**affiliate marketing tiktok ideas: How to Keep House While Drowning** KC Davis, 2022-04-26 If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason: anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt

numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as I can never keep up and a chaotic kitchen as I'm a bad mother. Instead, she looked at unwashed clothes and thought, I am alive, and at stacks of dishes and thought, I cooked my family dinner three nights in a row. Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: -How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the 5 Things tidying method, and other shortcuts requiring minimal energy Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.

**affiliate marketing tiktok ideas: Talk Triggers** Jay Baer, Daniel Lemin, 2018-10-02 Talk Triggers is the definitive, practical guide on how to use bold operational differentiators to create customer conversations, written by best-selling authors and marketing experts Jay Baer and Daniel Lemin. Word of mouth is directly responsible for 19% of all purchases, and influences as much as 90%. Every human on earth relies on word of mouth to make buying decisions. Yet even today, fewer than 1% of companies have an actual strategy for generating these crucial customer conversations. Talk Triggers provides that strategy in a compelling, relevant, timely book that can be put into practice immediately, by any business. The key to activating customer chatter is the realization that same is lame. Nobody says let me tell you about this perfectly adequate experience I had last night. The strategic, operational differentiator is what gives customers something to tell a story about. Companies (including the 30+ profiled in Talk Triggers) must dare to be different and exceed expectations in one or more palpable ways. That's when word of mouth becomes involuntary: the customers of these businesses simply MUST tell someone else. Talk Triggers contains: Proprietary research into why and how customers talk More than 30 detailed case studies of extraordinary results from Doubletree Hotels by Hilton and their warm cookie upon arrival, The Cheesecake Factory and their giant menu, Five Guys Burgers and their extra fries in the bag, Penn & Teller and their nightly meet and greet sessions, and a host of delightful small businesses The 4-5-6 learning system (the 4 requirements for a differentiator to be a talk trigger; the 5 types of talk triggers; and the 6-step process for creating talk triggers) Surprises in the text that are (of course) word of mouth

propellants Consumers are wired to discuss what is different, and ignore what is average. Talk Triggers not only dares the reader to differentiate, it includes the precise formula for doing it. Combining compelling stories, inspirational examples, and practical how-to, Talk Triggers is the first indispensable book about word of mouth. It's a book that will create conversation about the power of conversation.

Gretchen Rubin knows firsthand that creating order can make our lives happier, healthier, more productive, and more creative. But for most of us, a rigid, one-size-fits-all solution doesn't work. When we tailor our approach to suit our own particular challenges and habits, we can find inner calm. With a sense of fun, and a clear idea of what's realistic for most people, Rubin suggests dozens of manageable tips and tricks for creating a more serene, orderly environment, including: • Never label anything "miscellaneous." • Ask yourself, "Do I need more than one?" • Don't aim for minimalism. • Remember: If you can't retrieve it, you won't use it. • Stay current with a child's interests. • Beware the urge to "procrasticlear." By getting rid of things we don't use, don't need, or don't love, we free our minds (and our shelves) for what we truly value.
