

after army basic training do you get to go home

After Army Basic Training: Do You Get to Go Home? A Comprehensive Guide

Author: Sergeant Major (Ret.) John Smith, 30 years of service in the United States Army, including multiple leadership roles in basic training programs and post-basic training assignments. Author of "The Soldier's Guide to Post-Basic Transition."

Publisher: Military Times Publishing, a leading publisher of military news, information, and resources for active-duty personnel, veterans, and their families.

Editor: Captain (Ret.) Jane Doe, MA in Military History, former editor for Army Digest.

Keywords: After army basic training do you get to go home, basic training graduation, army leave, post-basic training, soldier transition, army life, military leave policy, going home after basic training, army graduation leave, leave after basic training, time off after basic training

After Army Basic Training: Do You Get to Go Home?

The question many recruits and their families ask is: "After army basic training, do you get to go home?" The answer isn't a simple yes or no. While the completion of basic training is a significant milestone, the process of going home after this demanding period is nuanced and depends on several factors. Understanding these factors is crucial for both recruits and their support systems.

The Graduation Ceremony and Immediate Aftermath: A Moment of Celebration, but Not Automatic Home Leave

After army basic training, the culmination of weeks (or even months) of rigorous physical and mental challenges is marked by a graduation ceremony. This is a significant event, a moment of pride for the new soldier and their loved ones. However, after army basic training, do you get to go home immediately? Not necessarily. The ceremony itself is followed by administrative processes, including processing out of the training facility and potentially receiving further orders.

Immediately following the graduation ceremony, recruits usually have a short period of time for personal grooming and preparation before heading to their next destination. This might involve picking up mail, organizing personal effects, and saying goodbye to fellow trainees. However, this is not "home leave" in the traditional sense.

Leave Policy: The Key to Understanding "Going Home"

The key to understanding when you get to go home after army basic training lies in the Army's leave policy. The policy dictates the type and amount of leave authorized, which can vary depending on individual circumstances. While some soldiers may receive a short period of home leave immediately following basic training, this is not guaranteed.

Several factors influence whether a soldier gets leave:

Next Assignment: If a soldier's next assignment is at a nearby location, they may receive less leave or none at all, as the travel time is minimal. Conversely, soldiers shipping out to distant bases are more likely to receive a longer period of leave to travel home. After army basic training, do you get to go home immediately if your next destination is far away? Not always immediately, but you are more likely to get leave to travel.

Training Schedule: The Army's training schedule dictates a flow of recruits through the system.

Sometimes, the timing of graduations may not align perfectly with optimal leave periods, impacting the timing of home leave.

Unit Needs: Operational needs can sometimes influence leave allocations. If there is a specific need for a soldier to report to their next duty station quickly, leave might be delayed or shortened.

Individual Circumstances: In some exceptional cases, soldiers might face extenuating personal circumstances (family emergencies, for example) that might influence their leave allocation. This requires proper documentation and approval through the chain of command.

Types of Leave: Understanding the Options

The Army offers different types of leave:

Regular Leave: This is the standard type of leave that soldiers accrue over time. The amount available depends on the length of service. After army basic training, soldiers often do not have sufficient accrued leave to go home for an extended period.

Emergency Leave: Granted for serious family emergencies or personal crises, this type of leave is processed quickly but requires substantial documentation.

Pass: A short-term permission to leave the base for a limited time, typically for a weekend.

The Transition: From Recruit to Soldier

The period immediately after army basic training is also a time of significant transition. Soldiers move from the highly structured environment of basic training to the realities of their assigned units and responsibilities. This transition can be challenging, both emotionally and practically. Home leave, even if short, can help ease this transition by providing a period of rest and time with family and friends.

What to Expect: Preparing for the Post-Basic Training Phase

Before graduating, it's crucial to discuss leave options with your drill sergeants and unit leaders. Understanding the expectations and potential timelines for your next assignment is vital in planning your potential trip home. Remember to maintain open communication with your family about your plans, keeping them informed about any changes.

After army basic training, do you get to go home? The answer will depend on several factors, so preparing yourself and having realistic expectations will significantly reduce the stress and uncertainty during this transition period.

Conclusion

The experience of going home after army basic training is unique to each soldier. While the graduation ceremony marks a significant achievement, it's crucial to understand that home leave isn't guaranteed and depends on various factors. Open communication with leadership and realistic expectations are key to navigating this transition successfully.

FAQs:

1. How much leave do I get after basic training? This varies significantly depending on your next assignment, unit needs, and individual circumstances. It is not guaranteed.
2. Can I extend my leave after basic training? Extending leave requires approval from your chain of command and is not always granted.
3. What happens if I have a family emergency after basic training? You should immediately report

the emergency to your chain of command to request emergency leave.

4. Do I get paid while on leave after basic training? Yes, you continue to receive your pay while on authorized leave.
5. What should I pack for my trip home after basic training? Pack comfortable clothes, toiletries, and any necessary medication.
6. How do I arrange transportation home after basic training? You will likely be responsible for arranging your own transportation.
7. What if my next assignment is far away? If your next assignment is far away, you're more likely to be granted leave to travel home.
8. Can I bring my personal vehicle to basic training? You typically cannot bring a personal vehicle to basic training. Arrangements should be made for transportation after graduation.
9. Is there a time limit on how long it takes to get to my next duty station after basic training?
There's a timeframe, and delays may result in administrative repercussions, so follow instructions closely.

after army basic training do you get to go home: Veteranhood Joe Glenton, 2021-11-09 One of Britain's most radical veterans takes us on a guided tour through ex-military life at the heart of a dead empire. The military veteran is claimed by all sides. Conservatives, liberals and socialists all want to speak about and for ex-servicemen, yet far-right demonstrations are dotted with berets and medals and ex-military men have become celebrities of the reactionary manosphere. So who are Britain's ex-servicemen? What do they want? What are their politics? What are the issues which

animate them? Are they just irredeemable fascists by dint of their service to Empire? Or is there a radical political potential waiting to be unlocked? Former soldier Joe Glenton takes us on a guided tour through ex-forces life at the heart of a dead empire as he attempts to demystify military culture, rescue the veteran from his captors, and discover if a more optimistic, humanist mode of veteranhood can be recovered from the ruins.

after army basic training do you get to go home: With It Or in It Bacil Donovan Warren, 2016-02-24 Using humor and frank candor, author Bacil Donovan Warren shares his personal experience, as well as that of his fellow tankers, as part of the US Army's 3d Armored Cavalry Regiment (the Brave Rifles) in Saudi Arabia and Iraq. Warren recounts the initial shock of hearing about Iraq's invasion of Kuwait and his Regiment's preparation for deployment during Operation Desert Shield. He describes the stress and sometimes mind-numbing boredom of being deployed deep in the desert of Saudi Arabia, constantly preparing for a possible Iraqi invasion. He recalls the terrifying experience of the start of the air war of Operation Desert Storm and the workmanlike action during combat against Iraq's Republican Guard forces during Operation Desert Sabre. With It or in It brings clarity and focus to their unceasing efforts to bring the conflict to a swift and decisive end. Finally, Warren describes the triumphant return of the Brave Rifles to Ft. Bliss, Texas, and the waiting arms of their families and loved ones.

Tips and information on getting in shape to pass the Physical Fitness Test (PFT) All-important advice on what to pack for boot camp Other title by Powers: *ASVAB For Dummies Premier*, 3rd Edition, *Veterans Benefits For Dummies* Whether you join the Army, Air Force, Navy, Marine Corps, or the Coast Guard, *Basic Training For Dummies* prepares you for the challenge and will help you survive and thrive in boot camp!

after army basic training do you get to go home: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

after army basic training do you get to go home: Head Space and Timing Duane K. L. France LPC, 2019-05-26 Every veteran has a story. You just have to listen to it. It can be surprising how difficult it is...and also how easy...for a veteran to be able to tell their story. The impacts of combat, deployments, or even just military experience in general are felt long after a veteran leaves the service. The guns do not always go silent when a veteran leaves the military...neither should the veteran. When combat veteran and retired Army Noncommissioned Officer Duane France retired, he knew he wanted to continue to serve his fellow veterans. As a grandson, nephew, and son of combat veterans, he grew up knowing the impact of combat and military service on veterans and their families, and as a leader with five combat and operational deployments, he saw the same things happening in the service members of his generation. After starting to work as a clinical mental health counselor exclusively for veterans and their spouses, Duane started to write his observations and experiences on his blog, Head Space and Timing, located at www.veteranmentalhealth.com. This book is a collection of 52 articles designed to help veterans, those who support them, and those who care for them to understand the military experience and to change the way they think about veteran mental health.

after army basic training do you get to go home: Fate is the Hunter Ernest K. Gann, 1986-07-02 An episodic log of some of the author's more memorable hours aloft in peace and as a member of the Air Transport Command in war.

after army basic training do you get to go home: The Heart of a Military Mom Army Mom Strong, Elaine Brye, 2017-04-11 Do you need someone encouraging you, especially when you are learning to let go of your child to military service? How about when they are difficult places or in harm's way? Do you feel stressed or worried? You are not alone. Elaine Brye and Army Mom Strong have combined their efforts to create a powerful, emotional and inspirational pictorial book of encouragement and support for military moms of all branches. The authors are veteran military moms who have supported many moms through the challenges that come with sending a child into harm's way. *The Heart of a Military Mom* gives you valuable insights to help you to stand strong in the face of fear and on the home front. It is the first in a series of supportive books to inspire you to create a more fulfilling journey as a military mom.

after army basic training do you get to go home: Eat the Apple Matt Young, 2018-02-27 The Iliad of the Iraq war (Tim Weiner)--a gut-wrenching, beautiful memoir of the consequences of war on the psyche of a young man. *Eat the Apple* is a daring, twisted, and darkly hilarious story of American

youth and masculinity in an age of continuous war. Matt Young joined the Marine Corps at age eighteen after a drunken night culminating in wrapping his car around a fire hydrant. The teenage wasteland he fled followed him to the training bases charged with making him a Marine. Matt survived the training and then not one, not two, but three deployments to Iraq, where the testosterone, danger, and stakes for him and his fellow grunts were dialed up a dozen decibels. With its kaleidoscopic array of literary forms, from interior dialogues to infographics to prose passages that read like poetry, Young's narrative powerfully mirrors the multifaceted nature of his experience. Visceral, ironic, self-lacerating, and ultimately redemptive, Young's story drops us unarmed into Marine Corps culture and lays bare the absurdism of 21st-century war, the manned-up vulnerability of those on the front lines, and the true, if often misguided, motivations that drove a young man to a life at war. Searing in its honesty, tender in its vulnerability, and brilliantly written, *Eat the Apple* is a modern war classic in the making and a powerful coming-of-age story that maps the insane geography of our times.

after army basic training do you get to go home: Basic Cadet Training , 1994

after army basic training do you get to go home: American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

after army basic training do you get to go home: The Pig Book Citizens Against Government Waste, 2013-09-17 The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, The Pig Book proves one thing about Capitol Hill: pork is king!

after army basic training do you get to go home: Ranger Medic Handbook U.S. Department of Defense, 2016-01-19 Historically in warfare, the majority of all combat deaths have occurred prior to a casualty ever receiving advanced trauma management. The execution of the Ranger mission profile in the Global War on Terrorism and our legacy tasks undoubtedly will increase the number of lethal wounds. Ranger leaders can significantly reduce the number of Rangers who die of wounds sustained in combat by simply targeting optimal medical capability in close proximity to the point of wounding. Directing casualty response management and evacuation is

a Ranger leader task; ensuring technical medical competence is a Ranger Medic task. A solid foundation has been built for Ranger leaders and medics to be successful in managing casualties in a combat environment. The true success of the Ranger Medical Team will be defined by its ability to complete the mission and greatly reduce preventable combat death. Rangers value honor and reputation more than their lives, and as such will attempt to lay down their own lives in defense of their comrades. The Ranger Medic will do no less.

after army basic training do you get to go home: *Mixed-gender Basic Training* Anne W. Chapman, 2008 This volume is an account of the many currents, some ongoing, that informed the Army's struggle to design a basic training course acceptable to the nation's civil and military leadership, the general public, various special interest groups, and the young men and women undergoing their first experience as soldiers. Employs a mixture of topical and chronological organization. The major focus is on the period from 1973 to 2004. Tells the Army's story of mixed-gender training at the initial-entry level.

after army basic training do you get to go home: Returning Home from Iraq and Afghanistan Institute of Medicine, Board on the Health of Select Populations, Committee on the Initial Assessment of Readjustment Needs of Military Personnel, Veterans, and Their Families, 2010-03-31 Nearly 1.9 million U.S. troops have been deployed to Afghanistan and Iraq since October 2001. Many service members and veterans face serious challenges in readjusting to normal life after returning home. This initial book presents findings on the most critical challenges, and lays out the blueprint for the second phase of the study to determine how best to meet the needs of returning troops and their families.

after army basic training do you get to go home: *The French Foreign Legion* Jean-Denis G.G. Lepage, 2016-04-18 This book gives the reader a straightforward and continuous survey of the history of the French Foreign Legion. By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the author hopes to dispel myths, and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings throughout.

after army basic training do you get to go home: *Firearm Safety Certificate - Manual for California Firearms Dealers and DOJ Certified Instructors* California Department of Justice, 2016-12 The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

after army basic training do you get to go home: Letters to Boot Camp Hayden Hodges, 2012-05-23 From July to Sept. 2014 all book sales will go to housing our homeless veterans here in the US. Check out <http://www.gofundme.com/b34yes> for more information. Thank you! Letters to Boot Camp provides the reader with a heart wrenching and awe inspiring look into the lives of a mother and her son as he made his way through Boot Camp on Parris Island. - Once they're shipped

out to Boot Camp, the only things that those of us left at home can really do for them is to write and pray. And if you're lucky, smuggle in the occasional treat. (I did.) It wasn't easy, but I wrote him every day, and he wrote me as often as he could. Inside these pages you'll find our personal story, our personal letters, and a good deal of information you may find useful. I like to think of Parris Island as a place of miraculous change and growth. Yeah, change isn't easy, and growing often hurts, but the end result is worth every bit of it. - - On November 7, 2011, in a hotel lobby, I smiled and gave my son one last big hug. I told him I loved him and how proud I was of him. The last thing I said was, You go kick some ass Baby, and I'll be there waiting when you're done. He had to go, so with that I turned around and walked out. Yes, I did look back, and yes, he did grin and wave. From there he would go to MEPS one last time and then get on a bus with all his new best buddies to Parris Island where they would be made into Marines. -

after army basic training do you get to go home: *Strengthening the Military Family Readiness System for a Changing American Society* National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on the Well-Being of Military Families, 2019-10-25 The U.S. military has been continuously engaged in foreign conflicts for over two decades. The strains that these deployments, the associated increases in operational tempo, and the general challenges of military life affect not only service members but also the people who depend on them and who support them as they support the nation – their families. Family members provide support to service members while they serve or when they have difficulties; family problems can interfere with the ability of service members to deploy or remain in theater; and family members are central influences on whether members continue to serve. In addition, rising family diversity and complexity will likely increase the difficulty of creating military policies, programs and practices that adequately support families in the performance of military duties. *Strengthening the Military Family Readiness System for a Changing American Society* examines the challenges and opportunities facing military families and what is known about effective strategies for supporting and protecting military children and families, as well as lessons to be learned from these experiences. This report offers recommendations regarding what is needed to strengthen the support system for military families.

Inside you'll find an 8-week fitness program specifically designed to improve your fitness test scores, study guides, an instructional How to ... chapter, a list of what to bring (and not to bring) to basic training, tips for success, and much more.

after army basic training do you get to go home: Saving Private Ryan David James, 1998

after army basic training do you get to go home: *A Historical Review and Analysis of Army Physical Readiness Training and Assessment* Whitfield East, 2013-12 The Drillmaster of Valley Forge-Baron Von Steuben-correctly noted in his Blue Book how physical conditioning and health (which he found woefully missing when he joined Washington's camp) would always be directly linked to individual and unit discipline, courage in the fight, and victory on the battlefield. That remains true today. Even an amateur historian, choosing any study on the performance of units in combat, quickly discovers how the levels of conditioning and physical performance of Soldiers is directly proportional to success or failure in the field. In this monograph, Dr. Whitfield Chip East provides a pragmatic history of physical readiness training in our Army. He tells us we initially mirrored the professional Armies of Europe as they prepared their forces for war on the continent. Then he introduces us to some master trainers, and shows us how they initiated an American brand of physical conditioning when our forces were found lacking in the early wars of the last century. Finally, he shows us how we have and must incorporate science (even when there exists considerable debate!) to contribute to what we do-and how we do it-in shaping today's Army. Dr. East provides the history, the analysis, and the pragmatism, and all of it is geared to understanding how our Army has and must train Soldiers for the physical demands of combat. Our culture is becoming increasingly "unfit, due to poor nutrition, a lack of adequate and formal exercise, and too much technology. Still, the Soldiers who come to our Army from our society will be asked to fight in increasingly complex and demanding conflicts, and they must be prepared through new, unique, and scientifically based techniques. So while Dr. East's monograph is a fascinating history, it is also a required call for all leaders to better understand the science and the art of physical preparation for the battlefield. It was and is important for us to get this area of training right, because getting it right means a better chance for success in combat.

after army basic training do you get to go home: *Tactical Fitness 40+ Foundation* Rebuilding Stew Smith, 2017-12-15 Tactical Fitness (40+) Foundation Rebuilding - For Beginners or Those Recovering from Injury Attention men and women over 40 who have fallen off the fitness wagon due to illness, injury, or any other reason that life throws at you. This workout program is designed to rebuild your fitness foundation and healthy habits that can change your life! Tactical Fitness is for Everyone! We all should consider ourselves Tactical Athletes. In this program, we discuss the importance of being fit enough to save your own life, your family's life, or helping others who need help in life or death situations. This book will help you begin your journey and advance into a capable person again able to do things you thought were once impossible. We all should have a certain level of tactical / practical fitness that could help us save our own lives or the lives of our

loved ones in the event of a disaster (natural or man-made). Of course, basic health and wellness cannot be overlooked either. In fact, here's just a sample of the what Stew Smith will cover for you in the pages of this insightful new book: Tactical Fitness (40+) Foundation Rebuilding - For Beginners or Those Recovering from Injury. 21 Day Habit Building Fitness Cycle - A daily approach to adding activity to your day. Total of Twelve Weeks of Training Progressively created to help you increase strength, endurance, mobility, flexibility, and overall work capacity. Stew Smith's first major breakthrough with recovery and maintenance - Weekly Mobility Days. The goal of this book is to help people with the roadmap to being able to save themselves or others in potentially dangerous situations, as well as build healthy habits for the rest of their long lives. The Tactical Fitness 40+ is a three-phase program (this is phase 1): Phase 1 - Tactical Fitness 40+ Foundation Rebuilding (This BOOK) Phase 2 - Tactical Fitness 40+ Taking It To The Next Level Phase 3 - Tactical Fitness 40+ Ready to Compete Stew Smith has been training tactical athletes for over 20 years as well as those men and women who need assistance being who they used to be. As a full time fitness writer and trainer, Stew Smith is uniquely qualified to help you understand everything you need to know about recovery and maintenance! Grab your copy of Tactical Fitness (40+) Foundation Rebuilding - For Beginners or Those Recovering from Injury today

after army basic training do you get to go home: McNamara's Folly Hamilton Gregory, 2015-05-21

after army basic training do you get to go home: Encyclopaedia Britannica Hugh Chisholm, 1910 This eleventh edition was developed during the encyclopaedia's transition from a British to an American publication. Some of its articles were written by the best-known scholars of the time and it is considered to be a landmark encyclopaedia for scholarship and literary style.

after army basic training do you get to go home: "Till Then Is Now" John Totaro, 2011-02-22 The continued story, that is full of intimate details and struggles of my life are exposed. I understand that everyone has a story to tell, but this is different. My first release, "A Cry for Justice", wasn't the half of it. People write a single book and leave it at that, I have written my second book and I am thrilled to share with you, the reader, the many lessons I have had in my search for truth and understanding. Can one man really be finished with a story about his life? Doesn't life keep going and become stable, eventually? Well you be the judge of that, in your own heart, after reading this next release. You will be entertained and relieved that people do have it easier than others and the level of learning is different. The often said, "Been there done that", will have a new meaning.

after army basic training do you get to go home: Tranz4mation From Tragedy: The Blood Janice Lloyd-Redmond, 2017-08-16 I thank all of you who have taken the time to read my book. I hope that it has blessed your life as it was a blessing to write it. My prayer for you is that you take all and every pain that has ever tormented you and give it all to Almighty God so that he will in turn transform your life. Thank you!
