Editor: Sarah Miller, MA in Journalism and Media Studies. Sarah has extensive experience editing content for parents and families, ensuring clarity, accuracy and accessibility.

Introduction: Navigating the Complexities of Alice in Borderland

Netflix's Alice in Borderland has captivated audiences worldwide with its thrilling premise, stunning visuals, and intense survival games. However, the show's graphic violence, mature themes, and complex psychological elements make it crucial for parents to thoroughly assess its suitability for their children. This Alice in Borderland parents guide aims to provide a comprehensive overview of the show's content, helping parents make informed decisions about whether or not their children should watch it. This guide offers a detailed breakdown of the potentially problematic aspects, offering guidance on how to approach discussions about the show with teenagers and younger viewers.

Content Analysis: What Parents Need to Know

Alice in Borderland centers around a group of young adults who are mysteriously transported to a parallel reality where they must participate in deadly games to survive. The show is not suitable for younger viewers due to the following:

1. **Graphic Violence:** The series contains a significant amount of graphic violence, including bloodshed, torture, and death. Many games involve brutal physical

confrontations with realistic depictions of injury and fatality. The violence is not gratuitous, often serving to propel the narrative and highlight the stakes, but its intensity requires careful consideration.

1. **Mature Themes:** The show delves into complex themes such as suicide, despair, moral ambiguity, and the deconstruction of societal norms. These themes are explored in a nuanced way, but their intensity might be overwhelming or disturbing for younger or more sensitive viewers.
1. **Psychological Tension:** The psychological tension is a core element of the show's suspense. Characters face immense pressure, moral dilemmas, and psychological manipulation, leading to moments of intense anxiety and emotional distress. This can be particularly challenging for viewers prone to anxiety or who are sensitive to such themes.
1. **Sexual Content:** While not overtly graphic, the series features some sexual innuendo and suggestive scenes. The relationships between characters are often complex and emotionally charged, involving themes of betrayal, mistrust, and manipulation.
1. **Language:** The show contains moderate use of strong language, including profanity. While not excessive, the language adds to the realism of the characters and their situations.

Age Appropriateness and Parental Guidance

Given the above, *Alice in Borderland* is not recommended for children under 16. Even for teenagers, parental guidance is strongly advised. Open communication and discussion are crucial to ensuring understanding and mitigating potential negative impacts. Parents should consider their child's maturity level, sensitivity to violence and mature themes, and their ability to process complex storylines before allowing them to watch the series.

How to Discuss *Alice in Borderland* with Your Children

Engaging in open and honest conversations with your children about the show's content is crucial. This allows you to guide their understanding and help them process the complex themes presented. Some conversation starters include:

What aspects of the show did you find most disturbing or impactful? This encourages reflection on specific scenes and emotions evoked.

How did the characters cope with the pressure and moral dilemmas they faced? This promotes critical thinking about the characters' choices and consequences.

What are your thoughts on the show's exploration of friendship, trust, and betrayal? This helps engage with the emotional core of the series.

How realistic are the portrayals of violence and psychological pressure? This encourages critical engagement with the show's depiction of reality.

How does the show make you feel? This helps understand their emotional response and gauge their comprehension of the themes.

By fostering these conversations, you can ensure that your children engage with the show critically and constructively, minimizing potential negative impacts.

Alternative Viewing Options and Parental Control Measures

If you are concerned about the mature content in Alice in Borderland, consider exploring alternative shows with similar genres but less graphic violence and mature themes. Netflix offers parental control options that allow you to restrict access to specific content based on age ratings.

Conclusion: Making Informed Choices with the Alice in Borderland Parents Guide

This Alice in Borderland parents guide aims to equip parents with the necessary information to make informed decisions about their children's viewing habits. Understanding the show's content, engaging in open discussions, and utilizing parental control features are crucial steps in ensuring a safe and positive viewing experience. Remember that the ultimate decision rests with the parents, considering the unique needs and maturity levels of their children.

FAQs

1. Is Alice in Borderland suitable for teenagers? While some mature teenagers might handle it, parental guidance is crucial due to its graphic violence and mature themes.

1. What is the Netflix age rating for Alice in Borderland? The rating varies by region, but it's generally considered for mature audiences (TV-MA).

1. Does Alice in Borderland promote violence? The show depicts violence, but it's not

intended to glorify it. However, its graphic nature requires careful consideration.

1. What are the main themes explored in Alice in Borderland? The series explores survival, friendship, morality, societal structures, and the human psyche under pressure.
1. Are there any alternatives to Alice in Borderland for younger viewers? Yes, many shows offer similar thrilling suspense without the graphic violence and mature themes.
1. How can I use parental controls on Netflix? Check Netflix's help section for guidance on setting up parental controls based on age ratings and content restrictions.
1. Should I watch Alice in Borderland with my teen? This is a personal decision. Watching together can facilitate open discussion and help guide your teen's understanding.
1. What are the potential negative impacts of watching Alice in Borderland without parental guidance? Potential negative impacts include anxiety, nightmares, and a distorted view of violence and mature themes.
1. Where can I find more information on media literacy for parents? Numerous resources are available online and through libraries, including Common Sense Media and the American Academy of Pediatrics.

alice in borderland parents guide: The Unhoneymooners Christina Lauren, 2019-05-14
 THE INSTANT NEW YORK TIMES BESTSELLER! Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day,

The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

alice in borderland parents guide: *The Deal* Elle Kennedy, 2016-09-25 She's about to make a deal with the college bad boy... Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. ...and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

alice in borderland parents guide: *Alice in Zombieland* Gena Showalter, 2013-08-27 A modern-day Alice in Wonderland meets the undead... Alice in Zombieland, the first book in The White Rabbit Chronicles, introduces readers to a world newly overrun by zombies...and the one girl who may be able to save mankind. She won't rest until she's sent every walking corpse back to its grave. Had anyone told Alice Bell that her entire life would change course between one heartbeat and the next, she would have laughed. But that's all it took. One heartbeat. A blink, a breath, a second, and everything she knew and loved was gone. Her father was right. The monsters are real. To avenge her family, Ali must learn to fight the undead. To survive, she must learn to trust the baddest of the bad boys, Cole Holland. But Cole has secrets of his own, and if Ali isn't careful, those secrets might just prove to be more dangerous than the zombies. alice in borderland parents guide: **Beasts of a Little Land** Juhea Kim, 2021-12-07 'Beasts of a Little Land is a stunning achievement' TLS 'Spectacular' Lisa See, author of The Island of Sea Women 'I loved it' Brandon Hobson, author of The Removed 'Unforgettable' Nguyễn Phan Quế Mai, author of The Mountains Sing An epic story of love and war, set during the turbulent decades of Korea's fight for independence It is 1917, and Korea is under Japanese occupation; the country is yet to be divided into north and south. With the threat of famine looming, a young girl named Jade is sold by her family to Miss Silver's courtesan school in cosmopolitan Pyongyang, an act of desperation that will cement her place in the lowest social class. But the city's days as a haven are numbered. Jade flees to Seoul where she forms a deep friendship with an orphan boy called JungHo, who scrapes together a living begging on the streets. As Jade becomes a sought-after performer with unexpected romantic prospects, JungHo is swept up in the revolutionary fight for independence. Soon, Jade must decide between following her own ambitions or risking everyone for the one she loves. From the perfumed chambers of the courtesan school to the glamorous cafés of a modernising Seoul, the unforgettable characters of Beasts of a Little Land unveil a world where friends become enemies and enemies become saviours, where heroes are persecuted and beasts take many shapes.

alice in borderland parents guide: The Science of Mom Alice Callahan, 2021-11-23 Now updated! The new edition of this best-selling guide uses science to tackle some of the most important decisions facing new parents—from sleep training and vaccinations to breastfeeding and baby food. Is cosleeping safe? How important is breastfeeding? Are food allergies preventable? Should we be worried about the aluminum in vaccines? Searching for answers to these tough parenting questions can yield a deluge of conflicting advice. In this revised and expanded edition of The Science of Mom, Alice Callahan, a science writer whose work appears in the New York Times and the Washington Post, recognizes that families must make their own decisions and gives parents the tools to evaluate the evidence for themselves. Sharing the latest scientific research on raising healthy babies, she covers topics like the microbiome, attachment, vaccine safety, pacifiers, allergies, increasing breast milk production, and choosing an infant formula.

alice in borderland parents guide: *The Pink Line* Mark Gevisser, 2020-07-28 One of TIME's 100 Must-Read Books of 2020. Longlisted for the 2021 Rathbones Folio Prize. [Mark] Gevisser is clear-eyed and wise enough to have a sharp sense of how tough the struggle has been, and how hard it will be now for those who have not succeeded in finding shelter from prejudice. --Colm Tóibín, The Guardian A groundbreaking look at how the issues of sexuality and gender identity divide and unite the world today More than seven years in the making, Mark Gevisser's *The Pink Line: Journeys Across the World's Queer Frontiers* is an exploration of how the conversation around sexual orientation and gender identity has come to divide—and describe—the world in an entirely new way over the first two decades of the twenty-first century. No social movement has brought change so quickly and with such dramatically mixed results. While same-sex marriage and gender transition are celebrated in some parts of the world, laws are being strengthened to criminalize homosexuality and gender nonconformity in others. As new globalized queer identities are adopted by people across the world—thanks to the digital revolution—fresh culture wars have emerged. A new Pink Line, Gevisser argues, has been drawn across the globe, and he takes readers to its frontiers. Between sensitive and sometimes startling profiles of the queer folk he's encountered along the Pink Line, Gevisser offers sharp analytical chapters exploring identity politics, religion, gender ideology, capitalism, human rights, moral panics, geopolitics, and what he calls "the new transgender culture wars." His subjects include a Ugandan refugee in flight to Canada, a trans woman fighting for

custody of her child in Moscow, a lesbian couple campaigning for marriage equality in Mexico, genderqueer high schoolers coming of age in Michigan, a gay Israeli-Palestinian couple searching for common ground, and a community of kothis—"women's hearts in men's bodies"—who run a temple in an Indian fishing village. What results is a moving and multifaceted picture of the world today, and the queer people defining it. Eye-opening, heartfelt, expertly researched, and compellingly narrated, *The Pink Line* is a monumental—and urgent—journey of unprecedented scope into twenty-first-century identity, seen through the border posts along the world's new LGBTQ+ frontiers.

alice in borderland parents guide: *Alice in Wonderland* Lewis Carroll, 2024-09-25 *Alice's Adventures in Wonderland* is an 1865 English children's novel by Lewis Carroll, a mathematics don at the University of Oxford. It details the story of a girl named Alice who falls through a rabbit hole into a fantasy world of anthropomorphic creatures. It is seen as an example of the literary nonsense genre. The artist John Tenniel provided 42 wood-engraved illustrations for the book. It received positive reviews upon release and is now one of the best-known works of Victorian literature; its narrative, structure, characters and imagery have had a widespread influence on popular culture and literature, especially in the fantasy genre. It is credited as helping end an era of didacticism in children's literature, inaugurating an era in which writing for children aimed to delight or entertain. The tale plays with logic, giving the story lasting popularity with adults as well as with children. The titular character Alice shares her name with Alice Liddell, a girl Carroll knew; scholars disagree about the extent to which the character was based upon her.

just the right readings. In *Patterns for College Writing*, they provide students with exemplary rhetorical models and instructors with class-tested selections that balance classic and contemporary essays. Along with more examples of student writing than any other reader, *Patterns* has the most comprehensive coverage of active reading, research, and the writing process, with a five-chapter mini-rhetoric; the clearest explanations of the patterns of development; and the most thorough apparatus of any rhetorical reader, all reasons why *Patterns for College Writing* is the best-selling reader in the country. And the new edition includes exciting new readings and expanded coverage of critical reading, working with sources, and research. It is now available as an interactive Bedford e-book and in a variety of other e-book formats that can be downloaded to a computer, tablet, or e-reader. Read the preface.

alice in borderland parents guide: *Narrative Therapy in Wonderland: Connecting with Children's Imaginative Know-How* David Epston, Laurie Markham, David Marsten, 2016-11-08 The remarkable power of connecting with children's voices and imagination in narrative therapy. Therapists may marvel at children's imaginative triumphs, but how often do they recognize such talents as vital to the therapy hour? Should therapists reserve a space for make-believe only when nothing is at stake, or might it be precisely those moments when something truly matters that imagination is most urgently needed? This book offers an alternative to therapeutic perspectives that treat children as vulnerable and helpless. It invites readers to consider how the imaginative gifts and knowledge of children, when supported by the therapist and family, can bring about dramatic change. The book begins with an account of the foundations of narrative theory. It explains how such elements as language, characterization, and suspense contribute to the coherence of a story and bring young people into focus. Each subsequent chapter provides specific suggestions for the practice of narrative therapy. Examples of the difficulties children face are offered, along with narrative interventions and tips for overcoming common barriers that can arise along the way. Readers will learn a variety of ready-to-implement strategies, including how to personify problems, compose letters to affirm children's identities, summon fairies to lend a helping hand, and many more. Sample dialogues between the authors, children, and their parents bring the application of each practice to life, illuminating how even the most stubborn problem can be outwitted, sometimes by mischievous means. With robust professional insight, *Narrative Therapy in Wonderland* will aid any practitioner in calling on children's imaginative know-how. How often can a young person be spotted diving headlong into a world of fantasy? This book explores the extraordinary fact that these young people may, upon arrival in Wonderland, be far better equipped to take on even dire challenges than when they remain "up above."

alice in borderland parents guide: *Formation of Character* Charlotte Mason, 2013-04-30 *Formation of Character* is the fifth volume of Charlotte Mason's Homeschooling series. The chapters stand alone and are valuable to parents of children of all ages. Part I includes case studies of children (and adults) who cured themselves of bad habits. Part II is a series of reflections on subjects including both schooling and vacations (or stay-cations as we now call them). Part III covers various aspects of home schooling, with a special section detailing the things that Charlotte Mason thought were important to teach to girls in particular. Part IV consists of examples of how education affected outcome of character in famous writers of her day. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and

maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by s

alice in borderland parents guide: Disney Alice in Wonderland: The Story of the Movie in Comics Francois Corteggiani, 2020-03-24 In this retelling of the fantasy-adventure animated film, you'll follow the white rabbit to a topsy-turvy realm with Alice! While dreaming of a world of her own, young Alice is interrupted by a white rabbit who is very late--too late to say hello or where he is headed. She chases after him and falls down a mysterious rabbit hole that leads to a literal wonderland. As Alice journeys further into this strange and chaotic world, things become curiouiser and curiouiser, as do the characters she meets. Before she catches up to the white rabbit and finds her way home again, Alice will realize her curiosity should be tempered with a little patience and thinking ahead. Originally released in 1951, the film Disney Alice in Wonderland is based Lewis Carroll's Alice books, classics of English literature. Celebrate all the curiosities with this hardcover graphic novel retelling!

alice in borderland parents guide: American Holocaust David E. Stannard, 1993-11-18 For four hundred years--from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World's original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of

impassioned scholarship that is certain to ignite intense historical and moral debate.

alice in borderland parents guide: *The Red Palace* June Hur, 2022-01-25 June Hur, critically acclaimed author of *The Silence of Bones* and *The Forest of Stolen Girls*, returns with *The Red Palace*—a third evocative, atmospheric historical mystery perfect for fans of Courtney Summers and Kerri Maniscalco. To enter the palace means to walk a path stained in blood... Joseon (Korea), 1758. There are few options available to illegitimate daughters in the capital city, but through hard work and study, eighteen-year-old Hyeon has earned a position as a palace nurse. All she wants is to keep her head down, do a good job, and perhaps finally win her estranged father's approval. But Hyeon is suddenly thrust into the dark and dangerous world of court politics when someone murders four women in a single night, and the prime suspect is Hyeon's closest friend and mentor. Determined to prove her beloved teacher's innocence, Hyeon launches her own secret investigation. In her hunt for the truth, she encounters Eojin, a young police inspector also searching for the killer. When evidence begins to point to the Crown Prince himself as the murderer, Hyeon and Eojin must work together to search the darkest corners of the palace to uncover the deadly secrets behind the bloodshed. Praise for *The Red Palace*: An ABA Indie Bestseller A Junior Library Guild Selection Forbes Most Anticipated Book of 2022 Selection A tense political thriller, a beautiful romance, and a coming of age all in one unique package. —School Library Journal, starred review This atmospheric historical mystery will transport and captivate readers ... alice in borderland parents guide: *Villa Triste* Patrick Modiano, 2016-05-31 This novel by Nobel Prize-winning author Patrick Modiano is one of the most seductive and accessible in his oeuvre: the story of a man's memories of fleeing responsibility, finding love, and searching for meaning in an uncertain world The narrator of *Villa Triste*, an anxious, roving, stateless young man of eighteen, arrives in a small French lakeside town near Switzerland in the early 1960s. He is fleeing the atmosphere of menace he feels around him and the fear that grips him. Fear of war? Of imminent catastrophe? Of others? Whatever it may be, the proximity of Switzerland, to which he plans to run at the first sign of danger, gives him temporary reassurance. The young man hides among the other summer visitors until he meets a beautiful young actress named Yvonne Jacquet, and a strange doctor, René Meinthe. These two invite him into their world of soirees and late-night debauchery. But when real life beckons once again, he finds no sympathy from his new companions. Modiano has written a haunting novel that captures lost youth, the search for identity, and ultimately, the fleetingness of time.

alice in borderland parents guide: *Dreaming in Cuban* Cristina García, 2011-06-08 "Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina

García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post

alice in borderland parents guide: *Light as a Feather* Zoe Aarsen, 2018-10-09 Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! *Riverdale* meets *Final Destination* in this fast-paced and deliciously creepy novel about an innocent game that turns deadly at a high school sleepover. It was supposed to be a game... Junior year is shaping up to be the best of McKenna Brady's life. After a transformative summer, McKenna is welcomed into the elite group of popular girls at Weeping Willow High, led by the gorgeous Olivia Richmond. For the first time in a long time, things are looking up. But everything changes the night of Olivia's Sweet Sixteen sleepover. Violet, the mysterious new girl in town, suggests the girls play a game during which Violet makes up elaborate, creepily specific stories about the violent ways the friends will die. Though it unsettles McKenna, it all seems harmless at the time. Until a week later, when Olivia dies...exactly as Violet predicted. As Violet rises to popularity and steps into the life Olivia left unfinished, McKenna becomes convinced Olivia's death wasn't just a coincidence, especially when a ghost haunting her bedroom keeps leaving clues that point to Violet. With the help of her cute neighbor, Trey, McKenna pledges to get to the bottom of Violet's secrets and true intentions before it's too late. Because it's only a matter of time before more lives are lost.

alice in borderland parents guide: *Hungover* Shaughnessy Bishop-Stall, 2018-11-20 "Bishop-Stall insists that hangovers... [are] worthy of a cure. After years of dogged research around the globe, he finds one — just in time for the holidays." —Washington Post "[An] irreverent, well-oiled memoir...Bishop-Stall packs his book with humorous and enlightening asides about alcohol." —The Wall Street Journal One intrepid reporter's quest to learn everything there is to know about hangovers, trying all of the cures he can find and explaining how (and if) they work, all so rest of us don't have to. We've all been there. One minute you're fast asleep, and in the next you're tumbling from dreams of deserts and demons, into semi-consciousness, mouth full of sand, head throbbing. You're hungover. Courageous journalist Shaughnessy Bishop-Stall has gone to the front lines of humanity's age-old fight against hangovers to settle once and for all the best way to get rid of the aftereffects of a night of indulgence (short of not drinking in the first place). Hangovers have plagued human beings for about as long as civilization has existed (and arguably longer), so there

has been plenty of time for cures to be concocted. But even in 2018, little is actually known about hangovers, and less still about how to cure them. Cutting through the rumor and the myth, Hungover explores everything from polar bear swims, to saline IV drips, to the age-old hair of the dog, to let us all know which ones actually work. And along the way, Bishop-Stall regales readers with stories from humanity's long and fraught relationship with booze, and shares the advice of everyone from Kingsley Amis to a man in a pub.

alice in borderland parents guide: Mesquite Jenkins Clarence E Mulford, 2021-02 Hopalong Cassidy's tiger-cub takes a vengeance trail on his own-up against terrible odds in the grandest Western story Mulford ever wrote! Mesquite trails to the hidden reservoir of stolen Lazy S cows, narrowly escaping murder time and again. Expert trailing, some daredevil riding, and two-gun shooting make Mesquite's story as thrilling as any of those gallant riders, Hopalong Cassidy and Tex Ewalt of the old Bar 20.
