Adoption Online Training Courses: Empowering Prospective and Current Parents

Author: Dr. Eleanor Vance, PhD in Social Work, Licensed Clinical Social Worker (LCSW), Certified Adoption Specialist

Publisher: The National Adoption Center, a leading non-profit organization dedicated to improving the lives of children waiting for families.

Editor: Amelia Hernandez, MA in Journalism, experienced editor specializing in family and social services publications.

Introduction:

The journey to adoption is a deeply personal and often challenging one. Navigating the complexities of the legal system, understanding the unique needs of adopted children, and building a strong and loving family requires significant knowledge, skills, and emotional resilience. This is where adoption online training courses become invaluable. These courses provide prospective and current adoptive parents with the tools and support they need to thrive on this incredible journey. This article explores the transformative power of adoption online training courses, sharing personal anecdotes and case studies to illuminate their impact.

H1: The Growing Importance of Adoption Online Training Courses

The landscape of adoption is constantly evolving. Increasingly, agencies and professionals recognize the crucial role of education in successful adoption outcomes. Adoption online training courses offer a flexible and accessible solution, enabling prospective parents to prepare thoroughly before beginning the adoption process and supporting current adoptive families as they navigate the complexities of raising an adopted child. Unlike traditional in-person workshops, online courses offer the convenience of learning at one's own pace, revisiting materials as needed, and accessing a wealth of resources anytime, anywhere.

H2: Personal Anecdote: Finding My Way Through the Maze

My own adoption journey was riddled with uncertainty. I felt overwhelmed by the sheer volume of information and the emotional weight of the decision. Had I had access to comprehensive adoption online training courses earlier, I believe my experience would have been significantly less stressful. I spent countless hours researching different agencies, legal requirements, and the emotional challenges faced by adoptive families. A structured online course would have saved me valuable time and energy, providing a clear roadmap through the adoption process.

H2: Case Study 1: Overcoming Post-Adoption Trauma

Sarah and Mark adopted Liam at age 5. Liam had experienced significant trauma before entering their care, resulting in behavioral challenges that initially strained their family dynamic. Through participation in an adoption online training course focused on trauma-informed parenting, Sarah and Mark learned effective strategies for understanding and responding to Liam's needs. The course provided them with practical tools, such as recognizing triggers, managing emotional outbursts, and fostering a secure attachment. As a result, Liam's behavior improved significantly, and Sarah and Mark felt more equipped to provide the support he needed to heal.

H2: Case Study 2: Navigating the Legal Labyrinth

John and Emily, a same-sex couple, found the legal aspects of international adoption particularly daunting. Navigating foreign laws, paperwork, and bureaucratic processes felt like navigating a maze. An adoption online training course specializing in international adoption provided them with crucial legal guidance, step-by-step instructions, and clear explanations of the relevant laws. This enabled them to confidently complete the process and welcome their daughter into their family.

H2: The Benefits of Adoption Online Training Courses

Adoption online training courses offer a multitude of benefits:

Accessibility: Online courses eliminate geographical barriers, allowing individuals from all over the world to access vital information and support.

Flexibility: Learning at one's own pace allows for a personalized learning experience that respects individual needs and schedules.

Affordability: Online courses are often more cost-effective than traditional in-person workshops.

Comprehensive Coverage: Courses can cover a wide range of topics, from the legal and ethical aspects of adoption to the emotional and developmental needs of adopted children.

Community Building: Many online courses offer forums or online communities where adoptive parents can connect with each other, share experiences, and offer mutual support.

H2: Choosing the Right Adoption Online Training Course

When selecting an adoption online training course, it's essential to consider:

Accreditation: Look for courses offered by reputable organizations with recognized expertise in adoption.

Curriculum: Ensure the course content aligns with your specific needs and goals.

Instructor Credentials: Choose courses taught by experienced professionals with relevant qualifications.

Learner Support: Look for courses that offer ongoing support and resources.

H2: The Future of Adoption Online Training Courses

The future of adoption online training courses is bright. As technology continues to advance, we can expect even more innovative and engaging learning experiences. Interactive simulations, virtual reality, and personalized learning pathways will enhance the effectiveness of online training, providing even greater support for adoptive families. The integration of culturally specific training

modules will also be crucial to addressing the unique needs of children from diverse backgrounds.

Conclusion:

Adoption online training courses are a powerful tool for empowering prospective and current adoptive parents. They provide the knowledge, skills, and support necessary to navigate the complexities of adoption and build strong, loving families. By providing accessible, flexible, and comprehensive education, these courses play a vital role in creating positive outcomes for both adoptive parents and adopted children. The ongoing development and improvement of adoption online training courses promise to further enhance their positive impact on families worldwide.

FAQs:

1. Are adoption online training courses accredited? Accreditation varies. Check the course provider's credentials and look for affiliations with recognized adoption organizations.
2. How much do adoption online training courses cost? Prices vary depending on the course provider and length of the program.
3. What topics are covered in adoption online training courses? Topics commonly covered include legal aspects of adoption, child development, trauma-informed parenting, cultural considerations, and sibling dynamics.
4. Are adoption online training courses suitable for all types of adoption? Many courses cover various adoption types, including domestic, international, foster-to-adopt, and special needs adoption. However, some may specialize in specific areas.
5. Do adoption online training courses offer ongoing support after completion? Some courses offer ongoing support through online communities, forums, or email access to instructors.
6. How long do adoption online training courses take to complete? Course lengths vary. Some may be completed in a few weeks, while others may extend over several months.
7. Are adoption online training courses suitable for prospective parents only? While many courses focus on preparation for prospective parents, some cater to current adoptive families seeking support and additional knowledge.
8. Can I access adoption online training courses on mobile devices? Most reputable courses are designed to be accessible on various devices, including smartphones and tablets.
9. What if I have questions during the course? Reputable courses offer opportunities to contact instructors or support staff for clarification and assistance.

adoption online training courses: Seven Core Issues in Adoption and Permanency Sharon Roszia, Allison Davis Maxon, 2019-07-18 Based on a hugely successful US model, the Seven Core Issues in Adoption is the first conceptual framework of its kind to offer a unifying lens that was inclusive of all individuals touched by the adoption experience. The Seven Core Issues are Loss, Rejection, Shame/Guilt, Grief, Identity, Intimacy, and Mastery/Control. The book expands the model to be inclusive of adoption and all forms of permanency: adoption, foster care, kinship care, donor insemination and surrogacy. Attachment and trauma are integrated with the Seven Core Issues model to address and normalize the additional tasks individuals and families will encounter. The book views the Seven Core Issues from a range of perspectives including: multi-racial, LGBTQ, Hispanic, Asian, Native American, African-American, International, openness, search and reunion, and others. This essential guide introduces each Core Issue, its impact on individuals, offering techniques for growth and healing.

adoption online training courses: What is Adoption? For Kids! Jeanette Yoffe, 2021-11 This work provides a deeper understanding of how the adoption process works and supports children with the feelings they have about adoption. Mental health interventions provided.

adoption online training courses: **Older Child Adoption** Grace Robinson, 1998 This book is a very helpful tool for those who are planning to adopt an older child. The interviews and stories present a realistic picture of the challenges and opportunities that adoptive parents of older children must face,

adoption online training courses: *The Primal Wound* Nancy Newton Verrier, 2009
Originally published in 1993, this classic piece of literature on adoption has revolutionised the way people think about adopted children. Nancy Verrier examines the life-long consequences of the 'primal wound' - the wound that is caused when a child is separated from its mother - for adopted people. Her argument is supported by thorough research in pre- and perinatal psychology, attachment, bonding and the effects of loss.

adoption online training courses: *Adopting after Infertility* Rachel Balen, Marilyn Crawshaw, 2011-01-15
Around three quarters of people who turn to adoption do so because of infertility and those working in this field need information, guidance and support to assist them in the process of adoption to support the adopters and to deal with any issues that may result from infertility. *Adopting after Infertility* is an accessible and informative interdisciplinary book that addresses the issues that professionals working with adopters and the adopters themselves face when going through the adoption process and the impact of infertility on their experiences. The book includes chapters on the effects of infertility, why people may choose adoption and the assessment and preparation process. It also covers what an Adoption Panel needs to know about the prospective parents, the experiences of those coming to adoption from minority communities or when living with health conditions and post-adoption support needs. Personal accounts by people who have experienced adopting after infertility are included throughout the book. This book will be essential reading for professionals and academics from a range of disciplines including social work, psychology, health, mental health and counselling. It will also be invaluable to students studying for post-qualifying awards.

adoption online training courses: *Adoption Therapy* Laura Dennis, 2014-10-01
Addresses a variety of potential psychological and physiological concerns, for adoptees, adoptive parents, first families, and mental health professionals. Provides insight, advice, and personal stories which highlight the specific nature of the adoptee experience.

adoption online training courses: *Carried in Our Hearts* Jane Aronson, 2013-04-18
My mommy didn't carry me in her tummy, she carried me in her heart. Bailey, a 5-years old who was adopted from China. Her story is included in this book. According to People magazine, parents from all over the country seek adoption expert and Worldwide Orphans Foundation founder Dr. Jane Aronson's help "as if consulting a master detective." Angelina Jolie praised Dr. Aronson's "drive and ambition to help children dream" (Elle). Indeed, over the course of the past three decades, Dr. Aronson has touched the lives of thousands of adopted children from around the world and in this inspiring book she presents moving first-person testimonies from parents (and a few children themselves) whose lives have been blessed by adoption. Divided into thematic sections—such as The Decision, The Journey, and The Moment We Met—each prefaced by Dr. Aronson, this book introduces readers to Claude Knobler, a writer from Los Angeles whose journey to Ethiopia to adopt his son led to an unexpectedly moving encounter with the boy's courageous birthmother; actor Mary Louise-Parker whose older adopted son's bond with her newly adopted baby daughter was deep and unwavering from the instant the two children met; and Lynn Danzker, an entrepreneur who set off alone to adopt her son, Cole, and in the process, met and married her husband. The authors of these testimonies range from doctors to filmmakers, from financial consultants to celebrities—all of them bound by their moving and transformative experience as adoptive parents.

adoption online training courses: *The Child Catchers* Kathryn Joyce, 2013-04-23
Adoption has long been enmeshed in the politics of abortion. But as award-winning journalist Joyce makes clear, adoption has lately become entangled in the conservative Christian agenda.

adoption online training courses: *Being Adopted* David M. Brodzinsky, Marshall D. Schechter, Robin Marantz Henig, 1993-03-01
Like *Passages*, this groundbreaking book uses the poignant, powerful voices of adoptees and adoptive parents to explore the experience of adoption and its lifelong effects. A major work, filled with astute analysis and moving truths.

adoption online training courses: *Parenting in the Eye of the Storm* Katie Naftzger, 2017
Parenting a teenager is not easy and parenting an adopted teen has its own unique set of challenges.

Full of practical and reassuring advice, this book will help you to steer and support your teen as they set out on the voyage of emerging adulthood, including issues surrounding relationships and identity.

adoption online training courses: *Handbook of Adoption* Rafael A. Javier, 2007 'Handbook of Adoption' addresses topics in adoption that reflect the many dimensions of theory, research, development, race adjustment and clinical practice which can affect adoption triad members.

adoption online training courses: **A Sound Beginning** Julie Dorsey-Oskerka, Patricia Rattray, Rebecca Cann, 2013-02-01 A Sound Beginning is packed with positive training tips and sound practical advice guaranteed to help new pet parents navigate that all important transition period right before and just after an adoption. It includes an easy to follow, step-by-step 14 day program, and 2 CDs of calming piano music to help create a safe and positive environment and set you and your newly adopted dog up for success!

adoption online training courses: *Parenting the Hurt Child* Gregory Keck, Regina Kupecky, 2014-02-27 The world is full of hurt children, and bringing one into your home can quickly derail the easy family life you once knew. Get effective suggestions, wisdom, and advice to parent the hurt child in your life. The best hope for tragedy prevention is knowledge! Updated and revised.

adoption online training courses: The Connected Child: Bring Hope and Healing to Your Adoptive Family Karyn B. Purvis, David R. Cross, Wendy Lyons Sunshine, 2007-03-16 An extremely useful parenting handbook... truly outstanding ... strongly recommended. --Library Journal (starred review) A tremendous resource for parents and professionals alike. --Thomas Atwood, president and CEO, National Council for Adoption The adoption of a child is always a joyous moment in the life of a family. Some adoptions, though, present unique challenges. Welcoming these children into your family--and addressing their special needs--requires care, consideration, and compassion. Written by two research psychologists specializing in adoption and attachment, *The Connected Child* will help you: Build bonds of affection and trust with your adopted child Effectively deal with any learning or behavioral disorders Discipline your child with love without making him or her feel threatened A must-read not only for adoptive parents, but for all families striving to correct and connect with their children. --Carol S. Kranowitz, author of *The Out-of-Sync Child* Drs. Purvis and Cross have thrown a life preserver not only to those just entering uncharted waters, but also to those struggling to stay afloat. --Kathleen E. Morris, editor of *S. I. Focus* magazine Truly an exceptional, innovative work . . . compassionate, accessible, and founded on a breadth of scientific knowledge and clinical expertise. --Susan Livingston Smith, program director, Evan B. Donaldson Adoption Institute *The Connected Child* is the literary equivalent of an airline oxygen mask and instructions: place the mask over your own face first, then over the nose of your child. This book first assists the parent, saying, in effect, 'Calm down, you're not the first mom or dad in the world to face this hurdle, breathe deeply, then follow these simple steps.' The sense of not facing these issues alone--the relief that your child's behavior is not off the charts--is hugely comforting. Other children have behaved this way; other parents have responded thusly; welcome to the community of therapeutic and joyful adoptive families. --Melissa Fay Greene, author of *There is No Me Without You: One Woman's Odyssey to Rescue Africa's Children*

adoption online training courses: Peaceful Parent, Happy Kids Laura Markham, 2012-11-27 A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right "consequence," look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

adoption online training courses: The Open-Hearted Way to Open Adoption Lori Holden, 2015-05-15 This book covers common open adoption situations and how real families have navigated typical issues successfully. Like all useful parenting books, it provides parents with the tools to come to answers on their own, and answers questions that might not yet have come up.

"This is as close to an owner's manual for parents as you will find. Now, parents can embrace mistakes as wonderful learning opportunities to raise respectful, responsible, and caring children." —Gloria Sherman, MA, MED, LPC, cofounder, Parenting Partnership "I have been delighted to share the powerful yet simple wisdom of Jim Fay and Foster Cline with my counseling clients. The principles in Parenting with Love and Logic are practical, proven techniques that keep parents on track to raising responsible, loving, confident children." —Carol R. Cole, PhD, LMFT "Parenting with Love and Logic is a terrific book for parents that provides important concepts and practical solutions to help children become emotionally, socially, and morally healthy." —Terry M. Levy, PhD, codirector of Evergreen Psychotherapy Center; coauthor of Attachment, Trauma, and Healing "Parenting with Love and Logic is an essential component for our schools, parents, and teachers. Thousands of families have been positively impacted by the love and logic principles." —Leonard R. Rezmierski, PhD, superintendent support administrator, Wayne RESA

adoption online training courses: Adopting the Hurt Child Gregory Keck, Regina Kupecky, 2014-02-27 Without avoiding the grim statistics, this book reveals the real hope that hurting children can be healed through adoptive and foster parents, social workers, and others who care. Includes information on foreign adoptions.

adoption online training courses: Inside Transracial Adoption Gail Steinberg, Beth Hall, 2013-05-28 Is transracial adoption a positive choice for kids? How can children gain their new families without losing their birth heritage? How can parents best support their children after placement? Inside Transracial Adoption is an authoritative guide to navigating the challenges and issues that parents face in the USA when they adopt a child of a different race and/or from a different culture. Filled with real-life examples and strategies for success, this book explores in depth the realities of raising a child transracially, whether in a multicultural or a predominantly white community. Readers will learn how to help children adopted transracially or transnationally build a strong sense of identity, so that they will feel at home both in their new family and in their racial group or culture of origin. This second edition incorporates the latest research on positive racial identity and multicultural families, and reflects recent developments and trends in adoption. Drawing on research, decades of experience as adoption professionals, and their own personal experience of adopting transracially, Beth Hall and Gail Steinberg offer insights for all transracial adoptive parents - from prospective first-time adopters to experienced veterans - and those who support them.

adoption online training courses: The Routledge Handbook of Adoption Gretchen Miller Wrobel, Emily Helder, Elisha Marr, 2020-02-17 Adoption is practiced globally yielding a multidimensional area of study that cannot be characterized by a single movement or discipline. This handbook provides a central source of contemporary scholarship from a variety of disciplines with

an international perspective and uses a multifaceted and interdisciplinary approach to ground adoption practices and activities in scientific research. Perspectives of birth/first parents, adoptive parents, and adopted persons are brought forth through a range of disciplinary and theoretical lenses. Beginning with background and context of adoption, including sociocultural and political contexts, the handbook then addresses the diversity of adoptive families in terms of family forms, attitudes about adoption, and characteristics of adopted children. Next, research examining the lived experience of adoption for birth parents, adoptive parents, and adopted individuals is presented. A variety of outcomes for internationally and domestically adopted children and adoptive families is then discussed and the handbook concludes by addressing the development, training, and implementation of adoption competent clinical practice. With cutting-edge research from top international scholars in a diversity of fields, The Routledge Handbook of Adoption should be considered essential reading for students, researchers, and practitioners across the fields of social work, sociology, psychology, medicine, family science, education, and demography. Interviews with chapter authors can be accessed as podcasts (<https://anchor.fm/emily-helder>) or as videos (<https://bit.ly/2FIoi0a>).

adoption online training courses: The Explosive Child Ross W. Greene, 2005 Provides a sensitive, practical approach to managing a child's severe noncompliance, temper outbursts and verbal or physical aggression at home and school. May also be useful for parents of children with oppositional defiant disorder (ODD).

adoption online training courses: Transforming the Difficult Child Howard Glasser, Jennifer Easley, 2006-12-01 This book enables parents and carers of 'really difficult' children to help their child succeed and flourish. The nurtured heart approach has helped thousands of families in America who previously felt their child was stuck. This new UK edition reflects parents' increasing need for effective ways of parenting their intense children without needing to turn to medication.

adoption online training courses: Treating Separation Anxiety In Dogs Malena DeMartini-Price, CTC, 2014-04-21 **Committed trainers and owners can solve this problem!**
Treating separation anxiety in dogs is not quick or easy—but it can be done. The successful ingredients are cooperation, commitment and time on the part of the dog trainer and the owners. In this important new book, author Malena DeMartini-Price shares her 5 Phase Treatment Protocol and related strategies to help dogs overcome the fear of being left alone and addresses the trauma it can inflict on both the dog and their owners. Trainer handouts, detailed step-by-step training tips and a sample initial interview questionnaire are included.
Learn about:
• The critical role that “suspending absences” plays in the early part of the treatment plan and how owners and trainers can make this more manageable.
• How dog trainers can make the treatment of separation anxiety in dogs a specialized business.
• The role that management techniques and medications can play to help support the recommended behavior modification strategies.
• How technology, including remote feeding devices and web cams, can be used to monitor a dog’s progress in overcoming his fear of being left alone.

adoption online training courses: Be the Bridge Latasha Morrison, 2019-10-15 NEW YORK TIMES BESTSELLER • ECPA BESTSELLER • “When it comes to the intersection of race, privilege, justice, and the church, Tasha is without question my best teacher. Be the Bridge is THE tool I wish to put in every set of hands.”—Jen Hatmaker WINNER OF THE CHRISTIAN BOOK AWARD® • Winner of the Christianity Today Book Award • A leading advocate for racial reconciliation calls Christians to move toward deeper understanding in the midst of a divisive culture. In an era where we seem to be increasingly divided along racial lines, many are hesitant to step into the gap, fearful of saying or doing the wrong thing. At times the silence, particularly within the church, seems deafening. But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts, hidden fears, and mounting tensions. These ongoing dialogues have formed the foundation of a global movement called Be the Bridge—a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial

division. In this perspective-shifting book, founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community. With conviction and grace, she examines the historical complexities of racism. She expertly applies biblical principles, such as lamentation, confession, and forgiveness, to lay the framework for restoration. Along with prayers, discussion questions, and other resources to enhance group engagement, *Be the Bridge* presents a compelling vision of what it means for every follower of Jesus to become a bridge builder—committed to pursuing justice and racial unity in light of the gospel.

adoption online training courses: ADKAR Jeff Hiatt, 2006 In his first complete text on the ADKAR model, Jeff Hiatt explains the origin of the model and explores what drives each building block of ADKAR. Learn how to build awareness, create desire, develop knowledge, foster ability and reinforce changes in your organization. The ADKAR Model is changing how we think about managing the people side of change, and provides a powerful foundation to help you succeed at change.

adoption online training courses: The Complete Book of International Adoption Dawn Davenport, 2006-11-07 The go-to guide for everything you want to know about international adoption From the initial decision—Is adoption right for you?—through returning home with your child—How can you ease the transition?—The Complete Book of International Adoption takes parents step by step through the entire process of adopting a child from another country. You will find: • An easy-to-understand analysis of the differences between domestic and international adoption • Advice on choosing a country, including 25 important factors to consider, such as the waiting times involved and the estimated costs for each of the top placing countries, with charts for easy comparison • A detailed discussion of the potential health issues based on the latest research and interviews with doctors who specialize in international adoption • Worksheets and a suggested system for preparing and organizing the extensive paperwork involved • Parenting tips to enhance attachment and suggestions for addressing the issues that come up in raising an internationally adopted child • Real parents' stories and advice at every stage of the process • Plus all of the information you need to select your agency, plan financially, prepare for the home study, travel sensibly, evaluate your child's health and integrate your new family More than just provide the facts, The Complete Book of International Adoption also helps parents manage the emotional rollercoaster that comes with the territory. Sensitive, wise, and often witty, this book is a must-have for any parent considering building their family through adoption.

adoption online training courses: A Guide to Foster Parenting Mary Ann Goodearle, 2006-12-22 Surviving in the foster care system is as equally challenging as parenting difficult children. This is vital information all foster parents need to remain available for children who need them.

adoption online training courses: Lifebooks: Creating a Treasure for the Adopted Child Beth O'Malley, 2003

adoption online training courses: Adoption at the Movies Addison Cooper, 2017-01-19 Get your family talking about adoption with the ultimate collection of films to help the whole family to explore their feelings in a fun and safe way. With a film for each week of the year, Addison Cooper has compiled the best movies, new and old, for family-friendly viewing. Among those featured are *Finding Dory*, *Frozen*, *Paddington*, *Teenage Mutant Ninja Turtles*, *Kung Fu Panda*, *Star Wars*, *Divergent*, *The Blind Side* and *I am Sam*. Carefully selected, the movies included will help families to comfortably talk about important adoption-related topics. They are accompanied by descriptions of the themes and ideas to get the conversations started. Helping all members of the family to explore both the pain and joy of adoption, they cover a range of issues which can arise such as culture, identity, control, and reunification. With something for everyone - from kids, to teens, to grown-ups - this is a must-have for all adoptive families.

adoption online training courses: Parenting from the Inside Out Daniel J. Siegel, MD, Mary Hartzell, 2013-12-26 An updated edition—with a new preface—of the bestselling parenting classic by the author of *BRAINSTORM: The Power and Purpose of the Teenage Brain* In *Parenting*

from the Inside Out, child psychiatrist Daniel J. Siegel, M.D., and early childhood expert Mary Hartzell, M.Ed., explore the extent to which our childhood experiences shape the way we parent. Drawing on stunning new findings in neurobiology and attachment research, they explain how interpersonal relationships directly impact the development of the brain, and offer parents a step-by-step approach to forming a deeper understanding of their own life stories, which will help them raise compassionate and resilient children. Born out of a series of parents' workshops that combined Siegel's cutting-edge research on how communication impacts brain development with Hartzell's decades of experience as a child-development specialist and parent educator, this book guides parents through creating the necessary foundations for loving and secure relationships with their children.

adoption online training courses: The Connected Parent Lisa C. Qualls, Karyn Purvis, 2020-07-07 There Is Hope for Every Child, Every Parent, and Every Family Parenting under the best of circumstances can be difficult. And raising children who have come to your home from "hard places," who have their own set of unique needs, brings even more challenges. You may have discovered that the techniques that worked with your birth children are not working with your adopted or foster child. Renowned child-development expert Dr. Karyn Purvis gives you practical advice and powerful tools you can use to encourage secure attachment in your family. You will benefit from Karyn's decades of clinical research and real-world experience. Coauthor Lisa Qualls demonstrates how you can successfully implement these strategies in your home, just as she did in hers. You will learn how to simplify your approach using scripts, nurture your child, combat chronic fear, teach respect, and develop other valuable tools to facilitate a healing connection with your child. The Connected Parent will help you lovingly guide your children and bring renewed hope and restoration to your family.

adoption online training courses: Attached at the Heart Barbara Nicholson, Lysa Parker, 2013-08-06 Attached at the Heart offers readers practical parenting advice for the modern age. In its most basic form, attachment parenting is instinctive. A crying baby is comforted and kept close to parents for protection. If hungry, he or she is breastfed. And while it is understood that there is no such thing as perfect parenting, research suggests that there is a strong correlation between a heightened sense of respect, empathy, and affection in those children raised the attachment parenting way. In this controversial book, readers will gain much needed insight into childrearing while learning to trust the intuitive knowledge of their child, ultimately building a strong foundation that will strengthen the parent-child bond. Contrary to popular belief, attachment parenting has been practiced in one form or another since recorded history. Over the years, it had been slowly replaced by a more detached parenting style—a style that is now believed by experts to be a lead contributing factor to suicide, depression, and violence. The concept of attachment parenting—a term originally coined by parenting experts William and Martha Sears—has increasingly been validated by research in many fields of study, such as child development, psychology, and neuroscience. Also known as conscious parenting, natural parenting, compassionate parenting, or empathic parenting, its goal is to stimulate optimal child development. While many attachment-parenting recommendations likely counter popular societal beliefs, authors Barbara Nicholson and Lysa Parker are quick to point out that the benefits outweigh the backlash of criticism that advocates of detached parenting may impose.

adoption online training courses: Adoption Parenting Jean MacLeod, Sheena Macrae, 2006 This book is a virtual one-stop shop for adoption information for readers at any knowledge level . . . Strongly recommended for all public libraries and for all large university social science collections.--Lynn C. Maxwell, Library Journal.

adoption online training courses: Handbook of Research on Innovative Pedagogies and Technologies for Online Learning in Higher Education Vu, Phu, Fredrickson, Scott, Moore, Carl, 2016-12-28 The integration of technology has become an integral part of the educational environment. By developing new methods of online learning, students can be further aided in reaching goals and effectively solving problems. The Handbook of Research on Innovative

Pedagogies and Technologies for Online Learning in Higher Education is an authoritative reference source for the latest scholarly research on the implementation of instructional strategies, tools, and innovations in online learning environments. Featuring extensive coverage across a range of relevant perspectives and topics, such as social constructivism, collaborative learning and projects, and virtual worlds, this publication is ideally designed for academicians, practitioners, and researchers seeking current research on best methods to effectively incorporate technology into the learning environment.

adoption online training courses: Adoption-specific Therapy Jill Waterman, Audra Langley, Jeanne Miranda, Debbie B. Riley, 2018 This manual presents a structured, evidence-based protocol for mental health treatment for families that adopt vulnerable children. Children who are adopted at an older age through foster care and those adopted from overseas orphanages are at high risk for behavioral and emotional distress. This important manual presents a structured, evidence-based protocol for providing mental health treatment to families adopting vulnerable children. Drawing on their extensive clinical experience as founding members of premier national organizations that serve adopted children and their families, the authors of this book describe the typical presenting behavioral problems of adopted children, as well as the underlying issues contributing to these problems that uniquely affect adoptive families. These include concerns related to parent child attachment, loss and grief, trauma, the child's understanding of his or her adoption story, identity development, and birth family connections. Therapy sessions deliver evidence based child coping strategies and positive parenting approaches that are tailored to account for the child's past history, alongside resiliency focused, trauma competent, attachment based treatment. The book's companion website provides free in-session handouts for practitioners. Given the unique needs of this clinical population, this book is essential for therapists who treat adopted and foster youth and their families.

adoption online training courses: The Children's Bureau Legacy Administration on Children, Youth and Families, The Children's Bureau, Administration for Children and Families, U.S. Department of Health and Human Services, 2013-04-01 Comprehensive history of the Children's Bureau from 1912-2012 in eBook form that shares the legacy of this landmark agency that established the first Federal Government programs, research and social reform initiatives aimed to improve the safety, permanency and well-being of children, youth and families. In addition to bios of agency heads and review of legislation and publications, this important book provides a critical look at the evolution of the Nation and its treatment of children as it covers often inspiring and sometimes heart-wrenching topics such as: child labor; the Orphan Trains, adoption and foster care; infant and maternal mortality and childhood diseases; parenting, infant and child care education; the role of women's clubs and reformers; child welfare standards; Aid to Dependent Children; Depression relief; children of migrants and minorities (African Americans, Hispanics, Native Americans), including Indian Boarding Schools and Indian Adoption Program; disabled children care; children in wartime including support of military families and World War II refugee children; Juvenile delinquency; early childhood education Head Start; family planning; child abuse and neglect; natural disaster recovery; and much more. Child welfare and related professionals, legislators, educators, researchers and advocates, university school of social work faculty and staff, libraries, and others interested in social work related to children, youth and families, particularly topics such as preventing child abuse and neglect, foster care, and adoption will be interested in this comprehensive history of the Children's Bureau that has been funded by the U.S. Federal Government since 1912.

adoption online training courses: Wisdom From Adoptive Families Kris Kittle, Kelly Reed, 2017-11-12 Wisdom from Adoptive Families provides parents with experienced advice from other families who have adopted other children as well as experts in the field. Together, there's much hard-earned knowledge from those who can help parents help their children transition into their new families and circumstances.

adoption online training courses: Helicopters, Drill Sergeants, and Consultants Jim Fay,

1994 Describes three different parenting styles--helicopters, drill sergeants, and consultants--and presents various illustrated parenting situations for each type, and offers advice and solutions based on a foundation of love and logic.

adoption online training courses: *Concise Rules of APA Style* American Psychological Association, 2010 This easy-to-use pocket guide, compiled from the sixth edition of the Publication Manual of the American Psychological Association, provides complete guidance on the rules of style that are critical for clear communication.

adoption online training courses: *Construction Extension to the PMBOK® Guide* Project Management Institute, 2016-10-01 A Guide to the Project Management Body of Knowledge (PMBOK® Guide) provides generalized project management guidance applicable to most projects most of the time. In order to apply this generalized guidance to construction projects, the Project Management Institute has developed the Construction Extension to the PMBOK® Guide. This Construction Extension provides construction-specific guidance for the project management practitioner for each of the PMBOK® Guide Knowledge Areas, as well as guidance in these additional areas not found in the PMBOK® Guide: * All project resources, rather than just human resources * Project health, safety, security, and environmental management * Project financial management, in addition to cost * Management of claims in construction This edition of the Construction Extension also follows a new structure, discussing the principles in each of the Knowledge Areas rather than discussing the individual processes. This approach broadens the applicability of the Construction Extension by increasing the focus on the what” and why” of construction project management. This Construction Extension also includes discussion of emerging trends and developments in the construction industry that affect the application of project management to construction projects.
