Not so much lies as lie adjacent. But they're still lies... Golden-haired Max Monroe has it all: beauty, friends, and tons of followers. Her picture-perfect existence seems eminently enviable. Except it's all fake. Max is actually Kat Sanchez, a quiet and sarcastic 17-year-old living in drab Bakersfield, California. Nothing glamorous about her existence—just bad house parties, a crap school year, and the awkwardness of dealing with best friend Hari's unrequited love. But while Kat's life is far from perfect, she thrives as

Max: doling out advice, sharing beautiful photos, networking with fans, even finding a real friend (or more?—Is Kat into girls!?) in a gorgeous Fat follower named Elena. But the closer Elena and Max get, the more Kat feels she has to keep up the façade. Max is the first time people have really listened to what Kat has to say—and after a lifetime of invisibility (including ice-cold indifference from her parents) can she really give that up? But when one of Kat's posts goes viral and gets back to the girl she's been stealing photos from, her entire world—real and fake—comes crashing down around her. Can she escape the web of lies she's woven without hurting the people she loves? This insightful, provocative novel—hilarious and raw by turns—is the second book from Crystal Maldonado, author of smash-hit New England Book Award Winner *Fat Chance*, Charlie Vega. Brilliantly plotted, deeply sensitive, and rich in voice, *No Filter and Other Lies* deftly addresses FOMO, first love, one-sided love, frayed family ties, raced exclusion on social media, queer awakenings, and learning to live with—and love—yourself. after ever happy interview: A Girl is a Half-Formed Thing Eimear McBride, 2014-09-09 Taking the literary world by storm, Eimear McBride's internationally praised debut is one of the most acclaimed novels in recent years; it is "subversive, passionate, and darkly alchemical. Read it and be changed" (Eleanor Catton). Eimear McBride's debut tells, with astonishing insight and in riveting detail, the story of a young woman's relationship with her brother, the long shadow cast by his childhood brain tumour, and her harrowing sexual awakening. Not so much a stream-of-consciousness, as an unconscious railing against a life that makes little sense, and a shocking and intimate insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, *A Girl Is a Half-formed Thing* plunges inside its narrator's head, exposing her world firsthand. This isn't always comfortable—but it is always a revelation. Touching on everything from family violence to religion to addiction, and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity, and mordant wit. *A Girl Is a Half-formed Thing* is moving, funny, and alarming. It is a book you will never forget.

In the early years of the century, Nathan Walker leaves his native Georgia for New York City and the most dangerous job in America. A sandhog, he burrows beneath the East River, digging the tunnel that will carry trains from Brooklyn to Manhattan. Above ground, the sandhogs--black, white, Irish, Italian--keep their distance from each other until a spectacular accident welds a bond between Walker and his fellow diggers--a bond that will bless and curse the next three generations. Years later, Treefrog, a homeless man driven below by a shameful secret, endures a punishing winter in his subway nest. In tones ranging from bleak to disturbingly funny, Treefrog recounts his strategies of survival--killing rats, scavenging for discarded soda cans, washing in the snow. Between Nathan Walker and Treefrog stretch seventy years of ill-fated loves and unintended crimes. In a triumph of plotting, the two stories fuse to form a tale of family, race, and redemption that is as bold and fabulous as New York City itself. In *This Side of Brightness*, Colum McCann confirms his place in the front ranks of modern writers.

after ever happy interview: *The American Heiress* Daisy Goodwin, 2011-06-21 Now including an excerpt from *VICTORIA: A Novel*, by Daisy Goodwin, the Creator/Writer of the Masterpiece Presentation on PBS. Anyone suffering Downton Abbey withdrawal symptoms (who isn't?) will find an instant tonic in Daisy Goodwin's *The American Heiress*. The story of Cora Cash, an American heiress in the 1890s who bags an English duke, this is a deliciously evocative first novel that lingers in the mind. --Allison Pearson, New York Times bestselling author of *I Don't Know How She Does It* and *I Think I Love You* Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage. Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness. --Daisy Goodwin in *The Daily Mail* One of Library Journal's Best Historical Fiction Books of 2011

after ever happy interview: *Rabbit Cake* Annie Hartnett, 2017-03-07 People Magazine Book of the Week A Best Book of the Year at Kirkus Reviews, Book Riot, The Chicago Review of Books, Minnesota Public Radio, and more An Indies Introduce and Indie Next Pick Fans of Maria Semple's *Where'd You Go Bernadette* and Kevin Wilson's *The Family Fang* will delight in Annie Hartnett's debut, a darkly comic novel about a young girl named Elvis trying to figure out her place in a world without her mother. Elvis Babbitt has a head for the facts: she knows science proves yellow is the happiest color, she knows a healthy male giraffe weighs about 3,000 pounds, and she knows that the naked mole rat is the longest living rodent. She knows she should plan to grieve her mother, who has recently drowned while sleepwalking, for exactly eighteen months. But there are things Elvis doesn't yet know—like how to keep her sister Lizzie from poisoning herself while sleep-eating or why her father has started wearing her mother's silk bathrobe around the house. Elvis investigates the strange circumstances of her mother's death and finds comfort, if not answers, in the people (and animals) of Freedom, Alabama. As hilarious a storyteller as she is heartbreakingly honest, Elvis is a truly original voice in this exploration of grief, family, and the endurance of humor after loss.

after ever happy interview: *Zoli* Colum McCann, 2008-12-10 A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway—neither in love nor in politics. While Zoli's fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her

family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer* and *This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli “Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is a riveting novel.”—Gail Caldwell, *Boston Sunday Globe* “Beautifully written . . . Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliant artist, is unforgettable.”—*The Washington Post Book World* **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*.

after ever happy interview: Marcus Makes It Big Kevin Hart, 2022-05-03 From celebrity author Kevin Hart comes the laugh-out-loud highly illustrated sequel to *Marcus Makes a Movie* about a young boy who has big Hollywood dreams--and the hustle to make it happen. Everybody, grab a ticket and run for a front row seat to *Marcus Makes a Movie!* —Judd Winick, *New York Times* bestselling author of the Hilo series *Marcus's movie*, *Toothpick vs. the Doom*, is a HIT! Too bad his film crew (aka friends) are too preoccupied with their MeTube channels to notice. An invite to *The Helen Show* has Marcus thinking they'll be back on top, but will nerves, unchecked ambition, and a rivalry between friends shut down this show before it even begins? In the laugh-out-loud sequel, actor and comedian Kevin Hart delivers a message about being creative, working hard, and learning that sometimes the best dreams are the ones you achieve with your friends.

after ever happy interview: The Expatriates Janice Y. K. Lee, 2016-01-12 The inspiration for *Expats*, a new series starring Nicole Kidman coming soon to Prime Video. “Devastating and heartwarming, and exquisite in every way, this is a book you’ll fall deeply in love with and never want to put down.” —Kevin Kwan, author of *Crazy Rich Asians* From the *New York Times* bestselling author of *The Piano Teacher*, a searing novel of marriage, motherhood, and the search for connection far from home. In the glittering city of Hong Kong, expats arrive daily for myriad reasons—to find or lose themselves in a foreign place, and to forget or remake themselves far from home. Amidst this hothouse atmosphere, a tragic incident causes three American women’s lives to collide in ways that will rewrite every assumption of their privileged world: Mercy, a young Korean American and recent Columbia graduate, once again finds herself compromised and adrift, trying to start her life anew; Hilary, a wealthy housewife, is haunted by her struggle to have a child, hoping to save her uncertain marriage; meanwhile, Margaret, once the enviable mother of three, tries to negotiate an existence that has become utterly unrecognizable after a catastrophic event. Faced with unthinkable choices, these three women form a profound connection that defies the norms of the sequestered community—finding in each other a strength borne of need, forgiveness, and ultimately hope. Atmospheric and utterly compelling, *The Expatriates* showcases Lee’s exceptional talent as one of our keenest observers of women’s inner lives.

after ever happy interview: *On Earth We're Briefly Gorgeous* Ocean Vuong, 2021-06-01 The instant New York Times Bestseller • Nominated for the 2019 National Book Award for Fiction "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, The Washington Post Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling. *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!

after ever happy interview: *Happy Hour* Marlowe Granados, 2021-09-07 With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City. Isa Epley, all of twenty-one years old, is already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York with her newly blond best friend looking for adventure. They have little money, but that's hardly going to stop them. By day, the girls sell clothes on a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave between Brooklyn, the Upper East Side, and the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a system that wants you to do neither.

after ever happy interview: *Island Genres, Genre Islands* Ralph Crane, Lisa Fletcher, 2017-02-03 'Island Genres, Genre Islands' moves the debate about literature and place onto new ground by exploring the island settings of bestsellers. Through a focus on four key genres—crime fiction, thrillers, popular romance fiction, and fantasy fiction—Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands. The book offers broad, comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts. These include chapters on Agatha's Christie's islands, the role of the island in 'Bondspace,' the romantic islophilia of Nora Roberts's Three Sisters Island series, and the archipelagic geography of Ursula Le Guin's Earthsea. Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography, as well as in island studies.

after ever happy interview: *Bream Gives Me Hiccups* Jesse Eisenberg, 2015-08-31 The wildly

inventive debut collection of stories by the Oscar-nominated star of *The Social Network*. “Hilarious . . . It’s a hoot” (People, The Best New Books). Jesse Eisenberg, known for his iconic film roles, his regular pieces in the *New Yorker* and two critically acclaimed plays, proves himself “a deeply original comic voice” in these 28 stories” about the funniness, sadness, and strangeness of everyday life and they really made me laugh” (Roz Chast). Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii, Eisenberg throws the reader into a universe of social misfits, reimagined scenes from history, and ridiculous overreactions; a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing (“She didn’t have ‘one’ of my ramens. She had a chicken ramen.”); Alexander Graham Bell has teething problems with his invention (“I’ve been calling Mabel all day, she doesn’t pick up! Yes, of course I dialed the right number—2!”); and in the title story, a precocious and privileged nine-year-old boy finds himself in the uncomfortable position as an amateur restaurant critic. Featuring illustrations by award-winning cartoonist Jean Jillian, this “alphabet soup of sketches, riffs, and innovations” (Seattle Times) explores the various insanities of the modern world, “playfully bringing both familiar and wholly original scenarios to life” (Marie Claire).
