on iPhone Use control centre, lock screen, notifications, handoff and airplay Take notes on your iPhone Get to know Siri, voice dictation, and recording voice memos with iPhone Communicate with email, FaceTime, and Messages on your iPhone Watch a movie or listen to music together with SharePlay Set important appointments with Calendar on iPhone Keep the people you correspond with in the Contacts app Set yourself reminders and 'to-do' lists Use digital touch, and peer-to-peer payments Browse the web with Safari web browser safely and efficiently Take, enhance, and share photos and video with your iPhone Organise your photos in the Photos app on iPhone Catch up with your favourite podcasts and the latest news Stream music with Apple Music, buy tracks & albums from iTunes Store Stream TV programs & movies with the Apple TV App Use Files App to access your files from anywhere using iPhone Find your way around with the Maps App, get directions, explore places in 3D Accessorise your iPhone with covers, stands, AirPods and headphones Setup and use Apple Pay, and more... In addition, you will learn how to make the most of the new features of iOS 15 with clear explanations and video demos to help you along the way. Finally, system updates, backups, and general housekeeping tips complete this invaluable guide. You'll want to keep this edition handy as you explore your iPhone.

**add language to keyboard iphone: The Complete Beginners Guide to Pages for the iPhone and iPad** Scott La Counte, 2015-11-24 Word processing used to be synonymous with Microsoft Word; times have changed a lot over the years, and today there are plenty of options. On Apple products there is notably Pages—a simple, yet powerful word processing software that creates beautiful documents: from reports and newsletters to posters and fliers. If you are already familiar with Microsoft Word, then you'll have no problem getting started because it shares many of the same features. But there's still a lot of features to get to know if you want to get the most from the software. If you want to create professional documents from your iPad then this book will show you how. It also includes short exercises so you aren't just learning about the features, you are getting hands-on with them. While screenshots come from the iPad, Pages works almost exactly the same for iPhone, so you'll have no problem using Pages on any device that Pages is installed on.

**add language to keyboard iphone: Learning iPad Programming** Kirby Turner, Tom Harrington, 2013 A guide to iPad programming provides instructions on building PhotoWheel, a photo management and sharing application, using Apple's newest iOS.

**add language to keyboard iphone: iPhone 4S Made Simple** Martin Trautschold, Rene Ritchie, 2012-01-24 Congratulations—you've purchased the new iPhone 4S, the coolest smartphone on the market. Now it's time to learn how to take advantage of the new iOS 5 and all its features, apps, and secret techniques available. To accomplish this, look no further than iPhone 4S Made Simple. More

than 1,000 screen visuals and clear-cut instructions guide you through both basic and advanced features of the iPhone 4S, from email and calendar tips to navigating the App Store and understanding Bluetooth and Wi-Fi networks. Written by two successful smartphone trainers and authors, this is the go-to guide for the latest and greatest version of the iPhone. This book should also help those who use the popular iPhone 4 or earlier iPhones, that are now running or can run the new iOS 5 operating system as well.

**add language to keyboard iphone: My New iPhone** Wally Wang, 2009 Presents step-by-step instructions covering the features of the iPhone and the iPod Touch.

**add language to keyboard iphone: Talking to Siri** Erica Sadun, Steve Sande, 2012 Presents tips and techniques for using Siri voice technology, covering checking stocks and weather forecasts, enunciation, connecting with friends and family, playing music, dictation, and problem solving capabilities.

**add language to keyboard iphone: iPhone for Seniors in easy steps, 5th edition** Nick Vandome, 2018-11-13 iPhone for Seniors in easy steps, 4th edition covers everything the reader needs know to keep fully connected. The book shows how to: · Make and receive phone calls · Text with the Messages app, including a variety of new fun features including animojis and emojis · Make video calls with FaceTime · Set up and use email accounts · Use Settings to customise your iPhone exactly to your style and requirement · Use Apple Pay on your iPhone to pay securely – no need to carry your wallet all the time · Master the newly designed Control Center · Explore the entire iTunes Music library, share music, videos, apps, calendars and photos with family members – stay in the loop with children and grandchildren! An in-depth chapter on iCloud, Apple's online storage, sharing and backup service, explains how iCloud works and shows how it can automatically store your data and share your photos so you don't have to worry about losing information should anything happen to your iPhone. Written with the Senior reader in mine, and presented in larger type for easier reading. Covers all models of iPhone with iOS 12. Table of Contents: · Your new iPhone · Starting to use your iPhone · Head in the iCloud · Calls and Contacts · Typing and Texts · The Online World · Hands on with Apps · Apps for Every Day · Relaxing with your iPhone · On the Go · Camera and Photos · Practical Matters

**add language to keyboard iphone: A Seniors Guide to iPhone 14 and iPhone 14 Pro (with iOS 16)** Scott La Counte, Learn how to use the iPhone 14 and iPhone 14 Pro! The iPhone 14 and iPhone 14 Pro look incredible, don't they? But how do you use it?! If you are like me, you are probably excited to begin using it—this book will help you get started as quickly as possible! It's going to cover what's new on the newest phones, but it will also take a deep dive into what's new in iOS 16—so even if you are just updating your older phone, you'll still have the information you need to get the most out of your phone. The book assumes you are brand new to the iPhone, but is formatted in a way that lets you skip around if there are topics you already know. By the end of the book, you will understand: What's new to iOS 16 The differences between the iPhone 14 and iPhone 14 Pro Using an iPhone that doesn't have a Home button Using Face ID Cinematic Mode Using Dynamic Island (iPhone 14 Pro Only) Using a Focus How to use Picture-in-Picture for movies and TV shows How to add widgets to your Home screen Organizing apps with the App Library Buying, removing, rearranging, updating apps MagSafe Unsending and editing text messages Using Crash Detection Taking, editing, organizing, and sharing photos Apple Services (Apple Music, Apple TV+, Apple Card, iCloud, and Fitness+) Using Siri Using pre-installed apps like Notes, Calendar, Reminders, and more Making phone calls and sending messages And much, much more! Are you ready to start enjoying your new iPhone? Then let's get started! Note: This book is not endorsed by Apple, Inc and should be considered unofficial.

**add language to keyboard iphone: Dimwit iPhone 12 Pro Mastering** Джим Вуд, 2021-03-07 This guide is formulated to help you get started with using your iPhone in as little time as possible. You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting. That is not even all, this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided, even

then, a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. With this book in your hands, you can save yourself time and tons of energy by sampling following the tips, tricks, and advice you'll find within. You will also gain immense knowledge in the step-by-step, easy-to-follow chapters used throughout this book. Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way.

**From an iPhone Novice to Expert User!** Acquiring an iPhone can be both a thrilling and intimidating experience! On the one hand, it's can feel like just being gifted a new toy you have always wanted, especially a great phone like the iPhone 12 Pro Max, on the other hand, being called one of the best phones on planet earth means it has to have lots of features, I mean you probably would have also found out for yourself that it does have lots and lots of features! Some of which you probably may never use. But for those features you intend to use or should use; you will need a great guide like this book that understands your needs and is ready to take you through the process in a language simple to understand. This guide is formulated to help you get started with using your iPhone in as little time as possible. You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting. That is not even all, this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided, even then, a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. The iPhone 12 family uses the new iOS 14 which expectedly comes with many useful tools, including the ability to display Triple-lens 3D camera for better video and gaming and a lot more. The New physical design is also a slight departure from the iPhone 11 and comes prepared to handle 5G connectivity as well as integrate two forms of 5G. It is needless to say that the iPhone 12 Pro Max is a great engineering combination of premium hardware, quality software, and great accessories all aimed at making your user experience with the iPhone a great one. They have successfully done that over the years. Some of the things you should expect in this book include: Manage Apple ID and iCloud Settings on iPhone Ways to use iCloud on iPhone 12 Take a Screenshot or Screen Recording On iPhone 12 Change iPhone 12 Sounds and Vibrations. Home screen and open apps Type and Edit Text on iPhone 12 Add or change keyboards on iPhone 12 Using Maps Application Use and Customize Control Center on iPhone 12 Allow Features Access from Device Lock Screen How to use app clips on iPhone Choose iPhone 12 Settings for Travel Set up Screen Time for a Family Member on iPhone 12 Set Do Not Disturb on iPhone 12 Turn on Do Not Disturb While Driving Switching Between Apps on iPhone 12 Switching Between Open Apps Lots more within the pages of the book The iPhone is arguably the most powerful phone out there and can be used to take great photos and can do just about anything. Then, even though some people intuitively find it easy to use, for some others, especially for those who have never used it before or those who simply want to get more out of it, it can be a little bit intimidating. For such persons, this book will be a very welcome guide. With this book in your hands, you can save yourself time and tons of energy by sampling following the tips, tricks, and advice you'll find within. You will also gain immense knowledge in the step-by-step, easy-to-follow chapters used throughout this book. Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way while trying to use your iPhone. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. Click the "Add to Cart" to purchase on your closeout or click the "Buy Now" to purchase at least one copy now.

**add language to keyboard iphone: Iphone 13 pro max user guide for seniors** James Nino, 2021-12-22 Having a book created with this in mind that covers everything seniors need to know about the iPhone 13 to get started is a great asset to have. Which is why this guide is a great book for our older generation who are technically challenged. Seniors should not be denied the opportunity to also enjoy the innovative technology associated with Apple 2021 edition. They should also be able to explore all the features that come with the phone including setting it up, calling, chatting, taking pictures and Facetime calls. This book does a wonderful job of explaining how to use your iPhone from the minute you get it. It can teach the older generation how to send text messages, add new contacts, make emergency calls, listen to their all-time favorite songs, make video calls, sync their data, utilize Siri, and so much more. This book is for Seniors Who Want To learn to use the iPhone 13 Pro Max But Can't Get Started A Simple Guide for Grandma and Grandpa Many times, Seniors receive the gift of an iPhone but are not shown how to use it. Although the Apple iPhone 13 from Apple is intended to be intuitive, it can still be very difficult for an average user not less a senior to understand how to use it. The iPhone 13 can be a difficult device to use, especially if you are from an older generation and not into technology which can make our granddads, and grandmas have a hard time setting up their new devices without requesting help. Having a book created with this in mind that covers everything seniors need to know about the iPhone 13 to get started is a great asset to have. Which is why this guide is a great book for our older generation who are technically challenged. Seniors should not be denied the opportunity to also enjoy the innovative technology associated with Apple 2021 edition. They should also be able to explore all the features that come with the phone including setting it up, calling, chatting, taking pictures and Facetime calls. This book does a wonderful job of explaining how to use your iPhone from the minute you get it. It can teach the older generation how to send text messages, add new contacts, make emergency calls, listen to their all-time favorite songs, make video calls, sync their data, utilize Siri, and so much more. Just Imagine Being Able To: •learn how to utilize all the functions and operations that the phone offers •use a well-formatted book to help seniors like you use your phone •learn about the latest updates, improvements, and changes on the new iPhone 13 •pass a message across with its large prints with fewer strains on the eyes •teach seniors despite their low-tech knowledge in a language simple to understand ...And that's just for starters! Not Only That but Also: •the book uses practical examples in explaining how to get the most out of your iPhone 13 •a user-friendly guide for anyone with even third-grade education to follow •show you how to keep in touch despite aging eyesight and hearing •learn more new phone tricks to keep up with the kids and grandkids •large printing format suitable for those with eye sight issues So, if you are one of those people worried about how to set up their new device, this guide can be useful to beginners and even those switching from Android to iPhone. You can also learn to use the GPS feature to search for places on maps. This book also covers: How to search for a place on maps How to send a text message to old and new contacts Introduction to Safari and Siri Activating Siri, changing wallpapers, setting screen time, and managing events How to use the iPhone 13 Pro exclusive feature called ProRes How to access some hidden camera functions that you probably did not expect a phone camera to have Click the Buy Now Button to order your copy of the book to get started. Want To Step Up Your iPhone 11 User knowledge base? You Need To Read This Book.

**add language to keyboard iphone: Taking Your iPhone 4S to the Max** Erica Sadun, Steve Sande, Michael Grothaus, 2012-01-24 Unleash the power of your new iPhone 4S or other iOS 5-driven iPhone and take it to the limit using powerful tips and techniques from the Apple experts at TUAW, Erica Sadun, Steve Sande, and Michael Grothaus. Fast and fun to read, Taking Your iPhone 4S to the Max shows you how to get the most out of your iPhone using Apple's new iOS 5. Whether you're using the new iPhone 4S or earlier iPhone that runs the new iOS 5, you'll find all the best undocumented tricks, as well as the most efficient and enjoyable introduction to the iPhone available. Starting with an introduction to iPhone basics, you'll quickly discover the iPhone's hidden potential, like how to connect to a TV, use Voice Control using Siri, have video chats with FaceTime, and call friends overseas with low-cost VoIP. From the unified e-mail inbox and surfing the Web with Mobile Safari, exploring the world of social networking, using the multitasking capabilities of iOS 5, taking and editing photos, shopping for apps, media, and books, or just managing phone calls—you'll find it all in this book. You'll even learn tips on where to get the best iPhone accessories. Get ready to take your iPhone 4S and earlier running the new iOS 5 to the max!

**add language to keyboard iphone: The iPhone Book** Scott Kelby, Terry White, 2012-02-14 If you're looking for a book that focuses on just the most important, most useful, and most fun stuff about your iPhone 4S, iPhone 4, or iPhone 3GS—you've found it. There are basically two types of iPhone books out there: (1) The "tell-me-all-about-it" kind, which includes in-depth discussions on everything from wireless network protocols to advanced compression codes. (2) Then there's this book, which instead is a "show-me-how-to-do-it" book that skips all the confusing techno-jargon and just tells you, in plain, simple English, exactly how to use the iPhone features you want to use most. The iPhone Book is from Scott Kelby, the award-winning author of the smash bestseller, The iPod Book. Scott takes that same highly acclaimed, casual, straight-to-the-point concept and layout and brings it to learning Apple's amazing iPhone. Scott teams up once again with gadget guru and leading iPhone authority Terry White to put together a book that is an awful lot like the iPhone itself—simple to use and fun to learn. The book's layout is brilliant, with each page covering just one single topic, so finding the information you need is quick and easy, with a large full-color photo on each page so you can see exactly how it works. The first edition of this book was named Best Computer Book of 2007 and, since then, Scott and Terry have added even more tips and tricks, and

**add language to keyboard iphone: Advanced Swift** Chris Eidhof, Airspeed Velocity, 2016-03-18 Advanced Swift takes you through Swift's features, from low-level programming to high-level abstractions. In this book, we'll write about advanced concepts in Swift programming. If you have read the Swift Programming Guide, and want to explore more, this book is for you. Swift is a great language for systems programming, but also lends itself for very high-level programming. We'll explore both high-level topics (for example, programming with generics and protocols), as well as low-level topics (for example, wrapping a C library and string internals).
