The Air Force Style Guide: A Comprehensive Overview

Author: Dr. Amelia Hernandez, PhD in Communication Studies, former Air Force Public Affairs Officer, and current Professor of Technical Writing at the University of Colorado, Boulder.

Keywords: Air Force style guide, military writing style, Air Force publications, Air Force communication, style guide, Department of the Air Force, DAF style guide, military writing, technical writing, government writing, clear writing, concise writing, Air Force documentation.

Introduction:

The Air Force Style Guide is more than just a set of grammatical rules; it's a cornerstone of effective communication within the United States Air Force (USAF) and the Department of the Air Force (DAF). This comprehensive guide dictates the standards for all forms of written and visual communication, ensuring clarity, consistency, and professionalism across all branches of the Air Force. Understanding and adhering to the Air Force style guide is crucial for any member of the Air Force, from airmen to senior leadership, as it directly impacts operational efficiency, public perception, and mission success. This article explores the significance and intricacies of the Air Force style guide, delving into its various components and highlighting its importance in the modern military context.

1. The Importance of a Unified Style Guide

Consistency in communication is paramount within a large and complex organization like the Air Force. A unified style guide ensures that all official documents, reports, memos, websites, and social media posts adhere to a common standard. This avoids ambiguity, promotes clarity, and ultimately enhances the effectiveness of communication across all levels of command. The Air Force style guide achieves this by establishing clear guidelines for grammar, punctuation, capitalization, abbreviations, acronyms, and the use of specific terminology. In a high-stakes environment where precise communication can be a matter of life and death, adherence to the Air Force style guide is not merely recommended—it's essential.

1. Key Components of the Air Force Style Guide

The Air Force style guide encompasses a broad range of elements. While the specific content may vary slightly over time and according to internal updates, the core components generally include:

Grammar and Punctuation: This section addresses the fundamental rules of grammar and punctuation, emphasizing clarity and precision in sentence structure. It provides guidance on the use of commas, semicolons, colons, and other punctuation marks, as well as the correct usage of verb tenses and subject-verb agreement.

Style and Tone: The guide dictates the appropriate style and tone for different types of communication. For example, formal reports require a different tone than informal memos or social media posts. The guide emphasizes brevity, clarity, and directness, avoiding jargon and overly complex sentence structures.

Abbreviations and Acronyms: The Air Force utilizes countless abbreviations and acronyms. The style guide provides a comprehensive list of approved abbreviations and acronyms, ensuring consistency and avoiding confusion. It also emphasizes the need to spell out acronyms on first use, followed by the abbreviation in parentheses.

Numbers and Dates: Specific rules govern the formatting of numbers and dates, ensuring uniformity across all communications. This includes guidelines for using numerals versus spelling out numbers,

as well as the preferred formats for dates and times.

Capitalization: Consistent capitalization is critical for professional communication. The Air Force style guide offers clear rules on capitalization, covering titles, headings, proper nouns, and other instances requiring capitalization.

Visual Communication: The style guide extends to visual communication, providing guidelines for charts, graphs, tables, and other visual aids used in reports and presentations. This ensures that visual aids are clear, accurate, and consistent with the overall style guide.

Use of Inclusive Language: Modern iterations of the Air Force style guide emphasize the use of inclusive language, reflecting the Air Force's commitment to diversity and inclusion. This includes guidelines for avoiding gendered language and promoting respectful and equitable communication.

1. The Significance of Adherence to the Air Force Style Guide

Adherence to the Air Force style guide is not simply a matter of stylistic preference; it is a critical component of operational readiness and public image. Inconsistent or poorly written communications can lead to misunderstandings, delays, and even mission failures. Furthermore, public-facing materials reflecting poor stylistic choices can damage the Air Force's reputation.

By adhering to the guide, the Air Force ensures:

Clarity and Precision: Clear and concise communication minimizes the risk of misinterpretation and ensures that instructions and information are understood correctly by all recipients.

Professionalism: A consistently applied style guide conveys professionalism and credibility, both internally and externally.

Efficiency: Standardized writing practices streamline communication, saving time and resources.

Legal Compliance: Certain Air Force documents require adherence to specific legal and regulatory standards, which are often outlined within the style guide.

1. Accessibility and Evolution of the Air Force Style Guide

While the specifics are often internal, the principles underpinning the Air Force style guide are widely available through training programs and internal documentation. The guide itself is likely a dynamic document, regularly updated to reflect changes in technology, communication styles, and Air Force policy. Access to the most up-to-date version is usually restricted to authorized personnel.

Conclusion:

The Air Force style guide is an indispensable tool for effective communication within the United States Air Force and the Department of the Air Force. Its comprehensive guidelines ensure consistency, clarity, and professionalism across all levels of communication, contributing significantly to operational efficiency, public perception, and mission success. Understanding and adhering to this guide is crucial for maintaining the high standards of communication expected within this vital organization.

FAQs:

1. Where can I find the Air Force Style Guide? Access is typically limited to authorized Air Force personnel through internal networks and training resources. Specific details regarding access are not publicly available.
2. Is the Air Force style guide similar to other military style guides? While sharing similarities in principles of clarity and precision, each branch of the military (Army, Navy, Marines) has its unique style guide, reflecting its organizational culture and communication needs.
3. What happens if I don't follow the Air Force style guide? Non-compliance can result in revisions, delays, and in some cases, disciplinary action, depending on the context and severity of the

deviation.

4. Does the Air Force style guide cover social media communications? Yes, modern iterations of the guide likely address social media communication, emphasizing appropriate tone, voice, and adherence to Air Force regulations.
5. How often is the Air Force style guide updated? The frequency of updates varies, depending on evolving needs and policy changes within the Air Force.
6. Are there training programs related to the Air Force style guide? Yes, the Air Force likely provides training programs for personnel to ensure proper understanding and adherence to the style guide.
7. Is the Air Force style guide only for written communication? No, it often includes guidance on visual communication, ensuring consistency across various media.
8. Does the style guide address the use of jargon and technical terms? Yes, it usually provides guidelines for the use of technical terminology, emphasizing clarity and avoiding jargon unless appropriate for the target audience.
9. What are the consequences of inconsistent use of the style guide in official documents?
Inconsistent use can lead to confusion, legal issues, and a lack of professionalism, potentially impacting mission effectiveness.

air force style guide: Brown Bag Lessons Don Alexander, Eric R Jaren, 2012 Brown Bag Lessons, The Magic of Bullet Writing centers on effective bullet writing and guarantees immediate improvement. Skillful writing doesn't have to be difficult. No other book approaches writing the way this book does, and no other book teaches these techniques. After reading this book, you will fully understand how to write strong bullets and why every word matters. In 2003 the author created a seminar to teach a fair and consistent process to evaluate recognition packages. This seminar transformed an entire organization within six months. Since then, the techniques have decisively transformed the writing, recognition, and promotions of every organization applying them. The practices in this book continue to positively impact the Air Force and sister services through professional military education. In addition, the concepts have helped transitioning service members and college students better communicate acquired capabilities and competencies on their résumés. Read on to discover the magic and open your eyes to a brand new way to look at writing. The US Air Force promotion system emphasizes the importance of documenting your very best accomplishments. Under this system, promotion comes from the most recent performance reports, so Airmen must communicate the best accomplishments and not just words that fill the white space. This Magic of Bullet Writing will ensure you know how to articulate not just what you are doing but also convey your strongest competencies and capabilities so the promotion board can fully assess your readiness for promotion. Training materials that correspond to the lessons in this book are available for free download at <http://www.brownbaglessons.com>. Are you ready for the magic?

air force style guide: *The Diversity Style Guide* Rachele Kanigel, 2018-10-15 New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world. A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters

on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not political correctness. Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

air force style guide: *Commanding an Air Force Squadron* Col Usaf Timmons, Timothy, Timothy T. Timmons, 2012-08-07 The privilege of commanding an Air Force squadron, despite its heavy responsibilities and unrelenting challenges, represents for many Air Force officers the high point of their careers. It is service as a squadron commander that accords true command authority for the first time. The authority, used consistently and wisely, provides a foundation for command. As with the officer's commission itself, command authority is granted to those who have earned it, both by performance and a revealed capacity for the demands of total responsibility. But once granted, it much be revalidated every day. So as one assumes squadron command, bringing years of experience and proven record to join with this new authority, one might still need a little practical help to success with the tasks of command. This book offers such help. "Commanding an Air Force Squadron" brings unique and welcome material to a subject other books have addressed. It is rich in practical, useful, down-to-earth advice from officers who have recently experienced squadron command. The author does not quote regulations, parrot doctrine, or paraphrase the abstractions that lace the pages of so many books about leadership. Nor does he puff throughout the manuscript about how he did it. Rather, he presents a digest of practical wisdom based on real-world experience drawn from the reflection of many former commanders from any different types of units. He addresses all Air Force squadron commanders, rated and nonrated, in all sorts of missions worldwide. Please also see a follow up to this book entitled "Commanding an Air Force Squadron in the Twenty-First Century (2003)" by Jeffry F. Smith, Lieutenant Colonel, USAF.

air force style guide: *Air Force Handbook 1* U. S. Air Force, 2018-07-17 This handbook implements AFD 36-22, Air Force Military Training. Information in this handbook is primarily from Air Force publications and contains a compilation of policies, procedures, and standards that guide Airmen's actions within the Profession of Arms. This handbook applies to the Regular Air Force, Air Force Reserve and Air National Guard. This handbook contains the basic information Airmen need to understand the professionalism required within the Profession of Arms. Attachment 1 contains references and supporting information used in this publication. This handbook is the sole source reference for the development of study guides to support the enlisted promotion system. Enlisted Airmen will use these study guide to prepare for their Promotion Fitness Examination (PFE) or United States Air Force Supervisory Examination (USAFSE).

air force style guide: Foundation of the Force Mark R. Grandstaff, 1997 A study of how Air Force enlisted personnel helped shape the future Air Force and foster professionalism among noncommissioned officers in the 1950s.

air force style guide: The Tongue and Quill Air Force, 2019-10-11 The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision

is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt *The Tongue and Quill* to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of *The Tongue and Quill* team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

air force style guide: *U.S. Air Force Survival Handbook* United States Air Force, 2017-01-17
Ideal for fans of History Alive United States books Survivalist handbook with pieces of Air Force history Essential piece of any aircraft survival kit This Air Force handbook was written to help pilots who find themselves in hostile environments. While it is designed for use in formal Air Force training, it is also useful for the general reader seeking a comprehensive and complete manual of outdoor survival techniques. Any US Army survival kit would also benefit from this handbook. Among other pieces of professional and expert advice, the US Air Force Survival Handbook tells readers about: Finding your way without a map First aid for illness and injury Finding food and water Building a fire Concealment techniques Using ropes and tying knots Survival at sea Signaling for help Animal tracking Predicting the weather Building shelters Released on the 70th anniversary of the US Air Force, this book outlines specific survival threats found in many different types of terrain and how to survive them. It is invaluable to all who enjoy the outdoors and anyone who seeks insight into the training tactics of the US Air Force.

air force style guide: *Speaking Effectively* Air University Press, John a Kline, 2019-07-09 Dr. Kline presents techniques on how to speak successfully. He provides examples and pointers for both the novice and the skilled speaker. Dr Kline's book, *Speaking Effectively*, is an essential resource for anyone faced with any kind of speaking situation. It contains hints, anecdotal examples, and the accumulated wisdom of decades of speaking experience. John is highly regarded in government, religious, and corporate circles and widely in demand because he is a great speaker and because he can help anyone communicate more effectively. He brings that expertise forward in a way that both teaches and entertains.

air force style guide: *The Tongue and Quill: Air Force Afh 33-337 Air Force Handbook* Certified Current 27 July 2016 Usaf, 2018-10-08 *The Tongue and Quill* - AFH 33-337 is one of the most used and Air Force Handbooks to date. This is the most up to date edition. (Certified current as of July 27, 2016.) Direct from the ePub repository. The men and women of the United States Air Force must communicate clearly and effectively to carry out our missions. Although we live in an era of rapid personal and mass communication that was barely imagined just a few years ago, our Air Force still requires face-to-face briefings, background papers, and staff packages to keep the mission moving forward. This handbook provides the information to ensure clear communications--written or spoken. *The Tongue and Quill* has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt *Tongue and Quill* to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of *The Tongue and Quill* team to say thank you to every Airman who assisted in making this edition better; you have our

sincere appreciation! The Air Force Handbook (AFH) 33-337 is a guideline for speakers, writers, and presenters. The Tongue and Quill, as it's known, is widely used by Air Force military and civilian members, professional military school educators and students, and civilian corporations around the U.S.

air force style guide: *Sharing Success - Owning Failure: Preparing to Command in the Twenty-First Century Air Force* Colonel Usaf David L Goldfein, USAF, David L., David Goldfein, , USAF, 2012-08-17 Command is the ultimate service. It is a time when we have the singular responsibility to create and lead strong Air Force units. A time when our passion for our Air Force and our vision for its future must be overwhelmingly clear. Early in the Developing Aerospace Leaders initiative, we began to focus on the way in which the institution teaches leadership and prepares airmen for command. What we found was a wide range of practices and a wide range of expectations - a complicating factor in today's Expeditionary Aerospace Force. We realize that preparing our officers to command effective, mission-oriented units must be a deliberate process. It must develop our unique airman perspective, creating commanders who are able to communicate the vision, have credibility in the mission area, and can lead our people with inspiration and heart. The foundation of our institution's effectiveness has always been its leaders. Colonel Goldfein's work provides valuable lessons learned and serves as a worthwhile tool to optimize your effectiveness as a squadron commander. This book is a must-read, not only for those selected to command a squadron but for all our young officers, helping them understand what the requirements of squadron command will be. Remember, command is a unique privilege - a demanding and crucial position in our Air Force. *Sharing Success - Owning Failure* takes you a step closer to successfully meeting that challenge.

air force style guide: *The Associated Press Stylebook 2017* Associated Press, 2017-07-11 The style of the Associated Press is the gold standard for news writing. With *The AP Stylebook* in hand, you can learn how to write and edit with the clarity and professionalism for which they are famous. Fully revised and updated, this new edition contains more than 3,000 A to Z entries—including more than 200 new ones—detailing the AP's rules on grammar, spelling, punctuation, capitalization, abbreviation, and word and numeral usage. You'll find answers to such wide-ranging questions as: · When should the names of government bodies be spelled out and when should they be abbreviated? · What are the general definitions of the major religious movements? · Which companies do the big media conglomerates own? · Who are all the members of the British Commonwealth? · How should box scores for baseball games be filed? · What constitutes “fair use”? · What exactly does the Freedom of Information Act cover? With invaluable additional sections on the unique guidelines for business and sports reporting and on how you can guard against libel and copyright infringement, *The AP Stylebook* is the one reference that all writers, editors, and students cannot afford to be without.

air force style guide: *Joint Ethics Regulation (JER)*. United States. Department of Defense, 1997

air force style guide: *Kent State* Deborah Wiles, 2020-04-21 From two-time National Book Award finalist Deborah Wiles, a masterpiece exploration of one of the darkest moments in our history, when American troops killed four American students protesting the Vietnam War. May 4, 1970. Kent State University. As protestors roil the campus, National Guardsmen are called in. In the chaos of what happens next, shots are fired and four students are killed. To this day, there is still argument of what happened and why. Told in multiple voices from a number of vantage points -- protestor, Guardsman, townie, student -- Deborah Wiles's *Kent State* gives a moving, terrifying, galvanizing picture of what happened that weekend in Ohio . . . an event that, even 50 years later, still resonates deeply.

air force style guide: *Air Force Non-Rated Technical Training* Lisa M. Harrington, Kathleen Reedy, John A. Ausink, Bart E. Bennett, Barbara Bicksler, Darrell D. Jones, Daniel Ibarra, 2018-01-18 This report identifies opportunities for optimizing processes and policies in the U.S. Air Force nonrated technical training pipeline and recommends process and policy changes that could

improve efficiency at all levels.

air force style guide: Military Rules of Evidence Manual Stephen A. Saltzburg, Lee D. Schinasi, David A. Schlueter, 1997 Military Rules of Evidence Manual, Fourth Edition is the only publication of its kind available to both military & civilian attorneys that analyzes what the Rules say & mean to judges & counsel in the military justice system. It also serves as an authoritative case finder. Since the Rules became effective in 1980, this book has been cited hundreds of times by the military courts. This Fourth Edition provides notes to virtually every military case that has interpreted or applied the Rules.

air force style guide: Air Force Technical Order System James F. Jarrett, 1984

air force style guide: Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

air force style guide: Commanding an Air Force Squadron in the Twenty-first Century

Jeffrey F. Smith, 2003 Jeffrey Smith updates the earlier release of Col Timothy T. Timmon's Commanding an Air Force Squadron (1993). In this book, which includes a foreword by Gen John P. Jumper and an introduction by Colonel Timmons, USAF, retired, Colonel Smith relies on the vast insights, experiences, and recommendations of former and current commanders to identify the attributes of a successful commander at multiple levels. He identifies some issues commanders face regardless of the level of command, including counseling personnel, dorm inspections, commanders' calls, money management, and the roles of spouses and families. According to Colonel Smith, the conduct of individuals in times of crises is the truest barometer of a good commander.--Publisher website.

air force style guide: ACS Style Guide Anne M. Coghill, Lorrin R. Garson, 2006 In the time since the second edition of The ACS Style Guide was published, the rapid growth of electronic communication has dramatically changed the scientific, technical, and medical (STM) publication world. This dynamic mode of dissemination is enabling scientists, engineers, and medical practitioners all over the world to obtain and transmit information quickly and easily. An essential constant in this changing environment is the requirement that information remain accurate, clear, unambiguous, and ethically sound. This extensive revision of The ACS Style Guide thoroughly examines electronic tools now available to assist STM writers in preparing manuscripts and communicating with publishers. Valuable updates include discussions of markup languages, citation of electronic sources, online submission of manuscripts, and preparation of figures, tables, and structures. In keeping current with the changing environment, this edition also contains references to many resources on the internet. With this wealth of new information, The ACS Style Guide's Third Edition continues its long tradition of providing invaluable insight on ethics in scientific communication, the editorial process, copyright, conventions in chemistry, grammar,

punctuation, spelling, and writing style for any STMauthor, reviewer, or editor. The Third Edition is the definitive source for all information needed to write, review, submit, and edit scholarly and scientific manuscripts.

air force style guide: Brothers in Berets Forrest L. Marion, 2018 The Air Force Special Operations Command (AFSOC) special tactics community is a small, tight-knit brotherhood of proficient and committed warriors, consisting of special tactics officers and combat controllers, combat rescue officers and pararescuemen, and officer and enlisted special operations weathermen. These warriors have consistently proven themselves to be an invaluable force multiplier throughout history in conflicts around the world. This is their story.--Provided by publisher.

air force style guide: Defending Air Bases in an Age of Insurgency Shannon Caudill, Air University Press, 2014-08 This anthology discusses the converging operational issues of air base defense and counterinsurgency. It explores the diverse challenges associated with defending air assets and joint personnel in a counterinsurgency environment. The authors are primarily Air Force officers from security forces, intelligence, and the office of special investigations, but works are included from a US Air Force pilot and a Canadian air force officer. The authors examine lessons from Vietnam, Iraq, Afghanistan, and other conflicts as they relate to securing air bases and sustaining air operations in a high-threat counterinsurgency environment. The essays review the capabilities, doctrine, tactics, and training needed in base defense operations and recommend ways in which to build a strong, synchronized ground defense partnership with joint and combined forces. The authors offer recommendations on the development of combat leaders with the depth of knowledge, tactical and operational skill sets, and counterinsurgency mind set necessary to be effective in the modern asymmetric battlefield.

air force style guide: Air Force Handbook 10-644 Survival Evasion Resistance Escape Operations, 27 March 2017 United States Government Us Air Force, 2017-06-06 Air Force Handbook 10-644 Survival Evasion Resistance Escape (SERE) Operations 27 March 2017 This handbook describes the various environmental conditions affecting human survival, and describes isolated personnel (IP) activities necessary to survive during successful evasion or isolating events leading to successful recovery. It is the fundamental reference document providing guidance for any USAF service member who has the potential to become isolated; deviations require sound judgment and careful consideration. This publication provides considerations to be used in planning and execution for effective mission accomplishment of formal USAF Survival, Evasion, Resistance, and Escape (SERE) training, environmentally specific SERE training, and combat survival continuation training programs. The tactics, techniques, and procedures in this publication are recognized best practices presenting a solid foundation to assist USAF service members to maintain life and return with honor from isolating events.

air force style guide: The Noncommissioned Officer and Petty Officer Department of Defense, National Defense University Press, 2020-02-10 The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces. Introduction The Backbone of the Armed Forces To be a member of the United States Armed Forces--to wear the uniform of the Nation and the stripes, chevrons, or anchors of the military Services--is to continue a legacy of service, honor, and patriotism that transcends generations. Answering the call to serve is to join the long line of selfless patriots who make up the Profession of Arms. This profession does not belong solely to the United States. It stretches across borders and time to encompass a culture of service, expertise, and, in most cases, patriotism. Today, the Nation's young men and women voluntarily take an oath to

support and defend the Constitution of the United States and fall into formation with other proud and determined individuals who have answered the call to defend freedom. This splendid legacy, forged in crisis and enriched during times of peace, is deeply rooted in a time-tested warrior ethos. It is inspired by the notion of contributing to something larger, deeper, and more profound than one's own self. Notice: This is a printed Paperback version of the The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces. Full version, All Chapters included. This publication is available (Electronic version) in the official website of the National Defense University (NDU). This document is properly formatted and printed as a perfect sized copy 6x9.

air force style guide: Women of the Military Amanda Huffman, 2019-06-12 Women of the Military is a compilation of 28 stories of women who have started their path to military life, are currently serving, separated or retired. There are 4 stories from women in the process of joining, 14 stories from Air Force members, 8 stories from the Army, 1 from the Navy, and 1 from the Marine Corps. Women have served in the American military since as far back as the Revolutionary War. As years passed the role of women in the military has grown and changed. In 1948, women were allowed to serve in the US Military outside of war periods. During the Vietnam War, Cmd. Elizabeth Barrett was the first women to hold command in a combat zone. In 1976, the first woman attended a military academy. In 1998, female fighter pilots flew the first combat mission. And in 2016, after years of women serving in combat roles during Operation Enduring Freedom (Afghanistan) and Operation Iraqi Freedom, all jobs were open to women in the military. There is such a rich history of women serving in the military. And while at one point in time most women served in the role of a nurse. Today, women are a part of every job. The role of women expanding military wasn't by chance. Instead, it was from women proving over and over again that they were a valuable asset and could be used and relied on in the field of battle. How do we know what happened beyond the highlights written in history books? I wanted to answer these questions so I started a journey. A journey to hear the stories of military women. Today I host a podcast, Women of the Military, where I get to talk to women who have served in the military. But before the podcast, my interviews were back and forth on paper. I have put together these stories. Women who have served as far back as Vietnam and as current as those entering the military in 2018. Stories from women who have served in the Army, Air Force, Navy, and Marines. If you've ever wondered what it's like to serve as a female in our military, you need to read this book.
