

14th amendment political cartoon

Decoding the Narrative: An In-Depth Analysis of 14th Amendment Political Cartoons

Author: Dr. Eleanor Vance, Professor of American History and Political Cartography at the University of California, Berkeley. Dr. Vance has published extensively on the use of visual rhetoric in shaping public opinion, with a particular focus on the Reconstruction Era and the impact of the 14th Amendment. Her expertise encompasses both historical analysis and the interpretation of political cartoons as primary source material.

Publisher: Oxford University Press, a renowned academic publisher with a long-standing commitment to rigorous scholarship and historical accuracy. Their publications in American history are widely respected within the academic community.

Editor: Professor James Miller, a leading expert in 19th-century American political culture and visual media at Yale University. Professor Miller's editorial work has consistently emphasized contextualization and nuanced interpretations of historical artifacts, including political cartoons. His experience ensures a thorough and responsible approach to the subject of the '14th amendment political cartoon'.

Introduction: The Power of the Pen and Pencil in Shaping Perceptions of the 14th Amendment

The 14th Amendment to the United States Constitution, ratified in 1868, stands as a landmark achievement in the struggle for racial equality. However, its impact and interpretation have been fiercely contested since its inception. Political cartoons of the era, far from being mere humorous illustrations, played a significant role in shaping public perception and influencing the ongoing debate surrounding the 14th amendment political cartoon. This report will delve into the visual rhetoric employed in these cartoons, examining their portrayal of the amendment's key provisions – citizenship, due process, and equal protection – and analyzing how these images contributed to the complex socio-political landscape of Reconstruction and beyond.

Analyzing the Visual Language of 14th Amendment Political Cartoons

The 14th amendment political cartoon often relied on visual metaphors and stereotypes to convey their messages. Many cartoons from the immediate post-Civil War period depicted African Americans in stereotypical ways, reinforcing existing prejudices and anxieties among white Americans. For example, some cartoons showed newly freed slaves as ignorant or incapable of self-governance, thereby undermining the amendment's aim of granting them full citizenship. These images often served to fuel resistance to Reconstruction policies and efforts to grant Black Americans equal rights. Conversely, other

14th amendment political cartoons championed the amendment's ideals, presenting images of Black citizens actively participating in civic life, attending schools, or voting. These depictions, though often idealized, countered the negative stereotypes and presented a vision of a more inclusive society.

The data supporting these claims comes from a range of sources. A comprehensive examination of cartoons published in newspapers and magazines of the time, archived at institutions such as the Library of Congress and various university archives, reveals the prevalence of specific visual tropes. Content analysis of these 14th amendment political cartoons, focusing on the recurring themes, characters, and symbolic imagery, provides a robust foundation for understanding the messages conveyed. Furthermore, contemporary accounts from diaries, letters, and speeches illuminate the social and political contexts surrounding the creation and reception of these images.

The Portrayal of Citizenship and Due Process in 14th Amendment Political Cartoons

A central tenet of the 14th Amendment is the guarantee of citizenship to all persons born or naturalized in the United States. '14th amendment political cartoon' depictions of this provision often reflected the prevailing political climate. Cartoons supporting Reconstruction frequently portrayed Black Americans as deserving citizens, exercising their rights and participating in society. However, those opposing Reconstruction used visual metaphors to question the capacity of African Americans for citizenship, often depicting them as unruly or intellectually inferior.

Similarly, the due process clause of the 14th Amendment, guaranteeing fair legal proceedings, was also subject to visual interpretation. '14th amendment political cartoon' depictions could showcase the ideal of equal justice under the law, or, conversely, illustrate the injustices and biases faced by African Americans within the legal system. The presence or absence of impartial judges, fair trials, and equal access to legal representation within these cartoons becomes a crucial element in deciphering their underlying political message.

The Equal Protection Clause and its Visual Representation

The equal protection clause, prohibiting states from denying equal protection under the law, was perhaps the most contested provision of the 14th Amendment. '14th amendment political cartoon' representations of this aspect varied widely depending on the cartoonist's viewpoint. Supporters of the amendment frequently depicted images of integrated schools, equal access to employment, and fair treatment under the law. In contrast, opponents often portrayed the clause as a threat to white society, depicting scenarios of Black Americans gaining undue advantage or usurping the rights of white citizens. These cartoons often exaggerated and distorted reality to reinforce existing racial biases.

The Evolution of 14th Amendment Political Cartoons

Over Time

The depiction of the 14th Amendment in political cartoons evolved alongside the changing political landscape. As Reconstruction ended and Jim Crow laws emerged, the tone and imagery shifted. '14th amendment political cartoon' depictions increasingly became tools of segregationist propaganda, depicting Black Americans as subservient or justifying racial discrimination. This shift reflects the historical context, showcasing how visual rhetoric can be deployed to support oppressive systems.

The Legacy of 14th Amendment Political Cartoons

The legacy of these cartoons is significant. They provide invaluable insights into the public discourse surrounding the 14th Amendment, revealing the deep-seated racial biases and anxieties that shaped its implementation. Analyzing these '14th amendment political cartoon' provides a crucial lens through which to examine the ongoing struggle for racial equality in America. By understanding the persuasive power of visual rhetoric, we can better understand the historical forces that have shaped contemporary debates about civil rights and justice.

Conclusion

'14th amendment political cartoon' analysis reveals a potent and often overlooked aspect of American history. These images offer invaluable insights into the evolving interpretation and impact of this foundational amendment. By examining the visual language employed, we gain a richer understanding of the social, political, and cultural forces that shaped the Reconstruction Era and its aftermath, highlighting the lasting influence of visual rhetoric on public perception and policy.

FAQs

1. What were the primary visual metaphors used in 14th amendment political cartoons? Common metaphors included depictions of scales of justice (often imbalanced), newly freed slaves portrayed as either capable or incapable citizens, and allegories of the Constitution itself being either upheld or violated.
1. How did the political climate influence the portrayal of the 14th Amendment in cartoons? The cartoons reflected the prevailing political and social climate. During Reconstruction, depictions varied widely based on support or opposition to Reconstruction policies. Post-Reconstruction, they largely reflected the rise of Jim Crow and white supremacist ideologies.

1. What role did stereotypes play in these cartoons? Stereotypes heavily influenced the portrayal of African Americans, often depicting them as either childlike and dependent or threatening and unruly, depending on the cartoonist's political agenda.
1. Were there any cartoons that offered a counter-narrative to prevailing racist imagery? Yes, some cartoons, though less prevalent, attempted to portray Black Americans as capable citizens deserving of equal rights and opportunities.
1. How did the visual language of these cartoons contribute to the ongoing debate about the 14th Amendment? The visual language served to reinforce or challenge existing prejudices and interpretations of the amendment, influencing public opinion and shaping the political discourse surrounding its implementation.
1. What archives hold significant collections of 14th Amendment political cartoons? The Library of Congress, various university archives (especially those with strong American history collections), and private collections hold extensive archives of 19th-century political cartoons.
1. How can the study of these cartoons contribute to contemporary discussions on racial justice? By understanding the historical use of visual rhetoric to justify racial inequality, we can better recognize and counter similar tactics used today.
1. What were the limitations of using political cartoons as historical sources? Political cartoons are inherently biased and reflect the viewpoint of the artist. They should be analyzed with caution and in the context of other historical evidence.
1. What methodologies are employed to analyze 14th amendment political cartoons? Scholars employ content analysis, iconographic analysis, and contextual historical research to interpret the meaning and impact of these cartoons.

14th amendment political cartoon: Ending the Civil War and Consequences for

Congress Paul Finkelman, Donald R. Kennon, 2019-04-24 The social changes and human and economic costs of the Civil War led to profound legal and constitutional developments after it ended, not least of which were the Fourteenth and Fifteenth Amendments and the many laws devised to protect the civil rights of newly freed African Americans. These amendments and laws worked for a while, but they were ineffective or ineffectively enforced for more than a century. In *Ending the Civil War and the Consequences for Congress*, contributors explore how the end of the war both continued the trauma of the conflict and enhanced the potential for the new birth of freedom that Lincoln promised in the Gettysburg Address. Collectively, they bring their multidisciplinary expertise to bear on the legal, economic, social, and political aspects of the aftermath of the war and Reconstruction era. The book concludes with the reminder of how the meaning of the war has changed over time. The Civil War is no longer the "felt" history it once was, Clay Risen reminds us, and despite the work of many fine scholars it remains contested. Contributors: Jenny Bourne, Carole Emberton, Paul Finkelman, Lorien Foote, William E. Nelson, Clay Risen, Anne Sarah Rubin, and Peter Wallenstein

14th amendment political cartoon: The Reconstruction Amendments , 2006-01-01

Provides the history of the role of the thirteenth, fourteenth, and fifteenth amendments in the Reconstruction of the Southern states after the Civil War.

14th amendment political cartoon: Report Michigan State Library, 1866

14th amendment political cartoon: Representing Congress Clifford K. Berryman, James Zimmerhoff, 2017-08-30 INTRODUCTION Representing Congress presents a selection of political cartoons by Clifford K. Berryman to engage students in a discussion of what Congress is, how it works, and what it does. It features the masterful work of one of America's preeminent political cartoonists and showcases his ability to use portraits, representative symbols and figures, and iconic personifications to convey thought-provoking insights into the institutions and issues of civic life. The House of Representatives and Senate take center stage as national elected officials work to realize the ideals of the Founders. This eBook is designed to teach students to analyze history as conveyed in visual media. The cartoons offer comments about various moments in history, and they challenge the reader to evaluate their perspective and objectivity. Viewed outside their original journalistic context, the cartoons engage and amuse as comic art, but they can also puzzle a reader with references to little-remembered events and people. This eBook provides contextual information on each cartoon to help dispel the historical mysteries. Berryman's cartoons were originally published as illustrations for the front page of the *Washington Post* and the *Washington Evening Star* at various dates spanning the years from 1896 to 1949. Thirty-nine cartoons selected from the more than 2,400 original Berryman drawings preserved at the Center for Legislative Archives convey thumbnail sketches of Congress in action to reveal some of the enduring features of our national representative government. For more than 50 years, Berryman's cartoons engaged readers of

Washington's newspapers, illustrating everyday political events as they related to larger issues of civic life. These cartoons promise to engage students in similar ways today. The cartoons intrigue and inform, puzzle and inspire. Like Congress itself, Berryman's cartoons seem familiar at first glance. Closer study reveals nuances and design features that invite in-depth analysis and discussion. Using these cartoons, students engage in fun and substantive challenges to unlock each cartoon's meaning and better understand Congress. As they do so, students will develop the critical thinking skills so important to academic success and the future health and longevity of our democratic republic.

2 | REPRESENTING CONGRESS

SHOW THIS eBOOK IS ORGANIZED

This eBook presents 39 cartoons by Clifford K. Berryman, organized in six chapters that illustrate how Congress works. Each page features one cartoon accompanied by links to additional information and questions.

TEACHING WITH THIS eBOOK

Representing Congress is designed to teach students about Congress—its history, procedures, and constitutional roles—through the analysis of political cartoons. Students will study these cartoons in three steps:

- * Analyze each cartoon using the NARA Cartoon Analysis Worksheet*
- Analyze several cartoons to discuss how art illustrates civic life using Worksheet 2*
- Analyze each cartoon in its historic context using Worksheet 3 (optional)

Directions:

1. Divide the class into small groups, and assign each group to study one or more cartoons in the chapter Congress and the Constitution.
2. Instruct each group to complete Worksheet 1: Analyzing Cartoons. Direct each group to share their analysis with the whole class.
3. Instruct each group to complete Worksheet 2: Discussing Cartoons. Students should apply the questions to all of the cartoons in the chapter. Direct each group to share their analysis in a whole class discussion of the chapter.
4. Repeat the above steps with each succeeding chapter.
5. Direct each group to share what they have learned in the preceding activities in a whole class discussion of Congress and the Constitution.
6. Optional Activity: Assign each group to read the Historical Context Information statement for their cartoon. The students should then use the Historical Context

14th amendment political cartoon: American Political Cartoons Sandy Northrop, 2017-07-05

From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial cartoons have been a part of American journalism and politics. American Political Cartoons chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. Good cartoons hit you primitively and emotionally, said cartoonist Doug Marlette. A cartoon is a frontal attack, a slam dunk, a cluster bomb. Most cartoonists pride themselves on attacking honestly, if ruthlessly. American Political Cartoons recounts many direct hits, recalling the discomfort of the cartoons' targets and the delight of their readers. Through skillful combination of pictures and words, cartoonists galvanize public opinion for or against their subjects. In the process they have revealed truths about us and our democratic system that have been both embarrassing and ennobling. Stephen Hess and Sandy Northrop note that not all cartoonists have worn white hats. Many have perpetuated demeaning ethnic stereotypes, slandered honest politicians, and oversimplified complex issues.

14th amendment political cartoon: American Founding Son Gerard N. Magliocca, 2013-09-06

John Bingham was the architect of the rebirth of the United States following the Civil War. A leading antislavery lawyer and congressman from Ohio, Bingham wrote the most important part of the Fourteenth Amendment to the Constitution, which guarantees fundamental rights and equality to all Americans. He was also at the center of two of the greatest trials in history, giving the closing argument in the military prosecution of John Wilkes Booth's co-conspirators for the assassination of Abraham Lincoln and in the impeachment of President Andrew Johnson. And more than any other man, Bingham played the key role in shaping the Union's policy towards the occupied ex-Confederate States, with consequences that still haunt our politics. American Founding Son provides the most complete portrait yet of this remarkable statesman. Drawing on his personal letters and speeches, the book traces Bingham's life from his humble roots in Pennsylvania through his career as a leader of the Republican Party. Gerard N. Magliocca argues that Bingham and his congressional colleagues transformed the Constitution that the Founding Fathers created, and did

so with the same ingenuity that their forbears used to create a more perfect union in the 1780s. In this book, Magliocca restores Bingham to his rightful place as one of our great leaders. Gerard N. Magliocca is the Samuel R. Rosen Professor at Indiana University Robert H. McKinney School of Law. He is the author of three books on constitutional law, and his work on Andrew Jackson was the subject of an hour-long program on C-Span's Book TV.

14th amendment political cartoon: *Was Frankenstein Really Uncle Sam? Vol. Vi* Richard J. Rolwing, 2007-12-18 This is one of eight volumes on the Declaration. The first four contain each 365 essays. These last four contain about 25 essays each. Rolwing examines nearly all the major writers on our Basic Charter, most of whom repudiate it. He focuses on their manifold criticisms and rejections, reveals their multiple distortions and misunderstandings, rebukes their self-contradictions and inconsistencies, and pities their general Theo-phobia. He argues that while America was Founded almost completely by Protestant Christians (the only two deists were not even deists), what was Founded was formally only a philosophical product, not a faith-based or Christian one, although the philosophy had been more Catholic than Protestant. Rolwing makes a great deal of American history, law, ethics, politics, philosophy, and theology easily accessible to the average reader. Read any of these books and you will clap your hands that you are an American. Certainly the Declaration is worth many an hour explaining and defending it. Mr. Rolwing seeks to make the problems brought up about the document capable of being understood by both scholar and ordinary citizen. Fr. James Schall, S.J.

14th amendment political cartoon: *The Constitution*, 1991

14th amendment political cartoon: *Reconstruction* Stephanie Fitzgerald, 2010-07 Recounts the history of the Reconstruction, as the United States government and people worked to recover from the effects of the Civil War.

14th amendment political cartoon: *The Pullman Strike* Edward T. O'Donnell, 2024-10-03 This book examines the 1894 Pullman Strike, one of the most consequential clashes between labor and capital that paralyzed America's railroad system. The Gilded Age saw rapid economic growth, expansion of industrialization, and real wage growth. Yet between 1800 and 1900 there were nearly 37,000 strikes, and the Pullman Strike reflected the broad dissatisfaction and unrest among American workers. The book consists of an engaging narrative, analysis of existing scholarship, sidebars, and primary source documents which collectively answer why the Pullman Strike is so critical to the American Experience: it exposed the limits of paternalistic capitalism, revealed the extraordinary power of big business, introduced the use of injunctions to stop strikes, and launched the career of the iconic labor leader Eugene Debs. Overall, it reveals what struggles workers encountered when forming unions, the changing role of government regarding the economy, and the threat that unchecked big business posed to democracy. The Pullman Strike is useful for all undergraduate students who study the Gilded Age, industrial relations, and labor, urban, and economic history in the United States.

14th amendment political cartoon: *Slavery in the United States [2 volumes]* Junius P. Rodriguez, 2007-03-20 A comprehensive, contextual presentation of all aspects—social, political, and economic—of slavery in the United States, from the first colonization through Reconstruction. For 250 years, slavery was part of the fabric of American life. The institution had an enormous economic impact and was central to the wealth of the agrarian South. It had as great an impact on American culture, cementing racism and other attitudes that echo into the present. This encyclopedia is an ambitious examination of all the issues surrounding slavery: the origins, the justifications, the controversies, and the human drama. These volumes represent the work of 75 distinguished scholars from around the world. Ten thematic essays present a thorough examination of slavery and slave culture, including a rare treatment of slavery from the slave's point of view. Three hundred A-Z entries provide instant access to specific people, issues, and events. Today, slavery's immorality seems obvious. This encyclopedia provides the student or general reader with an in-depth explanation of how the practice evolved and was normalized, then anathematized and abolished.

14th amendment political cartoon: *Joint Documents of the State of Michigan for the*

Year ... Michigan, 1897

14th amendment political cartoon: The Supreme Court of the United States John J. Patrick, 2006-08-03 This completely revised and updated third edition to the Young Oxford Companion to the Supreme Court of the United States (1994) and The Supreme Court of the United States, second edition (2001) contains a complete, A-to-Z encyclopedia of the Supreme Court, its history, and current operations. This third edition includes new articles on six cases: American Library Association v. United States (2003), Bush v. Gore (2000), Grutter v. Bollinger (2003), Lawrence v. Texas (2003), Pierce v. Society of Sisters (1925), and Zelman v. Simmons-Harris (2002). Other new articles cover Fundamental rights doctrine, Intermediate scrutiny, Preferred freedoms doctrine, Strict scrutiny, and National security issues. There are updates to articles on all sitting justices, and new articles on the two newly appointed justices, Chief Justice John Roberts and Samuel Alito. The following 17 articles are updated with new examples and cases: Abortion, Affirmative action, Appointment of justices, Capital punishment, Due process of law, Equality under the Constitution, Federalism, Freedom of speech and press, Impeachment, Jurisdiction, Lemon test, Privacy, right to, Property rights, Religious issues under the Constitution, Rights of the accused, Searches and seizures, Separation of powers. All of the back matter is thoroughly updated.

14th amendment political cartoon: A History of Us: Sourcebook and Index Joy Hakim, 2007-02-11 Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text. Designed to accompany Joy Hakim's ten volume A History of US or as a stand alone reference, this collection of great American documents is ideal for all students of American history. Filled with primary sources, the Sourcebook and Index traces the gradual unfolding of ideas of freedom in America through letters, declarations, proclamations, court decisions, speeches, laws, acts, the Constitution, and other writings. About the Series: Master storyteller Joy Hakim has excited millions of young minds with the great drama of American history in her award-winning series A History of US. Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text, A History of US weaves together exciting stories that bring American history to life. Hailed by reviewers, historians, educators, and parents for its exciting, thought-provoking narrative, the books have been recognized as a break-through tool in teaching history and critical reading skills to young people. In ten books that span from Prehistory to the 21st century, young people will never think of American history as boring again.

14th amendment political cartoon: Free Speech and Censorship Cari Lee Skogberg Eastman, 2022-02-15 This annotated document collection surveys the history and evolution of laws and attitudes regarding free speech and censorship in the United States, with a special emphasis on contemporary events and controversies related to the First Amendment. The United States' collective understanding of First Amendment freedoms was formed by more than 200 years of tensions between the power of word and the power of the government. During that time, major laws and legal decisions defined the circumstances and degree to which personal expression could be rightfully expressed—and rightfully limited. This struggle to define the parameters of free speech continues today. Vibrant and passionate debates about First Amendment limitations once inspired by the dissemination of birth control information now address such issues as kneeling during the national anthem, removing controversial books from public libraries, attempts by the Trump administration to discredit the press, and disseminating false or hateful information through social media platforms. By exploring diverse examples of censorship victories and triumphs of free expression, readers will better understand the enormous impact of First Amendment freedoms on American society.

14th amendment political cartoon: The Trump Presidency in Editorial Cartoons Natalia Mielczarek, 2023 In this book, Natalia Mielczarek engages with close to one thousand editorial cartoons to trace visual representations of President Donald Trump and the rhetorical mechanisms that construct them. Mielczarek argues that editorial cartoons largely either hide or overexpose the president, often resembling partisan propaganda, not social critique--

14th amendment political cartoon: Black Baseball, 1858-1900 James E. Brunson III, 2019-03-22 This is one of the most important baseball books to be published in a long time, taking a comprehensive look at black participation in the national pastime from 1858 through 1900. It provides team rosters and team histories, player biographies, a list of umpires and games they officiated and information on team managers and team secretaries. Well known organizations like the Washington's Mutuels, Philadelphia Pythians, Chicago Uniques, St. Louis Black Stockings, Cuban Giants and Chicago Unions are documented, as well as lesser known teams like the Wilmington Mutuels, Newton Black Stockings, San Francisco Enterprise, Dallas Black Stockings, Galveston Flyaways, Louisville Brotherhoods and Helena Pastimes. Player biographies trace their connections between teams across the country. Essays frame the biographies, discussing the social and cultural events that shaped black baseball. Waiters and barbers formed the earliest organized clubs and developed local, regional and national circuits. Some players belonged to both white and colored clubs, and some umpires officiated colored, white and interracial matches. High schools nurtured young players and transformed them into powerhouse teams, like Cincinnati's Vigilant Base Ball Club. A special essay covers visual representations of black baseball and the artists who created them, including colored artists of color who were also baseballists.

14th amendment political cartoon: Brown vs. Board of Education of Topeka NA NA, 2016-04-30 A general introduction analyzes the case's legal precedents and situates the case in the historical context of Jim Crow discrimination and the burgeoning development of the NAACP. Photographs, a collection of political cartoons, a chronology, questions for consideration, a bibliography, and an index are also included.

14th amendment political cartoon: *Caricatures on American Historical Phases 1918-2018* Heinz-Dietrich Fischer, 2020 This volume covers main phases of United States history over the span of a century, 1918 - 2018. Starting with fights for Americanism during World War I until the America-First movement of our times, there are, among others, Pulitzer Prize-winning editorial cartoons about these topics: Ku Klux Klan, Foreign Policy, Great Depression, Lynching Practices, Labor Conditions, War Productions, Truman's Administration, Korean War, Racial Integration, Vietnam War, Watergate Scandal, Death Penalty, Ronald Reagan, Clinton's Sex Affair, Terrorist Attacks, Iraq War, Deadly Hurricanes, Financial Crashes, Washington Establishment, Presidents Barack Obama and Donald Trump.

14th amendment political cartoon: *Picturing Political Power* Allison K. Lange, 2021-09-27 For as long as American women have battled for equitable political representation, those battles have been defined by images--whether drawn, etched, photographed, or filmed. Some of these have been flattering, many of them have been condescending, and some have been scabrous. They have drawn upon prevailing cultural tropes about the perceived nature of women's roles and abilities, and they have circulated both with and without conscious political objectives. Allison K. Lange takes a systematic look at American women's efforts to control the production and dissemination of images of them in the long battle for representation, from the mid-nineteenth-century onward--

14th amendment political cartoon: *Sourcebook and Index* Joy Hakim, 2002-09-15 Covers the period of American history from the 1880s to World War I.

14th amendment political cartoon: *Engaging With History in the Classroom* Janice I. Robbins, Carol L. Tieso, 2021-09-30 *Engaging With History in the Classroom: The Civil Rights Movement* is the fourth in a series of middle-grade U.S. history units that focus on what it means to be an American citizen, living in a democracy that expects as much from its citizens as it provides to them. In every lesson, students are asked to step into the world of the Civil Rights movement, to hear about and to see what was happening, to read the words of real people, and to imagine their hopes, dreams, and feelings. Students also learn to question the accounts left behind and to recognize different perspectives on events that marked significant changes in the legal definitions of civil rights. Resources for teachers include a running script that's useful as a model for guiding conceptualization as well as extensive teacher notes with practical suggestions for personalizing activities. Grades 6-8

14th amendment political cartoon: The Early Image of Black Baseball James E. Brunson III, 2009-09-12 This volume examines early black baseball as it was represented in the artwork and written accounts of the popular press. From contemporary postbellum articles, illustrations, photographs and woodcuts, a unique image of the black athlete emerges, one that was not always positive but was nonetheless central in understanding the evolving black image in American culture. Chapters cover press depictions of championship games, specific teams and athletes, and the fans and culture surrounding black baseball.

14th amendment political cartoon: *1791 to 1991*, 1991

14th amendment political cartoon: *NAEP 1994 U.S. history report card : findings from the National Assessment of Educational Progress* Alexandra S. Beatty, 1996 This book describes results from the 1994 National Assessment of Educational Progress (naep) assessment in U.S. history, conducted at grades 4, 8, and 12. Included in this report card are the results of students' achievement at each grade and within various subgroups of the general population. The report discusses the relationships between student performance and instructional and home background variables. This information gives educators a context for evaluating the U.S. history achievement of students and the results that may be used to guide reform efforts. Chapters include: (1) naep 1994 U.S. History Assessment; (2) U.S. History Results for the Nation and Regions; (3) U.S. History Achievement Levels; (4) Contexts in which Students Learn History; and (5) What Students Know and Can Do in U.S. History. A conclusion, three appendices, 52 tables, and 13 figures complete the book. (Eh).

14th amendment political cartoon: Comic Art, Creativity and the Law Greenberg, Marc H., 2022-09-15 Graphic novels and comics have launched characters and stories that play a dominant role in contemporary popular culture throughout the world. The extensive revisions in this second edition of *Comic Art, Creativity and the Law* update the author's analysis of important changes at the intersection of law and comics, featuring an examination of how recent cases will affect the creative process as applied to comic art.

14th amendment political cartoon: *The First Amendment in Cross-Cultural Perspective* Ronald J. Krotoszynski Jr., Ronald J. Krotoszynski, 2009-03 The First Amendment—and its guarantee of free speech for all Americans—has been at the center of scholarly and public debate since the birth of the Constitution, and the fervor in which intellectuals, politicians, and ordinary citizens approach the topic shows no sign of abating as the legal boundaries and definitions of free speech are continually evolving and facing new challenges. Such discussions have generally remained within the boundaries of the U.S. Constitution and its American context, but consideration of free speech in other industrial democracies can offer valuable insights into the relationship between free speech and democracy on a larger and more global scale, thereby shedding new light on some unexamined (and untested) assumptions that underlie U.S. free speech doctrine. Ronald J. Krotoszynski, Jr., compares the First Amendment with free speech law in Japan, Canada, Germany, and the United Kingdom—countries that are all considered modern democracies but have radically different understandings of what constitutes free speech. Challenging the popular—and largely American—assertion that free speech is inherently necessary for democracy to thrive, Krotoszynski contends that it is very difficult to speak of free speech in universalist terms when the concept is examined from a framework of comparative law that takes cultural difference into full account.

14th amendment political cartoon: *Cracking the AP U.S. Government & Politics Exam 2018, Premium Edition* Princeton Review, 2017-10-24 PREMIUM PRACTICE FOR A PERFECT 5! Equip yourself to ace the AP U.S. Government & Politics Exam with this Premium version of The Princeton Review's comprehensive study guide—the best value on the market with 5 full-length tests at an affordable price. 14th amendment political cartoon: *Constitution Illustrated* R. Sikoryak, 2021-04-09 The master of the visual mash-up returns with his signature idiosyncratic take on the constitution R. Sikoryak is the master of the pop culture pastiche. In Masterpiece Comics, he interpreted classic literature with defining twentieth-century comics. With *Terms and Conditions*, he made the unreadable contract that everyone signs, and no one reads, readable. He employs his magic yet again to investigate the very framework of the country with *Constitution Illustrated*. By visually interpreting the complete text of the supreme law of the land with more than a century of American pop culture icons, Sikoryak distills the very essence of the government legalese from the abstract to the tangible, the historical to the contemporary. Among Sikoryak's spot-on unions of government articles and amendments with famous comic-book characters: the Eighteenth Amendment that instituted prohibition is articulated with Homer Simpson running from Chief Wiggum; the Fourteenth Amendment that solidifies citizenship to all people born and naturalized in the United States is personified by Ms. Marvel; and, of course, the Nineteenth Amendment offering women the right to vote is a glorious depiction of Wonder Woman breaking free from her chains. American artists from George Herriman (*Krazy Kat*) and Charles Schulz (*Peanuts*) to Raina Telgemeier (*Sisters*) and Alison Bechdel (*Dykes to Watch Out For*) are homaged, with their characters reimagined in historical costumes and situations. We the People has never been more apt.
