📖 **13805 monroes business park tampa fl 33635: *Frying Plantain*** Zalika Reid-Benta, 2019-06-04
 'An unforgettable debut' Paul Beatty, Booker Prize-winning author of *The Sellout* 'Incisive and sharp' Refinery29 Kara Davis is a girl caught in the middle - of her Canadian nationality and her desire to be a 'true' Jamaican, of her mother and grandmother's rages and life lessons, of having to avoid being thought of as too 'faas' or too 'quiet' or too 'bold' or too 'soft'. Set in Little Jamaica, Toronto's Eglinton West neighbourhood, Kara moves from girlhood to the threshold of adulthood, from elementary school to high school graduation, in these twelve interconnected stories. We see her on a visit to Jamaica, startled by the sight of a severed pig's head in her great aunt's freezer; in junior high, the victim of a devastating prank by her closest friends; and as a teenager in and out of her grandmother's house, trying to cope with the ongoing battles between her unyielding grandparents. A rich and unforgettable portrait of growing up between worlds, *Frying Plantain* shows how, in one charged moment, friendship and love can turn to enmity and hate, well-meaning protection can become control, and teasing play can turn to something much darker. In her brilliantly incisive debut, Zalika Reid-Benta artfully depicts the tensions between mothers and daughters, second-generation Canadians and first-generation cultural expectations, and Black identity and predominately white society. 'Zalika Reid-Benta announces herself as an enormous voice for the coming decade (and one that is desperately needed)' Gary Shteyngart, author of *Super Sad True Love Story*

13805 monroes business park tampa fl 33635: 2028 End Gabriel Erb, 2019-07-12 God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book 2028 END in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, God declared the end from the beginning (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium! Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day! Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end

2,000 years from the year of Christ's death on the cross - AD 2028.
