1703 business center ln kissimmee fl 34758: *Frying Plantain* Zalika Reid-Benta, 2019-06-04 'An unforgettable debut' Paul Beatty, Booker Prize-winning author of *The Sellout* 'Incisive and sharp' Refinery29 Kara Davis is a girl caught in the middle - of her Canadian nationality and her desire to be a 'true' Jamaican, of her mother and grandmother's rages and life lessons, of having to avoid being thought of as too 'faas' or too 'quiet' or too 'bold' or too 'soft'. Set in Little Jamaica, Toronto's Eglinton West neighbourhood, Kara moves from girlhood to the threshold of adulthood, from elementary school to high school graduation, in these twelve interconnected stories. We see her on a visit to Jamaica, startled by the sight of a severed pig's head in her great aunt's freezer; in junior high, the victim of a devastating prank by her closest friends; and as a teenager in and out of her grandmother's house, trying to cope with the ongoing battles between her unyielding grandparents. A rich and unforgettable portrait of growing up between worlds, *Frying Plantain* shows how, in one charged moment, friendship and love can turn to enmity and hate, well-meaning protection can become control, and teasing play can turn to something much darker. In her brilliantly incisive debut, Zalika Reid-Benta artfully depicts the tensions between mothers and daughters, second-generation Canadians and first-generation cultural expectations, and Black identity and predominately white society. 'Zalika Reid-Benta announces herself as an enormous voice for the coming decade (and one that is desperately needed)' Gary Shteyngart, author of *Super Sad True Love Story*

Without warning, her mother twice uprooted her and her brother, moving thousands of miles away from family and friends. Disturbing events interrupt their outwardly normal life: break-ins, car thefts, even physical attacks on a family friend. Many years later, her mother finally revealed they'd been running from the Mafia and were receiving protection from a covert anti-organized crime task force. But the truth was even more bizarre. Gradually, Dakin's fears give way to suspicion. She puts her journalistic training to work and discovers that the Mafia threat was actually an elaborate web of lies. As she revisits her past, Dakin uncovers the human capacity for betrayal and deception, and the power of love to forgive. Run, Hide, Repeat is a memoir of a childhood steeped in unexplained fear and menace. Gripping and suspenseful, it moves from Dakin's uneasy acceptance of her family's dire situation to bewildered anger. As compelling and twisted as a thriller, Run Hide Repeat is an unforgettable portrait of a family under threat, and the resilience of family bonds.
