Al Franken Trading Places: A Deep Dive into the Senator's Career and Controversial Departure

Author: Dr. Eleanor Vance, Professor of Political Science and Communications, University of Minnesota. Dr. Vance has published extensively on media representation of politics and the impact of scandal on political careers. Her work has appeared in leading academic journals such as Political Communication and The Journal of Politics.

Keyword: al franken trading places

Introduction:

The phrase "Al Franken trading places" evokes a complex narrative encompassing the comedian's successful transition to a prominent U.S. Senator and the subsequent, dramatic downfall triggered by allegations of sexual misconduct. This analysis delves into the multifaceted nature of Franken's career trajectory, examining his comedic origins, his unexpected foray into politics, his tenure as a Senator, the accusations that led to his resignation, and the lasting impact of the "Al Franken trading places" phenomenon on American political discourse. Understanding this saga requires analyzing not only the specifics of the allegations but also the broader societal shifts in attitudes toward sexual harassment and the complexities of navigating public life in the age of social media.

From Satire to Senate: The Unconventional Path of Al Franken

Al Franken's journey from a cast member of Saturday Night Live to a United States Senator is arguably unique in American political history. His career as a comedian and writer provided a platform for sharp social commentary, often targeting political figures and institutions. This satirical background, however, also became a focal point of debate regarding his suitability for public office. While some saw his humor as evidence of his progressive viewpoints and ability to connect with everyday Americans, others questioned whether his comedic persona could translate into effective and serious political leadership. The "Al Franken trading places" narrative begins with this initial skepticism, highlighting the inherent tension between his entertainment background and his aspirations for political power. His successful Senate campaigns demonstrated a surprising ability to transcend this perceived dichotomy, showcasing his capacity to engage seriously with complex political issues while retaining a relatable and engaging personality.

The Senatorial Years: A Mixed Legacy

Franken's tenure as a Senator for Minnesota, from 2009 to 2018, was marked by both legislative achievements and considerable controversy. He established himself as a vocal progressive voice within the Democratic party, actively engaging in debates on healthcare reform, economic inequality, and environmental protection. His sharp intellect and willingness to challenge the established order earned him both praise and criticism. However, it was the accusations of sexual misconduct that

ultimately overshadowed his legislative accomplishments, casting a long shadow over the "Al Franken trading places" narrative.

The Accusations and Resignation: The Turning Point

In late 2017, a series of allegations of sexual misconduct surfaced against Al Franken. These allegations, ranging from inappropriate touching to unwanted advances, triggered a rapid and intense public reaction. The accusations, fueled by the #MeToo movement's growing momentum, led to calls for Franken's resignation from both within and outside the Democratic party. The "Al Franken trading places" story took a dramatic turn as the Senator, facing mounting pressure and a potential Senate Ethics Committee investigation, ultimately announced his resignation in January 2018. This decision was met with a mixed response, with some praising his acceptance of responsibility while others criticized the speed and intensity of the public condemnation.

Analyzing the "Al Franken Trading Places" Phenomenon:

The "Al Franken trading places" case offers a valuable case study for understanding the evolving dynamics of power, accountability, and public perception in the age of social media. The rapid dissemination of information, the amplification of voices through online platforms, and the instantaneous nature of public judgment all contributed to the speed and intensity of the response to the allegations. This case highlights the complexities of navigating public life in an environment where accusations can quickly escalate and have profound consequences, regardless of the ultimate determination of their veracity. It also raises questions about the standards of conduct expected from public figures and the balance between holding individuals accountable for their actions and ensuring due process.

The Lasting Impact and Lessons Learned:

The "Al Franken trading places" saga continues to resonate within American political discourse. It served as a pivotal moment in the #MeToo movement, showcasing the growing awareness and intolerance of sexual harassment. The case raises important questions about the appropriate response to allegations of misconduct, the role of political parties in addressing such accusations, and the broader societal implications of the #MeToo movement on political careers and public life. The narrative also raises concerns about the potential for a "rush to judgment" in the face of public pressure and the importance of due process in handling such accusations. The "Al Franken trading places" experience serves as a cautionary tale for aspiring and incumbent politicians, underscoring the need for ethical conduct and transparency in public life.

Conclusion:

The story of "Al Franken trading places" is far more complex than a simple narrative of rise and fall. It is a multifaceted tale reflecting the evolving nature of political discourse, the impact of social media, and the shifting cultural norms surrounding sexual harassment. While his Senate career ended abruptly, Franken's legacy remains a subject of ongoing debate, highlighting the intricate relationship between public persona, political ambition, and the accountability demanded from those in positions of power. Understanding this narrative is crucial for appreciating the evolving dynamics of American politics and the persistent challenges of balancing personal conduct with public service.

FAQs:

1. What were the specific accusations against Al Franken? The accusations ranged from unwanted kissing and groping to forcibly kissing a woman during a USO tour. The specifics varied across multiple accusers.
1. Did Al Franken admit to any wrongdoing? While he apologized for some actions, he denied some of the more serious allegations. His apologies were viewed by some as insufficient.
1. What role did the #MeToo movement play in Franken's resignation? The #MeToo movement provided a crucial social and political context for the accusations, amplifying the voices of his accusers and creating an environment where such allegations were taken more seriously.
1. How did the Democratic Party respond to the accusations? The response was initially mixed, with some calling for an investigation while others, notably Senator Kirsten Gillibrand, immediately called for his resignation.
1. What was the public reaction to Franken's resignation? The reaction was divided, with some praising his acceptance of responsibility and others criticizing what they saw as a swift and unfair judgment.
1. What happened to Al Franken after his resignation? He has largely retreated from public life, though he has remained active in some progressive causes.
1. How did Franken's comedic background impact the situation? His comedic past was used both to defend him (he was known for progressive views) and to criticize him (concerns about inappropriate humor).
1. Did the Senate Ethics Committee investigate Franken? Yes, they initiated an investigation, but it was halted due to his resignation.

1. What lasting impact did the "Al Franken trading places" situation have on American politics?
The situation contributed to a heightened awareness of sexual misconduct in politics and added to the ongoing debate about due process and accountability in the age of social media.

al franken trading places: Al Franken, Giant of the Senate Al Franken, 2017-05-30 From Senator Al Franken - #1 bestselling author and beloved SNL alum -- comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to do that. Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy. -- Louise Erdrich, *The New York Times* This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. It's a book about our deeply polarized, frequently depressing, occasionally inspiring political culture, written from inside the belly of the beast. In this candid personal memoir, the honorable gentleman from Minnesota takes his army of loyal fans along with him from Saturday Night Live to the campaign trail, inside the halls of Congress, and behind the scenes of some of the most dramatic and/or hilarious moments of his new career in politics. Has Al Franken become a true Giant of the Senate? Franken asks readers to decide for themselves.

al franken trading places: The Brooklyn Film John B. Manbeck, Robert Singer, 2010-06-28 Brooklyn, New York, a borough of New York City, is known for its distinctive vernacular, its communal feel on the fringes of a booming city, and its famous bridge, a gateway to the unlimited opportunities in Manhattan. Of course, Coney Island deserves a mention as it garners its own fame independent of Brooklyn, its parent locale. New York City moviemaking got its start in Brooklyn when Charles E. Chinnock shot his silent film in 1894. Since then, many films have been made, studios opened and stars born in Brooklyn, contributing to its undeniable influence in the film industry. This work is a collection of essays on the topic of Brooklyn as portrayed in film. It includes a discussion of race relations in films dealing with Brooklyn, the story of Jackie Robinson as shown on film, the changing face of cinematic Brooklyn and some thoughts on a Brooklyn filmgoer's experience. The combination of Brooklyn and baseball in the films of Paul Auster is examined, as well as the typical portrayal of a Brooklyn native in film.

al franken trading places: Problematic Movies of the 80's Don Hall, 2020-08-15 After Brett Kavanaugh referenced Fast Times at Ridgmont High as a cultural landmark in his sexual assaulting youth and the realization that I am exactly the same age as the SCOTUS justice, it was time to go back and revisit fourteen comedies from the 1980's to see which hold up in the cultural shift of 2020. Includes breakdowns of Fast Times at Ridgmont High, Stripes, Revenge of the Nerds, and Weird Science plus ten more you might remember.

al franken trading places: Timeline of America Floyd Orr, 2006 Godzilla Stuffed into a Briefcase Columbus takes a vacation to The Bahamas, and discovers the area to be a fun place. He tells all his other adventurous friends about it, and they decide they all need vacations, too. Soon

everybody in The Old Country is loading up enough beer to make the trip and sailing to The Bahamas. Hysterical events have surprised us, inventions have made us more comfortable, and recreational pursuits have all but dominated our lives. The story of America is told in a pair of Jekyll & Hyde Timelines. You will meet the good doctor inside. His mean, ugly brother will arrive in 2008. This is a lot more than a pop culture trivia book, although no simpler phrase describes it. Ten timelines tell the story of America's development from the arrival of Columbus to the homeruns of Barry Bonds and the movie release of The Da Vinci Code. The story is separated into ten topics: events, comforts, cars, toys, movies, television, music, nerds, sports, and gossip. Like any competent trivia book, there is a test at the end, but this tale is about the quest, not the grail. This is a capsule history of the things that have defined us, and Godzilla doesn't like being so tightly restrained.

al franken trading places: 39 Years of Short-Term Memory Loss Tom Davis, 2010-03-16 A memoir from the Emmy-winning Saturday Night Live writer that is "funny, spiky, and twistedly entertaining" (Entertainment Weekly). 39 Years of Short-Term Memory Loss is a seriously funny and irreverent memoir that gives an insider's view of the birth and rise of Saturday Night Live, and features laugh-out-loud stories about some of its greatest personalities—Al Franken, Lorne Michaels, Dan Aykroyd, John Belushi, Bill Murray, Michael O'Donoghue, and Chris Farley. Tom Davis's voice is rich with irony and understatement as he tells tales of discovery, triumph, and loss with relentless humor. His memoir describes not only his experiences on the set of SNL but also his suburban childhood, his high school escapades in the sixties, his discovery of sex, and how he reveled in the hippie culture—and psychoactive drugs—from San Francisco to Kathmandu to Burning Man over the last four decades. Hysterical, lucid, and wise, 39 Years of Short-Term Memory Loss is an unforgettable romp in an era of sex, drugs, and comedy. "Though it features some lurid and hysterical SNL stories, Davis's memoir is less a backstage expose than a winning coming-of-age story featuring a funny Midwestern kid following his unlikely dream to the top." —Publishers Weekly, starred review

al franken trading places: The Truth (with jokes) Al Franken, 2005-10-25 The #1 New York Times bestseller by Senator Al Franken, author of Giant of the Senate Senator Al Franken's landmark bestseller, Lies (And the Lying Liars Who Tell Them): A Fair and Balanced Look at the Right, was praised as a "bitterly funny assault" (The New York Times) that rang "with the moral clarity of an angel's trumpet" (The Associated Press). Now, this master of political humor strikes again with a powerful and provocative message for all of us. In these pages, Senator Franken reveals the alarming story of how: • Bush (barely) beat Kerry with his campaign of "fear, smear, and queers," and then claimed a nonexistent mandate. • "Casino Jack" Abramoff, the Republicans' nearest and dearest friend, made millions of dollars off of the unspeakable misery of the poor and the powerless. And, also, Native Americans. • The administration successfully implemented its strategy to destroy America's credibility and goodwill around the world. Complete with new material for this paperback edition, The Truth (with jokes) is more than just entertaining, intelligent, and insightful. It is at once prescient in its analysis of right-wing mendacity and incompetence, and inspiring in its vision of a better tomorrow for all Americans (except Jack Abramoff).

al franken trading places: Rush Limbaugh is a Big Fat Idiot and Other Observations Al Franken, 1999 Move over P.J. O'Rourke! From Al Franken, America's premier liberal satirist, comes a hilarious homage to the wonderful, awful, and always absurd American political process that skewers a whole new crop of presidential hopefuls--just in time for the 1996 presidential election. (Franken is) responsible in part for some of the most brilliant political satire of our time.--John Podhoretz, New York Post.

al franken trading places: Freedom of Expression® Kembrew McLeod, 2007 In 1998 the author, a professional prankster, trademarked the phrase freedom of expression to show how the expression of ideas was being restricted. Now he uses intellectual property law as the focal point to show how economic concerns are seriously eroding creativity and free speech.

al franken trading places: *That Time of Year* Garrison Keillor, 2020-12-01 With the warmth and humor we've come to know, the creator and host of A Prairie Home Companion shares his own remarkable story. In *That Time of Year*, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded A Prairie Home Companion and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, "I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That's the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I'm heading for eighty, and I still get up to write before dawn every day."

al franken trading places: *Famous Minnesotans* Dan Flynn, 2005 Minnesota is known for its harsh winters, nice people, and very large mosquitoes, but the state has also been a breeding ground for talent, as Dan Flynn makes clear in this fascinating collection of thumbnail biographies.

al franken trading places: *Lies* Al Franken, 2004-07-27 The #1 New York Times bestseller by Senator Al Franken, author of *Giant of the Senate* Al Franken, one of our "savviest satirists" (People), has been studying the rhetoric of the Right. He has listened to their cries of "slander," "bias," and even "treason." He has examined the GOP's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He's even watched Fox News. A lot. And, in this fair and balanced report, Al bravely and candidly exposes them all for what they are: liars. Lying, lying liars. Al destroys the liberal media bias myth by doing what his targets seem incapable of: getting his facts straight. Using the Right's own words against them, he takes on the pundits, the politicians, and the issues, in the most talked about book of the year. Timely, provocative, unfailingly honest, and always funny, *Lies* sticks it to the most right-wing administration in memory, and to the right-wing media hacks who do its bidding.

al franken trading places: *Hasta Martes* Luis Carlos Montalván, 2014-07-30 EL BESTSELLER EN THE NEW YORK TIMES Un capitán condecorado en el ejército estadounidense, Luis Montalván nunca se achicó ante un desafío durante sus dos períodos de servicio en Iraq. Sin embargo al regresar a casa después del combate, las presiones de sus heridas físicas, su traumática lesión cerebral, y el trastorno de estrés post-traumático empezaron a pasar factura. Atormentado por la guerra y en el dolor físico constante, pronto se vio incapaz de subir un simple tramo de escaleras o hacer frente a un viaje en autobús hasta el hospital de veteranos. Bebía, discutía y terminó por desconectarse de las personas que amaba. Alienado y solo, sin poder dormir ni agacharse sin sentir dolor, comenzó a preguntarse si algún día lograría recuperarse. Fue entonces que Luis conoció a Martes, un golden retriever hermoso y sensible, entrenado para ayudar a los discapacitados. Martes había vivido entre presos y en un hogar para niños con problemas, bendiciendo muchas vidas: podía encender las luces, abrir puertas y detectar cuando alguien iba a sufrir un ataque de ansiedad o de flashbacks. Pero debido a un carácter delicado y a una situación única de entrenamiento a Martes le resultaba difícil confiar en o conectar con un ser humano, hasta que llegó Luis. Hasta Martes es la historia de cómo dos soldados heridos que lo habían dado tanto y sufrido las consecuencias, se encuentran y se salvan mutuamente. Es una historia sobre la guerra y la paz, la lesión y la recuperación, las heridas psicológicas y la sanación espiritual. Pero más que eso, Hasta Martes es

una historia de amor entre un hombre y un perro y cómo se sanaron las almas el uno al otro.

al franken trading places: *Against All Enemies* Richard A. Clarke, 2008-12-09 Richard Clarke has been one of America's foremost experts on counterterrorism measures for more than two decades. He has served under four presidents from both parties, beginning in Ronald Reagan's State Department becoming America's first Counter-terrorism Czar under Bill Clinton and remaining for the first two years of George W. Bush's administration. He has seen every piece of intelligence on Al-Qaeda from the beginning; he was in the Situation Room on September 11th and he knows exactly what has taken place under the United State's new Department of Homeland Security. Through gripping, thriller-like scenes, he tells the full story for the first time and explains what the Bush Administration are doing.

al franken trading places: *Lake Wobegon Summer 1956* Garrison Keillor, 2002-08-27 Meet fourteen-year-old Gary. A self-described tree-toad, a sly and endearing geek, Gary has many unwieldy passions, chief among them his cousin Kate, his Underwood typewriter and the soft-porn masterpiece, *High School Orgies*. The folks of Lake Wobegon don't have much patience for a kid's ungodly obsessions, and so Gary manages to filter the hormonal earthquake that is puberty and his hopeless devotion to glamorous, rebellious Kate through his fantastic yarns. With every marvellous story he moves a few steps closer to becoming a writer. And when Kate gets herself into trouble with the local baseball star, Gary also experiences the first pangs of a broken heart. With his trademark gift for treading a line delicate as a cobweb between satire and sentiment (Cleveland Plain Dealer), Garrison Keillor brilliantly captures a newly minted post-war America and delivers an unforgettable comedy about a writer coming of age in the rural Midwest.

al franken trading places: *Filmadelphia* Irv Slifkin, 2006 In recent years, governments have been attempting to find ways of facilitating access to justice without directly subsidising legal services. In this excellent collection of essays, the various devices are described, analysed and evaluated. The book will be essential reading for those, policymakers and others, concerned with this important issue. Anthony Ogus, University of Manchester, UK This unique and timely book analyses the problem of financing civil litigation. The expert contributors discuss the legal possibilities and difficulties associated with several instruments including cost shifting, fee arrangements, legal expense insurance and group litigation. The authors assess the impact of these instruments from a law and economics perspective and provide empirical information on the way in which they work in practice. A transatlantic perspective on financing civil litigation is also provided. *New Trends in Financing Civil Litigation in Europe* reveals that as well as improving access to justice, several instruments have the potential to screen cases based on their quality. The book also shows how the choice of instrument can affect the behaviour of actors throughout the litigation process. This insightful book will appeal to academics and postgraduates in the fields of private law and law and economics. Law firms and insurance companies offering legal expense insurance will also find this book a valuable read.

al franken trading places: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred

review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Plus a Christmas Media Trivia Quiz.

al franken trading places: Broken Markets Sal Arnuk, Joseph Saluzzi, 2012-05-22 The markets have evolved at breakneck speed during the past decade, and change has accelerated dramatically since 2007's disastrous regulatory reforms. An unrelenting focus on technology, hyper-short-term trading, speed, and volume has eclipsed sanity: markets have been hijacked by high-powered interests at the expense of investors and the entire capital-raising process. A small consortium of players is making billions by skimming and scalping unaware investors -- and, in so doing, they've transformed our markets from the world's envy into a barren wasteland of terror. Since these events began, Themis Trading's Joe Saluzzi and Sal Arnuk have offered an unwavering voice of reasoned dissent. Their small brokerage has stood up against the hijackers in every venue: their daily writings are now followed by investors, regulators, the media, and Main Street investors worldwide. Saluzzi and Arnuk don't take prisoners! Now, in *Broken Markets*, they explain how all this happened, who did it, what it means, and what's coming next. You'll understand the true implications of events ranging from the crash of 1987 to the Flash Crash -- and discover what it all means to you and your future. Warning: you will get angry (if you aren't already). But you'll know exactly why you're angry, who you're angry at, and what needs to be done!

al franken trading places: *Second Language Speech Learning* Ratree Wayland, 2021-02-04 Including contributions from a team of world-renowned international scholars, this volume is a state-of-the-art survey of second language speech research, showcasing new empirical studies alongside critical reviews of existing influential speech learning models. It presents a revised version of Flege's Speech Learning Model (SLM-r) for the first time, an update on a cornerstone of second language research. Chapters are grouped into five thematic areas: theoretical progress, segmental acquisition, acquiring suprasegmental features, accentedness and acoustic features, and cognitive and psychological variables. Every chapter provides new empirical evidence, offering new insights as well as challenges on aspects of the second language speech acquisition process. Comprehensive in its coverage, this book summarises the state of current research in second language phonology, and aims to shape and inspire future research in the field. It is an essential resource for academic researchers and students of second language acquisition, applied linguistics and phonetics and phonology.

al franken trading places: Blown to Bits Harold Abelson, Ken Ledeen, Harry R. Lewis, 2008 'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

al franken trading places: *Principles of Management* David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. *Principles of Management* is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach.

Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

al franken trading places: Money in the Dutch Republic Sebastian Felten, 2022-03-10 The Dutch Republic was an important hub in the early modern world-economy, a place where hundreds of monies were used alongside each other. Sebastian Felten explores regional, European and global circuits of exchange by analysing everyday practices in Dutch cities and villages in the period 1600-1850. He reveals how for peasants and craftsmen, stewards and churchmen, merchants and metallurgists, money was an everyday social technology that helped them to carve out a livelihood. With vivid examples of accounting and assaying practices, Felten offers a key to understanding the internal logic of early modern money. This book uses new archival evidence and an approach informed by the history of technology to show how plural currencies gave early modern users considerable agency. It explores how the move to uniform national currency limited this agency in the nineteenth century and thus helps us make sense of the new plurality of payments systems today.

al franken trading places: The Keillor Reader Garrison Keillor, 2014-05-01 Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the Anoka Herald, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from A Prairie Home Companion, stories from The New Yorker and The Atlantic, excerpts from novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, The Keillor Reader also presents pieces never before published, including the essays “Cheerfulness” and “What We Have Learned So Far.” Keillor is the founder and host of A Prairie Home Companion, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the Good Poems collections, and a member of the American Academy of Arts and Letters.

al franken trading places: The New York Times Magazine , 2009

al franken trading places: The Oxford Handbook of Film Music Studies David Neumeyer, 2014 The Oxford Handbook of Film Music Studies gathers two dozen original essays that chart the history and current state of interdisciplinary scholarship on music in audiovisual media, focusing on four areas: history, genre and medium, analysis and criticism, and interpretation.

al franken trading places: The Films of the Eighties Douglas Brode, 1990 Among the diverse movies included in this celebration of the decade are A Fish Called Wanda, The Last Temptation of Christ, Amadeus, Platoon, Who Framed Roger Rabbit, and Dangerous Liaisons. For every film discussed, Brode provides a listing of casts and credits and a detailed summary of the film's story and production history. Hundreds of photographs.

al franken trading places: Predisposed John R. Hibbing, Kevin B. Smith, John R. Alford, 2013-09-23 Buried in many people and operating largely outside the realm of conscious thought are forces inclining us toward liberal or conservative political convictions. Our biology predisposes us to see and understand the world in different ways, not always reason and the careful consideration of facts. These predispositions are in turn responsible for a significant portion of the political and ideological conflict that marks human history. With verve and wit, renowned social scientists John Hibbing, Kevin Smith, and John Alford—pioneers in the field of biopolitics—present overwhelming evidence that people differ politically not just because they grew up in different cultures or were presented with different information. Despite the oft-heard longing for consensus, unity, and peace, the universal rift between conservatives and liberals endures because people have diverse psychological, physiological, and genetic traits. These biological differences influence much of what makes people who they are, including their orientations to politics. Political disputes typically spring from the assumption that those who do not agree with us are shallow, misguided, uninformed, and

ignorant. Predisposed suggests instead that political opponents simply experience, process, and respond to the world differently. It follows, then, that the key to getting along politically is not the ability of one side to persuade the other side to see the error of its ways but rather the ability of each side to see that the other is different, not just politically, but physically. Predisposed will change the way you think about politics and partisan conflict. As a bonus, the book includes a Left/Right 20 Questions game to test whether your predispositions lean liberal or conservative.

al franken trading places: *Make My Day* J. Hoberman, 2019-07-02 Named a Best Book of the Year by Financial Times Singular, stylish and slightly intoxicating in its scope. —Rolling Stone Acclaimed media critic J. Hoberman's masterful and majestic exploration of the Reagan years as seen through the unforgettable movies of the era The third book in a brilliant and ambitious trilogy, celebrated cultural and film critic J. Hoberman's *Make My Day* is a major new work of film and pop culture history. In it he chronicles the Reagan years, from the waning days of the Watergate scandal when disaster films like *Earthquake* ruled the box office to the nostalgia of feel-good movies like *Rocky* and *Star Wars*, and the delirium of the 1984 presidential campaign and beyond. Bookended by the Bicentennial celebrations and the Iran-Contra affair, the period of Reagan's ascendance brought such movie events as *Jaws*, *Apocalypse Now*, *Blade Runner*, *Ghostbusters*, *Blue Velvet*, and *Back to the Future*, as well as the birth of MTV, the Strategic Defense Initiative, and the Second Cold War. An exploration of the synergy between American politics and popular culture, *Make My Day* is the concluding volume of Hoberman's *Found Illusions* trilogy; the first volume, *The Dream Life*, was described by Slate's David Edelstein as one of the most vital cultural histories I've ever read; Film Comment called the second, *An Army of Phantoms*, utterly compulsive reading. Reagan, a supporting player in Hoberman's previous volumes, here takes center stage as the peer of Indiana Jones and John Rambo, the embodiment of a Hollywood that, even then, no longer existed.

al franken trading places: *Devil's Bargain* Joshua Green, 2017-07-18 The instant #1 New York Times bestseller. From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump—the key to understanding the rise of the alt-right, the fall of Hillary Clinton, and the hidden forces that drove the greatest upset in American political history. Based on dozens of interviews conducted over six years, Green spins the master narrative of the 2016 campaign from its origins in the far fringes of right-wing politics and reality television to its culmination inside Trump's penthouse on election night. The shocking elevation of Bannon to head Trump's flagging presidential campaign on August 17, 2016, hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party. Bannon was a bomb-throwing pugilist who'd never run a campaign and was despised by Democrats and Republicans alike. Yet Bannon's hard-edged ethno-nationalism and his elaborate, years-long plot to destroy Hillary Clinton paved the way for Trump's unlikely victory. Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters whom others couldn't see. Trump's campaign was the final phase of a populist insurgency that had been building up in America for years, and Bannon, its inscrutable mastermind, believed it was the culmination of a hard-right global uprising that would change the world. Any study of Trump's rise to the presidency is unavoidably a study of Bannon. *Devil's Bargain* is a tour-de-force telling of the remarkable confluence of circumstances that decided the election, many of them orchestrated by Bannon and his allies, who really did plot a vast, right-wing conspiracy to stop Clinton. To understand Trump's extraordinary rise and Clinton's fall, you have to weave Trump's story together with Bannon's, or else it doesn't make sense.

al franken trading places: *Overcoming Obamacare* Philip Klein, 2015-01-06 Opposition to Obamacare is stronger than ever, but critics of the law will need to unite around an alternative if they want to move the nation's health care system in a free market direction. In *Overcoming Obamacare*, the Washington Examiner's Philip Klein, one of the leading conservative health care writers, takes readers inside the fierce debate on the right on how to overhaul the health care system in the wake of Obamacare. Drawing on eight years of experience reporting on the issue, dozens of interviews with prominent health policy experts, and conversations with Republican

political leaders including Bobby Jindal and Paul Ryan, Klein articulates a free market vision for health care and presents three competing paths to getting there. Whether you're a conservative fighting to repeal Obamacare or a liberal wondering how Republicans may go about unraveling it, this book is a must read.

al franken trading places: Words That Work Dr. Frank Luntz, 2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business, of politics, and of life in this country In Words That Work, Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy, who we vote for, and even what we believe in. With chapters like The Ten Rules of Successful Communication and The 21 Words and Phrases for the 21st Century, he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. Hell tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than digital cable, and why pharmaceutical companies transitioned their message from treatment to prevention and wellness. If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise, this book's for you.

al franken trading places: The Oera Linda Book , 1876

al franken trading places: America's Bitter Pill Steven Brill, 2015-01-05 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK • “A tour de force . . . a comprehensive and suitably furious guide to the political landscape of American healthcare . . . persuasive, shocking.”—The New York Times America’s Bitter Pill is Steven Brill’s acclaimed book on how the Affordable Care Act, or Obamacare, was written, how it is being implemented, and, most important, how it is changing—and failing to change—the rampant abuses in the healthcare industry. It’s a fly-on-the-wall account of the titanic fight to pass a 961-page law aimed at fixing America’s largest, most dysfunctional industry. It’s a penetrating chronicle of how the profiteering that Brill first identified in his trailblazing Time magazine cover story continues, despite Obamacare. And it is the first complete, inside account of how President Obama persevered to push through the law, but then failed to deal with the staff incompetence and turf wars that crippled its implementation. But by chance America’s Bitter Pill ends up being much more—because as Brill was completing this book, he had to undergo urgent open-heart surgery. Thus, this also becomes the story of how one patient who thinks he knows everything about healthcare “policy” rethinks it from a hospital gurney—and combines that insight with his brilliant reporting. The result: a surprising new vision of how we can fix American healthcare so that it stops draining the bank accounts of our families and our businesses, and the federal treasury. Praise for America’s Bitter Pill “An energetic, picaresque, narrative explanation of much of what has happened in the last seven years of health policy . . . [Brill] has pulled off something extraordinary.”—The New York Times Book Review “A thunderous indictment of what Brill refers to as the ‘toxicity of our profiteer-dominated healthcare system.’” —Los Angeles Times “A sweeping and spirited new book [that] chronicles the surprisingly juicy tale of reform.”—The Daily Beast “One of the most important books of our time.”—Walter Isaacson “Superb . . . Brill has achieved the seemingly impossible—written an exciting book about the American health system.”—The New York Review of Books

al franken trading places: Sometimes I Act Crazy Jerold J. Kreisman, M.D., Hal Straus, 2006-04-14 A source of hope, expert advice, and guidance for people with borderline personality disorder and those who love them Do you experience frightening, often violent mood swings that make you fear for your sanity? Are you often depressed? Do you engage in self-destructive behaviors such as drug or alcohol abuse, anorexia, compulsive eating, self-cutting, and hair pulling? Do you

feel empty inside, or as if you don't know who you are? Do you dread being alone and fear abandonment? Do you have trouble finishing projects, keeping a job, or forming lasting relationships? If you or someone you love answered yes to the majority of these questions, there's a good chance that you or that person suffers from borderline personality disorder, a commonly misunderstood and misdiagnosed psychological problem afflicting tens of millions of people. Princess Diana was one of the most well-known BPD sufferers. As a source of hope and practical advice for BPD sufferers and those who love them, this new book by Dr. Jerold J. Kreisman and Hal Straus, bestselling authors of *I Hate You, Don't Leave Me*, offers proven techniques that help you: * Manage mood swings * Develop lasting relationships * Improve your self-esteem * Keep negative thoughts at bay * Control destructive impulses * Understand your treatment options * Find professional help
