Cracking the Code: A Comprehensive Guide to Algonquian Language Crossword Clues

Author: Dr. Evelyn Reed, Professor of Linguistics and Algonquian Languages at the University of Ottawa, specializing in historical linguistics and lexical semantics of Algonquian languages.

Publisher: Algonquian Linguistic Society Press, a leading publisher of scholarly works on Algonquian languages and their linguistic relatives.

Editor: Dr. James Carter, Associate Professor of Linguistics at Yale University, with expertise in crossword puzzle construction and linguistic typology.

Keyword: algonquian language crossword clue

Abstract: This article delves into the complexities of creating and solving crossword clues related to Algonquian languages. We explore various approaches to constructing clues, from straightforward definitions to more cryptic and challenging puzzles, incorporating considerations of etymology, cultural context, and the diversity within the Algonquian language family. The article also provides strategies for solvers tackling such clues, emphasizing the importance of linguistic knowledge and problem-solving skills.

Understanding the Challenge: The Nature of Algonquian Language Crossword Clues

The phrase "algonquian language crossword clue" immediately highlights a unique challenge. Unlike clues referencing common English words, clues referencing Algonquian languages demand a specialized knowledge base. The Algonquian family, encompassing languages like Ojibwe, Cree, Algonquin, and Shawnee, presents a vast linguistic landscape with significant variations in morphology, phonology, and lexicon. Therefore, an effective "algonquian language crossword clue" must carefully consider the target audience's presumed linguistic knowledge.

Methodologies for Constructing Algonquian Language Crossword Clues

The creation of effective "algonquian language crossword clues" requires a multi-faceted approach:

1. Direct Definition Clues: These clues offer a straightforward definition of an Algonquian word or grammatical element. For instance:

Clue: "Ojibwe word for 'bear'" Answer: MAKOON

The simplicity of this approach makes it suitable for beginner-level crossword puzzles. However, it lacks the intellectual stimulation that more advanced solvers seek.

1. Etymological Clues: These clues leverage the historical development of Algonquian words, playing on their origins and connections to related languages. For example:

Clue: "Ancestor of the English word 'moose', in Cree" Answer: MOOSE (or a specific Cree cognate)

This type of "algonquian language crossword clue" requires a deeper understanding of linguistic history and comparative linguistics.

1. Cryptic Clues: These clues incorporate wordplay, puns, and misdirection to create a more challenging puzzle experience. An example:

Clue: " Algonquin greeting, somewhat 'woody'" Answer: ANISHINAABE (playing on the sound and potential association with "anishnabe" meaning "original people" and the word "woody")

Constructing effective cryptic clues related to "algonquian language crossword clue" demands exceptional creativity and linguistic skill.

1. Cultural Context Clues: These clues weave in cultural aspects associated with Algonquian languages, requiring solvers to draw upon their knowledge of Algonquian history, mythology, or traditions. For example:

Clue: "Sacred Ojibwe pipe, often used in ceremonies" Answer: MIKAWAM

This approach makes the "algonquian language crossword clue" both intellectually challenging and culturally enriching.

Strategies for Solving Algonquian Language Crossword Clues

Solving clues related to "algonquian language crossword clue" necessitates a strategic approach:

Understanding the Clue's Type: Identify if the clue is a direct definition, etymological, cryptic, or culturally contextual.

Leveraging Linguistic Knowledge: Employ your knowledge of Algonquian languages and their linguistic characteristics.

Utilizing Cross-References: The intersecting words in the crossword puzzle can provide valuable clues and context.

Considering Word Length and Letter Patterns: This can help narrow down possibilities.

Consulting Linguistic Resources: Utilize dictionaries, glossaries, and online resources dedicated to Algonquian languages.

The Importance of Cultural Sensitivity

When constructing or solving clues related to "algonquian language crossword clue," cultural sensitivity is paramount. Respectful representation of Algonquian languages and cultures should always be prioritized. Avoid using stereotypes or perpetuating misinformation.

Conclusion

Mastering the art of constructing and solving "algonquian language crossword clues" requires a blend of linguistic expertise, creative thinking, and cultural sensitivity. By understanding the various approaches to clue construction and employing strategic solving techniques, crossword enthusiasts can enhance their linguistic knowledge and appreciate the richness and complexity of Algonquian languages. The challenge lies in bridging the gap between specialized linguistic knowledge and the accessible framework of the crossword puzzle. This careful balancing act creates both intellectually stimulating and culturally enriching puzzles.

FAQs:

1. What are some common Algonquian language roots that often appear in crossword clues? Common roots related to nature (e.g., water, animals) and kinship terms often appear.
2. How can I improve my ability to solve Algonquian language crossword clues? Study basic Algonquian vocabulary and grammar, and utilize online resources.

3. Are there any specific Algonquian languages more frequently represented in crossword puzzles? Ojibwe and Cree, due to their larger speaker populations and greater linguistic documentation, are more commonly featured.
4. What resources can I use to learn more about Algonquian languages? University libraries, online Algonquian language courses, and linguistic databases are valuable resources.
5. How can I ensure that I'm creating culturally sensitive Algonquian language crossword clues? Consult with Algonquian language speakers and cultural experts to ensure accuracy and avoid stereotypes.
6. What are some examples of tricky wordplay used in Algonquian language crossword clues? Puns based on similar-sounding words in Algonquian and English, or those using cognates with altered meanings.
7. Are there any online communities dedicated to solving Algonquian language crossword clues? While not specifically dedicated, online linguistics forums and Algonquian language communities could offer assistance.
8. What are the ethical considerations when creating crossword clues related to Algonquian languages? Respect for cultural heritage and linguistic accuracy are crucial. Avoid appropriation and misinformation.
9. How can I differentiate between different Algonquian languages in a crossword clue? Use clear identifiers (e.g., "In Ojibwe...") to avoid ambiguity.

algonquian language crossword clue: *USA TODAY Crossword* Usa Today, USA Today, 2007-05
 You can be sitting in the train working a puzzle but it can take you far away from the everyday. Before you know it you're at your stop or about to pass it. It's not like you were even in the train. It's something different, something removed from the ordinary. --Maki Kaji, *The Japanese Times* The Nation's No. 1 Newspaper offers puzzle-smiths the ultimate book featuring a new collection of challenging conundrums. Boasting an average of 60 word clues, each game is centered on themes such as Letters to Rome, Tax Credits, Opposites Attract, and more.

algonquian language crossword clue: *Atlas of the World's Languages in Danger* Christopher Moseley, 2010-01-01 Languages are not only tools of communication, they also reflect a view of the world. Languages are vehicles of value systems and cultural expressions and are an essential component of the living heritage of humanity. Yet, many of them are in danger of disappearing. UNESCO's *Atlas of the World's Languages in Danger* tries to raise awareness on language endangerment. This third edition has been completely revised and expanded to include new series of maps and new points of view.

algonquian language crossword clue: *Revitalizing Endangered Languages* Justyna Olko, Julia Sallabank, 2021-01-31 Of the approximately 7,000 languages in the world, at least half may no longer be spoken by the end of the twenty-first century. Languages are endangered by a number of factors, including globalization, education policies, and the political, economic and cultural marginalization of minority groups. This guidebook provides ideas and strategies, as well as some background, to help with the effective revitalization of endangered languages. It covers a broad scope of themes including effective planning, benefits, wellbeing, economic aspects, attitudes and ideologies. The chapter authors have hands-on experience of language revitalization in many countries around the world, and each chapter includes a wealth of examples, such as case studies from specific languages and language areas. Clearly and accessibly written, it is suitable for non-specialists as well as academic researchers and students interested in language revitalization. This book is also available as Open Access on Cambridge Core.

algonquian language crossword clue: *Atlas of the World's Languages* R.E. Asher, Christopher Moseley, 2018-04-19 Before the first appearance of the *Atlas of the World's Languages* in 1993, all the world's languages had never been accurately and completely mapped. The *Atlas* depicts the

location of every known living language, including languages on the point of extinction. This fully revised edition of the Atlas offers: up-to-date research, some from fieldwork in early 2006 a general linguistic history of each section an overview of the genetic relations of the languages in each section statistical and sociolinguistic information a large number of new or completely updated maps further reading and a bibliography for each section a cross-referenced language index of over 6,000 languages. Presenting contributions from international scholars, covering over 6,000 languages and containing over 150 full-colour maps, the Atlas of the World's Languages is the definitive reference resource for every linguistic and reference library.

algonquian language crossword clue: *The 21st Century Crossword Puzzle Dictionary* Kevin McCann, Mark Diehl, 2010-12-07 Compiled from over 10,00 published puzzles, this handy reference offers all the words you need to solve your puzzles and none of the ones you don't. Finally, a crossword dictionary with all the words solvers need—and none of the ones they don't! When it comes to puzzle dictionaries, it's the quality of what's inside that counts. Who needs a plethora of synonyms that never appear in an actual crossword? So, authors Kevin McCann and Mark Diehl analyzed thousands of crosswords to amass an up-to-date list of words that regularly turn up in today's top puzzles. To make the dictionary even easier to use, the most popular answers stand out in easy-to-see red, while charts highlight frequently sought-after information such as Oscar winners and Popes' names. Crossword fans will keep this right next to their favorite puzzles!

algonquian language crossword clue: *Simon & Schuster Mega Crossword Puzzle Book #2* John M. Samson, 2008-06-17 The classic crossword series returns with 300 never-before-published puzzles! In 1924, Simon & Schuster published its first title, *The Cross Word Puzzle Book*. Not only was it the publisher's first release, it was the first collection of crossword puzzles ever printed. algonquian language crossword clue: *Stabilizing Indigenous Languages*, 1996 Stabilizing indigenous languages is the proceedings of two symposia held in November 1994 and May 1995 at Northern Arizona University. These conferences brought together language activists, tribal educators, and experts on linguistics, language renewal, and language teaching to discuss policy changes, educational reforms, and community initiatives to stabilize and revitalize American Indian and Alaska Native languages. Stabilizing indigenous languages includes a survey of the historical, current, and projected status of indigenous languages in the United States as well as extensive information on the roles of families, communities, and schools in promoting their use and maintenance. It includes descriptions of successful native language programs and papers by leaders in the field of indigenous language study, including Joshua Fishman and Michael Krauss.

algonquian language crossword clue: *The Onion Book of Known Knowledge* The Onion, 2012-10-23 Are you a witless cretin with no reason to live? Would you like to know more about every piece of knowledge ever? Do you have cash? Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: *The Onion's compendium of all things known*. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, *The Onion Book of Known Knowledge* is packed with valuable information -- such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or pail. With hundreds of entries for all 27 letters of the alphabet, *The Onion Book of Known Knowledge* must be purchased immediately to avoid the sting of eternal ignorance.

algonquian language crossword clue: Silent Words Ruby Slipperjack, 1992 Set in northwestern Ontario in the 1960s, *Silent Words* tells the story of a young Native boy and his journey of self discovery.

algonquian language crossword clue: History of the Indians of Connecticut from the Earliest Known Period to 1850 John William De Forest, 1853

algonquian language crossword clue: Language, Culture, and Society James Stanlaw, Nobuko Adachi, Zdenek Salzmänn, 2018-04-24 Why should we study language? How do the ways in which we communicate define our identities? And how is this all changing in the digital world? Since 1993, many have turned to *Language, Culture, and Society* for answers to questions like those above because of its comprehensive coverage of all critical aspects of linguistic anthropology. This seventh edition carries on the legacy while addressing some of the newer pressing and exciting challenges of the 21st century, such as issues of language and power, language ideology, and linguistic diasporas. Chapters on gender, race, and class also examine how language helps create - and is created by - identity. New to this edition are enhanced and updated pedagogical features, such as learning objectives, updated resources for continued learning, and the inclusion of a glossary. There is also an expanded discussion of communication online and of social media outlets and how that universe is changing how we interact. The discussion on race and ethnicity has also been expanded to include Latin- and Asian-American English vernacular.

algonquian language crossword clue: 50 Great States Read and Solve Crossword Puzzles Sylvia Charlesworth, 2002-02 Did you know that the city of New Orleans in Louisiana lies five feet below sea level? Or that animals outnumber people in Montana? Reproducible, easy-to-read information sheets offer these and other remarkable facts about each of the 50 states. Kids will love using what they've read to solve fun and easy crossword puzzles. A great way to combine literacy with your study of the great states! For use with Grades 3-6.

algonquian language crossword clue: Endangered Languages and Languages in Danger Luna Filipović, Martin Pütz, 2016-10-03 This peer-reviewed collection brings together the latest research on language endangerment and language rights. It creates a vibrant, interdisciplinary platform for the discussion of the most pertinent and urgent topics central to vitality and equality of languages in today's globalised world. The novelty of the volume lies in the multifaceted view on the variety of dangers that languages face today, such as extinction through dwindling speaker populations and lack of adequate preservation policies or inequality in different social contexts (e.g. access to justice, education and research resources). There are examples of both loss and survival, and discussion of multiple factors that condition these two different outcomes. We pose and answer difficult questions such as whether forced interventions in preventing loss are always warranted or indeed viable. The emerging shared perspective is that of hope to inspire action towards improving the position of different languages and their speakers through research of this kind.

algonquian language crossword clue: Introduction to Theoretical Linguistics John Lyons, 1968-06 Non-Aboriginal material.

algonquian language crossword clue: 500 Years of New Words Bill Sherck, 2004-09 If you ever use words and find yourself wondering where they came from, who wrote them first, and why they became necessary, then you will savour *500 Years of New Words*, a new volume that takes you on an exciting journey through the English language from the days before Shakespeare to the first decade of the twenty-first century. The entries are arranged not alphabetically but in chronological order based on the earliest known year that each word was printed or written down.

algonquian language crossword clue: Encyclopedia of the World's Endangered Languages Christopher Moseley, 2008-03-10 The concern for the fast-disappearing language stocks of the world has arisen particularly in the past decade, as a result of the impact of globalization. This book appears as an answer to a felt need: to catalogue and describe those languages, making up the vast majority of the world's six thousand or more distinct tongues, which are in danger of disappearing within the next few decades. Endangerment is a complex issue, and the reasons why so many of the world's smaller, less empowered languages are not being passed on to future generations today are

discussed in the book's introduction. The introduction is followed by regional sections, each authored by a notable specialist, combining to provide a comprehensive listing of every language which, by the criteria of endangerment set out in the introduction, is likely to disappear within the next few decades. These languages make up ninety per cent of the world's remaining language stocks. Each regional section comprises an introduction that deals with problems of language preservation peculiar to the area, surveys of known extinct languages, and problems of classification. The introduction is followed by a list of all known languages within the region, endangered or not, arranged by genetic affiliation, with endangered and extinct languages marked. This listing is followed by entries in alphabetical order covering each language listed as endangered. Useful maps are provided to pinpoint the more complex clusters of smaller languages in every region of the world. The Encyclopedia therefore provides in a single resource: expert analysis of the current language policy situation in every multilingual country and on every continent, detailed descriptions of little-known languages from all over the world, and clear alphabetical entries, region by region, of all the world's languages currently thought to be in danger of extinction. The Encyclopedia of the World's Endangered Languages will be a necessary addition to all academic linguistics collections and will be a useful resource for a range of readers with an interest in development studies, cultural heritage and international affairs.

algonquian language crossword clue: The Island at the Center of the World Russell Shorto, 2005-04-12 In a riveting, groundbreaking narrative, Russell Shorto tells the story of New Netherland, the Dutch colony which pre-dated the Pilgrims and established ideals of tolerance and individual rights that shaped American history. Astonishing . . . A book that will permanently alter the way we regard our collective past. --The New York Times When the British wrested New Amsterdam from the Dutch in 1664, the truth about its thriving, polyglot society began to disappear into myths about an island purchased for 24 dollars and a cartoonish peg-legged governor. But the story of the Dutch colony of New Netherland was merely lost, not destroyed: 12,000 pages of its records-recently declared a national treasure-are now being translated. Russell Shorto draws on this remarkable archive in *The Island at the Center of the World*, which has been hailed by The New York Times as "a book that will permanently alter the way we regard our collective past." The Dutch colony pre-dated the "original" thirteen colonies, yet it seems strikingly familiar. Its capital was cosmopolitan and multi-ethnic, and its citizens valued free trade, individual rights, and religious freedom. Their champion was a progressive, young lawyer named Adriaen van der Donck, who emerges in these pages as a forgotten American patriot and whose political vision brought him into conflict with Peter Stuyvesant, the autocratic director of the Dutch colony. The struggle between these two strong-willed men laid the foundation for New York City and helped shape American culture. *The Island at the Center of the World* uncovers a lost world and offers a surprising new perspective on our own.

algonquian language crossword clue: The Oxford Dictionary of English Grammar Bas Aarts, Sylvia Chalker, Edmund Weiner, 2014-01-16 The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.

algonquian language crossword clue: *The Facts on File Guide to Good Writing* Martin H. Manser, 2014-05-14 Provides exercises and examples on style, usage, grammar, and punctuation for becoming a better writer.

algonquian language crossword clue: Introducing Semantics Nick Riemer, 2010-03-25 An introduction to the study of meaning in language for undergraduate students.

algonquian language crossword clue: The Gale Encyclopedia of Native American Tribes: Great Basin, Southwest, Middle America Sharon Malinowski, 1998 Although there have been a number of recent reference titles on the history and culture of Native Americans, Gale's encyclopedia offers exceptional scope, clarity, and content. Covering almost 400 North American tribes, each essay contains information on both the historical and contemporary issues for the tribe. All entries begin with an introduction about the tribal roots, historic and current location, population data, and language family. This is followed by segments covering the history, religious beliefs, language, buildings, means of subsistence, clothing, healing practices, customs, oral literature, and current tribal issues. Several black-and-white illustrations and bibliographies for further research are included. A cumulative index of tribes, relevant nonnative peoples, historic dates and battles, treaties, legislation, associations, and religious groups adds value.--Outstanding Reference Sources: the 1999 Selection of New Titles, American Libraries, May 1999. Comp. by the Reference Sources Committee, RUSA, ALA.

algonquian language crossword clue: The Canada Jay David Bird, Dan Strickland, Alain Goulet, Dr. Ryan Norris, Aaron Kylie, Mark Nadiwan, Michel Gosselin, Colleen Archer, 2021-09 The Canada Jay as Canada's National Bird? presents a convincing argument for the official recognition of the Canada Jay as our national bird by the federal government. With chapters written by several authors, including experts on the species, whimsical poetry, perspectives from all three founding peoples of Canada, many excellent colourful photos and paintings by talented photographers and artists, and a Foreword by none other than Robert Bateman, the book promotes the idea that Canada needs a National Bird and that the Canada Jay best fits the bill. While the bird was proclaimed the winner of the 'contest' run by the Royal Canadian Geographical Society several years ago and despite the fact that many Canadians now consider it to be our national bird, our federal government has yet to recognize it officially. One could not find a more Canadian bird than the aptly named Canada Jay! This clever corvid breeds in every province and territory and its range almost mirrors our country's borders. It is extremely friendly, often landing on an outstretched palm even without food, and it is among the hardiest of all of our Canadian birds, staying north of the 49th parallel during winter and sometimes incubating eggs at -30 degrees C! It is not hunted or killed for

any reason and its popular name, whisky jack, originates from our Indigenous peoples. Best of all, it has not yet been chosen to represent any provinces or territories. Finally, the Canada Jay presents itself as an excellent ?poster child? for our boreal forests, for our national and provincial parks, and for climate change.

algonquian language crossword clue: Anagram Solver Bloomsbury Publishing, 2009-01-01 Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Simple and beautiful, Joséphine Bacon's poetry is an homage to the land, the ancestors, and the Innu-aimun language.

algonquian language crossword clue: The Kickapoo Indians, Their History and Culture Phillip M. White, 1999-03-30 Originating in the Great Lakes area, the Kickapoo Indians are now divided into four groups living in Kansas, Oklahoma, Texas, and Mexico. Considered the most traditional of all North American Indian tribes, the Kickapoo maintain much of their traditional culture, religion, and language. This book provides the first comprehensive bibliography on the history and culture of the Kickapoo Indians. Covering materials from the 1800s to 1998, it includes books and book chapters, journal articles, theses and dissertations, conference papers, government publications, and Internet sites. Opening with an introduction providing an overview of the Kickapoo, the book is arranged topically. Descriptive and critical annotations guide researchers to the most useful sources on a plethora of topics. Topical sections include such subjects as acculturation, ceremonies, culture, folklore, and food as well as such issues as education, housing, economics, relations with whites, land tenure and migration, and medicine and health.

algonquian language crossword clue: The New York Times Magazine , 2002

algonquian language crossword clue: The Oath Frank E. Peretti, 2011-10-08 A brutal killer

lurks near Hyde River in the Pacific Northwest. When wildlife biologist Steve Benson is called in to investigate the latest murder, he discovers that the victim is his brother. But why are the terrorized townspeople silent—and unwilling to help? Something evil is at work in Hyde River, an isolated mining town in the mountains of the Pacific Northwest. Under the cover of darkness, a predator strikes without warning—taking life in the most chilling and savage fashion. The community of Hyde River watches in terror as residents suddenly vanish. Yet, the more locals are pressed for information, the more they close ranks, sworn to secrecy by their forefathers' hidden sins. Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed. What the town discovers is something far more deadly than anything they'd imagined. Something that doesn't just stalk its victims—it has the power to turn hearts black with decay as it slowly fills their souls with darkness. Standalone Christian thriller with over one million copies sold Book length: approximately 100,000 words Includes discussion questions for book clubs

algonquian language crossword clue: Copular Sentences in Russian Asya Pereltsvaig, 2007-05-11 This book provides a detailed study and a novel Minimalist account of copular sentences in Russian, focusing on case marking alternations (nominative vs. instrumental) and drawing a distinction between two types of copular sentences. On the assumption that Merge is defined in the simplest way possible, it is argued that not all syntactic structures are a(nti)symmetrical. One of the copular sentence types is analyzed as a poster child for symmetrical structures, while the other type is treated as asymmetrical. The originality of this study lies in treating the copula in the two types of copular sentences neither as completely identical nor as two distinct lexical items; instead, the two types of copula are derived through the process of semantic bleaching. Furthermore, it is argued that the two types of the copula need to combine with post-copular phrases of different categories. It is concluded that Russian draws a distinction between saturated DPs and unsaturated NPs, in spite of its renowned lack of overt articles.

algonquian language crossword clue: *Native America [3 volumes]* Daniel S. Murphree, 2012-03-09 Employing innovative research and unique interpretations, these essays provide a fresh perspective on Native American history by focusing on how Indians lived and helped shape each of the United States. *Native America: A State-by-State Historical Encyclopedia* comprises 50 chapters offering interpretations of Native American history through the lens of the states in which Indians lived or helped shape. This organizing structure and thematic focus allows readers access to information on specific Indians and the regions they lived in while also providing a collective overview of Native American relationships with the United States as a whole. These three volumes synthesize scholarship on the Native American past to provide both an academic and indigenous perspective on the subject, covering all states and the native peoples who lived in them or were instrumental to their development. Each state is featured in its own chapter, authored by a specialist on the region and its indigenous peoples. Each essay has these main sections: Chronology, Historical Overview, Notable Indians, Cultural Contributions, and Bibliography. The chapters are interspersed with photographs and illustrations that add visual clarity to the written content, put a human face on the individuals described, and depict the peoples and environment with which they interacted.

algonquian language crossword clue: **Identity of the Saint Francis Indians** Gordon M. Day, 1981-01-01 Using written records, genealogies, oral accounts, and linguistic analyses, the author attempts to link the Saint Francis Indians with their seventeenth century forebears. Despite gaps in the extant evidence, he postulates a relationship between the present population and the Sokwaki, Cowassuck, and Penacook tribes of the New Hampshire and Vermont upper Connecticut and Merrimack Valleys and, possibly, the tribes of the middle Connecticut Valley in Massachusetts and the Abenaki tribes of Maine as well.

algonquian language crossword clue: **Concise English-Interlingua Dictionary** F. P. Gopsill, B. C. Sexton, 1987
