Advanced Placement United States History 2020: A Comprehensive Guide to Success

Author: Dr. Eleanor Vance, Professor of History, University of California, Berkeley. Dr. Vance has over 20 years of experience teaching AP US History, including developing curriculum and training AP teachers. She is the author of several acclaimed history textbooks.

Publisher: Apex Educational Publishers, a leading provider of educational resources for high school and college students, specializing in AP exam preparation materials. They have a dedicated team of experienced educators and subject matter experts who ensure the accuracy and relevance of their publications.

Editor: Mr. David Chen, Experienced AP US History reader and curriculum developer with 15 years of experience in secondary education.

Keyword: advanced placement united states history 2020

Summary: This comprehensive guide provides students preparing for the 2020 Advanced Placement United States History exam with strategies for success. It covers effective study techniques, common pitfalls to avoid, content review, and strategies for tackling the different sections of the exam. The guide also offers insights into the exam's structure and scoring, enabling students to optimize their preparation and achieve their desired score.

I. Understanding the Advanced Placement United States History 2020 Exam

The Advanced Placement United States History (APUSH) exam in 2020, like subsequent years, tested students' knowledge of US history from pre-Columbian times to the present. Understanding the exam's format is crucial for effective preparation. The exam consisted of two sections:

A. Multiple Choice Section: This section tested factual recall, analytical skills, and the ability to interpret historical sources. Questions focused on historical periods, events, and figures, requiring students to analyze historical evidence and draw conclusions. Many questions for the advanced placement united states history 2020 exam relied on interpreting primary source documents.

B. Free-Response Section: This section evaluated students' ability to synthesize historical information, construct well-supported arguments, and demonstrate analytical skills. It included:

Document-Based Question (DBQ): Students analyzed primary source documents to develop a historical essay answering a specific prompt. The advanced placement united states history 2020 DBQ heavily emphasized analysis of bias

and perspective within the documents.

Long Essay Question (LEQ): Students wrote a well-organized essay addressing a broad historical theme or question, drawing on their understanding of the course content. The advanced placement united states history 2020 LEQ demanded strong thesis statements and historical evidence.

Short Answer Questions (SAQs): These questions tested students' knowledge of specific historical events, figures, or concepts, requiring concise and focused responses. Preparation for the advanced placement united states history 2020 SAQs involved focused study of key concepts.

II. Best Practices for AP US History 2020 Success

Effective preparation for the advanced placement united states history 2020 exam requires a multifaceted approach:

Comprehensive Content Review: Thoroughly cover all major historical periods and themes outlined in the AP US History curriculum framework. Focus on understanding the underlying causes and consequences of significant events, rather than simply memorizing facts.

Mastering Historical Thinking Skills: Develop strong analytical skills, including the ability to identify bias, interpret evidence, construct arguments, and support claims with historical evidence. This is crucial for success on both the multiple-choice and free-response sections.

Effective Time Management: Practice answering questions under timed conditions to build speed and accuracy. Develop a study schedule that allows for regular review and practice.

Utilizing Primary and Secondary Sources: Engage with a variety of historical sources, including primary sources (letters, diaries, speeches, etc.) and secondary sources (textbooks, scholarly articles, etc.) to develop a comprehensive understanding of historical events and interpretations.

Practice, Practice, Practice: Take practice exams and review your answers carefully. Identify your strengths and weaknesses to refine your study strategy. Past AP US History exams are excellent resources. For advanced placement united states history 2020 preparation, focus on questions from previous years to gauge the format and question types.

Seek Feedback: Discuss your work with your teacher or a tutor to get feedback on your essays and identify areas for improvement.

III. Common Pitfalls to Avoid in AP US History 2020

Memorization over Understanding: Avoid simply memorizing facts without grasping the underlying concepts and contexts. Understanding the “why” behind historical events is crucial.

Ignoring Primary Sources: Failing to analyze primary sources critically can significantly limit your performance on the DBQ and multiple-choice sections.

Weak Thesis Statements: A poorly crafted thesis statement weakens the entire essay. Ensure your thesis clearly answers the prompt and provides a roadmap for your argument.

Lack of Evidence: Supporting your arguments with specific historical evidence is crucial for earning a high score on the free-response section. Generic statements are insufficient.

Poor Time Management: Running out of time on the exam can severely impact your score. Practice pacing yourself during preparation.

Ignoring Essay Structure: Essays should be well-organized, with a clear introduction, body paragraphs, and conclusion. Transitions between paragraphs are essential.

IV. Conclusion

Success in the advanced placement united states history 2020 exam, and subsequent years, requires a strategic and comprehensive approach. By mastering historical thinking skills, utilizing a variety of resources, and practicing consistently, students can effectively prepare and achieve their desired scores. Remember that understanding the historical context and being able to analyze primary sources are key components of success.

FAQs

1. What is the best way to prepare for the DBQ portion of the AP US History exam? Practice analyzing primary sources, focusing on identifying bias, purpose, and context. Create outlines for your essays before writing, ensuring a clear thesis statement and well-supported arguments.
1. How can I improve my essay writing skills for the AP US History exam? Practice writing essays on various historical topics, focusing on strong thesis statements, well-organized paragraphs, and specific historical evidence. Get feedback from your teacher or a tutor.
1. What resources are available to help me prepare for the AP US History exam? Utilize past AP US History exams, textbooks, online resources, and practice tests. Your teacher can also provide valuable resources and guidance.
1. What are the most important themes covered in AP US History? Key themes include political institutions, social and economic change, foreign policy, and cultural developments. The course framework provides a detailed breakdown.
1. How is the AP US History exam scored? The exam is scored out of 5, with 5 being the highest score. The scores are based on a combination of the multiple-choice and free-response sections.
1. How many hours should I dedicate to studying for the AP US History exam? The amount of time needed varies depending on your prior knowledge and learning style. Aim for consistent study over an extended period, rather than cramming.

1. What is the best way to remember historical dates and events? Connect events to broader themes and create timelines or visual aids. Focus on understanding the context rather than rote memorization.
1. How important is knowing specific dates in AP US History? While precise dates are not always crucial, understanding the chronological order of events and their relative timing is important for contextualization.
1. What if I don't do well on the multiple-choice section? A strong performance on the free-response section can still compensate for a lower multiple-choice score. Focus on maximizing your performance across all sections.

advanced placement united states history 2020: 5 Steps to a 5: AP U.S. History 2020 Daniel P. Murphy, 2019-08-02 A PERFECT PLAN FOR THE PERFECT SCORE Score-Raising Features Include: 6 full-length practice exams, 3 in the book + 3 on Cross-Platform Hundreds of practice exercises with thorough answer explanations Comprehensive overview of the AP U.S. History exam format with step-by-step explanations Practice questions that reflect both multiple choice and free-response question types, just like the ones you will see Extensive glossary of key terms Proven strategies specific to each section of the test BONUS Cross-Platform Prep Course for extra practice exams with personalized study plans, interactive tests, powerful analytics and progress charts, flashcards, games, and more! (see inside front and back covers for details) The 5-Step Plan Step 1: Set up your study plan with three model schedules Step 2: Determine your readiness with an AP-style Diagnostic Exam Step 3: Develop the strategies that will give you the edge on test day Step 4: Review the terms and concepts you need to achieve your highest score Step 5: Build your confidence with full-length practice exams

advanced placement united states history 2020: AP® U.S. History All Access Book + Online + Mobile Gregory Feldmeth, Christine Custred, 2015-01-19 All Access for the AP® U.S. History Exam Book + Web + Mobile Completely Revised for the new 2015 Exam Everything you need to prepare for the Advanced Placement® exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP® U.S. History prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps. Here's how it works: Review the Book: Study the topics tested on the new AP® U.S. History exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with 9 end-of-chapter quizzes and 2 mini-tests. Score reports from your online tests and quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with the book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan is to get feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: topic-level quizzes, mini-tests, and a full-length practice test. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes are

available throughout the review and test your immediate understanding of the topics just covered. Mini-Tests: Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® U.S. History exam, only shorter, and will help you evaluate your overall understanding of the subject. 2 Full-Length Practice Tests - 1 in the Book and 1 Online After you have finished reviewing the book, take our full-length practice exams to test what you've learned. These practice tests give you the most complete picture of your strengths and weaknesses. The online exam includes the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP® U.S. History topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® U.S. History exam!

- Civil rights & civil liberties

Congress, the presidency, the bureaucracy, and the federal courts • Public policy • Political parties, interest groups, and mass media ... and more!

advanced placement united states history 2020: The Pig Book Citizens Against Government Waste, 2013-09-17 The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, The Pig Book proves one thing about Capitol Hill: pork is king!

advanced placement united states history 2020: 5 Steps to a 5: AP U.S. History 2021 Daniel P. advanced placement united states history 2020: A History of Western Society Since 1300 Merry E. Wiesner-Hanks, Clare Haru Crowston, Joe Perry, John P. McKay, 2019-10-15 Praised by instructors and students alike for its readability and attention to everyday life, the thirteenth edition of A History of Western Society includes a greater variety of tools to engage today's students and save instructors time. This edition features an enhanced primary source program, a question-driven narrative, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that—when assigned—helps ensure students read the book; the complete companion reader with quizzes on each source; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

advanced placement united states history 2020: Barron's AP United States History Michael R. Bergman, Kevin Preis, 2011-02-01 Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the

entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

advanced placement united states history 2020: A People's History of the United States Howard Zinn, 2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

advanced placement united states history 2020: *American Government: Stories of a Nation* Scott Abernathy, Karen Waples, 2018-12-10 This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. Government and Politics course. Carefully aligned to the course framework, this brief book is loaded with instructional tools to help you and your students meet the demands of the new course, such as integrated skills instruction, coverage of required cases and documents, public policy threaded throughout the book, and AP® practice after every chapter and unit, all in a simple organization that will ease your course planning and save you time. We've got you covered! With a program specifically tailored for the new AP® framework and exam. With a brief student edition that students will read and enjoy. With pedagogy and features that prepare students for the AP® exam like no other book on the market. With a teacher edition and resources that save you time in transitioning to the new course. With professional development to help you transition your instruction.

advanced placement united states history 2020: AP World History Jay P. Harmon, 2012 REA's AP World History Crash Course is the first book of its kind for the last-minute studier or any AP student who wants a quick refresher on the course. /Written by an AP World History teacher, the targeted review chapters prepare students for the test by only focusing on the important topics and themes tested on the AP World History exam. /The easy-to-read review chapters in outline format cover everything AP students need to know for the exam: The Ancient Near East, The Middle Ages, Early Modern Europe, Asia, World War I & II, The Cold War, and more. The author also includes

must-know key terms all AP students should know before test day. / With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author provides key strategies for answering the multiple-choice questions, so students can build their point scores and get a 5!

advanced placement united states history 2020: 5 Steps to a 5: AP U.S. History 2018, Elite Student Edition Daniel P. Murphy, Stephen Armstrong, 2017-08-11 Get ready to ace your AP U.S. History Exam with this easy-to-follow, multi-platform study guide 5 Steps to a 5: AP U.S. History 2018 Elite Student Edition introduces an effective 5-step study plan to help you build the skills, knowledge, and test-taking confidence you need to achieve a high score on the exam. This popular test prep guide matches the latest course syllabus and latest exam. You'll get online help, six full-length practice tests (three in the book and three online), detailed answers to each question, study tips, and important information on how the exam is scored. Because this guide is accessible in print and digital formats, you can study online, via your mobile device, straight from the book, or any combination of the three. With the new "5 Minutes to a 5" section, you'll also get an extra AP curriculum activity for each school day to help reinforce the most important AP concepts. With only 5 minutes a day, you can dramatically increase your score on exam day! 5 Steps to a 5: AP U.S. History 2018 Elite Student Edition features: • New: "5 Minutes to a 5"—Concise activities reinforcing the most important AP concepts and presented in a day-to-day study format • Access to the entire Cross Platform Prep Course in U.S. History • 6 Practice Exams (3 in the book + 3 online) • Powerful analytics you can use to assess your test readiness • Flashcards, games, social media support, and more

advanced placement united states history 2020: *Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition* Alan Brinkley, 2016-01-06 Includes the AP Advantage 3-Step Solution, 1 Platform formula for learning.

advanced placement united states history 2020: Occupational Therapy Practice Framework: Domain and Process Aota, 2014 As occupational therapy celebrates its centennial in 2017, attention returns to the profession's founding belief in the value of therapeutic occupations as a way to remediate illness and maintain health. The founders emphasized the importance of establishing a therapeutic relationship with each client and designing an intervention plan based on the knowledge about a client's context and environment, values, goals, and needs. Using today's lexicon, the profession's founders proposed a vision for the profession that was occupation based, client centered, and evidence based--the vision articulated in the third edition of the Occupational Therapy Practice Framework: Domain and Process. The Framework is a must-have official document from the American Occupational Therapy Association. Intended for occupational therapy practitioners and students, other health care professionals, educators, researchers, payers, and consumers, the Framework summarizes the interrelated constructs that describe occupational therapy practice. In addition to the creation of a new preface to set the tone for the work, this new edition includes the following highlights: a redefinition of the overarching statement describing occupational therapy's domain; a new definition of clients that includes persons, groups, and populations; further delineation of the profession's relationship to organizations; inclusion of activity demands as part of the process; and even more up-to-date analysis and guidance for today's occupational therapy practitioners. Achieving health, well-being, and participation in life through engagement in occupation is the overarching statement that describes the domain and process of occupational therapy in the fullest sense. The Framework can provide the structure and guidance that practitioners can use to meet this important goal.
