alcohol trivia questions and answers: A Raisin in the Sun Lorraine Hansberry, 2011-11-02

Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem Harlem, which warns that a dream deferred might dry up/like a raisin in the sun. The events of every passing year add resonance to A Raisin in the Sun, said The New York Times. It is as if history is conspiring to make the play a classic.

alcohol trivia questions and answers: Brainiac Ken Jennings, 2006-09-12 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time and host of Jeopardy! "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly

soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, “The World’s Largest Trivia Contest.” And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there’s a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that’s who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

alcohol trivia questions and answers: Last Call Daniel Okrent, 2010-05-11 A brilliant, authoritative, and fascinating history of America’s most puzzling era, the years 1920 to 1933, when the U.S. Constitution was amended to restrict one of America’s favorite pastimes: drinking alcoholic beverages. From its start, America has been awash in drink. The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water. By the 1820s, liquor flowed so plentifully it was cheaper than tea. That Americans would ever agree to relinquish their booze was as improbable as it was astonishing. Yet we did, and *Last Call* is Daniel Okrent’s dazzling explanation of why we did it, what life under Prohibition was like, and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever. Writing with both wit and historical acuity, Okrent reveals how Prohibition marked a confluence of diverse forces: the growing political power of the women’s suffrage movement, which allied itself with the antiliquor campaign; the fear of small-town, native-stock Protestants that they were losing control of their country to the immigrants of the large cities; the anti-German sentiment stoked by World War I; and a variety of other unlikely factors, ranging from the rise of the automobile to the advent of the income tax. Through it all, Americans kept drinking, going to remarkably creative lengths to smuggle, sell, conceal, and convivially (and sometimes fatally) imbibe their favorite intoxicants. *Last Call* is peopled with vivid characters of an astonishing variety: Susan B. Anthony and Billy Sunday, William Jennings Bryan and bootlegger Sam Bronfman, Pierre S. du Pont and H. L. Mencken, Meyer Lansky and the incredible—if long-forgotten—federal official Mabel Walker Willebrandt, who throughout the twenties was the most powerful woman in the country. (Perhaps most surprising of all is Okrent’s account of Joseph P. Kennedy’s legendary, and long-misunderstood,

role in the liquor business.) It's a book rich with stories from nearly all parts of the country. Okrent's narrative runs through smoky Manhattan speakeasies, where relations between the sexes were changed forever; California vineyards busily producing "sacramental" wine; New England fishing communities that gave up fishing for the more lucrative rum-running business; and in Washington, the halls of Congress itself, where politicians who had voted for Prohibition drank openly and without apology. *Last Call* is capacious, meticulous, and thrillingly told. It stands as the most complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer.

alcohol trivia questions and answers: *Fishing With Tardelli* Neil Besner, 2022-05-24 A literary meditation on memory, time, love, and loss *Fishing With Tardelli* contemplates the relations among four parents — mother, father, stepfather, and a Brazilian fishing companion — and the author. Over marriages and remarriages, fathers and mothers become stepfathers and stepmothers, and brothers gain and lose stepbrothers and half-brothers, sisters and half-sisters across two continents. The various homes become part of Besner's internal geography; memory, dream, story, fable become permeable layers folded over bald facts baldly stated. Beginning with an older man's recollections of himself as a young teenager fishing with Tardelli in the bay in Rio de Janeiro, the memoir reflects on time lost and time regained. The narration ranges across the mid-'40s in Montreal, where two couples marry, divorce, and remarry in a new configuration; proceeds to Rio de Janeiro in the mid-'50s, when one of these newly formed families emigrates; and returns to Montreal in the late '60s and early '70s. After a 50-year interlude, Besner returns from Western Canada to the pandemic moment in Toronto.

alcohol trivia questions and answers: *I Drink Therefore I Am* Roger Scruton, 2013-01-03 Here Scruton explains the connection between good wine and serious thought with a heady mix of humour and philosophy. We are familiar with the medical opinion that a daily glass of wine is good for the health and also the rival opinion that any more than a glass or two will set us on the road to ruin. Whether or not good for the body, Scruton argues, wine, drunk in the right frame of mind, is definitely good for the soul. And there is no better accompaniment to wine than philosophy. By thinking with wine, you can learn not only to drink in thoughts but to think in draughts. This good-humoured book offers an antidote to the pretentious clap-trap that is written about wine today and a profound apology for the drink on which civilisation has been founded. In vino veritas.

Review SIPS - Trader Vic Drank Here By WILLIAM GRIMES As John Glenn was orbiting the earth for the first time, his fellow Americans were deep into the long-lived craze known as tiki. This gaudy life-style package -- a blend of Polynesian kitsch, fake island food and lethal rum drinks -- began in the late 1930's and early 40's with Los Angeles restaurants like Don the Beachcomber and Trader Vic's, and gradually spread to the suburban patio before fizzling out in the early 1970's. It's back, of course. Jeff Berry and Annene Kaye, serious students of tiki, have compiled a serious tiki cocktail book, Beachbum Berry's Grog Log. In 96 spiral-bound pages adorned with tiki illustrations, the authors have ranged far and wide to gather classic Polynesian fakes, like the Fog Cutter from Trader Vic's, the Missionary's Downfall from Don the Beachcomber and the Sidewinder's Fang from the Lanai Restaurant in San Mateo, Calif. They have even managed to unearth Manhattan tiki cocktails, like the Hawaiian Room, served at the old Hotel Lexington in the 1940's, and the Headhunter, served at the Hawaii Kai in the 1960's. The authors have also come up with their own tiki-inspired originals, like Hell in the Pacific (151-proof Demerara rum, lime juice, maraschino liqueur and grenadine), and the Waikikian (light Puerto Rican Rum, dark Jamaican rum, lemon juice, curacao and orgeat syrup). It's no longer possible to eat Tonga Tabu Native Drum Steak, which was a featured menu item at the now-defunct Islander in Beverly Hills (from the ovens of the ancient goddess of Bora Bora, Pele, Mistress of Flame), but you can shake up a Shark's Tooth or a Shrunk Skull. As Mr. Berry and Ms. Kaye see it, they are giving the country the perfect drink book for the age of malaise. If we're going to feel like zombies, they write in their preface, we may as well be drinking them. END -- Publisher Comments About the Author Jeff Berry is a learned fan of tropical drinks and is perhaps the foremost authority on the subject. He is also a screenwriter and filmmaker.

alcohol trivia questions and answers: *Parrot in the Oven* Victor Martinez, 2013-06-11 Perico, or parrot, was what Dad called me sometimes. It was from a Mexican saying about a parrot that complains how hot it is in the shade, while all along he's sitting inside an oven and doesn't know it.... For Manuel Hernandez, the year leading up to his test of courage, his initiation into a gang, is a time filled with the pain and tension, awkwardness and excitement of growing up in a crazy world. His dad spends most of his time and money at the local pool hall; his brother flips through jobs like a thumb through a deck of cards; and his mom never stops cleaning the house, as though one day the rooms will be so spotless they'll disappear into a sparkle, and she'll be free. Manny's dad is always saying that people are like money--there are million- and thousand- and hundred-dollar people out there, and to him, Manny is just a penny. But Manny wants to be more than a penny, smarter than the parrot in the oven. He wants to find out what it means to be a vato firme, a guy to respect. In this beautifully written novel, Victor Martinez gives readers a vivid portrait of one Mexican-American boy's life. Manny's story is like a full-color home movie--sometimes funny, sometimes sad, but always intensely original. For Manuel Hernandez, the year leading up to his test of courage, his initiation into a gang, is a time filled with the pain and tension, awkwardness and excitement of growing up in a mixed-up, crazy world. Manny's dad is always calling him el perico, or parrot. It's from a Mexican saying about a parrot that complains how hot it is in the shade while all along he's sitting inside the oven and doesn't know it. But Manny wants to be smarter than the parrot in the oven—he wants to find out what it means to be a vato firme, a guy to respect. From an exciting new voice in Chicano literature, this is a beautifully written, vivid portrait of one Mexican-American boy's life. 1998 Pura Belpré Author Award 1996 Americas Award for Children's and Young Adult Literature 1997 Books for the Teen Age (NY Public Library) 1996 National Book Award for Young People's Literature
