ae mysteries walkthrough trapmaker: *Court of Nightfall* Karpov Kinrade, 2015-01-15 I've spent my life in shades of grey. It wasn't until I died that my world filled with color. That night, I still lived in black and white. There was a full moon. Full and looking as if it had been rolled in powdered sugar then plopped back into the sky, so that a white dusting shone around it like a halo. I've never believed in monsters, or any of that nonsense. Never believed that the dark could be scary. Until that night. Now I know the truth, but it is shrouded with lies. Now I can see the world in color, but it is covered in shadows. Now, I must find the monster that killed my parents. And when I do, I will use my new powers to seek vengeance. A life for the lives that beast stole from me. I am no longer just Scarlett Night, the color-blind girl who dreams of flying. Now, I am Nightfall--a fallen angel with a lust for blood. And I shall have my revenge.

ae mysteries walkthrough trapmaker: *Saving Everest* Sky Chase, 2019-10-22 From the outside, Everest has it all, but there's only one person who can see him for who he truly is . . . and it changes his life forever. In this tender, poignant debut novel by newcomer Sky Chase, two teenagers on the cusp of adulthood learn to embrace life in ways neither of them ever anticipated. Everest is the most popular boy in school. He's handsome, wealthy, and captain of the football team—he has the world at his fingertips, but he's desperately unhappy. And when those feelings become too much to bear, he tries to take his own life. On the surface, Beverly's different from Everest in every possible way. She's quiet, shy, hard working, and keeps to herself on campus, focusing on her schoolwork and her part-time job, distracting herself from her less-than-perfect upbringing. When Everest returns to school after his attempt, he's in more pain than ever. Discarded by his friends, he draws little empathy and too much attention from those who surround him. But when Beverly and Everest meet unexpectedly in a dusty corner of the old library, they discover together just how rich life can be when given the freedom to just be yourself.

ae mysteries walkthrough trapmaker: *Luigi's Mansion 3* Paul a Maxwell, 2020-04-08 Luigi never seems to learn his lesson. It's been 18 years since he was first lured to a haunted house and tortured by its spooky inhabitants. Now, having been duped again, he's trapped in an even bleaker building - the Hotel of Last Resort - as he races to rescue a familiar cast of Mushroom Kingdom characters. Although it treads very familiar ground to its predecessors, there's a lot to love in the third installment of the adventure series that lets Mario's timid twin take charge. You still guide the character through uniquely themed sections of the building, relying on his flashlight and multi-functional Poltergust vacuum to rid the place of ghosts. Luigi keeps track of his progress through the 15 main hotel floors with the help of a digital assistant, amusingly called a Virtual Boo, as well as the quirky Professor E Gadd, who's on hand to offer tips and tutorials. Luigi's Mansion 3 guide and walkthrough is complete with puzzle solutions, boss guides, every gem location, all boo locations, tips and tricks, secrets, easter eggs and references, and much more.
