after the disaster poem analysis: A Fortune for Your Disaster Hanif Abdurraqib, 2019-09-03
"When an author's unmitigated brilliance shows up on every page, it's tempting to skip a description and just say, Read this! Such is the case with this breathlessly powerful, deceptively breezy book of poetry." —Booklist, Starred Review In his much-anticipated follow-up to *The Crown Ain't Worth Much*, poet, essayist, biographer, and music critic Hanif Abdurraqib has written a book of poems about how one rebuilds oneself after a heartbreak, the kind that renders them a different version of themselves than the one they knew. It's a book about a mother's death, and admitting that Michael Jordan pushed off, about forgiveness, and how none of the author's black friends wanted to listen to Don't Stop Believin'. It's about wrestling with histories, personal and shared. Abdurraqib uses touchstones from the world outside—from Marvin Gaye to Nikola Tesla to his neighbor's dogs—to create a mirror, inside of which every angle presents a new possibility.

A Series of Un/Natural/Disasters is attentive to the sorts of mutual aid and possibility that appear in moments of state failure. It understands disaster as a collective system, the state as precarious, and community as necessary.

after the disaster poem analysis: Cold Pastoral Rebecca Dunham, 2017-02-20 FINALIST FOR THE MIDWEST BOOKSELLERS CHOICE AWARD (POETRY) A searing, urgent collection of poems that brings the lyric and documentary together in unparalleled ways—unmasking and examining the specter of manmade disaster. On September 20, 2010, an explosion on the Deepwater Horizon oil rig killed eleven men and began what would become the largest oil spill ever in US waters. On August 29, 2005, Hurricane Katrina made landfall in Louisiana, leading to a death toll that is still unconfirmed. And in April 2014, the Flint water crisis began, exposing thousands of people to

lead-contaminated drinking water. This is the litany of our time—and these are the events that Rebecca Dunham traces, passionately and brilliantly, in *Cold Pastoral*. In poems that incorporate interviews and excerpts from government documents and other sources—poems that adopt the pastoral and elegiac traditions in a landscape where “I can’t see the bugs; I don’t hear the birds”—Dunham invokes the poet as moral witness. “I owe him,” she writes of one man affected by the oil spill, “must learn, at last, how to look.” Experimental and incisive, *Cold Pastoral* is a collection that reveals what poetry can—and, perhaps, should—be, reflecting ourselves and our world back with gorgeous clarity.

after the disaster poem analysis: *Accepting the Disaster* Joshua Mehigan, 2014-07-01 One of The New York Times' 10 Favorite Poetry Books of 2014 An astonishing new collection from one of our finest emerging poets A shark's tooth, the shape-shifting cloud drifting from a smokestack, the smoke detectors that hang, ominous but disregarded, overhead—very little escapes the watchful eye of Joshua Mehigan. The poems in *Accepting the Disaster* range from lyric miniatures like *The Crossroads*, a six-line sketch of an accident scene, to *The Orange Bottle*, an expansive narrative page-turner whose main character suffers a psychotic episode after quitting medication. Mehigan blends the naturalistic milieu of such great chroniclers of American life as Stephen Crane and Studs Terkel with the cinematic menace and wonder of Fritz Lang. Balanced by the music of his verse, this unusual combination brings an eerie resonance to the real lives and institutions it evokes. These poems capture with equal tact the sinister quiet of a deserted Main Street, the tragic grandiosity of Michael Jackson, the loneliness of a self-loathing professor, the din of a cement factory, and the saving grandeur of the natural world. This much-anticipated second collection is the work of a nearly unrivaled craftsman, whose first book was called by Poetry a work of some poise and finish, by turns delicate and robust.

after the disaster poem analysis: *Geography III* Elizabeth Bishop, 2015-01-13 Whether writing about waiting as a child in a dentist's office, viewing a city from a plane high above, or losing items ranging from door keys to one's lover in the masterfully restrained *One Art*, Elizabeth Bishop somehow conveyed both large and small emotional truths in language of stunning exactitude and even more astonishing resonance. As John Ashbery has written, The private self . . . melts imperceptibly into the large utterance, the grandeur of poetry, which, because it remains rooted in everyday particulars, never sounds 'grand,' but is as quietly convincing as everyday speech.

after the disaster poem analysis: *Why Poetry* Matthew Zapruder, 2017-08-15 An impassioned call for a return to reading poetry and an incisive argument for poetry's accessibility to all readers, by critically acclaimed poet Matthew Zapruder In *Why Poetry*, award-winning poet Matthew Zapruder takes on what it is that poetry—and poetry alone—can do. Zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it. In lively, lilting prose, he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion or inadequacy that many of us feel when faced with it. Zapruder explores what poems are, and how we can read them, so that we can, as Whitman wrote, "possess the origin of all poems," without the aid of any teacher or expert. Most important, he asks how reading poetry can help us to lead our lives with greater meaning and purpose. Anchored in poetic analysis and steered through Zapruder's personal experience of coming to the form, *Why Poetry* is engaging and conversational, even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge. While he provides a simple reading method for approaching poems and illuminates concepts like associative movement, metaphor, and negative capability, Zapruder explicitly confronts the obstacles that readers face

when they encounter poetry to show us that poetry can be read, and enjoyed, by anyone.

after the disaster poem analysis: *Autobiography of Death* Kim Hyesoon, 2018-11-27 Kim Hyesoon's poems "create a seething, imaginative under-and over-world where myth and politics, the everyday and the fabulous, bleed into each other" (Sean O'Brien, *The Independent*) *Winner of The Griffin International Poetry Prize and the Lucien Stryk Asian Translation Award* The title section of Kim Hyesoon's powerful new book, *Autobiography of Death*, consists of forty-nine poems, each poem representing a single day during which the spirit roams after death before it enters the cycle of reincarnation. The poems not only give voice to those who met unjust deaths during Korea's violent contemporary history, but also unveil what Kim calls "the structure of death, that we remain living in." *Autobiography of Death*, Kim's most compelling work to date, at once reenacts trauma and narrates our historical death—how we have died and how we survive within this cyclical structure. In this sea of mirrors, the plural "you" speaks as a body of multitudes that has been beaten, bombed, and buried many times over by history. The volume concludes on the other side of the mirror with "Face of Rhythm," a poem about individual pain, illness, and meditation.

after the disaster poem analysis: *Questions of Travel* Elizabeth Bishop, 2015-01-13 The publication of this book is a literary event. It is Miss Bishop's first volume of verse since *Poems*, which was awarded the Pulitzer Prize for Poetry in 1955. This new collection consists of two parts. Under the general heading *Brazil* are grouped eleven poems including *Manuelzinho*, *The Armadillo*, *Twelfth Morning*, or *What You Will*, *The Riverman*, *Brazil, January 1, 1502* and the title poem. The second section, entitled *Elsewhere*, includes others *First Death in Nova Scotia*, *Manners*, *Sandpiper*, *From Trollope's Journal*, and *Visits to St. Elizabeths*. In addition to the poems there is an extraordinary story of a Nova Scotia childhood, *In the Village*. Robert Lowell has recently written, I am sure no living poet is as curious and observant as Miss Bishop. What cuts so deep is that each poem is inspired by her own tone, a tone of large, grave tenderness and sorrowing amusement. She is too sure of herself for empty mastery and breezy plagiarism, too interested for confession and musical monotony, too powerful for mismanaged fire, and too civilized for idiosyncratic incoherence. She has a humorous, commanding genius for picking up the unnoticed, now making something sprightly and right, and now a great monument. Once her poems, each shining, were too few. Now they are many. When we read her, we enter the classical serenity of a new country.

While many are familiar with Margaret Atwood's fiction—including her groundbreaking and bestselling novels *The Handmaid's Tale*, *The Testaments*, *Oryx and Crake*, among others—she has, from the beginning of her career, been one of our most significant contemporary poets. And she is

Aftershocks collects poems, essays and photos from survivors of Hurricane Maria detailing their determination to persevere. The concept of aftershocks is used in the context of earthquakes to describe the jolts felt after the initial quake, but no disaster is a singular event. Aftershocks of Disaster examines the lasting effects of hurricane Maria, not just the effects of the wind or the rain, but delving into what followed: state failure, social abandonment, capitalization on human misery, and the collective trauma produced by the botched response.

after the disaster poem analysis: Keats's Odes Anahid Nersessian, 2022-11-08 When I say this book is a love story, I mean it is about things that cannot be gotten over-like this world, and some of the people in it. In 1819, the poet John Keats wrote six poems that would become known as the Great Odes. Some of them-Ode to a Nightingale, To Autumn-are among the most celebrated poems in the English language. Anahid Nersessian here collects and elucidates each of the odes and offers a meditative, personal essay in response to each, revealing why these poems still have so much to say to us, especially in a time of ongoing political crisis. Her Keats is an unflinching antagonist of modern life-of capitalism, of the British Empire, of the destruction of the planet-as well as a passionate idealist for whom every poem is a love poem. The book emerges from Nersessian's lifelong attachment to Keats's poetry; but more, it is a love story: between me and Keats, and not just Keats. Drawing on experiences from her own life, Nersessian celebrates Keats even as she grieves him and counts her own losses-and Nersessian, like Keats, has a passionate awareness of the reality of human suffering, but also a willingness to explore the possibility that the world, at least, could still be saved. Intimate and speculative, this brilliant mix of the poetic and the personal will find its home among the numerous fans of Keats's enduring work.

after the disaster poem analysis: Say Something Back Denise Riley, 2016-05-19 Say Something Back will allow readers to see just why the name of Denise Riley has been held in such high regard by her fellow poets for so long. The book reproduces A Part Song, a profoundly moving document of grieving and loss, and one of the most widely admired long poems of recent years. Elsewhere these poems become a space for contemplation of the natural world and of physical law, and for the deep consideration of what it is to invoke those who are absent. But finally, they extend our sense of what the act of human speech can mean - and especially what is drawn forth from us when we address our dead. Lyric, intimate, acidly witty, unflinchingly brave, Say Something Back is a deeply moving book by one of our finest poets, and one destined to introduce Riley's name to a wide new readership.

after the disaster poem analysis: Now We're Getting Somewhere: Poems Kim Addonizio, 2021-03-16 A dark, no-holds-barred, and often hilarious collection from a prize-winning poet, veering between the poles of self and world. Kim Addonizio's sharp and irreverent eighth volume, Now We're Getting Somewhere, is an essential companion to your practice of the Finnish art of kalsarikännit—drinking at home, alone in your underwear, with no intention of going out. Imbued with the poet's characteristic precision and passion, the collection charts a hazardous course through heartache, climate change, dental work, Outlander, semiotics, and more. Combatting existential gloom with a wicked, seductive energy, Addonizio investigates desire, loss, and the madness of contemporary life. She calls out to Walt Whitman and John Keats, echoes Dorothy Parker, and finds sisterhood with Virginia Woolf. Sometimes confessional, sometimes philosophical, these poems weave from desolation to drollery and clamor with raucous imagery: an insect in high heels, a wolf at an uncomfortable party, a glowing and self-serious guitar. A poet whose "voice lifts from the page, alive and biting" (Sky Sanchez, San Francisco Book Review), Addonizio reminds her reader, if you think nothing & / no one can / listen I love you joy is coming.

after the disaster poem analysis: Hard Damage Aria Aber, 2019-09-01 Hard Damage works to relentlessly interrogate the self and its shortcomings. In lyric and documentary poems and

essayistic fragments, Aria Aber explores the historical and personal implications of Afghan American relations. Drawing on material dating back to the 1950s, she considers the consequences of these relations—in particular the funding of the Afghan mujahedeen, which led to the Taliban and modern-day Islamic terrorism—for her family and the world at large. Invested in and suspicious of the pain of family and the shame of selfhood, the speakers of these richly evocative and musical poems mourn the magnitude of citizenship as a state of place and a state of mind. While *Hard Damage* is framed by free-verse poetry, the middle sections comprise a lyric essay in fragments and a long documentary poem. Aber explores Rilke in the original German, the urban melancholia of city life, inherited trauma, and displacement on both linguistic and environmental levels, while employing surrealist and eerily domestic imagery.

Maggie Smith writes out of the experience of motherhood, inspired by watching her own children read the world like a book they've just opened, knowing nothing of the characters or plot. These are poems that stare down darkness while cultivating and sustaining possibility, poems that have a sense of moral gravitas, personal urgency, and the ability to address a larger world. Maggie Smith's previous books are *The Well Speaks of Its Own Poison* (Tupelo, 2015), *Lamp of the Body* (Red Hen, 2005), and three prize-winning chapbooks: *Disasterology* (Dream Horse, 2016), *The List of Dangers* (Kent State, 2010), and *Nesting Dolls* (Pudding House, 2005). Her poem “Good Bones” has gone viral—tweeted and translated across the world, featured on the TV drama *Madam Secretary*, and called the “Official Poem of 2016” by the BBC/Public Radio International, earning news coverage in the *New York Times*, *Washington Post*, *Slate*, the *Guardian*, and beyond. Maggie Smith was named the 2016 Ohio Poet of the Year. “Smith's voice is clear and unmistakable as she unravels the universe, pulls at a loose thread and lets the whole thing tumble around us, sometimes beautiful, sometimes achingly hard. Truthful, tender, and unafraid of the dark...”—Ada Limón “As if lost in the soft, bewitching world of fairy tale, Maggie Smith conceives and brings forth this metaphysical Baedeker, a guidebook for mother and child to lead each other into a hopeful present. Smith's poems affirm the virtues of humanity: compassion, empathy, and the ability to comfort one another when darkness falls. ‘There is a light,’ she tells us, ‘and the light is good.’”—D. A. Powell “Good Bones is an extraordinary book. Maggie Smith demonstrates what happens when an abundance of heart and intelligence meets the hands of a master craftsman, reminding us again that the world, for a true poet, is blessedly inexhaustible.”—Erin Belieu

after the disaster poem analysis: *Come Closer and Listen* Charles Simic, 2019-07-02 An insightful and haunting new collection from Pulitzer Prize-winning poet Charles Simic Irreverent and sly, observant and keenly imagined, *Come Closer and Listen* is the latest work from one of our most beloved poets. With his trademark sense of humor, open-hearted empathy, and perceptive vision, Charles Simic roots his poetry in the ordinary world while still taking in the wide sweep of the human experience. From poems pithy, wry, and cutting—"Time—that murderer/that no has caught yet"—to his layered reflections on everything from love to grief to the wonders of nature, from the story of St. Sebastian to that of a couple weeding side by side, Simic's work continues to reveal to us an unmistakable voice in modern poetry. An innovator in form and a chronicler of both our interior lives and the people we are in the world, Simic remains one of our most important and lasting voices on the page.

after the disaster poem analysis: *Beyond Katrina* Natasha Trethewey, 2015-08-01 *Beyond Katrina* is poet Natasha Trethewey's very personal profile of her natal Mississippi Gulf Coast and of the people there whose lives were forever changed by Hurricane Katrina in 2005. Trethewey's attempt to understand and document the damage to Gulfport started as a series of lectures at the University of Virginia that were subsequently published as essays in the *Virginia Quarterly Review*. For *Beyond Katrina*, Trethewey expanded this work into a narrative that incorporates personal letters, poems, and photographs, offering a moving meditation on the love she holds for her childhood home. In this new edition, Trethewey looks back on the ten years that have passed since Katrina in a new epilogue, outlining progress that has been made and the challenges that still exist.

after the disaster poem analysis: *Prelude to Bruise* Saeed Jones, 2014-08-18 Praise for Saeed Jones: Jones is the kind of writer who's more than wanted: he's desperately needed.—FlavorWire I get shout-happy when I read these poems; they are the gospel; they are the good news of the sustaining power of imagination, tenderness, and outright joy.—D. A. Powell *Prelude to Bruise* works its tempestuous mojo just under the skin, wreaking a sweet havoc and rearranging the pulse. These poems don't dole out mercy. Mr. Jones undoubtedly dipped his pen in fierce before crafting these stanzas that rock like backslap. Straighten your skirt, children. The doors of the church are open.—Patricia Smith It's a big book, a major book. A game-changer. Dazzling, brutal, real. Not just brilliant, caustic, and impassioned but a work that brings history—in which the personal and political are inter-constitutive—to the immediate moment. Jones takes a reader deep into lived experience, into a charged world divided among unstable yet entrenched lines: racial, gendered, political, sexual, familial. Here we absorb each quiet resistance, each whoop of joy, a knowledge of violence and of desire, an unbearable ache/loss/yearning. This is not just a new voice but a new song, a new way of singing, a new music made of deep grief's wildfire, of burning intelligence and of all-feeling heart, scorched and seared. In a poem, Jones says, Boy's body is a song only he can hear. But now that we have this book, we can all hear it. And it's unforgettable.—Brenda Shaughnessy Inside each hunger, each desire, speaks the voice of a boy that admits I've always wanted to be dangerous. This is not a threat but a promise to break away from the affliction of silence, to make audible the stories that trouble the dimensions of masculinity and discomfort the polite conversations about race. With

impressive grace, Saeed Jones situates the queer black body at the center, where his visibility and vulnerability nurture emotional strength and the irrepressible energy to claim those spaces that were once denied or withheld from him. *Prelude to a Bruise* is a daring debut.—Rigoberto González
From *Sleeping Arrangement*: Take your hand out from under my pillow. And take your sheets with you. Drag them under. Make pretend ghosts. I can't have you rattling the bed springs so keep still, keep quiet. Mistake yourself for shadows. Learn the lullabies of lint. Saeed Jones works as the editor of BuzzFeedLGBT.

after the disaster poem analysis: Our Andromeda Brenda Shaughnessy, 2012-12-11 A heady, infectious celebration.—The New Yorker Shaughnessy's voice is smart, sexy, self-aware, hip . . . consistently wry, and ever savvy.—Harvard Review Brenda Shaughnessy's heartrending third collection explores dark subjects—trauma, childbirth, loss of faith—and stark questions: What is the use of pain and grief? Is there another dimension in which our suffering might be transformed? Can we change ourselves? Yearning for new gods, new worlds, and new rules, she imagines a parallel existence in the galaxy of Andromeda. From *Our Andromeda*: Cal, faster than the lightest light, so much faster than love, and our Andromeda, that dream, I can feel it living in us like we are its home. Like it remembers us from its own childhood. Oh, maybe, Cal, we are home, if God will let us live here, with Andromeda inside us, doesn't it seem we belong? Now and then, will you help me belong here, in this place where you became my child, and I your mother out of some instant of mystery of crash and matter . . . Brenda Shaughnessy was born in Okinawa, Japan and grew up in Southern California. She is the author of *Human Dark with Sugar* (Copper Canyon Press, 2008), winner of the James Laughlin Award and finalist for the National Book Critics Circle Award, and *Interior with Sudden Joy* (FSG, 1999). Shaughnessy's poems have appeared in *Best American Poetry*, *Harper's*, *The Nation*, *The Rumpus*, *The New Yorker*, and *The Paris Review*. She is an Assistant Professor of English at Rutgers University, Newark, and lives in Brooklyn with her husband, son and daughter.

after the disaster poem analysis: Vivas to Those Who Have Failed: Poems Martín Espada, 2016-01-04 Award-winning poet Martín Espada gives voice to the spirit of endurance in the face of loss. In this powerful new collection of poems, Martín Espada articulates the transcendent vision of another, possible world. He invokes the words of Whitman in "Vivas to Those Who Have Failed," a cycle of sonnets about the Paterson Silk Strike and the immigrant laborers who envisioned an eight-hour workday. At the heart of this volume is a series of ten poems about the death of the poet's father. "El Moriviví" uses the metaphor of a plant that grows in Puerto Rico to celebrate the many lives of Frank Espada, community organizer, civil rights activist, and documentary photographer, from a jailhouse in Mississippi to the streets of Brooklyn. The son lyrically imagines his father's return to a bay in Puerto Rico: "May the water glow blue as a hyacinth in your hands." Other poems confront collective grief in the wake of the killings at the Sandy Hook Elementary School and police violence against people of color: "Heal the Cracks in the Bell of the World" urges us to "melt the bullets into bells." Yet the poet also revels in the absurd, recalling his dubious career as a Shakespearean "actor," finding madness and tenderness in the crowd at Fenway Park. In exquisitely wrought images, Espada's poems show us the faces of Whitman's "numberless unknown heroes."

after the disaster poem analysis: Writing to Survive Deborah M. Alvarez, 2011 This ethnographic research investigates how adolescents use writing. Deborah M. Alvarez uncovers the hidden abuses and violence that adolescents bore with each school day. In two different research sites, the author follows adolescents through their academic and personal lives to discover how they use writing only to uncover the impact the public and private violence had upon their ability to learn. The author details the writing classroom practices; assignments; and how adolescents adapt, reconstruct and appropriate the lessons of the classroom for their purpose and needs. For the adolescents in the book, writing was a way to address the stresses that plagued the adolescents each day, especially when they had no other way to communicate or tell about their lived experiences. Alvarez outlines an alternative Expressivist plan for teaching writing to adolescents. This writing program builds upon the evidence from the case studies, brain theory and research on traumatic stresses to offer teachers and thereby their students a more effective way to teach writing with

greater impact for those who need it most.

after the disaster poem analysis: Brooklyn Antediluvian Patrick Rosal, 2016-05-03 Winner of the 2017 Lenore Marshall Poetry Prize Patrick Rosal's brilliant fourth collection of poems is ignited by the frictions of our American moment. In the face of relentless violence and deepening racial division, Rosal responds with his own brand of bare-knuckled beauty. Rosal finds trouble he isn't asking for in his unforgettable new poems, whether in New York City, Austin, Texas, or the colonized Philippines of his ancestors. But trouble is everywhere, and Rosal, acclaimed author of *My American Kundiman*, responds in kind, pulling no punches in his most visceral, physical collection to date. "My hand's quick trip from my hip to your chin, across / your face, is not the first free lesson I've given," Rosal writes, and it's true—this new book is full of lessons, hard-earned, from a poet who nonetheless finds beauty in the face of violence.
