

14 day yoga teacher training

The Accelerated Path: A Critical Analysis of 14-Day Yoga Teacher Training and its Impact on Current Trends

Author: Dr. Anya Sharma, PhD in Kinesiology, Certified Yoga Therapist (C-IAYT), 20+ years experience teaching yoga and anatomy.

Publisher: Yoga International Journal, a leading peer-reviewed journal in the yoga and wellness field, known for its rigorous editorial process and commitment to evidence-based research.

Editor: Sarah Jones, MA in Journalism, 15 years experience editing health and wellness publications.

Keywords: 14-day yoga teacher training, accelerated yoga teacher training, short yoga teacher training, yoga teacher certification, yoga industry trends, yoga ethics, yoga teacher training quality, yoga alliance, intensive yoga teacher training.

Abstract: This article critically analyzes the burgeoning trend of 14-day yoga teacher training programs. While offering accessibility and affordability, these intensive programs raise concerns regarding the depth of instruction, ethical implications, and the potential dilution of the yoga teacher profession. The analysis explores the impact of these programs on current industry trends, including the rise of online learning, the demand for shorter certifications, and the ethical responsibility of yoga schools.

1. Introduction: The Rise of the 14-Day Yoga Teacher Training

The yoga industry has witnessed explosive growth in recent years, leading to a surge in demand for yoga teachers. This increased demand has, in turn, fueled the rise of accelerated yoga teacher training programs, with the 14-day yoga teacher training emerging as a particularly prominent example. These programs promise a quick path to certification, often at a significantly lower cost than traditional 200-hour programs. However, this accelerated approach raises important questions about the quality of education, the preparedness of graduates, and the overall impact on the profession. This analysis delves into the benefits and drawbacks of 14-day yoga teacher training, exploring its implications within the broader context of current industry trends.

1. Accessibility and Affordability: The Allure of 14-Day Yoga Teacher Training

One of the primary appeals of a 14-day yoga teacher training is its accessibility. The condensed format makes it significantly easier for individuals with busy schedules or limited financial resources to pursue yoga teacher certification. The lower cost associated with these programs opens up the profession to a wider range of individuals, potentially increasing diversity within the yoga community. However, this accessibility comes at a cost, often manifested in a compromised depth of learning.

1. Curriculum and Quality Concerns in 14-Day Programs:

The compressed timeline of a 14-day yoga teacher training necessitates a significantly condensed curriculum. This raises concerns about the depth of instruction in areas such as anatomy, physiology, yoga philosophy, teaching methodology, and ethics. A comprehensive understanding of these fundamental aspects requires substantial time and dedicated practice. A rushed curriculum may leave graduates unprepared to effectively and safely guide students, potentially leading to injuries or misalignment. Furthermore, ethical considerations, such as cultural sensitivity and responsible teaching practices, may be inadequately addressed within the limited timeframe. The quality of 14-day yoga teacher training programs varies significantly. Careful vetting of the program's curriculum, instructor qualifications, and overall reputation is crucial.

1. The Impact on the Yoga Teacher Profession:

The proliferation of 14-day yoga teacher training programs could potentially lead to a devaluation of the yoga teacher profession. An influx of less-prepared instructors may create an uneven playing field, potentially lowering the overall standard of teaching and impacting the reputation of the profession. This could also lead to increased competition and lower compensation for yoga instructors.

1. Online vs. In-Person 14-Day Yoga Teacher Training:

The rise of online learning has further intensified the trend of shorter yoga teacher training programs. Online 14-day yoga teacher training offers even greater flexibility and accessibility, but also raises concerns regarding the quality of hands-on instruction and the potential for a lack of personal interaction between instructors and trainees. The limitations of online learning in assessing proper alignment and providing personalized feedback can significantly impact the trainee's development.

1. The Role of Yoga Alliances and Certification:

The Yoga Alliance, a prominent yoga certification organization, doesn't directly endorse or accredit 14-day yoga teacher training programs. The absence of standardized requirements for these programs underscores the need for careful scrutiny of program quality. Students considering a 14-day yoga teacher training should research accreditation and carefully consider the program's curriculum before enrolling.

1. Ethical Considerations in Accelerated Training:

Ethical considerations are paramount in the yoga teacher training context. A condensed 14-day yoga teacher training program may not provide adequate time for ethical discussions and training on culturally sensitive teaching practices. This has the potential to lead to unintentional cultural appropriation or the propagation of harmful stereotypes in yoga classes.

1. The Future of 14-Day Yoga Teacher Training:

The future of 14-day yoga teacher training is likely to be shaped by ongoing discussions on the quality of education, professional standards, and ethical considerations. The demand for accessible and affordable training will continue, but it is crucial that these programs prioritize rigorous instruction, a comprehensive curriculum, and a commitment to ethical practices. The balance between accessible training and ensuring a high standard of instruction remains a key challenge for the yoga industry.

1. Conclusion:

14-day yoga teacher training programs offer an accessible and affordable entry point into the yoga teaching profession, responding to the growing demand for instructors. However, their abbreviated nature necessitates careful consideration of the potential trade-offs regarding curriculum depth, instructor preparedness, and ethical considerations. Prospective trainees should thoroughly research programs, prioritizing quality instruction and comprehensive training over simply obtaining a certification. The yoga industry must also engage in ongoing dialogue to define and maintain professional standards, ensuring the long-term health and integrity of the profession.

FAQs:

1. Are 14-day yoga teacher trainings recognized by Yoga Alliance? Not directly. Yoga Alliance primarily focuses on 200-hour and 500-hour programs, and 14-day programs typically do not meet their comprehensive requirements.

1. Is a 14-day yoga teacher training enough to become a competent teacher? The adequacy depends on the quality of the program. While some may provide sufficient foundational knowledge, many lack the depth of instruction found in longer programs.

1. What are the advantages of a 14-day yoga teacher training? Primary advantages include affordability and accessibility, making yoga teacher training possible for individuals with limited time and resources.

1. What are the disadvantages of a 14-day yoga teacher training? Disadvantages include a potentially superficial understanding of complex subjects like anatomy, philosophy, and teaching methodology.

1. How can I choose a reputable 14-day yoga teacher training program? Thoroughly research instructor credentials, curriculum content, student reviews, and the program's overall reputation.

1. Can I build on a 14-day yoga teacher training with further education? Absolutely. Many choose a 14-day program as a starting point and then supplement their education with workshops, additional training, or mentorship.

1. Is a 14-day yoga teacher training suitable for everyone? No. Individuals seeking a deep, comprehensive understanding of yoga and teaching methodologies might be better suited to a longer program.

1. What are the ethical implications of offering a 14-day yoga teacher training? Concerns exist about potential insufficient coverage of ethical topics like cultural sensitivity and appropriate boundaries with students.

1. What is the future outlook for 14-day yoga teacher trainings? The demand for shorter training options will likely persist. The future will likely see a greater emphasis on program quality and a focus on ethical and responsible training.

14 day yoga teacher training: *Sampoorna Yoga* Yogi Hari, 2004-06-01 Yogi Hari is a Master of Hatha, Raja and Nada Yoga. He is well-known and respected around the world as a competent and inspiring teacher. Yogi Hari comes from the Sivananda lineage. When he met his gurus, Swami Vishnu-Devananda and music master Swami Nads-Brahmananda in 1975, he retired from worldly life and spent seven years in the Sivananda Ashram where he immersed himself fully in Yoga Sadhana.

14 day yoga teacher training: *Autobiography of a Naked Yogi* Yogi Aaron, 2015-10-26 See how a life spent largely outdoors in the wilds of northern Canada, the underwater wonderland of the Caribbean, and throughout the untamed Himalayas presented the challenges that shaped a timid mother's boy into a confident yogi and ambassador for self-transformation. Through humorous and poignant life stories--attending an all-male boarding school, coming out as a gay man, building a successful yoga career--here Yogi Aaron shares lessons in living with empowerment and authenticity. From the creator of Hot Nude Yoga, a global phenomenon during the early 2000s, a story of struggle and healing found through the practices of Tantric yoga. Today owner and yoga director at Blue Osa Yoga Retreat and Spa in Costa Rica and leader of world-wide retreats through Blue Osa Journeys, Yogi Aaron is known for his humorous yet vastly knowledgeable approach to teaching this centuries-old wisdom. A must-read for aspiring yogis, yoga teachers, world travelers, nudists, gay men, people wanting to manifest positive change in their lives.

14 day yoga teacher training: Kundalini Tantra Swami Satyananda Saraswati, 1996 In the last few decades, yoga has helped millions of people to improve their concepts of themselves. Yoga realises that man is not only the mind, he is body as well. Yoga has been designed in a such a way that it can complete the process of evolution of the personality in every possible direction. Kundalini yoga is a part of the tantric tradition. Even though you may have already been introduced to yoga, it is necessary to know something about tantra also. Since the dawn of creation, the tantrics and yogis have realised that in this physical body there is a potential force. It is not psychological or transcendental; it is a dynamic potential force in the material body, and it is called Kundalini. This Kundalini is the greatest discovery of tantra and yoga. Scientists have begun to look into this, and a summary of the latest scientific experiments is included in this book.

14 day yoga teacher training: Yoga Anatomy Leslie Kaminoff, Amy Matthews, 2011-10-28 The best-selling anatomy guide for yoga is now updated, expanded, and better than ever! With more asanas, vinyasas, full-color anatomical illustrations, and in-depth information, the second edition of *Yoga Anatomy* provides you with a deeper understanding of the structures and principles underlying each movement and of yoga itself. From breathing to inversions to standing poses, see how specific muscles respond to the movements of the joints; how alterations of a pose can enhance or reduce effectiveness; and how the spine, breathing, and body position are all fundamentally linked. Whether you are just beginning your journey or have been practicing yoga for years, *Yoga Anatomy* will be an invaluable resource—one that allows you to see each movement in an entirely new light. With *Yoga Anatomy, Second Edition*, authors Leslie Kaminoff and Amy Matthews, both internationally recognized experts and teachers in anatomy, breathing, and bodywork, have created the ultimate reference for yoga practitioners, instructors, and enthusiasts alike.

14 day yoga teacher training: Yoga for Runners Christine Felstead, 2021-08-11 Adapts the practice of yoga by focusing on the poses that offer the greatest benefits to runners. The poses and sequences in this book are intended to enhance strength, stability, and mobility in order to reduce incidents of running injury and add longevity to your sport as you become a healthier and stronger runner--

14 day yoga teacher training: *Namaslay* Candace Moore, 2016-10-25 With a distinct visual format, *Namaslay* guides readers step by step through more than 100 yoga poses. The poses are broken down by experience level into a series of progressions and include modifications for those who can't quite achieve the full expression of a pose just yet. Full-color photos and tips on overcoming common mistakes helps people get the most out of every pose. *Namaslay* also features three 30-day yoga programs that focus on de-stress, core strength, and back pain. You will also find specific yoga sequences that are customized for everyone from the office dweller to the endurance athlete. Written with heart, humor, and swagger, *Namaslay* is a book for everyone, from beginners to advanced practitioners and even the simply curious. This book's high-quality, edgy-yet-beautiful photographs add an artful flair that puts it in a class of its own—as appropriate for a coffee table as a yoga studio!

14 day yoga teacher training: *Jivamukti Yoga* Sharon Gannon, David Life, 2011-04-06 The long-awaited, complete guide to the popular, vigorous American method of yoga that is deeply rooted in ancient wisdom and scriptures “In this day and age of health and fitness trends, it is assuring to know that Sharon and David encourage their students to draw inspiration from the classical texts of Yoga and timeless scriptural sources.” —Sri Swami Satchidananda Creators of the extremely popular Jivamukti Yoga method and cofounders of the New York City studios where it is taught, Sharon Gannon and David Life present their unique style of yoga for the first time in book form. As they explain their intensely physical and spiritual system of flowing postures, they provide inspiring expert instruction to guide you in your practice. Unlike many books about yoga, Jivamukti Yoga focuses not only on the physical postures but also on how they evolved—the origins of the practices in yoga's ancient sacred texts and five-thousand-year-old traditions—the psychotherapeutic benefits that accrue with a steady practice, and the spiritual power that is set free when energy flows throughout the mind and body. Jivamukti Yoga, which means “soul liberation,” guides your body and soul into spiritual freedom, physical strength, peace of mind, better health, and Self-realization—the ultimate goal of any practice. Gannon and Life help you understand each of the practices that comprise the yoga path to enlightenment: AHIMSA-The Way of Compassion: choosing nonviolence, respecting all life, practicing vegetarianism, living free of prejudice ASANA-The Way of Connection to the Earth: postures and sequences, breathing, transforming energy, understanding

the bandhas KARMA-The Way of Action: creating good karma, giving thanks NADAM-The Way of Sacred Music: appreciating the sacred sounds of yoga MEDITATION-The Way of the Witness: how to sit still and move inward BHAKTI-The Way of Devotion to God: living with love, grace, and peace Whatever yoga you practice, Jivamukti Yoga will help you to strengthen and deepen that practice and lead you onto a path of spiritual clarity and self-discovery. "If there is only one book you read about the practice of Yoga, this should be the one. . . . This book is for anyone who wishes to find transformation through Yoga. I'm grateful for their work and teaching."—Stephan Rechtschaffen, MD, Co-founder & CEO, Omega Institute

14 day yoga teacher training: Accessible Yoga Jivana Heyman, 2019-11-05 "A treasure trove . . . what Yoga, capital Y, is all about." —Donna Farhi "Nothing less than a gem." —Judith Lasater "A vital tool." —Book Riot This daring, visionary book revolutionizes yoga practice, making it truly accessible to everyone—in every body, at any age, and in any state of health Yoga practice has so much to offer us physically, emotionally, mentally, and spiritually. But many of us feel discouraged to practice because we see young, slim, flexible, well, and able-bodied people dominating yoga spaces. Yet, yoga is truly a practice for all—conferring enormous benefits to our overall well-being as our bodies change, age, and navigate various health challenges. Jivana Heyman, founder of Accessible Yoga, views yoga as a basic human right—saying we all deserve to practice it in whatever state we find our body or mind. Accessible Yoga offers a simple, clear, and wonderfully adaptable practice for all people regardless of ability, health, and body type. Heyman has spent over twenty years sharing yoga with people of all abilities and backgrounds, and in this book, he shares his knowledge by breaking down complex yoga poses, breathing practices, meditation techniques, and yoga teachings into clearly understandable and practical tools we can use every day, regardless of our limitations or challenges.

14 day yoga teacher training: Yin Yoga (Large Print 16pt) Paul Grilley, 2010-07 How to balance Yoga practice. As Yoga matures in the U.S., this is a new approach to balance physical and mental health, for serious students and beginners. All yoga forms emphasizing either muscle (Yang) or connective (Yin) tissue. Today, all popular Yoga forms are Yang--muscular. Yin Yoga is unknown, but vital, as a balanced Yoga practice has many benefits, including better preparation for meditation. Yin Yoga focuses upon connective tissue, which does not stretch or respond to brief stresses as muscle will, so Yin postures are held a long time, with the muscles relaxed. Acupuncture meridians are also in connective tissues and Yin Yoga is specifically designed to stimulate them. Divided into two sections, the second part of the book deals with chakras, breathing exercises and meditation, and is fully illustrated with clear, concise descriptions of Yoga postures .

14 day yoga teacher training: Danielle Collins' Face Yoga Danielle Collins, 2019-07-09 Have you ever thought why every workout you have ever done stopped at the neck? Or wondered why traditional yoga calms the mind, tones the body but forgets the face? Are you looking for a natural way to look and feel younger and healthier? Danielle Collins, TV's Face Yoga Expert, believes we should all have the opportunity to look and feel the very best we can for our age and to care for our face, body and mind using natural and holistic techniques. Her method requires just 5 minutes a day and could not be easier to get started. Integrating practical facial exercises with inspirational lifestyle tips, including diet and skincare, Danielle Collins' Face Yoga is a revolutionary new programme to help you achieve healthier, firmer, glowing skin..

14 day yoga teacher training: Yin Yoga Kassandra Reinhardt, 2018-01-04 Stretch the mindful way with this all-encompassing guide to Yin Yoga. In today's fast-paced world it's easy to lose the balance in our lives and the connection with our bodies. DK believes it's time to change that! Yin Yoga offers a remedy to the stress and hustle of everyday life. Heard of the term but don't know where to begin? No worries, we've got you covered! The same way that Yin balances Yang in ancient philosophies, the slower yin-style yoga featured in this yoga book offers an alternative to the faster more active forms of yoga. Instead, Yin yoga concentrates on holding and breathing through floor-based poses, awarding you with the time and space to clear both your mind and body. Dive straight in to discover: -Over 50 poses focusing on specific areas of the body -Each yoga pose is

demonstrated with photographic step-by-step detail -20 sequences linking the poses, tailored to your physical and emotional targets -Introductory spreads covering the basic techniques behind Yin Yoga The first full-coloured step-by-step Yin yoga book on the market, this all-encompassing yoga guide is a must-have volume for individuals seeking a mindful and meditative approach to their yoga practice, as well as beginners and older yoga practitioners who are looking to adopt a slower-paced approach to yoga. You can explore gentle variations to much-loved yoga poses, from the comfort of your own home. Every exercise utilises the essential elements of Yin yoga to ensure you can gain all the physical and mental benefits, and will also allow you to perform all 20 sequences, which combine over 50 different poses into one singular experience and focus on specific health benefits each pose has on your body. For years, books on yoga have asked readers to bend over backwards (literally!) to conform to their physical demands. At DK, we believe it's time to change that! Why not allow for readers to demand that yoga conform to their individual needs instead? This is gentle yoga for the mind, body and soul. A must-have volume for those who want to take up Yoga but don't know where to begin, or simply those seeking to start a gentle low-impact exercise whilst encouraging mindfulness, Yin Yoga can be tailored to your individual fitness needs, so you make the most out of your poses! Why not stretch yourself, literally, this New Year and try something new? Perhaps your mind, body and soul will thank you!

14 day yoga teacher training: *Waking Up* Sam Harris, 2015-06-16 Spirituality. The search for happiness --Religion, East and West --Mindfulness --The truth of suffering --Enlightenment --The mystery of consciousness. The mind divided --Structure and function --Are our minds already split? --Conscious and unconscious processing in the brain --Consciousness is what matters --The riddle of the self. Gradual versus sudden realization --Dzogchen: taking the goal as the path --Having no head --The paradox of acceptance --Gurus, death, drugs, and other puzzles. Mind on the brink of death --The spiritual uses of pharmacology.

14 day yoga teacher training: *Little Flower Yoga for Kids* Jennifer Cohen Harper, 2013-11-01 Wouldn't it be great if your child could exercise, have fun, and build concentration skills all at the same time? In 2006, the Little Flower Yoga program was developed by teacher and certified yoga instructor Jennifer Cohen Harper, when her successful use of yoga in her kindergarten classroom led to requests by other students, teachers, and administrators for yoga programs of their own. Harper slowly began to teach more and more yoga classes, and eventually recruited other yoga teachers with education backgrounds to continue growing what had become a flourishing program. Little Flower Yoga for Kids offers this fun and unique program combining yoga and mindfulness in an easy-to-read format. Written specifically for parents and kids, the book aims at teaching children to pay attention, increase focus, and balance their emotions—all while building physical strength and flexibility. Based on a growing body of evidence that yoga and mindfulness practices can help children develop focus and concentration, the simple yoga exercises in this book can easily be integrated into their child's daily routine, ultimately improving health, behavior, and even school achievement. The book details the five main components of the program: connect, breath, move, focus, and relax. Drawing on these components, Harper shares practical activities that parents can use with their children both on a daily basis and as applied to particularly challenging issues. And while this book is targeted to parents, teachers may also find it extremely useful in helping students achieve better attention and focus. For more information about this innovative program, visit www.littlefloweryoga.com.

14 day yoga teacher training: *The First 20 Hours* Josh Kaufman, 2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating.

That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

14 day yoga teacher training: Yoga Journal , 1996-08 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. 14 day yoga teacher training: Prana and Pranayama Swami Niranjanananda Saraswati, 2009-12 *Prana and Pranayama*, by Swami Niranjanananda Saraswati, is a comprehensive book on the philosophy of prana the life force, and pranayama the expansion and control of the life force. This book offers a complete explanation of the science of pranayama as presented in the classical texts and as taught in the Satyananda Yoga Tradition by Bihar School of Yoga. The book explores the theory of prana and its related yogic concepts such as koshas, chakras, nadis and mantras. It also discusses respiratory physiology and current research undertaken on pranayama. The book also has a practical section, which contains particular guidelines for practicing pranayama, explained through instructions and illustrations. Throughout the book, biblical sources enhance the reader's understanding, bringing to light the unique spirit and intent of these classical teachings.

14 day yoga teacher training: Yoga for the Special Child Sonia Sumar, 1998 An innovative and easy-to-follow program for parents, educators, yoga teachers, and health care professionals. The book includes: A step-by-step, integrated system of yoga poses designed to increase cognitive and motor skills in children with learning and developmental disabilities. Specialized breathing exercises and relaxation techniques to improve concentration and reduce hyperactivity. And early intervention program to assure the healthy formative development of infants and toddlers.

14 day yoga teacher training: Self-Compassion Kristin Neff, 2011-07-07 Kristin Neff PhD, is a professor in human development whose 10 years' of research forms the basis of her timely and highly readable book. Self Compassion offers a powerful solution for combating the current malaise of depression, anxiety and self criticism that comes with living in a pressured and competitive culture. Through tried and tested exercises and audio downloads, readers learn the 3 core components that will help replace negative and destructive measures of self worth and success with a kinder and non judgemental approach in order to bring about profound life change and deeper happiness. Self Compassion recognises that we all have weaknesses and limitations, but in accepting this we can discover new ways to achieve improved self confidence, contentment and reach our highest potential. Simply, easily and compassionately. Kristin Neff's expert and practical advice offers a completely new set of personal development tools that will benefit everyone. 'A portable friend to all readers ... who need to learn that the Golden Rule works only if it's reversible: We must learn to treat ourselves as well as we wish to treat others.' Gloria Steinem 'A beautiful book that helps us all see the way to cure the world - one person at a time - starting with yourself. Read it and start the journey.' Rosie O'Donnell

14 day yoga teacher training: Yoganotes Eva-Lotta Lamm, 2019-03-03 Learn how to sketch simple yoga 'stick figures' to capture and plan your yoga sequences with this simple, step-by-step system that can be quickly learned, even without any drawing or sketching skills. Also available as an e-book: www.yoganotes.net The first part of the book explains the basic principles of sketching and constructing the yoga stick figures and combining them into sequences. The second part contains step-by-step instructions for sketching over 80 of the most common asanas and their variations. Who is this book for? For Yoga Teachers & Coaches: If you teach yoga classes or work with your own private clients, sketching is a great way to plan out sequences and practice plans in a visual way. You can use them as a visual overview during class (if you haven't fully memorised the sequence yet). They also make great handouts for your students after a workshop or as personalised practice plans for your one-on-one clients. For Teacher Training Attendees: If you are learning to be a yoga teacher there is a lot of information to take in and to process. Taking visual notes and using sketches to capture the details about postures, alignment and anatomy will help you to get the most out of your training. The notes you create will be clearer, more engaging and actually fun to look at and revise again later. For Students & Practitioners: If you study or practice yoga, you can sketch out your favourite sequences to use as a guide during your home practice or for when you are travelling. Sketch out that great class you attended at your yoga studio or the nice one you found on YouTube. The sketched overview will be the perfect cheat sheet to keep by your mat during your own practice.

14 day yoga teacher training: Heart Yoga Andrew Harvey, Karuna Erickson, 2010-05-04 ***WINNER, 2010 Spirituality & Practice Best Spiritual Book Award - Yoga In Heart Yoga, renowned spiritual writer and Sacred Activist Andrew Harvey and longtime yoga teacher Karuna Erickson present a vision of hatha yoga practice that links ancient spiritual traditions to contemporary life. Including excerpts of poetic sacred writing from mystical sages through the ages, the book reminds readers that the purpose of yoga is not to improve one's physical health or even to achieve peace of mind (although these results may be achieved along the way), but to reach a state of unity with the divine, the goal of mystics from all traditions. With detailed descriptions and photographs of fifty yoga poses and their alchemical effects on the body and consciousness, Heart Yoga presents yoga as a simple meditative practice that enables the practitioner to dwell in the heart and experience the bliss of union with the sacred power underlying all of life. The book explains how to prepare for Heart Yoga and describes the "Five Great Joys" that are part of the path. Included are the authors'

own compelling stories of their individual journeys along the path of yoga: stories of suffering, transcendence, and joy that both inspire and enlighten.

14 day yoga teacher training: Yoga Journal , 2003-11 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

14 day yoga teacher training: The Ancient Art of Yoga Jennifer DeMarco, 2016 The Ancient Art of Yoga: A Modern Application is an enriching backdrop text designed to accompany the physical experience of learning postural yoga. It provides information that works in a real-life setting and streamlines the vast body of knowledge often involved in the study of yoga. The Ancient Art of Yoga gives readers a brief history of the discipline and explains both traditional and modern interpretations of the Eight Limbs of Yoga. Students will benefit from specific yoga directions and enhance their understanding through tying together the postures with the Eight Limbs of Yoga. They will learn about the benefits of yoga practice, as well as why these benefits are so important. Recognizing the direct link between inner and outer well-being and designed to facilitate both, The Ancient Art of Yoga is an excellent companion textbook to courses in yoga, stretching, and stress management.

14 day yoga teacher training: FASTER Way to Fat Loss Amanda Tress, 2019-05-20 Are you one of the millions of individuals who have tried every fad diet on the market, and still can't meet your goals? Or maybe you're killing yourself at the gym, spending hours on the treadmill to maintain the perfect number on the scale. Regardless of your failing strategy, you're feeling exhausted, discouraged, and uninspired. Enter The FASTER Way to Fat Loss, a behind-the-scenes look at the lifestyle sweeping the health and wellness industry. Since the creation of the program in 2016, the FASTER Way has helped tens of thousands of men and women lose fat and regain confidence. Through the book, Amanda Tress, author and creator of the FASTER Way to Fat Loss, details the core components of the FASTER Way and dives into the science that backs them up. Please note: Purchasing this book does NOT include participation in the official FASTER Way to Fat Loss program. Program registration must be purchased separately at www.fasterwaytofatloss.com.

14 day yoga teacher training: Relax and Renew Judith Hanson Lasater, 2016-08-09 A longtime yoga instructor reveals how to manage pain, relieve stress, and promote relaxation through the gentle and meditative practices of restorative yoga. Whether you have five minutes or an hour, taking time out of each day to relax and renew is essential to living well. This book presents nurturing physical postures and breathing techniques called restorative yoga. When practiced regularly, they will help you heal the effects of chronic stress, recover from illness or injury, balance energy, and quiet the mind. With clear instructions and photographs, Relax and Renew gently guides the experienced practitioner and enthusiastic beginner—regardless of age, flexibility, or strength—in techniques that will ease your way through this hectic world. Judith Lasater draws from decades of experience to provide readers with: • A general restorative sequence • Programs for back pain, headaches, insomnia, jet lag, and breathing problems • Guidance for women during menstruation, pregnancy, and menopause • Routines for when time is limited, including one for the office • Practical suggestions that help you prevent stress and live more fully in the present moment And much more!

14 day yoga teacher training: Prakriti Robert Svoboda, 1998-06 Dr. Svoboda's original work on the constitutional types in Ayurveda has been considered a classic for many years. His new revision and expansion of the subject comes after much further research and practical experience. Dr. Vasant Lad points out: The healing science of Ayurveda is based totally upon the knowledge of prakriti, the individual constitution. If every individual knows his own constitution, then one can understand, for instance, what is a good diet and style of life for oneself. One man's food is another man's poison. Therefore, to make one's life healthy, happy and balanced, the knowledge of constitution is absolutely necessary.

14 day yoga teacher training: Restore and Rebalance Judith Hanson Lasater, 2017-12-26

Restorative yoga teacher Judith Hanson Lasater offers a program of yoga poses to help rebalance your mind and body and counteract the effects of chronic stress. Restorative yoga offers the body a chance to rest deeply and revitalize. Whether you are feeling weak, fatigued, stressed from daily activities, or simply need to slow down and tune into your body, this wonderfully adaptive practice is essential for well being. Many of the practices are simple and accessible for people of all ages and in all states of health, using props that are readily available—like pillows and chairs. These deeply relaxing poses help you • rebalance your mind and body • create feelings of wellbeing, and counteract the effects of chronic stress • recover from injury or illness • lower blood pressure, and elevate and stabilize your mood Discover how just a few minutes a day of active, supported rest can improve your mood, your energy, and your sense of physical comfort and ease.

14 day yoga teacher training: Light on Yoga B.K.S Iyengar, 1991-10 The definitive work by B.K.S. Iyengar, the world's most respected yoga teacher.

14 day yoga teacher training: Anatomy of Hatha Yoga David Coulter, 2004 his book combines the perspectives of a dedicated yogi with that of a former anatomy professor and research associate at two major American medicine schools. He has set himself the ambitious goal of combining the modern scientific understanding of anatomy and physiology with the ancient practice of hatha yoga. The result of an obvious labour of love, the book explains hatha yoga in demystified, scientific terms while at the same time honouring its traditions. It should go a long way in helping yoga achieve the scientific recognition it deserves. Useful as both a textbook and a reference work, this is a book that all serious yoga teachers and practitioners will want on their shelves.

14 day yoga teacher training: Yoga Mind, Body & Spirit Donna Farhi, 2011-04-01 The author of Yoga Journal's most-read column presents the first holistic guide to yoga A user-friendly guide illustrated with 240 two-color photographs and illustrations, Yoga Mind, Body & Spirit sets forth the tenets of this gentle yet rigorous exercise as no other book has. Integrating the teachings of every tradition, internationally renowned yoga instructor Donna Farhi reveals how yoga enhances the connections between the mind, body, and spirit. She outlines the seven simple movement principles that underlie all human motion and provides exercises to help readers understand how they can achieve all yoga postures. She also discusses the ten ethical precepts that are the foundation of all yoga teachings and explains how to incorporate them into a spiritually and emotionally rewarding inner practice. At the heart of Yoga Mind, Body & Spirit are more than seventy-five yoga asanas or postures. Each is one pictured and described in detail, and they are arranged into related groups—including standing postures, sitting postures, arm balances, and breathing practices—or easy reference. A selection of yoga practices of varying lengths and levels of difficulty provides challenges and inspiration for beginner, intermediate, and advanced students. A huge resurgence of interest in yoga is sweeping the country. With its broad scope and holistic approach, Yoga Mind, Body & Spirit is the ideal book for today's mainstream audience.

14 day yoga teacher training: Yoga Journal , 1978-05 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

14 day yoga teacher training: Functional Anatomy of Yoga David Keil, 2023-01-17 A full-color illustrated exploration of the body in motion during yoga practice • Examines anatomical patterns and body mechanics in specific asanas, such as forward bends, twists, external hip rotations, arm balances, and back bends, to inspire confidence in students, deepen practice, and prevent injury • Provides detailed images and photos overlaid with anatomical diagrams, allowing you to see clearly what is happening within each asana discussed • Explores how various yoga postures interrelate from the perspective of functional anatomy In this full-color illustrated guide, David Keil brings the anatomy of the body in yoga asanas to life. Writing in an accessible, conversational tone, he outlines how practitioners and yoga teachers alike can utilize a deeper

understanding of their anatomy and its movement and function to deepen their yoga practice, increase confidence, prevent injury, and better understand their students and their challenges. Providing detailed images and photos overlaid with anatomical diagrams, allowing you to see clearly what is happening within each asana discussed, Keil shows how the muscles, joints, tendons, and structure of the body work together to support integrated movement. He discusses the basics of functional anatomy, exploring the workings of the foot and ankle, the knee, the hip joint, the pelvis and SI joint, the spine, the shoulder, and the hand, wrist, and elbow. He examines anatomical patterns and body mechanics in specific asanas, such as forward bends, twists, external hip rotations, arm balances, and back bends, such as, for example, how a wide-legged forward bend shifts the position of the femur and the pelvis, allowing students with tight hamstrings to accomplish a deep forward bend--something they struggle with when the legs are together. Keil also shows how various yoga postures interrelate from the perspective of functional anatomy. Revealing in detail how everything in the body is connected and how your anatomy functions holistically during yoga practice, this book helps you to understand the body better and connect and integrate yoga postures in a completely new way.

14 day yoga teacher training: *Babaji's Kriya Yoga* Jan Suzanne Ahlund, Marshall Govindan, 2009-01-01 Action with awareness is both the vehicle and the destination in all phases of Babaji's Kriya Yoga. Through it we become aware of That which is aware; which is the one constant underlying all of our thoughts and experiences. Babaji's Kriya Yoga is a means of self-knowledge, of knowing our selves and the truth of our being. It brings action with awareness and a devotional spirit into our practice of asanas, pranayama, meditation, mantras and also into all our thoughts, words, dreams and desires and actions. This sadhana has enormous potential to make us more conscious human beings. It requires the willingness of the body, mind, heart and will, to align with the soul in aspiration of purification and perfection. This book provides detailed instructions, diagrams and photographs in the practice of a particular set of 18 Yoga asanas or postures, known as Babaji's Kriya Hatha Yoga. The essays and instructions herein enable the practitioner to go beyond the development and health of the physical body, and to transform the practice of yoga asana into a spiritual practice, inducing a higher state of consciousness. Unlike earlier publications related to Hatha Yoga, this volume will show you how to transform your Hatha Yoga practice into a means for Self-Realization. It introduces students to the Five-fold Path of Babaji's Kriya Yoga. This book is dedicated to Yoga students new to Kriya Yoga and also to Initiated students looking to deepen their own practice.

14 day yoga teacher training: *Menopause Yoga* Petra Coveney, 2021-10-21 Bringing together western medical science and eastern wellbeing for menopause education, this book helps yoga teachers develop their understanding of menopause and women's health as well as support their students. Petra Coveney - creator of Menopause Yoga™ - shares yoga, breath and meditation practices, poses, and CBT and self-enquiry methods to manage menopause symptoms. Her book helps to educate and empower women going through menopause, allowing them to embrace it as an opportunity for self-growth. It includes three main yoga sequences that focus on managing specific groups of symptoms, as well as additional sequences for sleep, menopause, and osteopenia. This is the dedicated resource for yoga teachers who want to teach Menopause Yoga™, with four detailed 90-minute class plans also available to download. Underpinned by research and 20 years of teaching experience, Menopause Yoga helps those on their journey from peri-menopause to post-menopause to help them welcome the changes in their minds, bodies and emotions as they enter the next stage in their lives.

14 day yoga teacher training: *Vineland Adaptive Behavior Scales* Sara S. Sparrow, 2016

14 day yoga teacher training: *Yoga Adjustments* Mark Stephens, 2014-06-03 The quintessential guide to yoga assisting and hands-on teaching, *Yoga Adjustments* introduces the art and practice of providing yoga assists to yoga students. Addressing one of the most important topics in the yoga field, expert yoga instructor and best-selling author Mark Stephens covers the philosophy of yoga practice, the sensibilities of touch in teaching yoga and improving alignment, the

seven principles of hands-on yoga teaching, and the twenty-five most effective methods of tactile cueing. An invaluable resource for all yoga teachers, teacher trainers, and serious yoga students, this book includes a foreword by yoga star Shiva Rea as well as over 850 unique instructional photos and explanatory captions demonstrating precise ways of guiding a variety of flowing sequences. Opening with an in-depth discussion of the philosophy of yoga assisting, Part I--Foundations describes the methods and techniques of giving yoga assistance, with detailed discussions of all of the elements of yoga assisting including communicating with students, qualities of touch, the five basic steps of providing hands-on cues, hands-on positioning and stance. Part II--Applications demonstrates how to assist students in each of over 100 postures in the seven families of asanas (poses). Each chapter begins with background on an asana family and close consideration of its foundation asana. Each asana is presented in a two-page spread with photos that show how to give students effective guidance and support. Part III--Evolution offers thoughts on the further development of yoga in the twenty-first century.
