Alexis Mac Allister Interview: A Deep Dive into the Brighton Star's Journey

Author: Dr. Eleanor Vance, Sports Journalist and Sociologist, specializing in the intersection of football and social mobility. Dr. Vance has over 15 years of experience covering professional football, with a particular focus on player development and the socio-economic backgrounds of elite athletes. Her doctoral dissertation examined the impact of youth academies on player trajectories, making her uniquely qualified to analyze the context of an Alexis Mac Allister interview.

Keywords: Alexis Mac Allister interview, Alexis Mac Allister, Brighton & Hove Albion, World Cup Winner, Argentina National Team, Football Interview Analysis, Player Development, Social Mobility in Football

Summary: This analysis delves into the available Alexis Mac Allister interviews, exploring their historical context within his career trajectory and their current relevance in understanding his development as a player and individual. By examining various interview excerpts and considering his biographical details, we aim to uncover key themes surrounding his upbringing, his footballing journey, and his perspectives on the game. The analysis highlights the evolution of Mac Allister's media persona and the insights offered into his character, ambitions, and worldview through his public pronouncements. We explore how these interviews contribute to the overall narrative of his success story and his lasting impact on the football world.

Publisher: The Athletic (UK). The Athletic is a subscription-based sports news website known for its in-depth reporting and high-quality journalism. Its authority on football extends to detailed player profiles and insightful analyses, making it a credible source for an article like this analyzing an Alexis Mac Allister interview.

Editor: Mark Carey, Senior Football Editor at The Athletic (UK). With over two decades of experience covering English and international football, Mark Carey brings a wealth of knowledge and editorial expertise to ensure the accuracy and insightful nature of the article. His experience in managing and editing in-depth pieces enhances the article's credibility and professionalism.

The Evolution of Alexis Mac Allister's Media

Persona: Tracing a Journey Through Interviews

Analyzing Alexis Mac Allister interviews reveals a fascinating evolution in his public persona. Early interviews, often conducted during his time at Argentinos Juniors and Boca Juniors, showcase a young, relatively shy player focused on his on-field performance. The language used was often modest, emphasizing hard work and team spirit. These interviews provide a valuable baseline for understanding his personality and ambitions before his significant breakthrough.

As he progressed to Brighton & Hove Albion and subsequently became a key figure in the Argentinian national team, the nature of the Alexis Mac Allister interviews shifted. He became more comfortable in the spotlight, displaying a greater confidence and willingness to discuss broader topics beyond football. Interviews after the World Cup victory in Qatar, in particular, reflect this transformation. His answers were more articulate, demonstrating a deeper self-awareness and a capacity for insightful reflection on his achievements and the impact of his success on his family and community.

The tone and subject matter of the interviews also reflect different stages of his career. Early interviews often focused on his tactical role within the team and his individual ambitions. Later Alexis Mac Allister interviews delve into his leadership qualities, his role as a mentor to younger players, and his social responsibilities as a high-profile athlete. The analysis of these shifts provides crucial insights into his personal and professional growth.

Key Themes Emerging from Alexis Mac Allister Interviews

Several key themes consistently emerge across various Alexis Mac Allister interviews:

Family Values: A recurring motif is the profound influence of his family, particularly his father Carlos, a former footballer. Mac Allister frequently expresses gratitude for their unwavering support and guidance throughout his career. This emphasis underscores the importance of family within his identity and success.

Humility and Hard Work: Despite his remarkable achievements, Mac Allister consistently downplays his individual brilliance, emphasizing the collective effort of his teammates and coaches. This humility, coupled with his dedication to hard work, is repeatedly highlighted across interviews.

Loyalty and Gratitude: He exhibits a strong sense of loyalty to his former clubs, Argentinos Juniors and Boca Juniors, expressing gratitude for the opportunities they provided. This loyalty extends to Brighton & Hove Albion, where he consistently praises the club's culture and the support he received.

National Pride: His interviews reveal a deep sense of national pride and patriotism. His contributions to the Argentinian national team and his emotions surrounding the World Cup victory are often discussed with passion and heartfelt emotion.

Current Relevance of Alexis Mac Allister Interviews

The current relevance of Alexis Mac Allister interviews extends beyond mere biographical details. They offer a valuable case study for understanding:

Player Development: His journey provides insights into the factors contributing to successful player development, from youth academies to the challenges of adapting to different leagues and playing styles.

Social Mobility in Football: Mac Allister's story illustrates how talent and hard work can transcend socio-economic barriers within the competitive world of professional football.

Media and Public Perception: Analyzing the evolution of his media image highlights the complexities of building a public persona in professional sports and navigating the challenges of media attention.

Leadership and Mentorship: His leadership qualities and mentoring roles within both club and national teams offer valuable lessons for aspiring footballers and coaches alike.

Conclusion

Analyzing the available Alexis Mac Allister interviews provides a rich tapestry of insights into the life and career of this exceptional footballer. From his humble beginnings to his World Cup triumph, his public statements reveal a humble, hardworking individual driven by family values and a deep passion for the game. His journey serves as a testament to the power of dedication, resilience, and the importance of supportive relationships in achieving sporting excellence. The interviews, taken collectively, offer a valuable lens through which to study player development, the impact of socio-economic factors in football, and the complexities of navigating the public sphere as a high-profile athlete.

FAQs

1. What is Alexis Mac Allister's playing style? He is known for his technical ability, passing range, and tireless work rate in midfield. He combines creativity with defensive solidity.

1. What are his biggest achievements? Winning the World Cup with Argentina is his greatest achievement, but he also had notable success with Brighton & Hove Albion and played a significant role in Argentina's Copa America victory.
1. Where did Alexis Mac Allister start his career? He began his professional career at Argentinos Juniors in Argentina.
1. What are his transfer rumors currently? This is constantly evolving; it's best to consult recent sports news for the most up-to-date information on transfer speculation surrounding Mac Allister.
1. What is his relationship with his family like? He speaks very highly of his family, especially his father, emphasizing their crucial role in his development and success.
1. How does he handle media pressure? He appears to handle media pressure with grace and maturity, often remaining focused on football and avoiding controversial statements.
1. What is his preferred position on the pitch? He primarily plays as a central midfielder, but he can also operate in more advanced roles.
1. What are his strengths and weaknesses as a player? Strengths include his passing, vision, and work rate; weaknesses could include physicality in certain matchups.
1. What are his future aspirations? He is likely focused on continuing to perform at a high level with his club and national team, possibly aiming for more significant titles and accolades.

alexis mac allister interview: The Football Ramble Marcus Speller, Luke Moore, Pete Donaldson, Jim Campbell, The Football Ramble Limited, 2016-10-20 Downloaded over ten million times a year the Football Ramble podcast has established itself as the essential, independent voice of football punditry. The weekly podcast has resonated with supporters around the world and their sold-out live shows have been a massive hit. This book is a collaboration from all four presenters and will tackle the real issues from fans you won't see or hear on Sky Sports, or anywhere else for that matter. From the weird and wonderful, from the Alan Pardew to the Kevin Keegan, the Ramble has it covered. Putting all aspects of the game under the microscope, this book is a timely reminder of why we just can't take our minds off football.

alexis mac allister interview: *Men in White Suits* Simon Hughes, 2016-03-10 In *Men in White Suits*, Simon Hughes meets some of the most colourful characters to have played for Liverpool Football Club during the 1990s. The resulting interviews, set against the historical backdrop of both the club and the city, deliver a rich portrait of life at Anfield during a decade when on-field frustrations were symptomatic of off-the-field mismanagement and ill-discipline. After the shock resignation of Dalglish and Graeme Souness's ill-fated reign, the Reds - under the stewardship of Roy Evans - displayed a breathtaking style led by a supremely talented young group of British players whose names featured as regularly on the front pages of the tabloids as they did on the back. The Daily Mail was the first newspaper to tag Evans's team as the Spice Boys. Yet despite their flaws, this was a rare group of individuals: mavericks, playboys, goal-scorers and luckless defenders. Wearing off-white Armani suits, their confident personalities were exemplified in their pre-match walk around Wembley before the 1996 FA Cup final (a 1-0 defeat to Manchester United). In stark contrast to the media-coached, on-message interviews given by today's top stars, the blunt, ribald and sometimes cutting recollections of the footballers featured in *Men in White Suits* provide a rare insight into this fascinating era in Liverpool's long and illustrious history.

alexis mac allister interview: The Armies of the Streets Adrian Cook, 2014-07-15 In July 1863 New York City experienced widespread rioting unparalleled in the history of the nation. Here for the first time is a scholarly analysis of the Draft Riots, dealing with motives and with the reasons for the recurring civil disorders in nineteenth-century New York: the appalling living conditions, the corruption of the civic government, and the geographical and economic factors that led up to the social upheaval.

alexis mac allister interview: *Beyond Memory* Max Mojapelo, 2008 South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when.

This is true of all music-making in this country, though it is most striking in the musics of the black communities. *Beyond Memory: Recording the History, Moments and Memories of South African Music* is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.

alexis mac allister interview: *You'll Never Walk* Andy Grant, 2018-05-24 When Andy Grant's eyes blinked open from a 10-day coma in February 2009 he was alone in a hospital bed in Birmingham. He had a broken sternum, a broken leg, a broken elbow and shrapnel lodged in both forearms. He had a severed femoral artery, nerve damage to his hands and feet as well as deep gaping wounds in both of his cheeks. He had been blown up during a routine foot patrol in Afghanistan. Within days of coming to his senses, a doctor told Andy that because of the blast he would no longer be able to have children. *You'll Never Walk* is his story. The tale of a Scouser who had to cope with losing his mum at the tender age of 12. The story of how a dream career in the Royal Marines descended into nightmare at the hands of the Taliban. The painstaking account of how he grew back six centimetres of shattered bone in his leg and learned to walk again. However, Andy wanted to run and push himself to the very edge of his limits and so he made a colossal decision. Against doctor's advice and pleas from his father, he chose to have his leg amputated. The operation was a success, although there was a minor twist. Where once Andy's treasured Liverpool FC tattoo had carried the message 'You'll Never Walk Alone', surgery to create a stump removed a key word from the slogan. The scars of his amputation had been decorated with an ominous new motto, which read 'You'll Never Walk...' Andy would walk again - he would do much more than that. Armed with a running blade he learned to run and play football, scaled mountains in South America and Italy and claimed two gold medals at Prince Harry's Invictus Games. Through public speaking he brought hope to people right across the country. In 2016, he set his sights on a 10k below-the-knee-amputee world-record and completed the run in an unprecedented 37 minutes 17 seconds. And, most precious of all, after every obstacle placed in his path, Andy became a father to a little girl.

Martin, 2009-01-05 Offers a historical, multidisciplinary perspective on African political systems and institutions, ranging from Antiquity (Egypt, Kush and Axum) to the present with particular focus on their destruction through successive exogenous processes including the Atlantic slave trade, imperialism, colonialism and neo-colonialism or globalization.

alexis mac allister interview: *The Greatest Games* Jamie Carragher, 2020-11-12 'Essential reading for players, fans and coaches' - Steven Gerrard 'A cracking read' - Chris Evans 'I couldn't put it down' - Joey Barton What are the greatest games ever played? From Jurgen Klopp to Gary Neville, Xavi to David Beckham, Jamie Carragher speaks with teammates, rivals, managers and legends of the sport to identify and analyse football's greatest encounters. As Carra and his contributors take you into the dressing rooms and out onto the pitches of the world's most celebrated stadiums, they relive some of the defining moments of their playing careers as well as many more from the greatest football matches ever played - from title deciders and cup finals to against-all-odds comebacks, tactical masterclasses and old school classics. Packed full of hilarious stories, exclusive anecdotes and refreshing appraisals, in *The Greatest Games* Jamie Carragher takes you into the heart of these matches, revealing new insights into the teams, players and coaches that have shaped football.

alexis mac allister interview: Bowl. Sleep. Repeat. Jimmy Anderson, 2019-06-03 Ever wondered what it's like playing Test Cricket? What really goes on tour and beyond the boundary rope? Here, for the first time, the world of a pro-cricketer is revealed, and the man pulling back the dressing room curtains is one of England's greatest ever cricketers: James 'Jimmy' Anderson. 565 Test Wickets and counting. Written with Felix White: musician, cricket enthusiast and Anderson's co-host on BBC Five Live's phenomenally popular podcast 'Tailenders', Jimmy invites us all into his world of cricket. Full of test-match sized stories and 20/20 anecdotes, this book contains everything you've dreamed of asking a top cricketer. And Jimmy provides the answers and insights into this world on and off the pitch. We tackle the big questions. And, importantly, the small ones; Do cricketers really watch Countdown instead of the Test whilst waiting to bat? What are those conversations in the slip cordon? And what does he eat as a tailender?

alexis mac allister interview: Indian Ink Tom Stoppard, 2017-12-05 From Tony Award-winning playwright Tom Stoppard, *Indian Ink* is a rich and moving portrait of intimate lives set against one of the great shafts of history—the emergence of the Indian subcontinent from the grip of Europe. The play follows free-spirited English poet Flora Crewe on her travels through India in the 1930s, where her intricate relationship with an Indian artist unfurls against the backdrop of a country seeking its independence. Fifty years later, in 1980s England, her younger sister Eleanor attempts to preserve the legacy of Flora's controversial career, while Flora's would-be biographer is following a cold trail in India. Fresh from the critically acclaimed off-Broadway performance in 2014, *Indian Ink* is reemerging as an important part of Stoppard's oeuvre and the global dramatic canon, a fascinating, time-hopping masterwork.

alexis mac allister interview: College Fight Songs William E Studwell, Bruce R Schueneman, 2013-03-07 Go, team, go! Rah, rah, rah! Boomalacka, boomalacka! Sis-boom-bah! Get your pennants and varsity colors and head for the stadium because College Fight Songs will make you an expert on the musical history of university athletic themes and anthems before the second-half kickoff. Here, in one anthology, you'll find a unique collection of musical and historical information that hasn't

been compiled and updated since the days of Knute Rockne and the Galloping Ghost. This smart and spirited collection will give you plenty to rise and shout about, bringing together the complete lyrics, brief historical annotations, and musical scores for the songs of over 100 of the country's most recognized colleges and universities. If you're a researcher, librarian, musical enthusiast, band leader, musical historian, old-timer from way back when, or a young underclassmen interested in preserving a few cherished notes of your school's history, *College Fight Songs* is the book for you. You'll find plenty of hard-to-find facts about the songs and the people who inspired them, and you'll get specific information in these areas: complete musical scores of college fight songs full lyrics of college fight songs basic historical background concerning the songs and their institutions information regarding the song creators and the college nicknames So, swing on the Rambling Wreck from Georgia Tech, rally around the bonfire and give a holler for the Buckeyes, the Wildcats, the Sooners, the Boilermakers, and the Tigers! The Gipper, the Bear, and Johnny U await you in this fabulous compendium of nostalgia and musical scores. Even after a few pages, *College Fight Songs* will have you hailing your alma mater and jumping in the car to head for the hop.

alexis mac allister interview: *Beyond Pure Reason* B. Gasparov, 2013 Conducting an analysis of Saussure's intellectual heritage, this book links Saussurean notions of cognition, language, and history to early Romantic theories of cognition and the transmission of cultural memory. In particular, several fundamental categories of Saussure's philosophy of language, such as the differential nature of language, the mutability and immutability of semiotic values, and the duality of the signifier and the signified, are rooted in early Romantic theories of 'progressive' cognition and child cognitive development.

alexis mac allister interview: *How Football Saved My Life* Alan Stubbs, 2013-08-29 The day had gone badly: Celtic had just lost to their Old Firm rivals Rangers in the 1999 Scottish Cup final, and now Alan Stubbs had to provide a sample for a random drugs test. Little did he know, but it would help save his life... The results of the test showed he had testicular cancer, and suddenly, at the age of 27 and at the peak of fitness, he realised that he had the biggest battle of his life in front of him. In this compelling and moving memoir, Stubbs recalls his despair at the time and explains how, with the support of family, friends and fans as well as terrific doctors, he pulled through to resume his career at the top. And what a career it was. First he helped Bolton Wanderers climb up two divisions to reach the Premier League in 1995. The following season, he moved to Celtic for a record fee, helping them to break the stranglehold on the league title held by Rangers. After recovering from cancer, he moved to Everton, his hometown club, where he would spend most of the rest of his playing career, lining up alongside (among others) an ageing Paul Gascoigne and an emerging Wayne Rooney. A knee injury forced him to retire in 2008, but he is now on the coaching staff at Everton. A player who has seen the game at all levels, he has also had to contend with the most shocking challenges in life, which makes his story an unmissable read.

alexis mac allister interview: *The Red Apprentice* Jamie Jackson, 2020-10-29 When Ole Gunnar Solskjaer returned to Old Trafford as caretaker manager midway through the 2018-19 season, he breathed new life into a team that was drifting. In this new and definitive biography, Jamie Jackson investigates why he was the perfect man for the job to bring back the glory days. After the confusion under David Moyes, the stagnation of Louis van Gaal and the growing trauma under Jose Mourinho, Manchester United were a club increasingly struggling to challenge for major honours, something the fans had been accustomed to during the reign of Sir Alex Ferguson. So when Ole Gunnar Solskjaer, a match-winning hero of the Reds' great Treble-winning side returned to Old Trafford on 19 December 2018 as caretaker manager, he was welcomed with open arms. Here was a man who understood what it was that the fans demanded, and he had a plan to give it to them. They went on a record-breaking run of victories that secured him the position on a permanent basis, before old frailties re-emerged, showing the scale of the job he had always dreamed of taking on. During the summer transfer window, he began a dramatic reshaping of the team's personnel to set them up for the 2019-20 season. *The Red Apprentice*, Jamie Jackson's fascinating biography of Solskjaer, takes the reader back to the Norwegian's early days to discover the making of the man,

relives the highlights of a stunning playing career - and that Champions League-clinching goal in 1999 - and explains why he is the natural choice for United in the future.

alexis mac allister interview: *The Birds of Ireland* Jim Wilson, Mark Carmody, 2013-09-04 An important tool of a birdwatcher is a good identification guide. Most cover the birds of Europe and few deal exclusively with Ireland. This first photographic identification guide to the birds of Ireland has over 1,600 photos of more than 260 species, in an easy, quick-reference format. With eight to fifteen images per species, the key identification features of each bird are shown, with concise descriptions and pointers to indicate important features. This guide is produced in association with BirdWatch Ireland, Ireland's leading bird-conservation organisation. The purchase of this guide contributes funds to BirdWatch Ireland's conservation and education initiatives to help protect and promote Ireland's wild birds and habitats. similar to: Ireland's Garden Birds by Jim Wilson and Oran O'Sullivan.

alexis mac allister interview: *CMJ New Music Report* , 2000-04-03 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

alexis mac allister interview: *The African State* Abdi Ismail Samatar, Ahmed Ismail Samatar, 2002 The African state is more essential than ever for the sustainability of the long march towards political, economic, and cultural development. This volume captures the diversity of African states and leadership by examining eight states from northern, western, eastern, and southern Africa. Contributing African scholars transcend current thinking on the nature of the state and its role in transforming the fortunes of the continent. They establish a conceptual framework that allows for a complex but concrete and integrated analysis of the African state. Leader, regime, administration, and commonwealth provide the four key factors for identification of state types in Africa. Different combinations of these factors produce various types of states ranging from Botswana's relatively integral political system to the cadaverous Somali state. States examined in this collection include: Botswana Ethiopia Ghana Libya Nigeria South Africa Sudan All of the book's contributors have done substantial scholarly works on their respective countries. Their essays provide practical means of assessing reform programs intended to enhance state effectiveness. This book will be of great value not only to scholars, but also to policy makers and others concerned with the construction of a positive future for the African continent.

alexis mac allister interview: *Mind Games: The Ups and Downs of Life and Football* Neville Southall, 2020-09-17 In this unique book, one of football's greatest cult players reflects on the travails of the sport and draws upon his own experience to offer an honest assessment on one of its final remaining taboos: mental health.

alexis mac allister interview: *Poet of Revolution* Nicholas McDowell, 2022-10-25 A groundbreaking biography of Milton's formative years that provides a new account of the poet's political radicalization John Milton (1608-1674) has a unique claim on literary and intellectual history as the author of both *Paradise Lost*, the greatest narrative poem in English, and prose defences of the execution of Charles I that influenced the French and American revolutions. Tracing Milton's literary, intellectual, and political development with unprecedented depth and understanding, *Poet of Revolution* is an unmatched biographical account of the formation of the mind that would go on to create *Paradise Lost*—but would first justify the killing of a king. Biographers of Milton have always struggled to explain how the young poet became a notorious defender of regicide and other radical ideas such as freedom of the press, religious toleration, and republicanism. In this groundbreaking intellectual biography of Milton's formative years, Nicholas McDowell draws on recent archival discoveries to reconcile at last the poet and polemicist. He charts Milton's development from his earliest days as a London schoolboy, through his university life and travels in Italy, to his emergence as a public writer during the English Civil War. At the same time, McDowell presents fresh, richly contextual readings of Milton's best-known works from this period, including the "Nativity Ode," "L'Allegro" and "Il Penseroso," *Comus*, and "Lycidas."

Challenging biographers who claim that Milton was always a secret radical, *Poet of Revolution* shows how the events that provoked civil war in England combined with Milton's astonishing programme of self-education to instil the beliefs that would shape not only his political prose but also his later epic masterpiece.

alexis mac allister interview: *Everything Is Combustible* Richard Lloyd, 2019-02-14

alexis mac allister interview: *Undisputed Truth* Mike Tyson, 2014-10-28 Be sure to check out *IRON AMBITION: My Life with Cus D'Amato* by Mike Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted "to everything" fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original.

alexis mac allister interview: *A Good Life* Ben Bradlee, Benjamin C. Bradlee, Bob Woodward, Carl Bernstein, Sally Quinn, 2017-11-21 In this witty, candid memoir, Ben Bradlee, the most important, glamorous, and famous newspaperman of modern times, traces his path from Harvard to the battles of the Pacific war to the pinnacle of success as the editor of *The Washington Post*—during the Watergate scandal and every other important event of the last three decades. of photos.

alexis mac allister interview: *"We are the Mods"* Christine Jacqueline Feldman, 2009 Drawing on archival research, oral history interviews, and participant observation, this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time, from the early 1960s to the present. The book traces the Mod youth culture from its genesis in the dimly lit clubs of London's Soho, where it began as a way for young people to reconfigure modernity after the chaos of World War II, to its contemporary, country-specific expressions. By examining Mod culture in the United States, Germany, and Japan alongside the United Kingdom, *We Are the Mods* contrasts the postwar development of Mod in those countries that lost the war with those that won. The book illuminates the culture's fashion, music, iconography, and gender aesthetics, to create a compelling portrait of a transnational subculture. --Book Jacket.

alexis mac allister interview: *Making It Big In The Movies* Richard Kiel, 2010-08-01

alexis mac allister interview: *A Golfer's Travels with Peter Alliss* Peter Alliss, James Mossop, 1997 *A Golfer's Travels with Peter Alliss* takes us on a spectacular tour around the world. From the wilds of Northern Scotland through the arid deserts of Arizona to the mountains of South Africa and beyond, Alliss invites world-famous celebrities to join him on courses set in exotic locations. HRH The Duke of York partners him at Royal Dornoch, actor Gene Hackman takes his clubs to New Mexico and former President F W de Klerk demonstrates his competitiveness in South Africa. The American rock band Hootie and the Blowfish swing through Hawaii and Dame Kiri te Kanawa puts down her clubs to help deliver the post on the little Loch Lomond mail boat. The book also takes us beyond the game itself and its great courses as Peter Alliss and James Mossop interview and observe their guests, and the celebrities reveal a rarely seen side of themselves, often with passion and humour. Politics, culture and history are frequently interwoven, with the Duke of York talking at length about his fascination with the ancient game and former astronaut Admiral Alan Shepard giving a colourful account of that moment when he stood on the moon and looked back at planet Earth.

alexis mac allister interview: *Montreal* Kristian Gravenor, 2017-10-23 Montrealers have come and gone like snowflakes floating down onto Mount Royal, then melting and flowing into the mighty St. Lawrence. Those countless lives are only sometimes recalled by headstones and fancy-dress photos inadequately noting lifetimes full of passions, dreams and appetites. This book

aims to get to know those forgotten Montrealers by flipping the rock up on where they ate, slept, danced and created some crazy messes. The Paris of North America, The Queen of River Cities, Vegas with Icicles, The City with 100 Steeples, Sin City and The City of Saints: Montreal has been all of those things and has uneasily withstood the chaos involved in reconciling its contradictory tendencies and competing ambitions. This book is a time machine that transports you to wonderlands of the past. These words aim to slam you like a John Kordic uppercut and bring you on a runaway bus ride down the bald face of Mount Royal.
