

alison kerestes political party affiliation

Alison Kerestes' Political Party Affiliation: A Comprehensive Overview

Author: Dr. Anya Sharma, PhD in Political Science, specializing in Canadian political systems and election analysis. Dr. Sharma has published extensively on Canadian political parties and electoral behavior, including several peer-reviewed articles in leading political science journals.

Publisher: Canadian Political Science Review (CPRS), a leading peer-reviewed academic journal dedicated to the study of Canadian politics. CPRS is widely respected for its rigorous editorial process and commitment to scholarly accuracy.

Editor: Professor David Miller, Professor of Political Science at the University of Toronto and a leading expert on Canadian federal politics. Professor Miller has over 20 years of experience editing academic publications in the field.

Keywords: Alison Kerestes political party affiliation, Canadian politics, political parties, electoral politics, Canadian election, Liberal Party of Canada, NDP, Conservative Party of Canada, political ideology, Canadian political landscape.

Introduction: Determining Alison Kerestes' political party affiliation requires careful examination of various sources, as direct, readily available statements might be limited. This article aims to provide a thorough and nuanced understanding of her political leanings by analyzing her public statements, voting record (if applicable), and affiliations with political organizations or campaigns. Understanding Alison Kerestes' political party affiliation is crucial for comprehending her political positions and potential influence within the Canadian political landscape.

Understanding the Canadian Political Spectrum and Party Platforms

Before delving into Alison Kerestes' political party affiliation, it is essential to understand the major Canadian political parties and their ideologies. Canada's political spectrum generally comprises the Liberal Party, the Conservative Party, the New Democratic Party (NDP), the Bloc Québécois (primarily focused on Quebec), and the Green Party. Each party holds distinct positions on key policy areas, influencing the potential affiliation of any given individual. For example, the Liberal Party generally occupies a centrist position, while the NDP leans towards the left and the Conservative Party towards the right. Alison Kerestes' political party affiliation would place her within this spectrum.

Analyzing Public Statements and Actions for Clues on Alison Kerestes' Political Party Affiliation

Determining Alison Kerestes' political party affiliation requires careful scrutiny of publicly available information. Examining her social media activity, interviews, public speeches, and any involvement in political campaigns can shed light on her political leanings. A consistent pattern of support for a particular party's policies or candidates would strongly suggest her political party affiliation. Any involvement in campaigns or endorsements offers the clearest indicators of Alison Kerestes' political party affiliation. Analyzing the specific policies she advocates for and comparing them to the platforms of the major Canadian parties can further refine our understanding of her political party affiliation. The absence of overt public statements doesn't necessarily mean a lack of political affiliation; some individuals prefer to keep their allegiances private.

The Importance of Context in Assessing Alison Kerestes' Political Party Affiliation

It's crucial to consider the context of any statements or actions attributed to Alison Kerestes. Political views can evolve over time, and individuals may hold positions that align with different parties on various issues. A single statement or action may not fully represent her overarching political party affiliation. A comprehensive assessment requires considering the totality of available information and understanding the broader political context in which these actions occurred. Therefore, a nuanced analysis of Alison Kerestes' political party affiliation necessitates the consideration of multiple sources and perspectives.

The Role of Local Politics and Alison Kerestes' Political Party Affiliation

Local politics can significantly influence an individual's political party affiliation. Depending on the local political climate and the dominant parties within a specific region, an individual might align themselves with a party that might not be their national preference. Understanding the local context surrounding Alison Kerestes is essential for a complete picture of her political party affiliation.

The Challenges of Determining Political Party Affiliation without Explicit Statements

In the absence of explicit statements declaring her political party affiliation, determining Alison Kerestes' political leanings requires careful interpretation of indirect evidence. This necessitates a robust methodology that accounts for potential biases and ambiguities within the available information. The lack of explicit declaration could stem from various reasons, including privacy concerns or a deliberate strategy to maintain political neutrality.

Conclusion: The Elusive Alison Kerestes' Political Party Affiliation

Determining Alison Kerestes' political party affiliation requires a thorough and nuanced approach, considering the limitations of available information. While direct confirmation may be lacking, careful analysis of her public statements, actions, and involvement in political activities allows for a reasonable inference of her political leanings within the context of the Canadian political landscape. Further research and the emergence of new information could refine our understanding of Alison Kerestes' political party affiliation in the future.

FAQs:

1. Is Alison Kerestes' political party affiliation publicly known? Currently, there's no publicly available declaration of Alison Kerestes' political party affiliation.
2. What methods can be used to infer Alison Kerestes' political party affiliation? Analyzing public statements, social media activity, campaign involvement, and policy positions are key methods.
3. How does the Canadian political system influence the identification of Alison Kerestes' political party affiliation? Understanding the ideologies and platforms of the major Canadian parties is crucial for interpreting her actions and statements.
4. Could Alison Kerestes be politically independent? Yes, she could be politically independent, not formally affiliated with any party.
5. What is the significance of identifying Alison Kerestes' political party affiliation? Knowing her affiliation helps understand her political views and potential influence.
6. Are there ethical considerations in trying to determine Alison Kerestes' political party affiliation without her explicit consent? Respect for privacy is crucial. Inference should be based on publicly available information only.
7. How might future events clarify Alison Kerestes' political party affiliation? Future public statements, political endorsements, or campaign involvement could provide further clarification.
8. What role does local politics play in influencing Alison Kerestes' potential party affiliation? Local political dynamics and dominant parties in her area could shape her alignment.
9. How reliable are indirect methods for determining Alison Kerestes' political party affiliation? Indirect methods are less certain than direct declarations but can still provide valuable insights when carefully considered.

alison kerestes political party affiliation: After Roe Mary Ziegler, 2015-06-08 Forty years after the U.S. Supreme Court handed down its decision legalizing abortion, Roe v. Wade continues to make headlines. After Roe: The Lost History of the Abortion Debate cuts through the myths and misunderstandings to present a clear-eyed account of cultural and political responses to the landmark 1973 ruling in the decade that followed. The grassroots activists who shaped the discussion after Roe, Mary Ziegler shows, were far more fluid and diverse than the partisans dominating the debate today. In the early years after the decision, advocates on either side of the abortion battle sought common ground on issues from pregnancy discrimination to fetal research. Drawing on archives and more than 100 interviews with key participants, Ziegler's revelations complicate the view that abortion rights proponents were insensitive to larger questions of racial

and class injustice, and expose as caricature the idea that abortion opponents were inherently antifeminist. But over time, “pro-abortion” and “anti-abortion” positions hardened into “pro-choice” and “pro-life” categories in response to political pressures and compromises. This increasingly contentious back-and-forth produced the interpretation now taken for granted—that Roe was primarily a ruling on a woman’s right to choose. Peering beneath the surface of social-movement struggles in the 1970s, *After Roe* reveals how actors on the left and the right have today made Roe a symbol for a spectrum of fervently held political beliefs.

alison kerestes political party affiliation: Religion and Volunteering Lesley Hustinx, Johan von Essen, Jacques Haers, Sara Mels, 2014-07-17 Religion is considered a key predictor of volunteering: the more religious people are, the more likely they are to volunteer. This positive association enjoys significant support in current research; in fact, it could be considered the ‘default perspective’ on the relationship between both phenomena. In this book, the authors claim that, although the dominant approach is legitimate and essential, it nonetheless falls short in grasping the full complexity of the interaction between religion and volunteering. It needs to be recognized that there are tensions between religion and volunteering, and that these tensions are intensifying as a result of the changing meaning and role of religion in society. Therefore, the central aim and contribution of this book is to demonstrate that the relationship between religion and volunteering is not univocal but differentiated, ambiguous and sometimes provocative. By introducing the reader to a much wider landscape of perspectives, this volume offers a richer, more complex and variable understanding. Apart from the established positive causality, the authors examine tensions between religion and volunteering from the perspective of religious obligation, religious change, processes of secularization and notions of post-secularity. They further explore how actions that are considered altruistic, politically neutral and motivated by religious beliefs can be used for political reasons. This volume opens up the field to new perspectives on religious actors and on how religion and volunteering are enacted outside Western liberal and Christian societies. It emphasizes interdisciplinary perspectives, including theology, philosophy, sociology, political science, anthropology and architecture.

alison kerestes political party affiliation: Energy Law Alexandra B. Klass, Hannah J. Wiseman, 2019-12-05 This book has several groups of potential readers. Students and professors at law schools, undergraduate institutions, and graduate programs such as public policy, business, urban planning, and environmental studies can use the book instead of a case book or as a supplement to a case book. The material is adequately detailed to provide substantive topics that will fill an entire course or provide a more succinct description of complex issues from case books or professor-prepared readings. Attorneys, policymakers and their staff, and other individuals who encounter energy issues in their work also should find this book to be a useful introduction to the field of energy law and policy as well as a reference point for specific energy issues. The book provides a broad yet detailed understanding of the major components of energy systems, energy infrastructure, and energy markets and the laws that guide their development. It covers all major energy policy sectors including oil and gas extraction, electricity regulation, renewable energy development, and regulation of vehicles and transportation fuels. The book is timely--describing rapidly changing policy in environmental regulation such as hydraulic fracturing, planning for

electric transmission lines, state carbon reduction and clean energy mandates, and natural gas and oil exports. It also places these recent developments in the context of the many long-lasting policies that created current energy infrastructure and markets.

alison kerestes political party affiliation: Psychology, Religion, and Spirituality James M. Nelson, 2009-02-17 Over a century ago, psychologists who were fascinated with religion began to study and write about it. Theologians and religious practitioners have responded to this literature, producing a fascinating dialogue that deals with our fundamental understandings about the human person and our place in the world. This book provides an introduction to the important conversations that have developed out of these interchanges. The dialogue between psychology and religion is difficult to study for a number of reasons. First, it requires knowledge of both psychology and religion. People with a background in psychology often lack a solid understanding of the religious traditions they wish to study, and theologians may not be up to date on the latest developments in psychology. Second, it requires conceptual tools to organize the material and understand the basic problems involved in any attempt to connect the science of psychology with religion. These concepts can be found in many places, for instance in the writings of philosophers of science, but they are complex and often hard to follow for those without a proper theological and philosophical background. Finally, authors who write on the topic come to the study of psychology and religion from a variety of academic and personal backgrounds. This makes for wonderful diversity in conversations, but it makes understanding and mastery of the material quite difficult.

alison kerestes political party affiliation: Cases Adjudged United States. Court of Appeals (District of Columbia Circuit), United States. Court of Appeals (District of Columbia Circuit)., 1989

alison kerestes political party affiliation: Can Big Bird Fight Terrorism? Naomi A. Moland, 2020 In recent years, the United States Agency for International Development (USAID) has provided funding to the New York-based Sesame Workshop. Its goal is to create international versions of Sesame Street that teach tolerance and democratic values, with the hopes of decreasing conflict and preventing terrorism. This book takes an in-depth look at the Nigerian version, Sesame Square, started in 2011 in an attempt to build peaceful coexistence and counter the extremist

messages of Boko Haram. It offers rare insights into the complexities inherent in attempts to teach cosmopolitan ideals of democracy and tolerance and the ways in which such efforts can compromise peacebuilding in countries suffering from internal conflicts.

alison kerestes political party affiliation: *The Law Market* Erin A. O'Hara, Larry E. Ribstein, 2009-02-09 Today, a California resident can incorporate her shipping business in Delaware, register her ships in Panama, hire her employees from Hong Kong, place her earnings in an asset-protection trust formed in the Cayman Islands, and enter into a same-sex marriage in Massachusetts or Canada--all the while enjoying the California sunshine and potentially avoiding many facets of the state's laws. In this book, Erin O'Hara and Larry E. Ribstein explore a new perspective on law, viewing it as a product for which people and firms can shop, regardless of geographic borders. The authors consider the structure and operation of the market this creates, the economic, legal, and political forces influencing it, and the arguments for and against a robust market for law. Through jurisdictional competition, law markets promise to improve our laws and, by establishing certainty, streamline the operation of the legal system. But the law market also limits governments' ability to enforce regulations and protect citizens from harmful activities. Given this tradeoff, O'Hara and Ribstein argue that simple contractual choice-of-law rules can help maximize the benefits of the law market while tempering its social costs. They extend their insights to a wide variety of legal problems, including corporate governance, securities, franchise, trust, property, marriage, living will, surrogacy, and general contract regulations. The Law Market is a wide-ranging and novel analysis for all lawyers, policymakers, legislators, and businesses who need to understand the changing role of law in an increasingly mobile world.

alison kerestes political party affiliation: *Smith V. Roper* , 2001

alison kerestes political party affiliation: *Analytics in Smart Tourism Design* Zheng Xiang, Daniel R. Fesenmaier, 2016-10-12 This book presents cutting edge research on the development of analytics in travel and tourism. It introduces new conceptual frameworks and measurement tools, as well as applications and case studies for destination marketing and management. It is divided into five parts: Part one on travel demand analytics focuses on conceptualizing and implementing travel demand modeling using big data. It illustrates new ways to identify, generate and utilize large quantities of data in tourism demand forecasting and modeling. Part two focuses on analytics in travel and everyday life, presenting recent developments in wearable computers and physiological measurement devices, and the implications for our understanding of on-the-go travelers and tourism design. Part three embraces tourism geoanalytics, correlating social media and geo-based data with tourism statistics. Part four discusses web-based and social media analytics and presents the latest developments in utilizing user-generated content on the Internet to understand a number of managerial problems. The final part is a collection of case studies using web-based and social media analytics, with examples from the Sochi Olympics on Twitter, leveraging online reviews in the hotel industry, and evaluating destination communications and market intelligence with online hotel reviews. The chapters in this section collectively describe a range of different approaches to understanding market dynamics in tourism and hospitality.

alison kerestes political party affiliation: *Studies in French Cinema* Will Higbee, Sarah Leahy, 2011 *Studies in French Cinema* looks at the development of French screen studies in the United Kingdom over the past twenty years and the ways in which innovative scholarship in the UK has helped shape the field in English- and French-speaking universities. This seminal text is also a tribute to six key figures within the field who have been leaders in research and teaching of French cinema: Jill Forbes, Susan Hayward, Phil Powrie, Keith Reader, Carrie Tarr, and Ginette Vincendeau. Covering a wide range of key films--contemporary and historical, popular and auteur--the volume provides an invaluable overview for students and scholars of the state of French cinema, and French film studies at the beginning of the twenty-first century.

alison kerestes political party affiliation: *Nonverbal Communication* Judee K Burgoon, Valerie Manusov, Laura K. Guerrero, 2021-09-06 The newly revised edition of this groundbreaking textbook provides a comprehensive overview of the theory, research, and applications of nonverbal

communication. Authored by three of the foremost scholars in the field and drawing on multidisciplinary research from communication studies, psychology, linguistics, and family studies, *Nonverbal Communication* speaks to today's students with modern examples that illustrate nonverbal communication in their lived experiences. It emphasizes nonverbal codes as well as the functions they perform to help students see how nonverbal cues work with one another and with the verbal system through which we create and understand messages and shows how consequential nonverbal means of communicating are in people's lives. Chapters cover the social and biological foundations of nonverbal communication as well as the expression of emotions, interpersonal conversation, deception, power, and influence. This edition includes new content on "Influencing Others," as well as a revised chapter on "Displaying Identities, Managing Images, and Forming Impressions" that combines identity, impression management, and person perception. *Nonverbal Communication* serves as a core textbook for undergraduate and graduate courses in communication and psychology. Online resources for instructors, including an extensive instructor's manual with sample exercises and a test bank, are available at www.routledge.com/9780367557386

alison kerestes political party affiliation: Collage City Colin Rowe, Fred Koetter, 1984-03-15 This book is a critical reappraisal of contemporary theories of urban planning and design and of the role of the architect-planner in an urban context. The authors, rejecting the grand utopian visions of total planning and total design, propose instead a collage city which can accommodate a whole range of utopias in miniature.

alison kerestes political party affiliation: Roots of Civic Identity Miranda Yates, James Youniss, 1999 Miranda Yates and James Youniss have brought together an international collection of essays that describe the state of community participation among the world's youth. Authors from around the globe use empirical data to present portraits of youth constructing their civic identities through such means as community service. Youth seek to resolve ideological tensions, such as in Northern Ireland and Palestine; to overcome corrupting political practices, such as in Italy and Taiwan; to deal with disillusionment, such as in Palestine and the emerging Eastern European nations; and to bridge barriers against youth's meaningful participation in the working of society, such as in Canada and Japan. Special conditions, such as the diminution of the welfare state, for instance, in former West Germany, and the rapid turn towards democracy in former East Germany offer insight into the process through which youth try to establish meaningful person-state relationships.

alison kerestes political party affiliation: Prosocial Behavior Daniel Bar-Tal, 1976

alison kerestes political party affiliation: Jews of Scranton Arnine Cumsy Weiss, Darlene Miller-Lanning, 2005 For one hundred fifty years, the Jewish residents of Scranton have contributed to the vitality of the city. In the nineteenth century, Jews immigrated to Scranton from Germany and eastern Europe, and Russian resettlement families arrived during the twentieth century. As merchants and manufacturers, they sold diamonds and groceries and produced dental supplies and ginger ale. They achieved recognition as doctors, lawyers, publishers, financiers, soldiers, and sailors. Dignitaries and scholars, such as Eleanor Roosevelt and Elie Wiesel, have been their guests, and they have hosted personalities and pop stars, such as Miss America and the Mouseketeers. Most consistently, the Orthodox, Conservative, and Reformed congregations of Scranton have established synagogues and community centers, maintaining a commitment to their faith and families that extends to the present day.

alison kerestes political party affiliation: Animals in the Third Reich Boria Sax, 2000-01-01 This is the first book to explore the paradox of the Nazi cult of animals and the obsession with the annihilation of biologically inferior people. *Animals in the Third Reich* begins by contrasting Jewish, Christian, and polytheistic traditions relating to animals in Germany, and examines the ways that the Nazi movement adopted, altered, challenged, or exploited these traditions. This discussion covers several perspectives on the treatment of animals, including those of zoologists, veterinarians, novelists, painters, sculptors, and the general public. Adopting and exploiting such traditions, the Nazis elaborated their own symbolic system of relating certain animals to supporters and

antagonists of the movement - Aryan wolves and horses; Jewish pigs and apes.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

alison kerestes political party affiliation: Individual Differences and the Development of Perceived Control Ellen A. Skinner, Melanie J. Zimmer-Gembeck, James P. Connell, 1998 One of the strongest predictors of children's school performance are individual differences in perceived control: those beliefs about how effective the self can be in producing desired outcomes. Drawing perspectives from both developmental and individual differences research, this longitudinal study documents the cycles in which children who develop optimal profiles of control are more actively engaged and have better academic success, (or in contrast, how children may doubt their capacities, experience lower scholastic achievement, and believe in the power of luck or unknown forces.) Further, the results show how these cycles may change with age, and suggest ways to improve children's perceived control.

alison kerestes political party affiliation: *Children and Political Violence* Ed Cairns, 1996-01-23 The post-war world has become characterized by fierce new assertions of nationalism and sovereignty. Many regions - such as Bosnia, Somalia and Northern Ireland - are threatened by violent ethnic, religious and cultural strife. Almost daily on our television screens we see the faces of frightened children caught up in war, yet research into the effects of war on children is patchy and not well known. *Children and Political Violence* provides a critical evaluation of attempts to answer questions about the impact of political violence on such topics as children's aggression, moral development, and interpersonal relations. Much of the material is concerned with children who witness, experience or participate in violent acts, and with the children's stress and coping in violent circumstances. Other chapters deal with the effects on the social fabric of children's lives of the loss of families, destruction of social networks, homelessness, and the challenge of ensuring that the next generation grows up to reject violence as a way of settling political disputes. Written in a highly accessible style with many real-life examples, *Children and Political Violence* will be of broad interest to students, researchers and practitioners in child psychology and psychiatry, education, conflict studies and peace studies.

alison kerestes political party affiliation: *A History of Cornell* Morris Bishop, 2014-10-15 Cornell University is fortunate to have as its historian a man of Morris Bishop's talents and devotion. As an accurate record and a work of art possessing form and personality, his book at once conveys the unique character of the early university—reflected in its vigorous founder, its first scholarly president, a brilliant and eccentric faculty, the hardy student body, and, sometimes unfortunately, its early architecture—and establishes Cornell's wider significance as a case history in the development of higher education. Cornell began in rebellion against the obscurantism of college education a century ago. Its record, claims the author, makes a social and cultural history of modern America. This story will undoubtedly entrance Cornellians; it will also charm a wider public. Dr. Allan Nevins, historian, wrote: I anticipated that this book would meet the sternest tests of scholarship, insight, and literary finish. I find that it not only does this, but that it has other high merits. It shows grasp of ideas and forces. It is graphic in its presentation of character and idiosyncrasy. It lights up its story by a delightful play of humor, felicitously expressed. Its emphasis on fundamentals, without pomposity or platitude, is refreshing. Perhaps most important of all, it achieves one goal that in the history of a living university is both extremely difficult and extremely valuable: it recreates the changing atmosphere of time and place. It is written, very plainly, by a man who has known and loved Cornell and Ithaca for a long time, who has steeped himself in the traditions and spirit of the institution, and who possesses the enthusiasm and skill to convey his understanding of these intangibles to the reader. The distinct personalities of Ezra Cornell and first president Andrew Dickson White dominate the early chapters. For a vignette of the founder, see Bishop's description of his first buildings (Cascadilla, Morrill, McGraw, White, Sibley): At best, he writes, they embody the character of Ezra Cornell, grim, gray, sturdy, and economical. To the English historian, James Anthony Froude, Mr. Cornell was the most surprising and venerable object I have seen in America. The first faculty, chosen by President White, reflected his character: his idealism, his faith in social

emancipation by education, his dislike of dogmatism, confinement, and inherited orthodoxy; while the romantic upstate gothic architecture of such buildings as the President's house (now Andrew D. White Center for the Humanities), Sage Chapel, and Franklin Hall may be said to portray the taste and Soul of Andrew Dickson White. Other memorable characters are Louis Fuertes, the beloved naturalist; his student, Hugh Troy, who once borrowed Fuertes' rhinoceros-foot wastebasket for illicit if hilarious purposes; the more noteworthy and the more eccentric among the faculty of succeeding presidential eras; and of course Napoleon, the campus dog, whose talent for hailing streetcars brought him home safely—and alone—from the Penn game. The humor in *A History of Cornell* is at times kindly, at times caustic, and always illuminating.

alison kerestes political party affiliation: *The Poetics of Poetry Film* Sarah Tremlett, 2020-10-15 Set to generate future discussions in the field for years to come, *The Poetics of Poetry Film* is an encyclopaedic work on the ever-evolving genre of poetry film. Tremlett provides an introduction to the emergence and history of poetry film in a global context, defining and debating terms both philosophically and materially. Including over 40 contributors and showcasing the work of an international array of practitioners, this is an industry bible for anyone interested in poetry, digital media, filmmaking, art and creative writing, as well as poetry filmmakers. Poetry films are a genre of short film, usually combining the three main elements of the poem as: verbal message; the moving film image and diegetic sounds; and additional non-diegetic sounds or music, which create a soundscape. In this book, Tremlett examines the formal characteristics of the poetic in poetry film, film poetry and videopoetry, particularly in relation to lyric voice and time. The volume includes interviews, analysis and a rigorous and thorough investigation of the poetry film, from its origins to the present.

alison kerestes political party affiliation: *Lift Up Your Hearts and Voices*, 2018-09 Adapted from the Charpentier *Te Deum* in D Major with an original school-friendly text, this is an accessible and positive way to ease your students into singing timeless choral music. An optional trumpet adds to the classic character. Majestic!

alison kerestes political party affiliation: *Precarious Communism* Richard Gilman-Opalsky, 2014 How does one demonstrate the enduring relevance of a sacred text but to help it speak to present times? This is what churches do with the Bible and what Marxists do with the writings of Marx. Richard Gilman-Opalsky offers a book-length detournement of 'The Communist Manifesto' as a loving blasphemy, as a grateful revolt, both for and against the original text. Gilman-Opalsky detourns the 1848 manifesto as an exploration of its ongoing applicability, as well as its failures, in relation to capitalism and its evolving crises.

alison kerestes political party affiliation: *Civic Youth Work* Ross VeLure Roholt, Michael Baizerman, R. W. Hildreth, 2013-06 How can we better organize and support youth in their contribution to public life? Ross VeLure Roholt, Michael Baizerman, and Roudy W. Hildreth have developed this book to help practitioners and educators who work with youth look at young people in a framework that is qualitatively different. This book explores the idea of youth not only as a developmental stage but also as having a purposeful social role within civic life. This text presents co-creation as a form of direct youth work practice that invites youth to become actively involved in their communities as citizens, collaborating with youth workers to create and sustain safe spaces for civic engagement. The book's contributors show how adults who work with youth can promote a democratic environment where youth can discuss, engage, and act on issues that matter to them. This book provides concrete case studies of civic youth workers and participating youth creating spaces for the civic and political development of young people in places that lack a social expectation of young people contributing to public life. From developing strategies for conflict

reduction in Africa to mending the religious divide in Northern Ireland, the examples describe how to coordinate, support, and manage programs and initiatives with young people that can effect positive change on a global scale.

alison kerestes political party affiliation: Women in Iberian Filmic Culture Elena Cordero-Hoyo, Begoña Soto Vázquez, 2020 Though cinema arrived in Spain and Portugal at the end of the nineteenth century, national and industrial problems as well as the dictatorships of Salazar and Caetano (in Portugal) and Franco (in Spain) meant Iberian cinemas were isolated from European cultural trends. The strict censorship in both countries limited the themes and artistic practices adopted. A specific cinematographic language, in many cases full of metaphors and symbolism, sought alternatives to the imposed official discourse and preconceived definitions of supposed national identities. By contrast, from the 1970s onwards, Spain and Portugal experienced a great change in their societies: the arrival of democracy widened not just the panorama of film production and criticism, but also opened the film industry to women participation in areas historically assigned to men. Focusing on Portuguese and Spanish cinema, this collection brings together research about women and their status in relation to Iberian visual culture. The volume contributes to ongoing debates about the position of women in the cinemas of Portugal and Spain through a revision of feminist theory as well as new accounts of film history. It also aims to promote comparisons between Iberian cinemas and visual culture from different regions, a topic that is almost unexplored in academia, despite the similar histories of the two Iberian countries, particularly throughout the twentieth century.

alison kerestes political party affiliation: Parenting as a Spiritual Journey Nancy Fuchs, 1998 How can we foster spiritual growth in ourselves as parents? A perfect gift for the new parent. A helpful guide for anyone seeking to re-envision family life. Parenting as a Spiritual Journey explores the transformative spiritual adventure that all parents can experience while bringing up their children. Parenting as a Spiritual Journey shows, by looking at a typical day's routine, how even the seemingly insignificant moments in a day with your child can be full of spiritual meaning. From waking up in the morning to bedtime at night, there are so many opportunities for parent and child to connect in a spiritual way. Fuchs-Kreimer helps us see those possibilities, revealing how parents can come to recognize, understand and appreciate the joys, insecurities, wonder and awe that can contribute to the spiritual fulfillment of raising children. Fuchs-Kreimer's interviews with over one hundred parents, plus her own experiences as a mother of two, illuminate the journey we take every day in raising our children. Included are rituals, prayers, and inspiring passages from sacred Jewish texts as well as from other religious traditions that are woven throughout this wise, funny and lyrical book.

alison kerestes political party affiliation: Christianity and National Identity in Twentieth-Century Europe, 2016 This collection explores how Christian individuals and institutions combined the topics of faith and national identity in twentieth-century Europe. National identity is understood in a broad sense that includes discourses of citizenship, narratives of cultural or linguistic belonging, or national characteristics. It considers various geographical contexts, and takes into account processes of cross-national exchange and transfer. It shows how national and denominational identities were often mutually constitutive, at times leading to a strongly exclusionary stance against other national or religious groups. In different circumstances, religiously minded thinkers critiqued nationalism, emphasising the universalist strains of their faith, with varying degrees of success. Throughout the century church officials and lay Christians have had to come to terms with the relationship between their national and European identities within the processes of Europeanisation.
