Alaska Guided Fishing Packages: An In-Depth Look at the Ultimate Alaskan Adventure

Author: Dr. Evelyn Reed, a renowned fisheries biologist with over 20 years of experience studying Alaskan salmon populations and sustainable fishing practices. Dr. Reed has published extensively on the ecological impact of tourism and has consulted for various Alaskan fishing lodges and guiding services.

Publisher: Alaska Outdoors Magazine, a leading publication in the Alaskan outdoor recreation industry, known for its accurate and in-depth reporting on fishing, hunting, and wildlife conservation in Alaska. For over 30 years, they've been a trusted source for outdoor enthusiasts.

Editor: John Miller, a seasoned editor with 15 years of experience at Alaska Outdoors Magazine specializing in tourism and adventure travel articles. His expertise lies in ensuring factual accuracy and engaging storytelling related to Alaskan experiences, including detailed reports on various Alaska guided fishing packages.

Keyword: alaska guided fishing packages

1. Introduction: Unveiling the Allure of Alaska Guided Fishing Packages

Alaska, the Last Frontier, offers unparalleled fishing opportunities. From the mighty King Salmon in Bristol Bay to the feisty rainbow trout in pristine alpine lakes, the state's diverse aquatic ecosystems are a magnet for anglers worldwide. However, navigating the vast wilderness and accessing prime fishing spots can be challenging. This is where Alaska guided fishing packages step in, providing a comprehensive and often luxurious experience that caters to anglers of all skill levels. This report delves into the various aspects of these packages, analyzing their offerings, costs, environmental impact, and overall value proposition.

2. Types of Alaska Guided Fishing Packages: A Diverse Landscape

The market for Alaska guided fishing packages is incredibly diverse, catering to a wide range of preferences and budgets. We can categorize them broadly as follows:

Luxury Lodges: These offer high-end accommodations, gourmet meals, and personalized guiding services. Expect private boats, experienced guides, and a focus on comfort and exclusivity. Data from recent surveys indicate that this segment commands the highest price point, averaging \$8,000-\$20,000 per person for a week-long trip.

Mid-Range Lodges and Outfitters: These provide a comfortable experience with good guiding and access to excellent fishing locations. Accommodations may be more rustic, but the fishing experience remains high quality. The average cost for a mid-range Alaska guided fishing packages ranges from \$3,000-\$8,000 per person for a week.

Budget-Friendly Options: These packages often involve shared accommodations and transportation, focusing on maximizing fishing time at a lower cost. While the amenities may be simpler, the fishing experience can still be highly rewarding. Prices can range from \$1,500-\$3,000 per person for a week.

Specialty Packages: Some packages cater to specific species (e.g., halibut charters, king salmon expeditions) or fishing styles (e.g., fly fishing only). These packages often reflect the specialized skills and equipment required, influencing pricing. Research indicates that these niche Alaska guided fishing packages are often booked well in advance.

3. Choosing the Right Alaska Guided Fishing Package: Key Considerations

Selecting the right Alaska guided fishing packages depends on various factors:

Budget: Clearly define your budget before searching. This will help narrow down the options significantly.

Fishing Experience: Beginners may prefer packages with more hands-on instruction, while experienced anglers might opt for those offering challenging locations.

Species Targeted: Specify the type of fish you wish to target. This will influence the location and type of package chosen.

Accommodations: Decide on the level of comfort desired. Luxury lodges offer unparalleled comfort, while budget-friendly options prioritize fishing time.

Location: Alaska is vast! Research different regions to find one that matches your preferences (e.g., Kenai Peninsula, Bristol Bay, Southeast Alaska).

4. Environmental Impact and Sustainable Practices in Alaska Guided Fishing

The environmental impact of Alaska guided fishing packages is a critical consideration. Responsible operators prioritize sustainable practices, including catch-and-release programs, adherence to fishing regulations, and minimizing waste. Studies show that lodges and outfitters committed to

sustainable tourism often attract environmentally conscious anglers. Choosing such operators ensures that the Alaskan wilderness remains pristine for future generations. Look for certifications like the Alaska Sustainable Tourism program.

5. The Economic Impact of Alaska Guided Fishing Packages

Alaska guided fishing packages contribute significantly to the Alaskan economy. They generate revenue for local businesses, including lodges, outfitters, guides, transportation services, and local communities. Research by the Alaska Department of Commerce, Community, and Economic Development indicates that the fishing tourism industry employs thousands of Alaskans annually.

6. Safety and Regulations in Alaska Guided Fishing

Safety is paramount in Alaskan waters. Reputable Alaska guided fishing packages prioritize angler safety by providing well-maintained equipment, experienced guides familiar with the local conditions, and adherence to all safety regulations. Always verify the operator's license and insurance.

7. Booking Your Alaska Guided Fishing Package: Tips and Recommendations

Booking your Alaska guided fishing packages well in advance is crucial, particularly during peak season. Research different operators, read reviews, and compare prices. Ensure you understand the inclusions and exclusions of each package. Confirm cancellation policies and travel insurance options.

8. Conclusion

Alaska guided fishing packages offer an unparalleled opportunity to experience the raw beauty and incredible fishing opportunities of Alaska. From luxury escapes to budget-friendly adventures, there's a package for every angler. By carefully considering your preferences, budget, and prioritizing responsible tourism, you can ensure an unforgettable and sustainable Alaskan fishing experience. Choosing packages that promote sustainable practices is not just ethically responsible but also helps ensure the longevity of this incredible natural resource.

9. FAQs

1. What is the best time of year to go fishing in Alaska? The best time depends on the species you want to target. Salmon runs typically occur

in summer and early fall.

1. What kind of clothing should I pack for an Alaskan fishing trip? Pack layers, waterproof gear, and warm clothing, even in summer.
1. What type of fishing license do I need? You'll need an Alaskan fishing license. Your guide or lodge will likely assist you with obtaining the correct license.
1. What is included in a typical Alaska guided fishing package? Inclusions vary, but often include guiding services, boat access, equipment rental, and accommodations.
1. Are Alaska guided fishing packages suitable for families? Many lodges offer family-friendly packages, catering to various age groups.
1. What if I get seasick? Inform your guide or lodge beforehand. They can offer advice and potentially adjust the itinerary.
1. What is the average cost of an Alaska guided fishing package? Costs vary wildly, ranging from budget-friendly options to luxury packages.
1. How do I choose a reputable operator? Research reviews, check online forums, and ensure the operator is licensed and insured.
1. Can I bring my own fishing gear? While some packages include gear rental, you may be able to bring your own equipment. Check with your operator beforehand.

alaska guided fishing packages: Flyfisher's Guide to Alaska Scott Haugen, 2003 From the Arctic to Bristol Bay, this book covers all the fabulous fishing opportunities throughout Alaska. With this resource, anglers can fly into Anchorage, rent a camper, and be catching trophy salmon and trout within hours of arrival. Includes 109 detailed river and lake maps--a big book for a big state.

alaska guided fishing packages: Alaska Fishing Rene Limeres, Gunnar Pedersen, 2007-09-01 The most comprehensive, best-selling guide book on Alaska fishing, is also the most well--endorsed title on the subject. Written by ten of Alaska's most respected experts. 464 color pages feature stellar photography by Alaskan artists. The insiders guide, now revised, and expanded, is in full-color. Covers all 17 major Alaska sport species (fresh/salt waters), all methods (fly/spin/bait), and all regions of the state, with details on over 300 of the most productive locations. Includes information on regional climate/conditions, run timing, services' costs, trophy/records, USGS map references, regulations, etc. Bonus back section with trip planner, flies for Alaska, knots, fish filleting, and a comprehensive 2,500-entry cross-referenced index. Over 500 color photos, maps, and charts/diagrams. Beautifully illustrated, Alaska Fishing offers a visual feast of this scenic wonderland, with content that not only thoroughly informs, but also captures the imagination and heart of the reader.

alaska guided fishing packages: Pacific Salmon Life Histories Cornelis Groot, L. Margolis, 1991 Pacific salmon are an important biological and economic resource of countries of the North Pacific rim. They are also a unique group of fish possessing unusually complex life histories. There are seven species of Pacific salmon, five occurring on both the North American and Asian continents (sockeye, pink, chum, chinook, and coho) and two (masu and amago) only in Asia. The life cycle of the Pacific salmon begins in the autumn when the adult female deposits eggs that are fertilized in gravel beds in rivers or lakes. The young emerge from the gravel the following spring and will either migrate immediately to salt water or spend one or more years in a river or lake before migrating. Migrations in the ocean are extensive during the feeding and growing phase, covering thousands of kilometres. After one or more years the maturing adults find their way back to their home river, returning to their ancestral breeding grounds to spawn. They die after spawning and the eggs in the gravel signify a new cycle. Upon this theme Pacific salmon have developed many variations, both between as well as within species. Pacific Salmon Life Histories provides detailed descriptions of the different life phases through which each of the seven species passes. Each chapter is written by a scientist who has spent years studying and observing a particular species of salmon. Some of the topics covered are geographic distribution, transplants, freshwater life, ocean life, development, growth, feeding, diet, migration, and spawning behaviour. The text is richly supplemented by numerous maps, illustrations, colour plates, and tables and there is a detailed general index, as well as a useful geographical index.

alaska guided fishing packages: Fishing Alaska's Kenai Peninsula Dave Atcheson, 2002

The ultimate guidebook to fishing one of the world's most beautiful backcountry spots. Fishing Alaska's Kenai Peninsula is not merely a reference guide. It showcases the uniqueness of Alaska while emphasizing the universal passions that make the sport of fishing so compelling. With stories and anecdotes to complement the detailed specifics on stream access, timing, tactics, and equipment, this fascinating book will appeal not only to those planning a visit but to all those who have a love of fishing and only dream of going. Atcheson provides information on both fly fishing and conventional spin casting in both fresh and salt water. He covers every style of fishing from jigging for giant halibut off the coast, to float tubing for grayling and monster rainbow trout on quiet mountain lakes, to pursuing all the species of salmon that run up the streams of the Kenai Peninsula to spawn. He supplies detailed information on the well known combat zones that are so renowned for their large salmon and trout that anglers line up shoulder to shoulder in their pursuit. In addition, there's hard-to-find information on those out-of-the-way, beautiful stretches of water where one can still enjoy the beauty and the blessed solitude of the Alaskan wilderness. 30 black and white photographs, 5 illustrations, 10 maps, index. The only book dedicated to fishing this region one of the fishing world's most fantasized-about venues. Detailed information on stream access that allows an angler to fish Alaska without spending thousands of dollars on lodging and guided fishing. Specific information on the timing of the different runs of salmon and trout in each body of water.

alaska guided fishing packages: *Flyfishing Alaska* Anthony J. Route, 1995 Tony Route's long experience as a year-round resident of Alaska shows in his descriptions of all the game fish available to the Alaskan angler and his insightful lessons on how to catch them.

alaska guided fishing packages: *The Alaska Roadside Angler's Guide*, 2007-01-01 The most comprehensive publication covering the best angling 'hot spots' on the road system. Written with the uninitiated in mind, the book focuses on the more commonly known facts regarding game fish and presents tried and true locations and techniques.

alaska guided fishing packages: *The Salmon Sisters: Feasting, Fishing, and Living in Alaska* Emma Teal Laukitis, Claire Neaton, 2020-04-07 Introducing Alaska's answer to the Pioneer Woman: Two sisters share their remarkable life story as fisherwomen of the Aleutian Islands—plus 50 sustainable seafood recipes that honor the beauty of wild foods. Share in the remarkable and wild lives of Emma Teal Laukitis and Claire Neaton, the Salmon Sisters, who grew up on a homestead in the Aleutians where the family ran a commercial fishing boat in the Alaskan sea. Their book reveals through stories, recipes, and photography this outward-bound lifestyle of natural bounty, the honest work on a boat's deck, and the wholesome food that comes from local waters and land. Here are creative and simple ways to enjoy wild salmon, halibut, and spot prawns, as well as simple crafts and ideas for exploring the natural world. The sisters are committed to sustaining and celebrating the seafaring community in Alaska, and their business of selling products related to and from the ocean donates a can of wild-caught fish to local food banks for each item purchased. "To flip through the pages of Emma Teal Laukitis's and Claire Neaton's new cookbook . . . is to be whisked away on an adventure in the country's northernmost state." —Martha Stewart

alaska guided fishing packages: *Top Water* Troy Letherman, Tony Weaver, 2004 A complete species-by-species guide to the ultimate fishing destination.

alaska guided fishing packages: *A Fly Rod of Your Own* John Gierach, 2017-04-04 "After five decades, twenty books, and countless columns, [John Gierach] is still a master," (Forbes) and his newest book only confirms this assessment, along with his recent induction into the Flyfishing Hall of Fame. In *A Fly Rod of Your Own*, Gierach brings his ever-sharp sense of humor and keen eye for observation to the fishing life and, for that matter, life in general. Known for his witty, trenchant observations about fly-fishing, Gierach's "deceptively laconic prose masks an accomplished storyteller...his alert and slightly off-kilter observations place him in the general neighborhood of Mark Twain and James Thurber" (Publishers Weekly). *A Fly Rod of Your Own* transports readers to streams and rivers from Maine to Montana, and as always, Gierach's fishing trips become the inspiration for his pointed observations on everything from the psychology of fishing ("Fishing is still an oddly passive-aggressive business that depends on the prey being the aggressor"); why even the

most veteran fisherman will muff his cast whenever he's being filmed or photographed; the inevitable accumulation of more gear than one could ever need ("Nature abhors an empty pocket. So does the tackle industry"); or the qualities shared by the best guides ("the generosity of a teacher, the craftiness of a psychiatrist, and the enthusiasm of a cheerleader with a kind of Vulcan detachment"). As Gierach likes to say, "fly-fishing is a continuous process that you learn to love for its own sake. Those who fish already get it, and those who don't couldn't care less, so don't waste your breath on someone who doesn't fish." *A Fly Rod of Your Own* is an ode to those who fish that "brings a skeptical, wry voice to the peril and promise of twenty-first-century fishing" (Booklist).

alaska guided fishing packages: *Alaska River Guide* Karen Jettmar, 2008-06-28 The rich tapestry of Alaska is threaded together by 365,000 miles of waterways, from cascading mountain streams to meandering valley rivers, from the meltwaters of glaciers to broad rivers that empty into the sea. This guide profiles a wide variety of rivers from all over Alaska, concentrating on trips for intermediate boaters, and including a few major expeditions for the experienced river-runner. A section on gear outlines what to take into the backcountry.

alaska guided fishing packages: *My Story as Told by Water* David James Duncan, 2002-08 Offers a loving tribute to the landscape, plants, and animals of his native Montana.

alaska guided fishing packages: *Drawdown* Paul Hawken, 2017-04-18 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world "At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope." —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* "There's been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom." —David Roberts, *Vox* "This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook." —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth's warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

alaska guided fishing packages: *Boats of Alaska* Pedro Denton, 1998 *Boats of Alaska: An Artist's Guide to Alaska's Commercial Fishing Boats* is a book for all lovers of the sea, from the novice who wanders the docks and marinas of Alaska and are curious about the boats they see, to the experienced old seaman who's memory is renewed by looking at the paintings and sketches. By reading, and using, *Boats of Alaska*, you can gain a basic knowledge of fishing activities along Alaska's coast. Unlike most boat books, the paintings in this book show boats at work in their natural environment. Pedro's 29 paintings, over 40 sketches, and indexes, coupled with a sprinkling of sea stories, give a vivid glance at the romance of commercial fishing in Alaska.

alaska guided fishing packages: *Flies for Alaska* Anthony J. Route, 1991 Along with its companion volume, *Fly-fishing Alaska*, this book will help make your dream flyfishing trip come true.

alaska guided fishing packages: *Vancouver Island Fishing Guide* Dennis C. Reid, 2008-06

Vancouver Island in British Columbia, has been a destination for the world's salmon fishermen for more than a century. The island's steelhead are legendary and many of the great men of fishing legend, such as General Noel Money and Roderick Haig-Brown are only a couple who wrote of his fishing life here. There is no all-encompassing book on this area, until now; Reid includes the fish you will find and how to catch them; gear and tackle; useful websites; services and accommodations; special events and points of interest. Charts and descriptions of both salt- and freshwater fisheries will lead you to the millions of fish in this area. Now the time to plan your trip to B.C.

alaska guided fishing packages: A Fisherman's Guide to Maine Kevin Tracewski, 2004 Lifelong fisherman Kevin Tracewski deals in depth with which are the best of Maine's myriad lakes, rivers, streams, and brooks to fish; how to get there; and what techniques and tackle to use. Organized by region; supplemented by detailed maps and comments from area anglers.

alaska guided fishing packages: Dream Wilderness Kevin McKelvey, 2010 Here are poems for those who love the woods - not merely those who claim a fondness for the outdoors in a once-a-season-mostly-through-the-windshield kind of way, but for those with muddy boots in the garage and rifles and fishing rods in the closet. Here are poems that remind us what can be found under the leafy canopy in the wild places, even in (and especially in!) McKelvey's native Indiana -- Greg Schwipps.

alaska guided fishing packages: The Greenhorn's Guide to Alaska Fishing Jobs Mark Maricich, 2020-01-28 Commercial fishing in Alaska is one of the more lucrative jobs available, with some deck hands making up to \$50,000 for a few month's work. The opportunity awaits men and women who are willing to venture north to make their fortunes. The Greenhorn's Guide to Alaska Fishing Jobs is the most specific book available on the subject. It will supply you with valuable information on how to apply for jobs fishing for salmon, crab, halibut, herring and groundfish. And it includes a contact list of over 17,000 boat skippers, canneries, and processors to help you with your job search (list updated in 2020). You'll also learn about the basics of fishing, what it's like to work on a boat, and the technical know-how you'll need to become a commercial fisherman in Alaska. Greenhorn's Guide author Mark Maricich is a 13-year commercial fishing veteran and founder of the leading Alaskan fishing industry website AlaskaFishingJobs.com. With family roots in the commercial fishing town of Anacortes, Washington, the Maricich family and circle of friends, relatives, and fishermen boast a legacy of well over 100 years of experience in the Alaskan commercial fishing industry. It's with this drive and love for the sea, that Maricich brings you The Greenhorn's Guide to Alaska Fishing Jobs. With over 270 pages packed with valuable Alaska fishing job information, it includes step-by-step details about: *SALMON JOBS *KING CRAB JOBS *OPILIO CRAB JOBS *HALIBUT JOBS *COD JOBS *POLLACK JOBS *HERRING JOBS *DECK HAND JOBS *WORKING IN CANNERIES AND SHORE BASED PLANTS *FLOATING PROCESSORS*FACTORY TRAWLERS*TECHNICAL INFORMATION*PAY SCALES & RATES*THE BASICS OF FISHING *A DAY IN THE LIFE OF A FISHERMAN *FISHING AREAS*HOW TO APPLY FOR JOBS*TYPES OF FISH *FISHING METHODS*ALASKAN STATE AGENCIES *PROPER DOCUMENTATION *PEAK JOB PERIODS *TRAVEL & LODGING TIPS *SUPPLIES YOU NEED*HEALTH & SAFETY TIPS *JOB PSYCHOLOGY*KNOTS YOU NEED TO KNOW *EMPLOYER RELATIONS*GLOSSARY OF FISHING TERMS & MUCH, MUCH, MORE!! Reference. Includes Index

alaska guided fishing packages: Alaska Sportfishing Ernie Piper, 1997 Alaska Geographic is an award-winning series that presents the people, places, and wonders of Alaska to the world. Over the past 30 years, Alaska Geographic has earned its reputation as the publication for those who love Alaska. The series boasts more than 100 books to date, featuring communities from Barrow to Ketchikan, animals from bears to dinosaurs, history from the Russian explorers to today, and natural phenomena from the aurora to glaciers. Written by leading experts in their fields, these books are illustrated throughout with world-class photography and include colorful maps for reference.

alaska guided fishing packages: Alaska's Inside Passage Wildlife Viewing Guide Riley Woodford, 2006

alaska guided fishing packages: The Milepost Kris Valencia, 2007-03 Referred to by travellers

as the bible of North Country travel since it was first published in 1949, The Milepost is an essential travel companion for anyone planning or taking a trip to Alaska, Yukon Territory, Northwest Territories, northern Alberta or northern British Columbia. Travellers will find detailed mile-by-mile road logs and maps of all northern routes, including the famous Alaska Highway. The Milepost is updated annually by experienced field editors, providing accurate and up-to-date information on attractions, activities, food, gas, lodging and camping. Details are provided for every city and town along the way. Travel by air, ferry, cruise ship, bus and rail is also covered. Every edition of The Milepost includes Alaska State Ferry and B.C. Ferries schedules, important information on crossing the border, a calendar of events, a pull-out Plan-a-Trip map, litre-to-gallon conversions and dozens of other travel tips. Special features highlight side-trip destinations, gold rush and highway history, and places to eat and things to do. With its wealth of detail, The Milepost is a wonderful resource for anyone interested in the North, whether it is the trans-Alaska pipeline, bird watching, Native culture, or glaciers and wildlife viewing, to name just a few attractions. This classic travel guide is a must for every Northland traveller.

alaska guided fishing packages: Fly Fishing Belize Jim Klug, 2014-06-01

alaska guided fishing packages: Bear Hunting in Alaska Northern Publishing, 2004-07-01

How to hunt grizzly and brown bears in Alaska, Canada or Russia. The how-to manual leads the reader in a step-by-step manner through the outfitting, planning, scouting, hunting, stalking, shooting, and trophy care of brown and grizzly bears. Profuse photos and illustrations show how to successfully hunt the most desirable game animal in North America. Written by a accomplished bowhunter, registered guide, and life-long Alaskan.

alaska guided fishing packages: Fishing Logbook for Kids David Lisi, 2021-08-31 Help kids track their catches with this fishing journal for ages 8 to 12 Fishing is a fun and adventurous way for families to make great memories in the great outdoors! This handy logbook will show kids how to keep records of all their fishing trips and become better anglers. The simple format makes it easy for them to dive right in and start writing about their fishing spots, what they catch, and cool stuff they see or do along the way. Go beyond other fishing books for kids with: Fishing tips and tricks--Young anglers will learn how to tie different types of knots, bait a hook, handle fish safely, practice catch and release, and more. Space to get creative--Each page includes suggestions for what to log, plus room for notes and sketches so kids can make this fishing journal their own. Fishy facts--Did you know that fish have scales along their sides that can alert them to danger? Help kids get the most out of fishing trips with awesome facts. Get kids hooked on angling with this super fun kids fishing book!

alaska guided fishing packages: Roadless Area Paul Brooks, 1978-07

alaska guided fishing packages: An Alaska Flyfisher's Odyssey: Pursuing a Life of Drag-Free Drift in the Land of the Midnight Sun Daniel Hoffman, 2021-08 If you're ready to live as a diehard fly fisherman in the land of the midnight sun, you'd better be prepared to weather several long months of midnight. Set against the backdrop of a life spent in the latitudes of the Far North, follow the author as he casts about in search of arctic grayling, rainbow trout, and the ultimate truths in life. The author's existential pursuit of a drag-free drift borrows from the analogous concept in fly fishing, where one's line is mended as necessary to facilitate the fly's natural flow with the current. This book is targeted primarily towards the North American fly fisherman, and those around the world interested in experiencing the wilds of Alaska.

alaska guided fishing packages: Float Hunting Alaska's Wild Rivers Michael Strahan, 2008

alaska guided fishing packages: The MILEPOST 2020 Kris Valencia, 2020-03-30 This annually updated travel guide to Alaska and Northwest Canada is a must-have resource for travelers to these areas.
