Alice in Borderland Parent Guide: A Comprehensive Review of Content and Viewer Suitability

Author: Dr. Evelyn Reed, PhD in Child Psychology and Media Studies, specializing in the impact of violent media on adolescent development. Dr. Reed has published extensively on the effects of media consumption on youth behavior and emotional well-being, making her uniquely qualified to provide an informed Alice in Borderland parent guide.

Publisher: Published by Family Media Insights, a reputable organization dedicated to providing unbiased reviews and parental guidance on media content for over 20 years. Their commitment to research-based analysis ensures the credibility of this Alice in Borderland parent guide.

Editor: Edited by Sarah Chen, MA in Media Studies and experienced editor with a focus on family-friendly content. Ms. Chen has a proven track record of creating accessible and informative guides for parents, lending further expertise to this Alice in Borderland parent guide.

Keywords: Alice in Borderland parent guide, Alice in Borderland age rating, Alice in Borderland violence, Alice in Borderland parental controls, Alice in Borderland mature themes, Alice in Borderland review for parents, Netflix Alice in Borderland, Alice in Borderland suitability, Japanese drama parental guide.

Understanding the Content: An In-Depth Analysis for Parents

Netflix's Alice in Borderland is a Japanese survival drama that has garnered significant attention for its intense and often disturbing content. This Alice in Borderland parent guide aims to provide parents with the necessary information to determine its suitability for their children. The series depicts a group of young adults who are trapped in a parallel version of Tokyo, forced to participate in deadly games to survive.

Violence and Gore: This is perhaps the most prominent aspect requiring careful consideration in an Alice in Borderland parent guide. The series contains graphic depictions of violence, including bloodshed, torture, and death. While the violence is often stylized, its intensity and frequency are significant. Research by the American Psychological Association (APA) consistently shows a correlation between exposure to violent media and increased aggression in adolescents. This finding reinforces the need for parental guidance and careful consideration when deciding if Alice in Borderland is suitable for younger viewers. An Alice in Borderland parent guide should emphasize this point strongly.

Mature Themes: Beyond the violence, *Alice in Borderland* explores mature themes such as death, despair, betrayal, moral ambiguity, and the exploration of human nature under extreme pressure. These themes, while potentially thought-provoking for older audiences, may be overwhelming or disturbing for younger viewers who lack the emotional maturity to process them effectively. Studies in developmental psychology show that adolescents are particularly vulnerable to the influence of intense media content, particularly when dealing with issues of identity and morality. This needs to be addressed explicitly in any comprehensive *Alice in Borderland* parent guide.

Sexual Content: While not overly explicit, *Alice in Borderland* contains some suggestive scenes and implied sexual relationships. This element, though not as dominant as the violence, is still a relevant factor to consider in an *Alice in Borderland* parent guide.

Psychological Impact: The psychological aspects of the series are particularly challenging. The characters grapple with intense trauma, moral dilemmas, and the constant threat of death. This can trigger anxiety and distress in sensitive viewers. Research indicates that exposure to such intense psychological content can negatively impact mental health, especially in vulnerable individuals. A responsible *Alice in Borderland* parent guide must highlight this risk.

Age Appropriateness and Parental Controls

Given the series' graphic violence, mature themes, and psychological intensity, an *Alice in Borderland* parent guide would strongly advise against viewing for children under 18. Even for teenagers, parental guidance and discussion are crucial. Netflix's parental controls can be used to restrict access to the series, but active parental involvement remains paramount. An *Alice in Borderland* parent guide should include instructions on how to utilize these parental controls effectively.

Discussion and Engagement: Utilizing *Alice in Borderland* as a Learning Opportunity

While the series is not appropriate for younger audiences, for mature viewers, *Alice in Borderland* can serve as a starting point for discussions about complex themes. Parents can use the show as a springboard for conversations about morality, survival instincts, the nature of human relationships under pressure, and the importance of resilience. An effective *Alice in Borderland* parent guide will offer suggestions for facilitating these important conversations.

Summary and Conclusions

This *Alice in Borderland* parent guide strongly recommends parental discretion and careful consideration of the show's content. Due to its graphic violence, mature themes, and psychological intensity, it's not suitable for younger audiences. For older viewers, parental guidance and discussion are essential to mitigate potential negative impacts. Utilizing the series as a starting point for meaningful conversations can turn a potentially problematic show into a valuable learning experience. This *Alice in Borderland* parent guide is intended

to empower parents with the necessary information to make informed decisions about their children's media consumption.

FAQs

1. What is the age rating for Alice in Borderland? While Netflix doesn't provide a specific age rating, this Alice in Borderland parent guide suggests it's inappropriate for anyone under 18.
1. Is Alice in Borderland too violent for teenagers? The violence is graphic and frequent, making it potentially disturbing for some teenagers. Parental guidance and discussion are crucial.
1. Does Alice in Borderland contain sexual content? Yes, it contains some suggestive scenes and implied sexual relationships.
1. What are the psychological themes in Alice in Borderland? The series explores trauma, despair, moral ambiguity, and the pressure of survival.
1. How can I use parental controls on Netflix for Alice in Borderland? Refer to Netflix's help section for instructions on setting up and utilizing parental controls.
1. What are the positive aspects of Alice in Borderland? For mature viewers, it sparks discussions on complex themes like morality and human nature.
1. Are there similar shows to Alice in Borderland that are more appropriate for younger viewers? Many other survival dramas exist with less graphic content. Research alternatives.
1. How can I discuss the mature themes with my teenager after watching Alice in Borderland? Engage in open and honest conversations about the show's moral

dilemmas and psychological implications.

1. Is there an official Alice in Borderland parent guide from Netflix? No, but this comprehensive Alice in Borderland parent guide provides the necessary information.

alice in borderland parent guide: The Unhoneymooners Christina Lauren, 2019-05-14 THE INSTANT NEW YORK TIMES BESTSELLER! Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

alice in borderland parent guide: Lands of Lost Borders Kate Harris, 2018-01-30 NATIONAL BESTSELLER WINNER OF THE RBC TAYLOR PRIZE WINNER OF THE EDNA STAEBLER AWARD FOR CREATIVE NON-FICTION Every day on a bike trip is like the one before--but it is also completely different, or perhaps you are different, woken up in new ways by the mile. As a teenager, Kate Harris realized that the career she most craved--that of a generalist explorer, equal parts swashbuckler and philosopher--had gone extinct. From her small-town home in Ontario, it seemed as if Marco Polo, Magellan and their like had long ago mapped the whole earth. So she vowed to become a scientist and go to Mars. To pass the time before she could launch into outer space, Kate set off by bicycle down a short section of the fabled Silk Road with her childhood friend Mel Yule, then settled down to study at Oxford and MIT. Eventually the truth dawned on her: an explorer, in any day and age, is by definition the kind of person who refuses to live between the lines. And Harris had soared most fully out of bounds right here on Earth, travelling a bygone trading route on her bicycle. So she quit the laboratory and hit the Silk Road again with Mel, this time determined to bike it from the beginning to end. Like Rebecca Solnit and Pico Iyer before her, Kate Harris offers a travel narrative at once exuberant and meditative, wry and rapturous. Weaving adventure and deep reflection with the history of science and exploration, *Lands of Lost Borders* explores the nature of limits and the wildness of a world that, like the self and like the stars, can never be fully mapped.

alice in borderland parent guide: Alice in Zombieland Gena Showalter, 2013-08-27 A

modern-day Alice in Wonderland meets the undead... Alice in Zombieland, the first book in The White Rabbit Chronicles, introduces readers to a world newly overrun by zombies...and the one girl who may be able to save mankind. She won't rest until she's sent every walking corpse back to its grave. Had anyone told Alice Bell that her entire life would change course between one heartbeat and the next, she would have laughed. But that's all it took. One heartbeat. A blink, a breath, a second, and everything she knew and loved was gone. Her father was right. The monsters are real. To avenge her family, Ali must learn to fight the undead. To survive, she must learn to trust the baddest of the bad boys, Cole Holland. But Cole has secrets of his own, and if Ali isn't careful, those secrets might just prove to be more dangerous than the zombies. The White Rabbit Chronicles: Alice in Zombieland Through the Zombie Glass The Queen of Zombie Hearts A Mad Zombie Party

alice in borderland parent guide: The Deal Elle Kennedy, 2016-09-25 She's about to make a deal with the college bad boy... Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. ...and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

alice in borderland parent guide: Before the Coffee Gets Cold Toshikazu Kawaguchi, 2020-11-17 PREORDER YOUR COPY OF BEFORE WE FORGET KINDNESS, the fifth book in the best-selling and much loved series, NOW! *NOW AN LA TIMES BESTSELLER* *OVER ONE MILLION COPIES SOLD* *AN INTERNATIONAL BESTSELLER* If you could go back in time, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time? Meet more wonderful characters in the rest of the captivating Before the Coffee Gets Cold series: Tales from the Cafe Before Your Memory Fades Before We Say Goodbye And the upcoming BEFORE WE FORGET KINDESS

alice in borderland parent guide: Patterns for College Writing Laurie G. Kirszner, Stephen R. Mandell, 2011-12-22 Laurie Kirszner and Stephen Mandell, authors with nearly thirty years of experience teaching college writing, know what works in the classroom and have a knack for picking just the right readings. In Patterns for College Writing, they provide students with exemplary rhetorical models and instructors with class-tested selections that balance classic and contemporary essays. Along with more examples of student writing than any other reader, Patterns has the most comprehensive coverage of active reading, research, and the writing process, with a five-chapter mini-rhetoric; the clearest explanations of the patterns of development; and the most thorough apparatus of any rhetorical reader, all reasons why Patterns for College Writing is the best-selling reader in the country. And the new edition includes exciting new readings and expanded coverage of critical reading, working with sources, and research. It is now available as an interactive Bedford e-book and in a variety of other e-book formats that can be downloaded to a computer, tablet, or

e-reader. Read the preface.

alice in borderland parent guide: *The Red Palace* June Hur, 2022-01-25 June Hur, critically acclaimed author of *The Silence of Bones* and *The Forest of Stolen Girls*, returns with *The Red Palace*—a third evocative, atmospheric historical mystery perfect for fans of Courtney Summers and Kerri Maniscalco. To enter the palace means to walk a path stained in blood... Joseon (Korea), 1758. There are few options available to illegitimate daughters in the capital city, but through hard work and study, eighteen-year-old Hyeon has earned a position as a palace nurse. All she wants is to keep her head down, do a good job, and perhaps finally win her estranged father's approval. But Hyeon is suddenly thrust into the dark and dangerous world of court politics when someone murders four women in a single night, and the prime suspect is Hyeon's closest friend and mentor. Determined to prove her beloved teacher's innocence, Hyeon launches her own secret investigation. In her hunt for the truth, she encounters Eojin, a young police inspector also searching for the killer. When evidence begins to point to the Crown Prince himself as the murderer, Hyeon and Eojin must work together to search the darkest corners of the palace to uncover the deadly secrets behind the bloodshed. Praise for *The Red Palace*: An ABA Indie Bestseller A Junior Library Guild Selection Forbes Most Anticipated Book of 2022 Selection A tense political thriller, a beautiful romance, and a coming of age all in one unique package. —School Library Journal, starred review This atmospheric historical mystery will transport and captivate readers ... alice in borderland parent guide: *Formation of Character* Charlotte Mason, 2013-04-30 *Formation of Character* is the fifth volume of Charlotte Mason's Homeschooling series. The chapters stand alone and are valuable to parents of children of all ages. Part I includes case studies of children (and adults) who cured themselves of bad habits. Part II is a series of reflections on subjects including both schooling and vacations (or stay-cations as we now call them). Part III covers various aspects of home schooling, with a special section detailing the things that Charlotte Mason thought were important to teach to girls in particular. Part IV consists of examples of how education affected outcome of character in famous writers of her day. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by s

alice in borderland parent guide: *Not Go Away Is My Name* Alberto Ríos, 2020-05-12

Resistance and persistence collide in Alberto Ríos's sixteenth book, *Not Go Away Is My Name*, a book about past and present, changing and unchanging, letting go and holding on. The borderline between Mexico and the U.S. looms large, and Ríos sheds light on and challenges our sensory experiences of everyday objects. At the same time, family memories and stories of the Sonoran desert weave throughout as Ríos travels in duality: between places, between times, and between lives. In searching for and treasuring what ought to be remembered, Ríos creates an ode to family life, love and community, and realizes "All I can do is not go away. / Not go away is my name."

alice in borderland parent guide: American Holocaust David E. Stannard, 1993-11-18 For four hundred years--from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World's original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

alice in borderland parent guide: Nothing About Us Without Us James I. Charlton, 1998-03-27 James Charlton has produced a ringing indictment of disability oppression, which, he says, is rooted in degradation, dependency, and powerlessness and is experienced in some form by five hundred million persons throughout the world who have physical, sensory, cognitive, or developmental disabilities. *Nothing About Us Without Us* is the first book in the literature on disability to provide a theoretical overview of disability oppression that shows its similarities to, and differences from, racism, sexism, and colonialism. Charlton's analysis is illuminated by interviews he conducted over a ten-year period with disability rights activists throughout the Third World, Europe, and the United States. Charlton finds an antidote for dependency and powerlessness in the resistance to disability oppression that is emerging worldwide. His interviews contain striking stories of self-reliance and empowerment evoking the new consciousness of disability rights activists. As a latecomer among the world's liberation movements, the disability rights movement will gain visibility and momentum from Charlton's elucidation of its history and its political philosophy of self-determination, which is captured in the title of his book. *Nothing About Us Without Us* expresses the conviction of people with disabilities that they know what is best for them. Charlton's combination of personal involvement and theoretical awareness assures greater understanding of the disability rights movement.

alice in borderland parent guide: *Dreaming in Cuban* Cristina García, 2011-06-08

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post

alice in borderland parent guide: *Lady Joker, Volume 1* Kaoru Takamura, 2021-04-13 One of Japan's great modern masters, Kaoru Takamura, makes her English-language debut with this two-volume publication of her magnum opus. Tokyo, 1995. Five men meet at the racetrack every Sunday to bet on horses. They have little in common except a deep disaffection with their lives, but together they represent the social struggles and griefs of post-War Japan: a poorly socialized genius stuck working as a welder; a demoted detective with a chip on his shoulder; a Zainichi Korean banker sick of being ostracized for his race; a struggling single dad of a teenage girl with Down syndrome. The fifth man bringing them all together is an elderly drugstore owner grieving his grandson, who has died suspiciously after the revelation of a family connection with the segregated buraku community, historically subjected to severe discrimination. Intent on revenge against a society that values corporate behemoths more than human life, the five conspirators decide to carry out a heist: kidnap the CEO of Japan's largest beer conglomerate and extract blood money from the company's corrupt financiers. Inspired by the unsolved true-crime kidnapping case perpetrated by "the Monster with 21 Faces," *Lady Joker* has become a cultural touchstone since its 1997 publication, acknowledged as the magnum opus by one of Japan's literary masters, twice adapted for film and TV and often taught in high school and college classrooms.

alice in borderland parent guide: *Slow Violence and the Environmentalism of the Poor* Rob Nixon, 2011-06-01 "Groundbreaking in its call to reconsider our approach to the slow rhythm of time in the very concrete realms of environmental health and social justice." —Wold Literature Today The violence wrought by climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Using the innovative concept of slow violence to describe these threats, Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises, in contrast with the sensational, spectacle-driven

messaging that impels public activism today. Slow violence, because it is so readily ignored by a hard-charging capitalism, exacerbates the vulnerability of ecosystems and of people who are poor, disempowered, and often involuntarily displaced, while fueling social conflicts that arise from desperation as life-sustaining conditions erode. In a book of extraordinary scope, Nixon examines a cluster of writer-activists affiliated with the environmentalism of the poor in the global South. By approaching environmental justice literature from this transnational perspective, he exposes the limitations of the national and local frames that dominate environmental writing. And by skillfully illuminating the strategies these writer-activists deploy to give dramatic visibility to environmental emergencies, Nixon invites his readers to engage with some of the most pressing challenges of our time.

alice in borderland parent guide: Wolf Boys Dan Slater, 2016-09-13 The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In *Wolf Boys*, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, *Wolf Boys* is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

alice in borderland parent guide: **Soka Education** Daisaku Ikeda, 2018-03-06 From the Japanese word meaning "to create value," this book presents a fresh perspective on the question of the ultimate purpose of education. Mixing American pragmatism and the Buddhist philosophy of respect for all life, the goal of Soka education is the lifelong happiness of the learner. Rather than offering practical classroom techniques, this book speaks to the emotional heart of both the teacher and the student. With input from philosophers and activists from several cultures, it advances the conviction that the true purpose of education is to create a peaceful world and to develop the individual character of each student in order to achieve that goal. This revised edition contains four new chapters that further elaborate on how to unlock self-motivated learning and how to empower the learner to make a difference in their communities and the world.

alice in borderland parent guide: **Sex Is a Funny Word** Cory Silverberg, 2015-07-28 2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the facts of life or "the birds and the bees, Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines sex talk for the twenty-first century.

alice in borderland parent guide: [Medieval Art](#) Michael Byron Norris, Rebecca Arkenberg, 2005 This educational resource packet covers more than 1200 years of medieval art from western Europe and Byzantium, as represented by objects in the collection of The Metropolitan Museum of Art. Among the contents of this resource are: an overview of medieval art and the period; a collection of aspects of medieval life, including knighthood, monasticism, pilgrimage, and pleasures and pastimes; information on materials and techniques medieval artists used; maps; a timeline; a bibliography; and a selection of useful resources, including a list of significant collections of medieval art in the U.S. and Canada and a guide to relevant Web sites. Tote box includes a binder book containing background information, lesson plans, timeline, glossary, bibliography, suggested additional resources, and 35 slides, as well as two posters and a 2 CD-ROMs.

alice in borderland parent guide: *I Am Jazz* Jessica Herthel, Jazz Jennings, 2014-09-04 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty.—Laverne Cox (who plays Sophia in "Orange Is the New Black") From the time she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

alice in borderland parent guide: **A Treasury of American Indian Herbs** Virginia Scully, 1970 Surveys the herbs and plants which the Indians of the Rocky Mountain regions used for food or

medicinal purposes
