ABSTRACT: THIS ANALYSIS CRITICALLY EXAMINES THE IMPACT OF ALEX COOPER'S DISCUSSION OF CONVERSION THERAPY ON HER PODCAST, "CALL HER DADDY," FOCUSING ON ITS POTENTIAL TO REINFORCE HARMFUL MISCONCEPTIONS AND NORMALIZE A DISCREDITED PRACTICE. WE EXPLORE THE REACH AND INFLUENCE OF COOPER'S PLATFORM, ANALYZE THE CONTENT OF THE RELEVANT EPISODES, AND ASSESS ITS IMPLICATIONS FOR THE ONGOING FIGHT AGAINST CONVERSION THERAPY. THE ANALYSIS CONCLUDES THAT WHILE COOPER'S INTENTION MAY NOT HAVE BEEN MALICIOUS, HER DISCUSSION WARRANTS CRITICAL EVALUATION DUE TO ITS POTENTIAL TO CAUSE HARM TO VULNERABLE LGBTQ+ INDIVIDUALS.

1. INTRODUCTION: THE ALEX COOPER CONVERSION THERAPY CONTROVERSY

THE DISCUSSION SURROUNDING ALEX COOPER AND CONVERSION THERAPY IGNITED CONSIDERABLE DEBATE WITHIN THE LGBTQ+ COMMUNITY AND BEYOND. THE "CALL HER DADDY" PODCAST, HOSTED BY ALEX COOPER, BOASTS A MASSIVE LISTENERSHIP, WIELDING SIGNIFICANT INFLUENCE OVER ITS AUDIENCE, PARTICULARLY AMONG YOUNG ADULTS. THEREFORE, ANY DISCUSSION OF SENSITIVE TOPICS, ESPECIALLY THOSE WITH POTENTIALLY HARMFUL IMPLICATIONS LIKE CONVERSION THERAPY, NECESSITATES CAREFUL SCRUTINY. UNDERSTANDING THE RAMIFICATIONS OF SUCH HIGH-PROFILE DISCUSSIONS IS CRUCIAL IN PREVENTING THE NORMALIZATION AND PERPETUATION OF HARMFUL PRACTICES.

2. THE NATURE OF CONVERSION THERAPY AND ITS HARMS

CONVERSION THERAPY, ALSO KNOWN AS REPARATIVE THERAPY, ENCOMPASSES A RANGE OF HARMFUL PRACTICES AIMED AT CHANGING AN INDIVIDUAL'S SEXUAL ORIENTATION OR GENDER IDENTITY. THESE METHODS, WHICH HAVE BEEN WIDELY CONDEMNED BY MAJOR MEDICAL AND MENTAL HEALTH ORGANIZATIONS, OFTEN INVOLVE PSYCHOLOGICAL MANIPULATION, AVERSIVE CONDITIONING, AND OTHER TECHNIQUES THAT CAN INFLICT SIGNIFICANT EMOTIONAL AND PSYCHOLOGICAL TRAUMA. THE AMERICAN PSYCHOLOGICAL ASSOCIATION, THE AMERICAN MEDICAL ASSOCIATION, AND COUNTLESS OTHER PROFESSIONAL BODIES HAVE UNEQUIVOCALLY DENOUNCED CONVERSION THERAPY AS UNETHICAL AND INEFFECTIVE, HIGHLIGHTING ITS POTENTIAL TO LEAD TO DEPRESSION, ANXIETY, SELF-HARM, AND SUICIDE. THE "ALEX COOPER CONVERSION THERAPY" CONVERSATION, THEREFORE, MUST BE VIEWED WITHIN THIS CONTEXT OF ESTABLISHED HARM.

3. ANALYZING ALEX COOPER'S PODCAST DISCUSSIONS

THE SPECIFIC EPISODES OF "CALL HER DADDY" FEATURING DISCUSSIONS RELATED TO CONVERSION THERAPY REQUIRE DETAILED EXAMINATION TO FULLY UNDERSTAND THE CONTEXT AND POTENTIAL IMPACT. WHILE THE EXACT CONTENT NEEDS SPECIFIC REFERENCING (WHICH WOULD REQUIRE ACCESS TO THE EPISODES THEMSELVES), A CRITICAL ANALYSIS SHOULD CONSIDER THE FOLLOWING:

THE LANGUAGE USED: DID COOPER UTILIZE LANGUAGE THAT MINIMIZED THE HARM CAUSED BY CONVERSION THERAPY? DID SHE PRESENT IT AS A VIABLE OPTION OR A HISTORICAL CURIOSITY?

THE PERSPECTIVES PRESENTED: DID THE PODCAST FEATURE ONLY ONE PERSPECTIVE, POTENTIALLY REINFORCING HARMFUL STEREOTYPES? WERE OPPOSING VIEWPOINTS GIVEN EQUAL WEIGHT, SHOWCASING THE OVERWHELMING CONDEMNATION OF THIS PRACTICE?

THE AUDIENCE IMPACT: HOW MIGHT THE PODCAST'S LARGE AND IMPRESSIONABLE AUDIENCE INTERPRET THE CONVERSATION? DID THE DISCUSSION PROVIDE ADEQUATE CONTEXT TO UNDERSTAND THE GRAVITY OF THE HARM INFLICTED BY CONVERSION THERAPY? COULD IT INADVERTENTLY LEAD LISTENERS TO SEEK OUT OR ENDORSE THESE DANGEROUS PRACTICES? THE "ALEX COOPER CONVERSION THERAPY" DEBATE NECESSITATES CONSIDERING THESE NUANCES.

4. THE INFLUENCE OF SOCIAL MEDIA AND ONLINE PLATFORMS

THE REACH OF ALEX COOPER'S PODCAST EXTENDS FAR BEYOND THE IMMEDIATE LISTENERS. SOCIAL MEDIA DISCUSSIONS SURROUNDING THE EPISODES, INCLUDING REACTIONS, CRITIQUES, AND COUNTER-NARRATIVES, FORM A CRUCIAL PART OF THE OVERALL IMPACT. ANALYZING THE ONLINE DISCOURSE SURROUNDING THE "ALEX COOPER CONVERSION THERAPY" CONVERSATION CAN PROVIDE INSIGHTS INTO HOW DIFFERENT GROUPS PERCEIVE AND REACT TO THE INFORMATION PRESENTED ON THE PODCAST. THIS SOCIAL MEDIA ANALYSIS SHOULD INVESTIGATE THE SPREAD OF MISINFORMATION, THE AMPLIFICATION OF HARMFUL NARRATIVES, AND THE ABILITY OF COUNTER-NARRATIVES TO EFFECTIVELY COMBAT THESE TRENDS.

5. CURRENT TRENDS IN CONVERSION THERAPY AND ITS OPPOSITION

CURRENTLY, THERE IS A GROWING GLOBAL MOVEMENT TO BAN CONVERSION THERAPY. MANY COUNTRIES AND STATES HAVE ALREADY IMPLEMENTED LEGISLATION PROHIBITING THESE HARMFUL PRACTICES. UNDERSTANDING THE CURRENT LEGAL LANDSCAPE AND SOCIAL ACTIVISM AGAINST CONVERSION THERAPY IS CRUCIAL IN ASSESSING THE IMPACT OF THE "ALEX COOPER CONVERSION THERAPY" DISCOURSE. THE CONVERSATION SHOULD BE CONSIDERED IN THE CONTEXT OF THIS ONGOING FIGHT, ACKNOWLEDGING ITS POTENTIAL TO EITHER BOLSTER OR UNDERMINE EFFORTS TO PROTECT VULNERABLE LGBTQ+ INDIVIDUALS.

6. THE ETHICAL RESPONSIBILITY OF INFLUENCERS

ALEX COOPER, AS A HIGHLY INFLUENTIAL PODCAST HOST, BEARS A SIGNIFICANT ETHICAL RESPONSIBILITY REGARDING THE CONTENT SHE SHARES. THE "ALEX COOPER CONVERSION THERAPY" CONVERSATION HIGHLIGHTS THE IMPORTANCE OF INFLUENCERS UTILIZING THEIR PLATFORMS RESPONSIBLY, PROMOTING ACCURATE INFORMATION, AND AVOIDING THE DISSEMINATION OF POTENTIALLY HARMFUL IDEAS. A CRITICAL ANALYSIS MUST ADDRESS THE ETHICAL IMPLICATIONS OF DISCUSSING CONTROVERSIAL TOPICS WITHOUT PROVIDING SUFFICIENT CONTEXT, POTENTIALLY MISLEADING OR HARMING VULNERABLE AUDIENCES.

7. THE NEED FOR CRITICAL MEDIA LITERACY

THE "ALEX COOPER CONVERSION THERAPY" SITUATION UNDERSCORES THE GROWING NEED FOR CRITICAL MEDIA LITERACY. THE ABILITY TO CRITICALLY EVALUATE INFORMATION CONSUMED THROUGH VARIOUS MEDIA CHANNELS, INCLUDING PODCASTS, IS PARAMOUNT IN NAVIGATING THE COMPLEXITIES OF ONLINE DISCOURSE. THIS ANALYSIS EMPHASIZES THE IMPORTANCE OF EDUCATING AUDIENCES ABOUT IDENTIFYING MISINFORMATION, EVALUATING SOURCES, AND ENGAGING WITH COMPLEX TOPICS WITH NUANCE AND SENSITIVITY.

8. CONCLUSION

THE "ALEX COOPER CONVERSION THERAPY" DISCUSSION WARRANTS SERIOUS CRITICAL ANALYSIS DUE TO ITS POTENTIAL IMPACT ON THE LGBTQ+ COMMUNITY. WHILE THE EXACT CONTENT AND INTENTION REQUIRE SPECIFIC EXAMINATION, THE POTENTIAL FOR THE PODCAST TO UNINTENTIONALLY REINFORCE HARMFUL MISCONCEPTIONS AND NORMALIZE A DISCREDITED

PRACTICE CANNOT BE IGNORED. THE ANALYSIS HIGHLIGHTS THE ETHICAL RESPONSIBILITIES OF INFLUENCERS, THE NEED FOR CRITICAL MEDIA LITERACY, AND THE IMPORTANCE OF CONTINUED EFFORTS TO COMBAT CONVERSION THERAPY. FURTHER RESEARCH IS NEEDED TO FULLY ASSESS THE LONG-TERM IMPACT OF THIS CONVERSATION AND TO DEVELOP STRATEGIES FOR RESPONSIBLE MEDIA ENGAGEMENT ON SENSITIVE TOPICS.

🔍 **alex cooper conversion therapy: Saving Alex** Alex Cooper, Joanna Brooks, 2016-03-01 When Alex Cooper was fifteen years old, life was pretty ordinary in her sleepy suburban town and nice Mormon family. At church and at home, Alex was taught that God had a plan for everyone. But

something was gnawing at her that made her feel different. These feelings exploded when she met Yvette, a girl who made Alex feel alive in a new way, and with whom Alex would quickly fall in love. Alex knew she was holding a secret that could shatter her family, her church community, and her life. Yet when this secret couldn't be hidden any longer, she told her parents that she was gay, and the nightmare began. She was driven from her home in Southern California to Utah, where, against her will, her parents handed her over to fellow Mormons who promised to save Alex from her homosexuality. For eight harrowing months, Alex was held captive in an unlicensed "residential treatment program" modeled on the many "therapeutic" boot camps scattered across Utah. Alex was physically and verbally abused, and many days she was forced to stand facing a wall wearing a heavy backpack full of rocks. Her captors used faith to punish and terrorize her. With the help of a dedicated legal team in Salt Lake City, Alex eventually escaped and made legal history in Utah by winning the right to live under the law's protection as an openly gay teenager. Alex is not alone; the headlines continue to splash stories about gay conversion therapy and rehabilitation centers that promise to "save" teenagers from their sexuality. *Saving Alex* is a courageous memoir that tells Alex's story in the hopes that it will bring awareness and justice to this important issue. A bold, inspiring story of one girl's fight for freedom, acceptance, and truth.

alex cooper conversion therapy: *The Book of Mormon Girl* Joanna Brooks, 2012-08-07 From her days of feeling like "a root beer among the Cokes"—Coca-Cola being a forbidden fruit for Mormon girls like her—Joanna Brooks always understood that being a member of the Church of Jesus Christ of Latter-day Saints set her apart from others. But, in her eyes, that made her special; the devout LDS home she grew up in was filled with love, spirituality, and an emphasis on service. With Marie Osmond as her celebrity role model and plenty of Sunday School teachers to fill in the rest of the details, Joanna felt warmly embraced by the community that was such an integral part of her family. But as she grew older, Joanna began to wrestle with some tenets of her religion, including the Church's stance on women's rights and homosexuality. In 1993, when the Church excommunicated a group of feminists for speaking out about an LDS controversy, Joanna found herself searching for a way to live by the leadings of her heart and the faith she loved. *The Book of Mormon Girl* is a story about leaving behind the innocence of childhood belief and embracing the complications and heartbreaks that come to every adult life of faith. Joanna's journey through her faith explores a side of the religion that is rarely put on display: its humanity, its tenderness, its humor, its internal struggles. In Joanna's hands, the everyday experience of being a Mormon—without polygamy, without fundamentalism—unfolds in fascinating detail. With its revelations about a faith so often misunderstood and characterized by secrecy, *The Book of Mormon Girl* is a welcome advocate and necessary guide.

alex cooper conversion therapy: *Pink Therapy* Dominic Davies, 1996-05-16 A comprehensive British volume on lesbian and gay affirmative psychotherapy has been a while coming. *Pink Therapy*, however, has arrived, amply fills this gap, and is well worth the wait. The literature reviews are masterful for scholars, and the book offers a comprehensive, thoughtful approach for clinicians. A deft editorial hand is evident in the unusual consistency across chapters, the uniformly crisp, helpful chapter summaries, and the practical appendices, generous resources lists and well organized bibliographies. I particularly like the contributors subtle appreciation of theoretical nuance, genuine open-mindedness to diversity of ideas, and willingness to synthesize in a pragmatic and client-oriented manner. John C. Gonsiorek, PhD., Minneapolis, MN USA; Diplomate in Clinical Psychology, American Board of Professional Psychology; Past President, Society for the Psychological Study of Lesbian and Gay Issues (Division 44 of the American Psychological Association). *Pink Therapy* is the first British guide for counsellors and therapists working with people who are lesbian, gay or bisexual. It provides a much needed overview of lesbian, gay and bisexual psychology, and examines some of the differences between lesbians, gays and bisexuals, and heterosexuals. *Pink Therapy* proposes a model of gay affirmative therapy, which challenges the prevailing pathologizing models. It will help to provide answers to pressing questions such as: what is different about lesbian, gay and bisexual psychologies? how can I improve my work with lesbian, gay and bisexual clients? what are the key clinical issues that this work raises? The contributors draw on their wide range of practical experience to provide - in an accessible style - information about the contemporary experience of living as a lesbian, gay or bisexual person, and to explore some of the common difficulties. *Pink Therapy* will be important reading for students and practitioners of counselling and psychotherapy, and will also be of value to anyone involved in helping people with a lesbian, gay or bisexual orientation.

I hurled my faeces at my wife when she interrupted me. -- Gary Gorillason Animals are beautiful, noble creatures. They're also brutal, scheming, and skilled at ripping, bashing, and biting one another into tiny pieces. I'm sure we've all looked at a gorilla and wondered whether it could beat up a lion. How about a grizzly bear? Could an elephant stomp on a rabid weasel? (That one might not make the cut.) *Animal Killdom* asks the burning question: What would happen if there was a Mixed Martial Animal Championship? There's background info on the fighters' strengths (and weaknesses), real-life encounters, and more fun facts than you can shake a squirrel at. To top things off, the animal adversaries throw down in the arena, narrated (sort of reliably) by visionary first-time author and long-time underachiever Alex Cooper. You've seen the animal kingdom before, but never quite like this.

When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. There are parties that last through the night, there are famous musicians playing on the lawn, there

Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

alex cooper conversion therapy: Pain Management and the Opioid Epidemic National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Sciences Policy, Committee on Pain Management and Regulatory Strategies to Address Prescription Opioid Abuse, 2017-09-28 Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

alex cooper conversion therapy: All Out Kevin Newman, Alex Newman, 2017-01-24 Can a man with a demanding job really be a good father? All Out is a bracingly honest answer from Emmy and Gemini Award-winning anchorman Kevin Newman and his grown son, Alex. Confessional and provocative, their memoir is also a touching meditation on ambition, absence and family that will resonate with every parent and child who've ever struggled to connect and understand each other. Kevin Newman wanted to be a family man in an era when fathers are expected to be more engaged than ever before; he also wanted to reach the top of a profession that demands 24/7 commitment. The higher he climbed, the more irreconcilable those aspirations seemed. Meanwhile, his artistic, solitary son, Alex, was wrestling with his own competing ambitions: to be the sporty, popular son his dad wanted, and to be true to himself. Paradoxically, their attempts to live up to expectations--their own, and each other's--were driving them apart. Then, two parallel identity crises forced a reckoning. Kevin reached the summit of American network television, becoming co-host of Good Morning America--where he was instructed to develop a quarterback persona and change his accent, mannerisms, personality, hairstyle and everything else that made him Kevin. At the same time, Alex was realizing he was gay, but frantically trying to mask and change that fact. Both felt like failures and hungered for one another's approval, but didn't know how to bridge their differences. Today, a decade later, they retrace their steps (and missteps) to reinventing their relationship and becoming one another's role models for what it means to be a man in our culture. All Out is a moving chronicle

of all the ways that fathers and sons misunderstand and disappoint one another--and a powerful reminder that they can become closer not despite their differences, but because of them.

alex cooper conversion therapy: *From Sin to Amazing Grace* Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity, lesbian, gay, bisexual and transgender ("LGBT" or "queer") people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book serves as a useful resource for all people who struggle to make sense of the

traditional Christian doctrines of sin and grace in the context of the 21st century.

alex cooper conversion therapy: Sexual Conversion Therapy Jack Drescher, Ariel Shidlo, Michael Schroeder, 2002-05-02 Hear the other side of the story on sexual conversion therapy! In their fervor to “fix” homosexuals, practitioners of sexual conversion therapies have often overlooked or completely dismissed the possible psychological and social side effects of such treatments. Sexual Conversion Therapy: Ethical, Clinical, and Research Perspectives works to counterbalance the clinical and ethical omissions of overzealous therapists who have focused on efficacy and outcome at the expense of their patients’ self-esteem. Sexual Conversion Therapy features first-person accounts of patients and clinicians, including psychotherapists who themselves have undergone treatments ranging from psychoanalysis to religious faith healing to aversion behavior conditioning and even electroshock therapy. In addition to examining the history and ethics of conversion therapy, the book presents empirical data on current practice and recovery processes for survivors of failed conversion attempts. Sexual Conversion Therapy presents current perspectives on the harmful impact of sexual orientation interventions, including: “Cures: A Gay Man’s Odyssey” “Becoming Gay” “A Psychologist’s Journey Through the Ex-Gay Movement” “Therapeutic Antidotes: Gay and Bisexual Men Recover from Conversion Therapies” “I’m Your Handyman: A History of Reparative Therapies” Nearly 30 years after the American Psychiatric Association removed homosexuality from the Diagnostic and Statistical Manual of Mental Disorders, a small but dedicated group of mental health practitioners continues to diagnose and treat homosexuality as a mental illness. Sexual Conversion Therapy is an essential alternative to the bulk of published material that champions treatments that produce a handful of heterosexuals “cured” of their “illness,” while inflicting emotional and psychological damage on countless gay and lesbian patients who failed to convert.

To anyone? Looking back over his life, from schoolboy crushes (on girls and boys) to discovering the power of making people laugh (in the Cambridge Footlights with David Mitchell), and from losing his beloved mother to becoming a husband and father, Robert Webb considers the absurd expectations boys and men have thrust upon them at every stage of life. alex cooper conversion therapy: When Harry Became Sally Ryan T. Anderson, 2018-02-20 Can a boy be “trapped” in a girl’s body? Can modern medicine “reassign” sex? Is our sex “assigned” to us in the first place? What is the most loving response to a person experiencing a conflicted sense of gender? What should our law say on matters of “gender identity”? When Harry Became Sally provides thoughtful answers to questions arising from our transgender moment. Drawing on the best insights from biology, psychology, and philosophy, Ryan Anderson offers a nuanced view of human embodiment, a balanced approach to public policy on gender identity, and a sober assessment of the human costs of getting human nature wrong. This book exposes the contrast between the media’s sunny depiction of gender fluidity and the often sad reality of living with gender dysphoria. It gives a voice to people who tried to “transition” by changing their bodies, and found themselves no better off. Especially troubling are the stories told by adults who were encouraged to transition as children but later regretted subjecting themselves to those drastic procedures. As Anderson shows, the most beneficial therapies focus on helping people accept themselves and live in harmony with their bodies. This understanding is vital for parents with children in schools where counselors may steer a child toward transitioning behind their backs. Everyone has something at stake in the controversies over transgender ideology, when misguided “antidiscrimination” policies allow biological men into women’s restrooms and penalize Americans who hold to the truth about human nature. Anderson offers a strategy for pushing back with principle and prudence, compassion and grace.

2020-05-19 "Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey."—Dayna Troisi, Executive Editor, GO Magazine "Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful."—Alexia LaFata, Editor, New York Magazine "If Cat Marnell and F. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together."—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

alex cooper conversion therapy: LGBTQ Las Vegas Dennis McBride, 2017 Being gay in Las Vegas until the 1990s was a felony with a hefty fine and long prison sentence. The Las Vegas LGBTQ community did not organize to fight for its rights until the late 1970s and by the early 1980s had made headway, before AIDS stopped their momentum. While AIDS was devastating, it taught compassion, self-reliance, and political savvy. By 2017, Las Vegas was a city among the most welcoming of the nation's queer community.

alex cooper conversion therapy: Deceived No More Doreen Virtue, 2020-07-28 The Miraculous Story of a Hugely Successful New Age Teacher's Conversion to Christianity In this brilliant, utterly captivating memoir, Doreen Virtue chronicles her journey in discovering everything she believed in was a lie. She poignantly shares the price she's paid for following Jesus. New Age teachings are based on concepts that sound almost irresistible. But as Doreen discovered, they come with a hidden price: your eternal destiny. Here is a riveting, personal confessional of how a former false prophet learned to trust God after nearly wasting a lifetime being independent and willful—trying to predict and control the future—and how Jesus saved her soul from deception and opened her eyes to His truth. Deceived No More can help you learn how to discern dangerous teachings so you can detect and avoid deception. Topics include: How to spot New Age teachings, and why they're dangerous Biblical ways to deal with persecution, spiritual warfare, and other post-conversion issues How to witness to a New Ager

alex cooper conversion therapy: This Much is True Miriam Margolyes, 2021-09-16 'There is no one on earth quite so wonderful' STEPHEN FRY 'As outrageously entertaining as you'd expect' Daily Express BAFTA-winning actor, voice of everything from Monkey to the Cadbury's Caramel Rabbit, creator of a myriad of unforgettable characters from Lady Whiteadder to Professor Sprout, MIRIAM MARGOLYES, OBE, is the nation's favourite (and naughtiest) treasure. Now, at the age of 80, she has finally decided to tell her extraordinary life story - and it's well worth the wait. Find out how being conceived in an air-raid gave her curly hair; what pranks led to her being known as the naughtiest girl Oxford High School ever had; how she ended up posing nude for Augustus John as a

teenager; why Bob Monkhous was the best (male) kiss she's ever had; and what happened next after Warren Beatty asked 'Do you fuck?' From declaring her love to Vanessa Redgrave to being told to be quiet by the Queen, this book is packed with brilliant, hilarious stories. With a cast list stretching from Scorsese to Streisand, a cross-dressing Leonardo di Caprio to Isaiah Berlin, *This Much Is True* is as warm and honest, as full of life and surprises, as its inimitable author.

alex cooper conversion therapy: *Stranger at the Gate* Mel White, 1995-04-01 "Compelling...eloquent and compassionate...We learn as much about growing up in the Christian right as we do about gay life in Mel White's heartfelt and revealing memoir."—San Francisco Examiner Until Christmas Eve 1991, Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters. He penned the speeches of Ollie North. He was a ghostwriter for Jerry Falwell, worked with Jim Bakker, flew in Pat Robertson's private jet, walked sandy beaches with Billy Graham. What these men didn't know was that Mel White—evangelical minister, committed Christian, family man—was gay. In this remarkable book, Mel White details his twenty-five years of being counseled, exorcised, electric-shocked, prayed for, and nearly driven to suicide because his church said homosexuality was wrong. But his salvation—to be openly gay and Christian—is more than a unique coming-out story. It is a chilling exposé that goes right into the secret meetings and hidden agendas of the religious right. Told by an eyewitness and sure to anger those Mel White once knew best, *Stranger at the Gate* is a warning about where the politics of hate may lead America...a brave book by a good man whose words can make us richer in spirit and much wiser too.

alex cooper conversion therapy: *You Can't Be Serious* Kal Penn, 2021-11-02 The star of the *Harold and Kumar* franchise, House, and *Designated Survivor* recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this "incredibly joyful and insightful"

(Kiefer Sutherland) memoir. *You Can't Be Serious* is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn's idiosyncratic life. It's about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone call from Air Force One as Kal flew with the country's first Black president. "By turns hilarious, poignant, and inspiring" (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. The book "is insightful, funny, and instructive for anyone who's ever grappled with how they fit into the American dream" (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it's also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.

alex cooper conversion therapy: *Homosexuality in Islam* Scott Siraj Al-Haqq Kugle, 2010-01-01 Homosexuality is anathema to Islam - or so the majority of both believers and non-believers suppose. Throughout the Muslim world, it is met with hostility, where state punishments range from hefty fines to the death penalty. Likewise, numerous scholars and commentators maintain that the Qur'an and Hadith rule unambiguously against same-sex relations. This pioneering study argues that there is far more nuance to the matter than most believe. In its narrative of Lot, the Qur'an could be interpreted as condemning lust rather homosexuality. While some Hadith are fiercely critical of homosexuality, some are far more equivocal. This is the first book length treatment to offer a detailed analysis of how Islamic scripture, jurisprudence, and Hadith, can not only accommodate a sexually sensitive Islam, but actively endorse it.

Reza is an Iranian boy who has just moved to the city with his mother to live with his stepfather and stepbrother. He's

terrified that someone will guess the truth he can barely acknowledge about himself. Reza knows he's gay, but all he knows of gay life are the media's images of men dying of AIDS. Judy is an aspiring fashion designer who worships her uncle Stephen, a gay man with AIDS who devotes his time to activism as a member of ACT UP. Judy has never imagined finding romance...until she falls for Reza and they start dating. Art is Judy's best friend, their school's only out and proud teen. He'll never be who his conservative parents want him to be, so he rebels by documenting the AIDS crisis through his photographs. As Reza and Art grow closer, Reza struggles to find a way out of his deception that won't break Judy's heart—and destroy the most meaningful friendship he's ever known. This is a bighearted, sprawling epic about friendship and love and the revolutionary act of living life to the fullest in the face of impossible odds.

alex cooper conversion therapy: Archaeology, Anthropology, and Interstellar Communication
National Aeronautics Administration, Douglas Vakoch, 2014-09-06 Addressing a field that has been dominated by astronomers, physicists, engineers, and computer scientists, the contributors to this collection raise questions that may have been overlooked by physical scientists about the ease of establishing meaningful communication with an extraterrestrial intelligence. These scholars are grappling with some of the enormous challenges that will face humanity if an information-rich signal emanating from another world is detected. By drawing on issues at the core of contemporary archaeology and anthropology, we can be much better prepared for contact with an extraterrestrial civilization, should that day ever come.

alex cooper conversion therapy: Sexuality Martin Milton, 2014 Sexuality is a fascinating phenomenon. Familiar to us all, it pervades the personal, social and cultural areas of life; it also remains an elusive and confusing aspect of our existence. Within a range of disciplines, gender studies, psychology, psychoanalysis and sociology to name but a few, great strides have been made in enriching our understandings of sexuality and it's wide variations of practice, identity, orientation and relationship forms, across context and across culture. The understandings that existential philosophy and psychotherapy can contribute have often been overlooked as they frequently languish one by one, in hard to access journals. Sexuality: Existential perspectives changes all this. Leading voices in existential philosophy and psychotherapy provide clear insight into sexuality and its related manifestations, offering perspectives that warrant consideration both within and beyond the consulting room--Provided by publisher.
