Marilynne Robinson's Gilead.' The New York Times Lyle Hovde is at the onset of his golden years, living a mostly content life in rural Wisconsin with his wife, Peg, daughter, Shiloh, and five-year-old grandson, Isaac. After a troubled adolescence and subsequent estrangement from her parents, Shiloh has finally come home. But, while away, she became deeply involved with an extremist church, and the devout pastor courting her is convinced Isaac has the spiritual ability to heal the sick. Reckoning with his own faith - or lack thereof - Lyle soon finds himself torn between his unease about the church and the growing threat it poses to keeping his daughter and grandson in his life. Set over the course of one year and beautifully evoking the change of seasons, Little Faith is a powerful and deeply affecting novel about family and community, the ways in which belief is both formed and shaken, and the lengths we go to protect our own.

13450 highway 8 business: Bad Axe County John Galligan, 2020-07-07 Dennis Lehane meets Megan Miranda in this “dark beauty of a novel” (William Kent Krueger, New York Times bestselling author) about the first female sheriff in rural Bad Axe County, Wisconsin, as she searches for a missing girl, battles local drug dealers, and seeks the truth about the death of her parents twenty years ago—all as a winter storm rages in her embattled community. Fifteen years ago, Heidi White’s parents were shot to death on their Bad Axe County farm. The police declared it a murder-suicide and closed the case. But that night, Heidi found the one clue she knew could lead to the truth—if only the investigators would listen. Now Heidi White is Heidi Kick, wife of local baseball legend Harley Kick and mother of three small children. She’s also the interim sheriff in Bad Axe. Half the county wants Heidi elected but the other half will do anything to keep her out of law enforcement. And as a deadly ice storm makes it way to Bad Axe, tensions rise and long-buried secrets climb to the surface. As freezing rain washes out roads and rivers flood their banks, Heidi finds herself on the trail of a missing teenaged girl. Clues lead her down twisted paths to backwoods stag parties, derelict dairy farms, and the local salvage yard—where the body of a different teenage girl has been carefully hidden for a decade. As the storm rages on, Heidi realizes that someone is planting clues for her to find, leading her to some unpleasant truths that point to the local baseball team and a legendary game her husband pitched years ago. With a murder to solve, a missing girl to save, and a monster to bring to justice, Heidi is on the cusp of shaking her community to its core—and finding out what really happened the night her parents died. With “striking prose, engaging characters, and a searing story of crimes rooted in the heartland,” Bad Axe County is a “darkly irresistible thriller” (Kirkus Reviews, starred review) that you won’t be able to put down.

13450 highway 8 business: Sleeping Bear Connor Sullivan, 2021-07-06 “Sleeping Bear is...one of those rare novels that keeps getting better and better and better. Remember the author’s name—Connor Sullivan.” —James Patterson A former Army veteran seeking solitude in the Alaskan wilderness after her husband’s death finds herself a pawn in a deadly game with Russia in this white-knuckled and “heart-stopping thrill ride” (Chris Hauty, author of Deep State). After her young husband’s untimely death, Army veteran Cassie Gale decides to take a few days of solitude in the Alaskan wilderness before she starts her new job. But when she fails to show up on her first day and her dog is discovered injured at her wrecked campsite, her father knows that this is much more than a camping trip gone awry. As it turns out, Cassie’s not the first person to disappear without a trace in Alaska’s northern interior. Bears. Wolves. Avalanches. Frostbite. Starvation. There are many ways to die in here. But not all disappearances can be explained. Cassie’s is one of them, along with a number of other outdoor enthusiasts who have vanished in recent years. Regaining consciousness in a Russian prison, Cassie finds herself trapped in a system designed to ensure that no one ever

escapes alive. It will require all her grit and skills to survive. Meanwhile, her father rushes to outrun the clock, scouring thousands of acres, only to realize she's been taken by a nefarious adversary—one with the power of the Eastern Bloc behind it. Ties to his past life, one full of secrets, threaten to surface. He knows there's a price to be paid, but he's determined it won't be his daughter. Timely, electrifying, and perfect for fans of Vince Flynn and Brad Thor, "Sleeping Bear clamps you in its jaws and doesn't let go. A fierce, relentless beast of a novel" (Tess Gerritsen, New York Times bestselling author).
