**adult sabbath school bible study guide: The Book of Acts** Wilson Paroschi, 2018 Thirty years-that's all it took. In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit. We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. Originally produced by the Ministerial Association of the General Conference of Seventh-day Adventists, Questions on Doctrine was widely acclaimed and distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation. **adult sabbath school bible study guide: Graffiti in the Holy of Holies** Clifford Goldstein, 2004-02 In books, on the Internet, and through his own publication, an outspoken former adventist minister is attacking our church, especially the 1844 Investigative Judgment. These shots take aim at the heart of Adventism, extending to Ellen White, who is being called a false prophet because she supported the sanctuary doctrine. How can we respond? Can 1844 and the investigative judgment be supported biblically? Is this teaching contrary to the gospel, as this ex-Adventist minister claims, or are these challenges misguided efforts to blemish one of the most important revelations of God's character? In Graffiti in the Holy of Holies, author and church apologist, Clifford Goldstein, examines the arguments against Ellen White and the pre-Advent judgment, and responds, point-by-point. The result is a thoughtful and clear defense that goes beyond his earlier 1844 Made Simple in revealing the Bible-based, and gospel-uplifting truth about the sanctuary. At the same time Goldstein confronts and sweeps away myths concerning Ellen White, and affirms her prophetic gift. Vandals are attempting to spoil your faith. **adult sabbath school bible study guide: The Road to Clarity** E. Keller, 2005-11-18 In recent years, millions of people have joined churches such as the Seventh-day Adventist which prosper enormously in different parts of the world. The Road to Clarity is one of the first ethnographic in-depth studies of this phenomenon. It is a vivid account based on almost two years of participation in ordinary church members' daily religious and non-religious lives. The book offers a fascinating inquiry into the nature of long-term commitment to Adventism among rural people in Madagascar. Eva Keller argues that the key attraction of the church lies in the excitement of study, argument and intellectual exploration. This is a novel approach which challenges utilitarian and cultural particularist explanations of the success of this kind of Christianity.

**adult sabbath school bible study guide: The Elephant in the Room** Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh-day Adventist Church. I call or appeal for systematic change--change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal. Please don't think of me as a brave one who dares to go where many have not gone before. I am not... I speak out because we need policy changes at every level. Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed. Many businesses are rethinking how to move forward post the pandemic. We, too, as a church, need to do the same. In the Old Testament, God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments (Deuteronomy 6:4-8 and Isaiah 54:13). Similarly, the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20. Jesus directs the church to make disciples of all nations by baptizing and teaching. Church schools are needed to partner with parents and the church as a whole to educate children. Ellen G. White, cofounder of the Seventh-day Adventist Church, who earlier encouraged the Seventh-day Church to focus on foreign missions, stated--in addressing church schools in the book Testimonies for the Church, volume 6--that the children are not to be neglected. She writes, We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure

knowledge and experience that will fit them for the service of God. Her solution to financing church schools is simple: Let all share the expense. Enrollment in Christian elementary and secondary schools have been dropping nationwide. Many families in North America, especially new immigrant families, are not able to afford the tuition to send their children to church schools. Several church schools have closed. In this book, Dr. Sadrail Saint-Ulysse, an ordained minister and educator of the Seventh-day Adventist Church, addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty-five years as a pastor and educator, with the hope that the burden of operating church schools can be shared by the entire church--local, state, national, and worldwide--to alleviate this burden. The book challenges parents, teachers, principals, school boards, church members, and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner.
