In spite of all this, he slowly learned how to use use affiliate marketing and created a career for himself. Yes, I am Dan and while it is true I've earned over a million dollars through affiliate marketing much of that income has been spent using online advertising methods including the earlier example of Google AdWords. I've been working with affiliate marketing full time since 2006. It has been an incredible experience taking me all over the country, and really living a dream lifestyle. It was instrumental in financing a TV commercial with DirecTV and providing me with the opportunity to appear on ESPN, MTV, VH-1, A&E, Comedy Central and many more national TV cable networks. In this book, I want to reveal exactly how I got started, and how you can too, even if you have a shoestring budget. I also want to share the 7 best traffic sources that I use including some free and quick methods, advanced techniques I've learned, and give you an easy to follow, step by step guide to get started with affiliate marketing and for those truly committed creating the lifestyle you dream about.
