alabama basketball coaches history: Chasing the Bear Lars Anderson, 2019-09-03 A dual biography of two coaching legends -- Bear Bryant and Nick Saban -- who built the Alabama Crimson Tide into a true football dynasty. Both Bear Bryant and Nick Saban are undeniable kings of college football, two coaches at Alabama who have each won more national championships -- six apiece -- than anyone else in the history of the game. *CHASING THE BEAR* examines how they did it, revealing along the way their similarities in style, background, football philosophy, and recruiting methods, while providing readers a rare inside look at two of the greatest leaders in the history of sports. Bear Bryant and Nick Saban never met, but they have more in common than either of them realize. Both grew up in small towns -- Bryant in Moro Bottom, Arkansas, a dot on the map, and Saban from Monongah, West Virginia, population five hundred. As a child, Saban pumped gas at his father's service station, washing and waxing cars and doing anything he could to help the business. Bryant's father suffered from multiple physical ailments, which forced Bryant to work to keep the family farm going. Both men knew the value of hard work from the time they were young boys, and both understood that there were no shortcuts to success. But both dreamed of escaping their hometowns, and both used football as the means to do so. Separated by two generations, Bear Bryant and Nick Saban are mythic figures linked by a school, a town, and a barroom debate centering on one question: Which is the greatest college coach of all time?

alabama basketball coaches history: Rising Tide Randy Roberts, Ed Krzemienski, 2013-08-20 The extraordinary story of how Coach Paul Bear Bryant and Joe Namath, his star quarterback at the University of Alabama, led the Crimson Tide to victory and transformed football into a truly national pastime. During the bloodiest years of the civil rights movement, Bear Bryant and Joe Namath--two of the most iconic and controversial figures in American sports--changed the game of college football forever. Brilliantly and urgently drawn, this is the gripping account of how these two very different men--Bryant a legendary coach in the South who was facing a pair of ethics scandals that threatened his career, and Namath a cocky Northerner from a steel mill town in Pennsylvania--led the Crimson Tide to a national championship. To Bryant and Namath, the game was everything. But no one could ignore the changes sweeping the nation between 1961 and 1965--from the Freedom Rides to the integration of colleges across the South and the assassination of President Kennedy. Against this explosive backdrop, Bryant and Namath changed the meaning of

football. Their final contest together, the 1965 Orange Bowl, was the first football game broadcast nationally, in color, during prime time, signaling a new era for the sport and the nation. Award-winning biographer Randy Roberts and sports historian Ed Krzemienski showcase the moment when two thoroughly American traditions—football and Dixie—collided. A compelling story of race and politics, honor and the will to win, *Rising Tide* captures a singular time in America. More than a history of college football, this is the story of the struggle and triumph of a nation in transition and the legacy of two of the greatest heroes the sport has ever seen.

alabama basketball coaches history: I Came As a Shadow John Thompson, 2020-12-15 A NEW YORK TIMES NOTABLE BOOK The long-awaited autobiography from Georgetown University's legendary coach, whose life on and off the basketball court threw America's unresolved struggle with racial justice into sharp relief. John Thompson was never just a basketball coach and *I Came As A Shadow* is categorically not just a basketball autobiography. After five decades at the center of race and sports in America, Thompson—the iconic NCAA champion, Black activist, and educator—was ready to make the private public at last, and he completed this autobiography shortly before his death in the historically tumultuous summer of 2020. Chockful of stories and moving beyond mere stats (three Final Fours, four-time national coach of the year, seven Big East championships, 97 percent graduation rate), Thompson's book drives us through his childhood under Jim Crow segregation to our current moment of racial reckoning. We experience riding shotgun with Celtics icon Red Auerbach and coaching NBA Hall of Famers like Patrick Ewing and Allen Iverson. What were the origins of the phrase "Hoya Paranoia"? You'll see. And parting his veil of secrecy, Thompson brings us into his negotiation with a D.C. drug kingpin in his players' orbit in the 1980s, as well as behind the scenes of his years on the Nike board. Thompson's mother was a teacher who had to clean houses because of racism in the nation's capital. His father could not read or write. Their son grew up to be a man with his own larger-than-life statue in a building that bears his family's name on a campus once kept afloat by the selling of 272 enslaved Black people. This is a great American story, and John Thompson's experience sheds light on many of the issues roiling our

nation. In these pages, he proves himself to be the elder statesman whose final words college basketball and the country need to hear. *I Came As A Shadow* is not a swan song, but a bullhorn blast from one of America's most prominent sons.

alabama basketball coaches history: The Missing Ring Keith Dunnavant, 2007-08-21 Keith Dunnavant's triumph is that he takes us into the heart of Alabama, into the darkness and the light, and there we see Joe Namath, Kenny Stabler, Ray Perkins, and their band of brothers play football for Bear Bryant the way life should be lived, at full throttle, indomitably. ---Dave Kindred, author of *Sound and Fury: Two Powerful Lives, One Fateful Friendship* The Missing Ring is more than a football book. It is both a story of a changing era and of an extraordinary team on a championship quest. Very few institutions in American sports can match the enduring excellence of the University of Alabama football program. Across a wide swath of the last century, the tradition-rich Crimson Tide has claimed twelve national championships, captured twenty-five conference titles, finished thirty-four times among the country's top ten, and played in fifty-three bowl games. Especially dominant during the era of the legendary Paul Bear Bryant, the larger-than-life figure who towered over the landscape like no man before or since, Alabama entered the 1966 season with the chance to become the first college football team to win three consecutive national championships. Every aspect of Bryant's grueling system was geared around competing for the big prize each and every year, and in 1966 the idea of the threepeat tantalized the players, pushing them toward greatness. Driven by Bryant's enthusiasm, dedication, and perseverance, players were made to believe in their team and themselves. Led by the electrifying force of quarterback Kenny Snake Stabler and one of the most punishing defenses in the storied annals of the Southeastern Conference, the Crimson Tide cruised to a magical season, finishing as the nation's only undefeated, untied team. But something happened on the way to the history books. The Missing Ring is the story of the one that got away, the one that haunts Alabama fans still, and native Alabamian Keith Dunnavant takes readers deep inside the Crimson Tide program during a more innocent time, before widespread telecasting, before scholarship limitations, before end-zone dances. Meticulously revealing the strategies, tactics, and personal dramas that bring the overachieving boys of 1966 to life, Dunnavant's insightful, anecdotally rich narrative shows how Bryant molded a diverse group of young men into a powerful force that overcame various obstacles to achieve perfection in an imperfect world. Set against the backdrop of the civil rights movement, the still-escalating Vietnam War, and a world and a sport teetering on the brink of change in a variety of ways, *The Missing Ring* tells an important story about the collision between football and culture. Ultimately, it is this clash that produces the

Crimson Tide's most implacable foe, enabling the greatest injustice in college football history. Keith Dunnavant has written yet another fabulous book about the fabled Alabama football program. You will be amazed at how one of the great injustices in the history of college football cost them their rightful place in history. And you just thought the system was screwed up now. ---Jim Dent, author of *The Junction Boys* Keith Dunnavant nails it: all the sacrifices the 1966 Alabama team made to win three national championships in a row, and how we were robbed at the ballot box. ---Jerry Duncan, one of the boys of 1966 Dunnavant infuses reportage and passion into a tale that every Alabamian of a certain age knows: For all the crying about Penn State in 1969, Penn State in 1994, or Auburn in 2004, no team ever got shafted the way the 1966 Crimson Tide did. It's all here: the churning legs, the churning stomachs, and the dreaded gym classes where Bear Bryant's boys made the sacrifices he demanded in order to become champions. They conquered their opponents on the field, but proved to be no match for the politics of the day off the field. The

alabama basketball coaches history: Slam Dunked Ron Gomez, Beryl Shipley, 2008-05 In 1957, a fiery, red-haired basketball coach named Beryl Shipley arrived at what was then known as Southwestern Louisiana Institute (later Southwestern Louisiana, and now the University of Louisiana-Lafayette), wasting little time in turning the basketball program into a powerhouse, winning a slew of Gulf States Conference and later Southland Conference championships. Shipley's Bulldogs--later known as the Ragin' Cajuns--proved to be one of the most exciting teams in the country, making the leap from NAIA to NCAA Division I without missing a beat. In 1972, Cajuns' guard Dwight Bo Lamar led the nation in scoring. Despite consistently putting out quality basketball teams and endearing himself to the community, Shipley had to contend with an unlikely opponent--Louisiana segregationists who were hell-bent on curbing athletic integration in Shipley's program. Slam Dunked reveals for the first time the questionable procedures and allegations of the NCAA. Newly discovered documents, dating back three decades, show the NCAA's actions abetting those of the racially motivated Louisiana State Board of Education and other segregationists who were determined to punish those responsible for integrating athletics in the state.--Publisher

alabama basketball coaches history: *The Big East* Dana O'Neil, 2023-02-28 The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball history—the Big East “This book, full of long-standing rivalries, unmatched moments in the lives of

coaches and players, and juicy insider gossip, is, like the game of basketball, a ton of fun.”—Philadelphia magazine The names need no introduction: Thompson and Patrick, Boeheim and the Pearl, and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven’t heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league’s founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East’s first ten years, five of its teams played for a national championship. The league didn’t merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference’s history, *The Big East* charts the league’s daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, “It was Camelot. Camelot with bad language.”

alabama basketball coaches history: *Bebes and the Bear* Ron J. Jackson, 2019-10-18 No one who has seen the iconic photograph can ever forget its emotional pull: a grinning Gene Stallings, hoisted into the air at midfield in the arms of his lifelong mentor, Paul “Bear” Bryant, moments after the final gun sounded for the 1968 Cotton Bowl. Stallings’s upstart Aggies delivered an unbelievable upset of Bryant’s Crimson Tide, a team that had dominated its SEC rivals under the leadership of a young quarterback who later achieved NFL fame, Kenny “Snake” Stabler. Yet the famous image captured on that memorable day is merely the culmination of a greater story. In *Bebes and the Bear: Gene Stallings, Coach Bryant, and Their 1968 Cotton Bowl Showdown*, Ron J. Jackson Jr. unpacks for readers the heartwarming journey of two coaches and their lifelong mutual respect and admiration. From the rocky, drought-plagued practice fields in Junction, Texas, in the summer of 1954, through the memorable 1967 autumn campaign that led both coaches to their highly publicized Cotton Bowl matchup, Jackson chronicles the story of Bryant, Stallings, and the two storied football traditions that bound them together. Based on hours of interviews with Stallings, his players, and other eyewitnesses and painstaking research in the archives at both Texas A&M University and the University of Alabama, Jackson has reconstructed the pivotal moments of play, the coaching decisions, and the athletic heroics that combined to create one of the most unforgettable moments in

college football history.
