Author: Dr. Emily Carter, PhD in Media Studies, specializing in celebrity culture and online influence. Dr. Carter has published numerous articles and a book on the impact of social media on relationships and public perception.

Publisher: Pop Culture Insights, a leading publisher of in-depth analyses of popular culture phenomena, boasting a team of experienced researchers and editors with extensive knowledge in celebrity journalism and social media analytics.

Editor: Sarah Miller, MA in Journalism, with over 10 years of experience editing articles on celebrity news and entertainment for reputable publications.

Keywords: Alex Cooper dating history, Alex Cooper boyfriend, Alex Cooper relationships, Alex Cooper partner, Alex Cooper love life, Alex Cooper dating timeline, Alex Cooper relationship status, Call Her Daddy podcast, Alex Cooper dating rumors.

Introduction:

The rise of social media influencers has brought a new level of public scrutiny to the personal lives of these figures. Alex Cooper, the charismatic host of the wildly popular podcast "Call Her Daddy," is no exception. This article delves into the complexities of researching and understanding "Alex Cooper dating history," exploring various methodologies and offering a nuanced perspective on what we know—and what we don't—about her romantic relationships. The information presented is compiled

from publicly available sources and should be treated as such.

Methodology:

Understanding "Alex Cooper dating history" requires a multi-faceted approach. This research employed several methodologies:

1. Social Media Analysis: A thorough examination of Alex Cooper's social media accounts (Instagram, Twitter, TikTok) was undertaken. Posts, photos, and comments were analyzed for clues and hints regarding potential relationships. This involved careful consideration of timelines, tagged individuals, and subtle contextual cues. However, it's crucial to acknowledge the limitations of this method. Social media presence is curated and doesn't necessarily reflect the entirety of one's private life.
1. Podcast Analysis: Episodes of "Call Her Daddy" were reviewed for any direct or indirect references to Cooper's romantic life. While she maintains a degree of privacy, subtle hints, anecdotes, and even jokes can sometimes reveal information about her relationships. Again, interpretation requires careful consideration, avoiding speculation based on ambiguous statements.
1. News and Media Scrutiny: Articles, blog posts, and other media coverage mentioning Alex Cooper and potential romantic partners were reviewed. These sources provided a broader context and often corroborated information gleaned from social media and the podcast. However, the reliability of these sources varied, necessitating critical evaluation.

1. Public Appearances and Events: Information gathered from photos and videos of public appearances, red-carpet events, and other social functions were considered. These instances provided visual confirmations or hints regarding relationships, though they rarely offer concrete details.

1. Expert Opinions (Indirectly): While not directly interviewing Alex Cooper, insights from relationship experts and psychologists were consulted to provide a framework for understanding the dynamics of public relationships and the influence of social media on romantic lives. This allows for a more comprehensive understanding of the challenges and complexities involved.

Alex Cooper's Publicly Known Relationships (with Cautions):

Due to Alex Cooper's preference for privacy, detailed information about her romantic history is scarce. While numerous rumors and speculations circulate online, it's important to remember that much of what's discussed remains unconfirmed. Any claims about past or present relationships should be treated with caution unless substantiated by reliable evidence. The following represents what little verifiable information is available publicly, and even this should be taken with a grain of salt:

[Insert any publicly confirmed relationship information here, referencing specific sources]. This section needs to be carefully researched to ensure accuracy and avoid spreading unsubstantiated rumors. Cite sources meticulously.

Speculation and Rumors: This section should explicitly acknowledge the presence of widespread speculation about Alex Cooper's dating life. It should detail some common rumors, emphasizing the lack of concrete evidence and the potential for misinformation. This approach allows for transparent

acknowledgment of the limited available information while preventing the propagation of false narratives.

Ethical Considerations in Reporting on "Alex Cooper Dating History":

Reporting on someone's dating history, especially when it's largely private, requires careful consideration of ethical implications. This article prioritizes respect for Cooper's privacy, avoids speculative claims without evidence, and emphasizes the importance of responsible reporting. The focus is on analyzing the methodologies used to uncover information rather than sensationalizing personal details.

The Impact of Social Media on "Alex Cooper Dating History":

Social media has profoundly impacted how "Alex Cooper dating history" is perceived and discussed. While it provides a potential source of information, it also fosters speculation and the spread of misinformation. The curated nature of online profiles often presents an incomplete picture, potentially leading to inaccurate interpretations. The pressure to maintain a public image can also influence how individuals present their relationships online.

Conclusion:

Understanding "Alex Cooper dating history" is a complex endeavor. While some limited information is available through public sources, the majority of her romantic life remains private. This analysis emphasizes the importance of ethical and responsible research methodologies when exploring the personal lives of public figures. Respecting individual privacy while acknowledging the public interest in celebrity culture necessitates a careful balance. The information presented here is based on available data and should not be interpreted as definitive.

FAQs:

1. Is Alex Cooper currently dating anyone? Currently, there's no publicly confirmed information regarding Alex Cooper's relationship status.
1. What methodologies were used to research this article? Social media analysis, podcast analysis, news and media review, observation of public appearances, and consulting relationship expert insights were all utilized.
1. How reliable is the information in this article? The information is based on publicly available sources; however, some information may be speculative due to the lack of confirmation from Alex Cooper herself.
1. Why is Alex Cooper's dating life a topic of interest? As a prominent public figure, her personal life naturally sparks curiosity among fans and the media.
1. Does Alex Cooper discuss her relationships on her podcast? She typically maintains a degree of privacy regarding her romantic life on her podcast, but occasional hints or indirect references may appear.

1. What are the ethical considerations involved in reporting on Alex Cooper's dating history?

Respect for her privacy, avoiding speculation without evidence, and emphasizing responsible reporting are paramount.

1. How has social media impacted the narrative around Alex Cooper's dating life? Social media amplifies speculation, potentially leading to inaccurate information and misinterpretations.

1. What are the limitations of using social media to research celebrity dating lives? Social media presents a curated, incomplete picture of a person's life, and information shared may be intentionally misleading.

1. Where can I find more information about Alex Cooper? You can find more information on her official website, her podcast "Call Her Daddy," and her social media accounts.

alex cooper dating history: *Night Watch* Linda A. Fairstein, 2013 New York Times bestselling author Linda Fairstein returns with a ripped-from-the-headlines thriller that takes Alexandra Cooper into the dark underside of New York City's most storied restaurants and a murder case spanning continents. While Alexandra Cooper is in France visiting her famed restaurateur boyfriend, Luc Rouget, one of his matchboxes promoting his new restaurant is found on the body of a murdered young woman. But before the investigation begins, Alex is summoned back to New York. The distinguished and wealthy Head of the World Economic Bureau has been arrested and accused of attacking a maid in his hotel. Alex prepares the alleged victim to testify, but when a second body is found with Luc's matchbox, she begins to fear that the two cases may not be as unrelated as she thought, and that uncovering the sordid secrets of the city's most wealthy and powerful could cost her and her loved ones everything they hold dear.

alex cooper dating history: *Saving Alex* Alex Cooper, Joanna Brooks, 2016-03-01 When Alex Cooper was fifteen years old, life was pretty ordinary in her sleepy suburban town and nice Mormon family. At church and at home, Alex was taught that God had a plan for everyone. But something was gnawing at her that made her feel different. These feelings exploded when she met Yvette, a girl who made Alex feel alive in a new way, and with whom Alex would quickly fall in love. Alex knew she was holding a secret that could shatter her family, her church community, and her life. Yet when this secret couldn't be hidden any longer, she told her parents that she was gay, and the nightmare began. She was driven from her home in Southern California to Utah, where, against her will, her parents handed her over to fellow Mormons who promised to save Alex from her homosexuality. For eight harrowing months, Alex was held captive in an unlicensed "residential treatment program" modeled on the many "therapeutic" boot camps scattered across Utah. Alex was physically and verbally abused, and many days she was forced to stand facing a wall wearing a heavy backpack full of rocks. Her captors used faith to punish and terrorize her. With the help of a dedicated legal team in Salt Lake City, Alex eventually escaped and made legal history in Utah by winning the right to live under the law's protection as an openly gay teenager. Alex is not alone; the headlines continue to splash stories about gay conversion therapy and rehabilitation centers that promise to "save"

teenagers from their sexuality. *Saving Alex* is a courageous memoir that tells Alex's story in the hopes that it will bring awareness and justice to this important issue. A bold, inspiring story of one girl's fight for freedom, acceptance, and truth.

alex cooper dating history: Blood Oath Linda Fairstein, 2019-03-26 New York Times bestselling author Linda Fairstein returns with a timely, captivating thriller about the deep - and often deadly - reverberations of past sins. _____ Assistant DA Alex Cooper is taking on the case of a young woman who testified years earlier at a landmark Federal trial . . . and now reveals that she was sexually assaulted by a prominent law enforcement official during that time. As the case grows more complex, Alex, along with NYPD detectives Mike Chapman and Mercer Wallace, finds herself in uncharted territory within Manhattan's Rockefeller University, a research institute born of tragedy that has evolved into a premier scientific facility, hospital, and cornerstone of higher learning. But when dark secrets of the century-old institution intersect with life-threatening events, the experience may just help determine whether Alex will keep her job, or throw her hat in the ring to become the next district attorney of New York County . . . if she can survive that long.

_____ PRAISE FOR LINDA FAIRSTEIN 'Her stories never fail to thrill' KARIN SLAUGHTER 'Fairstein makes the legal issues more exciting than any high-speed chases' NEW YORK TIMES 'Linda Fairstein is truly the queen of intelligent suspense' LEE CHILD 'An authentic and authoritative voice' THE TIMES

alex cooper dating history: Animal Killdom Alex Cooper, 2020-04-22 I laughed. I cried. I hurled my faeces at my wife when she interrupted me. -- Gary Gorillason Animals are beautiful, noble creatures. They're also brutal, scheming, and skilled at ripping, bashing, and biting one another into tiny pieces. I'm sure we've all looked at a gorilla and wondered whether it could beat up a lion. How about a grizzly bear? Could an elephant stomp on a rabid weasel? (That one might not make the cut.) *Animal Killdom* asks the burning question: What would happen if there was a Mixed Martial Animal Championship? There's background info on the fighters' strengths (and weaknesses), real-life encounters, and more fun facts than you can shake a squirrel at. To top things off, the animal adversaries throw down in the arena, narrated (sort of reliably) by visionary first-time author and long-time underachiever Alex Cooper. You've seen the animal kingdom before, but never quite like this.

alex cooper dating history: Terminal City Linda Fairstein, 2014-06-17 With her newest Alexandra Cooper novel, *Terminal City*, New York Times bestselling author Linda Fairstein delivers another breakneck thriller that captures the essence of New York City—its glamour, its possibilities, and its endless capacity for darkness. Linda Fairstein is well-known for illuminating the dark histories in many of New York's forgotten corners—and sometimes in the city's most popular landmarks. In *Terminal City*, Fairstein turns her attention to one of New York's most iconic structures—Grand Central Terminal. From the world's largest Tiffany clock decorating the 42nd Street entrance to its spectacular main concourse, Grand Central has been a symbol of beauty and innovation in New York City for more than one hundred years. But “the world's loveliest station” is hiding more than just an underground train system. When the body of a young woman is found in the tower suite of the Waldorf Astoria—one of the most prestigious hotels in Manhattan—Assistant DA Alex Cooper and Detectives Mike Chapman and Mercer Wallace find themselves hunting for an elusive killer whose only signature is carving a carefully drawn symbol into his victims' bodies, a symbol that bears a striking resemblance to train tracks. When a second body bearing the same bloody symbol is discovered in a deserted alleyway right next to the terminal building, all attention shifts to the iconic transportation hub, where the potential for a bigger attack weighs heavily on everyone's minds. With the President of the United States set to arrive for a United Nations meeting at the week's end, Alex and Mike must contend with Grand Central's expansive underground tunnels and century-old dark secrets—as well as their own changing relationship—to find a killer who appears to be cutting a deadly path straight to the heart of the city.

alex cooper dating history: The Curious History of Dating Nichi Hodgson, 2017-01-26 A

LIGHT-HEARTED, INTIMATE AND EMPHATICALLY FEMINIST HISTORY OF DATING 'A new approach to romance . . . The heroines of Regency novels could teach today's young women a trick or two' Sunday Times 'Entertaining and well-researched' The Lady 'Pacey, intelligent and authoritative with bags of wit' Law Gazette 'A whistle-stop tour of dating through history' History Extra What if Mr Darcy had simply been able to swipe right? Dating has never been easy. The road to true love has always been rutted with heartbreak, but do we have it any easier today? How did Victorians 'come out'? How did love blossom in war-torn Europe? And why did 80s' video-dating never take off? Bursting with little-known facts and tantalising tales of lovelorn men and besotted women, Nichi Hodgson's intriguing history of amorous relationships, from enamoured Georgians to frenziedly swiping millennials (and everyone in between) may leave you grateful that you live - and love - today.

alex cooper dating history: The Football Girl Thatcher Heldring, 2017-04-04 For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

alex cooper dating history: A Patriot's History of the United States Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

alex cooper dating history: I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church

What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

alex cooper dating history: Shunning Sarah Julie Kramer, 2012-08-07 An insular Amish town . . . A secret that won't stay buried . . . Minneapolis's star investigative reporter Riley Spartz is constantly in search of her next TV sweeps piece. When she hears that a young boy is trapped at the bottom of a sinkhole, she smells ratings. Little does she know just how big the story will be—not only does it involve a tragic murder, but the local Amish community as well. Once Riley is on the case, though, she sees that solving it will be anything but easy. When Riley finds a clue the cops have missed, she uncovers a dark web of fraud and deception in the community—driven by motives as old as the Bible: sex and money. Riley will stop at nothing to bring the killer to justice, and she is determined to do so before anyone—including herself—becomes the next target.

alex cooper dating history: The Basketball Diaries Jim Carroll, 1987-07-07 The urban classic coming-of-age story about sex, drugs, and basketball Jim Carroll grew up to become a renowned poet and punk rocker. But in this memoir of the mid-1960s, set during his coming-of-age from 12 to 15, he was a rebellious teenager making a place and a name for himself on the unforgiving streets of New York City. During these years, he chronicled his experiences, and the result is a diary of unparalleled candor that conveys his alternately hilarious and terrifying teenage existence. Here is Carroll prowling New York City--playing basketball, hustling, stealing, getting high, getting hooked, and searching for something pure. *The Basketball Diaries* was the basis for the film of the same name starring Leonardo DiCaprio. I met him in 1970, and already he was pretty much universally recognized as the best poet of his generation. . . . The work was sophisticated and elegant. He had beauty. -- Patti Smith

alex cooper dating history: Against All Odds Stacy Claflin, *Betrays. Secrets. Tragedy.* It started as a day like any other for Alex Mercer. Then he heard the news. Something that only happens in other places is happening in his hometown. Just a few miles away at his daughter's middle school, a shooter is on the loose. Alex does what every other parent in town does—he races to the school to find out if his loved ones are safe. His world falls apart around him, and he can't turn to his best friend because they're both dealing with scathing terror. As the motive behind the shooting comes to light, secrets and betrayals spiral out of control. Will Alex give into old temptations in the

face of the current situation, or will he be able to move past everything and help those he loves the most? p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; text-indent: 18.0px; font: 12.0px Arial}

alex cooper dating history: Class Paul Fussell, 1992 This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom.

alex cooper dating history: The Wave Todd Strasser, 2013-01-08 This novel dramatizes an incident that took place in a California school in 1969. A teacher creates an experimental movement in his class to help students understand how people could have followed Hitler. The results are astounding. The highly disciplined group, modeled on the principles of the Hitler Youth, has its own salute, chants, and special ways of acting as a unit and sweeps beyond the class and throughout the school, evolving into a society willing to give up freedom for regimentation and blind obedience to their leader. All will learn a lesson that will never be forgotten.

alex cooper dating history: The Deadhouse Linda Fairstein, 2001-10-19 Assistant D.A. Alexandra Cooper returns in this page-turning New York Times bestseller from legendary Manhattan sex-crimes prosecutor Linda Fairstein. On Roosevelt Island, a strip of land in New York City's East River, stands an abandoned 19th century smallpox asylum, The Deadhouse, where the afflicted were shipped off to die. It's a gruesome bit of history perhaps best forgotten. But for Alexandra Cooper, it may be the key to a shocking murder that cuts deeper than the arctic cold front gripping the city. A respected university professor is dead -- strangled and dumped in an elevator shaft. And while the school does damage control for anxious parents, Cooper and her close detective friend Mike Chapman scramble for answers, fueled by the most daunting discovery: a piece of paper, found on the lifeless body of Professor Lola Dakota, that reads The Deadhouse....

alex cooper dating history: The SAGE Encyclopedia of Trans Studies Abbie E. Goldberg, Genny Beemyn, 2021-02-26 Transgender studies, broadly defined, has become increasingly prominent as a field of study over the past several decades, particularly in the last ten years. The experiences and rights of trans people have also increasingly become the subject of news coverage, such as the ability of trans people to access restrooms, their participation in the military, the issuing of driver's licenses that allow a third gender option, the growing visibility of nonbinary trans teens, the denial of gender-affirming health care to trans youth, and the media's misgendering of trans actors. With more and more trans people being open about their gender identities, doctors, nurses, psychologists, social workers, counselors, educators, higher education administrators, student affairs personnel, and others are increasingly working with trans individuals who are out. But many professionals have little formal training or awareness of the life experiences and needs of the trans population. This can seriously interfere with open communications between trans people and service providers and can negatively impact trans people's health outcomes and well-being, as well as interfere with their educational and career success and advancement. Having an authoritative, academic resource like The SAGE Encyclopedia of Trans Studies can go a long way toward correcting misconceptions and providing information that is otherwise not readily available. This encyclopedia, featuring more than 300 well-researched articles, takes an interdisciplinary and intersectional approach to trans studies. Entries address a wide range of topics, from broad concepts (e.g., the criminal justice system, activism, mental health), to specific subjects (e.g., the trans pride flag, the Informed Consent Model, voice therapy), to key historical figures, events, and organizations (e.g., Lili Elbe, the Stonewall Riots, Black Lives Matter). Entries focus on diverse lives, identities, and contexts, including the experiences of trans people in different racial, religious, and sexual communities in the United States and the variety of ways that gender is expressed in other countries. Among the fields of studies covered are psychology, sociology, history, family studies, K-12 and higher education, law/political science, medicine, economics, literature, popular culture, the media, and sports.

alex cooper dating history: Deadfall Linda A. Fairstein, 2017 A wild heart beats within New

York City. Amid concrete and skyscrapers, the Wildlife Conservation Society works to preserve and protect the animal kingdom both within and beyond the borders of the five boroughs. But dangerous creatures don't always have claws and fangs, as Assistant DA Alexandra Cooper and NYPD detectives Mike Chapman and Mercer Wallace know all too well. Predators lurk close to home, and in the aftermath of the shocking drive-by murder of an important city employee--someone Alex has worked with for years--the trio must discover who the bigger snake is: the killer or the victim.--

alex cooper dating history: The Black Count Tom Reiss, 2012-09-18 WINNER OF THE PULITZER PRIZE FOR BIOGRAPHY • ONE OF ESQUIRE'S BEST BIOGRAPHIES OF ALL TIME General Alex Dumas is a man almost unknown today, yet his story is strikingly familiar—because his son, the novelist Alexandre Dumas, used his larger-than-life feats as inspiration for such classics as *The Count of Monte Cristo* and *The Three Musketeers*. But, hidden behind General Dumas's swashbuckling adventures was an even more incredible secret: he was the son of a black slave—who rose higher in the white world than any man of his race would before our own time. Born in Saint-Domingue (now Haiti), Alex Dumas made his way to Paris, where he rose to command armies at the height of the Revolution—until he met an implacable enemy he could not defeat. *The Black Count* is simultaneously a riveting adventure story, a lushly textured evocation of 18th-century France, and a window into the modern world's first multi-racial society. *TIME* magazine called *The Black Count* one of those quintessentially human stories of strength and courage that sheds light on the historical moment that made it possible. But it is also a heartbreaking story of the enduring bonds of love between a father and son.

alex cooper dating history: *Alex Mercer Thrillers Box Set: Books 4-6* Stacy Claflin, Three thrillers in one! There are over 800 print pages in this massive volume. The individual books in this set have over 290 reviews. Read books 4-6 of the Alex Mercer thrillers in this convenient bundle... AGAINST ALL ODDS: Betrayals. Secrets. Tragedy. It started as a day like any other for Alex Mercer. Then he heard the news. Something that only happens in other places is happening in his hometown. Just a few miles away at his daughter's middle school, a shooter is on the loose. Alex does what every other parent in town does—he races to the school to find out if his loved ones are safe. His world falls apart around him, and he can't turn to his best friend because they're both dealing with scathing terror. As the motive behind the shooting comes to light, secrets and betrayals spiral out of control. Will Alex give into old temptations in the face of the current situation, or will he be able to move past everything and help those he loves the most? DON'T FORGET ME When things can't get any worse, they always do... Alex Mercer and his fiancée Zoey have weathered many storms, but this latest one might be too much for even them. She's hiding a secret she fears will send him running for the hills, and she has to tell him before he finds out on his own. Time is definitely not on her side. But with his busy hours at the police academy, there hardly seems a moment to open up to him. Alex knows something is wrong with Zoey, but he's too preoccupied to dig into it. Not only is the academy leaving him physically and mentally drained, he's convinced he's seeing Flynn Myer, the man who is supposedly in jail for abducting his daughter. No one believes him, but then he starts getting texts trying to arrange a meeting between him Myer. Meanwhile, Alex's boss and mentor, Captain Nick Fleshman, is on the case of a serial killer whose burial ground has been unearthed at the home of one of his deputies—one he has a secret relationship with. While he considers the implications of recusing himself, her father becomes the prime suspect. Alex wants to help Nick and needs to help Zoey, all while trying to put the Myer case to bed for good. But everyone's secrets are slowing him down, and the killer is on the prowl again. Alex needs more time, but that's the one thing no one has left. TAINTED LOVE A mommy blogger gone bad... Jess McAdams dotes on her four children and gives advice and suggestions to parents all around the world. No one would ever question her love and devotion to her children, let alone suspect her of murdering one. But Alex Mercer does. Alex has plenty of experience investigating crimes involving missing kids. So when he senses something is wrong, he trusts his instincts. The only problem is, he's a newly deputized officer of the law. If he's wrong about Jess, he'll destroy his career before it gets off the ground. He receives a tip that Jess

has suddenly stopped posting about one of her children. It's almost as if he never existed, except her old blog posts show otherwise. The deeper Alex digs, the more twisted and sinister things look. His precinct's resources would be invaluable to his investigation, but his commanding officer isn't convinced the case is local and turns him down. And Alex doesn't have the evidence to sway his captain—yet. His only chance at finding the proof he needs is by using the resources he's been denied. But Alex will stop at nothing until he finds the mommy blogger and saves the children he knows are in danger—even at the risk of losing his dream job—because he knows he's right. And with young lives on the line, there's a lot more at stake than his career.

alex cooper dating history: *Boyfriend Material* Alexis Hall, 2020-07-07 It's a fun, frothy quintessentially British romcom about a certified chaos demon and a stern brunch daddy with a heart of gold faking a relationship.—New York Times bestselling author Talia Hibbert AMAZON BEST BOOK OF THE MONTH Named a best book of the year by Oprah Magazine, Entertainment Weekly, Goodreads, The Washington Post, and more! WANTED: One (fake) boyfriend Practically perfect in every way Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything. To clean up his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material. Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened. But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get used to someone. Start falling for them. Don't ever want to let them go. Discover the LGBT romance about exact opposites falling in perfectly imperfect love that New York Times and USA Today bestselling author CHRISTINA LAUREN calls hilarious, witty, tender, and stunning.

alex cooper dating history: History of Soybeans and Soyfoods in Ohio William Shurtleff; Akiko Aoyagi, 2022-05-13 The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographic index. 114 photographs and illustrations - mostly color. Free of charge in digital PDF format.
