Adoption Questions to Ask: A Comprehensive Guide for Prospective Parents

Author: Dr. Emily Carter, PhD, LCSW (Dr. Carter is a licensed clinical social worker with over 15 years of experience specializing in adoption and foster care. She has published numerous articles and books on the subject and frequently provides training for adoption agencies and prospective parents.)

Publisher: Family Adoption Resources, Inc. (FAR is a non-profit organization dedicated to providing support and education to families considering or navigating adoption. They are widely respected for their accurate and ethical information on adoption topics.)

Editor: Sarah Miller, MSW (Sarah Miller is a seasoned editor with extensive experience in publishing materials related to family and social services. She has a master's degree in social work and a keen understanding of the sensitivities surrounding adoption.)

Keywords: adoption questions to ask, adoption process questions, questions to ask adoptive parents, adoption agency questions, pre-adoption questions, open adoption questions, international adoption questions, domestic adoption questions, infant adoption questions, older child adoption questions

Introduction:

The decision to adopt is a profound one, filled with both excitement and apprehension. Navigating the complex world of adoption requires careful consideration and thorough research. Asking the right questions is paramount to making an informed decision and ensuring a successful adoption journey.

This comprehensive guide addresses the crucial adoption questions to ask at every stage of the process, from initial considerations to post-placement support. Understanding the nuances of adoption, the potential challenges, and the available resources will empower prospective parents to make the best choices for themselves and the child they hope to welcome into their family.

I. Initial Considerations: The Big Picture Adoption Questions to Ask

Before even contacting an adoption agency, prospective parents should grapple with fundamental questions:

What motivates our desire to adopt? Understanding your motivations—whether it's a yearning for parenthood, a desire to give a child a loving home, or a commitment to social justice—is crucial. Honesty in self-reflection will guide your journey.

What type of adoption are we considering? Domestic adoption, international adoption, foster-to-adopt, private adoption, public adoption – each has distinct legal, financial, and emotional implications. Research each thoroughly before proceeding. These are some of the most important adoption questions to ask upfront.

What age range and child profile are we open to? Be realistic and honest about your capacity to parent a child with specific needs. Adopting a baby versus an older child significantly impacts the challenges and rewards.

What are our financial resources? Adoption is expensive. Consider legal fees, agency fees, travel costs (for international adoption), and ongoing expenses related to the child's needs.

What is our support system like? Having a strong network of family and friends can make a significant difference in the success of an adoption.

II. Questions to Ask Adoption Agencies:

Once you've made some initial decisions, it's time to contact adoption agencies. These adoption questions to ask are essential:

What are your fees and what services are included? Transparency in pricing and services is vital.

What is your adoption process like? Understand the timeline, the requirements, and the steps involved.

What is your success rate? While not a guaranteed predictor of your success, it offers insight into the agency's effectiveness.

What type of children do you typically place? This helps you understand if their profile aligns with your preferences.

Can you provide references from families who have adopted through your agency? Talking to other adoptive families is invaluable.

What is your approach to open adoption? If open adoption is important to you, discuss the agency's policies and practices.

What support services do you provide post-adoption? Ongoing support is crucial for a successful transition. These are key adoption questions to ask to ensure long-term support.

III. Questions to Ask Birth Parents (in Open Adoption):

If you're pursuing an open adoption, communication with the birth parent(s) is key. These are important adoption questions to ask with sensitivity and respect:

What are your hopes and expectations for your child's future? Understanding their vision for their child's life will help you build a relationship based on mutual respect.

What are your thoughts on the level of contact you desire? Defining the terms of open adoption early on is crucial.

Is there any information about the child's medical history or family history that you would like to share? This information is essential for the child's well-being.

What are your feelings about the adoption process? Acknowledging their emotions and concerns is vital.

IV. Questions to Ask After Placement:

Even after the child is placed in your home, many adoption questions to ask remain:

How can we best support our child's connection to their biological family (if applicable)? Maintaining appropriate contact can positively impact the child's emotional well-being.

What resources are available to help our child adjust to their new family? Therapy, support groups, and educational resources can provide crucial assistance.

How do we address questions about adoption with our child as they grow older? Open and honest communication is essential.

What are the legal implications of adoption, especially concerning parental rights and responsibilities? Consult with legal professionals to ensure full understanding.

V. Addressing Specific Adoption Types:

The adoption questions to ask will vary depending on the type of adoption. For international adoptions, for example, questions about international travel, legal requirements in the child's country of origin, and cultural sensitivity are crucial. For older child adoption, questions about the child's past trauma, behavioral challenges, and educational needs are paramount. In all cases, thorough research and thoughtful questioning are essential.

Conclusion:

The journey to adoption is unique and deeply personal. Asking the right adoption questions to ask at every stage of the process will pave the way for a more informed, successful, and fulfilling experience. By engaging in thoughtful reflection, seeking expert advice, and fostering open communication, prospective parents can navigate the complexities of adoption with confidence and create a loving and supportive home for a child in need. Remember, the goal is to build a strong foundation based on understanding, preparation, and a commitment to lifelong support.

FAQs:

1. What is the average cost of adoption? The cost varies significantly depending on the type of adoption and the agency involved. It can range from thousands to tens of thousands of dollars.
1. How long does the adoption process take? The timeline varies greatly depending on several factors, including the type of adoption and the agency's processing times. It can range from several months to several years.
1. What if I change my mind during the adoption process? It is possible to withdraw from the process, but the policies regarding refunds or fees may vary depending on the agency.
1. What are the legal requirements for adopting a child? Legal requirements differ based on location and the type of adoption. Consult with an attorney specializing in adoption law for specific guidance.
1. How do I prepare my biological children for adoption? Open communication, age-appropriate explanations, and involving them in the process where appropriate are key.

1. What if my adopted child experiences behavioral problems? Seek professional help from therapists specializing in attachment and trauma.

1. How do I maintain a healthy relationship with the birth parents (in open adoptions)? Establish clear communication boundaries and mutual respect. Professional mediation can sometimes be helpful.

1. What are the long-term effects of adoption on a child? While many adopted children thrive, some may experience challenges related to attachment, identity, or loss. Early intervention and ongoing support are key.

1. What resources are available for adoptive families? Numerous organizations offer support groups, educational materials, and counseling services for adoptive families.

adoption questions to ask: *The Grammar of Untold Stories* Lois Ruskai Melina, 2020-09-22

Sixteen essays ranging from lyric essays to narrative journalism address how we make sense of what we cannot know, how we make change in the world, how we heal, and how we know when we are home. Collectively, these essays convey the longing for agency and connection, particularly among women. They will resonate with readers of all ages, but perhaps especially with women in the second half of life, those dealing with aging parents, retirement, illness, and accompanying vulnerabilities. Here readers will find comfort within keen reflection upon life's ambiguities.

adoption questions to ask: *All You Can Ever Know* Nicole Chung, 2018-10-02 A NATIONAL BESTSELLER This beloved memoir is an extraordinary, honest, nuanced and compassionate look at adoption, race in America and families in general (Jasmine Guillory, Code Switch, NPR) What does it mean to lose your roots—within your culture, within your family—and what happens when you find them? Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family in a sheltered Oregon town. From childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hope of giving her a better life, that forever feeling slightly out of place was her fate as a transracial adoptee. But as Nicole grew up—facing prejudice her adoptive family couldn't see, finding her identity as an Asian American and as a writer, becoming ever more curious about where she came from—she wondered if the story she'd been told was the whole truth. With warmth, candor, and startling insight, Nicole Chung tells of her search for the people who gave her up, which coincided with the birth of her own child. *All You Can Ever Know* is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secrets—vital reading for anyone who has ever struggled to figure out where they belong.

adoption questions to ask: *Foster the Family* Jamie C. Finn, 2022-02-15 There are great rewards that come along with being a foster parent, yet there are also great challenges that can leave you feeling depleted, alone, and discouraged. The many burdens of a foster parent's day--hurting children, struggling biological parents, and a broken system--are only compounded by the many burdens of a foster parent's heart--confusion, anxiety, heartache, anger, and fear. With the compassion and insight of a fellow foster parent, Jamie C. Finn helps you see your struggles through the lens of the gospel, bringing biblical truths to bear on your unique everyday realities. In these short, easy-to-read chapters, you'll find honest, personal stories and practical lessons that provide encouragement and direction from God's Word as you walk the journey of foster parenting.

adoption questions to ask: *Cross-Cultural Adoption* Caryn Abramowitz, Amy Coughlin, 2013-04-09 Families who adopt children from other countries are faced with myriad questions—from friends, coworkers, family members, classmates, and caretakers alike. If left unanswered, these questions can spawn misunderstanding and hurtful remarks capable of shattering a vulnerable

child's sense of belonging: She's not my real cousin! She's Chinese! Drawing from their experiences as adoptive parents of foreign-born children, authors Caryn Abramowitz and Amy Coughlin give us *Cross-Culture Adoption*, a unique guidebook to help relatives and friends of adoptive families address important questions before everyone gathers around the dinner table. International adoption rates have increased by more than 300 percent in the last decade alone. *Cross-Culture Adoption* responds to this face of the American family by providing you accessible answers and information on this often sensitive subject. Written by two adoptive mothers, *Cross-Culture Adoption* responds to the changing face of American families by providing accessible and extremely useful information in response to some of the most common—and toughest—questions asked about cross-culture adoption. It is an invaluable learning tool for anyone whose life is touched by international adoption. Whether you're a parent or a grandparent, a teacher or a bus driver, a Little-League coach or a Girl Scout troop leader, you can make a difference. With support and understanding, you can let her know that no matter where she came from, she belongs.

adoption questions to ask: *Honestly Adoption* Mike Berry, Kristin Berry, 2019-08-06 Discover What Adoption and Foster Care Really Look Like If you are considering adoption or foster care or are already somewhere in this difficult and complicated process, you need trusted information from people who have been where you are. Mike and Kristin Berry have adopted eight children and cared for another 23 kids in their nine-year stint as foster parents. They aren't just experts. They have experienced every emotional high and low and encountered virtually every situation imaginable as parents. Now, they want to share what they've learned with you. Get the answers you need to the following questions, and many more: Should I foster parent or adopt? How do I know? What is the first step in becoming an adoptive or foster parent? What are the benefits of an open versus closed adoption? How and when do I tell my child that he or she is adopted? How do I help my child embrace his or her cultural and racial identity? *Honestly Adoption* will provide you with practical, down-to-earth advice to make good decisions in your own adoption and foster parenting journey and give you the help and hope you need.

adoption questions to ask: *Telling the Truth to Your Adopted or Foster Child* Betsy Keefer Smalley, Jayne E. Schooler, 2015-09-15 Many adopted or foster children have complex, troubling, often painful pasts. This book provides parents and professionals with sound advice on how to communicate effectively about difficult and sensitive topics, providing concrete strategies for helping adopted and foster children make sense of the past so they can enjoy a healthy, well-adjusted future. Approximately one of every four adopted children will have adjustment challenges related to their separation from the birth family, earlier trauma, attachment difficulties, and/or issues stemming from the adoption process. Common complicating issues of adopted children are feelings of rejection, abandonment, or confusion about their origins. While many foster and adoptive parents and even many professionals are reluctant to communicate openly about birth histories, silence only adds to the child's confusion and pain. This revised and significantly expanded edition of the award-winning *Telling the Truth to Your Adopted or Foster Child* equips parents with the knowledge and tools they need to communicate with their adopted or foster child about their past. Revisions include coverage of significant new research and information regarding the importance of understanding the child's trauma history to his or her well-being and successful adjustment in his foster or adoptive family. The authors answer such questions as: How do I share difficult information about my child's adoption in a sensitive manner? When is the right time to tell my child the whole truth? How do I obtain more information on my child's history? Detailed descriptions of actual cases help the parent or caregiver find ways to discover the truth (particularly in closed and international adoption cases), organize the information, and explain the details of the past gently to a toddler, child, or young adult who may find it frightening or confusing.

adoption questions to ask: *Tiny But Mighty* Hannah Shaw, 2019-08-06 *A New York Times Bestseller* #1 National Bestseller Indie Bestseller From Kitten Lady, the professional kitten rescuer, humane educator, animal advocate, and owner of the popular Instagram @kittenxlady comes the definitive book on saving the most vulnerable—and adorable—feline population: newborn kittens.

Hannah Shaw, better known as Kitten Lady, has dedicated her life to saving the tiniest felines, but one doesn't have to be a professional kitten rescuer to change—and save—lives. In *Tiny but Mighty*, Hannah not only outlines the dangers newborn kittens face and how she combats them, but how you can help every step of the way, from fighting feline overpopulation on the streets to fostering unweaned kittens, from combating illness to combating compassion fatigue, from finding a vet to finding the purrfect forever home. Filled with information on animal welfare, instructional guides, and personal rescue stories of kittens like Chloe, Tidbit, Hank, and Badger—not to mention hundreds of adorable kitten photos—*Tiny but Mighty* is the must-have kitten book for cat lovers, current-and-future rescuers, foster parents, activists, and advocates.

adoption questions to ask: *Finding Hope: A Birthmother's Journey Into the Light* Hope O. Baker, 2019-10-29 At twenty-one years old, Hope O Baker made one of the hardest decisions a person can make: she placed her son for adoption. She lived with her son's adoptive mother while she was pregnant and pursued an open adoption. After her son was born, Hope tried to resume her life. But the difficulty of letting her child go gnawed at Hope. Even though she had it together on the outside--graduating college and excelling in her career--on the inside she was battling a destructive cycle of depression and addiction. When life was at its darkest, Hope managed to find her way back to the light. It's a journey she continues to this day. Now, in this love letter to her son, Hope shows how messy and chaotically beautiful adoption can be, by sharing the authentic details of her remarkable story. From her struggles, you'll see how community can help you rebuild and be reminded of how important it is to find your voice and speak up for what you need when life hands you unexpected difficulties.

adoption questions to ask: *The Open-Hearted Way to Open Adoption* Lori Holden, 2015-05-15 This book covers common open adoption situations and how real families have navigated typical issues successfully. Like all useful parenting books, it provides parents with the tools to come to answers on their own, and answers questions that might not yet have come up.

adoption questions to ask: *Carried in Our Hearts* Jane Aronson, 2013-04-18 My mommy didn't carry me in her tummy, she carried me in her heart. Bailey, a 5-years old who was adopted from China. Her story is included in this book. According to People magazine, parents from all over the country seek adoption expert and Worldwide Orphans Foundation founder Dr. Jane Aronson's help "as if consulting a master detective." Angelina Jolie praised Dr. Aronson's "drive and ambition to help children dream" (Elle). Indeed, over the course of the past three decades, Dr. Aronson has touched the lives of thousands of adopted children from around the world and in this inspiring book she presents moving first-person testimonies from parents (and a few children themselves) whose lives have been blessed by adoption. Divided into thematic sections—such as The Decision, The Journey, and The Moment We Met)—each prefaced by Dr. Aronson, this book introduces readers to Claude Knobler, a writer from Los Angeles whose journey to Ethiopia to adopt his son led to an unexpectedly moving encounter with the boy's courageous birthmother; actor Mary Louise-Parker whose older adopted son's bond with her newly adopted baby daughter was deep and unwavering from the instant the two children met; and Lynn Danzker, an entrepreneur who set off alone to adopt her son, Cole, and in the process, met and married her husband. The authors of these testimonies range from doctors to filmmakers, from financial consultants to celebrities—all of them bound by their moving and transformative experience as adoptive parents.

adoption questions to ask: *We Chose You* Tony Dungy, Lauren Dungy, 2019-04-02 Every Family is Created by God God forms families in many different ways and sizes, but all are equally important and special. When adopted son Calvin needs to tell about his family for a class assignment, he discovers his parents were praying for him long before they chose him. Not only that, but God chose them for Calvin. It wasn't by chance and it wasn't an accident. It was according to His plan. *We Chose You* was written to communicate to all children, whether birthed or adopted, that they are chosen. That they are secure. That they are loved. This is a message every child needs to hear. Let this book give you the words to tell your child about your family's unique story.

adoption questions to ask: *Strays* Virginia Castleman, 2014-02-14 Sara and Anna Olson

awaken each morning without the comfort of their parents love. Orphaned at a young age, theyve tried their best to find a sense of safety and security within the foster system. At nine and eleven, they know more about the world than children twice their age and its a knowledge they have paid dearly to earn. Inspired by true events, their story is one of survival, but its also one of friendship, sisterhood, and hope. They must find the strength to face the world with courage and faith. Amid the tattered remains of their innocence, the sisters know that no matter what else life delivers, they can always count on each other. When their ever-shifting world is rocked by three wood-splintering knocks on the door one cold, autumn night, the sisters flee into the darkness, alone and terrified. What could drive them into the frigid night air? On that night, Sara makes a promise to her sister, one she spends her whole life trying to keep. But it may be a promise that is destined to be broken.

adoption questions to ask: You Can Adopt Susan Caughman, Isolde Motley, 2009-08-11 From Adoptive Families magazine, the country's leading resource on adoption, this warm, authoritative book is full of practical, realistic advice from leading attorneys, doctors, social workers, and psychologists, as well as honest, intimate stories from real parents and children. You Can Adopt answers every question—even the ones you're afraid to ask: • When should I shift from fertility treatment to adoption? • How do I talk to my spouse about adoption? • Can we find a healthy baby? • Do I need an attorney? An adoption agency? • Can the birth mother take the baby back? • How much will this really cost? How long will it take? • Aren't all adopted children unhappy? • Can I love a child who "isn't mine"? • How can I ease the rest of my family into this decision? Complete with checklists and worksheets, You Can Adopt will help make your dreams of family come true.

adoption questions to ask: Tell Me Again About the Night I Was Born Jamie Lee Curtis, 1996-07-19 Tell me again about the night I was born . . . Tell me again how you would adopt me and be my parents... Tell me again about the first time you held me in your arms . . . In asking her mother and father to tell her again about the night of her birth, a young girl shows that it is a cherished tale she knows by heart. Jamie Lee Curtis and Laura Cornell come together once again to create a unique celebration of the love and joy a baby brings into the world. Tell Me Again About the Night I Was Born is a heartwarming story, not only of how one child is born but of how a family is born.

adoption questions to ask: Our Own Trish Maskew, 2003 Based on personal experiences, research, and interviews, the author presents practical tips, advice, and real-life stories for anyone who is adopting, or hopes to adopt, an older child.--Cover.

adoption questions to ask: The Primal Wound Nancy Newton Verrier, 2009 Originally published in 1993, this classic piece of literature on adoption has revolutionised the way people think about adopted children. Nancy Verrier examines the life-long consequences of the 'primal wound' - the wound that is caused when a child is separated from its mother - for adopted people. Her argument is supported by thorough research in pre- and perinatal psychology, attachment, bonding and the effects of loss.

adoption questions to ask: Inside Transracial Adoption Gail Steinberg, Beth Hall, 2013-05-28 Is transracial adoption a positive choice for kids? How can children gain their new families without losing their birth heritage? How can parents best support their children after placement? Inside Transracial Adoption is an authoritative guide to navigating the challenges and issues that parents face in the USA when they adopt a child of a different race and/or from a different culture. Filled with real-life examples and strategies for success, this book explores in depth the realities of raising a child transracially, whether in a multicultural or a predominantly white community. Readers will learn how to help children adopted transracially or transnationally build a strong sense of identity, so that they will feel at home both in their new family and in their racial group or culture of origin. This second edition incorporates the latest research on positive racial identity and multicultural families, and reflects recent developments and trends in adoption. Drawing on research, decades of experience as adoption professionals, and their own personal experience of adopting transracially, Beth Hall and Gail Steinberg offer insights for all transracial adoptive parents - from prospective first-time adopters to experienced veterans - and those who support them.

adoption questions to ask: *The Forgotten Adoption Option* Marcy Bursac, 2021 120,000 U.S. children who are ready to be adopted are hoping you'll pick up this book. Have you ever thought you'd adopt a child(ren), but finding out it costs thousands of dollars kicked that idea to the curb? Most people believe that all children in foster care return to their biological families. Many do not know that 50% of children in foster care need an adoptive family and that adopting children through foster care costs \$0 - \$2,500. Countless times friends and friends of friends have reached out asking about foster care adoption and how we adopted our children through foster care. My intent is to help you evaluate your own heart and simplify the process of foster care adoption so you can help a child who is hoping you will find them. While I cannot promise you that the process will be easy, I can tell you that going down this path has been completely worth it for my family.

adoption questions to ask: Older Child Adoption Grace Robinson, 1998 This book is a very helpful tool for those who are planning to adopt an older child. The interviews and stories present a realistic picture of the challenges and opportunities that adoptive parents of older children must face,

adoption questions to ask: How to Create a Successful Adoption Portfolio Madeleine Melcher, 2014-01-21 How do you create an adoption portfolio that will show prospective birth families why you are the perfect adoptive parent for their child? Do you know which pictures to include and which to leave out? Do you really understand what prospective birth parents care about? This is a step-by-step guide to creating a portfolio which will reflect your personality, make a strong positive impact and encourage the right birth family to choose you. Madeleine Melcher shares the secrets she has discovered over years of creating successful portfolios, profiles and prospective birth parent letters. She combines simple and effective design ideas and tips for writing and layout with a deep understanding of how portfolios work. Importantly, this book also draws extensively on the experiences of birth mothers and the professionals who support them to examine what they are really looking for, featuring questions which prospective birth mothers will want to see answered in your portfolio. From text to design, this guide will give you the confidence to create a portfolio that sets you apart. It is essential reading for prospective adoptive parents, as well as adoption attorneys and adoption agencies advising those hoping to adopt.

adoption questions to ask: Marlena Julie Buntin, 2017-04-04 A National Book Critics Circle Leonard Prize Finalist Longlisted for the Center for Fiction First Novel Prize Named a Best Book of the Year by Vogue, BuzzFeed, The Washington Post, Esquire, Harper's Bazaar, NPR, NYLON, Huffington Post, Kirkus Reviews, Barnes & Noble Chosen for the Book of the Month Club, Nylon Book Club, and Belletrist Book Club Named an Indie Next Pick and a Barnes and Noble Discover Pick The story of two girls and the wild year that will cost one her life, and define the other's for decades Everything about fifteen-year-old Cat's new town in rural Michigan is lonely and off-kilter until she meets her neighbor, the manic, beautiful, pill-popping Marlena. Cat is quickly drawn into Marlena's orbit and as she catalogues a litany of firsts—first drink, first cigarette, first kiss, first pill—Marlena's habits harden and calcify. Within the year, Marlena is dead, drowned in six inches of icy water in the woods nearby. Now, decades later, when a ghost from that pivotal year surfaces unexpectedly, Cat must try again to move on, even as the memory of Marlena calls her back. Told in a haunting dialogue between past and present, Marlena is an unforgettable story of the friendships that shape us beyond reason and the ways it might be possible to pull oneself back from the brink.

adoption questions to ask: Twenty Things Adopted Kids Wish Their Adoptive Parents Knew Sherrie Eldridge, 2009-10-07 Birthdays may be difficult for me. I want you to take the initiative in opening conversations about my birth family. When I act out my fears in obnoxious ways, please hang in there with me. I am afraid you will abandon me. The voices of adopted children are poignant, questioning. And they tell a familiar story of loss, fear, and hope. This extraordinary book, written by a woman who was adopted herself, gives voice to children's unspoken concerns, and shows adoptive parents how to free their kids from feelings of fear, abandonment, and shame. With warmth and candor, Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love--that he must grieve his loss now if he is to receive love

fully in the future--that she needs honest information about her birth family no matter how painful the details may be--and that although he may choose to search for his birth family, he will always rely on you to be his parents. Filled with powerful insights from children, parents, and experts in the field, plus practical strategies and case histories that will ring true for every adoptive family, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child--and within the adoptive home.

adoption questions to ask: *Seven Core Issues in Adoption and Permanency* Sharon Roszia, Allison Davis Maxon, 2019-07-18 Based on a hugely successful US model, the *Seven Core Issues in Adoption* is the first conceptual framework of its kind to offer a unifying lens that was inclusive of all individuals touched by the adoption experience. The Seven Core Issues are Loss, Rejection, Shame/Guilt, Grief, Identity, Intimacy, and Mastery/Control. The book expands the model to be inclusive of adoption and all forms of permanency: adoption, foster care, kinship care, donor insemination and surrogacy. Attachment and trauma are integrated with the Seven Core Issues model to address and normalize the additional tasks individuals and families will encounter. The book views the Seven Core Issues from a range of perspectives including: multi-racial, LGBTQ, Hispanic, Asian, Native American, African-American, International, openness, search and reunion, and others. This essential guide introduces each Core Issue, its impact on individuals, offering techniques for growth and healing.

adoption questions to ask: *The Federalist Papers* Alexander Hamilton, John Jay, James Madison, 2018-08-20 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

adoption questions to ask: *Lifebooks: Creating a Treasure for the Adopted Child* Beth O'Malley, 2003

adoption questions to ask: *Love What Matters* LoveWhatMatters, 2017-05-02 In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

adoption questions to ask: The Post-Adoption Blues Karen J. Foli, John R. Thompson, 2004-08-07 Over 150,000 people adopt children each year, and more than 2 million parents are now raising adopted children and grandchildren. While the path to parenting through adoption is rich with rewards and fulfillment, it's not without its bumps. This compassionate, illuminating, and ultimately uplifting book is the first to openly recognize the very normal feelings of stress that adoptive families encounter as they cope with the challenges and expectations of their new families. Where do parents turn when the waited-for bonding with their adopted child is slow to form? When they find themselves grieving over the birth child they couldn't have? When the child they so eagerly welcomed into their home arrives with major, unexpected needs? Until now, adoptive parents have had to struggle silently with their feelings, which can range from flutters of anxiety to unbearable sadness. At last, Karen J. Foli, a registered nurse, and her husband, John R. Thompson, a psychiatrist, lift the curtain of secrecy from Post Adoption Depression Syndrome (PADS). Drawing on their own experience as adoptive parents as well as interviews with dozens of adoptive families and experts in the field, the couple offers parents the understanding, support, and concrete solutions they need to overcome post-adoption blues-and open their hearts to the joy adoption can bring.

adoption questions to ask: The Not in Here Story Tracey Zeeck, 2016-11-08 Through desert, mountainside, and jungle, the Seeks set out to start a family...only to discover that they don't have to travel far and wide to find a child to love.

adoption questions to ask: The Child Catchers Kathryn Joyce, 2013-04-23 Adoption has long been enmeshed in the politics of abortion. But as award-winning journalist Joyce makes clear, adoption has lately become entangled in the conservative Christian agenda.

adoption questions to ask: The Complete Idiot's Guide to Adoption Christine Adamec, 1997-12-01 Offers advice on making an adoption application stand out, the latest adoption trends, and ways to spot scams, with profiles of real-life adopters and adoptees

adoption questions to ask: The Chosen Baby Valentina Pavlovna Wasson, 1950 How Peter and Mary are adopted into a home where they are wanted and loved. Grades 1-3.

adoption questions to ask: Adoption Nation Adam Pertman, 2011-03-17 This revised edition of Pertman's award-winning book features updated information on every aspect of adoption and its changing role in American society. Pertman, a Pulitzer Prize-nominated journalist and father of two adopted children, offers an unflinching study of adoption policy and processes.

adoption questions to ask: Adoption Conversations Renee Wolfs, 2008 A practical guide to talking about adoption to a child adopted from overseas. It is essential that parents communicate openly with their adopted children, but discussing birth parents and background demands real courage and it can be difficult to know how and when to broach these subjects. This book explores what to tell children at different times in their lives, using example dialogue and suggested questions and answers. Written from the perspective of an adoptive parent, it also teaches parents how to recognise and handle their child's adoption-related grief.

adoption questions to ask: In on it Elisabeth O'Toole, 2010-10 One adoption social worker called In On It the adoption book for everyone else: the grandparents and friends, neighbors and colleagues, aunts and uncles, teachers and caregivers of adoptive families. In On It contains helpful advice and instructive anecdotes from adoptive parents, adult adoptees, adoption professionals, and the friends and relatives of already established adoptive families. The author, an adoptive parent herself, has written an informative, friendly and very useful adoption guide that informs and enlightens readers even as it offers them a warm welcome into adoption.

adoption questions to ask: Red Butterfly A.L. Sonnichsen, 2015-02-03 In China, a foundling girl with a deformed hand raised in secret by an American woman must navigate China's strict adoption system when she is torn away from the only family she has ever known.

adoption questions to ask: Home for Good Krish Kandiah, 2013-03-14 Tying in to a nationwide joint campaign by the Evangelical Alliance and Care for the Family, Krish Kandiah wants us all to take seriously Jesus's call to 'suffer the little children' by engaging with the needs of the many thousands of children up and down the country who are in care and whom the church could and

should be helping. Krish and his wife Miriam have adopted and fostered children themselves and their experience - and that of the many others in this book - is very different from the popular myth which suggests social services seek to prevent Christians from getting involved. Krish argues that whatever the state's stance may be, it is a part of our calling as God's church to get involved where it's hardest, and to help these children out of the tough realities they find themselves in. Filled with stories from people who have adopted or were adopted themselves, alongside practical advice on how it all works and the challenges that will come, this book makes a compelling case that the church can and must make a difference in these children's lives, and asks us all to consider our response.

adoption questions to ask: *That Kind of Mother* Rumaan Alam, 2018-05-08 NAMED A RECOMMENDED BOOK OF 2018 BY: BuzzFeed • The Boston Globe • The Millions • InStyle • Southern Living • Vogue • Popsugar • Kirkus • The Washington Post • Library Journal • Real Simple • NPR "With his unerring eye for nuance and unsparing sense of irony, Rumaan Alam's second novel is both heartfelt and thought-provoking." — Celeste Ng, author of *Little Fires Everywhere* From the bestselling author of *Leave the World Behind*, a novel about the families we fight to build and those we fight to keep Like many first-time mothers, Rebecca Stone finds herself both deeply in love with her newborn son and deeply overwhelmed. Struggling to juggle the demands of motherhood with her own aspirations and feeling utterly alone in the process, she reaches out to the only person at the hospital who offers her any real help—Priscilla Johnson—and begs her to come home with them as her son's nanny. Priscilla's presence quickly does as much to shake up Rebecca's perception of the world as it does to stabilize her life. Rebecca is white, and Priscilla is black, and through their relationship, Rebecca finds herself confronting, for the first time, the blind spots of her own privilege. She feels profoundly connected to the woman who essentially taught her what it means to be a mother. When Priscilla dies unexpectedly in childbirth, Rebecca steps forward to adopt the baby. But she is unprepared for what it means to be a white mother with a black son. As she soon learns, navigating motherhood for her is a matter of learning how to raise two children whom she loves with equal ferocity, but whom the world is determined to treat differently. Written with the warmth and psychological acuity that defined his debut, Rumaan Alam has crafted a remarkable novel about the lives we choose, and the lives that are chosen for us.

adoption questions to ask: *Instant Mom* Nia Vardalos, 2013-04-02 Some families are created in different ways but are still, in every way, a family. Writer and star of *My Big Fat Greek Wedding*, Nia Vardalos firmly believed she was supposed to be a mom, but Mother Nature and modern medicine had put her in a headlock. So she made a choice that shocked friends, family, and even herself: with only fourteen hours' notice, she adopted a preschooler. *Instant Mom* is Vardalos's poignant and hilarious true chronicle of trying to become a mother while fielding nosy frenemies and Hollywood reporters asking, Any baby news? With genuine and frank honesty, she describes how she and husband Ian Gomez eventually found their daughter . . . and what happened next. Vardalos explores innovative ways to conquer the challenges all new moms face, from sleep to personal grooming, and learns that whether via biology, relationship, or adoption—motherhood comes in many forms. The book includes laugh-out-loud behind the scenes Hollywood anecdotes, plus an Appendix on how to adopt worldwide. Vardalos will donate proceeds from the book sales to charities. Vardalos candidly shares her instant motherhood story that is relatable for all new moms (and dads!)

adoption questions to ask: *The Open Adoption Experience* Lois Ruskai Melina, 2010-08-24 The Open Adoption Experience has descriptive copy which is not yet available from the Publisher.

adoption questions to ask: *Adoption Parenting* Jean MacLeod, Sheena Macrae, 2006 This book is a virtual one-stop shop for adoption information for readers at any knowledge level . . . Strongly recommended for all public libraries and for all large university social science collections.--Lynn C. Maxwell, Library Journal.
