## **The Rise of the All Breed Obedience Training Club: Reshaping the Canine Training Landscape**

By Dr. Emily Carter, PhD, Certified Professional Dog Trainer (CPDT-KA)

Dr. Emily Carter holds a PhD in Animal Behavior and is a Certified Professional Dog Trainer – Knowledge Assessed (CPDT-KA), with over 15 years of experience in canine training and behavior modification. Her research focuses on the effectiveness of positive reinforcement methods in various breeds and the impact of social learning within dog training environments.

Published by Canine Chronicle, a leading publication in the pet industry with over 30 years of experience providing reliable and insightful information for dog owners and professionals.

Edited by Sarah Miller, a seasoned editor with 10 years of experience in animal welfare journalism and a deep understanding of the canine training industry.

### **Introduction:**

The rise of the all breed obedience training club represents a significant shift in the canine training industry. Moving away from breed-specific approaches, these clubs offer a more inclusive and holistic training experience, benefiting both dogs and their owners. This article explores the implications of this trend, examining its impact on training methodologies, social interaction, and the overall well-being of dogs.

### **H1: The Benefits of an All Breed Obedience Training Club Approach**

Unlike traditional training programs that might cater to specific breeds based on perceived temperament or predisposition, the all breed obedience training club embraces the unique personalities and learning styles of every dog. This inclusive approach fosters a more positive and less judgmental learning environment. Benefits include:

**Improved Socialization:** Dogs of all breeds, sizes, and ages interact, learning crucial social skills and reducing the risk of fear-based aggression or anxiety. This socialization is particularly valuable for puppies and young dogs, laying a solid foundation for well-adjusted adulthood. The controlled environment of a club setting allows for supervised interactions, minimizing potential conflicts.

**Tailored Training Methods:** Experienced trainers in an all breed obedience training club adapt their teaching methods to suit individual dogs. Recognizing that a one-size-fits-all approach is ineffective, they focus on positive reinforcement, understanding each dog's learning pace and preferred communication style. This personalized approach maximizes

learning and minimizes stress.

**Enhanced Owner Education:** These clubs often provide valuable educational resources for owners, including workshops on dog behavior, nutrition, and health. The shared experience among owners fosters a supportive community, where they can learn from each other and share tips and advice. This collaborative learning environment strengthens the bond between dog and owner, promoting responsible pet ownership.

**Accessibility and Affordability:** By offering group classes, all breed obedience training clubs often provide a more affordable alternative to private training sessions, making professional training accessible to a wider range of dog owners.

## H2: Addressing Concerns and Challenges

While the benefits are numerous, challenges remain:

**Managing Diverse Temperaments:** Training dogs with varying temperaments and energy levels requires skilled and experienced trainers. Careful group management is crucial to ensure the safety and well-being of all participating dogs. Effective trainers will employ techniques to minimize stress and ensure positive interactions.

**Specialized Needs:** Some dogs may require specialized training due to specific behavioral issues or physical limitations. While an all breed obedience training club can offer a strong foundation, dogs with severe behavioral problems might benefit from one-on-one sessions with a certified behaviorist.

**Maintaining Consistency:** Ensuring consistency in training methods across different instructors within a club is vital. Clear guidelines and regular training for instructors are essential to maintaining a high standard of quality.

## H3: The Impact on the Canine Training Industry

The increasing popularity of the all breed obedience training club is reshaping the canine training landscape. It signals a shift towards a more holistic and inclusive approach, prioritizing positive reinforcement and recognizing the unique needs of each dog. This trend is likely to continue, driven by growing public awareness of positive training methods and the benefits of early socialization.

## H4: The Future of All Breed Obedience Training Clubs

The future of all breed obedience training clubs looks bright. We can expect to see more clubs emerge, offering a wider range of services and incorporating advanced training techniques. The integration of technology, such as online resources and virtual training sessions, is also likely to expand the reach and accessibility of these clubs. The focus will likely remain on building strong human-animal bonds, promoting responsible dog ownership, and ensuring the overall well-being of all dogs.

## Conclusion:

The all breed obedience training club is more than just a training facility; it's a community hub promoting responsible dog ownership and celebrating the unique bond between humans and their canine companions. Its inclusive approach, emphasis on positive reinforcement, and focus on owner education are reshaping the canine training industry, paving the way for a more compassionate and effective approach to dog training. The benefits for both dogs and their owners are undeniable, leading to a brighter future for all.

## FAQs:

1. What is the difference between an all-breed obedience training club and a breed-specific training club? An all-breed club trains dogs of all breeds together, promoting socialization and adaptation to different canine personalities. Breed-specific clubs focus on training methods tailored to a particular breed's characteristics.
1. Are all breed obedience training clubs suitable for all dogs? While most dogs benefit, dogs with severe aggression or behavioral problems may require specialized individual training.
1. What qualifications should I look for in an all-breed obedience training club instructor? Look for certified professional dog trainers (CPDT-KA) who utilize positive reinforcement methods.
1. How much does it typically cost to join an all-breed obedience training club? Costs vary depending on location and services offered, but are generally more affordable than private training.
1. What kind of equipment do I need for an all-breed obedience training club? Basic equipment includes a collar, leash, and high-value treats. The club may provide additional equipment.
1. How long does it typically take to see results from all-breed obedience training? Results vary depending on the dog, but consistent training usually shows improvements within weeks.

1. What if my dog doesn't get along with other dogs? The club should provide strategies to manage interactions, and may recommend separate socialization sessions or individual training.
1. Can I bring my puppy to an all-breed obedience training club? Yes, puppy classes are commonly offered, providing crucial early socialization and training.
1. Do all-breed obedience training clubs offer advanced training? Many clubs offer advanced classes focusing on more complex obedience skills and agility.

**all breed obedience training club: The Thinking Dog** Gail Tamases Fisher, 2009 It is such a joy to work with a dog who proactively engages in behaviors while you build a relationship that will surprise you in its depth and versatility. Clicker training has proven to be the most effective means of developing a Thinking Dog, one who offers behaviors in anticipation of a reward rather than a dog who has been trained only to wait for his owner's commands. One of the biggest obstacles the new clicker trainer faces, however, is his or her own history of training and habits of working with a dog. But you can make the transition once you understand how dogs learn and the mechanisms of operant conditioning. Learn from author Gail Fisher's crossover experiences as well as those of the hundreds of students she has helped make the change over the past thirteen years. You will learn: How dog training has evolved over the past 100 years, the strengths and weaknesses of various training styles, and to what extent you can intergrate your previous methods with clicker training. The particular challenges you will face as you crossover from whatever style of training you have used in the past (compulsion, luring, etc.) to clicker training. The detailed nuts and bolts of clicker training from getting a behavior started, to methods of rewarding, to reducing the need to click and treat over time while still getting the results you want. How to work with dogs trained with force or harsh methods and change them into behavior-offering dynamos. What reviewers are saying ... MIDWEST BOOK REVIEW Written by Gail Tamases Fisher, a professional dog trainer of over thirty years' experience, The Thinking Dog: Crossover to Clicker Training is a guide to using clicker training to develop a thinking dog who offers behaviors in anticipation of a reward, rather than a passive dog trained simply to wait for its owner's commands. Someone new to clicker training may find it difficult to break out of familiar routines; The Thinking Dog: Crossover to Clicker Training teaches one how to surpass one's own ingrained habits while learning the nuts and bolts of operant conditioning. By definition, LLW [loose-leash walking] means there is no tension in the leash. This rule is absolute: Your dog may not pull and be successful. Any time your dog pulls and gets to move forward, pulling is reinforced. So from the moment you start training LLW, any time your dog is on leash, you are either in training, or using equipment that prevents pulling, such as a front-connection harness or head halter. Do not use a Flexi- or bungi-lead as they reward pulling. An excellent, easy-to-use manual for amateur and professional dog trainers alike, handily illustrated with black-and-white photographs. James A. Cox DOG WORLD When Gail Tamases Fisher attended her first clicker-training seminar in 1996, she was already a skilled trainer and the author of two books. She had built a successful career on the Volhard motivational method. I was happy with how I trained for the 20-plus years that I had used and taught this approach, believing it was by far the best way to train for both dogs and people, Fisher writes. As her skepticism vanished, she began incorporating clicker training into her methodology. She explains her decision in a balanced manner: Nothing in this book is intended to denigrate any approach or diminish your success with whatever training method you have used.

**all breed obedience training club: Akc Star Puppy** Mary Burch, Ph D Mary Burch, 2012-08 Give your new puppy a great start in life by following the easy-to-apply information in this book from the moment you bring her home. **all breed obedience training club:** *Poodles* Hans J. Ullmann, Hans-Jochen Ullmann, 1984 Owmers manual.

**all breed obedience training club:** Nate Schoemer's Dog Training Manual Nate Schoemer, 2019-09-10 In this manual, you will learn the step by step process to teach your dog any command! Would you be surprised if I told you that there are no secrets to dog training? The reality is that it comes down to understanding the science behind the methods and each dog's individual needs, desires, and perseverance levels. After spending years in the industry-traveling and working with dog trainers throughout the country, training new dog trainers, and even having my own show on Animal Planet (Rescue Dog to Super Dog), I have developed a system that is easy to understand and most importantly-easy to implement. These are techniques that I have evolved over the years by working with some of the best trainers in the industry-and now they are available to you for less than the cost of a cup of coffee!

**all breed obedience training club:** *Black and Tan Coonhound* Linda Hibbard, 2012-03-27 This Comprehensive Owner's Guide to the Black and Tan Coonhound serves as a complete introduction specialized hunting companion. The Black and Tan Coonhound, named for its signature coat coloration and the quarry for which it was designed, possesses trailing and treeing instincts beyond compare. The history chapter traces the breed's development in the United States, from ancient European hounds, to pursue raccoon and other quarry. The breed's characteristics key to its hunting prowess, discussed in chapter two, include the Black and Tan's legendary nose, long, flowing ears (to capture scent), and characteristic bawl (to hold quarry at bay and communicate with human

hunters). New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are brimming with detail and illustrated with handsome adults and puppies. In all, there are over 135 photographs in this compact, useful, and reliable volume. The author's advice on obedience training will help readers better mold and train their dogs into the most socialized, well-mannered good canine citizens. The extensive chapter on healthcare provides accurate information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Further chapters on caring for the aging dog and handling behavior issues (separation anxiety, barking, digging, etc.) conclude the volume. Sidebars throughout the text offer helpful hints, covering topics as diverse as vaccines, toxic plants, first aid, crate training, carsickness, fussy eaters, and more. Fully indexed.

**all breed obedience training club: Zak George's Dog Training Revolution** Zak George, Dina Roth Port, 2016-06-07 A revolutionary way to raise and train your dog, with "a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions" (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet's unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak's YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

**all breed obedience training club: Puppy Start Right** Kenneth M. Martin, Debbie Martin, 2011 With almost 200 pages, corresponding photos, and step-by-step instructions, *Puppy Start Right* is the ideal book for fostering and enhancing a "parenting relationship" among people and their dogs! This book is a great resource for all dog parents, dog trainers, puppy socialization class instructors, shelters, and adoption agencies. Whether you are raising a new puppy, have recently adopted an adolescent dog, or are living with an adult dog, *Puppy Start Right* is the book for you. This book sets the foundation for a lifelong partnership between you and your dog based on a mutual understanding and trust. *Puppy Start Right* is more than a puppy book about socialization; it's a positive approach to problem solving, prevention, and training, all without the use of force. Problem-solving topics address common behaviors of adolescent dogs, including mouthing/biting, jumping, chewing, digging, counter surfing, and stealing objects. Prevention topics include confinement/independence training, food bowl exercises, handling and restraint, and more. The book also includes: • The Developmental Life Stages of Dogs • Domestication, Social Behavior, How Dogs Perceive the World, and Canine Communication • How Dogs Learn • Positive Socialization and What to do if Your Dog is Frightened? • Applying the Problem-Solving Model to Prevent Common Behavior Problems • House Training in 5 Easy Steps • Foundation Training Exercises

Practicing vet Joan Capuzzi, VMD, guides you down the exciting but unpredictable journey of puppyhood on your way to a healthy, well-socialized, mature adult dog. Four hundred full-color photos covering: Choosing a puppy Supplies Potty training 101 Health Teething and chewing Food Training exercises Grooming

**all breed obedience training club: Town & Country** , 1957

**all breed obedience training club: Expert Obedience Training for Dogs** Winifred Gibson Strickland, 2008-05-05 The Latest Edition of a Classic Dog Training Book Learn how to communicate more effectively with your dog using the time-tested training method of the most successful Obedience competitor in history. Winifred Strickland's humane, commonsense approach to dog training applies to all breeds of dogs, large and small. And now it's updated to include training for the latest AKC Obedience exercises. Complete with helpful training tips, answers to frequently asked questions, and more than 170 photographs, this is an indispensable resource for everyone pet owners, Novice competitors, Open enthusiasts, Utility contenders, and Obedience instructors. A Howell Dog Book of Distinction

**all breed obedience training club: Having Fun with Your Dog** Audrey Pavia, Jacque Lynn Schultz, 2010-01-26 Tons of ideas for having even more fun with your dog! Dogs are so much fun to be around—that's why they're our best friends, right? But there's so much more you can do with them than play fetch. This book showcases all the fun activities you can share together, like camping, hiking, swimming, agility, flyball, and junior handling. It also shows you how to teach your dog special skills like herding and tracking. Plus, you'll find out ways you can team up with your dog to help others in activities like pet therapy visits or participating in dog walkathons. Loaded with lots of color photos and friendly information you can trust, the ASPCA Kids books were written by animal lovers for animal lovers—just like you.

**all breed obedience training club: The Other End of the Leash** Patricia McConnell, Ph.D., 2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man's best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how

even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

**all breed obedience training club: Beyond Basic Dog Training** Diane L. Bauman, 1991-11-29 *Beyond Basic Dog Training* has, since its initial publication, achieved well-deserved recognition as an innovative guide to obedience instruction that is truly unique among books on the subject. *Beyond Basic Dog Training* makes a vital difference for those who read and use it and for dogs taught by it. This book shows how dogs learn, what they do with what they learn, and how a stimulated canine mind, along with an untrampled canine ego, makes for a dog that is a constant joy to live and work with. The new edition presents the most current knowledge on canine learning patterns, and provides updated American Kennel Club obedience trial regulations, greatly expanded since the first edition appeared. The instruction in *Beyond Basic Dog Training* is behind Gaines Superdogs, numerous obedience trial champions, and a host of canine successes. This is the book of choice for informed obedience fans. It can do for you and your dog what it has done for them and theirs. A Howell Dog Book of Distinction

**all breed obedience training club: Aggression in Dogs** Brenda Aloff, Brenda Aloff's book has become the bible for identifying, understanding, and resolving aggression problems in dogs. Contains detailed training protocols to use in specific types of aggression situations and how to manage the aggressive dog for his safety and the community's.

**all breed obedience training club: Training You to Train Your Dog** Blanche Saunders, 1965

**all breed obedience training club: Encyclopedia of Dog Breeds** D. Caroline Coile, 2015 This is a comprehensive reference for dog owners and prospective dog owners. Opening sections discuss breed evolution and point out the many physical and behavioural traits, and there are profiles of over 150 breeds in all, including 27 new breeds

**all breed obedience training club: Making Friends** Linda Colflesh, 2007-08-06 Sensitive, user-friendly dog training that works! A good relationship with a dog is built on realistic expectations. The better you understand your dog's unique personality and natural behavior, the sooner you will establish a rapport based on two-way communication, mutual respect, and trust--and the easier it will be to train your dog successfully. One of the first positive training books, *Making Friends* is a highly accessible guide to training your dog effectively and humanely. Respected dog obedience trainer Linda Colflesh shows you how to use positive reinforcement through gentle, easy-to-follow methods that get results while respecting your dog's intelligence and dignity. From housebreaking and teaching everyday commands to grasping the important (but often overlooked) details of dog reaction and interaction, Colflesh outlines a week-by-week training plan that meets your needs and helps you build a strong connection with your furry companion. You'll discover how to:

- \* Learn to read your dog's body language
- \* Make proper use of collars, leashes, and treats
- \* Handle puppy behavior problems the positive way
- \* Keep your dog mentally stimulated and properly exercised
- \* Join dog clubs and play groups

Highly recommended by satisfied trainers, breeders, and pet owners, *Making Friends* is a proven, sensible, fun training method that lets you truly be your dog's best friend.

**all breed obedience training club: Happy Tails Across New Jersey** Diane Goodspeed, 2006 Are you among the thousands of dog owners in the Garden State who would like to spend more time with your four-footed companion? Now you can! In this first-of-its-kind guidebook, Diane Goodspeed brings the encouraging news to pet lovers that their furry friends are welcome to many of New Jersey's beaches, trails, parks, swim holes, and even stores. Whether you are hiking in the Kittatinny

Mountains, going for a run on the beach, or playing fetch along the Delaware River, you and your dog can explore New Jersey together. From transportation and equipment to basic obedience and fitness conditioning, this guide contains all the information you need to get your dog out the door for exciting adventures in every season. Organized by county for easy reference, you will find information about county, state, and national parks that will welcome your canine companion. The book also functions as a convenient handbook for shops, covering everything from high-end pet stores and large chains to independently run dog bakeries. Goodspeed identifies training facilities, the most reputable and well-established dog trainers, as well as shelters, rescue centers, and every dog park across the state. Whether you are a long-time dog owner, or new to the canine scene, you will be surprised by how many dog-friendly events, including walk-a-thons, fairs, canine sporting competitions, town festivals, dog parades, and fundraising events for rescue groups occur annually throughout New Jersey. Finally, with your leash in one hand and this indispensable and all-inclusive guide in the other, you can enjoy the exciting recreational opportunities available in the Garden State with your favorite four-legged friend.

**all breed obedience training club: My Dog!** Michael J. Rosen, 2011-01-01 Explains the ins and outs of dog ownership, dog training, and popular dog breeds.

**all breed obedience training club: The Original Dog Bible** Kristin Mehus-Roe, 2005 This is the essential dog compendium, a complete and comprehensive overview of everything dog.

**all breed obedience training club: The Maltese** Vicki Abbott, 2009-05-18 It's no wonder the Maltese is the 20th most popular breed registered by the AKC. He combines good looks with a strong physique and clownish, endearing temperament. He is the epitome of a showman and a companion. Written by the country's foremost authority on the Maltese, this Best of Breed Library title combines information the smitten pet owner needs to know to take the best possible care of his new friend with the history, show, and breeding information more enthusiastic fanciers need to help them fully understand and successfully compete with a Maltese. The book is filled with photos of this captivating breed, along with instructional diagrams and numerous appendices.

**all breed obedience training club: Competitive Obedience Training for the Small Dog** Gerianne Darnell, 1994 Special techniques for those training small dogs in competitive obedience! Covers novice through utility, even sources of special equipment!

**all breed obedience training club: Choosing a Dog** Nancy Baer, Steve Duno, 1995 Is a Springer Spaniel too high-strung for an apartment? Is a Golden Retriever the best choice for a family with young children? This easy-to-use, A-Z guide profiles the behaviors of all breeds recognized by the AKC, as well as a cross-section of mixed breeds. The authors also discuss how to choose the right breeder, how to select a puppy and prepare for its homecoming, and more. Line art.

**all breed obedience training club: Meet the Bulldog** American Kennel Club, 2012-04-10 The American Kennel Club's Meet the Bulldog an official publication of the American Kennel Club (AKC) in collaboration with the Bulldog Club of America, serves as the recommended resource for new and experienced owners of this one-of-a-kind companion dog. With his characteristic flattened muzzle, large head, and low-slung body, the unmistakable Bulldog has a limitless fan base in the United States and around the world. Illustrated with color photography throughout, Meet the Bulldog begins with a discussion about the responsibility of owning the Bulldog and its special traits and challenges. Equally important is the selection of the right breeder, a topic covered in a chapter that includes a list of questions to ask the breeder and the answers new owners are looking for. The book addresses the health of the Bulldog and alerts new owners to potential problems in the breed. The chapter on health discusses the importance of finding the right veterinarian for this breed as well as how to embark on a preventive-healthcare regimen with your vet. New owners will profit from the chapters dedicated to selecting the right merchandise for a new puppy and how to make the house and yard safe for the curious Bulldog puppy. House-training and obedience training are presented in individual chapters, and the AKC's stance on positive training methods shines through as owners are enlightened to the power of praise and rewards. The book doesn't stint on information about grooming, exercise, dental health, and feeding, all vital topics for the dog owner. The final chapter

includes various ways to get your Bulldog involved in dog sports and the community—from participating in AKC dog shows to becoming certified as a therapy dog and visiting nursing homes and retirement homes with your people-loving Bulldog. The chapters also offer advice on how to pursue the AKC S.T.A.R. Puppy and the Canine Good Citizen programs, both ideal for young dogs getting their start in organized dog events and therapy. The Resources section of the book includes excellent recommendations for websites, periodicals, books, and programs that owners will find informative and helpful.

**all breed obedience training club: Dog Training For Dummies** Jack Volhard, Wendy Volhard, 2010-06-22 Make training fun and effective This friendly guide shows you how to select the right training method for your dog, based on his unique personality, to reach your desired goals. **all breed obedience training club: Meet the German Shepherd**, 2011-10-18 The first official publication endorsed by the American Kennel Club (AKC) to celebrate this remarkably talented and multi-faceted breed, *Meet the German Shepherd* is the ideal introduction for new owners. German Shepherds have served humankind in various capacities over the years, including work as a police dog, military dog, search and rescue dog, herding dog, competition dog, guard dog and companion dog. Few breeds can boast as many devoted fans as the GSD. This colorful and useful owner's guide is divided into eleven chapters, which offer authoritative and accurate information on the breed's history as a working dog, characteristics, and special requirements for owning a dog as active and intelligent as the GSD. All titles in the American Kennel Club's *Meet the Breed* series are heavily illustrated with beautiful color images of well-bred puppies and handsome adults, a true feast for the eyes of any lover of this breed. A chapter devoted to the purchase and selection of the GSD puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Individual chapters on house-training and basic obedience serve as a crash course in positive-training techniques, the AKC's only recommended way of training dogs. Chapters on exercise, grooming, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC produced in conjunction with the German Shepherd Dog Club of America, *Meet the German Shepherd* also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, herding, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.

**all breed obedience training club: The Best Dog Tricks on the Planet** Babette Haggerty, Barbara Call, 2013-10-22 Featured on the Today show! Not only does training your dog new tricks give you something to show-off at parties, but it also keeps your dog engaged and moving, and helps you become closer and more in-tune with your pet. And who better to learn from than the pros?

Babette Haggerty has trained Jack Nicklaus' Golden Retriever to bark the number of his major tournament wins on command, Curt Gowdy's Rottweiler to say, Go Reds and Jimmy Buffett's Maltese to dance on cue to Margaritaville. In *The Best Dog Tricks on the Planet*, she offers up more than 100 of her best dog tricks, many of them featured by her famous father, Captain Haggerty, on David Letterman's *Stupid Pet Tricks*. Tricks include: - Bring Me the Ringing Phone - Wipe Your Feet Weave Poles - Open the Door - Balance an Egg on Your Nose - Strum a Guitar Step-by-step photos, more than 500 of them, pack the pages showing you the tricks to the tricks. In no time your dog will not only bring in the paper, play dead and roll over but also count objects, jump into your arms, crawl like a soldier and take a bow. Babette was voted Palm Beach's Favorite Dog Trainer. She has been featured on television and radio, including Animal Planet, Martha Stewart's Living Radio and most recently, the E! reality series, *Married to Jonas*. She has also published several articles in *Dogs USA* and *Dog World* magazines. She splits her time between Palm Beach and New York City with her two children as well as French Bulldog named Babe and German Shepherd named Barkley.
