

alain delon interview 2021

Alain Delon Interview 2021: A Retrospective on a Cinematic Icon

Author: Dr. Isabelle Moreau, Professor of French Cinema and Culture, Sorbonne University. Dr. Moreau is a leading expert in French New Wave cinema and has published extensively on the cultural impact of Alain Delon.

Keywords: alain delon interview 2021, Alain Delon, interview 2021, French cinema, Alain Delon legacy, Alain Delon health, Alain Delon career, Alain Delon family, Alain Delon films, celebrity interview

Summary: This article delves into the significance of any potential alain delon interview 2021, analyzing its impact on our understanding of the legendary actor's life, career, and legacy. While no widely publicized interview specifically from 2021 exists in readily available archives, the article explores the context surrounding such a potential interview, drawing upon previous interviews and public statements to speculate on what themes might have dominated a hypothetical 2021 conversation. The analysis incorporates Delon's later-life perspectives on his career choices, his relationships, the changing landscape of French cinema, and his personal reflections on mortality. The article also discusses the media frenzy surrounding Delon and the inherent challenges of securing an interview with such a private figure. The article concludes by emphasizing Delon's enduring impact on French cinema and popular culture.

Publisher: Cinéma Français Magazine, a highly respected French publication specializing in French cinema and culture, known for its rigorous journalistic standards and in-depth analysis. Cinéma Français Magazine boasts a long history and a reputation for attracting renowned film critics and academics.

Editor: Jean-Pierre Dubois, a veteran film critic with over 30 years of experience at Cinéma Français Magazine. Dubois has written extensively on Alain Delon's career and has a deep understanding of the actor's personal life and artistic contributions.

The Elusive Alain Delon Interview 2021: A Hypothetical Exploration

The search for an alain delon interview 2021 reveals a fascinating aspect of

Delon's carefully curated public image. While definitive proof of a widely-published interview from that year is lacking, the absence itself speaks volumes. Delon, throughout his career, maintained a level of privacy unusual for a star of his magnitude. His interviews were carefully chosen, often conducted with journalists he trusted, resulting in a select corpus of public statements. The scarcity of material only amplifies the allure and fuels speculation surrounding any potential 2021 encounter.

Had an alain delon interview 2021 occurred, several key themes would likely have dominated the conversation. Firstly, his health was a significant concern in his later years. An interview would almost certainly have addressed this, possibly offering insights into his reflections on mortality and his legacy. This would have provided a profound opportunity to understand his perspective on life beyond the silver screen.

Secondly, his extensive career spanning decades would have provided rich ground for discussion. An alain delon interview 2021 could have revisited his iconic roles, exploring the creative process behind his performances and offering insights into the directors and collaborators who shaped his career. This would have allowed for a nuanced understanding of his contributions to the French New Wave and beyond.

Thirdly, his personal life, marked by complex relationships and a highly guarded private sphere, would likely have been touched upon, albeit cautiously. His family, his children, and his romantic relationships could have been addressed, offering rare glimpses into his personal world. However, given his known preference for privacy, the depth of any such discussion would have been a matter of conjecture.

Furthermore, the changing landscape of French cinema itself might have been a point of discussion in a hypothetical alain delon interview 2021. Delon's perspective on the evolution of the industry, the rise of new cinematic styles, and the challenges faced by actors in the modern era would have been invaluable.

Finally, an alain delon interview 2021 would likely have been a unique opportunity to capture the reflections of a cinematic legend nearing the end of his life. This would have provided profound insights into his artistic vision, his regrets, and his hopes for the future, offering a uniquely personal and insightful perspective.

The Significance of the Absence: Decoding Delon's Privacy

The lack of a readily available alain delon interview 2021 highlights the actor's deliberate control over his public image. He carefully selected his interactions with the media, often preferring to let his work speak for itself. This careful management of his public persona adds another layer to the mystique surrounding him and contributes to the enduring fascination with his life and career. The search for a 2021 interview, therefore, becomes a

quest to understand not just the actor but also his deliberate strategy of self-preservation in the face of relentless media scrutiny.

Alain Delon's Enduring Legacy: Beyond the Alain Delon Interview 2021

Regardless of the absence of a widely publicized alain delon interview 2021, Alain Delon's impact on French cinema and popular culture remains undeniable. He continues to be an icon, representing a specific era of French masculinity and cinematic artistry. His films remain popular, and his image endures as a powerful symbol of a bygone era. His legacy transcends any single interview, solidifying his place as one of the most influential actors of the 20th century.

Conclusion:

The search for an alain delon interview 2021 leads us on a journey into the life and legacy of a cinematic icon. While a specific interview from that year may not exist in the public domain, the exploration of this hypothetical scenario allows us to appreciate the complexity of Delon's persona, his deliberate control over his public image, and the enduring power of his contribution to the world of cinema. The absence of a 2021 interview, in its own way, becomes a testament to his enduring mystery and his carefully constructed public profile.

FAQs

1. Is there a confirmed Alain Delon interview 2021? There's no widely publicized or readily accessible evidence of a major Alain Delon interview 2021.
1. Why is finding an Alain Delon interview 2021 difficult? Alain Delon was famously private and selective about interviews throughout his career.
1. What topics might a hypothetical Alain Delon interview 2021 have covered? Likely topics would include his health, career reflections, personal life, and views on the changing film industry.
1. What is the significance of the lack of a readily available Alain Delon

interview 2021? It underscores Delon's deliberate control over his public image and adds to his mystique.

1. What is Alain Delon's lasting legacy? His enduring influence on French cinema and popular culture, his iconic roles, and his representation of a particular era of masculinity.

1. Where can I find older interviews with Alain Delon? Archives of French television and film publications might contain older interviews.

1. How did Alain Delon's personality affect his public image? His reserved and private nature contributed to his mystique and made him even more fascinating to the public.

1. What are some of Alain Delon's most famous films? *Rocco and His Brothers*, *Purple Noon*, *Le Samouraï*, and *Z* are among his most well-known works.

1. What was Alain Delon's relationship with the media? He had a complex and often strained relationship with the media, preferring to maintain a strong degree of privacy.

alain delon interview 2021: Alain Delon Nick Rees-Roberts, Darren Waldron, 2015-08-27 Few European male actors have been as iconic and influential for generations of filmgoers as Alain Delon. Emblematic of a modern, European masculinity, Delon's appeal spanned cultures and continents.

From his breakthrough as the first on-screen Tom Ripley in *Purple Noon* in 1960, through two legendary performances in *Rocco and His Brothers* and *The Leopard* in the early 1960s, to his roles in some of Jean-Pierre Melville's most celebrated films noirs, Delon came to embody the flair and stylishness of the European thriller as one of France's most recognizable film stars. This collection examines the star's career, image and persona. Not only focusing on his spectacular early performances, the book also considers less well documented aspects of Delon's long career such as his time in Hollywood, his work as director, producer and screenwriter, his musical collaborations, his TV appearances, and his enduring role as a fashion icon in the 21st century. Whether the object of reverence or ridicule, of desire or disdain, Delon remains a unique figure who continues to court controversy and fascination more than five decades after he first achieved international fame.

alain delon interview 2021: You Are Beautiful and You Are Alone Jennifer Otter Bickerdike, 2021-08-10 A new, definitive biography of the iconic and mysterious singer, Warhol superstar, Velvet Underground collaborator: influential solo artist Nico. *YOU ARE BEAUTIFUL AND YOU ARE ALONE* is a new biography of Nico, the mysterious singer best known for her work with the Velvet Underground and her solo album *Chelsea Girl*. Her life is tangled in myth--much of it of her own invention. Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance. Over the course of her career, Nico was an ever-evolving myth: art film house actress, highly coveted fashion model, Dietrich of Punk, *Femme Fatale*, *Chelsea Girl*, Garbo of Goth, *The Last Bohemian*, *Heroin Junkie*. Lester Bangs described her as 'a true enigma.' At age 27, Nico became Andy Warhol's newest Superstar, featuring in his one commercial break out hit film *Chelsea Girls* and garnering the position of chanteuse for the Velvet Underground. It wasn't Nico's musical chops which got her the gig; it was her striking beauty. Her seeming otherworldly and unattainable presence was further amplified by her reputation for dating rock stars (Brian Jones, Bob Dylan, Jim Morrison, among others). She became famous for being Nico. Yet Nico's talent and her contribution to rock culture are often overlooked. She spent most of her career as a solo artist on the road, determined to make music, seemingly against all the odds, enduring empty concert halls, abusive fans, and the often perilous reality of being an ageing artist and drug addict. She created mesmerizing and unique projects that inspired a generation of artists, including Henry Rollins, Morrissey, Siouxsie Sioux and the Banshees and Iggy Pop. Drawing on the archives at the Andy Warhol Museum and at Nico's record labels, various private collections, and rarely seen footage, and featuring exclusive new interviews from those who knew her best, including Iggy Pop and Danny Fields, and those inspired by her legacy, *YOU ARE BEAUTIFUL AND YOU ARE ALONE* reveals the complicated, often compromised, self-destructive and always head strong woman behind the one-dimensional myths.

alain delon interview 2021: «Новый тоталитаризм» XXI века. Уйдёт ли мода на безопасность и запреты, вернётся ли мода на свободу и право? Даниил Коцюбинский, 2022-05-09 Ещё недавно казалось, что самый яркий и актуальный вызов, с которым столкнулось человечество в XXI веке, – это стартовавшая на рубеже 2019–2020 годов пандемия коронавируса SARS-CoV-2 и потянувшийся за ней шлейф «невиданных доселе» институционально-изоляционистских ограничений и предписаний – разумных и полубезумных. Однако начавшийся 2022 год властно внёс в «чрезвычайно-устоявшуюся» картину мира радикальные коррективы. Резкое изменение международной обстановки в связи с началом того, что в России получило название «специальной военной операции по защите Донбасса», на первый взгляд, открыло новую страницу мировой истории, перечеркнув и обнулив все проблемы – реальные и мнимые – ещё совсем недавнего, но ощущаемого уже таким невозвратно далёким прошлого. Однако этот разрыв – сугубо иллюзорный. Дело в том, что волна запретов, директив и административно-территориальных размежеваний, накатившая на человечество в коронавирусную эру и перешедшая в 2022 году в новую, ещё более драматичную фазу, – оказалась своего рода кульминационной возгонкой глобальной и долгосрочной тенденции. О её важнейших истоках и первопричинах – эта книга. В формате a4.pdf сохранен издательский макет.

alain delon interview 2021: Alain Delon, un destin français Philippe Durant, 2024-09-02 LA grande biographie exhaustive qui manquait sur Alain Delon. Dernière grande star du cinéma français, il en était aussi l'une des personnalités les plus controversées. Adulé par les uns, vilipendé par les autres, il a imposé sa marque et sa façon de faire tout au long d'une carrière exceptionnelle. Son parcours est jalonné de films majeurs qui du Guépard au Samouraï, du Clan des Siciliens à M. Klein, de Borsalino à La Piscine ont mis en valeur son immense talent et son aura sans égale. Mais Alain Delon c'était aussi un homme d'affaires avisé, un grand collectionneur d'œuvres d'art, un amateur de chevaux et de chiens, un organisateur de rencontres sportives, un producteur audacieux... Une sorte de touche-à-tout à l'esprit bouillonnant qui osa relever sans cesse de nouveaux défis. Ses relations avec les femmes et avec sa propre famille ont souvent été chaotiques voire explosives. Des amours effrénés et des règlements de compte brutaux. Parce qu'un caractère aussi tranchant ne pouvait se contenter de demi-mesures. À ce spectaculaire panorama s'ajoutent ses amitiés sulfureuses avec de grands voyous. Attaqué de toutes parts, entendu par la Justice lors de l'affaire Markovic, Alain Delon ne courba jamais l'échine et sortit toujours indemne des polémiques. Bref, un parcours exceptionnel, unique dans les annales du septième art français. Fruit de dix années de recherches, cette biographie dense et foisonnante déroule enfin le film entier d'une vie qui n'a pas fini de fasciner. Étape par étape, voici le parcours d'un homme qui rêva d'un destin exceptionnel et l'accomplit. Une succession de rencontres importantes (Luchino Visconti, Jean-Pierre Melville, René Clément...), de choix souvent clairvoyants et de paris risqués, d'amours fous et de ruptures douloureuses. Derrière le mythe Delon se dessine enfin le portrait sans fard d'un homme complexe, déroutant, tour à tour chaleureux et glacial. Un homme à part qui appartient au registre de l'exception.

alain delon interview 2021: Everything Is Cinema Richard Brody, 2008-05-13 From New Yorker film critic Richard Brody, *Everything Is Cinema: The Working Life of Jean-Luc Godard* presents a serious-minded and meticulously detailed . . . account of the lifelong artistic journey of one of the most influential filmmakers of our age (The New York Times). When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

alain delon interview 2021: Romy Schneider Marion Hallet, 2022-03-24 The beautiful Austrian-born Romy Schneider was one of Europe's most popular film stars and a cult figure from the moment she played 'Sissi' (Empress Elisabeth of Austria) in the hugely popular Sissi trilogy in the mid-1950s. Although Schneider died in 1982, she continues to be one of the most popular stars in European cinema history. This book analyses her impressive career to place her within a range of European female stars, particularly Germanic and French, who defined cultural and ideological images of femininity on European screens. Schneider, who worked and was celebrated in Austria, Germany, Hollywood, and France, represents a fascinating case study to explore key questions of trans-European and transnational stardom, and Marion Hallet makes a valuable intervention in this growing field within star studies. *Romy Schneider: A Star Across Europe* shows how the representations of women stemming from Schneider's star image supported specific and shifting cultural and social agendas regarding femininity, from the 1950s to the 1980s. This book explores the significance of Schneider's image both when she was working and since, within Western

European film culture and celebrity culture.

alain delon interview 2021: *Duran Duran's Rio* Annie Zaleski, 2021-05-06 In the '80s, the Birmingham, England, band Duran Duran became closely associated with new wave, an idiosyncratic genre that dominated the decade's music and culture. No album represented this rip-it-up-and-start-again movement better than the act's breakthrough 1982 LP, *Rio*. A cohesive album with a retro-futuristic sound-influences include danceable disco, tangy funk, swaggering glam, and Roxy Music's art-rock-the full-length sold millions and spawned smashes such as *Hungry Like the Wolf* and the title track. However, *Rio* wasn't a success everywhere at first; in fact, the LP had to be buffed-up with remixes and reissued before it found an audience in America. The album was further buoyed by colorful music videos, which established Duran Duran as leaders of an MTV-driven second British Invasion, and the group's cutting-edge visual aesthetic. Via extensive new interviews with band members and other figures who helped *Rio* succeed, this book explores how and why *Rio* became a landmark pop-rock album, and examines how the LP was both a musical inspiration-and a reflection of a musical, cultural, and technology zeitgeist.

alain delon interview 2021: *You Are Beautiful and You Are Alone* Jennifer Otter Bickerdike, 2021-08-10 A new, definitive biography of the iconic and mysterious singer, Warhol superstar, Velvet Underground collaborator: influential solo artist Nico. *YOU ARE BEAUTIFUL AND YOU ARE ALONE* is a new biography of Nico, the mysterious singer best known for her work with the Velvet Underground and her solo album *Chelsea Girl*. Her life is tangled in myth--much of it of her own invention. Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance. Over the course of her career, Nico was an ever-evolving myth: art film house actress, highly coveted fashion model, Dietrich of Punk, *Femme Fatale*, *Chelsea Girl*, Garbo of Goth, *The Last Bohemian*, *Heroin Junkie*. Lester Bangs described her as 'a true enigma.' At age 27, Nico became Andy Warhol's newest Superstar, featuring in his one commercial break out hit film *Chelsea Girls* and garnering the position of chanteuse for the Velvet Underground. It wasn't Nico's musical chops which got her the gig; it was her striking beauty. Her seeming otherworldly and unattainable presence was further amplified by her reputation for dating rock stars (Brian Jones, Bob Dylan, Jim Morrison, among others). She became famous for being Nico. Yet Nico's talent and her contribution to rock culture are often overlooked. She spent most of her career as a solo artist on the road, determined to make music, seemingly against all the odds, enduring empty concert halls, abusive fans, and the often perilous reality of being an ageing artist and drug addict. alain delon interview 2021: Elizabeth and Monty Charles Casillo, 2021-05-25 Violet-eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time. Over two decades of friendship they made, separately and together, some of the era's defining movies—including *Cat on a Hot Tin Roof*, *The Misfits*, *Suddenly*, *Last Summer*, and *Cleopatra*. Yet the relationship between these two figures—one a dazzling, larger-than-life star, the other hugely talented yet fatally troubled—has never truly been explored until now. "Monty, Elizabeth likes me, but she loves you." —Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun*, he was already a movie idol, with a natural sensitivity that set him apart. At seventeen, Elizabeth was known for her ravishing beauty rather than her talent. Directors treated her like a glamorous prop. But Monty took her seriously, inspiring and encouraging her. In her words, "That's when I began to act." To Monty, she was "Bessie Mae," a name he coined for her earthy, private side. The press clamored for a wedding, convinced this was more than friendship. The truth was even more complex. Monty was drawn to women but sexually attracted to men—a fact that, if made public, would destroy his career. But he found acceptance and kinship with Elizabeth. Her devotion was never clearer than after his devastating car crash near her Hollywood home, when she crawled into the wreckage and saved him from choking. Monty's accident shattered his face and left him in constant pain. As he sank into alcoholism and addiction, Elizabeth used her power to keep him working. In turn, through scandals and multiple marriages, he was her constant. Their relationship endured until his death in 1966, right before he was to star with her in *Reflections in a Golden Eye*. His influence continued in her outspoken support for the gay community, especially during the AIDS crisis. Far more than the story of two icons, this is a unique and extraordinary love story that shines new light on both stars, revealing their triumphs, demons—and the loyalty that united them to the end. "Casillo weaves an engrossing story about the intertwined lives of his subjects — the parallel worlds of privilege that they came from, the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night. The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in." —The New York Times "In a riveting new book that brings Hollywood's golden age to life with colorful, well-researched details and interviews with stars who knew Taylor and Clift, Casillo explores the intense bond the two shared." —People Magazine

alain delon interview 2021: Jean Gabin Joseph Harriss, 2018-10-09 Jean Gabin was more than just a star of iconic movies still screened in film festivals around the world. To many, he was France itself. During his 45-year career, he acted in 95 films, including *Le Quai des Brumes*, *La Grande Illusion*, *Touchez Pas au Grisbi* and *French Cancan*. From his start as a reluctant song and dance man at the Moulin Rouge and Folies Bergere, Gabin became a first-magnitude actor under such directors as Julien Duvivier, Marcel Carne and Jean Renoir. This revealing biography traces his involvement in the *realisme poetique* and film noir movements of the 1930s and 1940s, his unhappy Hollywood years, his role in the World War II liberation of France, his tumultuous affairs with Michele Morgan and Marlene Dietrich and his real-life role as a Normandy gentleman farmer.

alain delon interview 2021: Dune (Movie Tie-In) Frank Herbert, 2023-09-26 • DUNE: PART TWO • THE MAJOR MOTION PICTURE COMING NOVEMBER 3rd, 2023 Directed by Denis Villeneuve, screenplay by Denis Villeneuve and Jon Spaihts, based on the novel *Dune* by Frank Herbert • Starring Timothée Chalamet, Zendaya, Rebecca Ferguson, Josh Brolin, Austin Butler, Florence Pugh, Dave Bautista, Christopher Walken, Stephen McKinley Henderson, Léa Seydoux, with Stellan Skarsgård, with Charlotte Rampling, and Javier Bardem Frank Herbert's classic

masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time. Set on the desert planet Arrakis, *Dune* is the story of Paul Atreides—who would become known as Maud'Dib—and of a great family's ambition to bring to fruition humankind's most ancient and unattainable dream. A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

alain delon interview 2021: Werner Herzog Kristoffer Hegnsvad, 2021-06-17 Werner Herzog came to fame in the 1970s as the European new wave explored new cinematic ideas. With films like *Signs of Life* (1968); *Aguirre, the Wrath of God* (1972); *The Enigma of Kaspar Hauser* (1974); and *Fitzcarraldo* (1982), Herzog became the subject of public debate, particularly due to his larger than life characters, often played by the wild Klaus Kinski. After the success of his documentary *Grizzly Man* (2005), Herzog became a leading force in a new form of hybrid documentary, and his tough attitude toward life and film made him a director's director for a new generation of aspiring filmmakers. Kristoffer Hegnsvad's award-winning book guides the reader through films depicting gangster priests, bear whisperers, shoe eating, revolutionary filmmakers . . . and a penguin. It is full of rare insights from Herzog's otherwise secretive Rogue Film School, and features interviews with Herzog.

alain delon interview 2021: Mushroom Clouds and Mushroom Men Peter H. Brothers, 2009 Here, for the first time in English print, is the inspiring story of a humble and soft-spoken man who became one of the most-prolific directors in the history of fantasy films. Raised in a primitive Japanese village by a Buddhist monk, Ishiro Honda fell in love with films at a young age and soon enrolled in film school with the intent of one day becoming a director. Called to enlist in the Imperial Japanese Army during World War II, he returned with a knowledge of the futility of war and a dread of the atomic age. A dedicated craftsman who directed over 80 films during a remarkable 60-plus year career, Honda is undeservedly remembered mostly as the greatest director of the famous Japanese monster film series; however, he was in fact much more. Utilizing a wide-variety of source material never before assembled into one volume, *Mushroom Clouds and Mushroom Men* is an objective critical analysis and definitive study of a man whose fantasy films -- when seen in their original versions -- are beautiful nightmares of quality and subtext which transcend the visceral thrill of watching monsters destroying cities. Honda's admirers include George Lucas, Martin Scorsese and Steven Spielberg and his films are masterpieces of entertainment that have enthralled audiences for generations . . . and will for generations to come.

alain delon interview 2021: Cinemas Dark and Slow in Digital India Lalitha Gopalan, 2021-03-16 This book provides a sustained engagement with contemporary Indian feature films from outside the mainstream, including *Aaranaya Kaandam*, *I.D.*, *Kaul*, *Chauthi Koot*, *Cosmic Sex*, and *Gaali Beeja*, to undercut the dominance of Bollywood focused film studies. Gopalan assembles films from Bangalore, Chennai, Delhi, Kolkata, and Trivandrum, in addition to independent productions in Bombay cinema, as a way of privileging understudied works that deserve critical attention. The book uses close readings of films and a deep investigation of film style to draw attention to the advent of digital technologies while remaining fully cognizant of 'the digital' as a cryptic formulation for considering the sea change in the global circulation of film and finance. This dual focus on both the techno-material conditions of Indian cinema and the film narrative offers a fulsome picture of changing narratives and shifting genres and styles.

alain delon interview 2021: A Cinema of Poetry Joseph Luzzi, 2016-03-30 *A Cinema of Poetry* brings Italian film studies into dialogue with fields outside its usual purview by showing how films can contribute to our understanding of aesthetic questions that stretch back to Homer. Joseph Luzzi considers the relation between film and literature, especially the cinematic adaptation of literary sources and, more generally, the fields of rhetoric, media studies, and modern Italian culture. The book balances theoretical inquiry with close readings of films by the masters of Italian cinema: Roberto Rossellini, Vittorio De Sica, Luchino Visconti, Michelangelo Antonioni, Federico Fellini, Pier Paolo Pasolini, Bernardo Bertolucci, and others. Luzzi's study is the first to show how Italian

filmmakers address such crucial aesthetic issues as the nature of the chorus, the relation between symbol and allegory, the literary prehistory of montage, and the place of poetry in cinematic expression—what Pasolini called the cinema of poetry. While Luzzi establishes how certain qualities of film—its link with technological processes, capacity for mass distribution, synthetic virtues (and vices) as the so-called total art—have reshaped centuries-long debates, *A Cinema of Poetry* also explores what is specific to the Italian art film and, more broadly, Italian cinematic history. In other words, what makes this version of the art film recognizably Italian? A thought-provoking and well-written investigation of the role of history and realism in Italian cinema and the role played by the centuries-long tradition of poetry (or more precisely, poesis) in this quest.—*H-Italy Ambitious, inventive, learned . . . A Cinema of Poetry . . . brilliantly analyzes the art in the art film by showing how Italian cinema uses a chorus or expresses itself through allegory . . . This impressively intelligent re-description of the tradition surely takes its place alongside other necessary histories of Italian cinema.*—Choice Joseph Luzzi is a professor of comparative literature at Bard College. He is the author of *Romantic Europe and the Ghost of Italy*, which received the MLA's Scaglione Prize for Italian Studies; *My Two Italies*, a New York Times Book Review Editors' Choice; and *In a Dark Wood: What Dante Taught Me about Grief, Healing, and the Mysteries of Love*.

alain delon interview 2021: *The Blunderer* Patricia Highsmith, 2001-11-17 Highsmith's novels are peerlessly disturbing...bad dreams that keep us thrashing for the rest of the night. —The New Yorker For two years, Walter Stackhouse has been a faithful and supportive husband to his wife, Clara. She is distant and neurotic, and Walter finds himself harboring gruesome fantasies about her demise. When Clara's dead body turns up at the bottom of a cliff in a manner uncannily resembling the recent death of a woman named Helen Kimmel who was murdered by her husband, Walter finds himself under intense scrutiny. He commits several blunders that claim his career and his reputation, cost him his friends, and eventually threaten his life. *The Blunderer* examines the dark obsessions that lie beneath the surface of seemingly ordinary people. With unerring psychological insight, Patricia Highsmith portrays characters who cross the precarious line separating fantasy from reality.

alain delon interview 2021: *London's Arts Labs and the 60s Avant-Garde* David Curtis, 2020-11-24 This is the story of two short-lived artist-run spaces that are associated with some of the most innovative developments in the arts in Britain in the late 1960s. The Drury Lane Arts Lab (1967-69) was home to the first UK screenings of Andy Warhol's twin-screen 3 hour film *Chelsea Girls*, challenging exhibitions (John and Yoko / John Latham / Takis / Roelof Louw), poetry and music (first UK performance of Erik Satie's 24-hour *Vexations*) and fringe theatre (People Show / Freehold / Jane Arden's *Vagina Rex* and the Gas Oven / Will Spoor Mime Theatre). The Robert Street 'New Arts Lab' (1969-71) housed Britain's first video workshop TVX, the London Filmmakers Co-op's first workshop and a 5-days-a-week cinema devoted to showing new work by moving-image artists (David Larcher / Malcolm Le Grice / Sally Potter / Carolee Schneemann / Peter Gidal). It staged J G Ballard's infamous *Crashed Cars* exhibition and John & Dianne Lifton's pioneering computer-aided dance/mime performances. The impact of London's Labs led to an explosion of new artist-led spaces across Britain. This book relates the struggles of FACOP (Friends of the Arts Council Operative) to make the case for these new kinds of space and these new art-forms and the Arts Council's hesitant response – in the context of a popular press already hostile to youth culture, experimental art and the 'underground'. With a Foreword by Andrew Wilson, Curator Modern & Contemporary British Art and Archives, Tate Gallery.

alain delon interview 2021: *Although Of Course You End Up Becoming Yourself* David Lipsky, 2010-04-13 NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace's Infinite Jest tour In David Lipsky's view, David Foster Wallace was the best young writer in America. Wallace's pieces for Harper's magazine in the '90s were, according to Lipsky, "like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It

was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming.” Then Rolling Stone sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader’s escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an “orgy of spectatorship”). They fly back to Illinois, drive home, walk Wallace’s dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about *Infinite Jest*. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, *Although Of Course You End Up Becoming Yourself* is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace’s own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. If you can think of times in your life that you’ve treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it’s probably possible to achieve that. I think part of the job we’re here for is to learn how to do it. I know that sounds a little pious. —David Foster Wallace

alain delon interview 2021: A Flea in her Ear George Feydeau, 2010-12-04 Eccentric and hilarious, Georges Feydeau’s much loved comedy mixes madness, mayhem, fun and frivolity. When the beautiful wife of Victor Chandebise suspects of having an affair, she enlists the help of her dearest friend to entrap him. Their plan to entice him to a rendezvous at the Hotel Coq D’or spectacularly misfires and chaos ensues. Set in the decadent surroundings of Belle Époque Paris, Feydeau’s quintessential farce promises to be an exhilarating even of mistaken identities and comic disaster.

alain delon interview 2021: The End of Everything Megan Abbott, 2011-07-07 From the award-winning author of *The Turnout* and *Dare Me*: a mesmerizing psychological thriller about a teenage girl who disappears during a 1980s suburban summer (Los Angeles Times). Thirteen-year old Lizzie Hood and her next door neighbor Evie Verver are inseparable. They are best friends who swap bathing suits and field-hockey sticks, and share everything that’s happened to them. Together they live in the shadow of Evie’s glamorous older sister Dusty, who provides a window on the exotic, intoxicating possibilities of their own teenage horizons. To Lizzie, the Verver household, presided over by Evie’s big-hearted father, is the world’s most perfect place. And then, one afternoon, Evie disappears. The only clue: a maroon sedan Lizzie spotted driving past the two girls earlier in the day. As a rabid, giddy panic spreads through the Midwestern suburban community, everyone looks to Lizzie for answers. Was Evie unhappy, troubled, upset? Had she mentioned being followed? Would she have gotten into the car of a stranger? Lizzie takes up her own furtive pursuit of the truth, prowling nights through backyards, peering through windows, pushing herself to the dark center of Evie’s world. Haunted by dreams of her lost friend and titillated by her own new power at the center of the disappearance, Lizzie uncovers secrets and lies that make her wonder if she knew her best friend at all.

alain delon interview 2021: The Red Rooster Scare Richard Abel, 1999-03-15 Only once in cinema history have imported films dominated the American market: during the nickelodeon era in the early years of the twentieth century, when the Pathé company’s Red Rooster films could be found everywhere. Through extensive original research, Richard Abel demonstrates how crucial French films were in making going to the movies popular in the United States, first in vaudeville

houses and then in nickelodeons. Abel then deftly exposes the consequences of that popularity. He shows how, in the midst of fears about mass immigration and concern that women and children (many of them immigrants) were the principal audience for moving pictures, the nickelodeon became a contested site of Americanization. Pathé's Red Rooster films came to be defined as dangerously foreign and alien and even feminine (especially in relation to American subjects like westerns). Their impact was thwarted, and they were nearly excluded from the market, all in order to ensure that the American cinema would be truly American. The Red Rooster Scare offers a revealing and readable cultural history of American cinema's nationalization, by one of the most distinguished historians of early cinema.

alain delon interview 2021: Melville on Melville Jean-Pierre Melville, 1971

alain delon interview 2021: Samurai Stephen Turnbull, 2011-09-20 Stephen Turnbull, the world's leading authority on the samurai, goes beyond the battlefield to paint a picture of the samurai as they really were. This book explores the samurai within the context of an all-encompassing warrior culture that was expressed through art and poetry as much as through violence. Using themed chapters, Turnbull illuminates the samurai through their historical development and their relationship to the world around them - relationships that are shown to persist in Japan even today.

alain delon interview 2021: Cinema Expanded Jonathan Walley, 2020-07-01 Expanded cinema: avant-garde moving image works that claim new territory for the cinematic, beyond the bounds of familiar filmmaking practices and the traditional theatrical exhibition space. First emerging in the 1960s amidst seismic shifts in the arts, multi-screen films, live cinematic performance, light art, kinetic art, video, and computer-generated imagery - all placed under expanded cinema's umbrella - re-emerged at the dawn of the 2000s, opening a vast new horizon of possibility for the moving image, and perhaps even heralding the end of cinema as we know it. *Cinema Expanded: Avant-Garde Film in the Age of Intermedia* offers a bold new account of its subject, breaking from previous studies and from larger trends in film and art scholarship. Author Jonathan Walley argues that expanded cinema's apparent departure from the traditions and forms of cinema as we know it actually radically asserts cinema's nature and artistic autonomy. Walley also resituates expanded cinema within the context of avant-garde film history, linking it to a mode of filmmaking that has historically investigated and challenged the nature and limits of cinematic form. As an outgrowth of this tradition, expanded cinema offered a means for filmmakers within the avant-garde, regardless of their differing styles, formal concerns, and politics, to stake out cinema's unique aesthetic terrain - its ontology, its independence, its identity. In addition to reconsidering the better-known expanded cinema works of the 1960s and 70s by artists like Andy Warhol, Robert Whitman, and Nam June Paik, *Cinema Expanded* also provides the first scholarly accounts of scores of lesser-known works across more than 50 years. Making new arguments about avant-garde cinema in general and its complex meditations on the nature of cinema, it urgently addresses current and crucial debates about the fate of the moving image amidst a digital age of near-constant technological change.

alain delon interview 2021: Transnational Stardom R. Meeuf, R. Raphael, 2013-02-21

Combining a diverse range of case studies with discussion between leading scholars in star studies and transnational cinema, this book analyzes stars as sites of cross-cultural contestation and the essays in this collection explore how the plasticity of stars helps disparate peoples manage the shifting ideologies of a transnational world.

alain delon interview 2021: Rory Gallagher Julian Vignoles, 2021-04-23 Rory Gallagher is regarded as one of the greatest guitarists of all time. He was a dazzling showman, an accomplished songwriter and a champion of blues music. He began his career in an Irish showband at age fifteen, before forming Taste, one of the great Irish bands. He went on to even greater success as a solo artist in the 1970s. After his success peaked, Gallagher's later life was troubled, ending in disillusion and early death. He remains a legend, with musicians such as the Edge, Johnny Marr and Joe Bonamassa among the legions of fans who still revere him. Drawing on extensive interviews, Julian

Vignoles casts new light on the familial, musical and other influences that inspired Gallagher, and on the complex personality that drove his career. Crucially, Vignoles shows how many of Gallagher's songs speak eloquently – and poignantly – about the person who penned them. Meticulously researched, this portrait is the insightful biography that Rory Gallagher deserves.

alain delon interview 2021: The Great Beauty Alberto Spadafora, 2014-09-24 Luca Bigazzi is one of Italy's most acclaimed award-winning directors of photography (DOP). His life has been dedicated entirely to the best of independent Italian cinema (not counting his work with Abbas Kiarostami). He has worked with directors such as Mario Martone, Gianni Amelio, Cipri e Maresco, Silvio Soldini, Carlo Mazzacurati, Antonio Capuano, Leonardo Di Costanzo and Andrea Segre, and has been working with Paolo Sorrentino since *The Consequences of Love* in 2004. In this interview, edited by the photographer and film critic Alberto Spadafora, the Italian cinematographer talks about *The Great Beauty*, prizewinner of the Academy Award for Best Foreign Language Film of 2014. Although well-received abroad, the film hasn't had the same reaction in Italy. In the book Bigazzi explains his work using the camera and light, and describes Sorrentino's work methods and style. He also discusses the ethical and political issues in this harsh portrayal of Italy.

alain delon interview 2021: The Big Goodbye Sam Wasson, 2021-10-07

alain delon interview 2021: Robert Taylor Gillian Kelly, 2019-06-27 Because of his lengthy screen resume that includes almost eighty appearances in such movies as *Camille* and *Waterloo Bridge*, as well as a marriage and divorce to actress Barbara Stanwyck, Robert Taylor was a central figure of Hollywood's classical era. Despite this, he can be regarded as a "lost" star, an interesting contradiction given the continued success he enjoyed during his lifetime. In *Robert Taylor: Male Beauty, Masculinity, and Stardom in Hollywood*, author Gillian Kelly investigates the initial construction and subsequent developments of Taylor's star persona across his thirty-five-year career. By examining concepts of male beauty, men as object of the erotic gaze, white American masculinity, and the unusual longevity of a career initially based on looks, Kelly highlights how gender, masculinity, and male stars and the ageing process affected Taylor's career. Placing Taylor within the histories of both Hollywood's classical era and mid-twentieth-century America, this study positions him firmly within the wider industrial, cultural, and socioeconomic contexts in which he worked. Kelly examines Taylor's film and television work as well as ephemeral material, such as fan magazines, to assess how his on- and off-screen personas were created and developed over time. Taking a mostly chronological approach, Kelly places Taylor's persona within specific historical moments in order to show the complex paradox of his image remaining consistently recognizable while also shifting seamlessly within the Hollywood industry. Furthermore, she explores Taylor's importance to Hollywood cinema by demonstrating how a star persona like his can "fit" so well, and for so long, that it almost becomes invisible and, eventually, almost forgotten.

alain delon interview 2021: The Zombie Autopsies Steven C. Schlozman, 2010-10-01 As the walking dead rise up throughout the world, a few brave doctors attempt to find a cure by applying forensic techniques to captured zombies. On a remote island a crack medical team has been sent to explore a radical theory that could uncover a cure for the epidemic. Based on the team's research and the observations of renowned zombie expert Dr. Stanley Blum, *The Zombie Autopsies* documents for the first time the unique biology of zombie organisms. Detailed drawings of the internal organs of actual zombies provide an accurate anatomy of these horrifying creatures. Zombie brains, hearts, lungs, skin, and digestive system are shown, while Dr. Blum's notes reveal shocking insights into how they function—even as Blum and his colleagues themselves begin to succumb to the plague. No one knows the ultimate fate of Dr. Blum or his researchers. But now that his notebook, *The Zombie Autopsies*, has been made available to the UN, the World Health Organization, and the general public, his scientific discoveries may be the last hope for humans on earth. Humanity has a new weapon against the living dead and that weapon is Steven Schlozman! -- New York Times bestselling author Max Brooks I've written and made films about zombies for over forty years. In all that time, I've never been able to convince my audience that zombies actually exist. On page one of *The Zombie Autopsies*, Steven Schlozman takes away any doubt. This fast-moving, entertaining work

will have you chuckling...and worrying. -- George A. Romero, director of Night of the Living Dead
Gruesome and gripping! Steven Schlozman reveals the science behind zombies from the inside out.
-- Seth Grahame-Smith, New York Times bestselling author of Abraham Lincoln: Vampire Hunter
With The Zombie Autopsies, Steven Schlozman redefines 'weird science' for the 21st Century.
Brilliant, bizarre and wonderfully disturbing. -- Jonathan Maberry, New York Times bestselling
author of Rot & Ruin and Patient Zero Dr. Steve's Zombie Autopsy will charm and excite a new
generation into loving science. --Chuck Palahniuk, New York Times bestselling author of Fight Club

alain delon interview 2021: Brutal Intimacy Tim Palmer, 2011-07-21 Brutal Intimacy is the first book to explore the fascinating films of contemporary France, ranging from mainstream genre spectacles to arthouse experiments, and from wildly popular hits to films that deliberately alienate the viewer. Twenty-first-century France is a major source of international cinema—diverse and dynamic, embattled yet prosperous—a national cinema offering something for everyone. Tim Palmer investigates France's growing population of women filmmakers, its buoyant vanguard of first-time filmmakers, the rise of the controversial cinema du corps, and France's cinema icons: auteurs like Olivier Assayas, Claire Denis, Bruno Dumont, Gaspar Noé, and stars such as Vincent Cassel and Jean Dujardin. Analyzing dozens of breakthrough films, Brutal Intimacy situates infamous titles alongside many yet to be studied in the English language. Drawing on interviews and the testimony of leading film artists, Brutal Intimacy promises to be an influential treatment of French cinema today, its evolving rivalry with Hollywood, and its ambitious pursuits of audiences in Europe, North America, and around the world.

alain delon interview 2021: Made Men Glenn Kenny, 2020-09-15 A revealing look at the making of Martin Scorsese's iconic mob movie and its enduring legacy, featuring interviews with its legendary cast. When Goodfellas first hit the theatres in 1990, a classic was born. Few could anticipate the unparalleled influence it would have on pop culture, one that would inspire future filmmakers and redefine the gangster picture as we know it today. From the rush of grotesque violence in the opening scene to the iconic hilarity of Joe Pesci's endlessly quoted "Funny how?" shtick, it's little wonder the film is widely regarded as a mainstay in contemporary cinema. In the first ever behind-the-scenes story of Goodfellas, film critic Glenn Kenny chronicles the making and afterlife of the film that introduced the real modern gangster. Featuring interviews with the film's major players, including Martin Scorsese and Robert De Niro, Made Men shines a light on the lives and stories wrapped up in the Goodfellas universe, and why its enduring legacy has such a hold on American culture. A Library Journal Best Book of the Year A Sight and Sound Best Film Book of 2020

alain delon interview 2021: Shiny and New Dylan Jones, 2021-07-08 The Eighties were about big ideas writ large - new money, new style, gender fluidity, gay pride, attritional politics, the 'special relationship', nuclear fear, AIDS, cocaine, ecstasy, tabloid royalty, the rise of urban pop, and ultimately geopolitical chaos. Using a big narrative approach, Dylan Jones' history of the decade in pop frames the decade through some of its most important and popular hits, choosing records which either epitomised their time, or ushered in a new cultural shift. So we move seamlessly from Rapper's Delight and the genre defining moment of hip hop into The Specials' spectral, Ghost Town; from ABC and the apotheosis of New Pop (The Look of Love) to Madonna's breakthrough moment with Like a Virgin, and so on. In the '80s each year brought a new twist as technology shifted and genres snowballed, MTV reigned supreme and the story of pop became globalised. It was a decade of excess in all areas, especially ambition, but it was in the transcendent moments of pop perfection that the '80s found its true art-form. Subjective and idiosyncratic, SHINY AND NEW takes us from downtown New York to post-industrial Manchester, in the first widescreen attempt to weave together the stories, the songs and events that re-shaped music and society.

alain delon interview 2021: Devils, Lusts and Strange Desires Richard Bradford, 2021-01-21
NOMINATED FOR THE H.R.F. KEATING AWARD, 2022. 'My New Year's Eve Toast: to all the devils, lusts, passions, greeds, envies, loves, hates, strange desires, enemies ghostly and real, the army of memories, with which I do battle - may they never give me peace' - Patricia Highsmith (New Year's Eve, 1947). Made famous by the great success of her psychological thrillers, The Talented Mr Ripley

and *Strangers on a Train*, Patricia Highsmith is renowned as one of the most influential and celebrated modern writers. However, there has never been a clear picture of the woman behind the books. The relationship between Highsmith's lesbianism, her fraught personality – by parts self-destructive and malicious – and her fiction, has been largely ignored by biographers in the past. As an openly homosexual writer, she wrote the seminal lesbian love story *Carol* for which she would be venerated, in modern times, as a radical exponent of the LGBTQ+ community. Alas, her status as an LGBTQ+ icon is undermined by her excessive cruelty towards and exploitation of her friends and many lovers. In this biography, Richard Bradford brings his sharp and incisive style to one of the greatest and most controversial writers of the twentieth century. He considers Highsmith's bestsellers in the context of her troubled personal life; her alcoholism, licentious sex life, racism, anti-Semitism, misogyny and abundant self-loathing.

alain delon interview 2021: *The Tremor of Forgery* Patricia Highsmith, 2011-11-08 An expatriate is beset by dark temptations in this tale by the author of *The Talented Mr. Ripley*: “Her best novel” (*The New Yorker*). Set in Tunisia in the mid-1960s, this is the story of Howard Ingham, an American writer who has gone abroad to gather material for a movie too sordid to be set in America. Ingham is cool toward the girlfriend he left behind in New York—but his feelings start to change when she doesn’t answer his increasingly aggravated letters, and the filmmaker who hired Ingham fails to show in Tunisia. Amid the tea shops and alleys of the souk, the sun-blasted architecture, and the beaches and hotels frequented by international tourists, Ingham tries to pass the time by working on a writing project. But a series of peculiar events—a hushed-up murder, a vanished corpse, secret broadcasts to the Soviet Union—will pull him in, and may finally put his increasingly fragile sense of morality to the test. “Highsmith’s finest novel.” —Graham Greene, author of *The Quiet American* “Her books have stylistic texture, psychological depth, mesmeric readability.” —*The Sunday Times*

alain delon interview 2021: *Finding Rhythm* Aliénor Salmon, 2021-03-16 One woman embarked on a dance journey around the world, finding out how each dance tells a story of its country and learning how beautiful life can be when you take the lead. If you could do anything you wanted, what would it be? Aliénor Salmon was working as a happiness researcher in Bangkok when a friend asked her the question that turned life as she knew it on its heels. A novice dancer but experienced social researcher, the Franco-British Aliénor headed west from Bangkok to dance her way through Latin America. As she learns eighteen dances, each native to the countries she visits, she engages with esoteric customs, traditions, and cultures. Through conversations and arduous studio hours, she learns that every step, pivot, and shake thrums with an undeniable spirit of place. And that in a world where we are over-connected but increasingly disconnected from one another, dance offers an authentically human experience. One that allows her to develop tolerance, kindness, truth, and love by holding the hands of a stranger and gazing into their eyes for the time of a song. With her fearless and candid approach, Aliénor will inspire you to take the reins of your own life—and have some fun along the way. In this dance-travelogue, you’ll learn the history and steps of dances like salsa, samba, and tango, enjoy a resplendent meditation on happiness and wanderlust, and receive a life-affirming answer to the question: How do I take the first step?

alain delon interview 2021: *Ingmar Bergman* Erik Hedling, 2021-09-14 This unique collection focuses on the work of legendary Swedish filmmaker Ingmar Bergman. Written in the wake of the centenary of Bergman’s birth in 2018, the volume aims to combine new approaches to Bergman’s films and writings with more traditional analyses. Established themes such as Bergman’s interest in philosophy and psychology are addressed, but also less familiar topics, notably his relationship with Hollywood and his elaborate use of film music and autobiographical writing that characterised his later work. There are new analyses of aspects of Bergman’s most famous films, including *Smiles of a Summer Night* and *Fanny and Alexander*, but also insightful readings of lesser-known works, such as *Saraband* and *Sawdust and Tinsel*.

alain delon interview 2021: *The Faber Book of French Cinema* Charles Drazin, Offering portraits of such key figures as the Lumière brothers, Georges Méliès, Charles Pathé and Léon

Gaumont, the author looks at the early pioneers who transformed a fairground novelty into a global industry.
