journeys of Brigid, Rosie, and Babs, beloved characters from Magold's first novel, *A Beast No More*, continue in *The Treasured Egg*. Having achieved worldwide success in their respective careers as English professor, zoologist, and NASA scientist, these women approach middle age with a yearning to reconnect with their families, especially their aging mothers, in Cleveland, Ohio. The novel takes the reader through the splendor of Africa, the magic of Ireland, and the pulse of California—always with the underlying rhythm of a woman's heartbeat. Marriage, music, romance, and cosmic explorations intertwine as the characters rely on their friendship and faith to conquer personal crises of divorce, cancer, and sexism. Dominating the narrative are the women's close relationships with their mothers, especially when confronting the ravages of Alzheimer's and the frightening inevitabilities of old age. Many ancient civilizations traditionally revered women who carried the treasured egg, the preserver of procreation and survival of the tribes. This story of Brigid, Rosie, and Babs, and their mothers and daughters, honors those traditions of reverence.

ae mysteries walkthrough atlantis: I Will Survive Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including *Honey Bee*, *I Got You Under My Skin*, *Never Can Say Goodbye*, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

This type of meditation is particularly concerned with energy flow - energy which is impersonal and fiery in nature. Its potential dangers should therefore be understood and avoided, and practices adopted which are safe and trustworthy. This book sets out the basic principles of occult meditation, showing its overall objective to be planetary service.
