**alice tawresey political affiliation: American Gardens** Monty Don, 2020-10-27 Monty Don, Britain's treasured horticulturalist, and renowned photographer Derry Moore explore iconic and little-known gardens throughout America. For years, Britain's much-loved gardener Monty Don has been leading us down all kinds of garden paths to show us why green spaces are vital to our wellbeing and culture. Now, he travels across America with celebrated photographer Derry Moore to trace the fascinating histories of outdoor spaces which epitomize or redefine the American garden. In the book, which complements the BBC television series, they look at a variety of gardens and outdoor spaces at the center of American history including the slave garden at Thomas Jefferson's Monticello estate, Longwood Gardens in Delaware, and Middleton Place in South Carolina. Together, they visit verdant oases designed by modernist architects such as Richard Neutra. They delve into urban outdoor spaces, looking at New York City's Central Park, Lurie Garden at the southern end of Millennium Park in Chicago, and the Seattle Spheres. Derry Moore gives his unique perspective on gardens across the United States, including several not featured in the TV series. These include unpublished photographs of Bob Hope's Palm Springs home and garden of renowned architect Frank Lloyd Wright. Featuring luscious photography and Don's engaging commentary, this book will leave you with a richer understanding of how America's most important gardens came to be designed.

**alice tawresey political affiliation: Sears, Roebuck & Co.** Sears, Roebuck & Co., 2013-01-03 It was massive beyond all comprehension, it was incredibly cheap, it had everything in stock—it was Sears, Roebuck & Co. at the turn of the twentieth century. Oh, and it had a few kinks to work out. As one customer reportedly complained: “For heaven's sake, quit sending me sewing machines. Every time I go to the station I find another one there. You have shipped me five already.” But the company would gain a handle on its rapid growth and develop a reputation for efficiency and customer satisfaction. The catalog selection exploded to include all sorts of categories, from watches and jewelry to sporting goods, firearms, furniture, shoes, clothes, toiletries, toys, and almost anything else imaginable—including, of course, Dr. Hammonds Nerve and Brain Tablets, billed as the “Great Remedy for Weak Men,” for all those neurological disturbances men may have sought to cure in conjunction with ordering a sewing machine throughout the ages. With merchandise ranging from ordinary to fantastical (all priced at the pennies-on-the-dollar rate of yore), browsing through this vintage collection is sure to be an enjoyable experience. Now if only it came with a time machine . . .
