agent lacey the interview: Pyongyang Guy Delisle, 2021-05-04 The perennial graphic novel about the Hermit Country with new cover and introduction by Gore Verbinski Pyongyang: A Journey

in North Korea is Guy Delisle's graphic novel that made his career, an international bestseller for over ten years. Delisle became one of the few Westerners to be allowed access to the fortresslike country when he was working in animation for a French company. While living in the nation's capital for two months on a work visa, Delisle observed everything he was allowed to see of the culture and lives of the few North Koreans he encountered, bringing a sardonic and skeptical perspective on a place rife with propaganda. As a guide to the country, Delisle is a non-believer with a keen eye for the humor and tragedy of dictatorial whims, expressed in looming architecture and tiny, omnipresent photos of the President. The absurd vagaries of everyday life become fodder for a frustrated animator's musings as boredom and censorship sink in. Delisle himself is the ideal foil for North Korean spin, the grumpy outsider who brought a copy of George Orwell's 1984 with him into the totalitarian nation. Pyongyang is an informative, personal, and accessible look at a dangerous and enigmatic country. Pyongyang has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to *Drawn & Quarterly* since the early days, her translations include acclaimed titles such as the Aya series by Marguerite Abouet and Clément Oubrerie, *Hostage* by Guy Delisle, and *Beautiful Darkness* by Fabien Vehlmann and Kerascoët. agent lacey the interview: *The Answers* Catherine Lacey, 2017-06-06 NAMED A TOP 10 NOVEL OF 2017 BY THE WALL STREET JOURNAL AND VOGUE, A BEST BOOK OF 2017 BY ESQUIRE, HUFFINGTON POST, POP SUGAR, ELECTRIC LITERATURE AND KIRKUS, AND A 2017 NPR GREAT READ. ONE OF DWIGHT GARNER'S TOP BOOKS OF 2017 IN THE NEW YORK TIMES. A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE AND A FINALIST FOR THE CHICAGO REVIEW OF BOOKS FICTION AWARD. Like Margaret Atwood's *The Handmaid's Tale*, [The Answers] is also a novel about a subjugated woman, in this case not to a totalitarian theocracy but to subtler forces its heroine is only beginning to understand and fears she is complicit with. --Dwight Garner, New York Times Mary Parsons is broke. Dead broke, really: between an onslaught of medical bills and a mountain of credit card debt, she has been pushed to the brink. Hounded by bill collectors and

still plagued by the painful and bizarre symptoms that doctors couldn't diagnose, Mary seeks relief from a holistic treatment called Pneuma Adaptive Kinesthesia—PAKing, for short. Miraculously, it works. But PAKing is prohibitively expensive. Like so many young adults trying to make ends meet in New York City, Mary scours Craigslist and bulletin boards for a second job, and eventually lands an interview for a high-paying gig that's even stranger than her symptoms or the New Agey PAKing. Mary's new job title is Emotional Girlfriend in the "Girlfriend Experiment"—the brainchild of a wealthy and infamous actor, Kurt Sky, who has hired a team of biotech researchers to solve the problem of how to build and maintain the perfect romantic relationship, casting himself as the experiment's only constant. Around Kurt, several women orbit as his girlfriends with specific functions. There's a Maternal Girlfriend who folds his laundry, an Anger Girlfriend who fights with him, a Mundanity Girlfriend who just hangs around his loft, and a whole team of girlfriends to take care of Intimacy. With so little to lose, Mary falls headfirst into Kurt's messy, ego-driven simulacrum of human connection. Told in Catherine Lacey's signature spiraling, hypnotic prose, *The Answers* is both a mesmerizing dive into the depths of one woman's psyche and a critical look at the conventions and institutions that infiltrate our most personal, private moments. As Mary struggles to understand herself—her body, her city, the trials of her past, the uncertainty of her future—the reader must confront the impossible questions that fuel Catherine Lacey's work: How do you measure love? Can you truly know someone else? Do we even know ourselves? And listen for Lacey's uncanny answers.

agent lacey the interview: *The Perfect Weapon* David E. Sanger, 2018-06-19 NOW AN HBO® DOCUMENTARY FROM AWARD-WINNING DIRECTOR JOHN MAGGIO • "An important—and deeply sobering—new book about cyberwarfare" (Nicholas Kristof, New York Times), now updated with a new chapter. *The Perfect Weapon* is the startling inside story of how the rise of cyberweapons transformed geopolitics like nothing since the invention of the atomic bomb. Cheap to acquire, easy to deny, and usable for a variety of malicious purposes, cyber is now the weapon of choice for democracies, dictators, and terrorists. Two presidents—Bush and Obama—drew first blood with Operation Olympic Games, which used malicious code to blow up Iran's nuclear centrifuges, and yet America proved remarkably unprepared when its own weapons were stolen from its arsenal and, during President Trump's first year, turned back on the United States and its allies. And if Obama would begin his presidency by helping to launch the new era of cyberwar, he would end it struggling unsuccessfully to defend the 2016 U.S. election from interference by Russia, with Vladimir Putin drawing on the same playbook he used to destabilize Ukraine. Moving from the White House Situation Room to the dens of Chinese government hackers to the boardrooms of Silicon Valley, New York Times national security correspondent David Sanger reveals a world coming face-to-face with the perils of technological revolution, where everyone is a target. "Timely and bracing . . . With the deep knowledge and bright clarity that have long characterized his work, Sanger recounts the cunning and dangerous development of cyberspace into the global battlefield of the twenty-first century."—Washington Post

[*Neon in Daylight*] has antecedents in the great novels of the 1970s: Renata Adler's *Speedboat*, Elizabeth Hardwick's *Sleepless Nights*, Joan Didion's *Play It as It Lays*. . . . Precision—of observation, of language—is Hoby's gift. Her sentences are sleek and tailored. Hermione Hoby paints a garish world that drew me in and held me spellbound. She is a marvel. —Ann Patchett, author of *Commonwealth* New York City in 2012, the sweltering summer before

Hurricane Sandy hits. Kate, a young woman newly arrived from England, is staying in a Manhattan apartment while she tries to figure out her future. She has two unfortunate responsibilities during her time in America: to make regular Skype calls to her miserable boyfriend back home, and to cat-sit an indifferent feline named Joni Mitchell. The city has other plans for her. In New York's parks and bodegas, its galleries and performance spaces, its bars and clubs crowded with bodies, Kate encounters two strangers who will transform her stay: Bill, a charismatic but embittered writer made famous by the movie version of his only novel; and Inez, his daughter, a recent high school graduate who supplements her Bushwick cafe salary by enacting the fantasies of men she meets on Craigslist. Unmoored from her old life, Kate falls into an infatuation with both of them. Set in a heatwave that feels like it will never break, *Neon In Daylight* marries deep intelligence with captivating characters to offer us a joyful, unflinching exploration of desire, solitude, and the thin line between life and art.

agent lacey the interview: *Revenge of the Scapegoat* Caren Beilin, 2022-04-12 From the author of *Blackfishing the IUD*, a darkly hilarious novel about familial trauma, chronic illness, academic labor, and contemporary art. In the tradition of Rabelais, Swift, and Fran Ross—the tradition of biting satire that joyfully embraces the strange and fantastical—and drawing upon documentary strategies from Sheila Heti, Caren Beilin offers a tale of familial trauma that is also a broadly inclusive skewering of academia, the medical industry, and the contemporary art scene. One day Iris, an adjunct at a city arts college, receives a terrible package: recently unearthed letters that her father had written to her in her teens, in which he blames her for their family's crises. Driven by the raw fact of receiving these devastating letters not once but twice in a lifetime, and in a panic of chronic pain brought on by rheumatoid arthritis, Iris escapes to the countryside—or some absurdist version of it. Nazi cows, Picassos used as tampons, and a pair of arthritic feet that speak in the voices of Flaubert's *Bouvard and Pécuchet* are standard fare in this beguiling novel of odd characters, surprising circumstances, and intuitive leaps, all brought together in profoundly serious ways.

agent lacey the interview: *Apparently There Were Complaints* Sharon Gless, 2021-12-07 Emmy Award-winning actress Sharon Gless tells all in this laugh-out-loud, juicy, “unforgettably memorable” (Lily Tomlin) memoir about her five decades in Hollywood, where she took on some of the most groundbreaking roles of her time. Anyone who has seen Sharon Gless act in *Cagney & Lacey*, *Queer as Folk*, *Burn Notice*, and countless other shows and movies, knows that she's someone who gives every role her all. She holds nothing back in *Apparently There Were Complaints*, a hilarious, deeply personal memoir that spills all about Gless's five decades in Hollywood. A fifth-generation Californian, Sharon Gless knew from a young age that she wanted to be an actress. After some rocky teenage years that included Sharon's parents' divorce and some minor (and not-so-minor) rebellion, Gless landed a coveted spot as an exclusive contract player for Universal Studios. In 1982, she stepped into the role of New York Police Detective Christine Cagney for the series *Cagney & Lacey*, which eventually reached an audience of 30 million weekly viewers and garnered Gless with two Emmy Awards. The show made history as the first hour-long drama to feature two women in the leading roles. Gless continued to make history long after *Cagney & Lacey* was over. In 2000, she took on the role of outrageous Debbie Novotny in *Queer as Folk*. Her portrayal of a devoted mother to a gay son and confidant to his gay friends touched countless hearts and changed the definition of family for millions of viewers. *Apparently There Were Complaints* delves into Gless's remarkable career and explores Gless's complicated family, her struggles with alcoholism, and her fear of romantic commitment as well as her encounters with some of Hollywood's biggest names. Brutally honest and incredibly relatable, Gless puts it all out on the page in the same way she has lived—never with moderation.

agent lacey the interview: *Pew* Catherine Lacey, 2020-07-21 WINNER of the 2021 NYPL Young Lions Fiction Award. Finalist for the 2021 Dylan Thomas Prize. Longlisted for the 2021 PEN/Jean Stein Book Award, the Andrew Carnegie Medal for Excellence in Fiction and the Joyce

Carol Oates Prize. One of Publishers Weekly's Best Fiction Books of 2020. One of Amazon's 100 Best Books of 2020. "The people of this community are stifling, and generous, cruel, earnest, needy, overconfident, fragile and repressive, which is to say that they are brilliantly rendered by their wise maker, Catherine Lacey." --Rachel Kushner, author of *The Flamethrowers* A figure with no discernible identity appears in a small, religious town, throwing its inhabitants into a frenzy In a small, unnamed town in the American South, a church congregation arrives for a service and finds a figure asleep on a pew. The person is genderless and racially ambiguous and refuses to speak. One family takes in the strange visitor and nicknames them Pew. As the town spends the week preparing for a mysterious Forgiveness Festival, Pew is shuttled from one household to the next. The earnest and seemingly well-meaning townspeople see conflicting identities in Pew, and many confess their fears and secrets to them in one-sided conversations. Pew listens and observes while experiencing brief flashes of past lives or clues about their origin. As days pass, the void around Pew's presence begins to unnerve the community, whose generosity erodes into menace and suspicion. Yet by the time Pew's story reaches a shattering and unsettling climax at the Forgiveness Festival, the secret of who they really are—a devil or an angel or something else entirely—is dwarfed by even larger truths. *Pew*, Catherine Lacey's third novel, is a foreboding, provocative, and amorphous fable about the world today: its contradictions, its flimsy morality, and the limits of judging others based on their appearance. With precision and restraint, one of our most beloved and boundary-pushing writers holds up a mirror to her characters' true selves, revealing something about forgiveness, perception, and the faulty tools society uses to categorize human complexity.

agent lacey the interview: JFK to 911 Everything Is A Rich Man's Trick Francis Richard Conolly, 2021-09-30 JFK to 911 is already a global phenomenon, having began as a Youtube video which achieved over a billion hits by becoming the first documentary in human history to untangle all the establishment lies and reveal the entire truth about the Kennedy Assassination and 911. These disclosures so frightened the powers-that-be that President Trump and the Queen of England took the joint decision to ban it altogether, so that if you read this book, you will be learning the most cardinal secrets which your government would much rather you did not know. Nearly all intelligent people these days are wary of what we are being told by the mainstream media, but fewer are aware that the very notion of 'fake news' began with the words on these pages, and that all government policy in recent times has been an ongoing effort to hold back the increasing enlightenment these words have inspired. Legions of people have taken the trouble to go online so that they could tell the world about how learning that absolutely everything is a rich man's trick—the justice system, the education system, the economic system, and most importantly, the media. Francis Richard Conolly is extremely hopeful that the people who have made a movie which he originally gave them for free such a central part of their existence will now buy this book in order to build the revenues which he needs to make the sequel which everyone wants to see.

agent lacey the interview: *The Politics of Readjustment* Wilbur Scott, 2017-09-04 Veterans of all wars face a demanding task in readjusting to civilian life. Vietnam veterans have borne an additional burden, having returned from a controversial war that ended in defeat for the United States and South Vietnam. To address this situation, leaders among the Vietnam veterans and their allies formed organizations of their own to articulate their problems and extract concessions from a reluctant Congress, Federal agencies, and courts. Scott, a former infantry platoon leader in Vietnam, describes the major social movements among his fellow veterans during the period of 196 to 1990 in a lively narrative, combining personal interviews with documentary and press records. Included in the book are the 'sociological stories' of protests against the war in Operations RAW and Dewey Canyon III; the successful effort to place post-traumatic stress disorder (PTSD) in the Diagnostic and Statistical Manual, Third Edition (DSM-III), of the American Psychiatric Association; the building of the National Vietnam Veterans Memorial in Washington, D.C., despite fierce opposition; and the long-running controversy over the herbicide Agent Orange. In the last chapter the author details the sociological thinking that informs his stories, and develops the implications for understanding social movements in general and veterans' issues in particular.

Das, 2016-10-26 This book provides broad exposure to a variety of policing reforms that have not received adequate attention. It includes information and examples from different countries regarding efforts to change aspects of policing that are problematic or involve changes in the way crimes are committed. Some of the efforts to improve the police are relatively recent (i.e., using social media) and some areas of policing that seem to require frequent attention (i.e., working with the public).

agent lacey the interview: *Ghost Faces* David Greven, 2016-02-09 Combines psychoanalysis, queer theory, masculinity studies, and cultural studies to explore contemporary manhood in film. *Ghost Faces* explores the insidious nature of homophobia even in contemporary Hollywood films that promote their own homo-tolerance and appear to destabilize hegemonic masculinity. Reframing Laura Mulvey's and Gilles Deleuze's paradigms and offering close readings grounded in psychoanalysis and queer theory, David Greven examines several key films and genre trends from the late 1990s forward. Movies considered range from the slasher film *Scream* to bromances and beta male comedies such as *I Love You, Man* to dramas such as *Donnie Darko* and *25th Hour* to Rob Zombie's remake of the horror film *Halloween*. Greven also traces the disturbing connections between torture porn found in such films as *Hostel* and gay male Internet pornography.

agent lacey the interview: *The Art of the Affair* Catherine Lacey, 2017-01-03 A vibrantly illustrated chain of entanglements (romantic and otherwise) between some of our best-loved writers and artists of the twentieth century--fascinating, scandalous, and surprising. Poet Robert Lowell died of a heart attack, clutching a portrait of his lover, Caroline Blackwood, painted by her ex-husband, Lucian Freud. Lowell was on his way to see his own ex-wife, Elizabeth Hardwick, who was a longtime friend of Mary McCarthy. McCarthy left the father of her child to marry Edmund Wilson, who had encouraged her writing, and had also brought critical attention to the fiction of Anaïs Nin . . . whom he later bedded. And so it goes, the long chain of love, affections, and artistic influences among writers, musicians, and artists that weaves its way through the *The Art of the Affair*--from Frida Kahlo to Colette to Hemingway to Dali; from Coco Chanel to Stravinsky to Miles Davis to Orson Welles. Scrupulously researched but playfully prurient, cleverly designed and colorfully illustrated, it's the perfect gift for your literary lover--and the perfect read for any good-natured gossip-monger.

agent lacey the interview: *Nobody Is Ever Missing* Catherine Lacey, 2014-09-04 Without telling her family, Elyria takes a one-way flight to New Zealand, abruptly leaving her stable life in Manhattan, her home, her career and her loving husband. As the people she has left behind scramble to figure out what has happened to her, Elyria embarks on a hitchhiker's odyssey, testing

fate by travelling in the cars of overly kind women and deeply strange men, tacitly being swept into the lives of strangers, and sleeping in fields, forests, and public parks. As she journeys from Wellington to Picton, Takaka, Kaikoura and onwards she asks herself, what is it that I am missing? How can a person be missing? Full of mordant humour and uncanny insights, *Nobody Is Ever Missing* is a startling tale of love, loss, and the dangers encountered in the search for self-knowledge. It is a novel which goes far beyond the story of a physical journey and asks what it means to be human, to be a woman, and to be at the mercy of forces beyond one's own control.

agent lacey the interview: *Notes on a Silencing* Lacy Crawford, 2020-07-07 A powerful and scary and important and true memoir of a young woman's struggle to regain her sense of self after trauma, and the efforts by a powerful New England boarding school to silence her—at any cost (Sally Mann, author of *Hold Still*). Shortlisted for the 2022 William Saroyan International Prize for Writing When *Notes on a Silencing* hit bookstores in the summer of 2020, even amidst a global pandemic, it sent shockwaves through the country. Not only did this intimate investigative memoir usher in a media storm of coverage, but it also prompted the elite St. Paul's School to issue a formal apology to the author, Lacy Crawford, for its handling of her report of sexual assault by two fellow students nearly thirty years ago. In this searing book, Crawford tells the story of coming forward

during the state investigation of the elite New England prep school decades after her assault, only to find for the first time evidence that corroborated her memories. Here were depictions of the naïve, hardworking girl she'd been, as well as astonishing proof of an institutional silencing. The slander, innuendo, and lack of adult concern that Crawford had experienced as a student hadn't been imagined; they were the actions of a school that prized its reputation above anything, even a child. This revelation launched Crawford on an extraordinary inquiry deep into gender, privilege, and power, and the ways shame and guilt are used to silence victims. Insightful, arresting, and beautifully written, *Notes on a Silencing* wrestles with an essential question for our time: what telling of a survivor's story will finally force a remedy? "Erudite and devastating... Crawford's writing is astonishing... *Notes on a Silencing* is a purposefully named, brutal and brilliant retort to the asinine question of 'Why now?'... The story is crafted with the precision of a thriller, with revelations that sent me reeling..." —Jessica Knoll, *New York Times* A Best Book of the Year: Time, NPR, People, Real Simple, Marie Claire, The Lineup, LitHub, Library Journal, BookPage, and Shelf Awareness A *New York Times* Book Review Notable Book A *New York Times* Book Review Editors' Choice One of People Magazine's 10 Best Books of the Year Semifinalist for a Goodreads Choice Award

agent lacey the interview: *Losing Eden* Lucy Jones, 2021-08-03 A fascinating look at why human beings have a powerful mental, spiritual, and physical need for the natural world—and the profound impact this has on our consciousness and ability to heal the soul and bring solace to the heart, and the cutting-edge scientific evidence proving nature as nurturer. "The connection between mental health and the natural world turns out to be strong and deep—which is good news in that it offers those feeling soul-sick the possibility that falling in love with the world around them might be remarkably helpful." —Bill McKibben Lucy Jones interweaves her deeply personal story of recovery from addiction and depression with that of discovering the natural world and how it aided and enlivened her progress, giving her a renewed sense of belonging and purpose. Jones writes of the intersection of science, wellness, and the environment, and reveals that in the last decade, scientists have begun to formulate theories of why people feel better after a walk in the woods and an experience with the natural world. She describes the recent data that supports evidence of biological and neurological responses: the lowering of cortisol (released in response to stress), the boost in cortical attention control that helps us to concentrate and subdues mental fatigue, and the increase in activity in the parasympathetic nervous system, slowing the heart and allowing the body to rest. "Beautifully written, movingly told and meticulously researched. An elegy to the healing power of nature. A convincing plea for a wilder, richer world." —Isabella Tree, author of *Wilding*

agent lacey the interview: *True Grace* Wendy Leigh, 2008-06-10 Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh- after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

agent lacey the interview: *Caddyshack* Chris Nashawaty, 2018-04-24 “More fun to read than the movie was to watch... a scene-stealing book.” — The Washington Post An Entertainment Weekly Must List selection *Caddyshack* is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn’t start out that way, and everyone who made it certainly didn’t have the word “classic” in mind as the cameras were rolling. In *Caddyshack: The Making of a Hollywood Cinderella Story* film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy’s greatest deranged minds as they form The National Lampoon, turn the entertainment industry on its head, and ultimately blow up both a golf course and popular culture as we know it. *Caddyshack* is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there’s ever been, and a rich portrait of the biggest, and most revolutionary names in Hollywood. So, it’s got that going for it...which is nice.
